How to Use the High School Directory

This Directory is divided into sections by boroughs. The schools are arranged alphabetically. A map (not drawn to scale) is also provided with basic information on the location of the schools.

This directory presents the profiles of the 2011-2012 NYC High Schools where District 75 Special Education Teacher Support Services were provided; it is meant only to give a brief snapshot and is NOT representative of all aspects of the school or program.

High school students receiving Integrated Co-Teaching (ICT) or Special Class services do not necessarily attend class together each period of the day.
