First Annual Spelling Bee @ P.771K @225

We hosted our 1st Spelling Bee on May 12th. Congratulations to all the classes that participated in the competition. The winners of early elementary grades were **Kadetra Murray** of class V03 and runner up **Anthony Lin** of class V02 . In our upper elementary classes the winners were **Travis Brown** of class V05 and runner up **Claude Louis** of class V03. All 4 winners will participate in the District 75 Spelling Bee on May 28th 2010 at 79M. Best of Luck

Technology Bytes:

This spring is an exciting time for technology at P771K. Classrooms at 225, 236, 329 and I98 will be receiving new SmartBoards. SmartBoards are a large touch-screen computer device that allows students with diverse learning needs to interact and access curriculum in a wide variety of ways. We look forward to putting these powerful learning tools to work to increase achievement in our classrooms.

THERAPEUTIC RIDING PROGRAM

**Seaside Therapeutic riding is a non-profit 501(c) (3) organization dedicated to helping children and adults with disabilities become participants in life.
At JAMAICA BAY RIDING ACADEMY**

Located on 300 Acres of "Gateway National Recreation Area and Wildlife Preserve

- Olympic-size Indoor Arena: Newly Resurfaced
- Spacious Outdoor Arena
- Miles of wooded trails
- Wheelchair accessible restaurant with view of indoor arena
- Wheelchair accessible rest rooms

Seaside Therapeutic Riding is open all year. We offer both indoor and outdoor riding for special needs children and adults. In addition to ring riding we also offer trail riding to our students.

People with special needs do not have to be observers of life. People with special needs can participate in life and enjoy all its excitement.

Special Note: Autism Speaks

A donation has been made to Autism Speaks in remembrance of one of our beloved student, Tavon Turpin, whose life was cut short this past year. Tavon is greatly missed and loved by all.

P771K@236

Future Scientists At Work

Here at 771K@P236, we are having fun doing our projects for the MST Fair. Ms. Albert's class is learning how sound travels, and Ms. Rosiello's class is learning about fingerprints. Did you know that no one's fingerprints are the same?? Well, Ms. Rosiello's class knows that now!!
