SECTION II: SCHOOL LEADERSHIP TEAM SIGNATURE PAGE

Directions: Each school is required to form a School Leadership Team (SLT) as per State Education Law Section 2590. SLT membership must include an equal number of parents and staff (students and CBO members are not counted when assessing this balance requirement), and ensure representation of all school constituencies. Chancellor’s Regulation A-655 requires a minimum of ten members on each team. Each SLT member should be listed separately in the left hand column on the chart below. Please specify any position held by a member on the team (e.g., SLT Chairperson, SLT Secretary) and the constituent group represented (e.g., parent, staff, student, or CBO). The signatures of SLT members on this page indicates their participation in the development of the Comprehensive Educational Plan and confirmation that required consultation has occurred in the aligning of funds to support educational programs (Refer to revised Chancellor’s Regulations A-655; available on the NYCDOE website at <http://schools.nyc.gov/NR/rdonlyres/381F4607-7841-4D28-B7D5-0F30DDB77DFA/82007/A655FINAL1.pdf>).

Note: If for any reason an SLT member does not wish to sign this plan, he/she may attach a written explanation in lieu of his/her signature.

SECTION III: SCHOOL PROFILE

Part A. Narrative Description

Directions: In no more than 500 words, provide contextual information about your school's community and its unique/important characteristics. Think of this as the kind of narrative description you would use in an admissions directory or an introductory letter to new parents. You may wish to include your school's vision/mission statement and a description of strategic collaborations/partnerships and/or special initiatives being implemented. You may copy and paste your narrative description from other current resources where this information is already available for your school (e.g., grant applications, High School Directory, etc.). Note: Demographic and accountability data for your school will be addressed in Part B of this section.

The Talented and Gifted School for Young Scholars is a unique educational community located in East Harlem, NY. It serves students identified with gifted abilities in grades K-8. One of three citywide Gifted and Talented schools in Manhattan, ours is an un-zoned school that accepts applicants from all boroughs. Students must pass an admissions exam to gain acceptance, as per the gifted and talented admissions requirements set forth by the New York City Department of Education.

Our students' standardized exam scores are consistently strong, even with the state changing the scoring last year. Our students succeeded with 86% scoring at or above grade level in ELA and 91% in Math during the 2009-2010 school year. Our 8th graders take Regents exams in Science, Math, and Spanish.

Our school believes in planning curriculum and instruction based on many forms of data available on our student body. Differentiating curriculum and instruction is a practice that is becoming part of the fabric of our school culture. Staff development is a priority at our school. Administration meets regularly with teachers to plan curriculum and instruction and analyze student data. Teachers visit other classrooms and other schools to observe best practices.

Our school offers Music, Art, Physical Education, and Technology to all students. Students also take Elective courses of their choosing (ex: Robotics, Young Entrepreneurs, Archaeology, Arts and Crafts, International Dance, Stem Cell Research, etc.) Spanish is offered as a World Language in grades 1-8. All students play an instrument ranging from recorders and song flutes to violins, drums, trombones, clarinets, and more. Middle school students participate in an Advisory program designed to address adolescent issues. Mandatory Community Service is a requirement for graduation.

After-school programs are widely available for all students. The YMCA offers free programs for all K-6 students daily until 6:00pm. The YMCA focuses on enriching students' academic experiences by offering tutoring, homework help, and engaging programs like karate, sports, and arts.

The TAG School is proud to partner with software firm *Computer Associates*, our PENCIL Principal-for-a-Day partners. CA visits annually and provides generous donations to continuously build our Technology program. Besides a fully-equipped Computer Lab with brand new Dell computers, SmartBoards are available for teacher use throughout the school. Our Robotics team has been successfully launched and is competing vigorously against other schools. TAG also partners with Hunter College to train student teachers for the profession. For many years our highly-skilled teachers have participated in this initiative.

Our Partnership Service Organization, CEI-PEA (Center for Educational Innovation-Public Education Association), works closely in supporting our school and its many endeavors. Besides providing professional development, CEI-PEA provides funding to our school to enhance students' educational experiences and raise student achievement through the Project Boost program for students in grades 4-8.

Field trips are an important source of learning for our students. We understand that students must experience to fully understand what they are learning. Field trips include historic visits to Philadelphia; frequent visits to theater productions and museums; and many Nature Walks and Community visits.

Our parental support is very important to running an effective school. The TAG PTA meets monthly and actively seeks out grants and other fundraising ideas. In addition, the PTA serves to keep parents informed and also identifies and initiates ideas to improve the school. Parent volunteers are a great resource and support to the TAG staff and students. Many parents donate their time by supporting the office staff and classroom teachers by serving as classroom assistants and chaperoning on trips. Parents also donate supplies and materials to teachers to aide in instruction.

