Every week we go to the

grocery store.

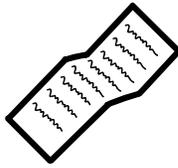

We

make

a

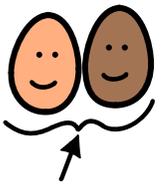

list

of things to

buy.

We

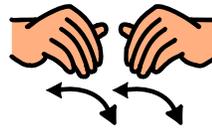

need

a

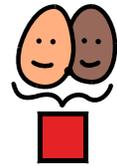

cart

to

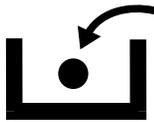

put

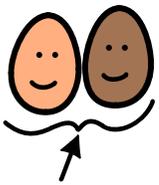

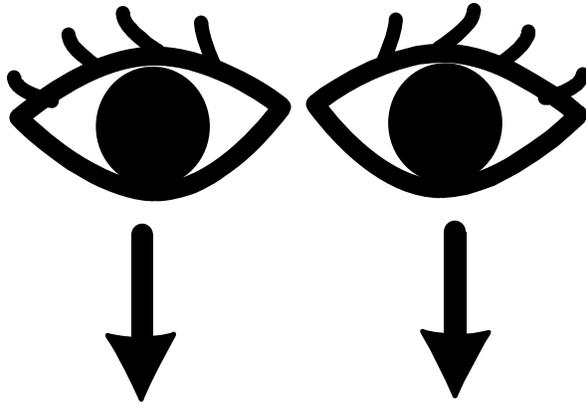

our

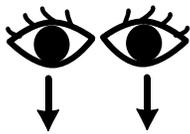

groceries

in.

We

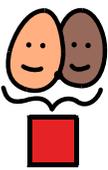

look

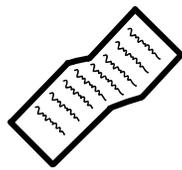

for the things

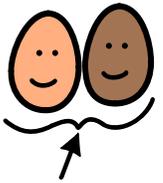

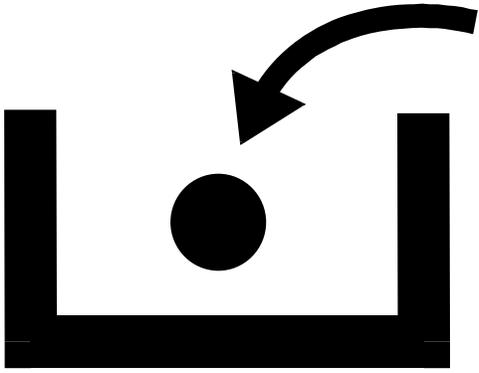

on

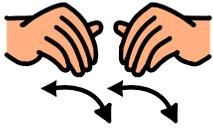

our

list.

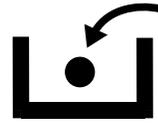

We

put

the groceries

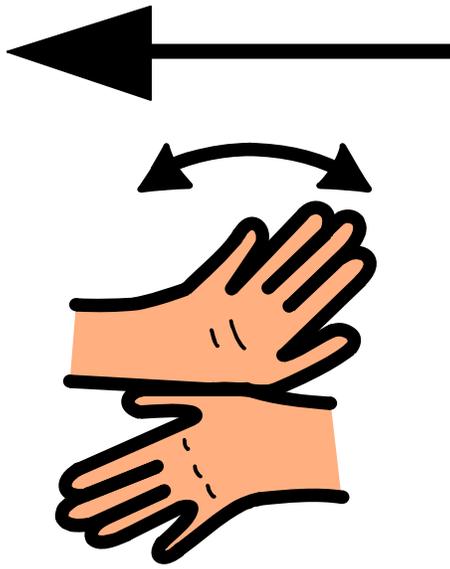

in

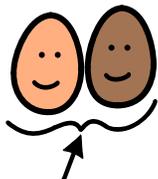

the

shopping cart.

