Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2016 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards:

### New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the **elementary level**, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the **middle school level**, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the **high school level**, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

### School's Arts Program Description

#### This school has submitted the following description of its arts program:

The Arts Standards are an integral part of the P233Q curriculum which focuses on project based learning. P233Q serves students with special needs (autism, physical, emotional and cognitive challenges). Classroom lessons focus on community service and project based learning in keeping with the curriculum. Our school hosts an annual Pink Dance. Students make posters to decorate the gym for the dance. They also create and sell a variety of breast cancer awareness items including bracelets, necklaces, key chains, ribbons and book marks. Items were made from recycled materials. All proceeds are donated to Sloan-Kettering Memorial Hospital. P233Q was also the receiver of an award from the Speech Film Contest. Students created a rap video entitled Work Hard, Play Hard. Every year P233Q participates in the Queens Borough Arts Festival. This year one of our paintings entitled the Blue Bowl was chosen to be on display at the festival. Through the arts, students "give back" to the community while engaging in interesting and meaningful activities that are aligned to the learning standards while reinforcing IEP goals.
