

**Department of
Education**

Dennis M. Walcott, Chancellor

2011-2012 COMPREHENSIVE EDUCATIONAL PLAN (CEP)

SCHOOL NAME : CRISPUS ATTUCKS ELEMENTARY SCHOOL

DBN (DISTRICT/ BOROUGH/ NUMBER I.E. 01M000): 16K021

PRINCIPAL: MR. HAROLD ANDERSON EMAIL: HANDERS@SCHOOLS.NYC.GOV

SUPERINTENDENT: EVELYN SANTIAGO

SCHOOL LEADERSHIP TEAM (SLT) SIGNATURE PAGE

Use this page to identify SLT members and confirm their participation in the development of this Comprehensive Educational Plan (CEP), which includes goals and action plans, a summary of Academic Intervention Services, and the Parent Involvement Policy. The signatures of SLT members indicate their participation in the development of the CEP and serve as confirmation that consultation has occurred to align funding in support of educational programs. The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with the Chancellor’s Regulation A-655, available on the [NYC DOE Web site](#).

Directions:

1. List each SLT member in the left-hand column on the chart below. Specify any position held by the team member, e.g., Chairperson, SLT Secretary and the constituent group represented, e.g., parent, staff, student, or CBO. Core mandatory SLT members are indicated by an asterisk*.
2. Ensure that SLT members review this document and sign in the right-hand column in blue ink. If an SLT member does not wish to sign this plan, he/she may attach a written explanation in lieu of his/her signature.
3. Add rows as needed to ensure that all SLT members are listed.
4. The original copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Harold Anderson	*Principal or Designee	
Regina Bufford	*UFT Chapter Leader or Designee	
Mollita Muhammad	*PA/PTA President or Designated Co-President	
	DC 37 Representative, if applicable	
	<i>Student Representative (optional for elementary and middle schools; a minimum of two members required for high schools)</i>	
	CBO Representative, if applicable	
Leslie Frazier	Member/Admin/CSA	
Carla Arnold	Member/UFT	
Koren Robinson	Member/UFT	
Magali Flowers	Member/UFT	
Michael Kingsberry	Member/PTA	
Caroline Worrell	Member/PTA	
April Nesbitt	Member/PTA	
Alexis Sicard	Member/PTA	
Deidre Titus	Member/PTA	

DIRECTIONS AND GUIDANCE FOR COMPLETING THE ANNUAL GOALS AND ACTION PLAN SECTION

The CEP goal-setting process serves both to support the identification and implementation of school-wide goals as well as to document how your school is meeting Federal, State, and City regulations.

As a result of principal feedback on this process, the CEP has been significantly streamlined to reduce the amount of time spent fulfilling requirements and to allow schools to focus on goal-setting and instructional priorities. The goal and action plan section, contained on pages 4 through 8 of this template, now serves as the central work of the CEP process and reflects a consolidation of numerous CEP requirements from prior years.

Below you will find guidance on documenting annual goals and action plans.

WHICH SCHOOLS NEED TO COMPLETE THIS?

- All schools should identify and submit annual goals and action plans in consultation with their School Leadership Team.

HOW DO CEP GOALS RELATE TO GOALS SET FOR THE PRINCIPAL PERFORMANCE REVIEW (PPR)?

- CEP goals are generally intended to guide school-wide planning and development. CEP goals may be adapted from goals set by the principal for the Principal Performance Review (PPR) if they are appropriate for use as school-wide goals.

HOW SHOULD A SCHOOL DEVELOP ITS GOALS AND ACTION PLANS?

- Your school should identify a minimum of three and a maximum of five annual goals.
- Goals should be “SMART” - specific, measurable, achievable, realistic, and time-bound.
- Goal development should be based on an assessment of your school’s needs.
- Your school should demonstrate the use of both qualitative and quantitative data in providing the rationale for each goal. Cite sources that contributed to the rationale, such as the Progress Report, Quality Review, School Survey, State Differentiated Accountability report (SQR, ESCA, or JIT), state and school assessment results, attendance records, inquiry team work, etc.
- Each goal and action plan requires your school to cite the strategies and activities in your Parent Involvement Policy (PIP) that will be implemented to achieve the goal identified. The PIP template is provided on pages 11 through 15. Your school is encouraged to use the template as it is provided, or align it in accordance with your school’s goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to respond to the parental involvement section of each goal and action plan.
- Schools designated as Improvement, Corrective Action, Restructuring, and/or PLA/SURR by the New York State Education Department must identify a goal and complete an action plan related to improving student outcomes for the specific subject area and subgroups identified for improvement. For each subject area identified, a goal and action plan is required.

