

**Department of  
Education**

*Dennis M. Walcott, Chancellor*

**2011-2012  
COMPREHENSIVE EDUCATIONAL PLAN  
(CEP)**

**SCHOOL NAME:** SATELLITE WEST

**DBN (DISTRICT/ BOROUGH/ NUMBER I.E. 01M000):** 13k313

**PRINCIPAL:** SUZANE JOSEPH    **EMAIL** [SJOSEPH6@SCHOOLS.NYC.GOV](mailto:SJOSEPH6@SCHOOLS.NYC.GOV)

**SUPERINTENDENT:** BARBARA FREEMAN

**SCHOOL LEADERSHIP TEAM (SLT) SIGNATURE PAGE**

Use this page to identify SLT members and confirm their participation in the development of this Comprehensive Educational Plan (CEP), which includes goals and action plans, a summary of Academic Intervention Services, and the Parent Involvement Policy. The signatures of SLT members indicate their participation in the development of the CEP and serve as confirmation that consultation has occurred to align funding in support of educational programs. The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with the Chancellor’s Regulation A-655, available on the [NYC DOE Web site](#).

**Directions:**

1. List each SLT member in the left-hand column on the chart below. Specify any position held by the team member, e.g., Chairperson, SLT Secretary and the constituent group represented, e.g., parent, staff, student, or CBO. Core mandatory SLT members are indicated by an asterisk\*.
2. Ensure that SLT members review this document and sign in the right-hand column in blue ink. If an SLT member does not wish to sign this plan, he/she may attach a written explanation in lieu of his/her signature.
3. Add rows as needed to ensure that all SLT members are listed.
4. The original copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Suzane, Joseph	*Principal or Designee	
Pearlina, Boucher	*UFT Chapter Leader or Designee	
Kim Best/ Benjamin Greene	*PA/PTA President or Designated Co-President	
James, Frederick	DC 37 Representative, if applicable	
	Student Representative ( <i>optional for elementary and middle schools; a minimum of two members required for high schools</i> )	
	CBO Representative, if applicable	
Kendra ,Smith	Member/	
Kim, Best	Member/	
Benjamin, Greene	Member/	
Darold Burgess	Member/	
Anika, Roche	Member/	
	Member/	
	Member/	

## **DIRECTIONS AND GUIDANCE FOR COMPLETING THE ANNUAL GOALS AND ACTION PLAN SECTION**

The CEP goal-setting process serves both to support the identification and implementation of school-wide goals as well as to document how your school is meeting Federal, State, and City regulations.

As a result of principal feedback on this process, the CEP has been significantly streamlined to reduce the amount of time spent fulfilling requirements and to allow schools to focus on goal-setting and instructional priorities. The goal and action plan section, contained on pages 4 through 8 of this template, now serves as the central work of the CEP process and reflects a consolidation of numerous CEP requirements from prior years.

Below you will find guidance on documenting annual goals and action plans.

### **WHICH SCHOOLS NEED TO COMPLETE THIS?**

- All schools should identify and submit annual goals and action plans in consultation with their School Leadership Team.

### **HOW DO CEP GOALS RELATE TO GOALS SET FOR THE PRINCIPAL PERFORMANCE REVIEW (PPR)?**

- CEP goals are generally intended to guide school-wide planning and development. CEP goals may be adapted from goals set by the principal for the Principal Performance Review (PPR) if they are appropriate for use as school-wide goals.

### **HOW SHOULD A SCHOOL DEVELOP ITS GOALS AND ACTION PLANS?**

- Your school should identify a minimum of three and a maximum of five annual goals.
- Goals should be “SMART” - specific, measurable, achievable, realistic, and time-bound.
- Goal development should be based on an assessment of your school’s needs.
- Your school should demonstrate the use of both qualitative and quantitative data in providing the rationale for each goal. Cite sources that contributed to the rationale, such as the Progress Report, Quality Review, School Survey, State Differentiated Accountability report (SQR, ESCA, or JIT), state and school assessment results, attendance records, inquiry team work, etc.
- Each goal and action plan requires your school to cite the strategies and activities in your Parent Involvement Policy (PIP) that will be implemented to achieve the goal identified. The PIP template is provided on pages 11 through 15. Your school is encouraged to use the template as it is provided, or align it in accordance with your school’s goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to respond to the parental involvement section of each goal and action plan.
- Schools designated as Improvement, Corrective Action, Restructuring, and/or PLA/SURR by the New York State Education Department must identify a goal and complete an action plan related to improving student outcomes for the specific subject area and subgroups identified for improvement. For each subject area identified, a goal and action plan is required.

## ANNUAL GOAL #1 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

### **Annual Goal #1**

- 1. By June 2012, 100% of teachers will attend professional development on the framework for teaching articulated in a rubric of practice by Charlotte Danielson.**

### **Comprehensive needs assessment**

Based on informal and formal observations, the learning environment survey, and the quality of teacher prepared assessments, it was determined that more emphasis must be placed on a holistic, developmental view of teaching to lead to more prompt reflection about student learning and teaching practice, development professional goals, and to guide, monitor and assess progress of teacher's practice.

### **Instructional strategies/activities**

- One-on-one teacher conferences at the beginning of the year to reflect on teaching practices and to plan professional goals
- Implementation of Individual Teacher Plans
- Work with outside community to improve professional practice
- Increase teacher collaboration and communication through Grade Level meetings
- Provide workshops on establishing learning goals for all students
- Implementation of technology in the classroom
- Assist teachers in modifying instructional plans for student needs
- Increase teacher inter-visitations
- Organizing and aligning curriculum to support student understanding
- Informal and formal observations to see instructional time is being used effectively
- *Agendas will be created as well as teacher sign in sheets will be kept on file.*
- *Alignment of teachers Smart Goals and Charlotte Danielson Model*
- *Teacher intervisitation*
- *Documented classroom observations formal and informal*
- *Student Achievement*

### **Strategies to increase parental involvement**

An ongoing challenge that we face at Middle School 313 is that our parental community needs to become more involved with the school and their child's education. This partnership is paramount to ensure the success of the individual and for the school. Due to the economic challenges that our parents face, they are unable to consistently participate in school events, parental workshops, and PTA meetings, which inevitably affects the child and his/her yearly progress. This is an area of weakness we are continuously trying to bridge through the offerings of study hall and life skills classes.

