Winter brings snow.

Winter brings cold weather.

In winter I can build a snowman.

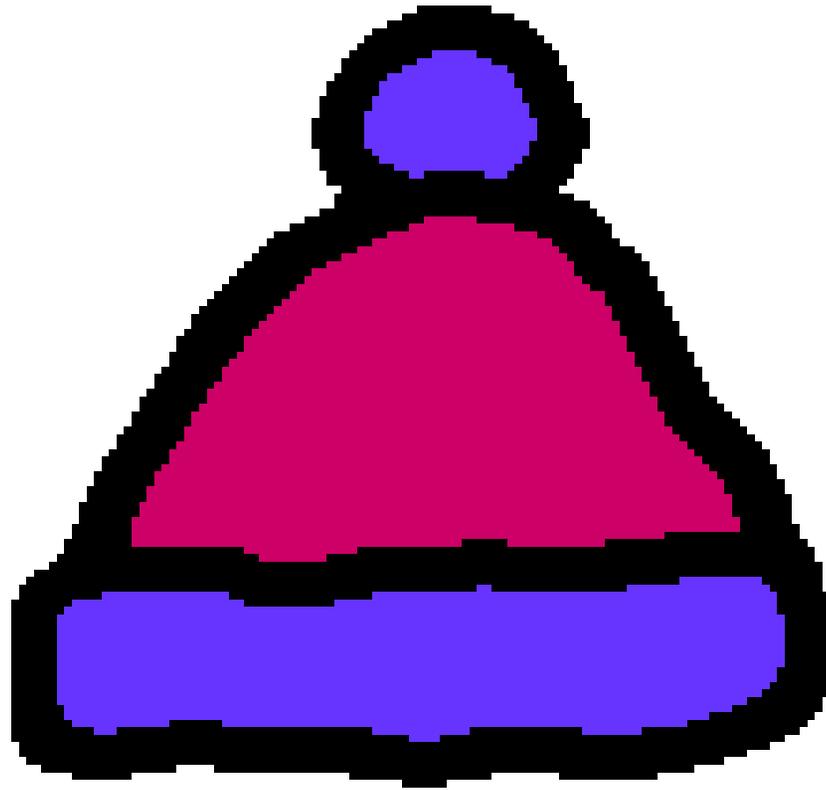

In winter I can go ice skating.