ANNUAL GOAL #1 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #1

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

80% of students in grades Pre-K to 5 will demonstrate progress by showing improvement across a continuum on teacher developed grade specific rubrics (pre-assessment to post-assessment) based on bi-monthly teacher created tasks aligned to the Common Core ELA Reading Standards for Literature and Informational Text.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

Based on our year long collaborative Inquiry Focus on "Improving Student Writing" in grades K-5, along with the Item Skills Analysis Report of the 2010-2011 New York State assessment, our students showed a deficit in the following areas:

1. using relevant examples, reasons, and explanations to support ideas
2. using details from stories or informational text to predict, explain, or show relationships between information and events

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.
- We will ensure that at least 50% of ELA instruction utilizes nonfiction literature.
- The following strategies/activities will be utilized: differentiation of instruction based on pre-assessment data; use note taking and graphic organizers to record information and ideas, recalled from stories read aloud; use research/inquiry based Common Core aligned writing tasks to support the understanding of characters and events; use debating strategies to connect and elaborate on ideas, write opinion pieces supporting a point of view with reasons and information.
- "Book of the Month" across all grades will incorporate a variety of nonfiction literature. Teachers will also be encouraged to use nonfiction e-books as part of their guided reading instruction, and other Common Core aligned text-based support.
- During bi-weekly grade meetings, teachers are afforded the opportunity to analyze data, with support from the data specialist, and to plan collaboratively with maximum efficacy, for instruction.

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.

Presently, our school data reflects 98% highly qualified teachers. Our school is in the process of assigning this teacher to their licensed area.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.

Through our "Wellness Team" and grade meetings, we continue to conduct needs assessment in the area of guidance and counseling, and academics. We also provide academic instruction through push in/ pull-out, extended day and Saturday Academy.

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

Title I funding is used for push-in/pull-out program and Fair Student Funding is used for guidance, counseling, extended day and Saturday Academy. NYSTL funding will support an increase of nonfiction library books and technology hardware and software.

ANNUAL GOAL #2 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #2

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.
80% of students in grades Pre-K to grade 5 will show progress in applying mathematical reasoning, knowledge, and skills in problem-solving situations and supporting their solutions using appropriate mathematical language, procedure and representation.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

Based on data from the 2011 NYS assessment, NYS Common Core Shifts, Beginning of Year teacher criterion referenced test, our students' responses reflect some misunderstanding of the underlying mathematical concepts and/or procedures, and partially addressed aspects of the tasks. Improvement in these areas will increase the number of points gained in the constructed response portion of assessments.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,

d) timeline for implementation.

- The following strategies/activities will be utilized: differentiation of instruction based on pre-assessment data; pull-out/push-in by AIS providers; math journals to reinforce the use of appropriate mathematical language enabling students the opportunity to write responses that apply sound mathematical reasoning.
- Through real life situations, students will choose efficient strategies, use deductive arguments to justify decisions *and* utilize abstract or symbolic mathematical representations to analyze relationships.
- During bi-weekly grade meetings, teachers analyze data, with support from the data specialist, and plan collaboratively with maximum efficacy, for instruction.

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.
Presently, our school data reflects 98% highly qualified teachers. Our school is in the process of assigning this teacher to their licensed area.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.
Through our "Wellness Team" and grade meetings, we continue to conduct needs assessment in the area of guidance and counseling, and academics. We also provide academic instruction through push in/ pull-out, extended day and Saturday Academy.

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.
Title I funding is used for push-in/pull-out program and Fair Student Funding is used for guidance, counseling, extended day and Saturday Academy. NYSTL funding will support an increase of nonfiction library books and technology hardware and software.

ANNUAL GOAL #3 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #3

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.
To increase the number of students attending school by 1%.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

Our school has been experiencing a steady decrease of 0.5% attendance over a three year period.

According to our 2010-2011 Progress Report, we were awarded 2.5 of the 5 points therefore our goal is to maximize the number of points in this area.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.
- Our Attendance team and Coordinator will monitor monthly attendance of all students.
- Our Outreach Family Assistant will contact parents/guardians of students who are absent 4 to 5 days in a 3 month period by phone, letter and/ or by home visit. A multi-pronged approach will be used to offer awards/ incentives such as: trophies, attendance parties, and visual recognition with the Attendance Honors bulletin board.
- A class on each grade level is recognized for attaining the highest monthly attendance, and one class is highlighted for school wide monthly attendance.

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.

N/A

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.
- Our Pupil Personnel Committee (PPC), consisting of: guidance counselor, social worker, school psychologist, attendance coordinator, family worker and administrators identify temporarily housed students as well as "at risk" students who may adversely impact our attendance, and develop an individualized action plan to improve attendance. The social worker provides referrals to outside agencies when additional state and local services are needed.

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.
- Title I and Fair Student Funding are used to support salaries of guidance counselor, social worker and attendance coordinator.

ANNUAL GOAL #4 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #4

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

ANNUAL GOAL #5 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #5

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

ACADEMIC INTERVENTION SERVICES (AIS)

On the chart below, indicate the total number of students receiving AIS in each area listed for each applicable grade in your school.

Identified groups of students who have been targeted for AIS, and the established criteria for identification include:

- Students in Grades K – 3 who are considered at-risk for not meeting State standards as determined by their performance on ECLAS 2 or other identified assessments, or who have been identified as potential holdovers.
- Students in Grades 4 – 8 who are performing at Level 1 or Level 2 on New York State English language arts (ELA), mathematics, science, and social studies assessments.
- Students in Grade 9 who performed at Level 1 or Level 2 on NYS Grade 8 ELA, mathematics, science, and social studies assessments.
- Students in Grades 10 – 12 who scored below the approved passing grade on any Regents examination required for graduation in English language arts, mathematics, science, and social studies.

