SECTION II: SCHOOL LEADERSHIP TEAM SIGNATURE PAGE

Directions: Each school is required to form a School Leadership Team (SLT) as per State Education Law Section 2590. SLT membership must include an equal number of parents and staff (students and CBO members are not counted when assessing this balance requirement), and ensure representation of all school constituencies. Chancellor’s Regulation A-655 requires a minimum of ten members on each team. Each SLT member should be listed separately in the left hand column on the chart below. Please specify any position held by a member on the team (e.g., SLT Chairperson, SLT Secretary) and the constituent group represented (e.g., parent, staff, student, or CBO). The signatures of SLT members on this page indicates their participation in the development of the Comprehensive Educational Plan and confirmation that required consultation has occurred in the aligning of funds to support educational programs (Refer to revised Chancellor’s Regulations A-655; available on the NYCDOE website at

Note: If for any reason an SLT member does not wish to sign this plan, he/she may attach a written explanation in lieu of his/her signature.

SECTION III: SCHOOL PROFILE

Part A. Narrative Description

Directions: In no more than 500 words, provide contextual information about your school's community and its unique/important characteristics. Think of this as the kind of narrative description you would use in an admissions directory or an introductory letter to new parents. You may wish to include your school's vision/mission statement and a description of strategic collaborations/partnerships and/or special initiatives being implemented. You may copy and paste your narrative description from other current resources where this information is already available for your school (e.g., grant applications, High School Directory, etc.). Note: Demographic and accountability data for your school will be addressed in Part B of this section.

In the best upper grades schools, students are transformed from children who have benefited from a general education to young men and women who have discovered their unique gifts and are prepared to put them to use in the world. We are here to guide every student to that destination.

The mission of the Urban Assembly Academy of Arts & Letters is to provide a diverse group of young learners, grades 6-8, with a highly rigorous, student-centered education that will prepare them for leadership and success in college and life. Through academic study, extended projects in the "real" world, and a sharp focus on the creative communication strategies students need to succeed, we will graduate tomorrow's *Ones to Watch* - individuals who communicate and lead with **courage, confidence, creativity, compassion and clarity.**

How do our students become ones to watch?

We Support the Growth and Success of Every Child

- Small class size and small learning communities of 100 students per grade
- Highly-trained and knowledgeable teachers chosen for their demonstrated success
- Programs designed to develop every child's unique talents and interests
- An advisor for every student who provides academic and social support and an advisory class focusing on the "hidden curriculum," including time management, study skills, tutoring, and other academic supports
- Frequent home contact and community-building activities
- Daily after school programming by Citizen Schools
- Academic supports such as tutoring and small group instruction

We Invite Students to Learn in the "Real World"

For one semester each year, students explore and develop their talents alongside professionals by participating in an *Explorations* project in collaboration with an outside organization. Projects may include developing and putting on a play with Broadway actors, creating a video documentary, designing a multimedia arts presentation, or developing a spoken word poetry performance. Each project culminates in an Expo, to which our school community is invited to see the final product.

We Prepare Every Child and Family for College

- College-preparatory curriculum
- College workshops, visits, and preparation beginning in middle school

We Develop Courage, Confidence, Creativity, Compassion and Clarity through our Arts & Letters Theme

- Arts courses every year, including Visual Art, Music, Drama, and Creative Writing
- A close network of partners, including the Urban Assembly, Long Island University, Scholastic, Marquis Studios, Brooklyn Queens Conservatory of Music, Ars Nova, The Fashion Institute of Technology, and others, that help bring classroom learning to life and build capacity for our school
- Freestyle Fridays, a community event to celebrate student learning and expression

SECTION IV: NEEDS ASSESSMENT

Directions: Conduct a comprehensive review of your school’s educational program informed by the most current quantitative and qualitative data available regarding student performance trends and other indicators of progress. Include in your needs assessment an analysis of information available from New York State Education Department and New York City Department of Education accountability and assessment resources, i.e., School Report Cards, Progress Reports, Quality Review and Quality Review Self-Assessment documents, periodic assessments, ARIS, as well as results of Inquiry/Teacher Team action research, surveys, and school-based assessments. (Refer to your school’s Demographics and Accountability Snapshot in Part B of Section III, and feel free to use any additional measures used by your school to determine the effectiveness of educational programs) It may also be useful to review your school’s use of resources: last year’s school budget, schedule, facility use, class size, etc.

After conducting your review, **summarize** in this section the major findings and implications of your school’s strengths, accomplishments, and challenges. Consider the following questions:

- What student performance trends can you identify?
 - What have been the greatest accomplishments over the last couple of years?
 - What are the most significant aids or barriers to the school’s continuous improvement?
-

What student performance trends can you identify?

