## ANNUAL GOAL #1 AND ACTION PLAN

### **Annual Goal #1**

By June 2012, Grades 3-5 students (243 out of 347) including students in subgroups-ELLs and SWDs-will demonstrate progress towards achieving state standards as measured by a 5% increase (from 45% to 50%) scoring at Levels 3 & 4 on the NYS ELA Test.

### **Comprehensive needs assessment**

*Based on a two-year trend analysis of students' performance data on the NYS Tests, it was determined that students in Grades 3-5 did not show an increase in performance on the English Language Arts Test. Therefore, we have made this goal a priority.*

### **Instructional strategies/activities**

#### **STRATEGIES**

- ❖ *Students will be assessed quarterly (October, December, March and June) through Fountas and Pinnell running records in order to determine flexible grouping and differentiated instruction in moving students to the next reading level.*
- ❖ *Differentiate instruction in all curriculum areas to support the achievement of all students across a wide performance field. Individually created benchmarks have been implemented for our gifted programs in order to differentiate instruction and create rigor in the classroom.*
- ❖ *Students will be involved in daily book discussions to enable critical thinking.*
- ❖ *Reading logs will be submitted by the students monthly.*
- ❖ *Data will be analyzed to determine the students who are identified for Academic Intervention Services or ELL services as needed.*
  - *Academic Intervention Service staff provides additional instruction for at risk students during the school day.*
- ❖ *Students will generate goals based on their needs and ongoing assessments and checklists. Students will discuss strategies to employ to attain the goals.*
- ❖ *Revising tasks, Units of Study (incorporating UDL), and curriculums to meet Common Core Learning Standards.*
- ❖ *Professional Development for the staff on Interim Assessments. The topics will include: monitoring and revising curriculum; reciprocal teaching; use of rubrics with the language of the standards to provide specific feedback to students regarding their work; literacy strategies; use of student data to plan and set goals; further development of inquiry as teams of teachers use data to inform differentiated lesson plans and flexible grouping.*

#### **STAFF**

- ❖ *Principal, Assistant Principal for ELLs and SWDs, Staff Developers (internal and external) and Data Specialist*
- ❖ *Teachers servicing SWDs and ELLs and students in the ELL and SWD subgroups*

**Steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities:**

- ❖ *Teachers will meet as a grade weekly and monthly to discuss and analyze data, identifying areas of focus. Creation of a Data Wall - The data wall is accessible to all staff members. The school wide data wall displays the percentage of students in Grades 3-5 who meet or exceed the Fountas and Pinnell reading benchmarks. This will include the use of cross curriculum data made accessible in the room, focusing on ELLs/SWDs and at risk students. The following activities will be carried out in the data room: monitoring student progress, setting initial goals for groups and individual students in ELA, programmatic implications based on indicators of interim progress assessment results and follow-up activities. Responsible staff will facilitate discussions of the students' progress and strategies for improved student outcomes for Level 1 through 4 students.*
- ❖ *Monitor the students' progress on ITA and performance task.*
- ❖ *Benchmark Assessment Dates: September 2011, January 2012 and June 2012*

**TIMELINE:** September 2011 through May 2012

**Strategies to increase parental involvement**

*At P.S. 135 we will increase parent involvement by:*

- ❖ *Monthly Newsletter distributed to staff, parents and students*
- ❖ *School Website*
- ❖ *Training and professional development for parents (Testing Preparation, Grade specific meetings/workshops)*
- ❖ *Progress Reports with suggested instructional strategies are sent home 3 times per year*
- ❖ *School Literacy Events (Books and Beyond Assemblies, Poem in the Pocket, Brooklyn Public Library Mobile Unit, Pajama Read Aloud with parents, teachers and students)*
- ❖ *Access to materials and resources are made available for parents in school and at home to support their child's learning and monitor student progress*
- ❖ *Parent Coordinator- The school will continue to implement the position of a full time Parent Coordinator whose sole responsibility will be to promote parent engagement and address parents' questions and concerns.*
- ❖ *Parent Resource Library*
- ❖ *Data Wall (bulletin boards by school and grade to show student progress)*

**Strategies for attracting Highly Qualified Teachers (HQT)**

- ❖ *Training and Professional Development for staff- At P.S. 135 the school provides professional development in the areas indicated by the needs assessment of the staff and students. Professional development will take place on days as prescribed by the DOE guidelines and the Chancellor's designated Conference Days. As per our SBO, the teachers will meet weekly for 50 minutes during extended day for inquiry and professional development.*
- ❖ *Mentors are assigned to support new teachers.*

- ❖ *Buddy Teachers, Grade Level Meetings, Staff will be supported by internal and external coaches (math and literacy coach, data specialist and literacy consultant)*
- ❖ *The personnel secretary will work closely with the network HR point to ensure that non-HQT meet all required documentation and assessment deadlines*
- ❖ *New teacher orientation with administration*
- ❖ *Administrative staff attends hiring fairs to identify and recruit highly-qualified teachers*

**Service and program coordination**

- ❖ *Students in Temporary Housing are indentified and offered intervention programs, school supplies, uniform, at risk counseling, transportation and extended Robin Hood library hours.*
- ❖ *The two guidance counselors, social worker and psychologist are available for mandated and at-risk counseling services which will help students manage/address their emotional need, thereby fulfilling their academic needs.*
- ❖ *ELA and ELL teachers will design training modules and host periodic ELA workshops and information sessions with parents. The workshop materials used will be translated and interpretation support will be provided in the dominant language spoken by parents in the school.*
- ❖ *An AIS/IEP teacher provides at-risk intervention services during the day to students in all grades and students who are at risk of not making adequate yearly gains program and to improve the performance of SWDs and ELLs.*
- ❖ *Academic Intervention Service (AIS) personnel provide additional instruction for at-risk students. City and state exams, Acuity reports, teachers to differentiate and drive instruction use unit reviews, projects, computer assignments and all other assessments.*
- ❖ *Use assessment data, which is evaluated by item skills analysis to provide specific Targeted Instructional Assignments (TIAs) in areas of deficiency or concern, using small group instruction and computer assisted/generated assignments.*

**Budget and resources alignment**

- ❖ *Principal, Assistant Principals, AIS providers, Literacy Coach, Data Specialist, Classroom Teachers*
- ❖ *Title 1, Title 1 ARRA SWP*
- ❖ *Early Grade State Funding, Early Grade Federal Program*
- ❖ *ARRA RTTT Data Specialist*
- ❖ *TL Translation Services*
- ❖ *Title 1 Translation SWP*
- ❖ *Title III LEP*
- ❖ *Title I SWP*
- ❖ *TL Parent Coordinator*
- ❖ *TL Parent Coordinator OTPS*
- ❖ *TL Children First Network Support*

## ANNUAL GOAL #2 AND ACTION PLAN

### **Annual Goal #2**

By June 2012, 75% of all students in Grades Pre-Kindergarten- Grade 5 (580 out of 773 students) including students in subgroups-ELLs and SWDs- will improve their ability to reason abstractly and quantitatively as per the Common Core Learning Standards (CCLS) for mathematical practices as measured by obtaining a level 3 or higher on the performance task for each grade.

### **Comprehensive needs assessment**

*After conducting the beginning of the year network inventory, it was determined that student groups needed to improve their ability to reason and think abstractly, thereby applying the mathematics they know to solve problems and apply it to real world situations.*

### **Instructional strategies/activities**

#### **STRATEGIES**

- ❖ *Use the Envision Programs (3-5) and Everyday Mathematics Program (Pre-K-Grade 2) to provide instruction in basic math facts, problem solving and use of calculators and manipulatives. These programs are aligned with the National Council of Teachers of Mathematics (NCTM) Curriculum and Evaluation Standards, the New York City Performance Standards, Common Core Learning Standards.*
- ❖ *The principles of learning will be incorporated into all aspects of the Everyday Mathematics and the Envision curriculum through Accountable talk, fair and credible evaluations, clear expectations and academic rigor*
- ❖ *Use data to differentiate instruction within the Mathematics curriculum based on the needs assessment.*
- ❖ *Conduct drills (snap math) to support learning of math facts.*
- ❖ *Math workshops and professional development*
- ❖ *Celebrate the 100<sup>th</sup> day of school - Pre-K - Grade 1.*
- ❖ *Grades 2 – 5 Access Pearsonsuccesnet.com to practice math skills and play math games.*
- ❖ *Present awards for academic achievement – Grade 5*
- ❖ *Math Bee or game show competition*
- ❖ *Math-A-Thon - Grades 2 - 5*
- ❖ *Envision & Everyday Mathematics Games*
- ❖ *Create holiday packets for students in December, February, and April based on Acuity*
- ❖ *Identify & support students for intervention through the funded mathematics program, teacher recommendations and test scores.*
- ❖ *Extended Day (AIS) will provide small group instruction for 2 hours & 20 minutes per week.*
- ❖ *Use overhead projectors, Smartboards and manipulatives as motivational and instructional tools.*
- ❖ *Evaluate Spring 2012 New York State Math test scores.*

