

**Department of
Education**

Dennis M. Walcott, Chancellor

2011-2012 COMPREHENSIVE EDUCATIONAL PLAN (CEP)

SCHOOL NAME : P36K

DBN (DISTRICT/ BOROUGH/ NUMBER I.E. 01M000): 75K036

PRINCIPAL: JOHANNA SCHNEIDER **EMAIL:** JSCHNEI@SCHOOLS.NYC.GOV

SUPERINTENDENT: GARY HECHT

SCHOOL LEADERSHIP TEAM (SLT) SIGNATURE PAGE

Use this page to identify SLT members and confirm their participation in the development of this Comprehensive Educational Plan (CEP), which includes goals and action plans, a summary of Academic Intervention Services, and the Parent Involvement Policy. The signatures of SLT members indicate their participation in the development of the CEP and serve as confirmation that consultation has occurred to align funding in support of educational programs. The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with the Chancellor’s Regulation A-655, available on the [NYC DOE Web site](#).

Directions:

1. List each SLT member in the left-hand column on the chart below. Specify any position held by the team member, e.g., Chairperson, SLT Secretary and the constituent group represented, e.g., parent, staff, student, or CBO. Core mandatory SLT members are indicated by an asterisk*.
2. Ensure that SLT members review this document and sign in the right-hand column in blue ink. If an SLT member does not wish to sign this plan, he/she may attach a written explanation in lieu of his/her signature.
3. Add rows as needed to ensure that all SLT members are listed.
4. The original copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Johanna Schneider	*Principal or Designee	
Matthew Brown	*UFT Chapter Leader or Designee	
Sharon Stoves	*PA/PTA President or Designated Co-President	
	DC 37 Representative, if applicable	
	Student Representative (<i>optional for elementary and middle schools; a minimum of two members required for high schools</i>)	
	CBO Representative, if applicable	
Able Jackson	Member/ Paraprofessional	
	Member/	

DIRECTIONS AND GUIDANCE FOR COMPLETING THE ANNUAL GOALS AND ACTION PLAN SECTION

The CEP goal-setting process serves both to support the identification and implementation of school-wide goals as well as to document how your school is meeting Federal, State, and City regulations.

As a result of principal feedback on this process, the CEP has been significantly streamlined to reduce the amount of time spent fulfilling requirements and to allow schools to focus on goal-setting and instructional priorities. The goal and action plan section, contained on pages 4 through 8 of this template, now serves as the central work of the CEP process and reflects a consolidation of numerous CEP requirements from prior years.

Below you will find guidance on documenting annual goals and action plans.

WHICH SCHOOLS NEED TO COMPLETE THIS?

- All schools should identify and submit annual goals and action plans in consultation with their School Leadership Team.

HOW DO CEP GOALS RELATE TO GOALS SET FOR THE PRINCIPAL PERFORMANCE REVIEW (PPR)?

- CEP goals are generally intended to guide school-wide planning and development. CEP goals may be adapted from goals set by the principal for the Principal Performance Review (PPR) if they are appropriate for use as school-wide goals.

HOW SHOULD A SCHOOL DEVELOP ITS GOALS AND ACTION PLANS?

- Your school should identify a minimum of three and a maximum of five annual goals.
- Goals should be “SMART” - specific, measurable, achievable, realistic, and time-bound.
- Goal development should be based on an assessment of your school’s needs.
- Your school should demonstrate the use of both qualitative and quantitative data in providing the rationale for each goal. Cite sources that contributed to the rationale, such as the Progress Report, Quality Review, School Survey, State Differentiated Accountability report (SQR, ESCA, or JIT), state and school assessment results, attendance records, inquiry team work, etc.
- Each goal and action plan requires your school to cite the strategies and activities in your Parent Involvement Policy (PIP) that will be implemented to achieve the goal identified. The PIP template is provided on pages 11 through 15. Your school is encouraged to use the template as it is provided, or align it in accordance with your school’s goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to respond to the parental involvement section of each goal and action plan.
- Schools designated as Improvement, Corrective Action, Restructuring, and/or PLA/SURR by the New York State Education Department must identify a goal and complete an action plan related to improving student outcomes for the specific subject area and subgroups identified for improvement. For each subject area identified, a goal and action plan is required.

ANNUAL GOAL #1 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #1

By June 2012, there will be an a 5% increase in the number of students earning level 2 or more on the state-wide standardized math exam.

Comprehensive needs assessment: The 2010-2011 NYSTP Math performance results showed that 41% of our students achieved level 2 and 6% achieved level 3. The JIT conducted from May 31, 2011-June1, 2011 showed that the NYSED Quantitative performance Measures showed the school was within five points of meeting its Effective Annual Measurable Objective for all identified subgroups in ALL subject/areas(s) of identification. However, due to the fact that most students come to P36K from community schools and other D75 schools with math scores below their grade level, we see a deficit in math scores and grade level scores. In reviewing the data from 2006 to 2010, the percentage of students achieving Level 2 or greater on the math assessment exams increased each year, we did see a decline in every grade in 2010 – the year the exam format was changed.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups; Staff will be provided with Professional development on how to use individual student “target skills” as outlined in SCANTRON, and how to use individual student ‘skills analysis” from NY Start, to aid in driving differentiated instruction. Every classroom and cluster teacher will be provided with professional development on how to use the Common core Standards and Scope and /sequence to drive instruction based on individualized IEP’s. Use of rubrics, checklists, conferencing, peer review will be utilized to assess student work as outlined in the Common Core Standards.
 - b) Staff and other resources used to implement these strategies/activities: All teachers will use a “Data Assessment Binder” to track students’ performance. During small group teacher meetings, teachers will be provided with PD to utilize “target skills” from SCANTRON and “skills analysis” from NY start to drive differentiated instruction. In addition, PD will include, but not be limited to: Depth of Knowledge, Academic Rigor, conferencing, developing higher order thinking skills, pair/share activities, modeling, scaffolding and alignment with Common Core Standards. Teachers will share best practices for math instruction and we will utilize the services of the district wide math coach to provide individualized assistance to provide hands-on, classroom instruction for Impact and Everyday Math and to aid in the development and delivery of math instruction. Teachers will develop common Core-aligned unit plans that incorporate the IEP goals and student goals based on the data assessment binder. Feedback will be provided by the Assistant Principal’s during small group and individualized conferences with teachers. Walk-throughs will be completed and during weekly teacher meetings, teachers will be provide with opportunities to share the best practices for math instruction, review PD used to develop critical things and problem solving skills of all students. We will provide opportunities for students to participate in pair/share activities and accountable talk. Small group teacher meetings will allow for introduction and use of conferencing and small guided group instruction. School leaders will provide comprehensive PD that enables teachers to use assessment information to identify student strengths and weaknesses and nest steps for learning. Teachers will then expand their repertoire of instructional strategies to better serve student needs and IEP indetified goals. The use of Unit plans will focus on improving teacher planning and instruction. Flexible groupings and targeted small group differentiation will match goals. The use of interim assessments will be utilized to collect data to drive further differentiated instruction.
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities: During pre-observations, post observations, small group teacher meetings, teachers will share best practices, review data from the Data Assessment Binder to track students performance and discuss common core-aligned unit plans that incorporate and include, but not be limited to; the Data Assessment Binder, acquisition of IEP goals, How to use “target skills as outlined in SCANTRON and the “skills analysis” form NY Start to evaluate skills acquisition and the development of critical thinking and problem solving skills. A number of teachers will be involved in the Inquiry Team process to track goals, data and develop plans to meet individualized student goals and develop a strategic and effective math program utilizing the

Core curriculum and common core standards. Teachers will work towards higher expectations and increased academic rigor in instruction. Teachers will utilize information from PD that will focus on developing greater student participation and interaction in classrooms. Teachers will have the opportunity for intervisitation of other classrooms. Lessons will be designed to take into account whole class, small group, guided group instruction as well as targeted time to summarize student learning as determined by the teacher. School leaders will monitor teachers' planning (unit plans) and the effectiveness of its implementation on students' progress.