	ELA	Mathematics	Science	Social Studies	At-risk Services: Guidance Counselor	At-risk Services: School Psychologist	At-risk Services: Social Worker	At-risk Health-related Services
	# of Students Receiving AIS	# of Students Receiving AIS	# of Students Receiving AIS	# of Students Receiving AIS				
K	26	26	N/A	N/A	6	10	3	
1	51	51	N/A	N/A	7	16	6	
2	43	43	N/A	N/A	4	6	3	
3	30	30	N/A	N/A	3	7	5	
4	48	48			5	6	4	
5	53	53			3	5	7	
6								
7								
8								
9								
10								
11								
12								

On the chart below, provide a brief description of each of the Academic Intervention Services provided, and include:

1. type of program or strategy (e.g., Wilson, Great Leaps, etc.),
2. method for delivery of service (e.g., small group, one-to-one, tutoring, etc.),
3. when the service is provided (i.e., during the school day, before or after school, Saturday, etc.).

Name of Academic Intervention Services (AIS)	Description
ELA	<p>Response to Intervention (RTI) is conducted during the following sessions: pull-out/push in and one-to-one instruction during the school day, Extended Day After School program, Early Bird Extended Time, and Saturday Academy. Small group sessions are held, using differentiation strategies. The following programs/materials are utilized: Targeted Reading Intervention, Weekly Reader, Foundations, i-Ready, Acuity, Buckle Down to NYS Common Core, Award Reading, scholastic.com, read-write-think.org</p>
Mathematics	<p>Response to Intervention (RTI) is conducted during the following sessions: pull-out/push in during school day, Extended Day After School program, Early Bird Extended Time, and Saturday academy. Small group sessions are held, using differentiation strategies. The following programs/materials are utilized: V-Math, Targeted Mathematics intervention, A+math.com, coolmath.com, brainectics.com.</p>
Science	
Social Studies	
At-risk Services provided by the Guidance Counselor	<p>Behavior modification and conflict resolution are strategies used to assist students with coping mechanisms and development of social skills. Students are seen individually and in group sessions weekly, in 6-8 weeks cycles.</p>
At-risk Services provided by the School Psychologist	<p>During the school day, classroom observations are conducted to provide teachers and students with behavior modification strategies, as well as one-to-one counseling sessions with students and their parents.</p>
At-risk Services provided by the Social Worker	<p>Grief counseling and family/crisis intervention are services provided for students and families who are identified by administration and teachers.</p>

At-risk Health-related Services

Through data collected on students from the NYC “Fitnessgram Program”, nutritional classes are provided bi-monthly by the physical education teacher on healthy eating habits and exercise routines. Studio at School- Arts and Healthy Living program provides fourth graders with strategies for healthy eating through creative arts. Our school nurse also supports health related services through the Healthy Options and Physical Exercise in Schools (HOP) Program.

**DIRECTIONS AND GUIDANCE FOR DEVELOPING OR UPDATING
THE PARENT INVOLVEMENT POLICY (PIP)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements.

The PIP should describe how your school will plan and implement effective parent involvement activities to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

PARENT INVOLVEMENT POLICY (PIP)

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. Our school will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math, references to educational websites and use of technology to access ARIS, Acuity, city and state education websites;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children through parent workshops in ELA, Mathematics, test prep, "Wellness Team", parent teacher conferences, PTA meetings, school website;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress, through home visits, school wide events, parent teacher conferences,;
- providing assistance to parents in understanding City, State and Federal standards and assessments through monthly workshops, PTA meetings, scheduled weekly parent teacher conferences;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency through ongoing relationships with our community based organizations i.e Bedford Stuyvesant Restoration Corporation;

Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with

disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, our school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact ;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to schools to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in our Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act (Our school is a School Wide Program SWP);
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;

- translate all critical school documents and provide interpretation during meetings and events as needed;
- conduct an Annual Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

Our school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- hosting events to support, men asserting leadership in education for their children. parents/guardians, grandparents and foster parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand;

SCHOOL-PARENT COMPACT

Our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

I. School Responsibilities

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- Small class reduction;
- AIS through small group instruction, Saturday Academy and Extended day classes are provided to ensure student learning
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;

- distribute parent communication logs monthly to inform parents of student progress and short-term goals.
- convening an Annual Title I Parent Meeting prior to December 1st of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents when needed;
- providing parents the opportunity to observe their child's class;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- workshops are conducted in Reading (October 2011 and February 2012) and Mathematics (November 2011 and March 2012) in the morning for parents to observe lessons and acquire strategies to assist their children at home
- arranging opportunities for parents to receive training to volunteer in the school;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences, academic workshops, Parent Appreciation Breakfast;

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities twice yearly;
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

II. Parent/Guardian Responsibilities:

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Teacher Association or Parent or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School Leadership Team and/or CEC District meetings;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn;
- Maximize opportunities for learning during academic and extra-curricular activities.

