Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2016 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards:

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the **elementary level**, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the **middle school level**, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the **high school level**, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

School's Arts Program Description

This school has submitted the following description of its arts program:
 Our school is dedicated to exposing students to the many opportunities New York City has to offer in the arts. Every semester we offer ballroom dancing through our physical education classes. Lincoln Center visits every semester to work with our students on a small theatrical performance. Our after school program allows students to explore museums across the city and attend Broadway shows. We offer choir, modern dance, drama and visual arts after school and they perform several times throughout the year. Our goal is to continue our partnerships and allow our students the opportunity to learn about American culture and living through the arts. Additionally we partner with Magic Box, Abrons Center for the Arts Henry Street Settlement, and Ballet Hispanico. From 2016 through 2020 we will be in a partnership with Exploring the Arts.