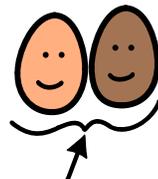

When

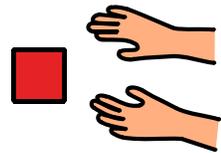

we

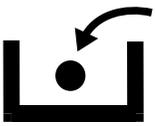

are finished

we

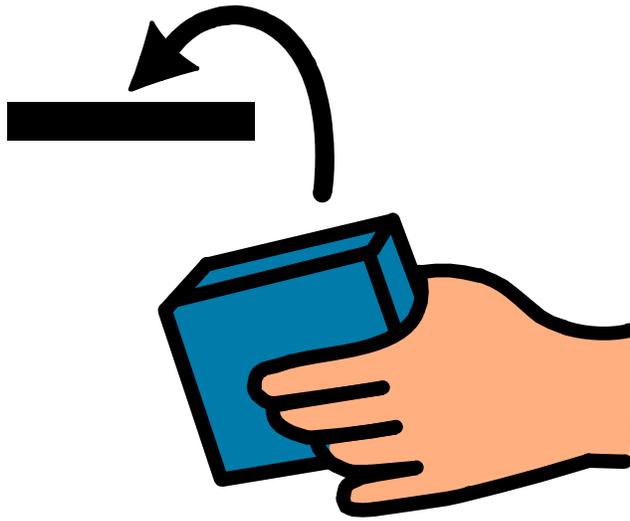

get

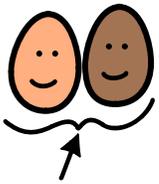

in

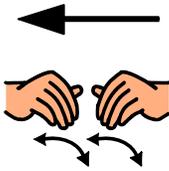

line.

put

We

put

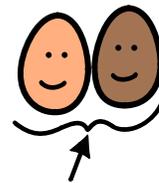

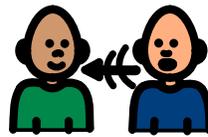

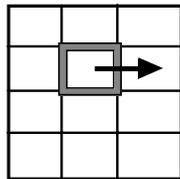

the groceries

on

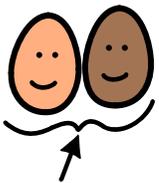

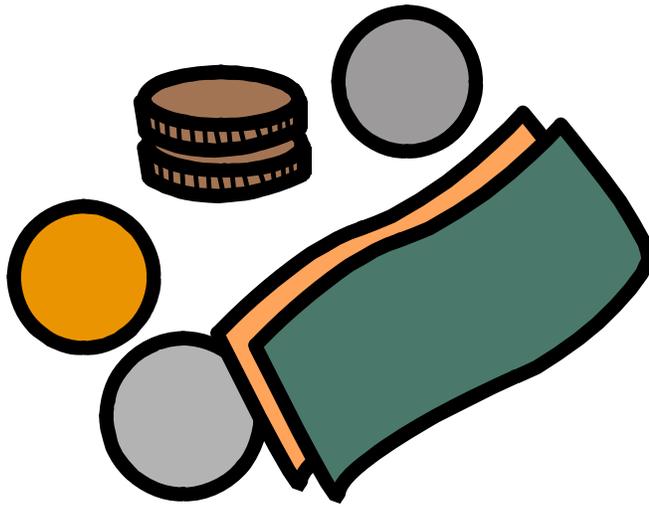

the belt.

The clerk scans to tell us

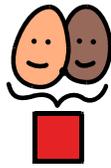

how much each thing costs.