Parents are invited to attend a Curriculum Conference in early September to learn more about their child's curricula. Three times a year, parents are invited to Open Houses to observe instruction in their child's classroom. A school website, www.tagscholars.com, has been created to provide daily updates to parents and families. A calendar of important upcoming events is listed on the site.

We are housed on the 1st and part of the 2nd Floors of the Tito Puente Educational Complex. Our school has 19 classroom teachers, six cluster teachers (Art, Spanish, Instrumental Music, Technology, and Elementary Science), one Guidance Counselor, one Community Coordinator, one Community Assistant, one Family Assistant, one Parent Coordinator, five school aides, a principal and assistant principal. Our enrollment for the 2010-2011 school year is 504 students.

Part B. School Demographics and Accountability Snapshot (SDAS)

Directions: A pre-populated version of the School Demographics and Accountability Snapshot provided in template format below (Pages 6-9 of this section) is available for download on each school’s NYCDOE webpage under “Statistics.” Pre-populated SDAS data is updated twice yearly. Schools are encouraged to download the pre-populated version for insertion here in place of the blank format provided.

SECTION IV: NEEDS ASSESSMENT

Directions: Conduct a comprehensive review of your school's educational program informed by the most current quantitative and qualitative data available regarding student performance trends and other indicators of progress. Include in your needs assessment an analysis of information available from New York State Education Department and New York City Department of Education accountability and assessment resources, i.e., School Report Cards, Progress Reports, Quality Review and Quality Review Self-Assessment documents, periodic assessments, ARIS, as well as results of Inquiry/Teacher Team action research, surveys, and school-based assessments. (Refer to your school's Demographics and Accountability Snapshot in Part B of Section III, and feel free to use any additional measures used by your school to determine the effectiveness of educational programs) It may also be useful to review your school's use of resources: last year's school budget, schedule, facility use, class size, etc.

After conducting your review, **summarize** in this section the major findings and implications of your school's strengths, accomplishments, and challenges. Consider the following questions:

- What student performance trends can you identify?
 - What have been the greatest accomplishments over the last couple of years?
 - What are the most significant aids or barriers to the school's continuous improvement?
-

A review of our school-wide data and information shows the following:

English Language Arts (ELA)

In grades 3-8, 86% of students scored at or above grade level on the April 2010 NY State ELA exam. 14% of students in grades 3-8 are at Level 2.

Mathematics

In grades 3-8, 91% of students scored at or above grade level on the May 2010 NY State Math exam. 9% of students in grades 3-8 are at Level 2.

Social Studies

In grade 5, 100% of students scored at or above grade level on the November 2009 NY State Social Studies exam. This continues the trend of all students on the grade achieving a Level 3 or 4 on the NY State Social Studies exam.

In Grade 8, 100% of students scored at or above grade level on the June 2010 NY State Social Studies exam. This continues the trend of all students on the grade achieving a Level 3 or 4 on the NY State Social Studies Exam.

Science

In grade 4, 100% of students scored at or above grade level on the April 2010 NY State Science Exam. This continues the trend of all students on the grade achieving a Level 3 or 4 on the NY State Science exam.

In Grade 8, 100% of students scored at or above grade level on the April 2010 NY State Science exam. This continues the trend of all students on the grade achieving a Level 3 or 4 on the NY State Science exam.

The greatest accomplishments over the past couple of years include establishing a solid K-8 curriculum through both vertical and horizontal planning; creating Enrichment clusters each week to raise student engagement; partnering with several CBO's to offer free after-school programs for all

our students; and creating a long-term professional development plan that will enhance and improve our relationships with students.

Several significant barriers exist to our continued improvement. The most outstanding barrier is funding. Recent budget cuts and proposed budget cuts for the next fiscal year will have serious impacts on our school. We will continue to work with the PTA on fundraising and grant writing to offset any cuts.

Another barrier is space. Our building, the Tito Puente Complex, houses four different schools, all autonomous with their own principals, goals and vision. Common space is not readily available as in the past and some programs have been affected.

Another barrier is allocating the time to provide professional development to staff. Too little time is allocated in the school calendar for professional development.

Our greatest aids to continued success are highly-trained and qualified staff. Staff members are dedicated and motivated to see students succeed. Staff development provides valuable training in current instructional practice. Hours of work are given each day above and beyond contractual obligations. All staff members are devoted to the safety and well-being of the children, and especially to their academic achievement. Administration is committed to supporting the staff and students by ensuring a safe environment and providing all the necessary resources for optimal teaching and learning.

