SCHOOL LEADERSHIP TEAM (SLT) SIGNATURE PAGE

Use this page to identify SLT members and confirm their participation in the development of this Comprehensive Educational Plan (CEP), which includes goals and action plans, a summary of Academic Intervention Services, and the Parent Involvement Policy. The signatures of SLT members indicate their participation in the development of the CEP and serve as confirmation that consultation has occurred to align funding in support of educational programs. The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with the Chancellor’s Regulation A-655, available on the [NYC DOE Web site](#).

Directions:

1. List each SLT member in the left-hand column on the chart below. Specify any position held by the team member, e.g., Chairperson, SLT Secretary and the constituent group represented, e.g., parent, staff, student, or CBO. Core mandatory SLT members are indicated by an asterisk*.
2. Ensure that SLT members review this document and sign in the right-hand column in blue ink. If an SLT member does not wish to sign this plan, he/she may attach a written explanation in lieu of his/her signature.
3. Add rows as needed to ensure that all SLT members are listed.
4. The original copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

DIRECTIONS AND GUIDANCE FOR COMPLETING THE ANNUAL GOALS AND ACTION PLAN SECTION

The CEP goal-setting process serves both to support the identification and implementation of school-wide goals as well as to document how your school is meeting Federal, State, and City regulations.

As a result of principal feedback on this process, the CEP has been significantly streamlined to reduce the amount of time spent fulfilling requirements and to allow schools to focus on goal-setting and instructional priorities. The goal and action plan section, contained on pages 4 through 8 of this template, now serves as the central work of the CEP process and reflects a consolidation of numerous CEP requirements from prior years.

Below you will find guidance on documenting annual goals and action plans.

WHICH SCHOOLS NEED TO COMPLETE THIS?

- All schools should identify and submit annual goals and action plans in consultation with their School Leadership Team.

HOW DO CEP GOALS RELATE TO GOALS SET FOR THE PRINCIPAL PERFORMANCE REVIEW (PPR)?

- CEP goals are generally intended to guide school-wide planning and development. CEP goals may be adapted from goals set by the principal for the Principal Performance Review (PPR) if they are appropriate for use as school-wide goals.

HOW SHOULD A SCHOOL DEVELOP ITS GOALS AND ACTION PLANS?

- Your school should identify a minimum of three and a maximum of five annual goals.
- Goals should be “SMART” - specific, measurable, achievable, realistic, and time-bound.
- Goal development should be based on an assessment of your school’s needs.
- Your school should demonstrate the use of both qualitative and quantitative data in providing the rationale for each goal. Cite sources that contributed to the rationale, such as the Progress Report, Quality Review, School Survey, State Differentiated Accountability report (SQR, ESCA, or JIT), state and school assessment results, attendance records, inquiry team work, etc.
- Each goal and action plan requires your school to cite the strategies and activities in your Parent Involvement Policy (PIP) that will be implemented to achieve the goal identified. The PIP template is provided on pages 11 through 15. Your school is encouraged to use the template as it is provided, or align it in accordance with your school’s goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to respond to the parental involvement section of each goal and action plan.
- Schools designated as Improvement, Corrective Action, Restructuring, and/or PLA/SURR by the New York State Education Department must identify a goal and complete an action plan related to improving student outcomes for the specific subject area and subgroups identified for improvement. For each subject area identified, a goal and action plan is required.

ANNUAL GOAL #1 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #1

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

Establish a systematic approach to gathering, analyzing, disseminating and using data at the grade and individual student level to examine the performance trends of all students including subgroups.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

The need to monitor students' progress closely to enhance or revise instruction based on performance data and the Common Core State Standards initiatives.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

Grade teams, Literacy teams, Math teams and Inquiry teams will participate in sessions looking at student work (diagnostic/summative assessments, projects, class work etc.) to examine performance trends to enhance and/or revise instructional plans as needed.
Administration collects and analyzes data school-wide across the year.
Common prep periods, extended day, lunch-n-learns.
Ongoing across the year.