d) timeline for implementation.: September 2011 to August 2012

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP. District 75 is not eligible for Title I funds, but we make every effort to ensure that all parents receive flyers of upcoming PTA and SLT meetings and special events. Daily, parents are provided with communication from the school in the form of the daily behavioral assessment that outlines for the parent how many points each child earned during each period of the day. This behavioral assessment provides the parent/guardian with a period by period assessment of behavior and homework for the day. In addition, parents/guardians are provided with opportunities during parent/teacher conferences to participate in conversations with teachers, related services providers and administrators about the progress of their child. During the course of the school year, parents/guardians are sent invitations to special events such as celebrations such as: non-fiction writing, poetry readings and musical presentations.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff becomes highly qualified, in order to achieve this goal. As outlined in the JIT, almost all classes are taught by highly qualified teachers. Staffing is relatively stable with approximately 78% of the teachers having taught at the school for two years or more. We will continue to ensure that we interview and hire only teachers who are qualified to teach special needs students, in addition to hiring staff that are also highly qualified in a content area. In addition during our weekly teacher meetings and special day professional development opportunities, we provided workshops that include, but are not limited to: Approach to Balanced Literacy, How to use the D75 pacing calendar to drive instruction, Positive Behavioral Interventions and Support, How to Level Libraries, Developing Meaningful IEP's, Using SESIS, Differentiating Instruction, Units of Study, Writers Workshop Model, common core standards, Everyday math, Curriculum Frameworks, Developing and Using meaningful Rubric, etc, we will provide opportunities for staff to attend Professional Development through D75 and the DOE so that staff can earn certifications in specific areas to become highly qualified.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal. Currently, we utilize our SAPIS worker who provides lessons and activities on substance abuse prevention and activities that promote positive self-awareness using music and art. Our Emotional Literacy and PBIS programs are "married" in a sense that expected behaviors are taught and students earn incentives for positive, non-threatening, non-violent behaviors. Students earn points each day that lead to earning levels each week. These points and levels provide students with the opportunity to earn incentives that include, but are not limited to: earning time to learn Tai chi, juggling, crafts, magic tricks, breakfast with an administrator, a positive phone call home, free homework pass, basketball, learning how to be a DJ, girls club and playing the drums to name just a few. Each week, levels are posted on a chart for all to see. Each month, we celebrate perfect attendance and yearly, provide a special lunch for students with perfect attendance. We participate in collaborations with outside agencies such as materials for the arts, special Olympics and very special arts festival.

Budget and resources alignment

- NYSTL - \$1460 – Math Steps
- Instructional Program - \$2,540 – math manipulatives, calculators, math notebooks, curriculum charts, paper, RCT materials, charts

ANNUAL GOAL #2 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #2

- By June 2012, There will be a 5% increase in the number of students earning level 2 or more on the standardized ELA exam.

Comprehensive needs assessment

The 2010-2011 NYSTP Math performance results showed that 39% of our students achieved level 2 and 3% achieved level 3. The JIT conducted from May 31, 2011-June1, 2011 showed that the NYSED Quantitative performance Measures showed the school was within five points of meeting its Effective Annual Measurable Objective for all identified subgroups in ALL subject/areas(s) of identification. However, due to the fact that most students come to P36K from community schools and other D75 schools with math scores below their grade level, we see a deficit in math scores and grade level scores. In reviewing the data from 2006 to 2010, the percentage of students achieving Level 2 or greater on the math assessment exams increased each year, we did see decline in almost every grade in 2010 – the year the exam format was changed

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) staff and other resources used to implement these strategies/activities: Staff will be provided with Professional development on how to use individual student “target skills” as outlined in SCANTRON, and how to use individual student ‘skills analysis” from NY Start, to aid in driving differentiated instruction. Every classroom and cluster teacher will be provided with professional development on how to use the Common core Standards, Balanced Literacy Approach, Writer’s Workshop and Scope and /sequence to drive instruction based on individualized IEP’s. Use of rubrics, checklists, conferencing, and peer review will be utilized to assess student work as outlined in the Common Core Standards. Lesson planning, pacing and sequencing will be addressed through the use of the D75 Units of Study and the pacing calendar will be utilized with modifications to meet the needs of P36K. Teachers will utilize state assessments, interim assessments and teacher-created rubrics.

- b) Staff and other resources used to implement these strategies/activities: All teachers will use a “Data Assessment Binder” to track students’ performance. During small group teacher meetings, teachers will be provided with PD to utilize “target skills” from SCANTRON and “skills analysis” from NY Start to drive differentiated instruction. In addition, PD will include, but not be limited to: Depth of Knowledge, Academic Rigor, conferencing, developing higher order thinking skills, pair/share activities, modeling, scaffolding and alignment with Common Core Standards. Teachers will share best practices for ELA and balanced literacy instruction and we will utilize the services of the district wide ELA coach to provide individualized assistance to provide hands-on, classroom instruction reading and writing to aid in the development and delivery of ELA instruction. Teachers will develop common Core-aligned unit plans that incorporate the IEP goals and student goals based on the data assessment binder. Feedback will be provided by the Assistant Principal’s during small group and individualized conferences with teachers. Walk-throughs will be completed and during weekly teacher meetings, teachers will be provide with opportunities to share the best practices for math instruction, review PD used to develop critical things and problem solving skills of all students. We will provide opportunities for students to participate in pair/share activities and accountable talk. Small group teacher meetings will allow for introduction and use of conferencing and small guided group instruction. School leaders will provide comprehensive PD that enables teachers to use assessment information to identify student strengths and weaknesses and nest steps for learning. Teachers will then expand their repertoire of instructional strategies to better serve student needs and IEP indentified goals. The use of Unit plans will focus on improving teacher planning and instruction. School-based mentors will assist new teachers and district-wide coaches will assist classroom teachers with a variety of strategies/activities to improve and enhance instruction. Flexible groupings and targeted small group differentiation will match goals. PD will be provided that will lead to improvements in the pacing and sequencing of instruction based on well designed units of study that are logical, time bound and appropriate to each grade. ELA lessons will be designed to take into account the whole class, small group and guided group instruction as well as time targeted to summarize students learning at the end of each ELA lesson. Flexible instructional grouping and differentiated instruction will target the specific academic needs of all students. Journeys (grades 6,7 & 8) Passport (K- 5) a reading intervention system for students reading 3-4 years below grade level will be utilized. The program consists of explicit, scaffold instruction, online learning activities and age-appropriate topics to help students improve their reading skills. Explicitly, systematic instruction in both the work and the text level, students learn and apply reading strategies, flexible pacing ensures students have the time to master concepts and re-teach lesson focus on key vocabulary and comprehension skills. In addition, Wilson and Words Their Way is used at one site for K-1 students requiring intervention.
- c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities: During pre-observations, post observations, small group teacher meetings, teachers will share best practices, review data from the Data Assessment Binder to track students performance and discuss common core-aligned unit plans that incorporate and include, but not be limited to; the Data Assessment Binder, acquisition of IEP goals, How to use “target skills as outlined in SCANTRON and the “skills analysis” form NY Start to evaluate skills acquisition and the development of critical thinking and problem solving skills. A number of teachers will be involved in the Inquiry Team process to track goals, data and develop plans to meet individualized student goals and develop a strategic and effective math program utilizing the Core curriculum and common core standards. Teachers will work towards higher expectations and increased academic rigor in instruction. Teachers will utilize information form PD that will focus on developing greater student participation and interaction in classrooms. Lessons will be designed to take into account whole class, small group, guided group instruction as well as targeted time to summarized student learning as determined by the teacher. Increase in authentic students work will be displayed with appropriate rubrics connected to State Standards. Teacher feedback will focus on the strength with reference to what is to be completed next for further growth in the area addressed. School leaders will monitor teachers’ planning (unit plans) and the effectiveness of its implementation on students’ progress.
- d) Timeline for implementation. September 2011 to August 2012.