In addition, the TAG parent body is well-organized and dedicated to their children and school. Parents are active and efficient fundraisers. Parents support the school by purchasing necessary equipment such as computer supplies, printers, etc. Attendance at conferences and open houses is strong and growing.

SECTION V: ANNUAL SCHOOL GOALS

Directions: Based on the findings and implications from the comprehensive needs assessment (Section IV), determine your school's instructional goals for 2010-11 and list them in this section along with a few phrases of description. The resulting list should include a limited number of goals (5 is a good guideline), and the list as a whole should be a clear reflection of your priorities for the year. Good goals should be SMART – Specific, Measurable, Achievable, Realistic, and Time-bound.

Notes: (1) In Section VI of this template, you will need to complete an "action plan" for each annual goal listed in this section. (2) Schools designated for improvement (Improvement, Corrective Action, Restructuring, SURR, Persistently Lowest-Achieving (PLA), or schools that received a C for two consecutive years, D, or F on the Progress Report) must identify a goal and complete an action plan related to improving student outcomes in the area(s) of improvement identification. (3) When developed, Principal's Performance Review (PPR) goals should be aligned to the school's annual goals described in this section.

Goal 1:

By September 2010, all incoming 6th graders will participate in a Ramp-Up program to improve middle school readiness.

Goal 2:

By June 2011, 100% of TAG teachers will participate in Professional Learning Communities to determine if school improvement can be sustainable by using shared language and empowerment of leadership roles.

Goal 3:

By June 2011, middle school students will report a 2% increase in overall satisfaction with their education.

Goal 4:

By June 2011, parental participation on the Learning Environment Survey will increase by 3%.

Goal 5:

By June 2011, 100% of ELA teachers will have a curriculum map by grade that is aligned to the Common Core Standards and will receive professional development around the Common Core Standards in order to prepare for state assessments.

SECTION VI: ACTION PLAN

Directions: The action plan should be used as a tool to support effective implementation and to evaluate progress toward meeting goals. Use the action plan template provided below to indicate key strategies and activities to be implemented for the 2010-11 school year to support accomplishment of each annual goal identified in Section V. The action plan template should be duplicated as necessary. **Reminder:** Schools designated for (Improvement, Corrective Action, Restructuring, SURR, PLA, or schools that received a C for two consecutive years, D, or F on the Progress Report) must identify a goal and complete an action plan related to improving student outcomes in the area(s) of improvement identification.

SECTION VI: ACTION PLAN

Directions: The action plan should be used as a tool to support effective implementation and to evaluate progress toward meeting goals. Use the action plan template provided below to indicate key strategies and activities to be implemented for the 2010-11 school year to support accomplishment of each annual goal identified in Section V. The action plan template should be duplicated as necessary. **Reminder:** Schools designated for (Improvement, Corrective Action, Restructuring, SURR, PLA, or schools that received a C for two consecutive years, D, or F on the Progress Report) must identify a goal and complete an action plan related to improving student outcomes in the area(s) of improvement identification.

REQUIRED APPENDICES TO THE CEP FOR 2010-2011

Directions: All schools must complete Appendices 1, 2, 3, & 7. All Title I schools must complete Appendix 4. All schools identified under NCLB or SED for School Improvement, including Improvement (year 1), Improvement (year 2), Corrective Action (CA) (year 1), Corrective Action (year 2), Restructuring (year 1), Restructuring (year 2), Restructuring (Advanced), and SURR, must complete Appendix 5. All Schools Under Registration Review (SURR) must also complete Appendix 6. **Please refer to the accompanying CEP guidance for specific CEP submission instructions and timelines.** (Important Notes: Last year's Appendix 7 – School-level Reflection and Response to System-wide Curriculum Audit Findings – has sunset as a requirement. Last year's Appendix 9 has been moved to Appendix 7 for 2010-2011. Appendix 8 will not be required for this year.)

APPENDIX 1: ACADEMIC INTERVENTION SERVICES (AIS) SUMMARY FORM

New York State Education Department (SED) requirement for all schools

Part A. Directions: On the chart below, indicate the total number of students receiving Academic Intervention Services (AIS) in each area listed, for each applicable grade. AIS grade and subject requirements are as follows: K-3: reading and math; 4-12: reading, math, science, and social studies. Academic Intervention Services include **2 components:** additional instruction that supplements the general curriculum (regular classroom instruction); and/or student support services needed to address barriers to improved academic performance such as services provided by a guidance counselor or social worker. Note: Refer to the District Comprehensive Educational Plan (DCEP) for a description of district procedures for providing AIS.

