SCHOOL LEADERSHIP TEAM (SLT) SIGNATURE PAGE

Use this page to identify SLT members and confirm their participation in the development of this Comprehensive Educational Plan (CEP), which includes goals and action plans, a summary of Academic Intervention Services, and the Parent Involvement Policy. The signatures of SLT members indicate their participation in the development of the CEP and serve as confirmation that consultation has occurred to align funding in support of educational programs. The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with the Chancellor’s Regulation A-655, available on the [NYC DOE Web site](#).

Directions:

1. List each SLT member in the left-hand column on the chart below. Specify any position held by the team member, e.g., Chairperson, SLT Secretary and the constituent group represented, e.g., parent, staff, student, or CBO. Core mandatory SLT members are indicated by an asterisk*.
2. Ensure that SLT members review this document and sign in the right-hand column in blue ink. If an SLT member does not wish to sign this plan, he/she may attach a written explanation in lieu of his/her signature.
3. Add rows as needed to ensure that all SLT members are listed.
4. The original copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

DIRECTIONS AND GUIDANCE FOR COMPLETING THE ANNUAL GOALS AND ACTION PLAN SECTION

The CEP goal-setting process serves both to support the identification and implementation of school-wide goals as well as to document how your school is meeting Federal, State, and City regulations.

As a result of principal feedback on this process, the CEP has been significantly streamlined to reduce the amount of time spent fulfilling requirements and to allow schools to focus on goal-setting and instructional priorities. The goal and action plan section, contained on pages 4 through 8 of this template, now serves as the central work of the CEP process and reflects a consolidation of numerous CEP requirements from prior years.

Below you will find guidance on documenting annual goals and action plans.

WHICH SCHOOLS NEED TO COMPLETE THIS?

- All schools should identify and submit annual goals and action plans in consultation with their School Leadership Team.

HOW DO CEP GOALS RELATE TO GOALS SET FOR THE PRINCIPAL PERFORMANCE REVIEW (PPR)?

- CEP goals are generally intended to guide school-wide planning and development. CEP goals may be adapted from goals set by the principal for the Principal Performance Review (PPR) if they are appropriate for use as school-wide goals.

HOW SHOULD A SCHOOL DEVELOP ITS GOALS AND ACTION PLANS?

- Your school should identify a minimum of three and a maximum of five annual goals.
- Goals should be “SMART” - specific, measurable, achievable, realistic, and time-bound.
- Goal development should be based on an assessment of your school’s needs.
- Your school should demonstrate the use of both qualitative and quantitative data in providing the rationale for each goal. Cite sources that contributed to the rationale, such as the Progress Report, Quality Review, School Survey, State Differentiated Accountability report (SQR, ESCA, or JIT), state and school assessment results, attendance records, inquiry team work, etc.
- Each goal and action plan requires your school to cite the strategies and activities in your Parent Involvement Policy (PIP) that will be implemented to achieve the goal identified. The PIP template is provided on pages 11 through 15. Your school is encouraged to use the template as it is provided, or align it in accordance with your school’s goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to respond to the parental involvement section of each goal and action plan.
- Schools designated as Improvement, Corrective Action, Restructuring, and/or PLA/SURR by the New York State Education Department must identify a goal and complete an action plan related to improving student outcomes for the specific subject area and subgroups identified for improvement. For each subject area identified, a goal and action plan is required.

ANNUAL GOAL #1 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #1

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

By June 2012, Our students with disabilities subgroups will demonstrate progress towards achieving state standards as measured by a 5% increase in those subgroups scoring at Level 3 & 4 on the NYS ELA assessment.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

After conducting a two-year trend analysis of student performance data on state assessments, it was determined that all student groups showed increases in performance on the English Language Arts assessments. SWD subgroups which have underperformed all other student groups for the past two years. As a result, we have made progress for our SWD subgroup a priority goal for the school year.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

Activity #1

- ***Professional Development:*** PD will be given on the following topics: Interim assessments to monitor and revise curriculum; use of rubrics with the language of the standards to provide specific feedback to students regarding their work; use of student data to plan and set goals; further development of inquiry as teams of teachers use data to inform differentiated lesson planning.
- ***Target Population(s):*** All teachers servicing SWDs students in the SWD subgroups.
- ***Responsible Staff Members:*** Assistant Principals for SWDs, Coaches, Data Specialists and Teachers
- ***Implementation Timeline:*** September 2011 through May 2012

Activity #2

- ***Teacher Teams:*** Coaches and instructional teacher teams will be trained in the use of disaggregated student data. This will include the use of cross curriculum data, focusing on SWDs. Activities carried out will include monitoring student progress, setting initial goals for groups and individual students in ELA, programmatic implications based on indicators of interim progress assessment results and follow-up activities. Responsible staff will facilitate discussions of the students' progress and strategies for improved student outcomes, including L1-4 students.
- ***Target Population(s):*** Teams of Teachers working with SWDs not making acceptable gains.
- ***Responsible Staff Members:*** Assistant Principal of Organization, Coaches, Data Specialist and Teachers.

- *Implementation Timeline: September & October 2011.*

Steps for Including teachers in the decision-making process

- *Teachers will meet in grade-level and cross functional teams to review student data gathered from periodic assessments.*
 - *Staff determined that a 2% increase in student performance would be the interim benchmark used of by teacher teams to measure the effectiveness of the activity/strategy; and whether additional support in using multiple data points to analyze data and differentiated instruction is needed.*
- Periodic Assessment Dates: November 2011, January 2012 and March 2012*

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.
 - *ELA teachers will design training modules and host ELA workshops and information sessions with parents. The workshop materials used will be translated and interpretation support will be provided in spanish to meet parent needs.*
 - *The school will host a curriculum night and create a parent resource library with user-friendly instructional materials and guides.*
 - *School Library teacher will host storytelling workshops for parents.*
 - *The Parent Coordinator and other staff (e.g., teachers) will attend regularly scheduled parent meetings (e.g., PA or PTA) to share information and respond to parent questions and inquiries.*
 - *The school will create and distribute a parent handbook that is translated in english and spanish languages.*
 - *Parents will be trained on how to use ARIS Parent Link.*