**OFFICE OF ENGLISH LANGUAGE LEARNERS
GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM
2011-12**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This LAP form, an appendix of the CEP, also incorporates information required for CR Part 154 funding so that a separate submission is no longer required. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, hold your cursor over the [?](#).

Part I: School ELL Profile

Number of certified ESL teachers	0	Number of certified bilingual teachers	1	Number of certified NLA/foreign language teachers	0
Number of content area teachers with bilingual extensions	0	Number of special education teachers with bilingual extensions	0	Number of teachers of ELLs without ESL/bilingual certification	0
Number of teachers who hold both a bilingual extension and ESL certification	0	Number of teachers currently teaching a self-contained ESL class who hold both a common branch license and ESL certification	0		

D. School Demographics

Total number of students in school	653	Total Number of ELLs	4	ELLs as share of total student population (%)	0.61%
------------------------------------	------------	----------------------	----------	-----------------------------------------------	--------------

Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [[see tool kit](#)].)
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
5. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
6. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. 

1. HPart II: ELL Identification Process

1. These are the steps for the initial identification of the students who may possibly be ELLs at this school which includes screening , initial assessment, program placement and annual assessments: The first step is upon registration the parents complete the Home Language Identification (HLIS) form and Ethnic Survey with the assistance of the ESL Coordinator , Ms. Flowers. Translation and Interpretation services are provided upon request with the completion of the registration process. We have staff in our school that read, write and speak Spanish and Creole and are available for translation. In the event that a staff member is not available to translate or the DVD does not come in the language spoken by the parent, then the translation services unit will be contacted. Next, the ESL will determine the new admits' home language and if they are eligible for LAB-R testing by conducting an informal interview in native language and English. Then the parents are informed about their options upon the three program choices – ESL , Dual Language or Bilingual Transitional and have the opportunity to watch the DVD in their native language and complete the Parent Survey & Program Selection form.

Within the first ten days of enrollment, the new admits that are entitled are tested with LAB-R by the ESL Teacher using the RLER report via ATS. If the new admits with native language of Spanish do not test out with the LAB-R, they are also tested with the Spanish Lab within the first ten days of enrollment by the ESL teacher. A parent orientation will be conducted in their native language via DVD or internet link. An oral interview with the parent and/or student will also take place to determine eligibility and the student will be placed in a program. Afterwards, the ESL Teacher will assist the Pupil Accounting Secretary in the input of the correct home language using the information from the HLIS for each new admit and place them in the appropriate program. In the spring, NYSESLAT will be administered to the ELLs and students are supported by Ms. LeBron, Bilingual Certified Teacher.

2. What structures are in place at your school to ensure that parents understand all three program choices?

Parents are informed of the student's eligibility status in their native language or by an interpreter. The parents are invited to attend an orientation (documents are available in various native languages and interpreters are available to assist parents) on the various bilingual programs (Transitional Bilingual, Dual Language, and Freestanding ESL). Parents view the DVD that provides information on the availability of services. Entitlement letters, parent survey letters, and program selection forms are provided after orientation and reviewed, discussed and collected after orientation sessions. The original documentation is kept in the student's cumulative record and a copy is given to the Assistant Principal. The trend for program selection has been Freestanding ESL based on reviewing parent survey forms and program selection documents for the past few years. Our school has a very small population of mandated students and the program model offered is in alignment with parents' requests. This entire process is conducted within 10 days of admittance.

3. Each year, the school's ESL Coordinator will compile the entitlement letters once the LAB-R, Spanish Lab and/or NYSESLAT results confirmed that the students are entitled and continuing ELLs. The entitlement letters (translated in parents' preferred language) are sent home, a copy of the letter is kept on file in the office. After the orientation, the ESL Coordinator will collect the Parent Survey

and Program Selections forms that are completed and returned after viewing of the DVD in their native language. Once completed, the ESL Coordinator will place them on file in the office.

4. The criteria used to place identified ELLs students in bilingual or ESL instructional programs is that once the student is identified as an ELL, he or she is placed in a program based on the Parent Survey and Program Selection form completed by the parents and/or consultation (translation provided upon request) with parents upon registration. If the Parent Survey and Program Selection form have not been completed nor returned, then the school will continue outreach to the parent and the current Free Standing ESL Program will be provided in consultation with the parent/guardian.

5. After viewing the Parent Survey and Program Selection forms for the past few years, the students vary in languages due to changes in neighborhood population and due to limited ELLs in the school there really is no majority of students' (Spanish, Hatian Creole and Arabic) languages as the trend but the maximum population of ELLs has been usually two to four students in the past few years.

6. The Free Standing ESL Program is in alignment with Parent Choice Surveys and Parent Selection. This is based on parents understanding and the parent orientation provided.