APPENDIX 2: PROGRAM DELIVERY FOR ENGLISH LANGUAGE LEARNERS (ELLs)

NCLB/SED requirement for all schools

Part A: Language Allocation Policy (LAP) – Attach a copy of your school’s current year (2010-2011) Language Allocation Policy to this CEP.

Part B: Title III: Language Instruction for Limited English Proficient and Immigrant Students – School Year 2010-2011

Directions: In anticipation of the allocation of Title III funding to your school for 2010-11 at the same funding level as 2009-10, indicate below whether there will be any revisions for 2010-11 to your school’s approved 2009-10 Title III program narrative and budget. Note: Only revised Title III plans will be reviewed this year for DOE and SED approval.

- There will be no revisions to our school’s approved 2009-10 Title III program narrative and budget (described in this section) for implementation in 2010-11 (pending allocation of Title III funding).
- We have made minor revisions to our school’s approved 2009-10 Title III program narrative for 2010-11 (pending allocation of Title III funding). The revised Title III program narrative is described in Section II below.
- We have made minor revisions to our school’s approved 2009-10 Title III budget for 2010-11 (pending allocation of Title III funding). The revised Title III budget is described in Section III below.
- Our school’s 2009-10 Title III program narrative and budget have been revised for 2010-11 (pending allocation of Title III funding). The new Title III plan is described in Sections’ II and III below.

School Building Instructional Program/Professional Development Overview

Section II. Title III, Part A LEP Program Narrative

Language Instruction Program – Language instruction education programs funded under Title III, Part A, of NCLB, must help LEP students attain English proficiency while meeting State academic achievement standards. They may use both English and the student’s native language and may include the participation of English proficient students (i.e., Two Way Bilingual Education/Dual Language program.) Programs implemented under Title III, Part A, may not supplant programs required under CR Part 154. In the space provided below, describe the school’s language instruction program for limited English proficient (LEP) students. The description must include: type of program/activities; number of students to be served;

grade level(s); language(s) of instruction; rationale for the selection of program/activities; times per day/week; program duration; and service provider and qualifications.

Professional Development Program – Describe the school’s professional development program for teachers and other staff responsible for the delivery of instruction and services to limited English proficient students.

APPENDIX 3: LANGUAGE TRANSLATION AND INTERPRETATION

Requirement under Chancellor's Regulations – for all schools

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand. **Incoming parents complete a form regarding their primary language and preferred language. Based on this information, new parents and existing parents with preferred languages other than English will receive assistance and translation.**
2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community. **A super-majority of our parents speak and prefer English. Several parents prefer Spanish spoken as a means to communicate with them. All school staff were informed in meetings of the findings and the proper protocol when communicating with these parents.**

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers. **Important memos distributed to parents will be primarily in English. For those few parents who prefer Spanish, online translation websites will assist, with the help of fluent staff members. In-house staff will assist in all cases.**
2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers. **In-house staff members will provide oral interpretation services when needed.**

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link: <http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>. **Appropriate posters will be displayed as will language-specific memos distributed the first week of school.**

APPENDIX 4: NCLB REQUIREMENTS FOR TITLE I SCHOOLS

All Title I schools must complete this appendix.

Directions:

- All Title I schools must address requirements in Part A and Part B of this appendix.
- Title I Schoolwide Program (SWP) schools must complete Part C of this appendix.
- Title I Targeted Assistance (TAS) schools must complete Part D of this appendix.

Part A: TITLE I ALLOCATIONS AND SET-ASIDES

	Title I Basic	Title I ARRA	Total
1. Enter the anticipated Title I, Part A allocation for 2010-11:	N/A	359,172	359,172
2. Enter the anticipated 1% set-aside for Parent Involvement:	N/A	3591.72	3591.72
3. Enter the anticipated 5% set-aside to insure that all teachers in core subject areas are highly qualified:	N/A	*	
4. Enter the anticipated 10% set-aside for Professional Development:	N/A	*	

5. Enter the percentage of High-Quality Teachers teaching in core academic subjects during the 2009-2010 school year: _____ 100_____
6. If the percentage of high quality teachers during 2008-2009 is less than 100% describe activities and strategies the school is implementing in order to insure that the school will have 100% high quality teachers by the end of the coming school year.

* Federal waiver granted; additional set-asides for Title I ARRA are not required for these areas.