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.
 - *Administrative staff regularly attends hiring fairs to identify and recruit highly-qualified teachers ELA teachers.*
 - *The pupil personnel secretary will work closely the network HR point to ensure that non-HQT meet all required documentation and assessment deadlines.*
 - *Mentors are assigned to support struggling and un-qualified teachers.*
 - *The pupil personnel secretary will work closely the network HR point to ensure that non-HQT meet all required documentation and assessment deadlines.*
 - *Mentors are assigned to support struggling teachers.*

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.
 - *The school has a Pre-K program that focuses on developing the language abilities, emergent literacy skills that SWDs will need in order to ensure a successful transition to the lower elementary school grades*
 - *All SWDs will participate in an after school AIS literacy-based programs that have been established as part of the overall instructional program.*

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

Funding Sources:

As a Title I Schoolwide Program school, Conceptual Consolidation will allow us to combine Federal and local funds such as Fair Student Funding (Tax Levy), Title I Funds, Title III, SIIG Funds and human resources to implement this action plan from Sept. 2011-June 2012 as indicated below:

- *Professional instructional to support curriculum development during the regular school day.*
- *Teacher per session for after school differentiated professional development and data.*

ANNUAL GOAL #3 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #3

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

By June 2012, all students from Kindergarten to fifth grade, will be engaged in completing one literacy and one math task aligned to the Common Core Learning Standards. In Literacy, students will be asked to complete a unit that will require them to read, analyze informational texts, and write an opinions / argumentative response.

In math, students will be engaged in a cognitively demanding mathematics task that requires them to demonstrate their ability to model either mathematics and/or construct and explore the reasoning behind arguments to arrive at a viable solution.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

Based on our 2010-2011 Quality Review, we needed to improve the design curricula to align to key standards and key areas in literacy and math. Teachers will collaboratively engage in the creation of rigorous tasks in all subject areas in order to develop higher order thinking skills. This will also support the common goals of the creation of curriculum maps on each grade level.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

Activity #1 use from PPR

- ***Professional Development:*** PD will be given on the following topics: Interim assessments to monitor and revise curriculum; use of rubrics with the language of the standards to provide specific feedback to students regarding their work; use of student data to plan and set goals; further development of inquiry as teams of teachers use case studies and data to inform differentiated lesson planning.
- ***Target Population(s):*** All Kindergarten to fifth grade students.
- ***Responsible Staff Members:*** All administrators, Staff Developers (internal and external) and Data Specialist.
- ***Implementation Timeline:*** September 2011 through May 2012

Activity #2

- ***Allocation of space for a data room:*** A data room will be designated so that coaches and other instructional teacher teams will have a designated location to be trained in the use of disaggregated student data. This will include the use of cross curriculum data, made accessible in the room, focusing on ELLs/SWDs and

at risk students. Activities carried out in the data room will include monitoring student progress, setting initial goals for groups and individual students in ELA, programmatic implications based on indicators of interim progress assessment results and follow-up activities. Responsible staff will facilitate discussions of the students' progress and strategies for improved student outcomes, including L1-4 students.

- Target Population(s): Teams of Teachers working with ELLs, SWDs and former ELLs not making acceptable gains.
- Responsible Staff Members: Assistant Principal of Organization, Coaches, Data Specialist.
- Implementation Timeline: September & October 2011.

Steps for Including teachers in the decision-making process

- Teachers will meet in grade-level and cross functional teams to review student data gathered from periodic assessments.

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.
 - Parent Coordinator will host workshops for parents on Citywide Expectations.
 - The Parent Coordinator and other staff (e.g., teachers) will attend regularly scheduled parent meetings (e.g., PA or PTA) to share information and respond to parent questions and inquiries.
 - The school will create and distribute a parent handbook that is translated in all the dominant languages.
 - Parents will be trained on how to use ARIS Parent Link.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.
 - Administrative staff regularly attends hiring fairs to identify and recruit highly-qualified teachers ELA teachers.
 - The pupil personnel secretary will work closely the network HR point to ensure that non-HQT meet all required documentation and assessment deadlines.
 - Mentors are assigned to support struggling and un-qualified teachers.
 - The pupil personnel secretary will work closely the network HR point to ensure that non-HQT meet all required documentation and assessment deadlines.
 - Mentors are assigned to support struggling teachers.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.

- *The school has established a Universal Pre-K program that focuses on improving the oral language abilities, emergent literacy skills that ELLs will need in order to ensure a successful transition to the lower elementary school grades.*
- *All SWDs and ELLs will participate in one of the three CTE literacy-based programs that have been established as part of the overall instructional program.*
- *A SAPIS worker was hired to support academies as part of the school's efforts to improve attendance for SWD's and ELLs.*

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

ACADEMIC INTERVENTION SERVICES (AIS)

On the chart below, indicate the total number of students receiving AIS in each area listed for each applicable grade in your school.

Identified groups of students who have been targeted for AIS, and the established criteria for identification include:

- Students in Grades K – 3 who are considered at-risk for not meeting State standards as determined by their performance on ECLAS 2 or other identified assessments, or who have been identified as potential holdovers.
- Students in Grades 4 – 8 who are performing at Level 1 or Level 2 on New York State English language arts (ELA), mathematics, science, and social studies assessments.
- Students in Grade 9 who performed at Level 1 or Level 2 on NYS Grade 8 ELA, mathematics, science, and social studies assessments.
- Students in Grades 10 – 12 who scored below the approved passing grade on any Regents examination required for graduation in English language arts, mathematics, science, and social studies.

**DIRECTIONS AND GUIDANCE FOR DEVELOPING OR UPDATING
THE PARENT INVOLVEMENT POLICY (PIP)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements.