- ❖ *Implementation of estimation station*
- ❖ *Reduce class size for New York State testing Grade 4.*
- ❖ *Access VMath Live Grade 2-5*
- ❖ *Create cross-grade math committee*
- ❖ *Use technology component for Envisions, Grade 2 – 5*

#### **STAFF**

- ❖ *Provide supplemental services by a Special Education Teacher Support Service provider and Academic Intervention Service providers-*
- ❖ *Principal, Assistant Principal for ELLs and SWDs, Math Coach/Staff Developer (internal and external) and Data Specialist*

#### **Steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities:**

- ❖ *Teachers will meet as a grade weekly and monthly to discuss and analyze data, identifying areas of focus. They will discuss strategies, techniques and tools needed to provide instructional support to encourage the students to think abstractly and quantitatively: the topics will include: using mathematical language/vocabulary; an opportunity for students to explain their thinking; use of student data to plan and set goals; further development of inquiry as teams of teachers use data to inform differentiated lesson plans and flexible grouping.*
- ❖ *Benchmark Assessment Dates: September 2011, January 2012 and June 2012*

**TIMELINE:** *September 2011 through May 2012*

#### **Strategies to increase parental involvement**

- ❖ *Math and Technology Teachers will design training modules and host math and Technology workshops. The workshop materials used will be translated and interpretation support will be provided in the dominant languages spoken by parents in the school.*
- ❖ *The school will host a curriculum night and create a parent resource library with user-friendly instructional materials and guides (e.g. online Envision resource, Vmath Grade 3-5)*
- ❖ *Parent Coordinator and other staff (e.g. teachers) will attend regularly scheduled parent meetings (PA or PTA) to share information and respond to parent questions and inquires.*
- ❖ *The school will host a math games night once a year to allow parents to become familiar with helpful, fun activities in math.*
- ❖ *Parents will have individual access to Vmath Live and student Vmath Live progress reports.*
- ❖ *Ability to access school website to provide math information and math links.*

- ❖ *Provide mathematics strategies to parents through workshops, PTA meetings and parent letters.*
- ❖ *Distribute bimonthly parent school newsletter with tips for parents to support their children.*
- ❖ *Notifying parents of their children's progress and explaining State benchmarks.*

**Strategies for attracting Highly Qualified Teachers (HQT)**

- ❖ *Mentors are assigned to support struggling and un-qualified teachers.*
- ❖ *Administrative staff in collaboration with the ISC attends hiring fairs to identify and recruit highly qualified teachers following the guidelines set by the NYSED.*
- ❖ *Professional development in-house once a week, district wide & regional to support teachers and empower them to employ best teaching practices to enable all children to meet the Common Core Learning Standards.*
- ❖ *The school provides professional development in the areas indicated by the academic needs of the students.*
- ❖ *Professional Development will take place on days as prescribed by the DOE guidelines and the Chancellors designated conference days. As per our school SBO, teachers will also meet by grade level once a week to work on Math tasks.*
- ❖ *Staff Developer and Data Specialist provide meetings relating to Targeted Individual Assignments (TIA).*

**Service and program coordination**

- ❖ *An AIS/IEP teacher provides at-risk intervention services during the day to students in all grades and students who are at risk of not making adequate yearly gains and to improve the performance of SWDs and ELLs.*
- ❖ *Academic Intervention Service (AIS) personnel provide additional instruction for at-risk students. City and state exams, Acuity reports, teachers to differentiate and drive instruction use unit reviews, projects, V-Math Live, computer assignments and all other assessments.*
- ❖ *Use periodic assessment data, which is evaluated by item skills analysis. Teachers will provide Specific Targeted Instruction (ITA) in areas of deficiency or concern, using small group instruction and computer assisted/generated assignments. These assignments can be found using Acuity or V-Math Live.*
- ❖ *Students identified for temporary housing will receive at-risk counseling, AIS services, school supplies, uniforms and other needed items.*

**Budget and resources alignment**

- ❖ *Principal, Assistant Principals, AIS providers, Literacy Coach, Data Specialist, Classroom Teachers*
- ❖ *Title 1, Title 1 ARRA SWP*
- ❖ *Early Grade State Funding, Early Grade Federal Program*
- ❖ *ARRA RTTT Data Specialist*
- ❖ *TL Translation Services*
- ❖ *Title 1 Translation SWP*

- ❖ *Title III LEP*
- ❖ *TL NYSTL Software*
- ❖ *TL Fair Student Funding*
- ❖ *Contract for Excellence FY 09 Title I SWP*
- ❖ *TL Parent Coordinator*
- ❖ *TL Parent Coordinator OTPS*
- ❖ *TL Children First Network Support*
- ❖ *Per Session for teachers to plan Units of Study surround developing activities which will promote a culture where students will reason abstractly and quantitatively.*

## ANNUAL GOAL #3 AND ACTION PLAN

### **Annual Goal #3**

By June 2012, 50% (107) of the male students in Grades 3-5 (213 males) will meet or exceed the proficiency level 3 on the New York State English Language Arts Test.

### **Comprehensive needs assessment**

*Based on the two year Assessment Report 2009-2011, the males are continuously underperforming the female population in the school. In 2009-2010, the females outperformed the males by 19% where 35 % of the males met or exceeded proficiency level 3; in 2010-2011, the females outperformed the males by 8% where the males met or exceeded proficiency level 3 by 41%.*

### **Instructional strategies/activities**

#### **STRATEGIES**

- ❖ *Group students according to F&P levels and reading comprehension skills.*
  - *Differentiated instruction based on needs and interests.*
- ❖ *ELL/SWD will receive additional support such as AIS via push in and pull out services.*
- ❖ *Grade level inquiry meetings designed to discuss student progress.*
- ❖ *Provide project-based assignments.*
- ❖ *Invite male motivational speakers to influence social, emotional and educational development.*
- ❖ *Appoint reading buddies.*
- ❖ *Conduct interest surveys and utilize the information to drive individualized instruction.*
- ❖ *Provide supplemental services such as AIS and TIA.*
- ❖ *Book discussion*
- ❖ *Teacher generated tests/quiz, projects, F&P assessments 3x year, ACUITY*
- ❖ *Total physical response*
- ❖ *Read 180, Achieve 3000*
- ❖ *High interest texts –create high interest survey to determine high interest texts*

#### **STAFF**

- ❖ *Data specialist, staff developers, classroom/cluster teachers, SETSS, speech and guidance counselor*
- ❖ *Teacher input during review of assessment/grade level inquiry. Meeting will drive instructional objectives. Strategies to be revised as needed. Progress discussed during common planning time and grade level meetings.*

**Steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities:**

- ❖ *Teachers will meet as a grade weekly and monthly to discuss and analyze data, based on gender. They will discuss strategies, techniques and tools needed to provide instructional support to encourage the students to think critically. The vertical planning team will meet biweekly to discuss ways to address the needs of the males across grades.*
- ❖ *Benchmark Assessment Dates: October 2011, December 2011, March 2012 and June 2012*

**TIMELINE:** Sept 2011-May 2012

**Strategies to increase parental involvement**

- ❖ *The school will host a curriculum night and create a parent resource library with user-friendly instructional materials and guides (e.g. What Every Grader Should Know, Great Expectations, New York Kids Learn).*
- ❖ *Parent Coordinator will create and develop a series of school-wide workshops and events that will focus on increasing male literacy performance.*
- ❖ *Parent Coordinator and staff will attend regularly scheduled parent meetings (PTA) to share information and respond to parent questions and inquiries.*
- ❖ *The school will create and distribute a parent handbook that is translated in all dominant languages.*
- ❖ *Parents will be trained on how to use ARIS parent link to monitor student progress.*
- ❖ *Parents will monitor students' monthly reading tasks on Acuity. Reading tasks are generated based on students' needs and interests.*

**Strategies for attracting Highly Qualified Teachers (HQT)**

- ❖ *Being clear and precise about school goals and expectations.*
- ❖ *Presenting a school climate that is inviting.*
- ❖ *Provide in-house opportunity for promotions so as to motivate teachers to become qualified.*
- ❖ *Provide support for teachers through mentoring system, buddy teachers, PD, and intra-visitation.*
- ❖ *Open-door policy with supervisors.*
- ❖ *Empowering teachers by allowing them conduct workshops.*
- ❖ *Conduct needs assessment survey and provide PD for teachers.*
- ❖ *Willingness to listen to ideas and suggestions that would enhance students' performance.*