What have been the greatest accomplishments over the last couple of years?

- 1) Creating an engaged, small learning community of students and teachers. Our Learning Environment survey shows that overall parents and students feel heard and engaged in the school. While there is always room to grow, we feel we have created a community that shares values and efforts for all of our students to succeed. Our faculty is actively engaged in trying to improve instruction, as evidenced by multiple inquiry groups, summer PD sessions and planning, and the incredible amount of time and energy they put in here. Every teacher has been videotaped and is involved in intervisitation.
- 2) We have been awarded a Blackboard Award, and were included in Clara Hemphill’s NYC Best Public Middle Schools. We are proud of these accolades, just as we are aware that they push us to continue towards greatness. We are also proud that so many students across all four districts we serve put in applications. Last year, we received over 1400 applications for 100 slots.
- 3) Due to the renorming of test scores, we were extremely disheartened by the drop in test scores at proficiency. We are delving into item-based data analysis now, but we immediately identified several trends: 1) students at higher levels of achievement are not growing at the rate we would like to see; 2) we received extra credit for the special education and lowest third students, but the statistics of growth are not good enough; 3) our math data in relation to peer schools is not sufficient. We also noted that our students are struggling the most in the constructed response answers, and so our focus in Humanities this year will be on writing, and our focus in math will be on the problem attack strategies. Our hypothesis this year is that if we increase on task thinking minutes in all classrooms, we will see an increase in skill and content development.

- 4) We noted that some students are not engaged in learning, based on the LES. Thus, we are introducing more trips, field trips, and student activities, as well as more effectively coordinating student life services.

What are the most significant aids or barriers to the school's continuous improvement?

- 1) Budget: As always, budget cuts and constraints represent a significant barrier to improvement for us. We pride ourselves on small classes, and this requires funding, as do our arts and sciences programs. While we have Title 1 funding this year through the stimulus funds, we will not after this year. We are involved in intensive fundraising efforts through foundations and our hardworking PA. We have also managed to raise funds for an auditorium renovation and a community plaza renovation.
- 2) Time: Our faculty works extremely hard, and we never have enough time to have the conversations between ourselves and with our families that our students deserve. Small schools are created through persistent conversation about ideas that matter, and we would like to have more time with our staff to conduct these conversations.

SECTION V: ANNUAL SCHOOL GOALS

Directions: Based on the findings and implications from the comprehensive needs assessment (Section IV), determine your school's instructional goals for 2010-11 and list them in this section along with a few phrases of description. The resulting list should include a limited number of goals (5 is a good guideline), and the list as a whole should be a clear reflection of your priorities for the year. Good goals should be SMART – Specific, Measurable, Achievable, Realistic, and Time-bound.

Notes: (1) In Section VI of this template, you will need to complete an "action plan" for each annual goal listed in this section. (2) Schools designated for improvement (Improvement, Corrective Action, Restructuring, SURR, Persistently Lowest-Achieving (PLA), or schools that received a C for two consecutive years, D, or F on the Progress Report) must identify a goal and complete an action plan related to improving student outcomes in the area(s) of improvement identification. (3) When developed, Principal's Performance Review (PPR) goals should be aligned to the school's annual goals described in this section.

Goal 1: Improve teaching practice and student learning.

Objectives:

- 10% increase in teachers agree or strongly agree on LES about instructional feedback
- 5% improvement in proficiency and 5% in progress.
- 100% vertical team inquiry projects lead to improved performance for students
- Stations and centers implemented in all Humanities and math classrooms.
- 100% teachers receive at least two professional dialogue meetings focused on their individual learning goals, as measured by student thinking time.

Goal 2: Improve student engagement.

Objectives:

- 5% increase in students indicating engagement on LES
- Increase field trips and enrichment opportunities in each grade level
- Increase on-task thinking minutes in every classroom by 20%

Goal 3: Use data more effectively to track student learning

- Implement system for tracking students' progress in Key Cognitive Strategies via the matrix or another system
- Monitor goals through small inquiry on ten students across the school
- Conduct bimonthly data reviews in school overall

SECTION VI: ACTION PLAN

Directions: The action plan should be used as a tool to support effective implementation and to evaluate progress toward meeting goals. Use the action plan template provided below to indicate key strategies and activities to be implemented for the 2010-11 school year to support accomplishment of each annual goal identified in Section V. The action plan template should be duplicated as necessary. **Reminder:** Schools designated for (Improvement, Corrective Action, Restructuring, SURR, PLA, or schools that received a C for two consecutive years, D, or F on the Progress Report) must identify a goal and complete an action plan related to improving student outcomes in the area(s) of improvement identification.