Strategies to increase parental involvement

- Cite the strategies and activities in your school’s Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP. District 75 is not eligible for Title I funds, but we make every effort to ensure that all parents receive flyers of upcoming PTA and SLT meetings and special events. Daily, parents are provided with communication from the school in the form of the daily behavioral

assessment that outlines for the parent how many points each child earned during each period of the day. This behavioral assessment provides the parent/guardian with a period by period assessment of behavior and homework for the day. In addition, parents/guardians are provided with opportunities during parent/teacher conferences to participate in conversations with teachers, related services providers and administrators about the progress of their child. During the course of the school year, parents/guardians are sent invitations to special events such as celebrations such as: non-fiction writing, poetry readings and musical presentations.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff becomes highly qualified, in order to achieve this goal. As outlined in the JIT, almost all classes are taught by highly qualified teachers. Staffing is relatively stable with approximately 78% of the teachers having taught at the school for two years or more. We will continue to ensure that we interview and hire only teachers who are qualified to teach special needs students, in addition to hiring staff that are also highly qualified in a content area. In addition during our weekly teacher meetings and special day professional development opportunities, we provided workshops that include, but are not limited to: Approach to Balanced Literacy, How to use the D75 pacing calendar to drive instruction, Positive Behavioral Interventions and Support, How to Level Libraries, Developing Meaningful IEP's, Using SESIS, Differentiating Instruction, Units of Study, Writers Workshop Model, common core standards, Everyday math, Curriculum Frameworks, Developing and Using meaningful Rubric, etc, we will provide opportunities for staff to attend Professional Development through D75 and the DOE so that staff can earn certifications in specific areas to become highly qualified.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal. Currently, we utilize our SAPIS worker who provides lessons and activities on substance abuse prevention and activities that promote positive self-awareness using music and art. Our Emotional Literacy and PBIS programs are “married” in a sense that expected behaviors are taught and students earn incentives for positive, non-threatening, non-violent behaviors. Students earn points each day that lead to earning levels each week. These points and levels provide students with the opportunity to earn incentives that include, but are not limited to: earning time to learn Tai chi, juggling, crafts, magic tricks, breakfast with an administrator, a positive phone call home, free homework pass, basketball, learning how to be a DJ, girls club and playing the drums to name just a few. Each week, levels are posted on a chart for all to see. Each month, we celebrate perfect attendance and yearly, provide a special lunch for students with perfect attendance. We participate in collaborations with outside agencies such as materials for the arts, special Olympics and very special arts festival.

Budget and resources alignment

- NYSTL - \$4,532 – Voyager, Journeys, Passport
- Instructional Programs - \$18,193 – leveled libraries, writing journals, DISTAR, WILSON, author study books, classroom supplies (pens, pencils, paper) handwriting books

ANNUAL GOAL #3 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #3

- P36K will continue to decrease the number of maladaptive social behaviors as seen by a 2% decrease in the number of classroom and school incidents from last year based on SWIS data. The increase in pro-social skills will lead to more academic progress.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards. The “big 5” reports are reviewed monthly by the PBIS and school cabinet to determine the needs of specific students. Data is collected to show the increase in pro-social skills on a daily basis (daily behavioral assessment chart), weekly, and monthly. In addition, data is collected on best traveler and most improved attendance. Increase in attendance and pro-social behaviors lead to more academic progress.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) Strategies/activities that encompass the needs of identified student subgroups: Teachers will review the school-wide behavioral assessment sheet each period to reinforce the positive approach of positive behaviors. Review of necessary skills/behaviors will be reviewed and re-taught period by period in the following areas: following directions, cooperation, respect, completing work and being prepared. Weekly, student data from the School-wide Behavioral Assessment forms will be collated and entered onto the data collection chart. The incentive catalog and school store will be maintained and utilized to reward positive behavior. All staff, teachers and paraprofessionals will participate in PD opportunities that include, but will not be limited to; Emotional Literacy, Utilizing the Mood meter, Teaching School-Wide behavioral expectations, the role of the paraprofessional, and anti-bullying. SWIS (School-Wide Information System) will be reviewed monthly, via the “big 5” reports. This data will be reviewed by the PBIS committee on a monthly basis. Appropriate action will follow. Utilize the incentive process specific to each site to provide incentives to all students (special trips, incentive catalog, best traveler reward, etc.
 - b) Staff and other resources used to implement these strategies/activities: PD during small group teacher meetings and PD outside of the school will provide opportunities to learn about Emotional Literacy, the Mood Meter and anti-bullying. The incentive catalog will be reviewed and updated when necessary to provide students with meaningful incentives to improve positive behaviors in a variety of school related activities. Meaningful activities will be reviewed on a regular basis to ensure for high student interest.
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities: the PBIS committee will meet on a weekly basis and review data on a monthly basis and when needed. Surveys will be utilized and collection of ideas will be cataloged at small group teacher meetings as appropriate to each site.
 - d) timeline for implementation. September 2011 – August 2012.

Strategies to increase parental involvement

- Cite the strategies and activities in your school’s Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP. District 75 is not eligible for Title I funds, but we make every effort to ensure that all parents receive flyers of upcoming PTA and SLT meetings and special events. Daily, parents are provided with communication from the school in the form of the daily behavioral assessment that outlines for the parent how many points each child earned during each period of the day. This behavioral assessment provides the

parent/guardian with a period by period assessment of behavior and homework for the day. In addition, parents/guardians are provided with opportunities during parent/teacher conferences to participate in conversations with teachers, related services providers and administrators about the progress of their child. During the course of the school year, parents/guardians are sent invitations to special events such as celebrations such as: non-fiction writing, poetry readings and musical presentations.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal. As outlined in the JIT, almost all classes are taught by highly qualified teachers. Staffing is relatively stable with approximately 78% of the teachers having taught at the school for two years or more. We will continue to ensure that we interview and hire only teachers who are qualified to teach special needs students, in addition to hiring staff that are also highly qualified in a content area. In addition during our weekly teacher meetings and special day professional development opportunities, we provided workshops that include, but are not limited to: Approach to Balanced Literacy, How to use the D75 pacing calendar to drive instruction, Positive Behavioral Interventions and Support, How to Level Libraries, Developing Meaningful IEP's, Using SESIS, Differentiating Instruction, Units of Study, Writers Workshop Model, common core standards, Everyday math, Curriculum Frameworks, Developing and Using meaningful Rubric, etc, we will provide opportunities for staff to attend Professional Development through D75 and the DOE so that staff can earn certifications in specific areas to become highly qualified.

•

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal. Currently, we utilize our SAPIS worker who provides lessons and activities on substance abuse prevention and activities that promote positive self-awareness using music and art. Our Emotional Literacy and PBIS programs are “married” in a sense that expected behaviors are taught and students earn incentives for positive, non-threatening, non-violent behaviors. Students earn points each day that lead to earning levels each week. These points and levels provide students with the opportunity to earn incentives that include, but are not limited to: earning time to learn Tai chi, juggling, crafts, magic tricks, breakfast with an administrator, a positive phone call home, free homework pass, basketball, leaning how to be a DJ, girls club and playing the drums to name just a few. Each week, levels are posted on a chart for all to see. Each month, we celebrate perfect attendance and yearly, provide a special lunch for students with perfect attendance. We participate in collaborations with outside agencies such as materials for the arts, special Olympics and very special arts festival.

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

ACADEMIC INTERVENTION SERVICES (AIS)

On the chart below, indicate the total number of students receiving AIS in each area listed for each applicable grade in your school.