**Service and program coordination**

- ❖ *Parent Coordinator serves as a liaison to the community.*
- ❖ *PBIS (Positive Behavior Intervention Support) to address behavior (RTI)*
- ❖ *Professional instructional material to support curriculum development during the regular school day.*
- ❖ *Consumable instructional materials for use during extended day programs.*

**Budget and resources alignment**

- ❖ *Principal, Assistant Principals, AIS providers, Literacy Coach, Data Specialist, Classroom Teachers*
- ❖ *Title 1, Title 1 ARRA SWP*
- ❖ *Early Grade State Funding, Early Grade Federal Program*
- ❖ *ARRA RTTT Data Specialist*
- ❖ *TL Translation Services*
- ❖ *Title 1 Translation SWP*
- ❖ *Title III LEP*
- ❖ *TL NYSTL Software*
- ❖ *TL Fair Student Funding*
- ❖ *Title I SWP*
- ❖ *TL Parent Coordinator*
- ❖ *TL Parent Coordinator OTPS*
- ❖ *TL Children First Network Support*

**ACADEMIC INTERVENTION SERVICES (AIS)**

On the chart below, indicate the total number of students receiving AIS in each area listed for each applicable grade in your school.

Identified groups of students who have been targeted for AIS, and the established criteria for identification include:

- Students in Grades K – 3 who are considered at-risk for not meeting State standards as determined by their performance on ECLAS 2 or other identified assessments, or who have been identified as potential holdovers.
- Students in Grades 4 – 8 who are performing at Level 1 or Level 2 on New York State English language arts (ELA), mathematics, science, and social studies assessments.
- Students in Grade 9 who performed at Level 1 or Level 2 on NYS Grade 8 ELA, mathematics, science, and social studies assessments.
- Students in Grades 10 – 12 who scored below the approved passing grade on any Regents examination required for graduation in English language arts, mathematics, science, and social studies.

## SCHOOL PARENTAL INVOLVEMENT POLICY 2011-2012

### PART I: GENERAL EXPECTATIONS

P.S. 135, The Sheldon A. Brookner School, agrees to implement the following statutory requirements:

- The school will put into operation programs, activities and procedures for the involvement of all parents of Title I eligible students consistent with section 1118-Parental Involvement of the Elementary and Secondary Education Act (ESEA). The programs, activities and procedures will be planned and operated with meaningful consultation with parents of participating children.
- The school will provide full opportunities for the participation of students with Limited English Proficiency (LEP), parents with disabilities, and parents of migratory children. This will include providing information and school reports required under state law in an understandable and uniform format and, including alternative formats upon request, and, to the extent practicable, in a language parents understand.
- The school will involve the parents served in Title I, Part A program(s) in decisions about how the Title I, Part A funds reserved for parental involvement is used.
- The school will carry out programs, activities and procedures in accordance with this definition of parental involvement:
  - Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving students' academic learning and other school activities, including ensuring:
    - ❖ That parents play an integral role in assisting their child's learning;
    - ❖ That parents are encouraged to be actively involved in their child's education at school;
    - ❖ That parents are full partners in their child's education and included, as appropriate, in the decision-making and on advisory committees to assist in the education of their child; *and*
    - ❖ The carrying out of other activities, such as those described in Section 1118-Parental Involvement of the ESEA.

### PART II: DESCRIPTION OF HOW THE SCHOOL WILL IMPLEMENT THE REQUIRED SCHOOL PARENTAL INVOLVEMENT POLICY COMPONENTS

1. P.S. 135 will take the following actions to involve parents in the joint development of the District Parents Involvement Plan by:
  - Sharing parental concerns and suggestions with the District on an ongoing basis *and* according to the District Parental Involvement Plan
2. P.S. 135 will take the following actions to involve parents in the process of school review and improvement by:
  - Notifying parents of any change regarding the school's status
  - Including the School Leadership Team in the planning of the Comprehensive Educational Plan (CEP)
3. P.S. 135 will coordinate and integrate parental involvement strategies in Title I, Part A with parental involvement strategies under the following programs, Universal Pre-K by:
  - Including parents of Universal Pre-K students in all parent involvement initiatives developed and implemented by the school, the district and the region.
4. P.S. 135 will take the following actions to conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this parental involvement policy in improving the quality of its Title I, Part A program. The evaluation will include identifying barriers to greater participation by parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background. The school will use the findings of the evaluation about its parental involvement policy and activities to design strategies for more effective parental involvement, and to revise, if necessary (and with the involvement of parents) its parental involvement policies by:
  - Issuing a parental survey to evaluate parental involvement in the school. Parental survey will be developed by the parent coordinator who will implement results of the survey into parental involvement initiatives and into the school's parent involvement policy. The role parents will play in the evaluation is by responding to the survey and also addressing concerns to the parent coordinator.
5. P.S. 135 will build the parents' capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the school, parents, and community to improve student academic achievement, through the following activities specifically described below:
  - By providing assistance to parents of children served by the school, as appropriate, in understanding topics such as the following:
    - The State's academic content standards;
    - The State's student academic achievement standards;
    - The State and local academic assessments including alternate assessments;
    - The requirements of Title I, Part A;

- How to monitor their child's' progress; *and*
  - How to work with educators.
- By undertaking the actions described below:
    - Conducting parent workshops related to curriculum and instruction;
    - Notifying parents of their children's progress and explaining State benchmarks
    - Developing guides for parents to understand the NYS Individual Student Report;
    - Providing assistance on an ongoing basis to individual parents who address their concerns and/or questions to the parent coordinator.
  - The school will provide materials and training to help parents work with their children to improve their children's academic achievement, such as literary training, and using technology, as appropriate, to foster parental involvement by:
    - Conducting parent workshops;
    - Distribution of bimonthly parent school newsletter with tips for parents.
  - The school will, with the assistance of the district and parents, educate its teachers, pupil services personnel, principals and other staff, in value and utility of contribution of parents, and in how to implement and coordinate parent programs and build ties between parents and the school by:
    - Providing information through workshops, PTA meetings and parent letters.
  - The school will, to the extent feasible and appropriate, coordinate and integrate parental involvement programs and activities with Superstart, Home Instruction Programs for Preschool Youngsters and public preschool and other programs, and conduct and/or encourage participation in activities, such as Parent Resource Centers, that support parents in more fully participating in the education of their children by:
    - Having an area in the building designated as the parent room facilitated by the parent coordinator.
  - The school will take the following actions to ensure that information related to the school and parent programs, meetings, and other activities, is sent to the parent of Title I participating children in and understandable and uniform format, including alternative formats upon request, and, to the extent practicable, in a language the parents can understand:
    - Sending notices home with students or via email
    - Distributing additional notices to parents during arrival and/or dismissal
    - Posting notices on the parent bulletin board located inside the main lobby or outside the parent coordinator room (Room 201).

## **SCHOOL-PARENT COMPACT 2011-2012**

The Sheldon Brookner Public School 135 and the parents of students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) agree that this Compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

### **SCHOOL RESPONSIBILITIES**

We, the **STAFF** of PS 135, will:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:
  - Ensuring a safe and healthy environment >
  - Providing professional development to staff >
  - Working together with parents
- Hold parent-teacher conferences during which this Compact will be discussed as it relates to the individual child's achievement. Conferences will be held on the following dates:
  - FALL-**      *Tuesday, November 15, 2011 – afternoon, 1:00-2:30pm*  
*Tuesday, November 15, 2011 – evening, 5:30-8:00pm*
  - SPRING-**    *Tuesday, March 13, 2012 – afternoon, 1:00-2:30pm*  
*Tuesday, March 13, 2012 – evening, 5:30-8:00pm*
- Provide parents with frequent reports on their children's progress. Specifically, the school will provide reports as follows:
  - Student Progress Reports will be distributed in October, January and May.
  - After each marking period a report card will be produced for each student;
  - As needed, school personnel will contact parents by written letter and/or telephone call when specific concerns arise.
  - Provide parents reasonable access to staff. Specifically, staff will be available for consultation with parents as follows:
    - During the school day by telephone or visiting the school. Meetings with teachers that are pre-arranged.
    - The Parent Coordinator, located in Room 201 and contacted by cellular phone at (347) 563-4729 or by email, [pwilson22@schools.nyc.gov](mailto:pwilson22@schools.nyc.gov)
- Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities, as follows:
  - Classroom volunteers attend a Learning Leaders orientation, (contact the

- parent coordinator for more information)
  - Classroom observations can be arranged.
- Provide a welcoming environment for students and parents.
  - Involve parents in the planning, review and improvement of school's parental involvement policy, in a organized, ongoing, and timely way.
  - Provide each parent with an individual student report about the performance of their child on the State assessment in at least English Language Arts and Mathematics.

