

Fish or People?

Written by Margaret DePaula at P53K

Who lives in a house?

Who lives in water?

Who eats fish?

Who eats pizza?

Who rides a skateboard?

Who swims?

Who goes to school?

Who swims in a school?

- 1. Make 2 copies of first page, one to use as the cover page
- 2. Paste fish and people symbol on on this page on heavy cardboard
- Cut out and laminate.
- 3. Put velcro (sticky side) on the back of laminated symbols
- 4. Put velcro (fuzzy side) over fish and people symbol on first page and stick laminated symbols over them
- 5. Put a piece of velcro (fuzzy side) on each page and have students answer questions by placing correct picture symbol on the page
- Note some pages need two pieces of velcro as both fish and people can be the answer
