SECTION II: SCHOOL LEADERSHIP TEAM SIGNATURE PAGE

Directions: Each school is required to form a School Leadership Team (SLT) as per State Education Law Section 2590. SLT membership must include an equal number of parents and staff (students and CBO members are not counted when assessing this balance requirement), and ensure representation of all school constituencies. Chancellor’s Regulation A-655 requires a minimum of ten members on each team. Each SLT member should be listed separately in the left hand column on the chart below. Please specify any position held by a member on the team (e.g., SLT Chairperson, SLT Secretary) and the constituent group represented (e.g., parent, staff, student, or CBO). The signatures of SLT members on this page indicates their participation in the development of the Comprehensive Educational Plan and confirmation that required consultation has occurred in the aligning of funds to support educational programs (Refer to revised Chancellor’s Regulations A-655; available on the NYCDOE website at

<http://schools.nyc.gov/NR/rdonlyres/381F4607-7841-4D28-B7D5-0F30DDB77DFA/82007/A655FINAL1.pdf>).

Note: If for any reason an SLT member does not wish to sign this plan, he/she may attach a written explanation in lieu of his/her signature.

SECTION III: SCHOOL PROFILE

Part A. Narrative Description

Directions: In no more than 500 words, provide contextual information about your school's community and its unique/important characteristics. Think of this as the kind of narrative description you would use in an admissions directory or an introductory letter to new parents. You may wish to include your school's vision/mission statement and a description of strategic collaborations/partnerships and/or special initiatives being implemented. You may copy and paste your narrative description from other current resources where this information is already available for your school (e.g., grant applications, High School Directory, etc.). Note: Demographic and accountability data for your school will be addressed in Part B of this section.

The Eagle Academy for Young Men is a high school founded in 2004 in collaboration with the 100 Black Men Incorporation and the NYC Department of Education. The Eagle Academy for Young Men currently has a student population of 457 students from 9 through grade 12. The school population comprises 66% Black, 32% Hispanic, 1% White, and 1% Asian students. The student body includes 3% English language learners and 16% special education students. Boys account for 100% of the students enrolled. The average attendance rate for the school year 2009 - 2010 was 87.4%. Our most unique relationship is with the Eagle Academy Foundation. The Eagle Academy Foundation is a 501c (3) youth serving organization that is primarily focused on supporting specific initiatives that promote the economic, educational and social empowerment of young men in urban communities from the ground up. By encouraging and supporting public/private partnerships and initiatives that promote responsible civic collaboration with community partners, our goal is to change the tide of urban decay, and to positively affect the lives and chances of the students and families of the Eagle Academy for Young Men. We believe that young people, their parents, their communities and the educational system must work together to create innovative educational approaches, and they must be the impetus for success through individual excellence.

Eagle has several strategic collaborations/partnerships as well as special initiatives currently being implemented. To effectively and comprehensively educate young men to be competently active in the economic, social, and political domains of our contemporary global society, it is necessary to align the work of Eagle to a set of learning standards that reflect the current research on what it means to be college ready as documented by David T. Conley in his report entitled "Redefining College Readiness"; and the standards and promotion & graduation criteria of New York State. Within this context, there are four key frames for the Learning Standards that should frame the overall educational program for students. Those frames are the Content Frame, Leadership Frame, Literacy Frame, and Scholarship Frame.

Currently, the College Program consists of differentiated activities for students at each grade level to help all students to successfully enter an institution of higher learning. The director of college programs has established activities throughout the year to prepare these students at every stage of the rigorous college application process. The current objectives, by grade level, are:

- 9th Graders – Introduce and inspire students to commit to college
- 10th Graders – Build resume (academic and extracurricular) & stay connected
- 11th Graders – Continue to build resume & start college process
- 12th Graders – Follow through and complete college application process

As rising 9th graders in the Summerbridge Program, the students participate in College Knowledge 101. This course provides them a glimpse of the commitment and requirements necessary for college bound students. This course provides them information about the following:

- Review high school graduation requirements
- Review types of diplomas
- Review high school transcripts

- Participate in mock admissions committees
- Fill out a College Knowledge survey
- Attend the college fair at Columbia University

Part B. School Demographics and Accountability Snapshot (SDAS)

Directions: A pre-populated version of the School Demographics and Accountability Snapshot provided in template format below (Pages 6-9 of this section) is available for download on each school’s NYCDOE webpage under “Statistics.” Pre-populated SDAS data is updated twice yearly. Schools are encouraged to download the pre-populated version for insertion here in place of the blank format provided.

SECTION IV: NEEDS ASSESSMENT

Directions: Conduct a comprehensive review of your school's educational program informed by the most current quantitative and qualitative data available regarding student performance trends and other indicators of progress. Include in your needs assessment an analysis of information available from New York State Education Department and New York City Department of Education accountability and assessment resources, i.e., School Report Cards, Progress Reports, Quality Review and Quality Review Self-Assessment documents, periodic assessments, ARIS, as well as results of Inquiry/Teacher Team action research, surveys, and school-based assessments. (Refer to your school's Demographics and Accountability Snapshot in Part B of Section III, and feel free to use any additional measures used by your school to determine the effectiveness of educational programs) It may also be useful to review your school's use of resources: last year's school budget, schedule, facility use, class size, etc.