### **PARENT RESPONSIBILITIES**

We, as **PARENTS** will support our children in the following ways:

- Ensuring my child is in school by 8:20 AM each day and prepared for instruction;
  - Monitoring attendance;
  - Talking with my child each day about his/her school activities;
  - Scheduling daily homework time;
  - Providing an environment conducive for study;
  - Ensuring homework is completed correctly to the best of my ability;
  - Monitoring the amount of television and the types of shows my child watches;
  - Participating, as appropriate, in decisions relating to my children's education;
  - Promoting positive use of my child's extracurricular time;
  - Participating in school activities/functions on a regular basis, including attending PTA meetings and parent workshops;
  - Staying informed about my child's education and communicating with the school by promptly reading all notices from the school or the school district either received by my child or by mail and responding, as appropriate including completing a school lunch form;
  - Reading together with my child on a regular basis;
  - Ensuring my child has a library card;
  - Communicating positive values and character traits, such as respect, hard work and responsibility;
  - Helping my child accept consequences for negative behavior;
  - Being aware of and following the rules and regulations of the school, district and region;
  - Supporting the city and school's discipline policy;
  - Express high expectations and offer praise and encouragement for achievement;
  - Review Compact with my child and file copy of Compact in a secure place.
  - Adhering to school safety policies and procedures.

### **STUDENT RESPONSIBILITIES**

We, as **STUDENTS**, will share the responsibility to improve our academic achievement and achieve State's high standards. Specifically, we will:

- Come to school ready to do my best and be the best;
- Come to school with all the necessary tools of learning- pens, pencils, books, etc. and other supplies requested by the teacher;
- Listen and follow directions given by the teacher and other school personnel;
- Participate in class discussions and activities;
- Be honest and respect the rights of others;
- Follow rules of conduct in the classroom and the school;
- Follow the school's dress code;
- Ask for help when I do not understand something;
- Do my homework every day and ask for help when I need to;
- Study class lessons and prepare for tests;
- Read at least 30 minutes every day outside of school time, individually and/or with my parents;
- Get adequate sleep every night;
- Use the school and public library to get information and to find books that I enjoy reading;
- Give my parents/guardians all notices and information I receive at school.

**OFFICE OF ENGLISH LANGUAGE LEARNERS  
GRADES K-12 LANGUAGE ALLOCATION POLICY  
SUBMISSION FORM  
2011-12**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This LAP form, an appendix of the CEP, also incorporates information required for CR Part 154 funding so that a separate submission is no longer required. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. ## Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [[see tool kit](#)].)
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
5. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
6. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. 

#### ELL Identification Process

At P.S. 135 possible ELL's are identified by administering the home language identification survey (HLIS) which includes the informal oral interview in English and in their native language. Gina Douglas, certified ESL Teacher, will conduct the survey. Ms. Douglas will have the student read the story and provide simple math facts to solve on the new admit's grade level. The HLIS is given in the language of the parent.

The students are tested with the revised language Assessment Battery test (LAB-R) within 10 days of entry to P.S. 135. Gina Douglas, ESL Teacher, will hand score the test and the results will determine if the student is proficient in English or needs to attend the free standing pull out English as a Second Language (ESL) Program at P.S. 135 with the ESL Teacher. To evaluate the ELLs annually, the New York State English as a Second Language Achievement Test (NYSESLAT) was administered in the Spring 2011 and according to their results, ELLs will be placed in the ESL Program and the parents choice.

Once a student is identified, the parent must be notified and informed of ELL Programs in a language that they understand and given an opportunity to select a program for their child from one of the three educational programs for ELLs: The Dual Language Program, The Transitional Bilingual Education Program, or the ESL Program. Next, parents are invited to an ELLs orientation to watch a video in their native language regarding their options upon the three choices (Dual Language, Transitional Bilingual, or ESL). An informal oral interview is what we use to interview the student informally. The Spanish LAB should be administered by a pedagogue to any Spanish child who fails the LAB-R.

The parents complete the Parent Survey and Program Selection form and their child is placed in the requested program. After reviewing the Parent Survey and Program Selection Forms for the past few years the majority of the newly enrolled ELLs parents request the ESL Program. The parent with the two newly enrolled students selected the ESL Program at P.S. 135. ELLs participating in the Free Standing ESL Program must receive language arts and subject matter instruction in English through the use of specific ESL instructional strategies. It is expected that ELLs achieve proficiency in English within three years. The Parent Survey Forms are put in the students cumulative folder and the ESL Teacher keeps a copy on file.

The Parent Coordinator, Ms. Pamela Wilson, and the ESL Teacher Gina Douglas will give the entitlement letters to the new ELLs' parents and then the letters are returned to the ESL Teacher when completed by the parent. The letters are given in the native language of the parent.

The ELLs recieved the the NYSESLAT anually from the ESL teacher, Gina Douglas using the NYSESLAT eligibility roster(RLER) for students who are eligibile for the NYSESLAT. All four componets of the NYSESLAT are given within the testing window on four different days. The NYSESLAT is given by grade levels in small groups by the ESL teacher, Gina Douglas. Each of four componets are given seperatly within the testing period required by the state. In September, the results of the NYSESLAT is

reviewed to determine if the ELLs will receive ESL services or have become proficient.

After ELLs have been identified as an ELL from the LAB-R test, a parent meeting is convened to inform parents of the program choices. On the parent service and parent selection form, majority of the parents opt for the Free Standing ESL program. Parents who have chosen TBE/DL program are informed by the parent coordinator's (Pamela Wilson) help that the regional placement office will help them. Translations when needed are provided.

Entitlement letters are sent to the parents of ELLs who did not become proficient on the NYSESLAT in the language of the parent or English if requested. The entitlement letters are based on the NYSESLAT's scores of Spring 2011. This letter informs the parents that the ELLs will remain in the Free Standing ESL program or they may choose a TBE/DL program of choice. All returning students at P.S. 135 parents again chose the Free Standing ESL program. These letters are signed by the parents then returned to school and copied. One copy is placed in the student's cumulative record card and the other copy for the ESL teacher's record.

Placement letters are distributed to parents discussing all three programs. Continued letters are issued to all ELLs that did not meet proficiency on the NYSESLAT Spring 2011 exam to parents. Parents are asked to sign it and it is then placed in the cumulative record of the ELL when it is returned and kept on file with the ESL teacher.

## Part IV: ELL Programming

### A. Programming and Scheduling Information

1. How is instruction delivered?
  - a. What are the organizational models (e.g., Departmentalized, Push-In [Co-Teaching], Pull-Out, Collaborative, Self-Contained)?
  - b. What are the program models (e.g., Block [Class travels together as a group]; Ungraded [all students regardless of grade are in one class]; Heterogeneous [mixed proficiency levels]; Homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
  - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.
4. How do you ensure that ELLs are appropriately evaluated in their native languages?
5. How do you differentiate instruction for ELL subgroups?
  - a. Describe your instructional plan for SIFE.
  - b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs.
  - c. Describe your plan for ELLs receiving service 4 to 6 years.
  - d. Describe your plan for long-term ELLs (completed 6 years).
6. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?
7. How does your school use curricular, instructional, and scheduling flexibility to meet the diverse needs of ELL-SWDs within the least restrictive environment?

The LAB-R scores guide the ESL Teacher to provide appropriate instructional placement to support the ELLs with English Language development. At P.S 135, a pull out program is used and the ELLs are grouped by grades. Grade 1 together, grade 2 and grade 3 together with grade 4. Grade 5 is together with 1 third grader. The ELLs receive the necessary ESL and ELA instructional units as required by Commissioner's Regulations Part 154. The English Proficiency as per score on the NYSESLAT or LAB-R (for new admits ): Beginners (B) ELLs must receive 360 minutes per week of ESL instruction. Intermediate (I) ELLs must receive 360 minutes. Advanced (A) ELLs must receive 180 minutes per week of ESL instruction and 180 minutes per week of ELA instruction. All ELLs must receive the required minutes of ESL instruction in "equal daily allotment" as per CR Part 154 Regulations. P.S 135 provide ESL services to our ELL's through a pullout program. The instruction and distribution of time is in accordance with Part 154. Our B (Beginning) and I (Intermediate) level students receives two units (360 minutes) of ESL per week. Our A (Advanced) level students receive one ESL unit (180 minutes) and one ELA unit per week.