REQUIRED APPENDICES TO THE CEP FOR 2010-2011

Directions: All schools must complete Appendices 1, 2, 3, & 7. All Title I schools must complete Appendix 4. All schools identified under NCLB or SED for School Improvement, including Improvement (year 1), Improvement (year 2), Corrective Action (CA) (year 1), Corrective Action (year 2), Restructuring (year 1), Restructuring (year 2), Restructuring (Advanced), and SURR, must complete Appendix 5. All Schools Under Registration Review (SURR) must also complete Appendix 6. **Please refer to the accompanying CEP guidance for specific CEP submission instructions and timelines.** (Important Notes: Last year's Appendix 7 – School-level Reflection and Response to System-wide Curriculum Audit Findings – has sunset as a requirement. Last year's Appendix 9 has been moved to Appendix 7 for 2010-2011. Appendix 8 will not be required for this year.)

APPENDIX 1: ACADEMIC INTERVENTION SERVICES (AIS) SUMMARY FORM

New York State Education Department (SED) requirement for all schools

Part A. Directions: On the chart below, indicate the total number of students receiving Academic Intervention Services (AIS) in each area listed, for each applicable grade. AIS grade and subject requirements are as follows: K-3: reading and math; 4-12: reading, math, science, and social studies. Academic Intervention Services include **2 components:** additional instruction that supplements the general curriculum (regular classroom instruction); and/or student support services needed to address barriers to improved academic performance such as services provided by a guidance counselor or social worker. Note: Refer to the District Comprehensive Educational Plan (DCEP) for a description of district procedures for providing AIS.

Identified groups of students who have been targeted for AIS, and the established criteria for identification:

- Students in Grades K – 3 who are considered at-risk for not meeting State standards as determined by their performance on ECLAS 2 or other identified assessments, or who have been identified as potential holdovers.
- Students in Grades 4 – 8 who are performing at Level 1 or Level 2 on New York State English language arts (ELA), mathematics, science, and social studies assessments.
- Students in Grade 9 who performed at Level 1 or Level 2 on NYS Grade 8 ELA, mathematics, science, and social studies assessments.
- Students in Grades 10 – 12 who scored below the approved passing grade on any Regents examination required for graduation in English language arts, mathematics, science, and social studies.

Part B. Description of Academic Intervention Services

Name of Academic Intervention Services (AIS)	Description: Provide a brief description of each of the Academic Intervention Services (AIS) indicated in column one, including the type of program or strategy (e.g., Wilson, Great Leaps, etc.), method for delivery of service (e.g., small group, one-to-one, tutoring, etc.), and when the service is provided (i.e., during the school day, before or after school, Saturday, etc.).
ELA:	<p>Extended Day: We provide extended support on Mondays and Wednesdays for students who need extra help in reading and writing. This is taught by several members of our Humanities team.</p> <p>Reading Lab: Seven teachers instruct small groups of 5-7 students each in Wilson, Word Work, reciprocal teaching, vocabulary building, and other strategies throughout the year and during the summer. The total number enrolled is 35. All students who have a Level 2 on the ELA test are invited to be a part of this program.</p> <p>Citizen Schools: We enroll many students who are in need of support in Citizen Schools, our Extended Learning Day program. Their teachers learn alongside ours to support the students in need during AIM (Aspire! Invest! Make the grade!) time.</p>
Mathematics:	<p>Extended Day: We provide extended support on Mondays and Wednesdays for students who need extra help in math. This is taught by several members of our math team.</p> <p>Citizen Schools: We enroll many students who are in need of support in Citizen Schools, our Extended Learning Day program. Their teachers learn alongside ours to support the students in need during AIM (Aspire! Invest! Make the grade!) time.</p>
Science:	<p>Science Support: Our science team provides support on Mondays and Wednesday for drop in to support students in need or who are asked/mandated to attend. They give extra modifications to students who need support.</p>
Social Studies:	<p>Extended Day: We provide extended support on Mondays and Wednesdays for students who need extra help in reading and writing in social studies. This is taught by several members of our Humanities team.</p>
At-risk Services Provided by the Guidance Counselor:	<p>Our guidance counselor sees students individually or in groups who are at-risk and who need intervention, due to an incident or ongoing need.</p>

At-risk Services Provided by the School Psychologist:	On an as needed basis.
At-risk Services Provided by the Social Worker:	On an as needed basis.
At-risk Health-related Services:	On an as needed basis.

APPENDIX 2: PROGRAM DELIVERY FOR ENGLISH LANGUAGE LEARNERS (ELLs)

NCLB/SED requirement for all schools

Part A: Language Allocation Policy (LAP) – Attach a copy of your school’s current year (2010-2011) Language Allocation Policy to this CEP.

