Dear School Community,

This report provides a view of the arts education opportunities you are providing for your students based on your responses to the *Annual Arts Education Survey* in May 2016 and includes information from the New York City Department of Education's databases.

The *Annual Arts in Schools Report* is an important part of the New York Department of Education's efforts to ensure that schools are providing students with high-quality arts education they need and deserve. The report has been created to help school leaders, parents, and teachers understand how they can improve student learning in the arts, building on the Blueprint for Teaching and Learning in the Arts which provides detailed PreK-12 curricula aligned with State standards:

New York State Guidelines and Requirements for Arts Education

The New York State Education Department (NYSED) has specific guidelines and requirements for arts instruction.

At the **elementary level**, in grades PreK-6, students should receive instruction in dance, music, theater, and visual arts. In addition, NYSED recommends that students spend a specific allocation of hours learning in the arts.

At the **middle school level**, in grades 7 and 8, the NYSED expects that students achieve, by the end of grade 8 one half-unit in dance, music, theater, or visual arts, and second half-unit in a second arts discipline.

At the **high school level**, the NYSED requires that all students graduate having taken at least two credits in the arts (dance, music, theater, and/or visual arts).

This school has submitted the following description of its arts program:

Port Richmond High School is committed to providing a comprehensive arts education. Our highly qualified arts teachers constantly assess student work throughout the year. We offer many classes for students to begin or continue their study in the arts. The arts classes offered at Port Richmond High School are Beginning Band, Concert Band, Symphonic Band, Jazz Band, Marching Band, Chorus, Beginning Guitar, Guitar Ensemble, Beginning Strings, Advanced String Orchestra, Theatre and we reinstated our Visual Arts courses in September, 2015. We anticipate offering two levels of Visual Arts in September, 2016. Our Marching Band can be seen in parades throughout New York City as well as up and down the eastern seaboard. We have a SING production in the fall and a musical in the spring. The students in our Music Department attend music festivals outside the school each year and perform at various school and community functions. Our instrumentalists benefit from a partnership with the Staten Island Philharmonic where professional musicians work with our students individually and in small group settings.