- Providing materials through the Inquiry Team Newsletter to help parents work with their child which should in turn lead to higher student achievement

- Providing parents with interim assessment report so they can become more involved with the school and create dialogue to help with their children's decision making process
- Continue to provide professional development to all teaching and non-teaching staff members
- Continue to offer parental workshops on a monthly basis
- Providing assistance to parents in understanding City, State and Federal standards and assessments through various workshop and meetings
- Launch our first ESL parental meeting and will continue to encourage parents to become involved in the decision making process of the school through PTA and SLT meetings
- Established a school based website at [www.ms313org](http://www.ms313org)
- School messenger service used daily to inform parents in upcoming events and or child's attendance
- Periodic communication with parents/guardians using our monthly progress reports
- Establishment of an online grade book
- Continue to share information with the parents about all programs including after school, meetings in a language that they can understand

#### **Strategies for attracting Highly Qualified Teachers (HQT)**

We have made some great accomplishments over the last couple of years. We have maintained consistent high expectations and created school-wide awareness of school goals. We have made significant changes in the organization by hiring qualified and experienced teachers, modifying student schedules and continually outlining teachers' roles to accelerate the progress of students in greatest need through the use of data binders. We have become much more strategic in identifying our students who fall in the bottom third and creating a curriculum that addresses their specific areas of weakness. It was important that we addressed these students' areas of weakness in Math and ELA and we further subdivided the students by grade. We recognized that the larger population of our bottom third students consisted of Grade 8. We then identified students who fell into the bottom third in both subject areas. These students became our focus group, where they will take part in our Destination Math and Read 180 Intervention Programs. These students were also strategically placed in Intervention Programs, After School Programs with strong, content-area teachers to ensure academic growth.

#### **Service and program coordination**

- Supplemental Educational Services (SES) are academic or tutoring services offered during off school hours to increase the academic achievement of economically disadvantaged students, particularly in areas of reading, writing, and math. Under the federal No Child Left Behind (NCLB) law, certain Title 1 School improvement schools must offer SES to eligible students.

**Budget and resources alignment**

- To provide Professional Development - **Title 1 ARRA**
- To provide Professional Development to 5% of highly qualified staff - **Title 1 Targeted Assistance**
- To provide teachers/coaches support to facilitate in-house professional development workshops - **Contract for Excellence**
- To enhance differentiated instruction in the classroom – **Contract for Excellence**
- To provide adequate instructional supplies – **TL Student Fair Funding**
- To provide resources such as PTS support texts for staff – **TL Student Fair Funding**

**ANNUAL GOAL #2 AND ACTION PLAN**

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

**Annual Goal #2**

- 1. By June 2012, 80% of the staff will play a more meaningful role in setting goals and making important decisions for the school through participation in grade meetings, cabinet meetings, School Leadership Team and/or the Inquiry Team.**

**Comprehensive needs assessment**

After reviewing this year's Learning Environment Survey and last year's report card, it was determined that more emphasis should be placed on the inclusion and engagement of teachers in important decision-making processes for the school.

**Instructional strategies/activities**

- Introduce all the avenues of involvement in school-wide decision making processes to the staff within the first month of school.
- Increase the number of teachers involved in the cabinet
- Implement Grade meetings
- Teachers will play more meaningful roles as facilitators of in-house Professional Development workshops.
- Create various subgroups within the Inquiry Team and designate staff members as subgroup committee leaders
- Hold weekly Department meetings facilitated by teachers to increase teacher input in regards to alignment of curriculum, instruction, assessment and materials.

**Strategies to increase parental involvement**

- Providing materials through the Inquiry Team Newsletter to help parents work with their child which should in turn lead to higher student achievement
- Providing parents with interim assessment report so they can become more involved with the school and create dialogue to help with their children's decision making process

- Continue to provide professional development to all teaching and non-teaching staff members
- Continue to offer parental workshops on a monthly basis
- Providing assistance to parents in understanding City, State and Federal standards and assessments through various workshop and meetings
- Launch our first ESL parental meeting and will continue to encourage parents to become involved in the decision making process of the school through PTA and SLT meetings
- Established a school based website at [www.ms313.org](http://www.ms313.org)
- School messenger service used daily to inform parents in upcoming events and or child's attendance
- Periodic communication with parents/guardians using our monthly progress reports
- Establishment of an online grade book
- Continue to share information with the parents about all programs including after school, meetings in a language that they can understand

#### **Strategies for attracting Highly Qualified Teachers (HQT)**

We have made some great accomplishments over the last couple of years. We have maintained consistent high expectations and created school-wide awareness of school goals. We have made significant changes in the organization by hiring qualified and experienced teachers, modifying student schedules and continually outlining teachers' roles to accelerate the progress of students in greatest need through the use of data binders. We have become much more strategic in identifying our students who fall in the bottom third and creating a curriculum that addresses their specific areas of weakness. It was important that we addressed these students' areas of weakness in Math and ELA and we further subdivided the students by grade. We recognized that the larger population of our bottom third students consisted of Grade 8. We then identified students who fell into the bottom third in both subject areas. These students became our focus group, where they will take part in our Destination Math and Read 180 Intervention Programs. These students were also strategically placed in Intervention Programs, After School Programs with strong, content-area teachers to ensure academic growth.

#### **Service and program coordination**

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.

#### **Budget and resources alignment**

- Offering Professional Development on school leadership - **Title 1ARRA/ Title 1 Targeted Assistance**
- Purchasing resources to promote book studies on school leadership for all cabinet members - **Title 1 Fair Student Funding**
- Selective staff will attend at least one national conference on school leadership.
- Extensive In-house professional development for all staff **Title 1 Fair Student Funding**

### ANNUAL GOAL #3 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

#### **Annual Goal #3**

- 1. By June 2012, 75% of our parental community will be informed on students' progress bi-monthly based on in-house benchmark/interim assessments to show whether students are meeting State and City standards for promotion.**

#### **Comprehensive needs assessment**

After reviewing this year's Learning Environment Survey and review of attendance records for P.T.A meetings, it was deemed necessary to continue focusing on solidifying the school's partnership with parents and keeping parents readily informed on their child's education. An ongoing challenge that we face at Middle School 313 is that our parental community needs to become more involved with the school and their child's education. This partnership is paramount to ensure the success of the individual and for the school. Due to the economic challenges that our parents face, they are unable to consistently participate in school events, parental workshops, and PTA meetings, which inevitably affects the child and his/her yearly progress. This is an area of weakness we are continuously trying to bridge through the offerings of study hall and life skills classes.