Identified groups of students who have been targeted for AIS, and the established criteria for identification include:

- Students in Grades K – 3 who are considered at-risk for not meeting State standards as determined by their performance on ECLAS 2 or other identified assessments, or who have been identified as potential holdovers.
- Students in Grades 4 – 8 who are performing at Level 1 or Level 2 on New York State English language arts (ELA), mathematics, science, and social studies assessments.
- Students in Grade 9 who performed at Level 1 or Level 2 on NYS Grade 8 ELA, mathematics, science, and social studies assessments.
- Students in Grades 10 – 12 who scored below the approved passing grade on any Regents examination required for graduation in English language arts, mathematics, science, and social studies.

	ELA	Mathematics	Science	Social Studies	At-risk Services: Guidance Counselor	At-risk Services: School Psychologist	At-risk Services: Social Worker	At-risk Health-related Services
	# of Students Receiving AIS	# of Students Receiving AIS	# of Students Receiving AIS	# of Students Receiving AIS				
K	n/a	n/a	N/A	N/A	2	9	4	15
1	n/a	n/a	N/A	N/A	10	10	10	30
2	n/a	n/a	N/A	N/A	6	8	4	18

10	4	4	4	4	0	0	4	4
11	9	9	9	9	0	0	9	9
12	9	9	9	9	0	0	9	9

On the chart below, provide a brief description of each of the Academic Intervention Services provided, and include:

1. type of program or strategy (e.g., Wilson, Great Leaps, etc.),
2. method for delivery of service (e.g., small group, one-to-one, tutoring, etc.),
3. when the service is provided (i.e., during the school day, before or after school, Saturday, etc.).

Name of Academic Intervention Services (AIS)	Description
ELA	<ul style="list-style-type: none"> • Implementation of the existing D75 ELA units of student and pacing calendar that will form the basis for all classroom ELA instruction • Teacher Created Unit Plans • Journeys /Passport– reading intervention system for students reading 3-4 years below grade level. The program consists of explicit, scaffold instruction, online learning activities and age-appropriate topics to help students improve their reading skills. Explicitly, systematic instruction, instruction in both the work and the text level, students learn and apply reading strategies, flexible pacing ensures students have the time to master concepts and re-teach lessons focus on key vocabulary and comprehension skills. • Wilson K-1 & DISTAR– phonics, sounds, blends, word recognition, fluency, comprehension • 90 minute literacy block during the school day/small group instruction for all standardized assessment students grades 3 – 8 school students. • Small group differentiated instruction during the school day of all students • Small-group differentiated instruction provided by teacher and paraprofessionals under the direct supervision of the teacher • 1:1 individual, differentiated instruction for struggling students • Grade by grade content areas of instruction will be integrated into the units of study providing enriched, rigorous and grade appropriate nonfiction text to supplement student literacy skills. • Incorporate the D75 readers and writers units of study that is rigorous and coherent in terms of curriculum mapping
Mathematics	<ul style="list-style-type: none"> • In addition to the core curriculum (Everyday math and Impact), we will utilize the objectives checklist from SCANTRON that assists the teacher in creating a structured systematic approach to lessons that maximize re-teaching opportunities, with flexible pacing to ensure that students learn and apply math strategies with time to master concepts. Schedules have been arranged to provide math instruction for an average of two additional periods per week.
Science	<ul style="list-style-type: none"> • Students will be provided with opportunities to promote pair/share activities and accountable talk aligned with ELA goals. • Small group research assistance – creating scientific notebooks (as appropriate and the completion of exit projects). • Project-based learning and hands-on learning play a major role in the acquisition of skills for students and the delivery of instruction. For students who need extra help in reading, providing hands-on, active learning activities is an essential part of our program.

<p>Social Studies</p>	<ul style="list-style-type: none"> • Students will be provided with opportunities to promote pair/share activities and accountable talk aligned with ELA goals. • Small group research assistance – creating research based projects (as appropriate and the completion of exit projects. • Project-based learning and hands-on leaning play a major role in the acquisition of skills for students and the delivery of instruction. <p>At-risk Health-related Services</p>	<ul style="list-style-type: none"> • Weekly cabinet meetings to identify students in need and to assist families with getting service. • School nurse will continue to work with families and individual students • School nurse will provide information regarding health issues that impact our student populations to students and their families. • Services by a SAPIS worker will assist our students in the identification of at risk behaviors in the area of substance abuse. • Will reinforce emotional literacy skills with students. • Ongoing collaboration with Mt. Sinai adolescent health center (provides services to our students and their families on an as needed basis.)

**DIRECTIONS AND GUIDANCE FOR DEVELOPING OR UPDATING
THE PARENT INVOLVEMENT POLICY (PIP)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements.

The PIP should describe how your school will plan and implement effective parent involvement activities to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

PARENT INVOLVEMENT POLICY (PIP) TEMPLATE

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. Our school will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community;

Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, our school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to schools to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in our Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;

- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

Our school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- hosting events to support, men asserting leadership in education for their children. parents/guardians, grandparents and foster parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand;

SCHOOL-PARENT COMPACT

Our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

I. School Responsibilities

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;

- convening an Annual Title I Parent Meeting prior to December 1st of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering will all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

II. Parent/Guardian Responsibilities:

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;

- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

**OFFICE OF ENGLISH LANGUAGE LEARNERS
GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM
2011-12**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This LAP form, an appendix of the CEP, also incorporates information required for CR Part 154 funding so that a separate submission is no longer required. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, hold your cursor over the [?](#).

Number of certified ESL teachers	1	Number of certified bilingual teachers	0	Number of certified NLA/foreign language teachers	0
Number of content area teachers with bilingual extensions	0	Number of special education teachers with bilingual extensions	0	Number of teachers of ELLs without ESL/bilingual certification	0
Number of teachers who hold both a bilingual extension and ESL certification	0	Number of teachers currently teaching a self-contained ESL class who hold both a common branch license and ESL certification	0		

D. School Demographics

Total number of students in school	280	Total Number of ELLs	31	ELLs as share of total student population (%)	11.07%
------------------------------------	------------	----------------------	-----------	---	---------------

Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [see tool kit].)
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
5. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
6. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. 

ELL's initial Home Language Survey is done at CSE along with interview, placement and parent options are reviewed. The ESL teacher examines the RPOB in ATS daily at the beginning of the year to identify all students whose home language is other than English. These reports including RLAT, RLER, and RLAD ensure that the ELL students received the reading, writing, speaking and listening portions of the NYSESLAT. Then the DIIT of CAP and the IEP, along with the existing HLIS of the student, are examined to see if the student is entitled to ESL service. In addition, an informal oral interview of the child is assessed.

If it is within 10 days of entering the NYC schools, the LAB-R and the Spanish LAB (if the student comes from a Spanish-speaking home and they do not pass the English LAB-R) are administered by the ESL teacher. HLIS administrators (Lenora Renfroe/Parent Coordinator or Scott Pearlman/ESL Teacher) at P036K ask parents to come to school to fill out the HLIS in his or her native language and to be interviewed in order to determine if a child is eligible for service. Before coming to the school, a suitable pedagogical translator is located for the parent interview. Students are placed in ESL classes of 12:1:1, 8:1:1, 6:1:1, etc. according to the students' IEPs. Grouping is arranged according to NYSESLAT scores and by viewing ATS reports. Compliance binder documents are also used to determine student placement. Schedules and grouping are prepared in the spring by modality and site location.

Only Free Standing ESL is available at all sites of P36K. There are no dual language programs available in District 75 at this time although one can be requested by the parents if there are enough students in three contiguous grades to form such a class, with 50% English-speaking students and 50% from one other language group. Parents are informed at PTA meetings and in flyers sent home that their questions and concerns can be addressed to the ESL Teacher (Scott Pearlman) or Parent Coordinator (Lenora Renfroe).

