### Message from Parent Coordinator

Welcome to the 2008-2009 school year. I hope everyone enjoyed this summer and I look forward to working with you and your families. I would like to set up parent activities and events for you based on your interests. Below is a list of ideas for parent activities, please feel free to make suggestions. Do you have a special interest or skill like sewing, knitting, taking pictures, “Green” projects, etc.?

Would you like to share those skills with other parents? Lets talk about the best time (day or night) and days of the week (week day or weekend) for setting up these activities. I can also provide Translation in Spanish for these activities. Though out, the whole year I will be calling you regarding activities and events. Parent activities can be scheduled during the evenings and on Saturdays if these are the best days of the week to come together.