Part III: ELL Demographics

A. ELL Programs

This school serves the following grades (includes ELLs and EPs)
Check all that apply

K* 1* 2* 3* 4* 5*
6* 7* 8* 9* 10* 11* 12*

This school offers (check all that apply):

Transitional bilingual education program	Yes <input checked="" type="radio"/>	No <input type="radio"/>	If yes, indicate language(s):
Dual language program	Yes <input checked="" type="radio"/>	No <input type="radio"/>	If yes, indicate language(s):

Provide the number of classes for each ELL program model at your school. For all-day programs (e.g., Transitional Bilingual Education, Dual Language, and Self-Contained ESL), classes refer to a cohort of students served in a day. For push-in ESL classes, refer to the separate periods in a day in which students are served. Departmentalized schools (e.g., high school) may use the self-contained row.

ELL Program Breakdown														
	K	1	2	3	4	5	6	7	8	9	10	11	12	Tot #
Transitional Bilingual Education <small>(60%:40% → 50%:50% → 75%:25%)</small>														0

Part IV: ELL Programming

A. Programming and Scheduling Information

1. How is instruction delivered?
 - a. What are the organizational models (e.g., Departmentalized, Push-In [Co-Teaching], Pull-Out, Collaborative, Self-Contained)?
 - b. What are the program models (e.g., Block [Class travels together as a group]; Ungraded [all students regardless of grade are in one class]; Heterogeneous [mixed proficiency levels]; Homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.
4. How do you ensure that ELLs are appropriately evaluated in their native languages?
5. How do you differentiate instruction for ELL subgroups?
 - a. Describe your instructional plan for SIFE.
 - b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs.
 - c. Describe your plan for ELLs receiving service 4 to 6 years.
 - d. Describe your plan for long-term ELLs (completed 6 years).
6. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?
7. How does your school use curricular, instructional, and scheduling flexibility to meet the diverse needs of ELL-SWDs within the least restrictive environment?

1. Our students are supported by Maria Lebron, licensed Bilingual Teacher using a push-in model to support all mandated students in 16K021. The students are grouped based his/her level of proficiency in ELA based on MCLASS assessment data and the LAB R and/or NYSESLAT scores. The program model is Free Standing ESL Pull Out Model.

2. All ELL students are held to the same high academic expectations and standards as the monolingual students. All students participate in a ninety minute literacy block, which incorporate the components of the balanced literacy program: read aloud, shared reading, guided reading, partner reading and writing workshop in ELAS. In the ESL pull out program students are provided with additional support in the four modalities: speaking, listening, reading, and writing. The ESL instructor works collaboratively with other teachers to provide supplemental materials and differentiation during this time. Mandated minutes are provided for the beginners and intermediates (360 minutes per week).

As per CR-Part 154 Beginner and Intermediate students are mandated to receive 360 minutes of ESL instruction in English Language Arts. This student receives services at various times during the week as follows: Monday-0 period (40 minutes), Period 6 &7 (120 minutes), Tuesday -0 Period (40 minutes), Period 6&7 (120 minutes), Wednesday (40 minutes)

3.

Maria Lebron, teacher provides mandated support to the students based on data driven instruction (review of student Acuity Assessment scores, data analysis of sub skills and student work products). New York State Standards at each grade level are used to drive the core

A. Programming and Scheduling Information

curriculum along with pacing calendars and curriculum maps to ensure a quality education for mandated student in all of the content areas. ESL instructional methodology and techniques are used to provide assistance in cognitive language acquisition skills for this student. Bilingual dictionaries , technology, buddy system and classroom libraries support native language instruction across all content areas. On going assessments and measurable goals help to make content comprehensive in order to enrich language development. Scaffolding strategies are used to support the ELLs through modeling, bridging and contextualization.

4.

a. Currently we do not have students who are eligible for SIFE. If we had, the instructional plan for SIFE would be one which incorporates at risk counseling services provided by the Guidance Counselor/ ESL Coordinator: Magali Flowers.

b. For students with less than 3 years in the US cooperative play is used as a technique to strengthen social skills as well as self esteem. Lunchroom clubs are facilitated by the guidance counselor to support peer mediation and assimilation to the new environment.

c/d. At this time we do not have any ELLs receiving service four to six years or Long Term ELLs. The support provided would include mandated services, academic intervention services during extended day, thirty-seven and a half minutes and Saturday Academy to support increased academic outcomes. At risk counseling would be provided to support students with coping skills and focus students on healthy social emotional development. Individualized assessments would take place to provide support in the needed sub skills using data driven instruction.

e. ELLs identified as having special needs would be supported in their mandated setting as well as with additional support by Ms. Le Bron providing ESL support using ESL methodologies and techniques. Classroom teachers and AIS tteachers would provide Tier 2 and 3 Response to Intervention. The IEP Liaison will identify students with IEPs in need of mandated ESL support and confer with parents regarding student support and collaboration with teachers. If necessary paraprofessional services would be requested to support the learners. The students would receive their mandated serving accrodg to their LABR and/or NYSESLAT results. The ESL Providers record "First Attendance Reporting System for ESL and record student attendance on SESIS. Testing accomodations and related services (PT,OT, Speech, SETSS, and/or Counseling) will be provided according to their IEPs. Technology will be provided and utilized to enrich and support ELLs with disabilities.