Part B: Title III: Language Instruction for Limited English Proficient and Immigrant Students – School Year 2010-2011

Directions: In anticipation of the allocation of Title III funding to your school for 2010-11 at the same funding level as 2009-10, indicate below whether there will be any revisions for 2010-11 to your school’s approved 2009-10 Title III program narrative and budget. Note: Only revised Title III plans will be reviewed this year for DOE and SED approval.

- There will be no revisions to our school’s approved 2009-10 Title III program narrative and budget (described in this section) for implementation in 2010-11 (pending allocation of Title III funding).
- We have made minor revisions to our school’s approved 2009-10 Title III program narrative for 2010-11 (pending allocation of Title III funding). The revised Title III program narrative is described in Section II below.
- We have made minor revisions to our school’s approved 2009-10 Title III budget for 2010-11 (pending allocation of Title III funding). The revised Title III budget is described in Section III below.
- Our school’s 2009-10 Title III program narrative and budget have been revised for 2010-11 (pending allocation of Title III funding). The new Title III plan is described in Sections’ II and III below.

Section I. Student and School Information

Grade Level(s) _____ Number of Students to be Served: _____ LEP _____ Non-LEP

Number of Teachers _____ Other Staff (Specify) _____

School Building Instructional Program/Professional Development Overview

Section II. Title III, Part A LEP Program Narrative

Language Instruction Program – Language instruction education programs funded under Title III, Part A, of NCLB, must help LEP students attain English proficiency while meeting State academic achievement standards. They may use both English and the student’s native language and may include the participation of English proficient students (i.e., Two Way Bilingual Education/Dual Language program.) Programs implemented under Title III, Part A, may not supplant programs required under CR Part 154. In the space provided below, describe the school’s language instruction program for limited English proficient (LEP) students. The description must include: type of program/activities; number of students to be served;

grade level(s); language(s) of instruction; rationale for the selection of program/activities; times per day/week; program duration; and service provider and qualifications.

Professional Development Program – Describe the school’s professional development program for teachers and other staff responsible for the delivery of instruction and services to limited English proficient students.

Section III. Title III Budget

APPENDIX 3: LANGUAGE TRANSLATION AND INTERPRETATION

Requirement under Chancellor's Regulations – for all schools

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

Through Snapgrades and advisor conversations, we learn parents' preferred language and then use translation services in school and on paper to translate materials.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

We have found that 2% of our students have Spanish-speaking parents at home. One student has Polish-speaking parents.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

We use the translation services provided by the DOE to translate materials. We have Spanish speaking staff members who sit in on conferences where Spanish is required, and we call upon the phone translation services when we are in need of a phone call.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

We call upon in person services for our Polish speaking family when needed. We have Spanish speaking staff who translate for Spanish speaking parents. O

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link:

<http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

Snapgrades is our grade reporting system. It allows for automatic translation into Spanish. Other documents are translated by the translation services support team as needed.

APPENDIX 4: NCLB REQUIREMENTS FOR TITLE I SCHOOLS

All Title I schools must complete this appendix.

Directions:

- All Title I schools must address requirements in Part A and Part B of this appendix.
- Title I Schoolwide Program (SWP) schools must complete Part C of this appendix.
- Title I Targeted Assistance (TAS) schools must complete Part D of this appendix.

4. Enter the anticipated 10% set-aside for Professional Development:		24,289	

5. Enter the percentage of High-Quality Teachers teaching in core academic subjects during the 2009-2010 school year: 100
6. If the percentage of high quality teachers during 2008-2009 is less than 100% describe activities and strategies the school is implementing in order to insure that the school will have 100% high quality teachers by the end of the coming school year.

* Federal waiver granted; additional set-asides for Title I ARRA are not required for these areas.

Part B: TITLE I SCHOOL PARENTAL INVOLVEMENT POLICY & SCHOOL-PARENT COMPACT

Directions: Attach a copy of the school's **Parent Involvement Policy (PIP)**, which includes the **School-Parent Compact**.

Explanation – School Parental Involvement Policy: In support of strengthening student academic achievement, each school that receives Title I, Part A funds must develop jointly with, agree on with, and distribute to, parents of participating children a written parental involvement policy that contains information required by section 1118(a)(2) of the Elementary and Secondary Education Act (ESEA). The policy establishes the school’s expectations for parental involvement and describes how the school will implement a number of specific parental involvement activities, including the required **Title I Annual Parent meeting**. A sample template was created by the Office of School Improvement in collaboration with the New York State Education Department and Office for Family Engagement and Advocacy and is available in the nine major languages on the NYCDOE website. It is **strongly recommended** that schools, in consultation with parents, use the sample template as a framework for the information to be included in their parental involvement policy. Schools, in consultation with parents, are encouraged to include other relevant and agreed upon activities and actions as well that will support effective parental involvement and strengthen student academic achievement. The school parent involvement policy must be provided to all parents and disseminated in the major languages spoken by the majority of parents in the school.