Strategies to increase parental involvement

Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

School Leadership Team will analyze school-wide data results across the year monthly.
Student Progress Reports 3 times a year to be sent home to parents in between report cards timeframes.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.

ELL Teacher and Read 180 Teacher analyze identified students' data and work in conjunction with the classroom teacher to enhance or revise the instructional program.

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

ANNUAL GOAL #2 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #2

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

Increase student performance in literacy with a focus on grade 3 and students with IEP's

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

Third grades ELA results on the 2011 NYS exam and students with IEPs testing for the first time.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

Utilize the Words Their Way program and the Wordly Wise program to enhance students' word knowledge and vocabulary skills.

Monitor students reading volume, reading levels, periodic/NYS practice assessment results, teacher conference notes, students' reading response and writing notebooks.

Identified students participate in the ELL program, Read 180 intervention program and the School's extended day program.

Ongoing across the year.

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

Strategies for attracting Highly Qualified Teachers (HQT)

ACADEMIC INTERVENTION SERVICES (AIS)

On the chart below, indicate the total number of students receiving AIS in each area listed for each applicable grade in your school.

Identified groups of students who have been targeted for AIS, and the established criteria for identification include:

- Students in Grades K – 3 who are considered at-risk for not meeting State standards as determined by their performance on ECLAS 2 or other identified assessments, or who have been identified as potential holdovers.
- Students in Grades 4 – 8 who are performing at Level 1 or Level 2 on New York State English language arts (ELA), mathematics, science, and social studies assessments.
- Students in Grade 9 who performed at Level 1 or Level 2 on NYS Grade 8 ELA, mathematics, science, and social studies assessments.
- Students in Grades 10 – 12 who scored below the approved passing grade on any Regents examination required for graduation in English language arts, mathematics, science, and social studies.

**DIRECTIONS AND GUIDANCE FOR DEVELOPING OR UPDATING
THE PARENT INVOLVEMENT POLICY (PIP)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements.

The PIP should describe how your school will plan and implement effective parent involvement activities to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

PARENT INVOLVEMENT POLICY (PIP) TEMPLATE

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. Our school will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community;

Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, our school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to schools to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in our Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;

- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

Our school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- hosting events to support, men asserting leadership in education for their children. parents/guardians, grandparents and foster parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand;

SCHOOL-PARENT COMPACT

Our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

I. School Responsibilities

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;

- convening an Annual Title I Parent Meeting prior to December 1st of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering will all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

II. Parent/Guardian Responsibilities:

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;

- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

**OFFICE OF ENGLISH LANGUAGE LEARNERS
GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This LAP form, an appendix of the CEP, also incorporates information required for CR Part 154 funding so that a separate submission is no longer required. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them in the submission form.

Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.

3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [[see tool kit](#)].)
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
5. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
6. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway.

Parent involvement

A number of structures are in place in order to ensure that the parents of ESL students at our school understand all of the program choices, options, and rights they are entitled to. Each parent of a newly enrolled student who qualifies for ESL services is invited (via personal, written and/or telephone invitation) to an ESL parent orientation session. These are held in our school on an ongoing basis and scheduled at a time that enables at least one parent/guardian of each newly enrolled student to attend. At the parent orientation session, informational materials are provided and an information video is viewed by the parents in the language of their choice. In addition, an ESL teacher/bilingual school staff member offers additional counsel to parents in their native language in order to clarify the information and to ensure that the parents understand their transfer rights. Also, the ESL teacher or parent coordinator conduct any necessary follow ups to ensure program selection and other forms are returned.

After examining the parent choice surveys from previous years, it is clear that the large majority of parents who have children eligible for ESL services choose to place them in a freestanding ESL program. Previously, only a couple of parents have chosen bilingual as their first choice but, later decided to reject the transfer offer and keep their child in our freestanding ESL program.

