I mop the floor.

I can use a mop.

I vacuum the floor.  
I can use a vacuum.

I sweep the floor.  
I can use a broom.

I wipe the tables.  
I can use a sponge.

I dust the furniture.  
I can use a dusting-cloth.

I clean the windows in my home.  
I can use the spray bottle.

These are the supplies I use for cleaning.

Now my house is clean, clean,  
clean!