Explanation – School-Parent Compact: Each school receiving funds under Title I, Part A of the Elementary and Secondary Education Act (ESEA) must develop a written school-parent compact jointly with parents for all children participating in Title I, Part A activities, services, and programs. That compact is part of the school’s written parental involvement policy developed by the school and parents under section 1118(b) of the ESEA. The compact must outline how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State’s high standards. It is **strongly recommended** that schools and parents use the sample template which is available in the nine major languages on the NYCDOE website as a framework for the information to be included in the compact. Schools and parents, in consultation with students, are encouraged to include other relevant and agreed upon activities and actions as well that will support effective parental involvement and strengthen student academic achievement. The school-parent compact must be provided to all parents and disseminated in the major languages spoken by the majority of parents in the school.

Part C: TITLE I SCHOOLWIDE PROGRAM SCHOOLS

Section I: Schoolwide Program (SWP) Required Components

Directions: Describe how the school will implement the following components of a Schoolwide Program as required under NCLB. **Note:** If a required component is already addressed elsewhere in this plan, you may refer to the page numbers where the response can be found.

1. A comprehensive needs assessment of the entire school that is based on information on the performance of children in relation to the State academic content and student academic achievement standards.

Our needs assessment found:

Students who are entitled to Free or Reduced lunch often require more supports, including extra enrichments and extra supports.

2. Schoolwide reform strategies that:
 - a) Provide opportunities for all children to meet the State’s proficient and advanced levels of student academic achievement.
 - b) Use effective methods and instructional strategies that are based on scientifically-based research that:

- Increase the amount and quality of learning time, such as extended school year, before- and after-school and summer programs and opportunities.
- Help provide an enriched and accelerated curriculum.
- Meet the educational needs of historically underserved populations.
- Address the needs of all children in the school, but particularly the needs of low academic achieving children and those at risk of not meeting the State academic content standards and are members of the target population of any program that is included in the Schoolwide Program. These programs may include counseling, pupil services, mentoring services, college and career awareness/preparation, and the integration of vocational and technical education programs.
- Are consistent with and are designed to implement State and local improvement, if any.

Strategies include:

Small class size

Advisory classes that enable every student to be known well.

Enrichment courses after school.

Citizen Schools, our extended learning day program, targeted at the neediest students.

Providing additional resources where they may be scarce, in the areas of arts and technology in particular, as well as high interest books.

Increasing reading fluency and quantity so that all students become fluent readers.

3. Instruction by highly qualified staff.

All teachers are highly qualified, and are working in a professional learning community, using inquiry and lesson study, to improve their instruction for all students, as well as differentiate for various needs.

4. High-quality and ongoing professional development for teachers, principals, and paraprofessionals (and, where appropriate, pupil services personnel, parents, and other staff) to enable all children in the Schoolwide Program to meet the State's student academic standards.

Professional development conferences are part of our PD agenda, as well as a summer institute and vertical team planning time.

5. Strategies to attract high-quality highly qualified teachers to high-need schools.

Each year, we embark on a highly strategic and comprehensive search for teachers. We have a special posting that we sent out by email to a variety of mailing lists, and build on relationships that we have with TC and Bank Street to look for highly qualified teachers. We have a rigorous screening process that is done mostly by our current teachers. We believe we offer a high quality professional environment at our school, and as such, we have a good track record with keeping and attracting teachers.

6. Strategies to increase parental involvement through means such as family literacy services.

Monthly workshops allow parents to come together. IN addition, our Reading Lab and several PTA meetings are strategically held to increase literacy rates at home and school.

7. Plans for assisting preschool children in the transition from early childhood programs, such as Head Start, Even Start, Early Reading First, or a State-run preschool program, to local elementary school programs.

N/A

8. Measures to include teachers in the decisions regarding the use of academic assessments in order to provide information on, and to improve, the achievement of individual students and the overall instructional program.

Our teachers are using many forms of data, including state tests, grades, student work, student focus groups. They conduct inquiry cycles as well.

9. Activities to ensure that students who experience difficulty mastering the proficient or advanced levels of the academic achievement standards are provided with effective, timely additional assistance. The additional assistance must include measures to ensure that students' difficulties are identified on a timely basis and to provide sufficient information on which to base effective assistance.

The Arts & Letters Reading Lab is designed to serve students who are struggling. They are identified through test scores and teacher recommendations, and participate in a 5 week intensive summer program and then yearlong afterschool program.