The new admits who enter consistently throughout the year into grades k through 5 may come with little or no formal education from their native countries. All ELL students are held to the same high academic standards as the monolingual students at P.S. 135. All student s participate in a 120 minute literacy block, which incorporates the components of a balanced literacy program, including read aloud, shared reading, guided reading and the writing workshop. The uniform curriculum in literacy and mathematics is taught to all students and is organized around major concepts/themes that students are expected to learn while developing academic language using ESL strategies. The instructional materials used to support ELL students in all contact areas include Everyday Mathematics, NYS Coach

## A. Programming and Scheduling Information

Testing Book for grades 3 through 5, Elements of Daily Math for grades 2 through 5, test book which supplements Everyday Mathematics.

The instructional plan for SIFE is for these students to receive rigorous grade instruction in all content areas taught in English. These students will also attend the extended day program 3 times a week receiving literacy instruction and targeted mathematics intervention. The ELLs will also receive AIS which provides targeted instruction in listening, speaking, reading, and writing. They will use the program Read 180.

The instructional plan for new comers (less than 3 years) is to ensure that they meet the city and state standards. P.S.135 will utilize many different strategies and activities to ensure that ELL students learn their new language. Some strategies include cooperative learning, thematic units, modeling, scaffolding, graphic organizers and differentiated instruction. Materials used: Words Their Way for Phonemic Awareness, Just Right Reading for Comprehension Skills and books on tapes to build oral fluency.

The content area instruction materials used to support ELL's: Phonics Skills Reinforcement Activities published by Rosen Classroom Books and Materials- NY. Alpha Kids: The Alphabet Books, Sundance publishing. Best practices in Reading Levels A, B, C Options Publishing Inc. Just Right Reading Levels A, B, C, D, E Options Publishing, Language for Learning Levels C, D, E Building Content Area and Academic Vocabulary Options Publishing. Various multicultural big books and story books are provided for pleasure reading and information to demonstrate cross - cultural knowledge and understanding.

The instructional plan for ELLs receiving service 4 to 6 years are the Extended Day Program 3 days a week, AIS, and Grades 2-5 ELLs will participate in the TITLE III ELLs After School Program from 3:30 p.m. - 5:00 p.m. three days per week.

The instructional plan for long term ELLs (completed 6 years) will be extended day program three days a week, AIS, targeted instruction allowing the ELLs to receive targeted instruction in Math, ELA, and ESL. Referrals for long term ELLs, summer school and counseling are based on their individual needs and conflict resolution skills.

The instructional plan for ELLs identified as having special needs will receive group or individual counseling based on their individual needs or conflict resolution skills.

The targeted intervention programs for ELLs are the Wilson Program and Read 180 with the use of laptops. Several ELLs on the testing grade attend this program. There is a new after school program meeting 3 times a week just for ELLs to become proficient in English for 1 and a half hours. This program will develop fluency and proficiency.

ELL's will be provided with specific strategies to help develop their listening, speaking, reading and writing skills. Activities will be implemented to guide students in reading. Some activities include shared reading, guided reading, the use of language cards, books on tape, poetry, theme packs, access to picture and foreign language dictionaries, graphic organizers, and the use of puppets to re-enact various texts.

The ESL Teacher at P.S 135 incorporates the components of balanced literacy in small group instruction. In order to ensure continuity of learning the ESL Teacher and Classroom teachers articulate about the instructional needs of the ELL's in all areas. Example: balanced literacy, content areas of science, social studies and mathematics.

In the ESL Classroom the ELL's are grouped on proficiency levels. This type of grouping allows the opportunity to enhance differentiated instruction. ELL's with higher levels serve as models for beginner ELL's while they achieve higher levels of academic language.

Everyday Mathematics is P.S. 135's chosen curriculum for grades K through 5. Children engage in the learning of the math process by using manipulatives so that they may build a strong mathematical foundation. At P.S 135 we want all students including ELL's to become adept at problem solving to engage in critical thinking and as a result, demonstrate their ability to find solutions that work for them.

## A. Programming and Scheduling Information

The instructional materials including technology used at P.S 135 are the following: A technology program called Read 180 for grades 3 to 5. Using this program ELL's use laptops and this program helps prep them for the ELA State Test, enhanced reading skills and to become more proficient as test takers. Our technology program called Achieve 3000 for grades 3 through 5 allows the ELL's to use laptops and get test prep help for the ELA State Test. The AIS Teacher works with these ELL's.

Another program at P.S. 135 using technology that the ELL's used is the Rigby- Intervention by design. This is a differentiated program the ELL's are tested first and then the ESL teacher teaches them on their level. Some components are phonics, reading, vocabulary and comprehension. In this program there are also two levels K through 2 the primary kit and 3 to 5 the intermediate kit.

Native language support for the content area in the ESL program is supported by the acquisition of supplemental instructional materials aligned to the New York state performance standards and the New York state learning standards. Practices and approaches include, but are not limited to scaffolding to support student learning in the content area bridge techniques that connect new concepts to prior knowledge using multi-cultural literature and visual aids in content are instruction, and employing dramatic and oral presentations to enhance communication and understanding. The ESL classroom contains leveled and bilingual libraries. Students have access to bilingual glossaries and dictionaries in all the classrooms. Teachers and paraprofessionals are available to translate for the students in the different languages spoken at P.S. 135. Students are also offered but are not limited to the Translations Services Unit which provides certified translators to support ELL students in their native languages.

The instructional plan for SIFE is small group instruction and guided reading groups are used to differentiate instruction for SIFE ELLs. The plan for long term ELLs( completed six years) is small group instruction and guided reading groups are used. We will use the ELL Interim Assessment Test which drive small group instruction into the ESL classroom.

P.S. 135 ensures ELL-SWD receive all services mandated on their IEPs, by the number of different instructional strategies and grade level materials that are used with ELLs/SWDs. Instructions are given in smaller increments so that the ELL/SWD is able to keep up with the class. The Wilson reading program is used for reading intervention. When using Intervention by Design which is used at P.S.135 the student uses the ESL book that comes with the kit when working with guided reading activities. When working in math, the ELL-SWD is

We will use multicultural books such as "A Chair for My Mother" and "Dumpling Soup" for the content area of social studies to discuss different cultures. The plan for continuing transitional support (2 years) for ELLs reaching proficiency on the NYSESLAT is to continue with AIS instruction and Extended Day 3 times a week. Continue with test prep using the NYSESLAT test preparation books. We will incorporate more technology such as Leap Pad for early intervention for phonics and word study. All ELLs are invited to participate in all programs like the monolingual population. The title III after school program is used, Extended Day 3 times a week and AIS during the day. Native language support is used in the ESL program by the staff that speak the language of the ELLs. All services are provided for ELLs on grade levels such as Guidance, Speech and SETTS. The ELLs are offered English as a second language, there are no other language programs in this school.

Native Language support is delivered at P.S. 135 through the use of the different Bilingual staff members.

At P.S 135, we call on the many staff members such as our social worker and family worker who speak fluent Haitian Creole to assist and help the ELL students adjust to their class and school environment. There are also teachers that speak fluent Spanish and Haitian Creole. Usually ELL students are placed in those classrooms when available. These teachers seek out and help the ELL students. There are also Paraprofessionals who assist in the classroom that help the ELL students. Dictionaries have been order in their native languages (Spanish, Haitian Creole, and Arabic) of the ELL's to be used in the ESL Program.

Glossaries in the Native Languages of the ELL's are given to the ELL's in the content areas of Math and Science. The ELL's use these glossaries during class time to become familiar with the terminology on the State Test.

The ESL Teacher and the Principal can also contact BTEC for support for material for the ELL's. The OELL (Office of English Language Learners) is also available to give the teachers of ELL's support to help the ELL's.

At P.S. 135 there are two guidance counselors that service the school at different grade levels.

There is a guidance counselor at our ECC (Early Childhood Center) for grades K through 1. The guidance counselor give the ELL's at the ECC emotional support from the time they arrive by introducing the new ELL to students in their new class. If there is another native language speaking student the guidance counselor makes sure the new ELL can be paired with them for support during the day. The guidance counselor also seeks help from any staff member for translations if needed to help the ELL's. The guidance counselor will also help the ELL's Parent with any important documentation such as medical needs and school needs.

At the main building of P.S. 135 the guidance counselor provides services for grades 2 through 5. The guidance counselor may have groups of individual sessions to listen to the needs of the ELL students. If the ELL student cannot speak any English the guidance counselor will let them draw (Art Therapy) to communicate. The guidance counselor will ask the classroom teacher to buddy up the new ELL with another student who speaks the native language of the ELL. The guidance counselor will reach out to the Parents to discuss any problems with the ELL's (Behavior, meeting school needs and testing). If needed, translation will be provided by the staff.

