Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2016 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards:

### New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the **elementary level**, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the **middle school level**, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the **high school level**, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

### School's Arts Program Description

#### This school has submitted the following description of its arts program:

The arts are prevalent at P.S. 13! Adhering to the NY Art Standards in Visual Arts, our student participate in grade appropriate activities, such as, chalk drawings (Gr. 1), working with pastels (Gr. 2), and sketching with charcoal (Gr. 4). Grade 5's visual arts curriculum offers units in photography. Student work is displayed throughout the lobby for all to enjoy.

All students take part in two units of dance. Each unit culminates in a performance for parents. Our Readers' Theater classes stress fluency while learning skills, such as, puppetry, pantomime, and commercial making.

Funding from grants and our City Councilmember afforded us opportunities to offer 3 residencies: "The Environmental Art Project", facilitated by Universal Temple of the Arts, guided students through the process of transforming recyclables into art; partnered with the Alice Austen House, two 10-week After School Cultural Adventures (CASA) in photography were accorded to interested 4th grade students; and, a Parents as Arts Partners grant through The Center for Arts Education had parents and children dancing for 5 sessions.

In May, "A Night of the Arts" showcased student work in numerous ways. Artwork was displayed throughout the first floor and cafeteria, 5th Grade photos were highlighted in a slide show, and a performing arts video presentation played throughout the evening. Student volunteers entertained all during a "P.S. 13's Got Talent" show.

We culminate our school year with a morning of dance and song during our annual Dance Fete.