10. Coordination and integration of Federal, State, and local services and programs, including programs supported under NCLB, i.e., violence prevention programs, nutrition programs, housing programs, Head Start, adult education, vocational and technical education, and job training.

Our Student Life Team works hard to ensure that we have a variety of special programs aimed at different types of students and families. Each week, we send out new opportunities to the parent body through our Parent Blast. This is an essential component of the service we provide. They are tailored to the needs of families.

Section II: "Conceptual" Consolidation of Funds in a Title I Schoolwide Program (SWP)

Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of upgrading the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those

services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using *all* of the resources available to it. This gives a school more flexibility in how it uses available resources to meet the identified needs of its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used **conceptually** to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

Most, if not all, Schoolwide Program (SWP) schools in NYC are already conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes.

To be eligible for the flexibility consolidation of Federal funds enables, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated. For example, IDEA, Part B allows SWP schools to consolidate a portion of the funds received under Part B of IDEA, so long as students with disabilities included in such Schoolwide Programs receive special education and related services in accordance with a properly developed Individualized Education Program (IEP), and are afforded all of the rights and services guaranteed to children with disabilities under IDEA. The intent and purpose of the IDEA is to ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs. A Schoolwide Program may demonstrate that it meets the intent and purpose of this program by ensuring that, except as to certain use of funds requirements, all the requirements of the IDEA are met, and that children with disabilities are included in school-wide activities. High-quality professional development required for all staff and designed to result in improved learning outcomes for all children, including children with disabilities, is one example of a schoolwide activity that meets the intent and purposes of the IDEA.

Directions: In this section, please indicate which Federal, State, and/or local Tax Levy program funds are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.

Part D: TITLE I TARGETED ASSISTANCE SCHOOLS

Directions: Describe how the school will implement the following components of a Title I Targeted Assistance Program as required under NCLB. Note: If a required component is already addressed elsewhere in this plan, you may refer to the page numbers where the response can be found.

1. Use program resources to help participating children meet the State standards.

Reminder: To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds. Most Schoolwide Program (SWP) schools in NYC are conceptually consolidating all of their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes.

Note: The **intent and purposes** of the Federal programs indicated on the above chart are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students.
- **Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program.
- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title IV:** To support programs that prevent violence in and around schools; prevent the illegal use of alcohol, tobacco and drugs; and involve parents and communities in efforts to foster a safe and drug-free learning environment that supports student achievement.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.

2. Ensure that planning for students served under this program is incorporated into existing school planning.
3. Use effective methods and instructional strategies that are based on scientifically based research that strengthens the core academic program of the school and that:
 - a. Give primary consideration to providing extended learning time, such as, extended school year, before/after school, and summer programs and opportunities;
 - b. Help provide an accelerated, high –quality curriculum, including applied learning; and
 - c. Minimize removing children from the regular classroom during regular school hours;
4. Coordinate with and support the regular educational program;
5. Provide instruction by highly qualified teachers;
6. Provide professional development opportunities for teachers, principals and paraprofessionals, including, if appropriate, pupil services personnel, parents, and other staff;
7. Provide strategies to increase parental involvement; and
8. Coordinate and integrate Federal, State and local services and programs.

APPENDIX 7: TITLE I, PART A – SUPPORT FOR STUDENTS IN TEMPORARY HOUSING (STH)

All schools must complete this appendix.

Directions:

- All Title I schools must complete Part A of this appendix.
- All Non-Title I schools must complete Part B of this appendix.

Supporting Students in Temporary Housing (STH)

As included in your Office of School and Youth Development Consolidated Plan STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). For more information on using Title I set-aside funds to support your STH population, please refer to the Frequently Asked Questions document on DOE's website: <http://schools.nyc.gov/NR/rdonlyres/9831364D-E542-4763-BC2F-7D424EBD5C83/58877/TitleIPartASetAsideforStudentsinTemporaryHousing.pdf>

Part A: FOR TITLE I SCHOOLS

1. Please identify the number of Students in Temporary Housing who are currently attending your school. (Please note that your current STH population may not be the same as officially reported in DOE systems and may change over the course of the year.)

0 at this time

2. Please describe the services you are planning to provide to the STH population.

Part B: FOR NON-TITLE I SCHOOLS

1. Please identify the number of Students in Temporary Housing who are currently attending your school (please note that your STH population may change over the course of the year).
2. Please describe the services you are planning to provide to the STH population with the Title I set-aside funds.
3. Some Non-Title I schools receive a specific allocation based on the reported number of students living in temporary housing. If your school received an allocation (please refer to the current Title I Funds Summary of School Allocation Memorandum), include the amount your school received in this question. If your school did not receive an allocation and needs assistance in identifying resources to assist STH students, please contact an STH liaison in your Children First Network.