After conducting your review, **summarize** in this section the major findings and implications of your school's strengths, accomplishments, and challenges. Consider the following questions:

- What student performance trends can you identify?
 - What have been the greatest accomplishments over the last couple of years?
 - What are the most significant aids or barriers to the school's continuous improvement?
-

Strengths:

- Graduation Rate: According to our 2009-10 Progress Report our graduation rate was 70%. According to most public statistics, boys of color are still graduating below at 50% graduation rate.
- Eagle Academy Summer Bridge Program: The Summer Bridge Program is a four week comprehensive program in which incoming 9th grade students of the Eagle Academy are orientated and exposed to the culture of the school prior to the start of the school year. Instead of spending idle time at home during the summer months, students of the Academy are able to receive instruction and formal academic assessment from instructors, become familiar with staff members, and create a sense of brotherhood among themselves. This program has proven to be very successful and critical in the transition from middle school to high school for our young men.
- Parent Involvement: The Eagle Academy for Young Men currently has a very involved Parent Association and a full time Family Coordinator employed at the school. The school has worked closely with parents to determine workshops that would be of interest to them and which would prove to be most beneficial. In addition to a focus being given to parenting skills, workshops will also be offered to parents in the areas of financial literacy and community resource utilization, drug and alcohol prevention, and gang awareness. These workshops will inform and educate parents on the best practices utilized in addressing young men of color regarding these issues. The objective is to allow parents to feel empowered to address these issues of concern and fully maximize the assistance that they can provide for their children.
- Mentoring Program: The Mentoring Program matches students with professional men to help foster their academic and personal growth during the high school process. Currently, students are matched with mentors at a ratio of twelve students to two mentors, and placed in groups based on their Advisory Group assignments, which meet daily at the school. The purpose of this configuration is to establish a sense of brotherhood among the students in the group, and to also allow for an individual at the school to be a reliable source of information for mentors. Teachers who are assigned Advisory Groups are responsible for monitoring assigned students performance, and mentors act as additional sources of support. The advisory group model facilitates and encourages consistent communication between mentors and faculty so that students receive coherent messages from key adults in their lives.

Accomplishments:

Some of our greatest accomplishments over the last couple of years have been:

- The rating of "A" on our 2008-2009 Progress Report
- The rating of "B" on our 2009-10 Progress Report
- The rating of "Proficient" on our 2009, 2007 Quality Review & rating of "Proficient with Many Well Developed Features" on the 2006 Quality Review

Areas of Needed Growth:

- Further develop the collection of data in order to establish a clearer picture of the patterns in the performance and progress of ethnic groups.
- Involve students in their individual goal setting in order to develop self-assessment skills to address their own needs more effectively.
- Continue to develop the newly established curriculum to better address the needs of high-performing students.
- Establish more frequent interim checkpoints within goals in order to more rapidly make adjustments to curriculum and effect organizational and instructional decisions.

SECTION V: ANNUAL SCHOOL GOALS

Directions: Based on the findings and implications from the comprehensive needs assessment (Section IV), determine your school's instructional goals for 2010-11 and list them in this section along with a few phrases of description. The resulting list should include a limited number of goals (5 is a good guideline), and the list as a whole should be a clear reflection of your priorities for the year. Good goals should be SMART – Specific, Measurable, Achievable, Realistic, and Time-bound.

Notes: (1) In Section VI of this template, you will need to complete an "action plan" for each annual goal listed in this section. (2) Schools designated for improvement (Improvement, Corrective Action, Restructuring, SURR, Persistently Lowest-Achieving (PLA), or schools that received a C for two consecutive years, D, or F on the Progress Report) must identify a goal and complete an action plan related to improving student outcomes in the area(s) of improvement identification. (3) When developed, Principal's Performance Review (PPR) goals should be aligned to the school's annual goals described in this section.

The Eagle Academy for Young Men has three primary goals for 2010-2011. The rationale for the goals is predicated on student outcomes. Although The Eagle Academy for Young Men enjoys enormous success, there are a number of concerns that should be addressed. The three goals are as follows:

Goal One: To increase the use of technology across our classrooms.

In order to increase student engagement and to continue to take advantage of the role that technology plays in the 21st century, all staff members will be trained in and effectively utilize technology across classrooms.

Action Plan:

- All teachers will participate in mandatory Professional Development regarding the use of Datacation (online assessment software)
- All teachers will participate in mandatory Professional Development regarding SmartBoard usage.
- Teachers will have the opportunity to attend optional Professional Development on the following topics: Using Mac computers, Learning How to use Video as an instructional tool, Advanced SmartBoard training, Effectively Using Acuity & Periodic Assessments and ARIS Training
- Teachers will be observed regularly to assess that current technologies are being utilized in classrooms.

The evidence that will reveal success is based on the following:

- Regularly scheduled formal classroom observations
- Informal classroom observations
- Teacher participation in optional Professional Developments
- The ability of students to use technology in appropriate ways (ie: accessing our EagleNY website to upload projects, demonstrating use of the SmartBoard in classroom instruction, etc.)
- School Environment Surveys Results

Goal Two: To increase student participation in our Extended Learning Opportunities Program

At Eagle, we firmly believe that students do better academically when they participate in supplementary programs that are connected to the school.

Action Plan:

- Eagle will hire an Extended Learning Opportunities Manager to evaluate the effectiveness of the program.
- The majority of students in all grades will participate in our Saturday Mentoring Program
- 80% of our students will participate in at least one of our 16 Extended Learning Opportunity Program during the school year.
- Students participating in athletics will attend Study Halls to ensure eligibility.
- Students in need of remediation or Regents Preparation will attend classes after school and on Saturday.

The evidence that will reveal success is based on the following:

- Attendance sheets that indicate participation in Extended Learning Opportunity sessions
- Increase in student attendance during the school day and after school
- The creation of a working and vibrant Student Government
- Increases in favorable student and parent responses on Learning Environment Surveys regarding engagement in school
- The addition of more sports teams (currently we only have Basketball and Wrestling)

Goal Three: To increase the amount of Advanced Regents Diplomas

One predictor of college readiness is graduating from high school with an Advanced Regents Diploma. With that being said, we intend to increase our students earning Advanced Regents Diploma.

Action Plan:

- Adding one more Advanced Placement class for the 2010-2011 school year (AP US History...4 AP classes in 2010 – 2011; 3 AP classes in 2009-2010)
- Provide additional Regents Preparation in Algebra 2/Trigonometry and Foreign Language for students in need
- Engage in a comprehensive online grading program (Datacation) designed to engage parents and students in real time up to date progress reports, which will enable them to better track academic progress of students.

The evidence that will reveal success is based on the following:

- Student pass rates on January Regents exams
- Increase in students earning a score of “75” on Math and English Regents exams
- Students earning Advanced Regents Diplomas in June and/or August.