#### **Instructional strategies/activities**

- Continued upgrade of our school website
- Monthly meetings with our Executive Board
- Easy access to the school's online grade book
- Implementation of social events
- Maintaining an open door policy
- Academic Support Parent Workshops
- Reward ceremonies at PTA meetings
- Inviting guest speakers to speak on topics relevant to parents
- Launch of quarterly surveys
- Parent Appreciation Dinner

#### **Strategies to increase parental involvement**

- Providing materials through the Inquiry Team Newsletter to help parents work with their child which should in turn lead to higher student achievement
- Providing parents with interim assessment report so they can become more involved with the school and create dialogue to help with their children's decision making process
- Continue to provide professional development to all teaching and non-teaching staff members

- Continue to offer parental workshops on a monthly basis
- Providing assistance to parents in understanding City, State and Federal standards and assessments through various workshop and meetings
- Launch our first ESL parental meeting and will continue to encourage parents to become involved in the decision making process of the school through PTA and SLT meetings
- Established a school based website at [www.ms313org](http://www.ms313org)
- School messenger service used daily to inform parents in upcoming events and or child's attendance
- Periodic communication with parents/guardians using our monthly progress reports
- Establishment of an online grade book
- Continue to share information with the parents about all programs including after school, meetings in a language that they can understand

- Supplemental Educational Services (SES) are academic or tutoring services offered during off school hours to increase the academic achievement of economically disadvantaged students, particularly in areas of reading, writing, and math. Under the federal No Child Left Behind (NCLB) law, certain Title 1 School improvement schools must offer SES to eligible students.

**Budget and resources alignment**

- Provide Professional Development for parents - **Title 1 Targeted Assistance**
- Hire outside agencies to provide educational support services for parents - **Title 1 ARRA**
- Online educational software (Chalk & Snap Grades) - **TL Fair Student Funding**
- Provide resources and services in native language for parents - **Title 1 Translation**

## ANNUAL GOAL #4 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

### **Annual Goal #4**

#### **1. By June 2012, 20% of all subgroups will show growth in ELA and Mathematics.**

#### **Comprehensive needs assessment**

Based on the 2010-2011 New York State exams, the students of Satellite West M.S. 313 have been making steady strides in the subject of ELA and Mathematics. School-wide, our students have demonstrated a 7 point growth in ELA from the previous year's test results based on the new State Standards. We are currently at a 29% proficiency rate and we are working to bridge the achievement gap in ELA. In the 2010-2011 school year, we had a 42% school-wide proficiency level in Mathematics. This number has risen slowly for the 2010-2011 school performance in Math. Since my arrival in 2007 as the Principal, I recognized that my grade 8 population new challenge will be to attain a proficiency level higher than 60% in ELA or Math. I found that our difficulty in finding highly qualified and experienced grade 8 teachers in ELA and Math had a critical impact on student academic performance. Based on the 2010-2011 ELA performance data pulled from ARIS, we have also recognized that our females have slightly outperforming our male students in attaining a level 3 in ELA. However, our female students have been unable to attain a level 4 in ELA. From the 2010-2011 Math performance data on ARIS, we recognized that the female students are slightly outperformed our male students in Math as well.

#### **Instructional strategies/activities**

- Alignment of curriculum, instruction, material and assessment
- Providing teachers with all resources needed
- Providing in-house professional development
- Implementation of technology in the classroom
- Providing workshops on Differentiated Instruction
- Implementation of inter-visitations
- Monthly Assessments for writing and math
- Teachers incorporate four point rubric reflecting state and city standards to improve student writing in Math and ELA

#### **Strategies to increase parental involvement**

- Providing materials through the Inquiry Team Newsletter to help parents work with their child which should in turn lead to higher student achievement
- Providing parents with interim assessment report so they can become more involved with the school and create dialogue to help with their children's decision making process

- Continue to provide professional development to all teaching and non-teaching staff members
- Continue to offer parental workshops on a monthly basis
- Providing assistance to parents in understanding City, State and Federal standards and assessments through various workshop and meetings
- Launch our first ESL parental meeting and will continue to encourage parents to become involved in the decision making process of the school through PTA and SLT meetings
- Established a school based website at [www.ms313.org](http://www.ms313.org)
- School messenger service used daily to inform parents in upcoming events and or child's attendance
- Periodic communication with parents/guardians using our monthly progress reports
- Establishment of an online grade book
- Continue to share information with the parents about all programs including after school, meetings in a language that they can understand

## ANNUAL GOAL #5 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

### **Annual Goal #5**

- 1. By June 2012, all students will be engaged in two Common Core aligned Literacy and Math task where coherency will be evident in all content areas. Teachers will be supported by my network and outside agencies to complete two Common Core aligned task in Literacy and Math. Tentative months are as follows: November 2011 and February 2012.**

### **Comprehensive needs assessment**

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

### **Instructional strategies/activities**

- *By November 2011 and February 2012 all ELA/ Social Studies, Mathematics/ Science teachers will implement this task. Creation of professional learning communities*
- *Monthly grade meetings*
- *Providing in-house professional development*
- *Implementation of inter-visitations*
- *Providing teachers with all the resources needed*
- *One –on- one conferences with teachers*

### **Strategies to increase parental involvement**

- Providing materials through the Inquiry Team Newsletter to help parents work with their child which should in turn lead to higher student achievement
- Providing parents with interim assessment report so they can become more involved with the school and create dialogue to help with their children's decision making process
- Continue to provide professional development to all teaching and non-teaching staff members
- Continue to offer parental workshops on a monthly basis
- Providing assistance to parents in understanding City, State and Federal standards and assessments through various workshop and meetings
- Launch our first ESL parental meeting and will continue to encourage parents to become involved in the decision making process of the school through PTA and SLT meetings
- Established a school based website at [www.ms313org](http://www.ms313org)

- School messenger service used daily to inform parents in upcoming events and or child's attendance
- Periodic communication with parents/guardians using our monthly progress reports
- Establishment of an online grade book
- Continue to share information with the parents about all programs including after school, meetings in a language that they can understand

- To provide resources such as PTS support texts for staff – **TL Student Fair Funding**

**ACADEMIC INTERVENTION SERVICES (AIS)**

On the chart below, indicate the total number of students receiving AIS in each area listed for each applicable grade in your school.

