

## A-B-C Chart

Student's name: \_\_\_\_\_ School/site: \_\_\_\_\_

Observed from \_\_\_/\_\_\_/\_\_\_ to \_\_\_/\_\_\_/\_\_\_ Completed by: \_\_\_\_\_

Behavior of concern: (be specific and clear) \_\_\_\_\_

Date/Start & end time	<b>A=Antecedent:</b> Location, activity, people, etc.	<b>B=Behavior</b> What did the child do?	<b>C=Consequence</b> What happened after the behavior	Observer Initials

Use this form at the beginning of an FBA to document what happens immediately before and after the behavior of concern. This can help discover what is triggering & reinforcing the behavior. Use for only one behavior (e.g. hitting).