The PIP should describe how your school will plan and implement effective parent involvement activities to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

PARENT INVOLVEMENT POLICY (PIP) TEMPLATE

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. Our school will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community;

Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, our school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to schools to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in our Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;

- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

Our school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- hosting events to support, men asserting leadership in education for their children. parents/guardians, grandparents and foster parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand;

SCHOOL-PARENT COMPACT

Our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

I. School Responsibilities

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;

- convening an Annual Title I Parent Meeting prior to December 1st of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering will all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

II. Parent/Guardian Responsibilities:

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;

- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

SUBMISSION FORM
2011-12**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This LAP form, an appendix of the CEP, also incorporates information required for CR Part 154 funding so that a separate submission is no longer required. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [[see tool kit](#)].)
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
5. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
6. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. 

II: ELL Identification Process: Initial Process for ELLs

During the registration process, the pupil accountant secretary, Desiree Middleton, ensures that parents are given a Home Language Identification Survey (HLIS) to complete. Yvescarmel Louis, the ESL specialist, Zainab Qaabidh, Assistant Principal and Maritza Pena-Herrera, Bilingual Guidance Counselor are available to assist the parents.

As the parent completes the HLIS, the ESL teacher performs an informal interview of the student and the parents in both English and their native language. If according to the HLIS and the informal interview it is determined that the child speaks little or no English, the student is eligible to take the LAB-R. Within 10 school days, the LAB-R is administered. If a Spanish speaking student does not meet proficiency level in LAB-R, the student is then given the Spanish Lab that administered by the Bilingual Guidance Counselor. The Spanish LAB is only administered to Spanish speaking students who scored below or at the LAB-R cut scores. Once the exams are administered, copies of answer sheets and hand-scored documents are kept in the ELL binder.

Parent Orientation and Timeline:

Within 10 school days of testing, parents of newly entrants to New York City schools are informed of their child's eligibility or non-eligibility for ESL and bilingual instruction. They are invited to an orientation workshop. At the orientation workshop, the parents of the newly enrolled ELLs are shown a presentation by the chancellor and the mayor via the Board of Education website. This allows parents to see the different programs that are available throughout the city to better serve their children. This online cast comes in different languages. The Principal, ESL teacher, Parent Coordinator and Guidance Counselor are there at the orientation to address any concerns. Parent brochures are disseminated in their native language to enrich the understanding of each available program. After viewing the web cast, parents fill out the the Parent Survey and the Program selection forms. They then select the program of their choice. If parents select a program that is not available at PS 158K, the parents are referred to other local schools. When the survey forms are signed, the students are placed in the appropriate selected program. Placement letters are sent home but the parent survey letters and HLIS are kept in the ELL binder and copies are placed in the students' cumulative record. As per CR Part 54, if parents do not return the forms, students are placed in a Ransitional Bilingual Program.

At the beginning of each school year, ESL coordinator ensures that parents receive entitlement letters for students who are entitled and not entitled. The types of letters consist are: Entitlement, Continued, Non-Entitlement, Placement and Transition. The ESL teacher keeps a copy of all letters that are sent to Parents of ELLs. Absentee parents are called and given an explanation over the phone. At that time, they can make a selection. Other ways of ensuring the return of the Parent Survey and Program Selection form is at the Open House which is held in September, PTA meetings and Parent Teacher Conferences. The parent coordinaor reaches out to parents who do not attend the parent orientation sessions. In the event that all the attempts have failed, the students are placed by default in Bilingual Education Classes.

Evaluate NYSESLAT:

In August when the NYSESLAT scores are available on ATS, Ms. Qaabidh (Data Specialist) downloads the RNMR from ATS that

provides the four modalities. Also, she prints out the RLAT which determines NYSESLAT eligibility. Then at the beginning of the school year, ESL teacher, Bilingual teachers analyze the data to drive instruction. The four modalities are examined and the stronger modality is targeted in order to teach the other modalities. Parents are informed of the dates and format of NYSESLAT. Ms. Qaabidh and Parent coordinator hold workshops to inform parents about this state exam. The testing team and ESL Specialist ensure that all ELLs and Former ELLs get their accommodations during state exams.

For the past few years, after reviewing the Parent Survey and Program Selection forms, the trend has been that parents seem to show interest for ESL instruction for students in grades 2-5 whereas the K-1 parents usually request the Bilingual Program. This school year, all four K-1 parents requested the Bilingual Program.

At this time, PS 158K only offers a bridge bilingual class K/1 and 4/5 bilingual special education class and ESL instruction. Although the Principal would like to open up a 2/3 bilingual class, we have not had sufficient numbers to fill that class. As per Aspiria Consent decree, we will create a Bilingual Class when we obtain 15 or more students of same language for a Bilingual Program of second and third grade.

Part IV: ELL Programming

A. Programming and Scheduling Information

1. How is instruction delivered?
 - a. What are the organizational models (e.g., Departmentalized, Push-In [Co-Teaching], Pull-Out, Collaborative, Self-Contained)?
 - b. What are the program models (e.g., Block [Class travels together as a group]; Ungraded [all students regardless of grade are in one class]; Heterogeneous [mixed proficiency levels]; Homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.
4. How do you ensure that ELLs are appropriately evaluated in their native languages?
5. How do you differentiate instruction for ELL subgroups?
 - a. Describe your instructional plan for SIFE.
 - b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs.
 - c. Describe your plan for ELLs receiving service 4 to 6 years.
 - d. Describe your plan for long-term ELLs (completed 6 years).
6. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?
7. How does your school use curricular, instructional, and scheduling flexibility to meet the diverse needs of ELL-SWDs within the least restrictive environment?

PS 158K offers two programs, a Freestanding English as a Second Language (ESL) and a Transitional Bilingual Education Program (TBE). There are currently a K/1 Bilingual Bridge and 4/5 Bilingual Special Needs classes.