At P.S. 135 we assess the newly enrolled ELL students before the beginning of the new school year with the Principal giving the ELL's a school walk through of the school building. The tour basically involves showing the new ELL's the cafeteria, the gym, the restrooms for boys and girls, the Library, the Auditorium, and the line up areas for specific grades.

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
3. Describe the minimum 7.5 hours of ELL training for all staff (including non-ELL teachers) as per Jose P.

Professional Development and Support for School Staff

The professional development plans are designed to promote high levels of academic achievement while integrating second language instruction. Professional development workshops are conducted outside the school. The ESL teacher attends these meetings on a monthly basis.

The 7.5 hours of ESL mandated professional development will be fulfilled for all staff. The ESL Teacher will articulate how to bring the ELLs to fluency and proficiency in English through the use of a weekly articulation sheet and meetings. All classroom teachers receive a minimum of 7.5 of ELL training. There is a sign in sheet as a record of this training. Teachers will attend Departmental Professional Development Sessions on the following topics: small group instructions, guided reading groups for ELLs, NYSESLAT/Acuity data analysis.

The ELLs will obtain support such as meeting with the guidance counselor to discuss the different types of middle schools, program and activities available to them when they transition from P.S. 135 to the middle school. There will be meetings with parents about the middle schools. ELLs will take a walk through to the middle schools to become familiar with school procedures, settings and expectations.

The guidance counselor has meetings with the 5<sup>th</sup> grade ELLs to discuss their future in middle school thru career choices. A career day is held where actual workers (lawyers, dentists, accountants, etc.) share and discuss their occupation. ELLs are asked to discuss the occupation and articulate by asking questions.

As part of our ongoing professional development, the ESL teacher will meet regularly and communicate with classroom teachers, subject area teachers, paraprofessionals and special education teacher on how to integrate instructional strategies to address the needs of ELL's. The ESL teacher will specifically discuss the newcomers, long term ELL's, Special Education ELL's and ELL's who have reached proficiency.

Teachers and the ESL teacher will have targeted instruction for ELL's SIFE, and long term ELL's by providing small group targeted instruction via title I programs for ELA, Math and ESL. The AIS teacher will provide targeted instruction in listening, reading, speaking and writing.

Guidance counselors will provide ELL's, SIFE and long term ELL's group counseling or individual counseling based on their individual needs or conflict resolution skills.

The secretaries at P.S. 135 make sure the parents of the ELL's receives the correct HLIS (Home Language Identification Survey Form) in their appropriate language. The secretary notifies the ESL teacher of a possible new ELL, and the secretary gives the parents all of the necessary information ( sometimes through an interpreter) about the school procedures, meetings, uniforms, bus information, arrival and dismissal time, lunch schedules for the ELL's.

Support staff members, assistant principals, paraprofessionals, psychologists, speech therapists, parent coordinators, participate in monthly professional development conducted by CFN Jema Ferguson and on the school level.

The Parent Coordinator and the ESL teacher help the parents of the ELL's with the Orientation meeting and different workshops

1. Describe parent involvement in your school, including parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

At P.S. 135 we increase parental participation in various school activities and make parents partners in the educational process.

Parents are involved on various committee including Parent Teacher Association, School Leadership Team and the Parent Advisory Council. Parents are encouraged to participate in school activities, assemblies and field trips. All parent correspondence including letter, flyers and other communications are translated into a variety of languages spoken by our multilingual families. Translators are available for languages such as Arabic.

All parents of ELLs are invited to participate in Curriculum Night during the month of September. At this time, ELL parents are informed about school expectations, assessments, city/state standards and the ESL Program.

At P.S. 135, there are many ways that involves the parent community including the parents of ELL's. The Parent Coordinator will have a workshop called ARIS Parent Link for parents to go online and gain access to see their child's grades and monitor attendance of their child. They can have access and interpret Acuity information.

There is a Title I/ Academic Intervention service program designed to improve the child's academic achievement. At this meeting the parents will be made aware of the services their child is receiving. The parents will meet several of the faculty who will discuss and answer the questions regarding the programs. In attendance will be SETSS Teacher, Math Coach, Literacy Coach, AIS Teacher, Guidance Counselor, Math Staff Developer, Parent Coordinator and the ESL Teacher.

There is also a workshop for parents on the testing grades (3rd, 4th, and 5th) to discuss the upcoming ELA and Math State Test.

There is a Pajama Read Aloud Night where the students come in their pajamas and are read to by some of the staff members.

There is also Movie Night/ Family Night where families gather to meet other families to discuss school matters.

Parent of children identified as an ELL are invited to all of these workshops.

We meet the needs of parents who need translation through the use of in-house staff who speak the same language of ELL's or by the Translation/ Interpretation Unit Services.

The ESL Teacher and the Principal can also contact BTEC for support for material for the ELL's. The OELL (Office of English Language Learners) is also available to give the teachers of ELL's support to help the ELL's.

At P.S. 135 there are two guidance counselors that service the school at different grade levels.

There is a guidance counselor at our ECC (Early Childhood Center) for grades K through 1. The guidance counselor give the ELL's at the ECC emotional support from the time they arrive by introducing the new ELL to students in their new class. If there is another native language speaking student the guidance counselor makes sure the new ELL can be paired with them for support during the day. The guidance counselor also seeks help from any staff member for translations if needed to help the ELL's. The guidance counselor will also help the ELL's Parent with any important documentation such as medical needs and school needs.

At the main building of P.S. 135 the guidance counselor provides services for grades 2 through 5. The guidance counselor may have groups of individual sessions to listen to the needs of the ELL students. If the ELL student cannot speak any English the guidance counselor will let them draw (Art Therapy) to communicate. The guidance counselor will ask the classroom teacher to buddy up the new ELL with another student who speaks the native language of the ELL. The guidance counselor will reach out to the Parents to discuss any problems with the ELL's (Behavior, meeting school needs and testing). If needed, translation will be provided by the staff.

At P.S. 135 we assess the newly enrolled ELL students before the beginning of the new school year with the Principal giving the ELL's a school walk through of the school building. The tour basically involves showing the new ELL's the cafeteria, the gym, the restrooms for boys and girls, the Library, the Auditorium, and the line up areas for specific grades.

## B. Programming and Scheduling Information--Continued

8. Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
9. Describe your plan for continuing transitional support (2 years) for ELLs reaching proficiency on the NYSESLAT.
10. What new programs or improvements will be considered for the upcoming school year?
11. What programs/services for ELLs will be discontinued and why?
12. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
13. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?
14. How is native language support delivered in each program model? (TBE, Dual Language, and ESL)
15. Do required services support, and resources correspond to ELLs' ages and grade levels?
16. Include a description of activities in your school to assist newly enrolled ELL students before the beginning of the school year.
17. What language electives are offered to ELLs?

We will use multicultural books such as "A Chair for My Mother" and "Dumpling Soup" for the content area of social studies to discuss different cultures. The plan for continuing transitional support (2 years) for ELLs reaching proficiency on the NYSESLAT is to continue with AIS instruction and Extended Day 3 times a week. Continue with test prep using the NYSESLAT test preparation books. We will incorporate more technology such as Leap Pad for early intervention for phonics and word study. All ELLs are invited to participate in all programs like the monolingual population. The title III after school program is used, Extended Day 3 times a week and AIS during the day. Native language support is used in the ESL program by the staff that speak the language of the ELLs. All services are provided for ELLs on grade levels such as Guidance, Speech and SETTS. The ELLs are offered English as a second language, there are no other language programs in this school.

Native Language support is delivered at P.S. 135 through the use of the different Bilingual staff members.

At P.S 135, we call on the many staff members such as our social worker and family worker who speak fluent Haitian Creole to assist and help the ELL students adjust to their class and school environment. There are also teachers that speak fluent Spanish and Haitian Creole. Usually ELL students are placed in those classrooms when available. These teachers seek out and help the ELL students. There are also Paraprofessionals who assist in the classroom that help the ELL students. Dictionaries have been order in their native languages (Spanish, Haitian Creole, and Arabic) of the ELL's to be used in the ESL Program.

Glossaries in the Native Languages of the ELL's are given to the ELL's in the content areas of Math and Science. The ELL's use these glossaries during class time to become familiar with the terminology on the State Test.

The ESL Teacher and the Principal can also contact BTEC for support for material for the ELL's. The OELL (Office of English Language Learners) is also available to give the teachers of ELL's support to help the ELL's.