The CSE determines whether the student is considered in need of bilingual education. Since there are no bilingual classes, a full-time, alternate assessment paraprofessional who is bilingual in the child's native language is assigned to the student. In addition to the services of the bilingual paraprofessional, the ESL teacher (Scott Pearlman) provides ESL instruction. Parents are involved in the CSE process and in the determination of the students' status/determined services and letters in the parents' native language are sent by the CSE when program placement takes place.

Part III: ELL Demographics

A. ELL Programs

This school serves the following grades (includes ELLs and EPs)
Check all that apply

K 1 2 3 4 5
6 7 8 9 10 11 12

This school offers (check all that apply):

Transitional bilingual education program	Yes <input checked="" type="radio"/>	No <input type="radio"/>	If yes, indicate language(s):
Dual language program	Yes <input checked="" type="radio"/>	No <input type="radio"/>	If yes, indicate language(s):

Provide the number of classes for each ELL program model at your school. For all-day programs (e.g., Transitional Bilingual Education, Dual Language, and Self-Contained ESL), classes refer to a cohort of students served in a day. For push-in ESL classes, refer to the separate periods in a day in which students are served. Departmentalized schools (e.g., high school) may use the self-contained row.

ELL Program Breakdown														
	K	1	2	3	4	5	6	7	8	9	10	11	12	Total #

Part IV: ELL Programming

A. Programming and Scheduling Information

1. How is instruction delivered?
 - a. What are the organizational models (e.g., Departmentalized, Push-In [Co-Teaching], Pull-Out, Collaborative, Self-Contained)?
 - b. What are the program models (e.g., Block [Class travels together as a group]; Ungraded [all students regardless of grade are in one class]; Heterogeneous [mixed proficiency levels]; Homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.
4. How do you ensure that ELLs are appropriately evaluated in their native languages?
5. How do you differentiate instruction for ELL subgroups?
 - a. Describe your instructional plan for SIFE.
 - b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs.
 - c. Describe your plan for ELLs receiving service 4 to 6 years.
 - d. Describe your plan for long-term ELLs (completed 6 years).
6. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic

A. Programming and Scheduling Information

content areas and accelerate English language development?

7. How does your school use curricular, instructional, and scheduling flexibility to meet the diverse needs of ELL-SWDs within the least restrictive environment?

To ensure the mandated number of minutes are given to all ELL students, instruction is delivered using both push-in and pull-out models. In the case of push-in, the ESL teacher co-teaches with the classroom teacher. Classes are 50 minutes in length. The program model is ungraded and heterogeneous. There is only one model and the ESL teacher ensures that the students are served mandated minutes. Beginning and intermediate k-8 students (as determined by the NYSESLAT or LAB-R) receive a minimum of 360 minutes per week of ESL instruction provided by a licensed/certified ESL teacher. Advanced ELL K-8 students receive 180 minutes of ESL by licensed instructor (Scott Pearlman) and 180 of ELA. Beginning 9-12 students receive 540 minutes per week, intermediate 9-12 ELL students receive 360 minutes of ESL instruction, while advanced 9-12 ELLs are given 180 minutes of instruction by licensed ESL teacher plus 180 ELA. Currently there are 31 ELLs at three sites (main, 192, Flatbush Town Hall) for the P36K Freestanding ESL program.

The instructional strategies used to ensure students meet the standards and pass required grade appropriate standards include, but are not limited to: Cognitive Academic Language Learning Approach, Language Experience, graphic organizers, integrated themes, cooperative learning and scaffolding techniques. Multicultural materials, technology and art are infused throughout all aspects of the curriculum. Other than kindergarten students, all ELLs take regularly scheduled dictation tests based on a passage at the student's comprehension level and in line with the student's writing and spelling abilities. The dictation program is aimed at writing mechanics and requires proper use of capital letters, punctuation and spelling.

The ESL teacher, Scott Pearlman, is a NYS certified, NYC licensed ESL professional. ESL classes are delivered in English, while alternate assessment bilingual paraprofessionals translate instruction in the students' native language.

Textbooks, workbooks, phonics books, grammar books from Azar, Santillana Intensive English, Language and vocabulary worksheets, Hello English, TPR, Impact listening, Interactive ESL Games, Think-Pair-Share and ESL materials and websites are used to improve the language of all ELL students in this program. Computer technology is integrated into the curriculum and students utilize high interest computer programs and web sites to stimulate interest, develop skills and work positively towards being proficient in the English language. Alternative assessment materials are made age appropriate and are adapted by teachers and aligned with New York State and common core learning standards. AGLIs, SMARTGOALS are also implemented to provide ELL students with meaningful and functional age appropriate instruction.

ELL students are evaluated in their native language via the Spanish LAB R, through the use of an alternative placement paraprofessional and the use of informal assessments in the students native language.

Currently there are no ELLs who are SIFE students. To support SIFE an intake process is in place to determine the needs of the student and information about former school placement outside the NYC system. Academic Intervention Services, tutoring, Positive Behavior Supports, and an environment that facilitates language production are available for these students.

A. Programming and Scheduling Information

In addition to the mandated number of minutes of instruction, newcomers are given care by the ESL teacher and the classroom paraprofessionals to fully integrate into the school environment and to be made aware of special programs, i.e. incentive programs for positive behavior. Students may participate in Title III with their parents, 5 students may receive extended ELL services past year 6.

Continuing ESL needs for newcomers are determined by the results of the yearly NYSESLAT.

ELLs receiving four to six years of service are given the mandated number of minutes of ESL instruction based on the NYSESLAT for each student. Additional support is given by coordinated efforts on the part of the ESL teacher and the classroom teacher.

Long-Term ELLs are also supported by the same coordinated efforts between the classroom teacher and the ESL teacher, along with more specific programs such as AIS and tutoring, all of which use scaffolding techniques.

All ESL students at P36K have special needs, whether for students who are emotionally disturbed, students who are delayed developmentally or students with cochlear implants. Each population is dealt with accordingly, with positive behavior plans for the emotionally disturbed, adapted materials for the developmentally delayed and technology/ special teaching techniques for the students with cochlear implants. ELLs in inclusion receive instruction in the least restrictive environment.

In response to the school's New York State citation, P36K provides ESL services to all ELL students as per their IEP as there is a fully certified ESL teacher employed at the site.

Courses Taught in Languages Other than English

NOTE: This section refers to classes/subject areas in which the language of instruction is English and another language which all students in the class speak. Do not include:

- classes that are taught in English using books in the native language
- heritage classes
- foreign language (LOTE) classes

ELA instruction for <i>all</i> ELLs as required under CR Part 154			180 minutes per week
FOR TBE /DL PROGRAMS: Native Language Arts	60-90 minutes per day	45-60 minutes per day	45 minutes per day

NYS CR Part 154 Mandated Number of Units of Support for ELLs, Grades 9-12			
	Beginning	Intermediate	Advanced
ESL instruction for <i>all</i> ELLs as required under CR Part 154	540 minutes per week	360 minutes per week	180 minutes per week
ELA instruction for <i>all</i> ELLs as required under CR Part 154			180 minutes per week
FOR TBE /DL PROGRAMS: Native Language Arts	45 minutes per day	45 minutes per day	45 minutes per day

B. Programming and Scheduling Information--Continued

- Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
- Describe your plan for continuing transitional support (2 years) for ELLs reaching proficiency on the NYSESLAT.
- What new programs or improvements will be considered for the upcoming school year?
- What programs/services for ELLs will be discontinued and why?
- How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
- What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?
- How is native language support delivered in each program model? (TBE, Dual Language, and ESL)
- Do required services support, and resources correspond to ELLs' ages and grade levels?
- Include a description of activities in your school to assist newly enrolled ELL students before the beginning of the school year.
- What language electives are offered to ELLs?