Part B: TITLE I SCHOOL PARENTAL INVOLVEMENT POLICY & SCHOOL-PARENT COMPACT

Directions: Attach a copy of the school's **Parent Involvement Policy (PIP)**, which includes the **School-Parent Compact**.

Explanation – School Parental Involvement Policy: In support of strengthening student academic achievement, each school that receives Title I, Part A funds must develop jointly with, agree on with, and distribute to, parents of participating children a written parental involvement policy that contains information required by section 1118(a)(2) of the Elementary and Secondary Education Act (ESEA). The policy establishes the school's expectations for parental involvement and describes how the school will implement a number of specific parental involvement activities, including the required **Title I Annual Parent meeting**. A sample template was created by the Office of School Improvement in

collaboration with the New York State Education Department and Office for Family Engagement and Advocacy and is available in the nine major languages on the NYCDOE website. It is **strongly recommended** that schools, in consultation with parents, use the sample template as a framework for the information to be included in their parental involvement policy. Schools, in consultation with parents, are encouraged to include other relevant and agreed upon activities and actions as well that will support effective parental involvement and strengthen student academic achievement. The school parent involvement policy must be provided to all parents and disseminated in the major languages spoken by the majority of parents in the school.

Explanation – School-Parent Compact: Each school receiving funds under Title I, Part A of the Elementary and Secondary Education Act (ESEA) must develop a written school-parent compact jointly with parents for all children participating in Title I, Part A activities, services, and programs. That compact is part of the school’s written parental involvement policy developed by the school and parents under section 1118(b) of the ESEA. The compact must outline how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State’s high standards. It is **strongly recommended** that schools and parents use the sample template which is available in the nine major languages on the NYCDOE website as a framework for the information to be included in the compact. Schools and parents, in consultation with students, are encouraged to include other relevant and agreed upon activities and actions as well that will support effective parental involvement and strengthen student academic achievement. The school-parent compact must be provided to all parents and disseminated in the major languages spoken by the majority of parents in the school.

Part C: TITLE I SCHOOLWIDE PROGRAM SCHOOLS

Section I: Schoolwide Program (SWP) Required Components

Directions: Describe how the school will implement the following components of a Schoolwide Program as required under NCLB. **Note:** If a required component is already addressed elsewhere in this plan, you may refer to the page numbers where the response can be found.

1. A comprehensive needs assessment of the entire school that is based on information on the performance of children in relation to the State academic content and student academic achievement standards.

2. Schoolwide reform strategies that:
 - a) Provide opportunities for all children to meet the State's proficient and advanced levels of student academic achievement.
 - b) Use effective methods and instructional strategies that are based on scientifically-based research that:
 - o Increase the amount and quality of learning time, such as extended school year, before- and after-school and summer programs and opportunities.
 - o Help provide an enriched and accelerated curriculum.
 - o Meet the educational needs of historically underserved populations.
 - o Address the needs of all children in the school, but particularly the needs of low academic achieving children and those at risk of not meeting the State academic content standards and are members of the target population of any program that is

included in the Schoolwide Program. These programs may include counseling, pupil services, mentoring services, college and career awareness/preparation, and the integration of vocational and technical education programs.

- Are consistent with and are designed to implement State and local improvement, if any.

3. Instruction by highly qualified staff.
4. High-quality and ongoing professional development for teachers, principals, and paraprofessionals (and, where appropriate, pupil services personnel, parents, and other staff) to enable all children in the Schoolwide Program to meet the State's student academic standards.
5. Strategies to attract high-quality highly qualified teachers to high-need schools.
6. Strategies to increase parental involvement through means such as family literacy services.
7. Plans for assisting preschool children in the transition from early childhood programs, such as Head Start, Even Start, Early Reading First, or a State-run preschool program, to local elementary school programs.
8. Measures to include teachers in the decisions regarding the use of academic assessments in order to provide information on, and to improve, the achievement of individual students and the overall instructional program.
9. Activities to ensure that students who experience difficulty mastering the proficient or advanced levels of the academic achievement standards are provided with effective, timely additional assistance. The additional assistance must include measures to ensure that students' difficulties are identified on a timely basis and to provide sufficient information on which to base effective assistance.
10. Coordination and integration of Federal, State, and local services and programs, including programs supported under NCLB, i.e., violence prevention programs, nutrition programs, housing programs, Head Start, adult education, vocational and technical education, and job training.

Section II: “Conceptual” Consolidation of Funds in a Title I Schoolwide Program (SWP)

Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of upgrading the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using *all* of the resources available to it. This gives a school more flexibility in how it uses available resources to meet the identified needs of its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used **conceptually** to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

Most, if not all, Schoolwide Program (SWP) schools in NYC are already conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes.

