

Dear Parent,

Do you want your child with autism to communicate more effectively?

Sign up for our free seminar to learn how to expand your child's language and communication skills during play activities and family routines.

"Maximizing Communication Skills During Play Time and Family Routines"

Presented by Dr. Bridget Taylor, Co-founder and Executive Director of Alpine Learning Group and Mr. Jamie Pagliaro, Executive VP of rethink autism, this workshop will teach you how to:

- Capture opportunities to maximize your child's communication during play activities and family routines.
- Increase your child's motivation to communicate.
- Increase your child's independence in communication.

When: Wednesday, February 24 from 6:00 - 7:30 p.m.

Where: Alpine Learning Group, 777 Paramus Road in Paramus, NJ 07652

Don't miss this free workshop with one of the leading experts in the education of children with autism.

Space is limited, so reserve your seat now! RSVP before February 15 by filling out the form below.