The ESL program focuses on the pull-out method. All ELLs in monolingual classes are being serviced by the ESL teacher. Students are grouped by language proficiency level (homogeneous) for the necessary amount of minutes and ELA instructional units as required by Commissioner's Regulations Part 154. Instruction is provided using different methodologies. A copy of her mandated services is provided to the Principal and she keeps attendance. The classroom teachers are given a schedule that specifies the amount of State mandated minutes of each student. The schedule is posted in their classrooms. Beginning level and Intermediate ELLs receive 360 minutes of ESL services per week. Advanced ELLs receive 180 minutes of ESL services per week. The ESL pull-out teacher utilizes the Harcourt Trophies ELL component, "Moving Into English", with grades K-3 and the Storytown Program ELL component with grades 4-5. The Pull-Out program provides all language arts and content area instruction in English through the use of specific instructional strategies and ELA methodologies.

There are 24 students in the ESL Program.

Kgn-1 Spanish Speaker and 1 Bengali

1st grade-6 students of which 4 are in Special Education

2nd grade-7 students of which 2 are in Special Education and 1 newcomer

3rd grade-4 students of which 2 are in Special Education and 1 newcomer

4th grade-2 students of which 1 is a newcomer

5th-grade-3 students of which 1 is a newcomer

Students in the bilingual program receive two periods daily of ESL instruction while content area instruction is taught in their native language. K/1 TBE class, there are 6 Kindergardeners and 1 first grader. The teacher implements the Harcourt Trophies Program. This comprehensive reading program provides a dedicated block of research-based reading instruction in the five essential components. In our Special Education 4/5 TBE class, the teacher implements the Harcourt Schools Publisher Storytown Program as her core ELA program.

A. Programming and Scheduling Information

Bilingual classes receive the required periods of NLA, ELA and ESL based on their NYSESLAT or LAB-R scores. Content area subjects are taught in both Spanish and English, using second language acquisition strategies and the use of content rich pictures. Spanish-English glossaries are available in Math, Science and Social Studies to all ELL students. Beginning and Intermediate ELLs receive 360 minutes of ESL instruction per week and Advanced ELLs receive 180 minutes of ESL per week. In K/1 TBE classroom the beginning-level ELLs will receive 60 percent of instruction in students' native language and 40 percent in English, all year.

As required in CR Part 154, Transitional Bilingual Education (TBE) programs are designed so that students develop conceptual skills in their native language as they learn English. A transitional program of instruction includes: an ESL component designed to develop skills in listening, speaking, reading, and writing in English; content-area instruction in the native language and English designed to teach subject matter to ELLs; and a Native Language Arts (NLA) component designed to develop skills in listening, speaking, reading, and writing in the students' home language while cultivating an appreciation of their history and culture. As students develop English language skills, time in the native language decreases. When ELLs reach proficiency on the New York State English as a Second Language Achievement Test (NYSESLAT), they are placed in a monolingual class in English.

Content Area:

In math, social studies and science, students are presented with coursework in their native language. We follow the whole-small-whole approach. Newly introduced skills and strategies are taught and modeled in Spanish and then in English. There will be a decrease in instruction executed in native language. As students acquire the knowledge of content, the teachers continue to reference what was previously taught to enhance prior knowledge and meet proficiency.

Out of classroom teachers use a variety of strategies to support learning and clarify meaning.

- During math, the teacher chorally reads math questions with ELLs, models how to solve word problems and encourages students to verbalize their explanations.
- The Social Studies teacher scaffolds his instruction with visual aids such as maps, cartoons and illustrations to increase comprehension.
- Science teachers use the Foss Program. Scientific investigations provide opportunities for students to contribute their cultural experiences to hands-on explorations.

In differentiating instruction for ELLs, visual aids, pictures, graphic organizers and instructional charts are used to assist students throughout the lesson. Teachers utilize peer tutoring, buddy system, and partnering to support students with independent practice. Library books are available in all subject areas both in English and their native language.

Native Language:

In the Bilingual bridge class 4/5, the students are administered the EL EXamen (ELE) in June of each year. The language acquisition progress of ELLs is monitored through the use of running records and the yearly NYSESLAT exam. Using the State Education Department's archives, students in the bridge class 4/5 are administered the math and science in their native language as pre and post assessments. In the Spring of 2012, students will complete the math Acuity and. Also, in grade 4, students will use ST Math through the use of technology translation composition.

In Spring 2012, students in grades K-2 will be assessed in EL Sol to measure progress in Native Language literacy.

Plan for Newcomers:

- Tour school building to familiarize themselves with structure of school.
- Place students in a print rich-environment classroom.
- Establish a buddy system.
- Encourage students to participate in all extended day activities.
- Provide immediate AIS providers.

Plan for SIFE:

- Create a PIP (Pupil Intervention Plan) to focus on literacy and math component.
- Utilize grade appropriate instructional support materials.
- Differentiate instruction in all areas.

A. Programming and Scheduling Information

- Provide professional development for staff in strategies that benefit the SIFE within their classroom instruction.
- Refer to School Assessment Team for further evaluation.

In the event we do have Long Term ELLs, they will:

- Participate in the Seamless Day Program that targets reading and writing two days per week.
- Be monitored in all areas in order to differentiate instruction.
- receive the same services as students with 4-6 years of service. In addition, this student will get one to one tutoring.

Plan for ELLs in school 4-6 years:

- ESL instruction according to their proficiency level
- . Small group instruction support through Wilson.
- Participate in After School programs.
- Advanced students receive 180 minutes of ESL and 180 minutes of ELA instruction.
- Beginners and Intermediates receive 360 minutes of ESL.

ELL-SWDs:

These students receive their mandated service by ESL teacher as per their NYSESLAT result or LAB-R. The SETTS teacher and Speech teacher provide their services to these entitled students. The use of technology-based website, starfall.com, Wilson/Fundations programs are being utilized to accelerate English language development. Schedules of related services are compared to that they do not overlap. We share strategies. ESL teacher and SETSS provide attend training (workshops) and then turnkey to the teachers of ELLs. When students display rapid gains, meetings are conducted to discuss students' progress and adequate placement in least restrictive environment that is conducive to the students' academics and social needs.