Instructional Program

Our ESL student population is served by one full time ESL teacher using a combined push-in and pull-out model to ensure maximum efficiency and to comply with the mandated service minutes required for each language proficiency level. As specified under CR Part 154, all our beginning and intermediate level English Language Learners receive 360 minutes of ESL instruction per week. Our advance students receive the prescribed 180 minutes per week. Students are permitted to use their native language with the teacher, teacher-assistants and/or peers to express understanding and ask for clarification. In most cases bilingual “buddy; students are assigned to newcomer ELLs to help with translation of directions and expectations in the mainstream classroom.

We are aware that any group of learners will be made up of students who are at different stages in their language acquisition and cognitive development; therefore we strive to provide instruction in such a way that addresses the needs of each ELL subgroup.

Newcomers at our school are serviced with the intention of giving them the language skills they need to function successfully in their new country, community, and school. They are placed with English-speaking peers in an age appropriate environment in order to present them with language acquisition opportunities and extrinsic motivation as well as support from their peers. Since many newcomers arrive with little or no English in any of the four language skill areas, our newcomers receive ESL services that are intended to provide both content area and second language instruction with the intent of developing both BICS (Basic Interpersonal Communication Skills) and CALP (Cognitive Academic Language Proficiency). Literacy and language development take place through student participation in the teachers college writing and reading workshop as well as more specialized instruction from their ESL teacher. The ESL and classroom teachers work together to make content area and language instruction accessible to students by employing sheltered English and a wide range of scaffolding techniques. In addition to these supports newcomers also receive extra attention through our after school programs, access to literacy technology (computer programs, recorded books, internet, etc), and additional academic intervention if needed.

We have no long term ELLs.

At our school 16% of Ells’ (4) have Individualized Education Plans (IEP). These students are in self-contained classrooms. This population receives individualized instruction from their classroom teachers, teacher assistants (in some cases bilingual), and the ESL staff as prescribed by their IEP.

As ELLs at our school reach proficiency by passing the NYSESLAT they continue to receive extra attention in order to ensure academic success. This extra attention is given through pair tutoring, test preparation and school programs such as read 180 and reading recovery. Classroom teachers continue their use of sheltered English to make input comprehensible for these students and design learning activities that connect new content to students’ prior knowledge. Teachers also use graphic organizers, realias and other scaffolding techniques learned at our in house staff development sessions.

Targeted intervention for Ls

Teachers use scaffolding techniques in their classrooms to accommodate the ELL population, and cooperative learning through both science and the social studies content areas to build all aspects of language proficiency including reading, writing, listening, and speaking.

The ELL population at PS 256 is given equal access to all programs. English Language Learners are invited to participate in reading and math after school programs.

Native language support is delivered through the use of dictionaries and by grouping students with a bilingual “buddy”. The ESL teacher and paraprofessionals provide support as needed in the student native language. The services, support and resources we provide our ELLs at PS 256, matches the student’s age, grade and proficiency levels.

Part IV: ELL Programming

A. Programming and Scheduling Information

1. How is instruction delivered?
 - a. What are the organizational models (e.g., Departmentalized, Push-In [Co-Teaching], Pull-Out, Collaborative, Self-Contained)?
 - b. What are the program models (e.g., Block [Class travels together as a group]; Ungraded [all students regardless of grade are in one class]; Heterogeneous [mixed proficiency levels]; Homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.
4. How do you differentiate instruction for ELL subgroups?
 - a. Describe your instructional plan for SIFE.
 - b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs.
 - c. Describe your plan for ELLs receiving service 4 to 6 years.
 - d. Describe your plan for Long-Term ELLs (completed 6 years).
 - e. Describe your plan for ELLs identified as having special needs.

Targeted intervention for ELLs

Teachers use scaffolding techniques in their classrooms to accommodate the ELL population, and cooperative learning through math, science and social studies content areas to build all aspects of language proficiency including reading, writing, listening, and speaking. The ELL population at PS 256 is given equal access to all programs. English Language Learners are invited to participate in reading and math after school programs.

