

# I Love Going To The Park

Written by Marjorie Kirlew,  
Teacher at P79M  
D75 / NYC DOE

I see a pigeon at the park.

I see a squirrel at the park.

I see flowers at the park.

I see picnic tables at the park.

I see ducks at the park.

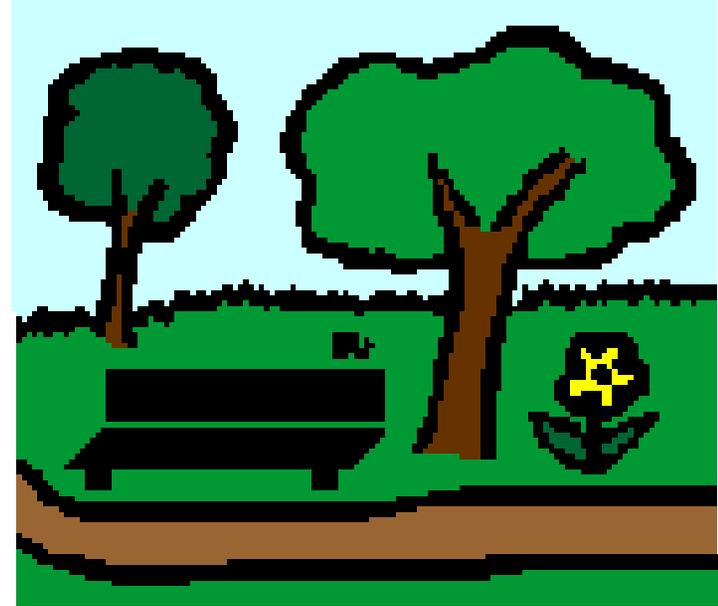

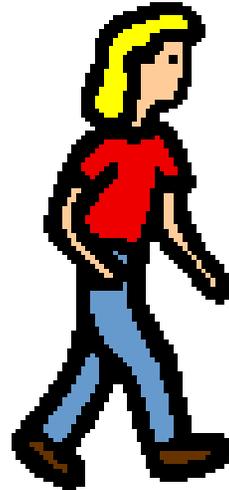

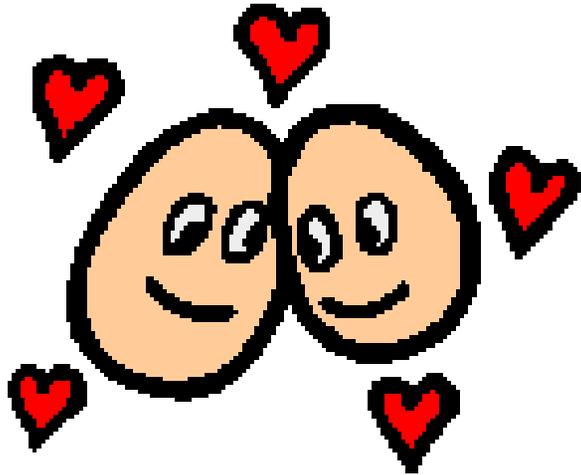

I see the path at the park.

I see trees at the park.

I see grass at the park.

I love going to the park.