The Freestanding ESL and TBE programs use a variety of texts during literacy instruction including anthologies, guided reading, shared, leveled readers, decodable and phonics within the framework of the Balanced Literacy Philosophy Model. This includes the use of high interest / low level texts. Materials are also used to familiarize students with the state assessments, including:

- Continental Press: Empire State NYSESLAT
- Moving Into English
- Comprehensive Reading and Writing Assessment
- Comprehensive Math Assessment
- Harcourt Schools Publisher Storytown
- Treasure Chest

B. Programming and Scheduling Information--Continued

8. Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
9. Describe your plan for continuing transitional support (2 years) for ELLs reaching proficiency on the NYSESLAT.
10. What new programs or improvements will be considered for the upcoming school year?
11. What programs/services for ELLs will be discontinued and why?
12. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
13. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?
14. How is native language support delivered in each program model? (TBE, Dual Language, and ESL)
15. Do required services support, and resources correspond to ELLs' ages and grade levels?
16. Include a description of activities in your school to assist newly enrolled ELL students before the beginning of the school year.
17. What language electives are offered to ELLs?

English Learners who are far below grade level will be pulled out for small group instruction. These groups will have a maximum of 4 students. They will use Foundations Wilson Reading System. Also, we will continue to provide ESL services to those students who have reached proficiency on the NYSESLAT. They will continue to receive extended time on NYS exams and allowed the use of glossaries. They will continue to receive small group instruction during the day and after school. Classroom teachers will use ESL strategies with these students to ensure their continued language development as former ELLs.

Due to parental feedback on the parent selection survey, we will continue to provide ESL and Bilingual services. In the event there is a demand for a dual language program, we will try to institute this program into our school. There are no plans on discontinuing any services or programs for our ELL population. All programs are made available to the ELL population. They receive physical education, art, social studies, science, and dance throughout the school week. Some ELLs participate in the Virtual Y and Karate programs. ELLs students are given same notification as the general population. All bulletins from school and district are disseminated to the students in their Native language. All ELLs have equal access and opportunities to participate in all programs. We will offer Seamless Day which will run from January 2012 to April 2012. This extended day program will provide small group instruction and intensive development in the content areas.

PS 158K has an abundance of resources for ELLs. The K/1 and ESL pull-out class have been provided with a Mimio. Rosetta Stone was purchased through Title III funds. Every class is equipped with a smartboard, laptops and desk top computers. Leveled libraries, picture cards, books on tapes will be purchased as supplements.

Native language is supported by peer translation, staff translation, use of translated glossaries and Bilingual dictionaries/glossaries and content area books in their native language.

New Admits:

Newly admitted students are placed in appropriate grades according to their age and/or corresponding grade when a report card is available. We will provide parents of newly enrolled ELLs with professional development of their grade and informal oral interviews will be conducted.

Equal Access to all programs:

Our enrichment programs are available to all of our students including ELLs. All ELLs have equal access and opportunities to participate in all programs. Some of these programs include dance, Karate, Virtual Y and Theatre club. Invitation letters in Native Language are sent to parents to inform them of activities. During PTA meetings, Ms. Pena-Herrera is available to translate.

Supplemental Services:

Students who have granted an extension of service are assigned to an AIS teacher (Ms. Crewell) during the Day. The goal is to provide small group instruction in reading and writing. ELLs will attend after school. This program will run from January 2012 to April 2012. It will provide small group instruction and intensive development in the content areas in both English and Spanish.

D. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
3. Describe the minimum 7.5 hours of ELL training for all staff (including non-ELL teachers) as per Jose P.

Professional Development and Support for School Staff:

Professional development is provided to every teacher at PS 158K on a weekly basis by the literacy or math coach. All teachers are provided with common preparatory periods and a 90 minutes data block once a week for planning and conferencing. Bilingual teachers, ESL teacher, out of classroom personnel and classroom teachers meet once a month to analyze individual student's progress. Professional development is provided by ESL teacher, coaches, Director Student Services:ESL. Differentiation of instruction is embedded in all lesson planning and workshops.

The focus is on:

- Comprehension for the Struggling ELL students.
- Differentiation in classrooms with ELLs.
- Curriculum Mapping for ELL students

Schedule/Calendar:

Warwick Institute	Thursdays: 2:20-3:10
Collaborative Inquiry Process	Mondays 2:20-3:10

Lead Teacher Meeting	Mondays 1:35-2:20
Study Groups	Monthly ELL strategies
Analyzing Data	ELL Teacher Development (monthly)

As per Jose P., All teachers will receive the 7.5 hours of ELL training throughout the year on effective push-in strategies. These sessions will include but not limited to compliance issues, identification process of ELLs, testing accommodations and strategies in supporting ELLs in their classrooms. Special Education teachers will receive 10 hours of ELL training. Agendas and attendance are maintained by the provider.

Inquiry Team sessions are conducted every Monday from 2:20-3:10. At this time, teachers have the opportunity to analyze their students data and focus on strategies which can be used to move student achievement in the four modalities. There will also be a professional development focuses on fundamentals of language acquisition and teacher roles.

Our Bilingual Guidance Counselor, Maritza Pena-Herrera, provides information and materials that address various issues faced by ELLs. She helps them with social, behavioral and personal challenges. She guides parents and students by facilitating the selection and application process in choosing a middle school that best meets their child's needs. She helps them in writing their personal essays and aides them in evaluating their own abilities. The assistant principal, Zainab Qaabidh holds a career day event on October 31st of every year. Different companies are represented and ELLs have the opportunities to ask questions that they formulated both in Spanish and English.

2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

PS 158K are constantly encouraged families to actively involved in our school community. The Parent Coordinator and the Bilingual Guidance Counselor coordinate multiple workshops throughout the year to engage parents in their child's education. Parents of ELLs are invited to all functions.

Parental involvement at PS 158K includes, parent orientation for the newly enrolled ELLs is on-going. The Parent Coordinator and Ms. Zainab Qaabidh offer workshops that include NYS academic content standards and NYS student academic achievement standards to monitor their child's progress. In the month of November, during parent teacher conferencing, parents are trained into the use of ARIS. Parent Coordinator invites community based organizations to send in special speakers.