Title I Parent Involvement Policy and Parent-School Compact for 13K492

Section I: Title I Parent Involvement Policy

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore MS 492, *[in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act]*, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. MS 492's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Advisory Council, as trained volunteers and welcomed members of our school community. MS 492 will support parents and families of Title I students by:

1. providing materials and training to help parents work with their children to improve their achievement level (e.g., literacy, math and use of technology);
2. providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
3. fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
4. providing assistance to parents in understanding City, State and Federal standards and assessments;
5. sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand
6. providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community;

MS 492's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation

through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the MS 492 Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, MS 492 will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to schools to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in our Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a ³dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the Central Office for Family Engagement and Advocacy (OFEA);
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

Please note that only New York City Public schools that have attained a student population of two-hundred (200) or more will receive funding to hire a Parent Coordinator.

- provide opportunities for parents to help them understand the accountability system (e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;)
- host the required Title I Parent Annual Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings (e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed; and
- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help.
-

MS 492 will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Open School Week and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting OFEA District Family Day events;
- establishing a Parent Resource Center or lending library; instructional materials for parents.

- *hosting events to support, men asserting leadership in education for their children. parents/guardians, grandparents and foster parents;*
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress; and
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand;

Section II: School-Parent Compact

MS 492, *[in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act]* is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. MS 492 staff and the parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

School Responsibilities:

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to State Standards;
- offering high quality instruction in all content areas; and
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening a Title I Parent Annual Meeting (prior to December 1st of each school year) for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times (e.g., morning, evening) and providing (if necessary and funds are available) transportation, child care or home visits for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information; and
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- Ensure that staff will have access to interpretation services in order to communicate with limited English speaking parents effectively.
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities; and

- planning activities for parents during the school year (e.g., Open School Week);

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents; and
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

Parent/Guardian Responsibilities:

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes)
- set limits to the amount of time my child watches television or plays video games;

- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child’s school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child’s education. I will also:
 - communicate with my child’s teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
 - respond to surveys, feedback forms and notices when requested;
 - become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
 - participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
 - take part in the school’s Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups (e.g., school or district Title I Parent Advisory Councils, School or District Leadership Teams; and
 - share responsibility for the improved academic achievement of my child;

Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully; and

- always try my best to learn

This Parent Involvement Policy (including the School-Parent Compact) was distributed for review by Allison Gaines Pell, Principal, on September 20th, 2010.

This Parent Involvement Policy was updated on September 21st, 2010.

The final version of this document will be distributed to the school community on 10/31/10, and will be available on file in the Parent Coordinator's office.

A copy of the final version of this policy will also be submitted to the Office of School Improvement as an attachment to the school's CEP and filed with the Office for Family Engagement and Advocacy.

**OFFICE OF ENGLISH LANGUAGE LEARNERS
GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This LAP form, an appendix of the CEP, also incorporates information required for CR Part 154 funding so that a separate submission is no longer required. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them in the submission form.

Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [\[see tool kit\]](#).)
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs;

- description must also include any consultation/communication activities with parents in their native language.
- After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
 - Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway.

Choices are made available in multiple languages. Should a parent choose to send their child here who requires ESL services, the following steps are taken:

Parents are given a Home Language Survey (HLIS) to identify the child's language proficiency. If the child is identified as an eligible candidate for Bilingual instructional services, an informal interview is given to the candidate by a pedagogue and the Language Battery Assessment (LAB-R) is given to identify the child as an English Language Learner or English Proficient. An entitlement letter is provided to parents to inform them about the child's identification and the child is enrolled in the appropriate program within ten days.

In order to enable parents to make sound educational decisions as to which program best meets the needs of their child, parents participate in several activities before they make a decision. Parents participate in an orientation that describes various programs for ELL and parents can visit classes at the Arts & Letters as well as visit classrooms with the various programs.

Part IV: ELL Programming

A. Programming and Scheduling Information

1. How is instruction delivered?
 - a. What are the organizational models (e.g., Departmentalized, Push-In [Co-Teaching], Pull-Out, Collaborative, Self-Contained)?
 - b. What are the program models (e.g., Block [Class travels together as a group]; Ungraded [all students regardless of grade are in one class]; Heterogeneous [mixed proficiency levels]; Homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.
4. How do you differentiate instruction for ELL subgroups?
 - a. Describe your instructional plan for SIFE.
 - b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs.
 - c. Describe your plan for ELLs receiving service 4 to 6 years.
 - d. Describe your plan for Long-Term ELLs (completed 6 years).
 - e. Describe your plan for ELLs identified as having special needs.

