

Assistive Technology Initial Evaluation REFERRAL PROCEDURE

Starting Fall of 2012, please use the **NEW PROCEDURE** outlined below to refer a District 75 student for an Assistive Technology Initial Evaluation.

NOTE: District 75 Students requiring communication intervention must first have experiences with Alternative Communication **WITHIN** their school program using **PROGRAMMATIC EQUIPMENT**.

NEW REFERRAL PROCEDURE

- I. **Get an APPROVAL FROM YOUR SUPERVISOR:** Discuss with your Supervisor why the student will benefit from an IEP-driven device. Point out the student's strengths which indicate that he/she will be a successful user of IEP-driven assistive technology equipment. For students being referred for an AAC device, please refer to the skills checklists below:

- II. **Request your School's SBST to create an ASSESSMENT PLANNING DOCUMENT (APD) for an Assistive Technology Evaluation:** Your school's SBST is usually the School Psychologist. If the student is not yet due for an Annual Review or 3-Year Review, SBST would need to create the APD as a Re-Evaluation type, and you may be asked to create a Request for Reevaluation in SESIS so that they can successfully prepare the APD (do not confuse this document with Assistive Technology Re-Evaluation requests, which are for students with AT already in their IEP).

IMPORTANT: Please make sure that SBST is aware of the following:

- a. A **Signed CONSENT FOR ADDITIONAL ASSESSMENTS** needs to be faxed into SESIS whatever the APD's Referral Type is (i.e. Re-Evaluation, Annual Review, or a Mandated 3-Year Re-evaluation). This consent is signed by the student's parent/guardian. This document is faxed into SESIS to be part of the ADP.
- b. Within the ADP, the Assessment Needed column should indicate:
Assistive Technology for D75.
- c. Within the ADP, the Evaluator column should indicate:
Request for Assistance.

III. Create the **ASSISTIVE TECHNOLOGY EVALUATION REFERRAL (D75)**:

It is **VERY IMPORTANT** that the above points are **CLEARLY STATED** within the referral.