REQUIRED APPENDICES TO THE CEP FOR 2010-2011

Directions: All schools must complete Appendices 1, 2, 3, & 7. All Title I schools must complete Appendix 4. All schools identified under NCLB or SED for School Improvement, including Improvement (year 1), Improvement (year 2), Corrective Action (CA) (year 1), Corrective Action (year 2), Restructuring (year 1), Restructuring (year 2), Restructuring (Advanced), and SURR, must complete Appendix 5. All Schools Under Registration Review (SURR) must also complete Appendix 6. **Please refer to the accompanying CEP guidance for specific CEP submission instructions and timelines.** (Important Notes: Last year's Appendix 7 – School-level Reflection and Response to System-wide Curriculum Audit Findings – has sunset as a requirement. Last year's Appendix 9 has been moved to Appendix 7 for 2010-2011. Appendix 8 will not be required for this year.)

New York State Education Department (SED) requirement for all schools

Part A. Directions: On the chart below, indicate the total number of students receiving Academic Intervention Services (AIS) in each area listed, for each applicable grade. AIS grade and subject requirements are as follows: K-3: reading and math; 4-12: reading, math, science, and social studies. Academic Intervention Services include **2 components:** additional instruction that supplements the general curriculum (regular classroom instruction); and/or student support services needed to address barriers to improved academic performance such as services provided by a guidance counselor or social worker. Note: Refer to the District Comprehensive Educational Plan (DCEP) for a description of district procedures for providing AIS.

Identified groups of students who have been targeted for AIS, and the established criteria for identification:

- Students in Grades K – 3 who are considered at-risk for not meeting State standards as determined by their performance on ECLAS 2 or other identified assessments, or who have been identified as potential holdovers.
- Students in Grades 4 – 8 who are performing at Level 1 or Level 2 on New York State English language arts (ELA), mathematics, science, and social studies assessments.
- Students in Grade 9 who performed at Level 1 or Level 2 on NYS Grade 8 ELA, mathematics, science, and social studies assessments.
- Students in Grades 10 – 12 who scored below the approved passing grade on any Regents examination required for graduation in English language arts, mathematics, science, and social studies.

Part B. Description of Academic Intervention Services

Name of Academic Intervention Services (AIS)	Description: Provide a brief description of each of the Academic Intervention Services (AIS) indicated in column one, including the type of program or strategy (e.g., Wilson, Great Leaps, etc.), method for delivery of service (e.g., small group, one-to-one, tutoring, etc.), and when the service is provided (i.e., during the school day, before or after school, Saturday, etc.).
ELA:	After-school tutoring is facilitated by the classroom teacher three days a week after school in each subject area. Support staff offer one to one instruction for scholars that require more attention as well as small group instruction. Scholars that demonstrate low mastery ability or “at risk” are enrolled to reduce to potential of failing.
Mathematics:	After-school tutoring is facilitated by the classroom teacher two days a week after school in each subject area. Support staff offer one to one instruction for scholars that require more attention as well as small group instruction. Scholars that demonstrate low mastery ability or “at risk” are enrolled to reduce to potential of failing.
Science:	After-school tutoring is facilitated by the classroom teacher two days a week after school in each subject area. Support staff offer one to one instruction for scholars that require more attention as well as small group instruction. Scholars that demonstrate low mastery ability or “at risk” are enrolled to reduce to potential of failing.
Social Studies:	After-school tutoring is facilitated by the classroom teacher two days a week after school in each subject area. Support staff offer one to one instruction for scholars that require more attention as well as small group instruction. Scholars that demonstrate low mastery ability or “at risk” are enrolled to reduce to potential of failing.

APPENDIX 2: PROGRAM DELIVERY FOR ENGLISH LANGUAGE LEARNERS (ELLs)

NCLB/SED requirement for all schools

Part A: Language Allocation Policy (LAP) – Attach a copy of your school’s current year (2010-2011) Language Allocation Policy to this CEP.

Part B: Title III: Language Instruction for Limited English Proficient and Immigrant Students – School Year 2010-2011

Directions: In anticipation of the allocation of Title III funding to your school for 2010-11 at the same funding level as 2009-10, indicate below whether there will be any revisions for 2010-11 to your school’s approved 2009-10 Title III program narrative and budget. Note: Only revised Title III plans will be reviewed this year for DOE and SED approval.

- There will be no revisions to our school’s approved 2009-10 Title III program narrative and budget (described in this section) for implementation in 2010-11 (pending allocation of Title III funding).
- We have made minor revisions to our school’s approved 2009-10 Title III program narrative for 2010-11 (pending allocation of Title III funding). The revised Title III program narrative is described in Section II below.
- We have made minor revisions to our school’s approved 2009-10 Title III budget for 2010-11 (pending allocation of Title III funding). The revised Title III budget is described in Section III below.
- Our school’s 2009-10 Title III program narrative and budget have been revised for 2010-11 (pending allocation of Title III funding). The new Title III plan is described in Sections’ II and III below.

Section II. Title III, Part A LEP Program Narrative

Language Instruction Program – Language instruction education programs funded under Title III, Part A, of NCLB, must help LEP students attain English proficiency while meeting State academic achievement standards. They may use both English and the student’s native language and may include the participation of English proficient students (i.e., Two Way Bilingual Education/Dual Language program.) Programs implemented under Title III, Part A, may not supplant programs required under CR Part 154. In the space provided below, describe the school’s language instruction program for limited English proficient (LEP) students. The description must include: type of program/activities; number of students to be served;

grade level(s); language(s) of instruction; rationale for the selection of program/activities; times per day/week; program duration; and service provider and qualifications.

Professional Development Program – Describe the school’s professional development program for teachers and other staff responsible for the delivery of instruction and services to limited English proficient students.

APPENDIX 3: LANGUAGE TRANSLATION AND INTERPRETATION

Requirement under Chancellor's Regulations – for all schools

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.
2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.
2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.
3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link: <http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

APPENDIX 4: NCLB REQUIREMENTS FOR TITLE I SCHOOLS

All Title I schools must complete this appendix.

Directions:

- All Title I schools must address requirements in Part A and Part B of this appendix.
- Title I Schoolwide Program (SWP) schools must complete Part C of this appendix.
- Title I Targeted Assistance (TAS) schools must complete Part D of this appendix.