Currently, Arts & Letters implements an inclusion English as a Second Language (ESL) Program. The primary goal of the program is to assist students in achieving English Language proficiency as soon as possible. Goals of the program include:

To amplify the literacy and academic skills of ELLs who participate in our program

To incorporate recognized and researched based ESL instructional strategies across content subject areas.

To give students the skills to perform at city and state grade level in all subject areas

The goal of our ESL program is to foster full English proficiency in a supportive classroom environment. Currently, we are working to gain licensure for one of our teachers in English Language Learners, and would work alongside the content area teachers to ensure a high quality program. Specifically, we utilize the following practices:

- Collaborative planning between teachers.
- Scaffolding is an essential part of the instructional delivery, and we use the “gradual release of responsibility modeling, following the trajectory: “I do it—we do it—you do it together—you do it alone!”
- Assisting students during work periods, conferencing with students in and out of class, informal assessments, and running records.
- Additional small group AIS sessions for each grade prior to all state assessments, to focus on literacy and academic language.

As a small school, our grade teams take extra time to look at the needs of individual students and discuss their needs. In particular, were we to have ELL students, we would need to make sure that these students received extra time for focus, inclusive of the presence of the ESL certified individual.

In addition, we ensure that all ESL students are enrolled in our Reading Lab, which is a reading intervention program that uses small group instruction and individualized instruction.

Instructional Materials:

The Freestanding ESL program does not use a particular text, using literacy instruction across the curriculum. This includes the use of high interest / low level texts. Our classrooms are stocked with a variety of texts for this purpose, and our Learning Specialist provides targeted pull out and push in services. The exception to this pattern is where materials are used to familiarize students with the state assessments, including:

The chart below is a visual representation designed to show the variation of NLA usage/support across the program models.
Please note that NLA support is never zero.

B. Programming and Scheduling Information--Continued

5. Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
6. Describe your plan for continuing transitional support (2 years) for ELLs reaching proficiency on the NYSESLAT.
7. What new programs or improvements will be considered for the upcoming school year?
8. What programs/services for ELLs will be discontinued and why?
9. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
10. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?
11. How is native language support delivered in each program model? (TBE, Dual Language, and ESL)
12. Do required services support, and resources correspond to ELLs' ages and grade levels?
13. Include a description of activities in your school to assist newly enrolled ELL students before the beginning of the school year.
14. What language electives are offered to ELLs?

Each week, every Humanities class has stations, designed for differentiation for all students. We also have small pull out classes for students with specific needs for remediation. these classes are 6 or fewer students. In addition, we have a "Reading Lab," designed to support literacy acquisition. This is an intensive five week summer program and then a 2x/week program during the year. These are offered at all grade levels.

C. Schools with Dual Language Programs

1. How much time (%) is the target language used for EPs and ELLs in each grade?
2. How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?
3. How is language separated for instruction (time, subject, teacher, theme)?
4. What Dual Language model is used (side-by-side, self-contained, other)?
5. Is emergent literacy taught in child's native language first (sequential), or are both languages taught at the same time (simultaneous)?

Paste response to questions 1-5 here

D. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
3. Describe the minimum 7.5 hours of ELL training for all staff (including non-ELL teachers) as per Jose P.

Currently, we do not have a licensed teacher, but we are working on gaining licensure for a teacher to co-teach with our core teachers. Our instructional focus this year is around thinking minutes, and using various strategies to maximize thinking time for every child.

E. Parental Involvement

1. Describe parent involvement in your school, including parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

In order to support learning and foster community involvement, we use our funding to create supplementary programs for struggling learners in our school. As our ELL population grows we will begin to include ELLs and their families into the following programs:

- Parent Workshops: We offer parents workshops on a wide range of issue from media literacy, to economic literacy, to computer classes, to ways to talk to their daughters about difficult issues. When necessary we can have a translator on site for parents.

- Family Celebrations: Throughout the year, parents come to the school to take part in community celebrations, including Freestyle Friday, Roundtables, SummerFest, Honor Roll Breakfasts, and PTA meetings.
- Translation and Interpretation Services: Among the documents we have made available is the school's brochure, and letters home. Additionally, interpretation services are available on a daily basis help in communication between school staff and parents

B. After reviewing and analyzing the assessment data, answer the following

1. Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell DRA, TCRWP). What insights do the data provide about your ELLs? How can this information help inform your school's instructional plan? Please provide any quantitative data available to support your response.
2. What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
3. How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions?
4. For each program, answer the following:
 - a. Examine student results. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English and compared to the native language?
 - b. Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
 - c. What is the school learning about ELLs from the Periodic Assessments? How is the Native Language used?
5. For dual language programs, answer the following:
 - a. How are the English Proficient students (EPs) assessed in the second (target) language?