We address the needs of the parents by communicating in their native language. We will offer English as a Second Language class through technology will be offered in April 2012-June 2012. We evaluate the needs of parents through surveys, Parent concern Forms are located in the Main Office and during parents meetings. A monthly calendar, as well as a school newsletter are sent to the student's home in an effort to keep parents informed of current activities and upcoming events in the school. At this time, we are partnering with Cornell University Nutrition Program. Parents of ELLs attend this workshop every Tuesday at 8:30 a.m to learn about healthy eating habits. The Bilingual presenter is Sonia Devalle.

13. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?
14. How is native language support delivered in each program model? (TBE, Dual Language, and ESL)
15. Do required services support, and resources correspond to ELLs' ages and grade levels?
16. Include a description of activities in your school to assist newly enrolled ELL students before the beginning of the school year.
17. What language electives are offered to ELLs?

English Learners who are far below grade level will be pulled out for small group instruction. These groups will have a maximum of 4 students. They will use Foundations Wilson Reading System. Also, we will continue to provide ESL services to those students who have reached proficiency on the NYSESLAT. They will continue to receive extended time on NYS exams and allowed the use of glossaries. They will continue to receive small group instruction during the day and after school. Classroom teachers will use ESL strategies with these students to ensure their continued language development as former ELLs.

Due to parental feedback on the parent selection survey, we will continue to provide ESL and Bilingual services. In the event there is a demand for a dual language program, we will try to institute this program into our school. There are no plans on discontinuing any services or programs for our ELL population. All programs are made available to the ELL population. They receive physical education, art, social studies, science, and dance throughout the school week. Some ELLs participate in the Virtual Y and Karate programs. ELLs students are given same notification as the general population. All bulletins from school and district are disseminated to the students in their Native language. All ELLs have equal access and opportunities to participate in all programs. We will offer Seamless Day which will run from January 2012 to April 2012. This extended day program will provide small group instruction and intensive development in the content areas.

PS 158K has an abundance of resources for ELLs. The K/1 and ESL pull-out class have been provided with a Mimio. Rosetta Stone was purchased through Title III funds. Every class is equipped with a smartboard, laptops and desk top computers. Leveled libraries, picture cards, books on tapes will be purchased as supplements.

Native language is supported by peer translation, staff translation, use of translated glossaries and Bilingual dictionaries/glossaries and content area books in their native language.

New Admits:

Newly admitted students are placed in appropriate grades according to their age and/or corresponding grade when a report card is available. We will provide parents of newly enrolled ELLs with professional development of their grade and informal oral interviews will be conducted.

Equal Access to all programs:

Our enrichment programs are available to all of our students including ELLs. All ELLs have equal access and opportunities to participate in all programs. Some of these programs include dance, Karate, Virtual Y and Theatre club. Invitation letters in Native Language are sent to parents to inform them of activities. During PTA meetings, Ms. Pena-Herrera is available to translate.

Supplemental Services:

Students who have granted an extension of service are assigned to an AIS teacher (Ms. Crewell) during the Day. The goal is to provide small group instruction in reading and writing. ELLs will attend after school. This program will run from January 2012 to April 2012. It will provide small group instruction and intensive development in the content areas in both English and Spanish.

Additional Information

Please include any additional information that would be relevant to your LAP and would further explain your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

The implication for the school's LAP is to move the ELLs from beginning level into proficiency.
In order to assist our students in both academic achievement and assessment, P.S. 158K will:

- Ensure that adequate licensed personnel are delivering instruction as stipulated by NCLB and CR Part 154
- Increase collaboration between content area and ESL teachers to create a more effective learning community
- Evaluate data to become aware of the performance of each ELL.
- Provide opportunities for students to be involved in purposeful conversations during read aloud and text discussions
- Incorporate all language modalities
- Ensure that teachers analyze student's data to identify strengths and weaknesses and then utilize the findings to drive instruction
- Encourage teachers to participate in professional development opportunities focusing on instructional strategies for ELLs
- Ensure that the Literacy coach collaborates with all teachers including ESL and TBE to support rigorous instruction
- Ensure that the CR Part 154 requirements are followed in the TBE classes
- Implement a print rich environment
- Utilize the use of dictionaries/glossaries in TBE.
- Equip all classrooms with highly motivating leveled libraries

Implications for LAP in Mathematics Content Area:

In order to assist our students in both academic achievement and assessment, P.S. 158K will:

- Provide adequate licensed personnel to deliver instruction as stipulated by NCLB and CR Part 154
- Analyze ELLs data to become well-informed about the performance of each ELL in order to make appropriate educational decisions.
- Provide opportunities for students to interact with mathematical terminology, solving word problems, interactive word wall, math manipulatives and math games.
- Incorporate writing as a component of the mathematics lesson, e.g. journals
- Provide opportunities to communicate problem solving strategies and explanations.
- Utilize student data to identify strengths and weaknesses to drive differentiated instruction.
- Ensure collaboration between content area and ESL teachers to map out student specific needs.
- Increase staff participation in ELL professional development opportunities.

C. Schools with Dual Language Programs

1. How much time (%) is the target language used for EPs and ELLs in each grade?
2. How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?
3. How is language separated for instruction (time, subject, teacher, theme)?
4. What Dual Language model is used (side-by-side, self-contained, other)?
5. Is emergent literacy taught in child's native language first (sequential), or are both languages taught at the same time (simultaneous)?

D. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
3. Describe the minimum 7.5 hours of ELL training for all staff (including non-ELL teachers) as per Jose P.

Professional Development and Support for School Staff:

Professional development is provided to every teacher at PS 158K on a weekly basis by the literacy or math coach. All teachers are provided with common preparatory periods and a 90 minutes data block once a week for planning and conferencing. Bilingual teachers, ESL teacher, out of classroom personnel and classroom teachers meet once a month to analyze individual student's progress. Professional development is provided by ESL teacher, coaches, Director Student Services:ESL. Differentiation of instruction is embedded in all lesson planning and workshops.