## Additional Information

Please include any additional information that would be relevant to your LAP and would further explain your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

The ELLs are included in all programs offered in our school. There is Extended Day which consists of Literacy and Math instruction 3 days a week. The ELLs attend an After School TITLE III program 3 days a week. This program is used to build fluency and enhance the ELLs proficiency in the areas of reading, writing, listening and speaking. The ELLs are grouped into grades 2 and 3 and grades 4 and 5. They are using a program called Building Fluency through Readers Theater. This program is adapted to scaffold and model language usage to meet the students needs at multiple ELL levels. Th ELLs that attend the AIS Program are also building their fluency and proficiency using the Achieve 3000 Program. In this program, the ELLs are using technology to enhance their learning experience and develop reading skills in grade 3 through 5. In the AIS Program the ELLs are also using the Read 180 Program. This program enhances their listening skills through the use of technology with laptops and headphones.

After the ELLs have taken the ELA ITA test in the Acuity, the ESL Teacher uses the data to create acuity assignments for the children to work on to help them with instruction and test taking.

The ELLs are given a periodic assessment test twice a year to prepare them and help them in the areas of listening, writing and reading. Scores can be viewed online for the ESL Teacher to plan lessons on the targeted weak areas.

The ELLs progress is monitored by the classroom teacher by conducting monthly assessment-Fountas & Pinnell Assessment- and through collaboration and articulation with the ESL teacher, Gina Douglas, the data is shared, thereby using to inform instruction.

## C. Schools with Dual Language Programs

1. How much time (%) is the target language used for EPs and ELLs in each grade?
2. How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?
3. How is language separated for instruction (time, subject, teacher, theme)?
4. What Dual Language model is used (side-by-side, self-contained, other)?
5. Is emergent literacy taught in child's native language first (sequential), or are both languages taught at the same time (simultaneous)?

## D. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
3. Describe the minimum 7.5 hours of ELL training for all staff (including non-ELL teachers) as per Jose P.

Professional Development and Support for School Staff

The professional development plans are designed to promote high levels of academic achievement while integrating second language instruction. Professional development workshops are conducted outside the school. The ESL teacher attends these meetings on a monthly basis.

The 7.5 hours of ESL mandated professional development will be fulfilled for all staff. The ESL Teacher will articulate how to bring the ELLs to fluency and proficiency in English through the use of a weekly articulation sheet and meetings. All classroom teachers receive a minium of 7.5 of ELL training. There is a sign in sheet as a record of this training. Teachers will attend Departmental Professional Development Sessions on the following topics: small group instructions, guided reading groups for ELLs, NYSESLAT/Acuity data analysis.

The ELLs will obtain support such as meeting with the guidance counselor to discuss the different types of middle schools, program and activities available to them when they transition from P.S. 135 to the middle school. There will be meetings with parents about

The ELLs will obtain support such as meeting with the guidance counselor to discuss the different types of middle schools, program and activities available to them when they transition from P.S. 135 to the middle school. There will be meetings with parents about the middle schools. ELLs will take a walk through to the middle schools to become familiar with school procedures, settings and expectations.

The guidance counselor has meetings with the 5<sup>th</sup> grade ELLs to discuss their future in middle school thru career choices. A career day is held where actual workers (lawyers, dentists, accountants, etc.) share and discuss their occupation. ELLs are asked to discuss the occupation and articulate by asking questions.

As part of our ongoing professional development, the ESL teacher will meet regularly and communicate with classroom teachers, subject area teachers, paraprofessionals and special education teacher on how to integrate instructional strategies to address the needs of ELL's. The ESL teacher will specifically discuss the newcomers, long term ELL's, Special Education ELL's and ELL's who have reached proficiency.

Teachers and the ESL teacher will have targeted instruction for ELL's SIFE, and long term ELL's by providing small group targeted instruction via title I programs for ELA, Math and ESL. The AIS teacher will provide targeted instruction in listening, reading, speaking and writing.

Guidance counselors will provide ELL's, SIFE and long term ELL's group counseling or individual counseling based on their individual needs or conflict resolution skills.

The secretaries at P.S. 135 make sure the parents of the ELL's receives the correct HLIS (Home Language Identification Survey Form) in their appropriate language. The secretary notifies the ESL teacher of a possible new ELL, and the secretary gives the parents all of the necessary information ( sometimes through an interpreter) about the school procedures, meetings, uniforms, bus information, arrival and dismissal time, lunch schedules for the ELL's.

Support staff members, assistant principals, paraprofessionals, psychologists, speech therapists, parent coordinators, participate in monthly professional development conducted by CFN Jema Ferguson and on the school level.

The Parent Coordinator and the ESL teacher help the parents of the ELL's with the Orientation meeting and different workshops for parents. The Parent Coordinator will provide all activities for all parents including ELL parents.

## E. Parental Involvement

1. Describe parent involvement in your school, including parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

At P.S. 135 we increase parental participation in various school activities and make parents partners in the educational process.

Parents are involved on various committees including Parent Teacher Association, School Leadership Team and the Parent

At P.S. 135 we increase parental participation in various school activities and make parents partners in the educational process.

Parents are involved on various committee including Parent Teacher Association, School Leadership Team and the Parent Advisory Council. Parents are encouraged to participate in school activities, assemblies and field trips. All parent correspondence including letter, flyers and other communications are translated into a variety of languages spoken by our multilingual families. Translators are available for languages such as Arabic.

All parents of ELLs are invited to participate in Curriculum Night during the month of September. At this time, ELL parents are informed about school expectations, assessments, city/state standards and the ESL Program.

At P.S. 135, there are many ways that involves the parent community including the parents of ELL's. The Parent Coordinator will have a workshop called ARIS Parent Link for parents to go online and gain access to see their child's grades and monitor attendance of their child. They can have access and interpret Acuity information.

There is a Title I/ Academic Intervention service program designed to improve the child's academic achievement. At this meeting the parents will be made aware of the services their child is receiving. The parents will meet several of the faculty who will discuss and answer the questions regarding the programs. In attendance will be SETSS Teacher, Math Coach, Literacy Coach, AIS Teacher, Guidance Counselor, Math Staff Developer, Parent Coordinator and the ESL Teacher.

There is also a workshop for parents on the testing grades (3rd, 4th, and 5th) to discuss the upcoming ELA and Math State Test.

There is a Pajama Read Aloud Night where the students come in their pajamas and are read to by some of the staff members.

There is also Movie Night/ Family Night where families gather to meet other families to discuss school matters.

Parent of children identified as an ELL are invited to all of these workshops.

We meet the needs of parents who need translation through the use of in-house staff who speak the same language of ELL's or by the Translation/ Interpretation Unit Services.

**B. After reviewing and analyzing the assessment data, answer the following**

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How can this information help inform your school's instructional plan? Please provide any quantitative data available to support your response.
- What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
- How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions?
- For each program, answer the following:

## Additional Information

Please include any additional information that would be relevant to your LAP and would further explain your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

The ELLs are included in all programs offered in our school. There is Extended Day which consists of Literacy and Math instruction 3 days a week. The ELLs attend an After School TITLE III program 3 days a week. This program is used to build fluency and enhance the ELLs proficiency in the areas of reading, writing, listening and speaking. The ELLs are grouped into grades 2 and 3 and grades 4 and 5. They are using a program called Building Fluency through Readers Theater. This program is adapted to scaffold and model language usage to meet the students needs at multiple ELL levels. Th ELLs that attend the AIS Program are also building their fluency and proficiency using the Achieve 3000 Program. In this program, the ELLs are using technology to enhance their learning experience and develop reading skills in grade 3 through 5. In the AIS Program the ELLs are also using the Read 180 Program. This program enhances their listening skills through the use of technology with laptops and headphones.

After the ELLs have taken the ELA ITA test in the Acuity, the ESL Teacher uses the data to create acuity assignments for the children to work on to help them with instruction and test taking.

The ELLs are given a periodic assessment test twice a year to prepare them and help them in the areas of listening, writing and reading. Scores can be viewed online for the ESL Teacher to plan lessons on the targeted weak areas.

The ELLs progress is monitored by the classroom teacher by conducting monthly assessment-Fountas & Pinnell Assessment- and through collaboration and articulation with the ESL teacher, Gina Douglas, the data is shared, thereby using to inform instruction.

**LANGUAGE TRANSLATION AND INTERPRETATION 2011-2012**

CEP Appendix 7

*Requirement under Chancellor's Regulations – for all schools*

**DBN:** 18K135      **School Name:** The Sheldon A. Brookner School

**Cluster:** 02      **Network:** 211

**Goal:** To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

**Part A: Needs Assessment Findings**

---

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

There are a number of ways in which our school assesses the written translation and oral interpretation needs of our parents to ensure that all parents are provided with appropriate and timely information in a language they can understand.

