Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2016 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards:

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the **elementary level**, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the **middle school level**, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the **high school level**, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:

TAG has been devoted to providing well-rounded Arts education for its students. All of our students, Kindergarten through Eighth Grade receive consistent, high-quality instruction in Music and Visual Arts.

We have a dedicated Kindergarten through 3rd Grade music teacher. In 4th grade students transition to instrumental music through the recorder. By 5th grade, students choose a band instrument and begin their performance instruction. All Kindergarten through 8th Grade students perform for their classmates as well as parents, during formal concerts, multiple times per year.

In addition to our music program that takes place during our regular school day, we have an afternoon Latin Jazz Ensemble that rehearses twice a week, after school. They perform multiple times per year, both in school and at community events throughout New York City.

We also offer a 6 Week Electives cycle. The 4th and 5th Grade students can choose to join a drumming club, where the music teacher instructs them on rhythm and various percussion instruments. The 6th through 8th Grade students can choose the Wind Ensemble, which focuses on more challenging musical pieces.

Our Visual Arts program is continuing to grow and develop. All of our students, Kindergarten through 8th Grade receive Art instruction at least 1 time per week. They work in various mediums. Pieces have been displayed at Art Shows both in the school and online, through Artsonia. Our art teacher also does an "Art Lunch," where students can work on projects during their lunch.