To be eligible for the flexibility consolidation of Federal funds enables, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated. For example, IDEA, Part B allows SWP schools to consolidate a portion of the funds received under Part B of IDEA, so long as students with disabilities included in such Schoolwide Programs receive special education and related services in accordance with a properly developed Individualized Education Program (IEP), and are afforded all of the rights and services guaranteed to children with disabilities under IDEA. The intent and purpose of the IDEA is to ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs. A Schoolwide Program may demonstrate that it meets the intent and purpose of this program by ensuring that, except as to certain use

of funds requirements, all the requirements of the IDEA are met, and that children with disabilities are included in school-wide activities. High-quality professional development required for all staff and designed to result in improved learning outcomes for all children, including children with disabilities, is one example of a schoolwide activity that meets the intent and purposes of the IDEA.

Directions: In this section, please indicate which Federal, State, and/or local Tax Levy program funds are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.

Part D: TITLE I TARGETED ASSISTANCE SCHOOLS

Reminder: To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds. Most Schoolwide Program (SWP) schools in NYC are conceptually consolidating all of their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes.

Note: The **intent and purposes** of the Federal programs indicated on the above chart are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students.
- **Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program.
- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title IV:** To support programs that prevent violence in and around schools; prevent the illegal use of alcohol, tobacco and drugs; and involve parents and communities in efforts to foster a safe and drug-free learning environment that supports student achievement.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.

Directions: Describe how the school will implement the following components of a Title I Targeted Assistance Program as required under NCLB. Note: If a required component is already addressed elsewhere in this plan, you may refer to the page numbers where the response can be found.

1. Use program resources to help participating children meet the State standards.
2. Ensure that planning for students served under this program is incorporated into existing school planning.
3. Use effective methods and instructional strategies that are based on scientifically based research that strengthens the core academic program of the school and that:
 - a. Give primary consideration to providing extended learning time, such as, extended school year, before/after school, and summer programs and opportunities;
 - b. Help provide an accelerated, high –quality curriculum, including applied learning; and
 - c. Minimize removing children from the regular classroom during regular school hours;
4. Coordinate with and support the regular educational program;
5. Provide instruction by highly qualified teachers;
6. Provide professional development opportunities for teachers, principals and paraprofessionals, including, if appropriate, pupil services personnel, parents, and other staff;
7. Provide strategies to increase parental involvement; and
8. Coordinate and integrate Federal, State and local services and programs.

APPENDIX 5: NCLB/SED REQUIREMENTS FOR SCHOOLS IDENTIFIED FOR IMPROVEMENT, CORRECTIVE ACTION, OR RESTRUCTURING

This appendix must be completed by all schools designated for school improvement under the State's Differentiated Accountability system, including Improvement (year 1), Improvement (year 2), Corrective Action (CA) (year 1), Corrective Action (year 2), Restructuring (year 1), Restructuring (year 2), Restructuring (Advanced), and SURR schools.

NCLB/SED Status: _____ **SURR³ Phase/Group (If applicable):** _____

Part A: For All Schools Identified for Improvement, Corrective Action, or Restructuring

1. For each area of school improvement identification (indicated on your pre-populated School Demographics and Accountability Snapshot, downloadable from your school's NYCDOE webpage under "Statistics"), describe the school's findings of the specific academic issues that caused the school to be identified. For schools in Corrective Action (year 1) that underwent an External School Curriculum Audit (ESCA) during the 2009-10 school year, please include the findings from that process in your response for this section.
2. Describe the focused intervention(s) the school will implement to support improved achievement in the grade and subject areas for which the school was identified. Be sure to include strategies to address the needs of all disaggregated groups that failed to meet the AMO, Safe Harbor, and/or 95% participation rate requirement. Note: If this question was already addressed elsewhere in this plan, you may refer to the page numbers where the response can be found. For schools in the Corrective Action phase, please include the specific corrective action being implemented for the school, as required under NCLB. For schools in the Restructuring phase, please include a description of the restructuring option/strategies being implemented for the school.

Part B: For Title I Schools Identified for Improvement, Corrective Action, or Restructuring

1. As required by NCLB legislation, a school identified for school improvement must spend not less than 10 percent of its Title I funds for each fiscal year that the school is in school improvement status for professional development. The professional development must be high quality and address the academic area(s) identified. Describe how the 10 percent of the Title I funds for professional development (amounts specified in Part A of Appendix 4) will be used to remove the school from school improvement.
2. Describe the teacher-mentoring program that will be incorporated as part of the school's strategy for providing high-quality professional development.
3. Describe how the school will notify parents about the school's identification for school improvement in an understandable and uniform format and to the extent practicable, in a language that the parents can understand.