Courses Taught in Languages Other than English ⓘ

NOTE: This section refers to classes/subject areas in which the language of instruction is English and another language which all students in the class speak. Do not include:

- classes that are taught in English using books in the native language
- heritage classes
- foreign language (LOTE) classes

Class/Content Area	Language(s) of Instruction		Class/Content Area	Language(s) of Instruction
Native Language Arts	N/A for all areas			
Social Studies:				
Math:				
Science:				

NYS CR Part 154 Mandated Number of Units of Support for ELLs, Grades K-8

	Beginning	Intermediate	Advanced
ESL instruction for <i>all</i> ELLs as required under CR Part 154	360 minutes per week	360 minutes per week	180 minutes per week
ELA instruction for <i>all</i> ELLs as required under CR Part 154			180 minutes per week
FOR TBE /DL PROGRAMS: Native Language Arts	60-90 minutes per day	45-60 minutes per day	45 minutes per day

NYS CR Part 154 Mandated Number of Units of Support for ELLs, Grades 9-12

	Beginning	Intermediate	Advanced
ESL instruction for <i>all</i> ELLs as required under CR Part 154	540 minutes per week	360 minutes per week	180 minutes per week
ELA instruction for <i>all</i> ELLs as required under CR Part 154			180 minutes per week
FOR TBE /DL PROGRAMS: Native Language Arts	45 minutes per day	45 minutes per day	45 minutes per day

Native Language Usage and Supports

The chart below is a visual representation designed to show the variation of native language usage and supports across the program models. Please note that native language support is never zero.

TBE and dual language programs have both native language arts and subject areas taught in the native language; ESL has native language supports.

B. Programming and Scheduling Information--Continued

8. Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
9. Describe your plan for continuing transitional support (2 years) for ELLs reaching proficiency on the NYSESLAT.
10. What new programs or improvements will be considered for the upcoming school year?
11. What programs/services for ELLs will be discontinued and why?
12. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
13. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?
14. How is native language support delivered in each program model? (TBE, Dual Language, and ESL)
15. Do required services support, and resources correspond to ELLs' ages and grade levels?

B. Programming and Scheduling Information--Continued

8. Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
9. Describe your plan for continuing transitional support (2 years) for ELLs reaching proficiency on the NYSESLAT.
10. What new programs or improvements will be considered for the upcoming school year?
11. What programs/services for ELLs will be discontinued and why?
12. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
13. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?
14. How is native language support delivered in each program model? (TBE, Dual Language, and ESL)
15. Do required services support, and resources correspond to ELLs' ages and grade levels?
16. Include a description of activities in your school to assist newly enrolled ELL students before the beginning of the school year.
17. What language electives are offered to ELLs?

8. English is the principle language used to instruct the students. Students are given opportunities to improve vocabulary skills and comprehension skills in all content areas using fiction and nonfiction text, hands on activities in math and science using manipulatives, math games, and lab activities. Students read historical fiction and nonfiction texts in content areas. Students use role playing, video and Achieve 3000 and iReady reading software to reinforce comprehension skills. The development of phonemic awareness, vocabulary development, fluency and comprehension for ELLs is support through Macmillan McGraw-Hill. This program uses small group instruction and direct, explicit instruction in the acquisition of skill sets.

9

When students reach proficiency on the NYSESLAT they continue to receive Tier 2 intervention with Aretha Marshall, AIS provider. This entails continued support in reading and writing using a Reading Program to build comprehension skills, vocabulary in content, and reading/writing strategies. Achieve 3000 will also be used to focus on the student instructional levels for reading and incorporate additional writing exercise incorporating the use of informational text and the work on persuasive writing assignments in keeping with the Common Core Learning Standards.

10

Macmillan McGraw-Hill Treasures Reading Program will be used to build comprehension skills, vocabulary in content, and reading/writing strategies. This program will be used based on the structure of this reading which also provides support for ELLs in its design to improve vocabulary development and academic language acquisition.

11. There are no programs or services discontinued.

No programs will be discontinued

12. ELLs are afforded equal access to all school programs because all students are invited to participate. notices are sent home and programs are introduced and discussed at parent teacher conferences, parent orientation, curriculum nights, and pta meetings. All students are encouraged to participate in sports teams, robotics, cheer leading and various other clubs in the school provided during lunch. ELLs are afforded equal access to all school programs during our extended day program through tryouts or by assignment:

13. Students use Achieve 3000 and iReady reading software to reinforce comprehension skills. The development of phonemic awareness, vocabulary development, fluency and comprehension for ELLs is support through Macmillan McGraw-Hill. This program uses small group instruction and direct, explicit instruction in the acquisition of skill sets.

14. Native Language support is delivered in the Freestanding ESL Model through the use of translated material including dictionaries, books and early reading literacy books. Beginning level students are given help from other students as well as other staff speaking in their native language.

15

Yes, required support services and resources are age and grade appropriate.