Part A: TITLE I ALLOCATIONS AND SET-ASIDES

	Title I Basic	Title I ARRA	Total
1. Enter the anticipated Title I, Part A allocation for 2010-11:	\$197,596	\$256,894	\$454,490
2. Enter the anticipated 1% set-aside for Parent Involvement:	\$1976		
3. Enter the anticipated 5% set-aside to insure that all teachers in core subject areas are highly qualified:	\$9,880	*	
4. Enter the anticipated 10% set-aside for Professional Development:	\$19759	*	

5. Enter the percentage of High-Quality Teachers teaching in core academic subjects during the 2009-2010 school year: _____

6. If the percentage of high quality teachers during 2008-2009 is less than 100% describe activities and strategies the school is implementing in order to insure that the school will have 100% high quality teachers by the end of the coming school year.

* Federal waiver granted; additional set-asides for Title I ARRA are not required for these areas.

Part B: TITLE I SCHOOL PARENTAL INVOLVEMENT POLICY & SCHOOL-PARENT COMPACT

Directions: Attach a copy of the school's **Parent Involvement Policy (PIP)**, which includes the **School-Parent Compact**.

Explanation – School Parental Involvement Policy: In support of strengthening student academic achievement, each school that receives Title I, Part A funds must develop jointly with, agree on with, and distribute to, parents of participating children a written parental involvement policy that contains information required by section 1118(a)(2) of the Elementary and Secondary Education Act (ESEA). The policy establishes the school's expectations for parental involvement and describes how the school will implement a number of specific parental involvement activities, including the required **Title I Annual Parent meeting**. A sample template was created by the Office of School Improvement in

collaboration with the New York State Education Department and Office for Family Engagement and Advocacy and is available in the nine major languages on the NYCDOE website. It is **strongly recommended** that schools, in consultation with parents, use the sample template as a framework for the information to be included in their parental involvement policy. Schools, in consultation with parents, are encouraged to include other relevant and agreed upon activities and actions as well that will support effective parental involvement and strengthen student academic achievement. The school parent involvement policy must be provided to all parents and disseminated in the major languages spoken by the majority of parents in the school.

Explanation – School-Parent Compact: Each school receiving funds under Title I, Part A of the Elementary and Secondary Education Act (ESEA) must develop a written school-parent compact jointly with parents for all children participating in Title I, Part A activities, services, and programs. That compact is part of the school’s written parental involvement policy developed by the school and parents under section 1118(b) of the ESEA. The compact must outline how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State’s high standards. It is **strongly recommended** that schools and parents use the sample template which is available in the nine major languages on the NYCDOE website as a framework for the information to be included in the compact. Schools and parents, in consultation with students, are encouraged to include other relevant and agreed upon activities and actions as well that will support effective parental involvement and strengthen student academic achievement. The school-parent compact must be provided to all parents and disseminated in the major languages spoken by the majority of parents in the school.

Part C: TITLE I SCHOOLWIDE PROGRAM SCHOOLS

Section I: Schoolwide Program (SWP) Required Components

Directions: Describe how the school will implement the following components of a Schoolwide Program as required under NCLB. **Note:** If a required component is already addressed elsewhere in this plan, you may refer to the page numbers where the response can be found.

1. A comprehensive needs assessment of the entire school that is based on information on the performance of children in relation to the State academic content and student academic achievement standards.

Our Needs assessment was conducted through student achievement data, community surveys, school and teacher assessments, child studies, classroom observations, focused instructional walkthroughs and our School Quality Review from two years ago. This data was analyzed and discussed at faculty meetings and professional development days. Teachers examined the scores of individual students as well as those for selected groups of students in order to plan effectively and discuss their findings with students, parents and peers. During the course of the year students take quarterly school-wide exams in each academic subject. Students also perform a variety of teacher created projects and assessments including exams, presentations, newsletters and other projects. All members of the school community: students, faculty, parents and mentors participated in the school survey. Information gathered from the surveys, shapes future instructional structures and programs. Teachers, administrators and families collaborate on child studies to determine how best to meet the needs of individual students. Administrative observations and Teacher inter-visitation also provided valuable information regarding student

and school needs. Members of teachers, administrators and CFN Personnel conduct focused instructional walk through. During these visits, teachers, administrators and other members of the school committee reflect on instructional practices and systems.

2. Schoolwide reform strategies that:
 - a) Provide opportunities for all children to meet the State's proficient and advanced levels of student academic achievement.
 - b) Use effective methods and instructional strategies that are based on scientifically-based research that:
 - Increase the amount and quality of learning time, such as extended school year, before- and after-school and summer programs and opportunities.
 - Help provide an enriched and accelerated curriculum.
 - Meet the educational needs of historically underserved populations.
 - Address the needs of all children in the school, but particularly the needs of low academic achieving children and those at risk of not meeting the State academic content standards and are members of the target population of any program that is included in the Schoolwide Program. These programs may include counseling, pupil services, mentoring services, college and career awareness/preparation, and the integration of vocational and technical education programs.
 - Are consistent with and are designed to implement State and local improvement, if any.

3. Instruction by highly qualified staff.

4. High-quality and ongoing professional development for teachers, principals, and paraprofessionals (and, where appropriate, pupil services personnel, parents, and other staff) to enable all children in the Schoolwide Program to meet the State's student academic standards.

Teachers receive training that enables them to take a holistic approach to student learning. Through this training, teachers increase their understanding of:

 - Urban and diverse student populations.
 - Urban learning contexts.
 - Inquiry based learning and other modern pedagogical techniques/schoolwide literacy programs

5. Strategies to attract high-quality highly qualified teachers to high-need schools.
 - Eagle will continue to participate in job fairs run by the City of New York and New Visions.
 - Eagle plans to research ways make connections with the various institutions of higher education throughout NYC that will enable us to host student teachers and enlarge our applicant pool to include highly qualified new teachers.
 - For teachers beginning in our work environment we offer peer coaching and support by members of their respective academic departments and the principal.