As per Jose P., All teachers will receive the 7.5 hours of ELL training throughout the year on effective push-in strategies. These sessions will include but not limited to compliance issues, identification process of ELLs, testing accommodations and strategies in supporting ELLs in their classrooms. Special Education teachers will receive 10 hours of ELL training. Agendas and attendance are maintained by the provider.

Inquiry Team sessions are conducted every Monday from 2:20-3:10. At this time, teachers have the opportunity to analyze their students data and focus on strategies which can be used to move student achievement in the four modalities. There will also be a professional development focuses on fundamentals of language acquisition and teacher roles.

Our Bilingual Guidance Counselor, Maritza Pena-Herrera, provides information and materials that address various issues faced by ELLs. She helps them with social, behavioral and personal challenges. She guides parents and students by facilitating the selection and application process in choosing a middle school that best meets their child's needs. She helps them in writing their personal essays and aides them in evaluating their own abilities. The assistant principal, Zainab Qaabidh holds a career day event on October 31st of every year. Different companies are represented and ELLs have the opportunities to ask questions that they formulated both in Spanish and English.

E. Parental Involvement

1. Describe parent involvement in your school, including parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

PS 158K are constantly encouraged families to actively involved in our school community. The Parent Coordinator and the Bilingual Guidance Counselor coordinate multiple workshops throughout the year to engage parents in their child's education. Parents of ELLs are invited to all functions.

Parental involvement at PS 158K includes, parent orientation for the newly enrolled ELLs is on-going. The Parent Coordinator and Ms. Zainab Qaabidh offer workshops that include NYS academic content standards and NYS student academic achievement standards to monitor their child's progress. In the month of November, during parent teacher conferencing, parents are trained into the use of ARIS. Parent Coordinator invites community based organizations to send in special speakers.

We address the needs of the parents by communicating in their native language. We will offer English as a Second Language class through technology will be offered in April 2012-June 2012. We evaluate the needs of parents through surveys, Parent concern Forms are located in the Main Office and during parents meetings. A monthly calendar, as well as a school newsletter are sent to the student's home.

B. After reviewing and analyzing the assessment data, answer the following

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How can this information help inform your school's instructional plan? Please provide any quantitative data available to support your response.
- What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
- How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions?
- For each program, answer the following:
 - Examine student results. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
 - Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
 - What is the school learning about ELLs from the Periodic Assessments? How is the Native Language used?
- For dual language programs, answer the following:
 - How are the English Proficient students (EPs) assessed in the second (target) language?
 - What is the level of language proficiency in the second (target) language for EPs?
 - How are EPs performing on State and City Assessments?
- Describe how you evaluate the success of your programs for ELLs.

Analysis of Early Grades:

PS 158K use Dibels, E-CLAS-2, Fountas and Pinnell and Rigby to assess the early literacy skills of ELLs. We found that data coincides with the result of LAB-R. 60% of students in K/1 bridge class display high-risk of not meeting expected goals in Initial Sound Fluency. This data informs us that students struggle with letter sound recognition and phonemes. In monolingual classes, 75% of students display high-risk. Running records and results from these assessment determine the reading and instructional levels. With the support of

LANGUAGE TRANSLATION AND INTERPRETATION 2011-2012

CEP Appendix 7

Requirement under Chancellor's Regulations – for all schools

DBN: **19K158** School Name: **The Warwick School**

Cluster: _____ Network: **CFN#535**

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

Previous parent surveys have indicated that parents feel uninformed due to lack of English proficiency, thereby limiting their communication with the school community. As a result, all written communication is translated into Spanish and distributed to parents in a timely fashion. We also have a school messenger system that we use biweekly to call-out translated messages to spanish speaking parents.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

The oral interpretation service provided by P.S.158K was assessed through on-going discussions with parents and guardians of students with home languages other than English. Additional parental surveys, in native languages, were conducted during PTA meetings and during school visits. These discussions and surveys indicate a greater need for more verbal translation to be available for parents during visits, workshops and meetings. As a result, bilingual staff are available at all school functions to provide translation services to parents. Additionally, ESL workshops are offered to parents.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

All parental meetings, workshops and forums will provide written material in the appropriate native languages so that all parents will feel welcomed and comfortable enough to participate in the activities.

Also, all forms that are created by PS 158K, including calendars, letters, newsletters and announcements, will be printed and distributed in the native language of our parents. These materials will be translated by qualified in-school staff and when appropriate by parent volunteers.

The provision of appropriate native language material, written and distributed as an equal part of the school's informational policy will allow all parents to feel more comfortable, valued and better informed so that they can be active partners in their children's educational process.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

During all parental workshops, forums, conferences and meetings a translator will provide an oral translation, if necessary, as the conversation proceeds. This will allow parents to fully and freely participate in conversations within the school setting. Some events that will have an oral translator available to parents are Parent-Teachers Conferences, Open School Hours, PTA Meetings, Open House, Saturday Workshops and Forums.

These translators will consist of in-house school staff and parent volunteers. This will allow parents to feel more at ease as they will be around people that they already know and have worked closely with in the past.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link: <http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

P.S 158 will ensure that parents and guardians are provided with written notification of their rights in their native language at the time of their child's registration in September and as needed throughout the school year. In-school staff and parent volunteers will be available to assist parents and guardians regarding translation and interpretation services, in addition to instructions on how to obtain such services. Signs indicating this information and where assistance may be obtained are posted in a prominent location upon entrance to P.S 158.

As part of the school's safety plan, signs containing school visitor procedures will be posted in all home languages. Translated material, will be distributed as part of the home-school connection to ensure that all parents are fully informed.

Additionally, if we exceed 10% of our students' home languages in other than English, we will obtain and post signage and forms from the Translation and Interpretation Units as required by this Chancellor's Regulations.