16

In order to assist the smooth transition of newly enrolled ELL students before the beginning of the school year, parents attend a school

B. Programming and Scheduling Information--Continued

This program uses small group instruction and direct, explicit instruction in the acquisition of skill sets.

14. Native Language support is delivered in the Freestanding ESL Model through the use of translated material including dictionaries, books and early reading literacy books. Beginning level students are given help from other students as well as other staff speaking in their native language.

15

Yes, required support services and resources are age and grade appropriate.

16

In order to assist the smooth transition of newly enrolled ELL students before the beginning of the school year, parents attend a school

E. Parental Involvement

1. Describe parent involvement in your school, including parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

The data shows that there are many benefits of parent involvement in their children's education from high self esteem to high academic success. Parental involvement is encouraged and supported here at Chrispus Attucks Community School. The relationship between this school and the community is vital. Our parents take every opportunity to become actively involved in the education of their children. Parents have opportunities to volunteer and participate in assemblies, workshops, curriculum nights, career days, science fairs, field trips and also provide translation services at these events. The parent coordinator provides assistance to parents on parenting skills, homework help, technology and life skills. Parents are given training to use ARIS and utilize websites to support student academic progress. CBO's are a welcome partnership at this school. There is a partnership with community groups to support the robotics program, and chess program. The students compete with other schools both public and private across New York State. Parents have the opportunity to become a part of the pta and the school leadership team. The school uses surveys to obtain information on parent needs and to evaluate the activities and workshops. Parents receive notices in several languages in order to stay informed about student activities, workshops and meetings.

C. Schools with Dual Language Programs

1. How much time (%) is the target language used for EPs and ELLs in each grade?
2. How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?
3. How is language separated for instruction (time, subject, teacher, theme)?
4. What Dual Language model is used (side-by-side, self-contained, other)?
5. Is emergent literacy taught in child's native language first (sequential), or are both languages taught at the same time (simultaneous)?

Not Applicable

D. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
3. Describe the minimum 7.5 hours of ELL training for all staff (including non-ELL teachers) as per Jose P.

Professional Development and Support

1/3.

Throughout the year, professional development opportunities are provided for all teaching staff members. It is available in the school community and by the New York City Department of Education. Ongoing professional development has been focused on the analysis of data, differentiated instruction, and data driven instruction for the entire school community to support the needs of ELLs, diverse learners and improve academic outcomes to meet the minimum 7.5 hours. Many professional development opportunities were available through OELL, QTEL, and BETAC. The teachers that attend the professional development turnkey the professional development to the school community.

Professional Development and support for school staff as per Jose P is provided by English Language Learners/Compliance Specialist, of ELL Compliance Specialist, ELL CPS and teacher, Maria Lebron. A variety of professional development opportunities are offered to support teachers in learning how to distinguish, identify and support instruction of ELLs.

2. The teachers and guidance counselors collaborate in order to inform students about the transition process at grade level meetings and faculty conferences. The ELLs Coordinator does outreach to parents along with the parent coordinator to inform the parents about this process so that parents are informed. There are parent workshops and announcements and presentations at parent teacher association meetings.

Students and parents attend articulation workshops provided by Magali Flowers, Guidance Counselor as they transition to middle school.

3.

E. Parental Involvement

1. Describe parent involvement in your school, including parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

The data shows that there are many benefits of parent involvement in their children's education from high self esteem to high academic success. Parental involvement is encouraged and supported here at Chrispus AttucksCommunity School. The relationship between this school and the community is vital. Our parents take every opportunity to become actively involved in the education of their children. Parents have opportunities to volunteer and participate in assemblies, workshops, curriculum nights, career days, science fairs, field trips and also provide translation services at these events. The parent coordinator provides assistance to parents on parenting skills, homework help, technology and life skills. Parents are given training to use ARIS and utilize websites to support student academic progress. CBO's are a welcome partnership at this school. There is a partnership with community groups to support the robotics program, and chess program. The students compete with other schools both public and private across New York State. Parents have the opportunity to become a part of the pta and the school leadership team. The school uses surveys to obtain information on parent needs and to evaluate the activities and workshops. Parents receive notices in several languages in order to stay informed about student activities, workshops and meetings.

Part V: Assessment Analysis

A. Assessment Breakdown

Enter the number of ELLs for each test, category, and modality.

OVERALL NYSESLAT* PROFICIENCY RESULTS (*LAB-R FOR NEW ADMITS)														
	K	1	2	3	4	5	6	7	8	9	10	11	12	TOTAL
Beginner(B)		1	1			1								3
Intermediate(I)														0
Advanced (A)					1									1
Total	0	1	1	0	1	1	0	0	0	0	0	0	0	4

NYSESLAT Modality Analysis														
Modality Aggregate	Proficiency Level	K	1	2	3	4	5	6	7	8	9	10	11	12
LISTENING /SPEAKING	B		1	1			1							
	I													
	A					1								
	B													

B. After reviewing and analyzing the assessment data, answer the following

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How can this information help inform your school's instructional plan? Please provide any quantitative data available to support your response.
- What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
- How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions?
- For each program, answer the following:
 - Examine student results. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
 - Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
 - What is the school learning about ELLs from the Periodic Assessments? How is the Native Language used?
- For dual language programs, answer the following:
 - How are the English Proficient students (EPs) assessed in the second (target) language?
 - What is the level of language proficiency in the second (target) language for EPs?
 - How are EPs performing on State and City Assessments?
- Describe how you evaluate the success of your programs for ELLs.

