Debate Kick-Off

(October 2, 2008):

Participants will learn how to facilitate both online and in-person debates in the classroom in order to compete with schools across the district. Workshop will include relevant topics, methods and resources, as well as an overview and training of the entire debate process from research to presentation, incorporating the use of technology. Register online at <http://www.district75pd.org/> (course code D75-08-194-1).