School Under Registration Review (SURR)

APPENDIX 6: SED REQUIREMENTS FOR SCHOOLS UNDER REGISTRATION REVIEW (SURR)

All SURR schools must complete this appendix.

SURR Area(s) of Identification: _____

SURR Group/Phase: _____ **Year of Identification:** _____ **Deadline Year:** _____

Part A: SURR Review Team Recommendations – On the chart below, indicate the categorized recommendations for improvement resulting from the SED Registration Review Visit/Report and all external review and monitoring visits since the school was first identified as a SURR. APPENDIX 7: TITLE I, PART A – SUPPORT FOR STUDENTS IN TEMPORARY HOUSING (STH)

All schools must complete this appendix.

Directions:

- All Title I schools must complete Part A of this appendix.
- All Non-Title I schools must complete Part B of this appendix.

Supporting Students in Temporary Housing (STH)

As included in your Office of School and Youth Development Consolidated Plan STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). For more information on using Title I set-aside funds to support your STH population, please refer to the Frequently Asked Questions document on DOE's website: <http://schools.nyc.gov/NR/rdonlyres/9831364D-E542-4763-BC2F-7D424EBD5C83/58877/TitleIPartASetAsideforStudentsinTemporaryHousing.pdf>

Part A: FOR TITLE I SCHOOLS

1. Please identify the number of Students in Temporary Housing who are currently attending your school. (Please note that your current STH population may not be the same as officially reported in DOE systems and may change over the course of the year.) **4**
2. Please describe the services you are planning to provide to the STH population. **Counseling, parent outreach and counseling, supply materials and clothing if needed, tutoring if needed**

Part B: FOR NON-TITLE I SCHOOLS

1. Please identify the number of Students in Temporary Housing who are currently attending your school (please note that your STH population may change over the course of the year).
2. Please describe the services you are planning to provide to the STH population with the Title I set-aside funds.
3. Some Non-Title I schools receive a specific allocation based on the reported number of students living in temporary housing. If your school received an allocation (please refer to the current Title I Funds Summary of School Allocation Memorandum), include the amount your school received in this question. If your school did not receive an allocation and needs assistance in identifying resources to assist STH students, please contact an STH liaison in your Children First Network.

APPENDIX 8: CONTRACTS FOR EXCELLENCE (C4E) SCHOOL-BASED EXPENDITURES

This appendix will not be required for 2010-2011.

Please Note: Since the system-wide expectation is that schools will maintain effort for 2008-09/2009-10 programs funded with Contract for Excellence dollars in 2010-11, schools will not be required to complete a new version of CEP Appendix 8 this year. Please see the FY11 SAM #6 "Contracts for Excellence Discretionary Allocations" for details about other documentation that schools may be required to complete in conjunction with the spending of their C4E dollars.

TAG School Title I Parent Involvement Policy

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore M012 [in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act], is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Advisory Council, as trained volunteers and welcomed members of our school community. M012 will support parents and families of Title I students by:

- **providing materials and training to help parents work with their children to improve their achievement level (e.g., literacy, math and use of technology);**
- **fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;**
- **providing assistance to parents in understanding City, State and Federal standards and assessments;**
- **sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand**
- **providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community;**

Our Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, M012 will:

actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;

engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to schools to promote parent involvement, including family literacy and parenting skills;

ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in our Parent Involvement Policy and the School-Parent Compact;

support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional development, especially in developing leadership skills;

maintain a Parent Coordinator to serve as a liaison between the school and families. The Parent Coordinator will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the Central Office for Family Engagement and Advocacy (OFEA);

conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

provide opportunities for parents to help them understand the accountability system (e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;)

host the required Title I Parent Annual Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the

program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;

schedule additional parent meetings (e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;

translate all critical school documents and provide interpretation during meetings and events as needed; and

M012 will further encourage school-level parental involvement by:

holding an annual Title I Parent Curriculum Conference;

hosting educational family events/activities during Open School Week and throughout the school year;

encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;

supporting or hosting OFEA District Family Day events;

establishing a Parent Resource Center or lending library; instructional materials for parents.

encouraging more parents to become trained school volunteers;

providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;

developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress; and

providing school planners/folders for regular written communication between teacher and the home in a format, and to the extent practicable in the languages that parents can understand;

