I want a pet, I really do, I want a  
pet and I don't care who!

My mother says pets make a mess  
but I say "Please, my pet will be  
the best!"

I'm not quite sure which pet I'll get. I'm not quite sure, at least not yet!

I want her to say it's OK, what can I do to get a pet today?

Tell me which you think she'll choose, if we give her choices we cannot lose!

A darling, snarling dog?

A prissy, pretty, princess of a  
kitty?

A crazy, colorful parakeet?

Bountiful, beautiful fish?

A sticky, slimy, slithering  
snake?

You tell me which pet is king and  
for that pet I'll do anything!