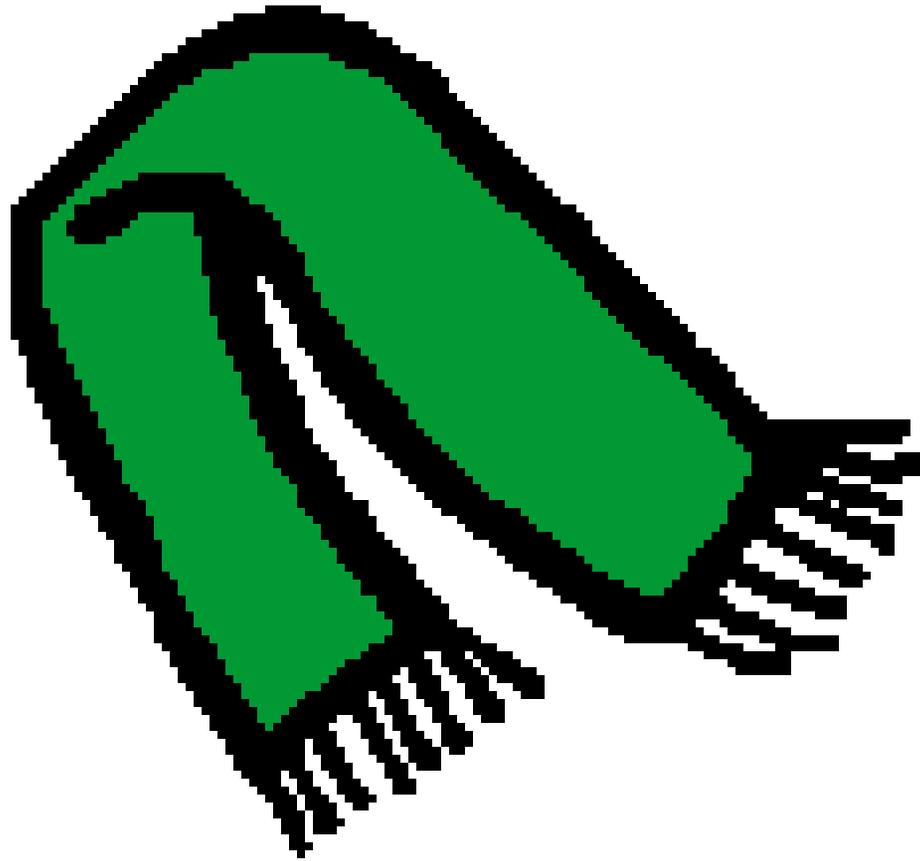

In winter I can go sledding.

In winter I can wear my  
warm coat.

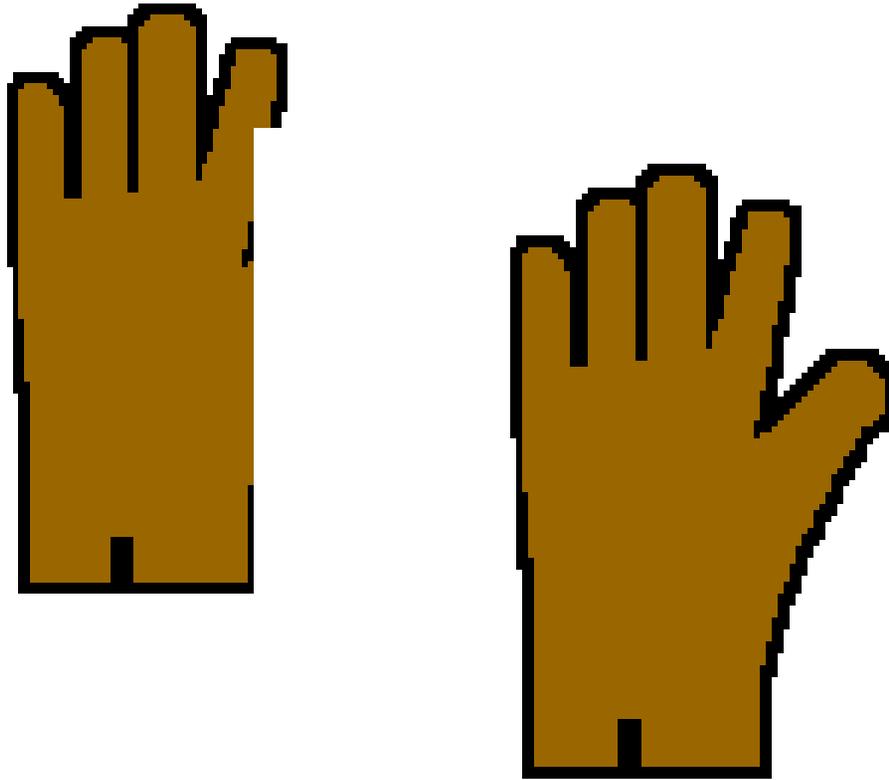

In winter I can wear my  
warm hat.

In winter I can wear my  
soft scarf.

In winter I can wear my furry  
snow boots.

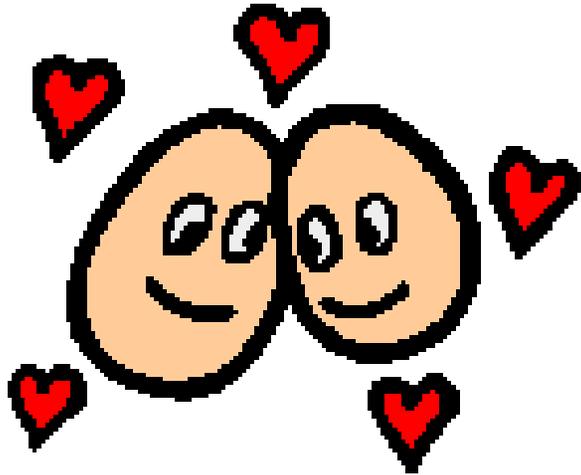

In winter I can wear my  
warm gloves.

In winter I can wear my  
cozy sweater.

In winter I can drink  
hot chocolate.

I just love winter !!!