Native language support is delivered through the use of dictionaries and by grouping students with a bilingual "buddy". The ESL teacher and paraprofessionals provide support as needed in the student native language.

D. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
3. Describe the minimum 7.5 hours of ELL training for all staff (including non-ELL teachers) as per Jose P.

In regards to professional development specifically tailored to ESL teachers, our ESL staff attends many workshops and professional developments courses offered by Teacher's College, the office of English Language Learners and BETAC (Bilingual/ESL Education Technical Assistance Center). Professional development is ongoing, after school, and during grade conference meetings. These workshops are provided by other teachers who turn keys, the assistant principal and principal as well as professional consultants throughout the year. These trainings are another opportunity for all teachers to receive training geared toward the specific needs of our ELL population. Professional development focuses on using Fountas and Pinnell Benchmark assessment system to assess all students. This data is then used to map out instructional strategies that are geared toward individual, small group, whole class, and differentiated instruction for all English

The ESL teacher offers support and suggestions to classroom teachers on a continuous basis. As per Jose P. training for non ESL teachers we are conducting continuous work shops during professional development days and lunch and learn sessions ongoing throughout the year.

E. Parental Involvement

1. Describe parent involvement in your school, including parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

The school offers ongoing workshops for parents on how to help their children achieve succes. Through the parent coordinator in our school organizes and reaches out to all parents to participates in various events. Ex. ELA, MATH, Work shops. We also have Literacy night, Father and son night, etc. We ask parents what they need help on and based on the majority of responses we offer help or outreach.

B. After reviewing and analyzing the assessment data, answer the following

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How can this information help inform your school's instructional plan? Please provide any quantitative data available to support your response.
- What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
- How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions?
- For each program, answer the following:
 - Examine student results. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
 - Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.

LANGUAGE TRANSLATION AND INTERPRETATION 2011-2012

CEP Appendix 7

Requirement under Chancellor's Regulations – for all schools

DBN: 13K256 **School Name:** Benjamin Banneker Elementary PS 256

Cluster: 312 **Network:** The Grapevine Margarita Nell

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

According to the data we collect during registration through the Home Language Identification Survey we find that most of our ELL parents speak Spanish. However, we do have a few parents that speak Fulani, Bambara, Bengali, or Arabic.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

We are fortunate to have staff members and parents in our school that translate our communication memos either written or orally.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

School notices are mainly translated in-house and sent or disseminated to parents back to back English/Spanish. We usually use one of our school staff to do the job, and if necessary we use an outside vendor.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Oral interpretation is usually done in-house by our school staff. However, if we need outside sources for interpretation we can call the DOE interpretation unit.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link:
<http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

The school will continue to make sure that any letter sent out for the parent is translated as we stated above, and that no minor will do any translation for us.

2011-12 Comprehensive Education Plan (CEP): Appendix 8

Title III Supplemental Program for ELLs

Directions: Title III supplemental services for ELLs must include all of the following three components:

- **Direct instruction:** activities must be used to support language development, English and native language instruction, high academic achievement in math, and/or other core academic areas.
 - The Title III supplemental instructional services must be based on student need
 - These supplemental services should complement core bilingual and ESL services required under CR Part 154.
 - Direct supplemental services should be provided for before school, after school, and Saturday programs as well as reduced class-size, and/or push-in services.
 - Teachers providing the services must be certified bilingual education and/or ESL teachers.
- **High quality professional development** that is “of sufficient intensity and duration to have a positive and lasting impact on the teachers’ performance in classrooms.”
 - Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement** and supports must ensure that there are appropriate translation and interpretation services to meet community needs.
 - These are in addition to mandated activities, such as parent orientation during ELL identification process.

For more information on Title III requirements, please see the School Allocation Memo or contact your ELL Compliance and Performance Specialist.