- One method of assessment is through the HLIS (Home Language Identification Survey), which all parents of new admissions to the school are required to complete during the registration process. The HLIS is printed in a variety of languages and the parent will receive the language of choice for proper completion. Our in-house staff interpreters are called upon during the registration process. At our school, the following languages are identified: Arabic, Chinese, Haitian Creole, French and Spanish. We use the interpretation unit of the Department of Education for other languages spoken by our parents.
- Another method of assessment is the ATS system that provides information of the primary language of the students (RHLA).
- The Parent Coordinator at our school is another resource for determining the needs of parents. Calls are made to the students' homes and an assessment can be made as to the need for translation and oral interpretation to better understand an issue.
- Informal oral communication with parents and teachers also helps us determine the need for on staff interpreters or the need for an interpretation unit.
- Finally attendance at PTA meetings, and through parent conversations and requests, we establish lines of communication ensuring that parents are aware and fully understand what is happening in their child's academic development.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

The needs to be addressed include having translators at Parent Teacher Association meetings and Parent Teacher Conferences.

There are also standard letters in Haitian Creole, French, Spanish, Chinese and Arabic generated by the Department of Education. We will use the interpretation unit for other languages spoken by our parents.

The major findings about the school's written translation and oral interpretation needs are distributed to the teachers and administrators as well as shared with the teachers during the School Leadership Team meetings.

## **Part B: Strategies and Activities**

---

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

All parental correspondence, (letters, notices, flyers, permission slips, consent forms and parent handbooks) will be translated by the school staff or the Translation and Interpretation Unit, from English to the native languages of the students. (Arabic, Chinese, Haitian Creole, French and Spanish). Our School will translate documents, that contain individual student specific information including a student's health, legal or disciplinary matters, entitlement to public education or placement in any special education, English language learner or non-standard academic programs.

Our school will post in a conspicuous location, a sign in each of the covered languages indicating the office/room where a copy of the notification of parental rights regarding translation and interpretation services is located.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Our school will provide interpreters for parent orientations/meetings and teacher conferences. Translations will be carried out by our staff members, with the assistance of the Translation and Interpretation Unit. This service is available Monday through Friday from 8:00am to 5:00pm.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link: <http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

Our school will fulfill Section VII of the Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. We will translate letters and notices to parents in the appropriate languages for our school – Arabic, Chinese, French, Haitian Creole and Spanish. For translations in any other language we will use the services of the NYC DOE Translation and Interpretation Unit since we have no staff member who can do that. For the translations of French, Haitian Creole and Spanish, we will use our in-house staff to provide translations. For translations of Arabic and Chinese, we will use the Translation and Interpretation Unit. We will translate and provide translations as they arise.

## 2011-12 Comprehensive Education Plan (CEP): Appendix 8

### Title III Supplemental Program for ELLs

**Directions:** Title III supplemental services for ELLs must include all of the following three components:

- **Direct instruction:** activities must be used to support language development, English and native language instruction, high academic achievement in math, and/or other core academic areas.
  - The Title III supplemental instructional services must be based on student need
  - These supplemental services should complement core bilingual and ESL services required under CR Part 154.
  - Direct supplemental services should be provided for before school, after school, and Saturday programs as well as reduced class-size, and/or push-in services.
  - Teachers providing the services must be certified bilingual education and/or ESL teachers.
- **High quality professional development** that is “of sufficient intensity and duration to have a positive and lasting impact on the teachers’ performance in classrooms.”
  - Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement** and supports must ensure that there are appropriate translation and interpretation services to meet community needs.
  - These are in addition to mandated activities, such as parent orientation during ELL identification process.

For more information on Title III requirements, please see the School Allocation Memo or contact your ELL Compliance and Performance Specialist.

Language Instruction Program – Title III Enrichment Program for English Language Learners at PS 135 K - Title III funds will be used to facilitate an after school program for LEP students in Grades 2-5 on Tuesday, Wednesday and Thursday from 3:30pm-5:00pm. This ESL enrichment program will follow the extended day program to which all LEP students have been invited to participate. The supplementary program will provide additional instructional time beyond the school day/week. The goals of the ESL program are to enable students to learn English and to support their success in all content area /classroom instruction.

Instruction is conducted in English with the use of ESL methodology designed to help ELLs succeed both academically and socially. Students are engaged in activities and group work that is grade / level specific and reflects the grade curriculum and course of study/focus. The ESL teacher and content area teachers deliver instruction that enables ELL students to develop English proficiency skills in listening, speaking, reading and writing in English through peer interaction, small group instruction and cooperative buddy work. The program will facilitate student work in a small class setting. Teachers will review student data to plan lessons and guide their practice in the classroom. The program will provide opportunities for students to interact with peers in small groups as well as work individually with the teacher.

The ESL teacher will make use of both implicit and explicit language instruction, reading and writing strategies in content areas to strengthen the components of reading (e.g., phonological development, fluency, and comprehension) and writing (grammar, spelling, writing mechanics, and composition) within and across content areas. The ESL Teacher will also focus on vocabulary development, teaching the meaning, (using a variety of methods (visuals, graphic organizers and demonstration). The ESL teacher will integrate the academic language encountered by ELLs in all content areas such as Mathematics, Science and Social Studies with the English as a second language curriculum. The ESL Teacher will employ the Whole Language Approach, Natural Approach, and TPR.

Approximately 20 students of diverse proficiency levels in grades 2-5 will be served in the extended day program funded by Title III. The language of instruction will be English to help students improve their English acquisition skills. A program supervisor(s) will work with teachers 3 times per week for 1 ½ hours each day, Tuesday, Wednesday and Thursday. The supervisor will facilitate parent communication, ensure student safety at dismissal and support all aspects of program implementation including curriculum and instruction, PD and selection and purchase of instructional materials.

A review of student data, clearly suggest that additional instruction must be provided to allow ELLs to further work on skills in ESL , English literacy and Mathematics. There is a need to support student

improved performance on NYSESLAT, ELA and all content area assessments including the Math test, and Science test.

The Title III funds will pay for teacher per session and instructional materials to support the learning activities. The program will be conducted by 2 teachers, three days each week from January through May 2012 for 40 days. Each session will be conducted for one and a half hour, from 3:30 p.m. to 5:00 p.m. All teachers will be appropriately certified as required by NYS regulations, English as Second Language or Bilingual or a degree in TESOL/ESL. Instructional materials will include teaching kits, supplementary libraries, science kits and other appropriate resources that will support instructional themes in the program.

### Part C: Professional Development

Describe the school's professional development program for Title III Program teachers as well as other staff responsible for delivery of instruction and services to ELLs.

- rationale
- teachers to receive training
- schedule and duration
- topics to be covered
- name of provider

Begin description here:

The ESL teacher will attend monthly training sessions to enhance ESL best practices in the classroom. The training sessions are provided through the CFN 211 partnership and are of no cost to Title III. Workshops at the school for colleagues will support the understanding of ELL issues as well as how to incorporate effective ESL strategies and methodologies throughout the day in the classroom. Some possible topics will be:

- Using NYSESLAT Data to inform instruction
- How to bring the ELLs to Fluency
- Grouping ELLs for small Group Instruction
- Analyzing ELLs ACUITY Data
- Articulating Student Progress with Classroom Teachers

Teachers working in the Title III program will participate in small focused planning sessions to ensure data driven instruction that is content specific and differentiated for the ELL s attending the program.

### Part D: Parental Engagement Activities

Describe the parent engagement activities targeted toward parents of ELLs that will impact higher achievement for ELLs. NOTE: These are in addition to mandated activities, such as parent orientation during ELL identification process.

- rationale
- schedule and duration
- topics to be covered
- name of provider
- how parents will be notified of these activities

Begin description here:

Parents will be notified of the program including the opportunity for their children to participate in the

after school classes offered to all ELLs. Parents will be informed and encouraged to support ELL learners in their participation in the program. Parents will participate in workshops such as: How to Select Appropriate Books for Children to Read-Questions to ask Students to Improve Comprehension- What to Do to Help Children to Become Proficient in the English language.

The school parent coordinator will conduct outreach to support the program and ensure that the ELLs attend the program after school. Ongoing communication will take place throughout the school year. Parent notices will be translated in native language to ensure effective communication with parents throughout.

Parent / community involvement will be conducted by parent orientation meetings giving them full knowledge of the ESL program at P.S. 135. Brochures, letters, interim progress reports and fliers are sent out to the parents in their native language informing them on how to help their child with their classroom/ school adjustments.

Parent – Teacher conferences are held twice a year to inform parents of LEP’s progress in the ESL program.