6. Strategies to increase parental involvement through means such as family literacy services.
7. Plans for assisting preschool children in the transition from early childhood programs, such as Head Start, Even Start, Early Reading First, or a State-run preschool program, to local elementary school programs.
8. Measures to include teachers in the decisions regarding the use of academic assessments in order to provide information on, and to improve, the achievement of individual students and the overall instructional program.
9. Activities to ensure that students who experience difficulty mastering the proficient or advanced levels of the academic achievement standards are provided with effective, timely additional assistance. The additional assistance must include measures to ensure that students' difficulties are identified on a timely basis and to provide sufficient information on which to base effective assistance.
10. Coordination and integration of Federal, State, and local services and programs, including programs supported under NCLB, i.e., violence prevention programs, nutrition programs, housing programs, Head Start, adult education, vocational and technical education, and job training.

Section II: "Conceptual" Consolidation of Funds in a Title I Schoolwide Program (SWP)

Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of upgrading the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using *all* of the resources available to it. This gives a school more flexibility in how it uses available resources to meet the identified needs of its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity. To consolidate funding in a Schoolwide Program, the school does not

literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used **conceptually** to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

Most, if not all, Schoolwide Program (SWP) schools in NYC are already conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes.

To be eligible for the flexibility consolidation of Federal funds enables, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated. For example, IDEA, Part B allows SWP schools to consolidate a portion of the funds received under Part B of IDEA, so long as students with disabilities included in such Schoolwide Programs receive special education and related services in accordance with a properly developed Individualized Education Program (IEP), and are afforded all of the rights and services guaranteed to children with disabilities under IDEA. The intent and purpose of the IDEA is to ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs. A Schoolwide Program may demonstrate that it meets the intent and purpose of this program by ensuring that, except as to certain use of funds requirements, all the requirements of the IDEA are met, and that children with disabilities are included in school-wide activities. High-quality professional development required for all staff and designed to result in improved learning outcomes for all children, including children with disabilities, is one example of a schoolwide activity that meets the intent and purposes of the IDEA.

Directions: In this section, please indicate which Federal, State, and/or local Tax Levy program funds are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.

Part D: TITLE I TARGETED ASSISTANCE SCHOOLS

Directions: Describe how the school will implement the following components of a Title I Targeted Assistance Program as required under NCLB. Note: If a required component is already addressed elsewhere in this plan, you may refer to the page numbers where the response can be found.

1. Use program resources to help participating children meet the State standards.
2. Ensure that planning for students served under this program is incorporated into existing school planning.
3. Use effective methods and instructional strategies that are based on scientifically based research that strengthens the core academic program of the school and that:

Note: The intent and purposes of the Federal programs indicated on the above chart are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students.
- **Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program.
- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title IV:** To support programs that prevent violence in and around schools; prevent the illegal use of alcohol, tobacco and drugs; and involve parents and communities in efforts to foster a safe and drug-free learning environment that supports student achievement.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.

- a. Give primary consideration to providing extended learning time, such as, extended school year, before/after school, and summer programs and opportunities;
 - b. Help provide an accelerated, high –quality curriculum, including applied learning; and
 - c. Minimize removing children from the regular classroom during regular school hours;
4. Coordinate with and support the regular educational program;
5. Provide instruction by highly qualified teachers;
6. Provide professional development opportunities for teachers, principals and paraprofessionals, including, if appropriate, pupil services personnel, parents, and other staff;
7. Provide strategies to increase parental involvement; and
8. Coordinate and integrate Federal, State and local services and programs.

APPENDIX 5: NCLB/SED REQUIREMENTS FOR SCHOOLS IDENTIFIED FOR IMPROVEMENT, CORRECTIVE ACTION, OR RESTRUCTURING

This appendix must be completed by all schools designated for school improvement under the State's Differentiated Accountability system, including Improvement (year 1), Improvement (year 2), Corrective Action (CA) (year 1), Corrective Action (year 2), Restructuring (year 1), Restructuring (year 2), Restructuring (Advanced), and SURR schools.

NCLB/SED Status: _____ **SURR³ Phase/Group (If applicable):** _____

Part A: For All Schools Identified for Improvement, Corrective Action, or Restructuring

1. For each area of school improvement identification (indicated on your pre-populated School Demographics and Accountability Snapshot, downloadable from your school's NYCDOE webpage under "Statistics"), describe the school's findings of the specific academic issues that caused the school to be identified. For schools in Corrective Action (year 1) that underwent an External School Curriculum Audit (ESCA) during the 2009-10 school year, please include the findings from that process in your response for this section.
2. Describe the focused intervention(s) the school will implement to support improved achievement in the grade and subject areas for which the school was identified. Be sure to include strategies to address the needs of all disaggregated groups that failed to meet the AMO, Safe Harbor, and/or 95% participation rate requirement. Note: If this question was already addressed elsewhere in this plan, you may refer to the page numbers where the response can be found. For schools in the Corrective Action phase, please include the specific corrective action being implemented for the school, as required under NCLB. For schools in the Restructuring phase, please include a description of the restructuring option/strategies being implemented for the school.

Part B: For Title I Schools Identified for Improvement, Corrective Action, or Restructuring

1. As required by NCLB legislation, a school identified for school improvement must spend not less than 10 percent of its Title I funds for each fiscal year that the school is in school improvement status for professional development. The professional development must be high quality and address the academic area(s) identified. Describe how the 10 percent of the Title I funds for professional development (amounts specified in Part A of Appendix 4) will be used to remove the school from school improvement.
2. Describe the teacher-mentoring program that will be incorporated as part of the school's strategy for providing high-quality professional development.
3. Describe how the school will notify parents about the school's identification for school improvement in an understandable and uniform format and to the extent practicable, in a language that the parents can understand.

School Under Registration Review (SURR)

APPENDIX 6: SED REQUIREMENTS FOR SCHOOLS UNDER REGISTRATION REVIEW (SURR)

All SURR schools must complete this appendix.

SURR Area(s) of Identification: _____

SURR Group/Phase: _____ **Year of Identification:** _____ **Deadline Year:** _____

Part A: SURR Review Team Recommendations – On the chart below, indicate the categorized recommendations for improvement resulting from the SED Registration Review Visit/Report and all external review and monitoring visits since the school was first identified as a SURR. Indicate the specific actions the school has taken, or will take, to address each of the recommendations.