Identified groups of students who have been targeted for AIS, and the established criteria for identification include:

- Students in Grades K – 3 who are considered at-risk for not meeting State standards as determined by their performance on ECLAS 2 or other identified assessments, or who have been identified as potential holdovers.
- Students in Grades 4 – 8 who are performing at Level 1 or Level 2 on New York State English language arts (ELA), mathematics, science, and social studies assessments.
- Students in Grade 9 who performed at Level 1 or Level 2 on NYS Grade 8 ELA, mathematics, science, and social studies assessments.
- Students in Grades 10 – 12 who scored below the approved passing grade on any Regents examination required for graduation in English language arts, mathematics, science, and social studies.

	<b>ELA</b>	<b>Mathematics</b>	<b>Science</b>	<b>Social Studies</b>	<b>At-risk Services: Guidance Counselor</b>	<b>At-risk Services: School Psychologist</b>	<b>At-risk Services: Social Worker</b>	<b>At-risk Health-related Services</b>

On the chart below, provide a brief description of each of the Academic Intervention Services provided, and include:

1. type of program or strategy (e.g., Wilson, Great Leaps, etc.),
2. method for delivery of service (e.g., small group, one-to-one, tutoring, etc.),
3. when the service is provided (i.e., during the school day, before or after school, Saturday, etc.).

Name of Academic Intervention Services (AIS)	Description
<b>ELA</b>	All students were placed into a class based on their 2010-2011 scores. Through dialogue with the Inquiry team members and the ELA department we focus on the bottom third students. These students were identified based on the scores posted in ATS and on ARIS. All these students attended Academic Intervention Services (AIS) classes for 37.5 minutes as well as after school programs. Administration was mindful due to various academic deficiencies that our students faced that content was delivered using different mediums. Workbooks were purchased that are aligned to State and City Standards in ELA. Also a pacing calendar was created to ensure students and teachers are on task. It was beneficial to both teachers and students based on their AIS results they were able to provide and receive with the appropriate supports and extensions.
<b>Mathematics</b>	All students were placed into a class based on their 2010-2011 scores. Through dialogue with the Inquiry team members and the Mathematics department we focus on the bottom third students. These students were identified based on the scores posted in ATS and on ARIS. All these students attended Academic Intervention Services (AIS) classes for 37.5 minutes as well as after school programs. Administration was mindful due to various academic deficiencies that our students faced that content was delivered using different mediums. Workbooks were purchased that are aligned to State and City Standards in Mathematics. Also a pacing calendar was created to ensure students and teachers are on task. It was beneficial to both teachers and students based on their AIS results they were able to provide and receive with the appropriate supports and extensions.
<b>Science</b>	The Science department would dedicate one period a week to focus on Literacy skills that the Inquiry Team and ELA teachers has determined that the class need. The teacher will use the class text for Science and teach all the strategies for reading non-fiction text throughout the school year. It will be discusses in cabinet the enactment of the Science teacher tutoring student failing Science during AIS.

<b>Social Studies</b>	The Social Studies department will identify the bottom third students in the subject area. They will focus on writing and create strategies to teach students to become better readers and writers using historical concept, analyzing the different types of sources (primary, secondary) and best way to respond to constructed questions using DBQ's.
<b>At-risk Services provided by the Guidance Counselor</b>	Through our monthly Pupil Personal Team (PPT) meetings, students are identified as at risk the guidance counselor will provide services. This determination will be made based on teacher referrals, on line occurrences system RISA reports and or student observations. The attendance teacher will also be involved in this process since we can look at individual student's attendance and provide concrete follow up strategies. An action plan will be created for each student and this plan will be reviewed every four to six weeks to discuss resolutions and or next steps.
<b>At-risk Services provided by the School Psychologist</b>	Through our monthly Pupil Personal Team (PPT) meetings, students are identified as at risk the guidance counselor will provide services. This determination will be made based on teacher referrals, on line occurrences system RISA reports and or student observations. The attendance teacher will also be involved in this process since we can look at individual student's attendance and provide concrete follow up strategies. An action plan will be created for each student and this plan will be reviewed every four to six weeks to discuss resolutions and or next steps.
<b>At-risk Services provided by the Social Worker</b>	<b>N/A</b>
<b>At-risk Health-related Services</b>	<b>N/A</b>

**DIRECTIONS AND GUIDANCE FOR DEVELOPING OR UPDATING  
THE PARENT INVOLVEMENT POLICY (PIP)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements.

The PIP should describe how your school will plan and implement effective parent involvement activities to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

---

**PARENT INVOLVEMENT POLICY (PIP) TEMPLATE**

Middle School 313 is constantly encouraging professionalism of all of its teaching and non-teaching staff, parents, and administration. We believe that students learn best by using various modalities. Teachers are strategically placed with students to ensure there is support and accountability. The school has made strides in creating outside partnerships and After School programs that are geared to encourage youth development. Through the enactment of a Life Skills Program, we are confident that these students will develop socially. We are constantly mindful that through the medium of Student Government and Peer Mediation our students will become leaders as they continue on their educational journey. They are constantly encouraged to be reflective on their daily decisions. MS 313 will continue to support parents and families of Title 1 students by ensuring that all its constituents are responsible for the continued growth of all students by:

- Providing materials through the Inquiry Team Newsletter to help parents work with their child which should in turn lead to higher student achievement
- Providing parents with interim assessment report so they can become more involved with the school and create dialogue to help with their children's decision making process
- Continue to provide professional development to all teaching and non-teaching staff members
- Continue to offer parental workshops on a monthly basis
- Providing assistance to parents in understanding City, State and Federal standards and assessments through various workshop and meetings
- Launch our first ESL parental meeting and will continue to encourage parents to become involved in the decision making process of the school through PTA and SLT meetings
- Established a school based website at [www.ms313org](http://www.ms313org)
- School messenger service used daily to inform parents in upcoming events and or child's attendance
- Periodic communication with parents/guardians using our monthly progress reports
- Establishment of an online grade book

- Continue to share information with the parents about all programs including after school, meetings in a language that they can understand

### **SCHOOL-PARENT COMPACT**

Our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

#### **I. School Responsibilities**

*Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:*

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

The school and parents, working cooperatively to provide for the successful education of the children, agree to the following:

The School Agrees to:

- Convene an annual meeting for Title 1 parents to inform them of the Title 1 program and their rights to be involved.
- Offer a flexible number of meetings at various times, and if necessary, and if funds are available, will provide transportation, child care or home visits for those parents who cannot attend a regular school meeting.
- Actively involve parents in planning, reviewing and improvement the Title 1 programs and the parental involvement policy.
- Provide parents with timely information about all programs.
- Provide performance profiles and individual student assessment results for each child and other pertinent individual and school district education information.
- Provide high quality curriculum and instruction.
- Deal with communication issues between teachers and parents through:
  1. Semi-annual parent-teacher conferences

**Tuesday, November 17, 2011 – Day 1:00pm to 3:00pm and Night 5:00pm to 7:30pm**

## **Wednesday, February 17, 2012- Day 1:00pm to 3:00pm and Night 5:00pm to 7:30pm**

2. Frequent reports to parents on their children's progress
  3. Reasonable access to staff
  4. Opportunities to volunteer and participate in school activities
- Assure that parents may participate in professional development activities of the school determine that is appropriate; for example, literacy, math, and technology classes and/or workshops.

### The Parent/Guardian Agrees to:

- Become involved in developing, implementing, evaluation and revising the school parent involvement policy.
- Use or ask for technical assistance training that the local education authority of school may have to offer on child rearing practices and teaching and learning strategies.
- Work with our child/children on their schoolwork. (Read with the child/children for at least 30 minutes per day)
- Monitor our child's/children's
  1. attendance at school
  2. homework
  3. television watching
  4. behavior in school
- Share the responsibility for improved student achievement
- Communicate with our child's/children's teacher about their educational needs.
- Ask parents and parent groups to provide information to the school on what type of training or assistance they would like and/or need to help them be more effective in assisting your child/children in the education process

---

### **II. Parent/Guardian Responsibilities:**

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;

- communicate with my child’s teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
- take part in the school’s Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child

**III. Student Responsibilities:**

At M.S 313 we expect our students to make the appropriate choices that will ensure success in all areas. Individuals are responsible for their own success and failure, which is determined by your daily choices. Please observe the following behavior and adhere to the more specific rules outlined in the Department of Education’s Citywide Standards of Discipline.

- Be polite to everyone and observe good manners
- Be alert and attentive to learning opportunities
- Be prepared for class by bringing all necessary books and materials with you
- Arrive on time and ready to learn
- Move around the school in an orderly and respectful manner
- Be considerate of the school, its classrooms and the school community by keeping our space clean. Organized and quite
- Welcome visitors and show them why our school is a special place for learning
- Our school has reasonable rules that help you to learn, Courteous, cooperative and respectful behavior will insure a safe environment where students can excel academically. We all must maintain these standards of behavior in order to achieve our goal of becoming smart and getting smarter.

- 
- attend school regularly and arrive on time;
  - complete my homework and submit all assignments on time;
  - follow the school rules and be responsible for my actions;
  - show respect for myself, other people and property;
  - try to resolve disagreements or conflicts peacefully;
  - always try my best to learn.

## RESPONSE PLAN FOR SCHOOLS IN NEED OF IMPROVEMENT (SINI)

**School DBN:** 13K313

**School Name:** Satellite West Middle School

*Note: For below, your state differentiated accountability phase, category, and intervention can be found in columns L, M and N on the SINI School spreadsheet linked in the Principals' Portal.*

**Phase:**  Improvement Year 1     Improvement Year 2     Corrective Action Year 1     Corrective Action Year 2  
 Restructuring Year 1     Restructuring Year 2     Restructuring Advanced

**Category:**     Basic     Focused     Comprehensive

**Intervention:**     School Quality Review (SQR)     External School Curriculum Audit (ESCA)  
 Joint Intervention Team visit (JIT)     not required for 2011-2012

### **Part A: For All SINI Schools (Title I and non-Title I)**

1. For each area of school improvement identification, describe the school's findings of the specific academic issues that caused the school to be identified. For schools in Improvement that underwent an SQR, ESCA, or (JIT) during the 2010-11 school year, please include the findings from that process in your response for this section.
  - *Tasks given to students in need of extra support do not yet include rigorous content so that lower performing students lack the opportunity to be sufficiently challenged and engage in higher order thinking activities.*
  - *Teacher feedback to students on student work and progress reports is not yet consistent and aligned to standards precluding students from knowing next steps to improve their work*
  
2. Describe the intervention(s) the school will implement to support improved achievement in the grade and subject areas for which the school was identified.
  - *Academic Intervention Services (AIS) Team -will focus on level 1 and 2 students and whose class will they be placed, coordinating with the ELA teachers to be a part of this meeting to provide feedback based on running records, formative and summative data. This will ensure that the student's areas of challenges are being met in regards to ELA. The team will also be involved in parental outreach along with our parent coordinator, attendance teacher for our At Risk students based on attendance issues and other social needs.*
  - *Planning and Reflection Team- This team will have three basic functions:*
    1. *Reflection of Past Lessons and outcomes using end of unit assessments*
    2. *Selection of Future Content based on Summative assessments culled from Discovery Education*
    3. *Reviewing of Students Work with an emphasis on Writing such as use of weekly words used in students writing*

### **Part B: For Title I SINI Schools Only**

1. As required by NCLB legislation, a school identified for school improvement must spend not less than 10 percent of its Title I funds for each fiscal year that the school is in school improvement status for professional development. The professional development must be high quality and address the academic area(s) identified. Describe how the 10 percent of the Title I funds for professional development will be used to remove the school from school improvement.

*Our mission is not just something that hangs on the wall and is not actually a part of our daily practice. We are extremely selective in our hiring process, and we demand excellence from our teachers. At our school, we do not just focus on "getting our students by" in 8<sup>th</sup> grade, we ask them to go above and beyond. Our teachers incorporate cutting edge technology such as smart*

boards and internet learning to keep our students up to date with the newest technology. Our administration demands parental, and community involvement, to ensure that learning takes place both in and out of the classroom. In short, our mission is not just something we read to students on the first day of school; it is the foundation of everything we do here.