We use MCLASS data (DIBELS and Reading 3D) to ascertain student reading levels and students are progress monitored every 4 weeks to further assess phonemic awareness and reading behaviors for early literacy. This tool provides insights into student challenges and strengths in phonics and reading skills. The NYSESLAT data shows that students are developing speaking skills faster than reading and writing skills. So this is a major area of focus for this school year (reading and writing). Students have mastered oral expression.

The students are in the beginner and intermediate level of proficiency and the trend implies that reading/writing are the weakest areas for the ELLs in this school. These patterns affect instructional decisions because the data gathered allows teachers to differentiate instruction. Such data helps students when paired with partners or in group configurations so that both students and teacher can form supportive networks of language learning.

In our effort to reach all learners the maximum number of activities are used to touch on all learning styles, and multiple intelligences to support varying levels of English proficiency to improve student outcomes.

Success of the ELL Program is evaluated by multiple variables. Testing and assessment of data plays an important role in monitoring student progress. Student work , teacher observation and annual yearly progress on Acuity ITA's and Predictives are monitored in order to access student improvement. Instructional outcomes are reviewed and discussed with classroom teachers, students and parents in order to

Additional Information

Please include any additional information that would be relevant to your LAP and would further explain your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

This school has a very small population of ELLs and currently has four students. The administration and teachers work diligently through AIS and after school program and Saturday Academy to support all learners. The ELLs are held to the same high expectations for success as the monolingual students.

LANGUAGE TRANSLATION AND INTERPRETATION 2011-2012

CEP Appendix 7

Requirement under Chancellor's Regulations – for all schools

DBN: **16K021** School Name: **Crispus Attucks Elementary School**

Cluster: **1** Network: **110**

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

In order to assess our school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand we use classroom surveys. Classroom surveys gives us an idea of languages spoken written and read in student's homes. We send a survey home to each of our students inquiring as to whether or not the parent or guardian needed translation services for notices sent home. We also took an inventory of the HLIS for the ELLs in our program. We then tabulated the number of parents that spoke languages other than English and determined that there was a need for translation of notices and information about a child's academic performance, ways to increase student achievement and enhance the parents' understanding of academic standards, assessments and tests. We also provide information on parent communication needs in the Language Allocation Plan for the school. The Parent Coordinator and ESL Teacher confer with parents by telephone, and in one to one conferences on their individual communication needs.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

Our school is located in the Bedford Stuyvesant section of Brooklyn. Our two of our students are recent immigrants. We used our classroom surveys, and the inventory of languages from the HLIS to assess the oral language needs of parents. We found that the major language group is English. There are a few parents that speak Spanish and three families that speak Arabic. Staff members in the school community provide support for translation and interpretation support based on their identified language fluency in Haitian Creole and Spanish. This information was reported to the school community through parent teacher association meetings, faculty conferences and grade level meetings.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

We assessed the number of parents who needed translation services to effectively communicate at PTA meetings, curriculum nights and Parent-Teacher conferences. We have staff members who speak Spanish. Written translation is available when needed and the Translation Interpretation Unit is contacted to support school translations. The notices announcing events will be translated in Spanish as needed. ELL's parent orientation materials will also be provided in their native languages. Written translation services will be provided in-house by school staff as needed by teachers and paraprofessionals. The Language Interpretation Unit is utilized for other languages that the school can't provide services for.

Interpretation Services in Spanish are available to the parents for various events such as PTA meetings, Family Literacy /Math Nights and Parent-Teacher Conferences.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Oral interpretation services will be provided in-house by school staff and the Language Interpretation Services Unit for Arabic. We have staff members who speak Haitian Creole and Spanish. We have teachers to interpret in Spanish during school activities. The notices announcing special events will be translated into native language, and interpreters will be available to answer any questions that the parents may ask. This will enhance parents understanding of their child's academic performance and how to help improve their children's achievement at school. This will also encourage more parents to attend PTA meetings, Parent-Teacher Conferences, and Open School Week. Teachers, paraprofessionals and/or school aides also attend these functions to support parents and students communication needs.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link: <http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

Parent notifications and pertinent documents are translated into the native language of the parent as needed. The school staff members are available to translate as needed and the Language Interpretation Unit will provide translation services for notices as needed. The Language Interpretation Unit is used to provide communication services to parents that speak languages that the school can not support. As per A-663 we will provide each parent whose primary language is a covered language and who require assistance service with a copy of the Bill of Parent Rights and Responsibilities in the main office, and the parent coordinator's office. We will make sure that school calendars' and notices are translated in a timely manner to ensure that parents who need them actually receive them. We will make sure that teachers notify the office prior to a parent meeting where a translator is needed. In this manner, we may provide a school employee so that translation services will be provided.