Type of Review or Monitoring Visit (Include agency & dates of visits)	Review Team Categorized Recommendations (e.g., Administrative Leadership, Professional Development, Special Education, etc.)	Actions the school has taken, or plans to take, to address review team recommendations

APPENDIX 7: TITLE I, PART A – SUPPORT FOR STUDENTS IN TEMPORARY HOUSING (STH)

All schools must complete this appendix.

Directions:

- All Title I schools must complete Part A of this appendix.
- All Non-Title I schools must complete Part B of this appendix.

Supporting Students in Temporary Housing (STH)

As included in your Office of School and Youth Development Consolidated Plan STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). For more information on using Title I set-aside funds to support your STH population, please refer to the Frequently Asked Questions document on DOE's website: <http://schools.nyc.gov/NR/rdonlyres/9831364D-E542-4763-BC2F-7D424EBD5C83/58877/TitleIPartASetAsideforStudentsinTemporaryHousing.pdf>

Part A: FOR TITLE I SCHOOLS

1. Please identify the number of Students in Temporary Housing who are currently attending your school. (Please note that your current STH population may not be the same as officially reported in DOE systems and may change over the course of the year.)

Five

2. Please describe the services you are planning to provide to the STH population.

Our STH students have access to our guidance counselor is support services.

Part B: FOR NON-TITLE I SCHOOLS

1. Please identify the number of Students in Temporary Housing who are currently attending your school (please note that your STH population may change over the course of the year).
2. Please describe the services you are planning to provide to the STH population with the Title I set-aside funds.
3. Some Non-Title I schools receive a specific allocation based on the reported number of students living in temporary housing. If your school received an allocation (please refer to the current Title I Funds Summary of School Allocation Memorandum), include the amount your school received in this question. If your school did not receive an allocation and needs assistance in identifying resources to assist STH students, please contact an STH liaison in your Children First Network.

APPENDIX 8: CONTRACTS FOR EXCELLENCE (C4E) SCHOOL-BASED EXPENDITURES

This appendix will not be required for 2010-2011.

Please Note: Since the system-wide expectation is that schools will maintain effort for 2008-09/2009-10 programs funded with Contract for Excellence dollars in 2010-11, schools will not be required to complete a new version of CEP Appendix 8 this year. Please see the FY11 SAM #6 "Contracts for Excellence Discretionary Allocations" for details about other documentation that schools may be required to complete in conjunction with the spending of their C4E dollars.

Eagle Academy for Young Men's Title I Parent Involvement Policy and Parent-School Compact

Section I: Title I Parent Involvement Policy

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore Eagle Academy for Young Men, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Eagle Academy's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Advisory Council, as trained volunteers and welcomed members of our school community. Eagle Academy will support parents and families of Title I students by:

1. providing materials and training to help parents work with their children to improve their achievement level (e.g., literacy, math and use of technology);
2. providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
3. fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
4. providing assistance to parents in understanding City, State and Federal standards and assessments;
5. sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand
6. providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community;

Eagle Academy's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Eagle Academy's Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association, as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, at Eagle Academy for Young men:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to schools to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in our Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association and Title I Parent Advisory Council. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a dedicated staff person or a Family Coordinator to serve as a liaison between the school and families. The Family Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. He or she will also maintain a log of events and activities planned for parents, and file a report with the Central Office for Family Engagement and Advocacy (OFEA);
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home, educational trips
- provide opportunities for parents to help them understand the accountability system (e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;)
- host the required Title I Parent Annual Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;

- schedule additional parent meetings with flexible times, such as meetings in the weekdays or weekends, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed; and
- conduct Title I Parent Event where all parents are invited to attend formal presentations and workshops that address their student academic skills and what parents can do to help.

Eagle Academy for Young Men will further encourage school-level parental involvement by:

- hosting educational family events/activities during Open School Week and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association and Title I Parent Advisory Council;
- establishing a Parent Resource Room or lending library; instructional materials for parents.
- hosting events to support, men asserting leadership in education for their children. parents/guardians, grandparents and foster parents;
- encouraging more parents to become trained school volunteers through Learner leaders.
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress; in addition a web base and/or online grade book to help communicate with parents their child's progress
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress; and

Section II: School-Parent Compact

The Eagle Academy for Young Men is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and their families. Eagle Academy's staff and the parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

School Responsibilities:

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to State Standards;
- offering high quality instruction in all content areas; and
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening a Title I Parent Meeting (prior to December 1st of each school year) for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times weekends, and weekdays and providing (if necessary and funds are available) transportation, child care or home visits for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;

- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information; and
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- Ensure that staff will have access to interpretation services in order to communicate with limited English speaking parents effectively.
- notifying parents of the procedures to arrange an appointment with their child’s teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child’s class, and to observe classroom activities; through Learning Leaders
- planning activities for parents during the school year

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and families;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child’s progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering will all members of the school community;
- supporting parental involvement activities as requested by parents; and families
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department’s General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

Parent/Guardian Responsibilities:

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education. I will also:
 - communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
 - respond to surveys, feedback forms and notices when requested;
 - become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
 - participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
 - take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups (e.g., school or district Title I Parent Advisory Councils, School or District Leadership Teams; and
 - share responsibility for the improved academic achievement of my child;

Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;

- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully; and
- always try my best to learn

GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This LAP form, an appendix of the CEP, also incorporates information required for CR Part 154 funding so that a separate submission is no longer required. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them in the submission form.

Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned?

- (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [\[see tool kit\]](#).)
- Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
 - After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
 - Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway.

Paste response to questions 1-6 1. The steps utilized in our school to identify English Language learners (ELLs) are the following: the administration of the Home Language Identification Survey (HLIS) followed by an informal oral interview in both English and in the student's native language (L1) in addition to the administration of the initial formal assessment (performed by the school's certified ELL instructor). Furthermore, throughout the year, students are given instruction and a myriad of opportunities to master the four strands of language acquisition; which will assist ELLs in increasing their scores on the New York State English Standard Language Achievement Test (NYSESLAT)

2. The structures placed at The Eagle Academy to ensure parental understanding of all three program choices (Transitional-Bilingual, Dual Language, Freestanding ESL). In the ELL Parent Informational meeting the ESL instructor explains the components of each program and how beneficial each one could be for their son/daughter. Also, the ESL teacher shows a video to parents which explains the differences between the three programs in further detail. Moreover, the ESL instructor consults with parents as to providing feedback and next steps which will support parents' decision for their child's future language placement.