Part B: Direct Instruction Supplemental Program Information

Describe the direct instruction supplemental program here and include the

- rationale
- subgroups and grade levels of students to be served
- schedule and duration
- language of instruction
- # and types of certified teachers
- types of materials

Begin description here: 13K256 is committed to ensuring the academic achievement of our ELLs as well as ensuring English language proficiency. We serve our ELLs through a push in pull out ESL program.

We utilize various instructional methods to support our ELL population. The students learn English through the subject areas: Mathematics, Science, Social Studies and Technology. The students also participate in the Balanced Literacy Program. The Balanced Literacy Program combines speaking, listening, viewing, reading, writing and presenting in an academic setting that instills language enhancement and enrichment. All lessons include cognitive and linguistic objectives and are differentiated to ensure access to all students.

A review of our data indicated that while ELLs are making progress in listening and speaking writing and reading remain an issue. As a result we will offer a Saturday academy to provide supplemental academic and linguistic support to our ELLs. The ESL teacher will work with content area teachers to provide language support focused on the CCLS language strand. ESL teacher will provide scaffolds and used sheltered instruction to ensure ELLs comprehend instruction. The program will use several scaffolds to support the ELLs in progressing towards proficiency. It will also focus on helping the ELLs in syntax which is an area where they experience misunderstanding about how the grammar sends the message to the reader. This will help them to better understand how pronouns in sentences that are connected to nouns in figurative language and non-fiction text are used in English. They will have practices in using punctuations, connective words and interpreting text. In English there are patterns in sentences that require transformation such as in the passive voice. The practices will help them to participate in the process of transforming meaning from text. To reach cognitive academic proficiency the ELLs will practice answering questions that have deeper levels of language proficiency such as semantic meaning. The program will also assist the ELLs in test strategies that help them clarify confusion in meaning, understand test language, format, understand how to use pictures, photographs and animated drawings to relate to passages on a test and better understand how the sequence of questions is related to the passage. The materials that will be used include National Geographic Explorer Magazine, Nonfiction Comprehensive Classroom Set (books), Finish Line Math Strands and finish Line for ELLs: English Proficiency Practice and Teacher's Edition.

Part C: Professional Development

Describe the school's professional development program for Title III Program teachers as well as other staff responsible for delivery of instruction and services to ELLs.

- rationale
- teachers to receive training
- schedule and duration
- topics to be covered
- name of provider

Part C: Professional Development

Begin description here: The focus of the workshops will range from: developing writing proficiency with ELLs, NYS Standards and Performance Indicators which help guide us when writing lesson plans, Scaffolds and Strategies for ELLs, reading proficiency with ELLs, listening strategies, conversational skills to improve communication and parent involvement. The workshops will be led by Network CFN Specialist Cynthia J Felix and Karyna Tejeda and are meant to engage teachers in conversations about better understanding the different stages that our ELLs experience when learning English. Also, to help our teachers to use various scaffolds that will help our ELLs in the different language levels that they are presently in. The teachers will be encouraged to ask questions and participate in different activities that relate to language acquisition for our ELLS

Part D: Parental Engagement Activities

Describe the parent engagement activities targeted toward parents of ELLs that will impact higher achievement for ELLs. NOTE: These are in addition to mandated activities, such as parent orientation during ELL identification process.

- rationale
- schedule and duration
- topics to be covered
- name of provider
- how parents will be notified of these activities

Begin description here: To ensure parents are familiar with the expectations we have we use funding ty to enhance our workshops already offered by providing writing and reading workshops with activities specifically for parents. We would also use the services of artist Ana Soto to enhance the writing through illustrations. Parents will self publish books about their life, family or culture. The 3 workshops will be led by the teachers and Ana Soto. Materials to be purchased include painting materials, drawing materials, and blank books. We will send flyers in Spanish and English as well as post notices around the school. We anticipate that parents that participate in the program will become familiar with writing strategies with which to encourage and nurture their child’s strengths and interests and improve their own writing literacy.
