NYC is full of all kinds of people.

This is me!  
Look at me in NYC!

NYC has many tall buildings.

Look at me near a tall

NYC has many parks.

Look at me at the park!

NYC has many bridges.

Look at me near a bridge!

NYC has many museums.

Look at me near a museum!

NYC has many modes of transportation.

Look at me riding the bus!

NYC has many stores.

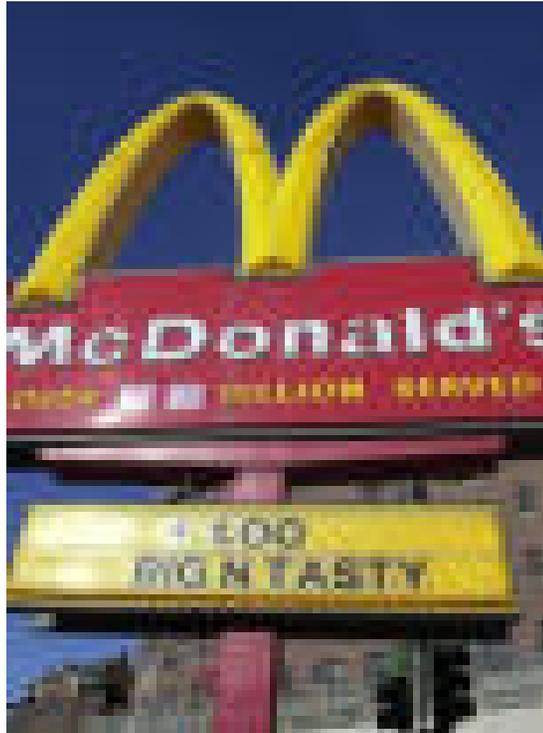

Look at me at Pathmark!

NYC has many restaurants.

Look at me at the

NYC has many fast food restaurants.

Look at me at McDonald's!

I love New York City!