3. Our school ensures that parents return the entitlement letters, surveys, and program selection forms by following it with phone calls, e-mails, and in parent-teacher conferences reminding them of the importance of returning these forms.

4. The criteria and/or procedures the school follows to place identified ELL students in our Freestanding ESL program are the results of the current NYSESLAT, personal consultation with content-area teachers and ELL instructor about the possibility for placements in beginner, intermediate, and advanced classes, scheduling meeting with parents to explain and/or discuss the decision for placement and during parent-teacher conferences to where student's progress is discussed in the parent's native language (L1).

5. After reviewing the Parent Survey and Program Selection forms for the past few years, the trend that I have been observing in the program choices parents seemed to be requesting are in the following order: first choice is Freestanding ESL, second choice Transitional Bilingual, and third is Dual Language.

6. The program model offered for the acquisition of another language at Eagle is very much aligned with the parent's request here.

Part IV: ELL Programming

A. Programming and Scheduling Information

1. How is instruction delivered?
 - a. What are the organizational models (e.g., Departmentalized, Push-In [Co-Teaching], Pull-Out, Collaborative, Self-Contained)?
 - b. What are the program models (e.g., Block [Class travels together as a group]; Ungraded [all students regardless of grade are in one class]; Heterogeneous [mixed proficiency levels]; Homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.
4. How do you differentiate instruction for ELL subgroups?
 - a. Describe your instructional plan for SIFE.
 - b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs.
 - c. Describe your plan for ELLs receiving service 4 to 6 years.
 - d. Describe your plan for Long-Term ELLs (completed 6 years).
 - e. Describe your plan for ELLs identified as having special needs.

Paste response to questions 1-4

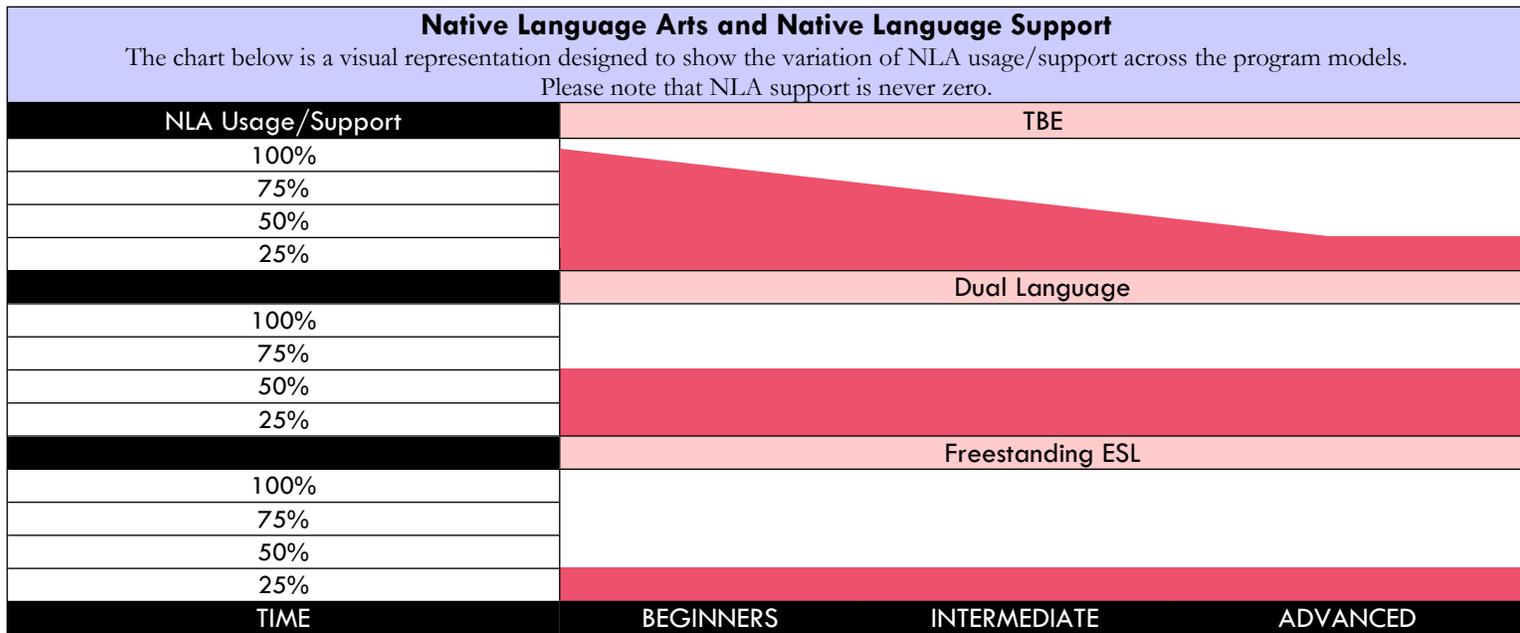

1. The organizational model to be used in our school to assist ELLs is the Self-contained as well as push-in classes.
 - a. Block
 - b. Ungraded
 - c. Homogeneous
2. Besides having block schedules for language acquisition, content-area subjects include ESL strategies within their daily lesson delivery.
 - a. The explicit ESL instructional number of minutes delivered by the program in our school (Freestanding) model as per CR Part 154 will be divided in the following:
 - beginners - 600 minutes of language acquisition instruction per week
 - intermediate- 450 minutes of language acquisition instruction per week
 - advanced- 225 minutes of language acquisition instruction
3. The instructional approach in the ESL Freestanding model are: Whole Language, TPR, LEA, and CALLA.
4. Students enrolled in Eagle Academy will be taught by teacher using their zone of proximal development. These students will receive an appropriate level and their instruction will be differentiated from others in their classroom based on their strength and needs.