For all students, content area instruction is provided as follows: all subject areas are taught in English using ESL methodologies by Special Education teachers who have completed ESL training. ESL methodologies used include Cognitive Academic Language Learning Approach, Language Experience, the use of graphic organizers in addition to the literacy curriculum. The use of technology is incorporated in ESL instruction.

B. Programming and Scheduling Information--Continued

8. Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
9. Describe your plan for continuing transitional support (2 years) for ELLs reaching proficiency on the NYSESLAT.
10. What new programs or improvements will be considered for the upcoming school year?
11. What programs/services for ELLs will be discontinued and why?
12. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
13. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?
14. How is native language support delivered in each program model? (TBE, Dual Language, and ESL)
15. Do required services support, and resources correspond to ELLs' ages and grade levels?
16. Include a description of activities in your school to assist newly enrolled ELL students before the beginning of the school year.
17. What language electives are offered to ELLs?

For all students, content area instruction is provided as follows: all subject areas are taught in English using ESL methodologies by Special Education teachers who have completed ESL training. ESL methodologies used include Cognitive Academic Language Learning Approach, Language Experience, the use of graphic organizers in addition to the literacy curriculum. The use of technology is incorporated in ESL and the content area instruction to give students additional instructional support. Multicultural materials, art and music are infused throughout all aspects of instruction as deemed appropriate. Classroom libraries include a variety of books on all levels appropriate to the learning levels of the students. Teachers collaboratively plan and implement activities to meet the needs of all students within PS 36K.

It is essential that all students have the opportunity for success. Alignment with the curriculum used throughout the school is essential when used with modification to focus on the needs of the individual learners. The ESL teacher frequently works with students within their classroom settings to observe and implement needed models of instruction that work best for the student. The ESL teacher is then able to better plan and implement lessons that focus on the needs and strengths of the student as outlined in individual IEPs and the school comprehensive education plan. The ESL teacher works closely with classroom and cluster teachers to ensure that all students meet their learning objectives and are prepared for statewide and city assessments. When necessary, ELLs who are literate in some English, but need some extra assistance, picture dictionaries and native language reading materials are provided on the level appropriate to the students. Practice is provided for our students throughout the year to familiarize them with the assessment formats and in the area of content. SCANTRON has provided every teacher with the opportunity to assess each student in the area of ELA and math. This highly effective tool, allows all teachers to prescribe a meaningful approach to meeting the curriculum needs on each grade level. The use of the SCANTRON checklist allows all teachers involved with the student to have knowledge of the needs and strengths of each student and build upon their knowledge, regardless of language needs.

Currently, we utilize the core curriculum as outlined by the Chancellor's office: Everyday Math (grades k-5) and Impact Math (grades 6-8). The curriculum outlined provides specific instruction on the students' functional level as outlined in the SCANTRON program. The checklist from SCANTRON provides each teacher with the strengths and weaknesses of each student and provides the basis for each student's Individualized Educational Plan. Teachers work in grade level meetings to ensure that all students, including, but not limited to ELLs are provided with small group instruction to ensure acquisition of needed skills. All students are made aware of academic goals and work towards meeting individual goals and checklist objectives.

As previously noted, all instruction is delivered in English, other than that provided by bilingual alternative assessment paraprofessionals.

Students with cochlear implants are taught with a phonics program, Sounds in Motion, which is beneficial for students with implants, as well as ELLs.

Transition Plan: Students who reach proficiency receive intermittent ESL services for two years. The ESL teacher is available for consultation for the teachers and parents (as well as the students themselves) of students who have reached proficiency level of English.

All ELLs have equal access to all school programs, including a before-school sports program. Due to the distances students travel, there are no after-school programs.

Required services and resources correspond to ELLs ages and grade levels with materials being adapted by classroom teachers, cluster teachers and the ESL teacher.

Although there is no Jump Start program programs, the buddy system and bilingual paraprofessionals assist newly enrolled ELL students at

E. Parental Involvement

1. Describe parent involvement in your school, including parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

During the year, parents of ELL students receive information provided by the DOE, and information from the office of Bilingual Supports. This information includes the NYS learning standards, the curriculum, expectations of our students and a description of the bilingual and ESL programs. In addition, the related service providers, the ESL teacher and identified translators are available to address any concerns the parents may have on an as-needed basis. P36K includes workshops during PTA meetings that address and relate to standards-based instruction, the curriculum and topics of interest to the parents when necessary. Translators are available during the workshops and PTA meetings on an as-needed basis. The Parent Coordinator offers parents workshops that meet the needs of each individual and groups of parents. These services may range in topic such as: finding services for students, positive behavior supports, suggestions for recreational activities available in the community, outside agencies available to provide supports in the native language of a particular family and assistance being provided by the Parent Coordinator and school.

We currently do not have a partnership with community Based Organizations to provide workshops or services to ELL parents, but anticipate future partnerships among P36K and such organizations.

P36K is part of a collaborative project with a community school involving 7th and 8th graders who come into the building and serve as reading buddies and mentors to some of our students. This program will allow our students to communicate, interact and learn in both their native language and in English.

Parents are given questionnaires to poll their concerns and needs. Programs are determined based on these needs. Additionally the parent coordinator is available at all times to provide support for parents.

C. Schools with Dual Language Programs

1. How much time (%) is the target language used for EPs and ELLs in each grade?
2. How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?
3. How is language separated for instruction (time, subject, teacher, theme)?
4. What Dual Language model is used (side-by-side, self-contained, other)?
5. Is emergent literacy taught in child's native language first (sequential), or are both languages taught at the same time (simultaneous)?

Paste response to questions 1-5 here

D. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
3. Describe the minimum 7.5 hours of ELL training for all staff (including non-ELL teachers) as per Jose P.

During the 2011-2012 school year, P36K's Professional Development program will include, but not be limited to, training for teachers and paraprofessionals in curriculum (Impact Math, Balanced Literacy, Everyday Math, and the Units of Students as set forth by the district and the Professional Teaching Standards) and the impact upon ELL students; NYS standards; Cultural Diversity; Using the thematic approach to promote literacy; Hands-On science and math; using SCANTRON checklists/reports to develop essential lessons and activities that meet the needs of our students; and ESL methodologies in the special education classroom. Throughout the year staff will attend appropriate professional development activities sponsored by District 75 and the DOE. Professional Development for staff will be provided on 11/1/2011, 11/22/2011/ 12/13/2011, 1/10/2012, 2/21/2012, 3/20/2012, 4/24/2012 and 5/8/2012.

Students who reach proficiency will receive intermittent ESL services for two years. All students, including ELLs, at P36K are prepared to transition to high school or to regular education schools. The ESL teacher is in contact with all school personnel and assists as necessary as

Parents are given questionnaires to poll their concerns and needs. Programs are determined based on these needs. Additionally the parent coordinator is available at all times to provide support for parents.

Part V: Assessment Analysis

A. Assessment Breakdown

Enter the number of ELLs for each test, category, and modality.

OVERALL NYSESLAT* PROFICIENCY RESULTS (*LAB-R FOR NEW ADMITS)														
	K	1	2	3	4	5	6	7	8	9	10	11	12	TOTAL
Beginner(B)	2	3												5
Intermediate(I)														0
Advanced (A)														0
Total	2	3	0	0	0	0	0	0	0	0	0	0	0	5

NYSESLAT Modality Analysis														
Modality Aggregate	Proficiency Level	K	1	2	3	4	5	6	7	8	9	10	11	12
LISTENING /SPEAKING	B								1	1				
	I		1		1			1	2	4		2		
	A		3		1	2		1		2				
	P			1		2								1
READING/ WRITING	B		1	1	2	1		1	3	3		2		
	I		3			2		1		4				1
	A					1								
	P		8	2	4	8		4	6	8		4		2

NYS ELA					
Grade	Level 1	Level 2	Level 3	Level 4	Total
3	2	1			3
4		2			2
5	5				5
6	1				1

B. After reviewing and analyzing the assessment data, answer the following

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How can this information help inform your school's instructional plan? Please provide any quantitative data available to support your response.
- What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
- How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions?
- For each program, answer the following:
 - Examine student results. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
 - Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
 - What is the school learning about ELLs from the Periodic Assessments? How is the Native Language used?
- For dual language programs, answer the following:
 - How are the English Proficient students (EPs) assessed in the second (target) language?
 - What is the level of language proficiency in the second (target) language for EPs?
 - How are EPs performing on State and City Assessments?
- Describe how you evaluate the success of your programs for ELLs.