With that being said, ten percent of Title I funds for professional development will be used to hire outside professional support. Professional consultants, that work with public schools throughout the city, such as Aussie, Teachers College and Discovery Education will be hired for support. Our Aussie consultants will focus on reading using the lens of the Common Core expectations. Teachers College will support us in designing our own assessment for writing. Discovery Education will support us in gathering and analyzing data. They will help us to use data to revise and monitor our curriculum in the area of ELA to ensure that students are strategically matched the correct teachers, curriculum, and assessments, materials and resources. This will ensure student success on the upcoming ELA exam. The data would be used to create teacher teams that would focus on monitoring student progress in reading and making recommendations for additional remediation in the content area.

2. Describe the teacher-mentoring program that will be incorporated as part of the school's strategy for providing high-quality professional development. At M.S. 313, we have created a professional development plan that is published every other month. The topics of focus are derived from observations, formal and informal, teacher set goals, and one on one conversations through the use of Professional Development Plan

- We were able to implement lessons on grammar, incorporate visual literacy and elaborate writing. Based on the In-house assessments in ELA, students are showing improvement in ELA and are on target to achieve their personal goals.
- Our PLCs have strategically structured programs at M.S. 313, such as Interventions, Study Hall, and Push-in/Pull-out Programs to meet students' needs and achieve academic progress.
- Progress is monitored through work found in student data binders.
- We have created teacher teams to help teachers organize student data through the use of data binders. Teachers will then be able to articulate their progress in student learning.
- We held several workshops on understanding data where teachers were given the opportunity to understand and analyze current data. Teachers were given step by step guidance on how to use data to drive instruction by identifying student needs and to plan next step procedures to raise student scores. Teachers implement anchor activities as extensions and Intervention periods have been put in place a system of support.
- We are able to track progress through reading data from periodic and in-house assessments and then, effectively communicate data to the school community.
- PLCs were created specifically so teachers can become more informed in the instructional strategies used to raise student achievement. This allows for more collaboration and engagement across the school.
- We have been able to address teachers' various needs based on teacher surveys and professional goals. We expect more differentiated instruction to meet varied student needs and learning styles, teachers to have more confidence in using technology for differentiating instruction, the practice and use of Prentice Hall resources, Discovery Education software and teachers to use data and continually cross reference their data.
- Our PLCs were supported by our CFN and other Professional Staff Developers from Discovery Education to measure progress and plan various strategies towards meeting goals using past review reports and in-house assessments. We expect teacher and student growth in various subject areas.

3. Describe how the school will notify parents about the school's identification for school improvement in an understandable and uniform format and to the extent practicable, in a language that the parents can understand.

We have many strategies aimed directly at increasing Parent Involvement. On various days all the core teachers of a certain content areas have a communal free period where parents are invited to come and meet with all of their student's teachers. Teachers distribute all of their email addresses to parents and have regular, direct communication with parents. Parents will be notified on a six week basis in their native language on their child's progress in ELA. Progress report will indicate the child's proficiency level in alignment with the new State Standards. The school's Inquiry Team newsletter offer parental support in their native language, and generally encourages parental visitation, and communication through all possible avenues. We will continue to use our school messenger system to keep parents informed. Our school webpage has been a valuable resource for some of our parents and students as well. Letters will also be communicated via backpack to the parents in their native language identified on their Home Language surveys as well, and finally, through our monthly PTA meetings we will ensure there is a bilingual parent or teacher available for translation purposes. With that being said, our parent coordinator and our PTA executive board will be at the forefront to ensure that they can guide our parents through their various concerns and ensuring that all our parents are abreast of all new initiatives.

**OFFICE OF ENGLISH LANGUAGE LEARNERS  
GRADES K-12 LANGUAGE ALLOCATION POLICY  
SUBMISSION FORM  
2011-12**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This LAP form, an appendix of the CEP, also incorporates information required for CR Part 154 funding so that a separate submission is no longer required. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, hold your cursor over the [?](#).

------------------------------------	------------	----------------------	----------	---	--------------

## Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [[see tool kit](#)].)
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
5. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
6. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. 

Paste response to questions 1-6 here

The initial screening procedure is as follows: When ELLs come in the school to register, the Pupil Accounting secretary provides parents with a Home Language Identification Survey form (HLIS) to identify the child's language proficiency. Either the ESL teacher or another pedagogue then evaluates the HLIS form. If the child is identified as an eligible candidate for Bilingual instructional services, an informal interview is given to the candidate by a pedagogue and the Language Battery Assessment revised (LAB-R) is given to identify the child as an English Language Learner or English Proficient. If students are Spanish speakers, the Spanish LAB is equally administered. Based on the students' LAB-R scores, parents receive an Entitlement letter which informs them of their child's proficiency level. They are also invited to attend a Parent Orientation Session to ensure that they understand all three program choices. At the orientation meeting various programs are described. The child is enrolled in the appropriate program within ten days.

Furthermore, in order to enable parents to make sound educational decisions as to which program best meets the needs of their child, parents participate in several activities before they make a decision. The ESL teacher, the Assistant Principal, Parent Coordinator, and necessary translators meet with the parents to inform them of program options. During the meeting, parents are assisted in filling out the Program Selection form if necessary. They are also provided with information about bilingual/ESL services and an opportunity to ask questions so that they can make an informed placement selection as well as information about the core curriculum, learning standards, expectations for students, and assessments.

Parents receive an Entitlement Letter in their home languages via mail. In case parents fail to return the Program Selection forms, the ESL teacher and parent coordinator through a translator consistently contact the parents at home. However, should parents require assistance in filling out the Parent Survey and Program Selection forms, they can obtain assistance from a school personnel, i.e. the ESL Teacher/Coordinator and/or Parent Coordinator with the aid of a translator.

Once parents complete the Parent Survey and Program Selection form, students are placed in the chosen program. MS 313 offers the freestanding ESL program, and students receive the mandated hours of ESL services as determined by their level of English proficiency.

After reviewing the Parent Survey and Program Selection forms for the past few years, the trend is a Freestanding ESL Pull-Out program. We have a small group of ELLs in our building and consistently register approximately two to four students annually. [Please provide appropriate data.]

Yes the program model is aligned according to the parents' requests.

# Part III: ELL Demographics

## A. ELL Programs

This school serves the following grades (includes ELLs and EPs)  
Check all that apply

K  1  2  3  4  5   
6  7  8  9  10  11  12

This school offers (check all that apply):

Transitional bilingual education program	Yes <input checked="" type="radio"/>	No <input checked="" type="radio"/>	If yes, indicate language(s):
Dual language program	Yes <input checked="" type="radio"/>	No <input checked="" type="radio"/>	If yes, indicate language(s):

Provide the number of classes for each ELL program model at your school. For all-day programs (e.g., Transitional Bilingual Education, Dual Language, and Self-Contained ESL), classes refer to a cohort of students served in a day. For push-in ESL classes, refer to the separate periods in a day in which students are served. Departmentalized schools (e.g., high school) may use the self-contained row.