We

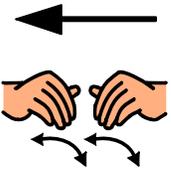

pay for

our

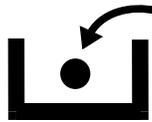

groceries and

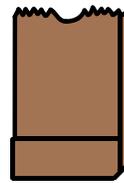

put

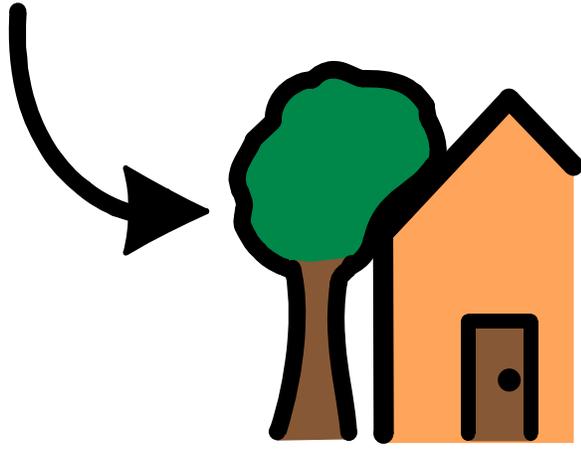

the groceries

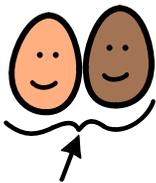

in

bags.

When

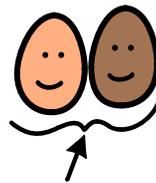

we

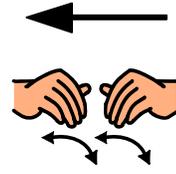

get

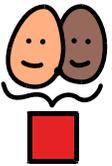

home

we

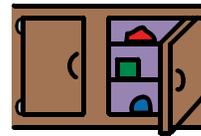

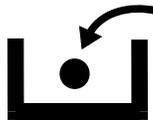

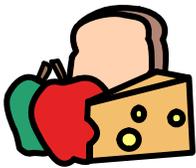

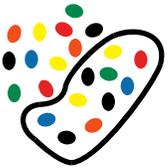

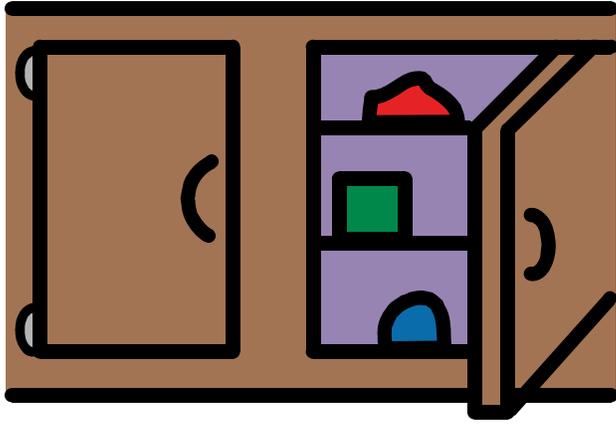

put

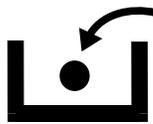

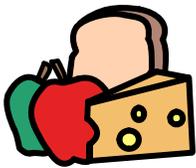

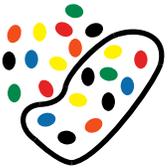

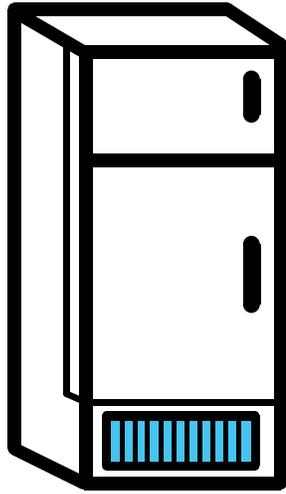

our

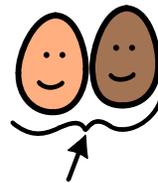

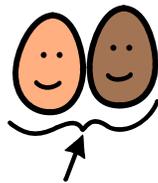

groceries away.

Some foods go in the cupboard.

Some foods go in the refrigerator.

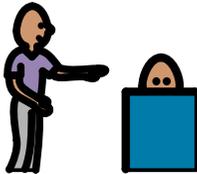

Then

when

we

cook

we

can

find

everything!