Currently we utilize ECLAS and EPAL for all early literacy students. If necessary, we provide translation to these students, however, we have found that for most of our students, the underlying difficulty in literacy skills is reading, writing and comprehension, not always the language. All materials when necessary or offered in the students' native language.

Additional Information

Please include any additional information that would be relevant to your LAP and would further explain your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

B. After reviewing and analyzing the assessment data, answer the following

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How can this information help inform your school's instructional plan? Please provide any quantitative data available to support your response.
- What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
- How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions?
- For each program, answer the following:
 - Examine student results. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
 - Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
 - What is the school learning about ELLs from the Periodic Assessments? How is the Native Language used?
- For dual language programs, answer the following:
 - How are the English Proficient students (EPs) assessed in the second (target) language?
 - What is the level of language proficiency in the second (target) language for EPs?
 - How are EPs performing on State and City Assessments?
- Describe how you evaluate the success of your programs for ELLs.

Currently we utilize ECLAS and EPAL for all early literacy students. If necessary, we provide translation to these students, however, we have found that for most of our students, the underlying difficulty in literacy skills is reading, writing and comprehension, not always the language. All materials when necessary or offered in the students' native language.

The data patterns indicate that there is a preponderance of ESL students at beginning levels at all grades as indicated on the LAB-R and NYSESLAT, with more students at the beginning levels in reading and writing. Accordingly, more emphasis will be placed on reading and writing activities in the coming year.

ELL test results are available to classroom teachers who modify instruction based on these results in ELA programs. The ELA goals are modified to meet the needs of ELLs.

Program success is determined by NYSESLAT, Scantron and standardized test results. Results are examined on a student-by-student basis.

Additional Information

Please include any additional information that would be relevant to your LAP and would further explain your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

LANGUAGE TRANSLATION AND INTERPRETATION 2011-2012

Requirement under Chancellor's Regulations – for all schools

DBN: P36k School Name: P36K/Nathaniel Greene School

Cluster: _____ Network: Adrienne Edelstein

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

When new students enter the school, a new admission packet is filled out by the parent/guardian and intake meeting takes place during which time staff (that may include, but not be limited to: social worker, guidance counselor, psychologist, parent coordinator, family worker, teacher, assistant principal) meets with the family to gather needed information. Translation and oral interpretation needs are then noted. If needed, a Home Language Identification Survey is completed (assistance provided when necessary). The counselor, or parent coordinator keeps track of parents/guardians and families who require translation and oral interpretation services to ensure that those needed services are available during meetings, conferences and special events. All stakeholders who have contact with this child know the language interpretation needs of the family. Centrally produced documents will be kept on hand for parents who require these documents in their native language and student specific documents will be translated as needed by school staff. This information is recorded and maintained by the school (we record this information in ATS reports, emergency cards and keep the ELL Home Language Identification Survey in their personal files).

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

During the intake process of our students, the counselor for the student meets with the family member present and needed services are documented. Data is collected and then shared at the weekly cabinet meetings. Documentation is kept on file of all families in need of translation services in the native language. During weekly teacher meetings, pertinent information is shared with teachers, related service providers and other stakeholders who have contact with the child to ensure for open communication among all school members and the family.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

When a parent/guardian is identified as needing written translation services, we will utilize school staff to provide these services. Centrally produced documents (standards conduct and discipline plan, etc.) Will be kept on hand for parents/guardians in need and provided when needed. For other student specific documents, we will utilize school staff to provide written translation in a timely manner. When a parent requires a document, we will ensure that the staff member is provided with adequate time to complete the written translation so that the parent/guardian will receive the needed documentation in a timely fashion. If other documents are needed and cannot be provided by the school, we will contact the Translation and Interpretation Unit of the DOE. The school makes sure that parents whose language is other than English are provided with a translated Bill of Rights and interpretation notice signs as well as safety plan procedures, which are placed on the entrance doors explaining where these notices can be located.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Our school provides parent/guardian is identified as needing oral translation services, we will utilize school staff to provide these services. If at any time, we cannot provided oral interpretation services needed, we will contact the Translation and Interpretation Unit of the DOE. Our school provides oral interpretation services in a one on one setting. These services are extended to our parents including: 25 Spanish parents, 1 Chinese parent, 1 Russian parent, 2 Haitian parents, 1 French parent, and 1 Polish speaking parent.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link: <http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

At the start of each school year, we will ensure that we have the Bill of Rights and Responsibilities available to parents in their native language and distributed to all parents at the beginning of the school year and then given or sent to new students as they enter the school. If needed, appropriate signage will be requested thorough the Translation and Interpretation Unit of the DOE. Our school provides a translated Bill of Rights and interpretation notice signs as well as safety plan procedures, which are placed on the entrance doors explaining where these notices can be located.

2011-12 Comprehensive Education Plan (CEP): Appendix 8

Title III Supplemental Program for ELLs

Directions: Title III supplemental services for ELLs must include all of the following three components:

- **Direct instruction:** activities must be used to support language development, English and native language instruction, high academic achievement in math, and/or other core academic areas.
 - The Title III supplemental instructional services must be based on student need
 - These supplemental services should complement core bilingual and ESL services required under CR Part 154.
 - Direct supplemental services should be provided for before school, after school, and Saturday programs as well as reduced class-size, and/or push-in services.
 - Teachers providing the services must be certified bilingual education and/or ESL teachers.
- **High quality professional development** that is “of sufficient intensity and duration to have a positive and lasting impact on the teachers’ performance in classrooms.”
 - Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement** and supports must ensure that there are appropriate translation and interpretation services to meet community needs.
 - These are in addition to mandated activities, such as parent orientation during ELL identification process.

For more information on Title III requirements, please see the School Allocation Memo or contact your ELL Compliance and Performance Specialist.

Part A: School Information	
Name of School: P036K	DBN: 75k036
Cluster Leader: Gary Hecht	Network Leader: Adrienne Edelstein
This school is (check one): <input checked="" type="radio"/> conceptually consolidated (skip part E below) <input type="radio"/> NOT conceptually consolidated (must complete part E below)	

Part B: Direct Instruction Supplemental Program Information
The direct instruction component of the program will consist of (check all that apply): <input checked="" type="radio"/> Before school <input type="radio"/> After school <input checked="" type="radio"/> Saturday academy <input type="radio"/> Other:
Total # of ELLs to be served: 8 Grades to be served by this program (check all that apply): <input checked="" type="radio"/> K <input checked="" type="radio"/> 1 <input checked="" type="radio"/> 2 <input checked="" type="radio"/> 3 <input checked="" type="radio"/> 4 <input checked="" type="radio"/> 5 <input type="radio"/> 6 <input type="radio"/> 7 <input type="radio"/> 8 <input checked="" type="radio"/> 9 <input checked="" type="radio"/> 10 <input checked="" type="radio"/> 11 <input checked="" type="radio"/> 12
Total # of teachers in this program: 2 # of certified ESL/Bilingual teachers: <u>1</u> # of content area teachers: 1

Part B: Direct Instruction Supplemental Program Information

Describe the direct instruction supplemental program here and include the

- rationale
- subgroups and grade levels of students to be served
- schedule and duration
- language of instruction
- # and types of certified teachers
- types of materials