ELL Program Breakdown														
	K	1	2	3	4	5	6	7	8	9	10	11	12	Total #
<b>Transitional Bilingual Education</b> (60%:40% → 50%:50% → 75%:25%)														0
<b>Dual Language</b> (50%:50%)														0
<b>Freestanding ESL</b>														
<b>Self-Contained</b>														0
<b>Push-In</b>														0

## Part IV: ELL Programming

### A. Programming and Scheduling Information

## A. Programming and Scheduling Information

1. How is instruction delivered?
  - a. What are the organizational models (e.g., Departmentalized, Push-In [Co-Teaching], Pull-Out, Collaborative, Self-Contained)?
  - b. What are the program models (e.g., Block [Class travels together as a group]; Ungraded [all students regardless of grade are in one class]; Heterogeneous [mixed proficiency levels]; Homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
  - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.
4. How do you ensure that ELLs are appropriately evaluated in their native languages?
5. How do you differentiate instruction for ELL subgroups?
  - a. Describe your instructional plan for SIFE.
  - b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs.
  - c. Describe your plan for ELLs receiving service 4 to 6 years.
  - d. Describe your plan for long-term ELLs (completed 6 years).
6. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?
7. How does your school use curricular, instructional, and scheduling flexibility to meet the diverse needs of ELL-SWDs within the least restrictive environment?

Paste response to questions 1-7 here

### A. Programming and Scheduling Information

The organizational model is a Freestanding English Pull-Out program. The program model is Ungraded and Heterogeneous. Regarding the Freestanding ESL program, beginning and intermediate ELLs receive 360 minutes per week and advanced ELLs, 180 minutes per week. MS 313 does not offer a Transitional Bilingual Program or Dual Language.

We currently have a Freestanding ESL Pull-Out program, and instruction is solely provided in English with ESL methodology and scaffolding techniques to support second language acquisition. Our students speak Spanish and Arabic. These students receive support in their native languages as needed or necessary. Our staff members are always available to reach out to these students to help them overcome problems stemming from a language barrier. In addition, most of our Spanish speakers are taking Spanish as a foreign language to support their native language literacy.

All of our students are scheduled to receive ten periods of ELA classes per week in addition to meeting their CR Part 154 mandates in ESL.

The content areas are delivered in English, and the instructional approaches and methods used to make content comprehensible and to enrich language development, MS 313 has adopted a Balanced Literacy approach in the instruction of content areas. Students are provided with the opportunity to do read-alouds, shared and independent reading. The writers workshop model is also implemented, and students are knowledgeable about the writing process. Students maintain a writing journal.

Furthermore, scaffolding is an essential part of the instructional delivery, such as Modeling, Graphic Organizers, Bridging/Building Background Knowledge, Schema Building, Contextualization, Text Representation and Metacognition. Students are also assisted during work periods and conference with their teachers in and out of class. Informal assessments are administered, as well. Additional small group AIS sessions for each grade prior to all state assessments are offered to focus on literacy and academic language.

## A. Programming and Scheduling Information

Regarding the SIFE population, there is an urgency to provide academic intervention services as an extension to the regular school program on both push-in and pull-out services. The following interventions are also implemented:

- Making an individualized student needs assessment.
- Grade and age appropriate instructional support materials.
- Differentiation of instruction in all areas to help students achieve their IEP goals, in addition to meeting NYS ESL standards.

The school provides the following resources to facilitate the transition of Newcomers:

- An orientation session for incoming new students.
- A buddy system identifying a similar student in his/her class who will assist the Newcomer during the day.
- Utilization of the Read 180 Program and Achieve 3000 program.
- Encourage students to participate in Academic Intervention programs such as AIS, afterschool programs, peer tutoring programs, and the Read 180 Program.

The instructional plan implemented for ELLs receiving service 4 to 6 years is one that will allow them to demonstrate growth in the acquisition of the second language and, make annual progress in their state ELA and math exams, and achieve academically in all their content area classes. That is, beyond explicit ESL instruction, collaboration between teachers will ensure that the language needs of the ELLs are taken into consideration. Some aspects of this policy include:

- ELA and other content area teachers monitor the understanding of linguistically challenging material and use a variety of phrasings and synonyms to clarify meaning.
- Math teachers support students in understanding difficult word problems, and require students to make verbal explanations of the problems they work on.
- Social Studies teachers scaffold their instruction with visual aids such as maps, atlases, and illustrations to increase comprehension.

We currently have one long-term ELL (those ELLs having completed 6 years of ESL), the plan for them is to analyze their NYSESLSAT scores, as well as those of their ELA and Math assessments, to identify their problem areas. Past analysis has revealed a deficiency in both reading and writing. Our action plan for this subgroup involves:

- Monitoring the progress of students in all content areas to differentiate instruction for literacy needs.
- An individualized intervention plan based on students' areas of weakness is implemented in addition to students' assisting early morning intervention and afterschool programs.

The plan for ELLs identified as having special needs is to:

- Ensure that teachers of students with an IEP are familiar with students' particular needs and all services are provided accordingly to the IEP mandates.
- Collaboration between the ESL teacher and IEP contact person.