School-Parent Compact

M012 [in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act] is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. M012 staff and the parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

School Responsibilities:

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

using academic learning time efficiently;

respecting cultural, racial and ethnic differences;

implementing a curriculum aligned to State Standards;

offering high quality instruction in all content areas; and

providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;

convening a Title I Parent Annual Meeting (prior to December 1st of each school year) for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;

arranging additional meetings at other flexible times (e.g., morning, evening) and providing (if necessary and funds are available) transportation, child care or home visits for those parents who cannot attend a regular meeting;

respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;

providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;

providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information; and

ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

Ensure that staff will have access to interpretation services in order to communicate with limited English speaking parents effectively.

notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;

arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities; and

planning activities for parents during the school year (e.g., Open School Week);

Provide general support to parents by:

creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;

assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);

sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;

supporting parental involvement activities as requested by parents; and

ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;

advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I

requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

Parent/Guardian Responsibilities:

monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;

ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;

check and assist my child in completing homework tasks, when necessary;

read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes)

set limits to the amount of time my child watches television or plays video games;

promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;

encourage my child to follow school rules and regulations and discuss this Compact with my child;

volunteer in my child's school or assist from my home as time permits;

participate, as appropriate, in the decisions relating to my child's education.

I will also:

○ communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;

○ respond to surveys, feedback forms and notices when requested;

○ become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;

participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;

○ take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups (e.g., school or district Title I Parent Advisory Councils, School or District Leadership Teams; and

○ share responsibility for the improved academic achievement of my child.

Student Responsibilities:

attend school regularly and arrive on time;

complete my homework and submit all assignments on time;

follow the school rules and be responsible for my actions;

show respect for myself, other people and property;

try to resolve disagreements or conflicts peacefully; and

always try my best to learn

GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This LAP form, an appendix of the CEP, also incorporates information required for CR Part 154 funding so that a separate submission is no longer required. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them in the submission form.

Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [\[see tool kit\]](#).)
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs;

description must also include any consultation/communication activities with parents in their native language.

5. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
6. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway.

1. The school Family Worker and Parent Coordinator are responsible for administering the HLIS to parents. Both have been trained on this procedure. Since most of our newly enrolled students are first time students entering Kindergarten, our Kindergarten teachers have been trained on the LAB-R and they conduct the assessments.

2.-6. Our school has no ELL programs. We have two students who are able to receive services but whose parents have opted out. Because of this, we have no programs.

How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)? <ol style="list-style-type: none"> a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)? 3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development. 4. How do you differentiate instruction for ELL subgroups? <ol style="list-style-type: none"> a. Describe your instructional plan for SIFE. b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs. c. Describe your plan for ELLs receiving service 4 to 6 years. d. Describe your plan for Long-Term ELLs (completed 6 years). e. Describe your plan for ELLs identified as having special needs.
<p>We have no programs at the school or ELL students requesting services.</p>

B. Programming and Scheduling Information--Continued

- Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
- Describe your plan for continuing transitional support (2 years) for ELLs reaching proficiency on the NYSESLAT.
- What new programs or improvements will be considered for the upcoming school year?
- What programs/services for ELLs will be discontinued and why?
- How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
- What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?
- How is native language support delivered in each program model? (TBE, Dual Language, and ESL)
- Do required services support, and resources correspond to ELLs' ages and grade levels?
- Include a description of activities in your school to assist newly enrolled ELL students before the beginning of the school year.
- What language electives are offered to ELLs?

We only have two students who are able to receive services but whose parents have opted out. Because of this, we have no programs at the school.

C. Schools with Dual Language Programs

- How much time (%) is the target language used for EPs and ELLs in each grade?
- How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?
- How is language separated for instruction (time, subject, teacher, theme)?
- What Dual Language model is used (side-by-side, self-contained, other)?
- Is emergent literacy taught in child's native language first (sequential), or are both languages taught at the same time (simultaneous)?

No Dual Language programs

D. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
3. Describe the minimum 7.5 hours of ELL training for all staff (including non-ELL teachers) as per Jose P.

We have no ELL personnel at the school.

E. Parental Involvement

1. Describe parent involvement in your school, including parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

Our parent involvement is strong, with high attendance at school functions. Parents are routinely surveyed to assess their needs and wants from the school.

B. After reviewing and analyzing the assessment data, answer the following

1. Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How can this information help inform your school's instructional plan? Please provide any quantitative data available to support your response.
2. What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
3. How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions?
4. For each program, answer the following:
 - a. Examine student results. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
 - b. Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