2011-12 Comprehensive Education Plan (CEP): Appendix 8

Title III Supplemental Program for ELLs

Directions: Title III supplemental services for ELLs must include all of the following three components:

- **Direct instruction:** activities must be used to support language development, English and native language instruction, high academic achievement in math, and/or other core academic areas.
 - The Title III supplemental instructional services must be based on student need
 - These supplemental services should complement core bilingual and ESL services required under CR Part 154.
 - Direct supplemental services should be provided for before school, after school, and Saturday programs as well as reduced class-size, and/or push-in services.
 - Teachers providing the services must be certified bilingual education and/or ESL teachers.
- **High quality professional development** that is “of sufficient intensity and duration to have a positive and lasting impact on the teachers’ performance in classrooms.”
 - Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement** and supports must ensure that there are appropriate translation and interpretation services to meet community needs.
 - These are in addition to mandated activities, such as parent orientation during ELL identification process.

For more information on Title III requirements, please see the School Allocation Memo or contact your ELL Compliance and Performance Specialist.

- schedule and duration
- language of instruction
- # and types of certified teachers
- types of materials

Begin description here: Through Title III funds for ELL students, our enrichment and supplemental extended day programs will provide extra instructional time. The focus of these programs is to provide additional opportunities for ELL students to practice skills in English. It is our goal to provide focused differentiated instruction that meets each student's individual needs and enable all students to meet high standards.

We will offer an after school program to prepare students for the NYSESLAT and to enhance academic performance. The program will serve our LEP students. The students will be divided into four classes based on their level of proficiency as determined by the NYSESLAT results. It is expected that the program will be conducted from January to May for eighteen weeks. This program will be offered to students from kindergarten through fifth grade that can remain after school for one hour on Thursday and Friday from 2:25-3:25 pm. Three licensed bilingual teachers and one ESL teacher will be hired to service this population. Treasures from McMillian/McGraw-Hill, is a research based program which has an ELL component called Treasure Chest. This is a comprehensive program for ELL students in grades K-5 that provides instruction in the areas of literacy standards, which are listening, speaking, reading and writing. Treasure Chest targets beginners, intermediate and advanced students with vocabulary suitable for their level of language acquisition.

Treasure Chest was selected because it uses authentic literature, graphic organizers and scaffolds support to accelerate students' reading growth. In addition, it builds fluency, develops comprehension and builds the connection between learning to read and independent reading. It also keeps the students motivated and provides opportunities for practicing academic English.

This program allows students to interact by working in pairs using academic English in a supportive environment. Small groups are used to practice and reinforce skills at the student's level of proficiency. The ELL specialist uses a variety of techniques to make the content clear. These techniques or best practices include modeling, speaking at a rate that is appropriate with the student's English proficiency and using visuals and gestures. Therefore, Treasure Chest provides opportunities to make adequate academic progress and meet high academic standards.

Part C: Professional Development

Describe the school's professional development program for Title III Program teachers as well as other staff responsible for delivery of instruction and services to ELLs.

- rationale
- teachers to receive training
- schedule and duration
- topics to be covered
- name of provider

Begin description here: To ensure a strong emphasis on the state learning standards and high impact differentiated academic language development strategies, the ESL specialist will meet once a month with the staff that provides instruction to ELLs. The appropriate staff will analyze individual student's progress in order to provide additional support. Our goal is to maximize each student's growth and individual success by meeting each ELL student where he or she is in the learning process. Staff will review factors such as reading comprehension, phonemic awareness, fluency, vocabulary and prior knowledge.

Part D: Parental Engagement Activities

Part D: Parental Engagement Activities

Describe the parent engagement activities targeted toward parents of ELLs that will impact higher achievement for ELLs. NOTE: These are in addition to mandated activities, such as parent orientation during ELL identification process.

- rationale
- schedule and duration
- topics to be covered
- name of provider
- how parents will be notified of these activities

Begin description here: The school conducts a parent orientation for the newly enrolled ELLs. The purpose of the Parent Orientation is to explain the different ESL programs available and to complete the Parent Survey and Program Selection Forms. The Principal, ESL Coordinator, Parent Coordinator and Translator are also present at this orientation to address any concerns which the parents may have. ELLs are then placed accordingly as per the parent's choice. Students must be placed within ten days of enrollment.

- P.S. 158K Parent Coordinator will provide assistance to parents of children served by the school, as appropriate, in understanding topics such as the following, by undertaking the actions described in this paragraph:

- o the NYS academic content standards
- o the NYS student academic achievement standards
- o the NYS and local academic assessments including alternate assessments, the requirements of Part A, how to monitor their child's progress, and how to work with educator

- Parents will be encouraged to attend PTA meetings that will be held at times that are convenient for parents. A rotational schedule of PTA meetings will be developed in coordination with the PTA executives and the school's Parent Coordinator in order to accommodate parents that cannot attend evening meetings. When necessary, translators will be available, so those parents will understand all of the proceedings at PTA meetings. Additional accommodations will be made for parents with disabilities so that they too can attend meetings.

- o Through the efforts of the Parent Coordinator, the PTA President with District support, an outreach will be made to parents of students in temporary housing (STH) so that these families will be involved in all parent/school activities.

- Parents will be invited to attend the annual Open House Forum, where they will obtain information about the school curriculum, academic standards, behavioral expectations, etc.

- Parents will be invited to attend culminating celebrations marking their children's success at the school.

- Student of the Month celebrations will be held in conjunction with PTA meetings and an Honors Night will be held at the end of each marking period.

Part D: Parental Engagement Activities

- School publications (i.e. parent handbook, pamphlets, newsletters, and letters to parents) will be used to apprise parents of important upcoming events including testing dates, school events and open school conferences.
- The school calendar will be disseminated to parents via the students at the beginning of each month.
- ELL parents will be involved in the Nutrition and Health Program. This program will help and support families, youth and senior to make healthier nutrition choices and become more physically active as well as learning to use their food dollars wisely. The goal is for participants to learn strategies on how to provide themselves and their families with healthy meals and snacks while making the best use of their food resources. The Nutrition and Health program will meet for two hours, once a week for 10 weeks from September to November 2011. The Eat Well and Play Hard program will meet for two hours, once a month for six months from January to June 2012.

Parent workshops will focus on basic educational concerns, health care/medical issues, and financial planning, and addressing various behavioral and mental health issues for children.