Begin description here: P036K is a special education school consisting of 280 students with varying disabilities including students with emotional disturbance, intellectual disabilities and hearing impaired who are instructed in 12:1:1, 6:1:1, and 8:1:1 ratios. Of the 280 students, 31 are English Language Learners, which is 11.7%. 36k plans to implement a Title III after school supplemental instructional program for 8 ELLs located in one building (P036K/main building), which is in close proximity to the parents' residences that will attend the sessions. The 22 session program will begin on 12/5/2011 and end on 6/20/2012 and be held according to school schedule on Mondays and Wednesdays from 3:05pm to 5:05pm. Parents are invited to participate all 22 sessions. Dates of instruction include: 12/5/2011, 12/6/2012, 12/7/2011, 12/8/2012, 12/19/2011, 12/21/2011, 1/30/2012, 2/1/2012, 2/27/2012, 2/29/2012, 3/12/2012, 3/14/2012, 3/26/2012, 3/28/2012, 4/23/2012, 4/25/2012, 5/7/2012, 5/9/2012, 5/21/2012, 5/23/2012, 6/4/2012, 6/6/2012, 6/18/2012, and 6/20/2012. Instruction will be delivered in accordance with Common Core Standards and Alternative Grade Level Indicators will be used according to students' IEPs. Instruction will be provided in English using ESL methodologies including TPR, Language Experience Approach, CALLA, CALPS, BICS, Direct Approach, Communicative Language Approach, etc. One group of 8 ELL students (8:1:1) in grades 6, 7, and 8 will attend the sessions. These students are in 8:1:1 and 12:1:1 classrooms and are students with intellectual disabilities and E.D. classifications, in Alternate Assessment, and have beginning levels of English Language proficiency. The 22 sessions will be on building students' English listening, speaking, reading and writing skills as well as building cultural awareness through Filipino dances. The Physical Education teacher will teach the students various cultural Filipino dances for the first hour, while the ESL teacher infuses ESL strategies into the lesson. Sessions will assist these students with coordination, reading, writing, listening and speaking along movement, which aids in comprehension and participation.

The Physical Education Teacher involved in the instruction will introduce various multicultural dances relating to holidays and traditions related to the Filipino culture. Seven dance sessions will relate to Filipino holidays, seven dance sessions will relate to Filipino past literature, seven sessions will be related to Filipino current literature and the last session will be a culmination session. The prelast session will be the assessment session when the Physical Education Teacher along with the ESL Teacher will use a rubric to determine the students' knowledge of the dances, cultural wording and knowledge. During the final showcase section, students will display a dance and explain a cultural aspect from their culture to the other students and parents attending the session. The ESL teacher will ensure that all ELL students have thorough understanding. English will be the language of instruction.

All sessions will involve step dance movements, and materials include: 5 digital cameras, 4 SanDisk® 16GB SDHC memory cards, 2 portable cd players, Staples® Photo Plus Paper, 8 1/2" x 11", Gloss, 50/Pack to print pictures, Staples® Multipurpose Paper, 8 1/2" x 11", Duracell AA Coppertop Alkaline batteries, Duracell D Alkaline Batteries, Staples® Construction Paper, 9" x 12" for the picture backing, Canon® PIXMA® iP100 Photo Printer x 2 x \$199.99, Canon BCI-3e/BCI-6 Black and Color Ink Cartridge Photo Value Pack.

Part B: Direct Instruction Supplemental Program Information

These materials will be used and will accompany a series of movements to accomplish the dances. Students' success will be assessed via rubrics and assessed visually through movements and through responses and by following directions. Research supports the notion that students learn best when they are provided with motivating challenging learning experiences that incorporate their culture. Students will be encouraged to bring in items from their culture to participate in discussion groups. In short, instructional approaches will empower students and encourage them to assume greater control over their own learning goals and to collaborate actively with each other in achieving these goals. At the beginning of each session, students will study pictures of Filipino people, their attire and dances prior to instruction as an introduction to the Filipino culture. Then the students will follow verbal and visual directions, write words relating to dances, speak lyrics and repeat directions aloud. Students will mimic teacher lead dance movements along with parents. Parents will take pictures using digital cameras to capture images of dance movements. Children will write words relating to Filipino holidays, which will serve as the border for their picture frames. The students will also use literature and culture and describe the costumes and materials used for each dance.

These approaches reflect what cognitive psychologists such as Piaget and Vygotsky have emphasized about children's learning for more than half a century. Learning is viewed as an active process that is enhanced through interaction. The stress on action (Piaget) and interaction (Vygotsky) contrasts with behavioristic learning models that focus on passive and isolated reception of (knowledge.<http://jan.ucc.nau.edu/~jar/Cummins.html>) and opportunities to use multiple senses (ex:research shows that students with disabilities and ELLs perform better when they use the multi-sensory approach) and when there is parental engagement in the learning process.) ELLs in this supplementary Title III program will receive direct instruction from a licensed ESL teacher (Mr. Pearlman) with the assistance of a Physical Education teacher (Ms. Torrabla) as well a Bilingual (Spanish speaking) paraprofessional. All teachers are licensed by the New York State Department of Education.

Part C: Professional Development

Describe the school's professional development program for Title III Program teachers as well as other staff responsible for delivery of instruction and services to ELLs.

- rationale
- teachers to receive training
- schedule and duration
- topics to be covered
- name of provider

Begin description here:

P36k will conduct an 8 day professional development series consisting of cultural trainings in which the ESL teacher (Mr. Pearlman) will introduce topics pertaining to various cultural aspects of our student population: Same Children, Different Cultures (sessions 1 and 2); Filipino Customs and Traditions (3 and 4); Filipino Today and Yesterday (5 and 6); Teaching Content Area Subjects through ESL Methodologies and Techniques (7 and 8). Participants will research the cultures reflected in the school's population in an effort to better understand the culture and needs of our ELL population and their families. School personnel who will receive training will include an Assistant Principal (Ms. Shchukin) the school's Physical Education teacher (Ms. Torrabla) and a bilingual paraprofessional (Spanish) as well as the ESL teacher (Scott Pearlman) who will facilitate the P.D. This P.D. series will be held before school on Mondays and Wednesdays from 7:00am to 8:00am beginning 12/5/2011, 12/7/2011, 12/19/2011, 12/21/2011, 1/30/2011, 11/30/11, 2/1/2011, 2/27/11

Part D: Parental Engagement Activities

Describe the parent engagement activities targeted toward parents of ELLs that will impact higher achievement for ELLs. NOTE: These are in addition to mandated activities, such as parent orientation during ELL identification process.

- rationale
- schedule and duration
- topics to be covered
- name of provider
- how parents will be notified of these activities

Begin description here: Prior to the first instructional session, parents of ELLs will be given a Title III letter in English and their preferred language advising them of the Title III program and language service options for ELLs. Research concludes that ELLs perform better when their parents are involved in their education. Parents are invited and encourage to attend all 22 sessions alongside their children and participate in the Filipino cultural dance sessions. Filipino dances will be introduced to parents and children by the Physical Education teacher (Ms. Torrabla) with the assistance of the ESL Teacher (Scott Pearlman). Teachers and Paraprofessional will work collaboratively to facilitate the instruction. These parental and student series will be held on Mondays and Wednesdays from 3:05pm to 5:05pm and run at P036K/Nathaniel Greene School.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III budget matches your Title III Plan.

Allocation Amount: \$11200

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits) <ul style="list-style-type: none"> • Per session • Per diem 	\$ 7,991.32	Per session for teachers, paraprofessionals who will teach students during after school instructional program and conduct parent activities and/or workshops. Supervisors will oversee program, and a secretary will process purchases and payroll. Direct Instruction 1 Physical Education teacher x 24 sessions x 1 hour x \$49.89 = \$1197.36 1 ESL Teacher x 2 hours x 24 sessions X \$49.89 = \$2394.72 1 Paraprofessional x 2 hours x 24 sessions x \$28.98 = \$1391.04