NYS CR Part 154 Mandated Number of Units of Support for ELLs, Grades K-8

	Beginning	Intermediate	Advanced
ESL instruction for <i>all</i> ELLs as required under CR Part 154	360 minutes per week	360 minutes per week	180 minutes per week

ELA instruction for <i>all</i> ELLs as required under CR Part 154			180 minutes per week
FOR TBE /DL PROGRAMS: Native Language Arts	60-90 minutes per day	45-60 minutes per day	45 minutes per day

NYS CR Part 154 Mandated Number of Units of Support for ELLs, Grades 9-12			
	Beginning	Intermediate	Advanced
ESL instruction for <i>all</i> ELLs as required under CR Part 154	540 minutes per week	360 minutes per week	180 minutes per week
ELA instruction for <i>all</i> ELLs as required under CR Part 154			180 minutes per week
FOR TBE /DL PROGRAMS: Native Language Arts	45 minutes per day	45 minutes per day	45 minutes per day

B. Programming and Scheduling Information--Continued

5. Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
6. Describe your plan for continuing transitional support (2 years) for ELLs reaching proficiency on the NYSESLAT.
7. What new programs or improvements will be considered for the upcoming school year?
8. What programs/services for ELLs will be discontinued and why?
9. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
10. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?
11. How is native language support delivered in each program model? (TBE, Dual Language, and ESL)
12. Do required services support, and resources correspond to ELLs' ages and grade levels?
13. Include a description of activities in your school to assist newly enrolled ELL students before the beginning of the school year.
14. What language electives are offered to ELLs?

Paste response to questions 5-14

5. One of the targeted interventions we will use for ELLs to support learning in the content-areas is to develop lessons which focuses on the discussions that will take place in other content-areas. Provide content-area teachers with ESL strategies they can use with the ELLs in their classes. Also, assist the ELLs individually in the class with the content-area work that they may find challenging. Finally, align the formal assessments to mirror the state and local for ESL tests and for other subject-area content.
6. The plan for continuing transitional support for the ELLs who are reaching the level of proficiency on the NYSESLAT is to continue providing a myriad of drill practices on test taking skills like: reading, writing, listening, and speaking to be able to reach the level of proficiency on the state assessment (NYSESLAT).
7. Plan several trainings to improve the instruction of English as a second language. Make the instruction more global; for example, one of the practices that we want to pursue with students is to make them aware that they are not alone in learning English as a second language through the showing of videos where young-adults from all over the world like themselves are learning how to speak English. Also, taking students outside of the school and into other academic settings where they can work and assist younger learners; therefore, improving their acquisition of the target language, thus lowering their own affective filter.
8. No existing program will be discontinued.
9. ELLs can equally participate in all in-and-after school activities. Some of these activities are academic, language instruction, tutoring, step team, volunteering, athletic competition, photography club, college, museum, and/or school trips, and dance.
10. In the Freestanding ESL Model teachers are sensible to the student's first language and culture which allows them to acquire English systematically and to move cumulatively from the concrete to the abstract levels of the English language in a sparingly manner. PowerPoint presentations are useful because the instruction can present important information in bullet points rather than the entire text. The use of images could be powerful in assisting students in understanding the meaning of different words. QTEL (Quality for teaching English learners) is another academic program that we'll use to teach language content and skills in the English language to English language learners. Achieving on the NYSESLAT which assists ELLs in providing guided practices of the skills they will be tested on the NYSESLAT.
11. Fortunately, our school is providing other related services like: speech, resource, and counseling to assist the ELLs and the rest in the population of the school.
12. One of the activities we do for newcomers is to invite them to participate in our Summer Bridge Program. In the Summer Bridge Program, new ELLs are provided with insights about school policies, academic expectations and the curriculum, weeks before the official beginning of the school year. Students engaged in a myriad of activities that will foreshadow what their academic year has in-store for them. This program gives ELLs the opportunity to meet all of their teachers and address any concerns they have about the curriculums, strategies used in implementing the curriculums, lessons, evaluations, and what types of support [teachers] will be providing.here

C. Schools with Dual Language Programs

1. How much time (%) is the target language used for EPs and ELLs in each grade?
2. How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?
3. How is language separated for instruction (time, subject, teacher, theme)?
4. What Dual Language model is used (side-by-side, self-contained, other)?
5. Is emergent literacy taught in child's native language first (sequential), or are both languages taught at the same time (simultaneous)?

Paste response to questions 1-5 here

D. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
3. Describe the minimum 7.5 hours of ELL training for all staff (including non-ELL teachers) as per Jose P.

Paste response to questions 1-3

Social and emotional factors will be addressed in PD in regard to the LEP population. In our school we have a number of students coming from Africa and coming from a place of conflict, and war. Other students may have been here for quite some time and have begun to assimilate to American culture. Each are very different in terms of their needs and concerns. The wide diversity of backgrounds, beliefs, and experiences require us as educators to acquire skills in avoiding stereotypes, recognizing individual and cultural differences and developing cross cultural communication. Different strategies in learning to assess the needs of each student will be focused on. here

E. Parental Involvement

1. Describe parent involvement in your school, including parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

Paste response to questions 1-4 Our findings inform us that a significant segment of families require letters that are translated in Spanish as well as interpreters for parent meetings. We have several staff members who are bilingual and can provide translation in Spanish and French. We have a computer software program (Easy Translator) that translates documents from English to Spanish. Our PD plans will be ongoing throughout the year as we see the need.

B. After reviewing and analyzing the assessment data, answer the following

1. Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How can this information help inform your school’s instructional plan? Please provide any quantitative data available to support your response.
2. What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
3. How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions?
4. For each program, answer the following:
 - a. Examine student results. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
 - b. Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
 - c. What is the school learning about ELLs from the Periodic Assessments? How is the Native Language used?
5. For dual language programs, answer the following:
 - a. How are the English Proficient students (EPs) assessed in the second (target) language?
 - b. What is the level of language proficiency in the second (target) language for EPs?
 - c. How are EPs performing on State and City Assessments?
6. Describe how you evaluate the success of your programs for ELLs.
