Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2016 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards:

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the **elementary level**, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the **middle school level**, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the **high school level**, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:

Stephen Decatur Middle School 35 Arts Program for the 2015-2016 school year has been enhanced by the wonderful work of our committed educators in the disciplines of Visual Art, Dance and Poetry. Amiyar Barclift, Jasmine Jones and Jean St. Hill have worked diligently to provide an enriched arts program that consists of a plethora of art masterpieces, dance routines and student created poetry. Students are programmed for 90 minute periods of each art discipline once a week and display their talents twice a year during our evening renditions of "The Arts in Learning Performances" in the Fall and Spring of each respective academic year. This year our students performed their dance routines for the Community School District Chancellor's Town Hall Meeting. Our poets recited their creations during our First Annual District 16 Literacy Fair as well as placed 2nd and 3rd place in the Brooklyn Alumnae Chapter of Delta Sigma Theta Sorority Incorporated Arts and Letters Committee Poetry Competition. Our art work was displayed during the First Annual Brooklyn North Field Support Center's End of Year Principals Celebration. In addition, the art club worked collaboratively with the New York City Department of Transportation-Safety Education Department on creating a safety banner that focused on texting and driving that will be displayed throughout Central Brooklyn. We look forward to continuing our partnerships with cultural institutions to further advance our arts program.