### Courses Taught in Languages Other than English ⓘ

NOTE: This section refers to classes/subject areas in which the language of instruction is English and another language which all students in the class speak. Do not include:

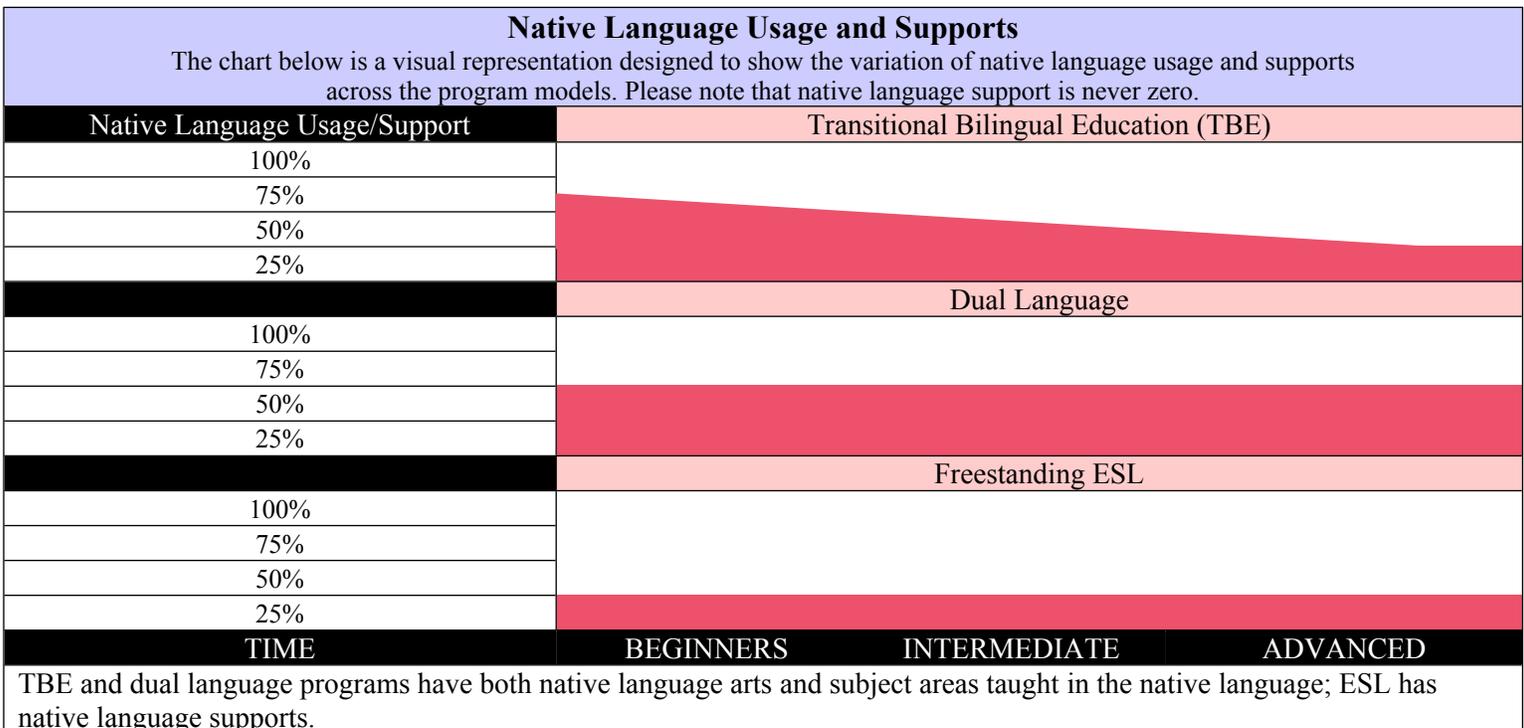

- classes that are taught in English using books in the native language
- heritage classes
- foreign language (LOTE) classes

Class/Content Area	Language(s) of Instruction		Class/Content Area	Language(s) of Instruction

	Beginning	Intermediate	Advanced
ESL instruction for <i>all</i> ELLs as required under CR Part 154	540 minutes per week	360 minutes per week	180 minutes per week
ELA instruction for <i>all</i> ELLs as required under CR Part 154			180 minutes per week
<b>FOR TBE /DL PROGRAMS:</b> Native Language Arts	45 minutes per day	45 minutes per day	45 minutes per day

## B. Programming and Scheduling Information--Continued

8. Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
9. Describe your plan for continuing transitional support (2 years) for ELLs reaching proficiency on the NYSESLAT.
10. What new programs or improvements will be considered for the upcoming school year?
11. What programs/services for ELLs will be discontinued and why?
12. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
13. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?
14. How is native language support delivered in each program model? (TBE, Dual Language, and ESL)
15. Do required services support, and resources correspond to ELLs' ages and grade levels?
16. Include a description of activities in your school to assist newly enrolled ELL students before the beginning of the school year.
17. What language electives are offered to ELLs?

Paste response to questions 8-17 here

### Implications for Instruction

The school has various support services for the parents/guardians of ELLs. These include services provided by the Guidance Counselor, Dean of Students, Social Worker, SAPIS Worker, School Psychologist, Speech Teacher, SETTS teacher, Nurse, and a Bilingual Paraprofessional. All ELLs are afforded equal access to all school programs such as AIS, after-school programs, and extra-curricular activities.

We are in the process of ordering age and grade appropriate ESL instructional materials and NYSESLAT preparation texts. We will be setting up a computer center and a listening center for ELLs to access both visual and audio support.

In addition, at MS 313, the language electives offered to ELLs are foreign language instruction in Spanish and French classes.

The implications for the school's LAP and instruction are derived from the strengths and needs noted in the NYSESLAT and other assessments (LAB-R, ACUITY, Teacher Assessments, and informal observations). Adjustments and improvements to our program this year include:

- Continue to strongly target language development across the grades and content areas, creating opportunities for active meaningful engagement.
- Additional support in listening and speaking for beginner students.
- Additional support in reading and writing for intermediate and advanced students.
- Small group ESL classes to target language modalities according to their needs.

### Implications for LAP in English Language Arts Area

In order to assist our students in both academic achievement and assessment, there is a variety of solutions that we are working with this year. They include the following:

- Increase collaboration between content area and ESL teacher to create a learning community that is knowledgeable about this population.
- Analyze ELLs' data to become well-informed about the performance of each ELL in order to make sound educational decisions.
- Provide opportunities for students to be involved in purposeful conversations.
- Incorporating all language modalities during the lesson, e.g. group discussions and journals.
- Ensure that teachers analyze student's data to identify strength and weakness and utilize the findings to drive and differentiate instruction.
- Encourage teachers to participate on professional development opportunities focusing in instructional strategies for ELLs.
- Implement a print rich environment.
- Include ELL students in the Inquiry Cohorts for the Inquiry Teams.

## B. Programming and Scheduling Information--Continued

### Implications for LAP in Mathematics Content Area

In order to assist our students in both academic achievement and assessment, there are a variety of solutions that we are working with this

### C. Schools with Dual Language Programs

1. How much time (%) is the target language used for EPs and ELLs in each grade?
2. How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?
3. How is language separated for instruction (time, subject, teacher, theme)?
4. What Dual Language model is used (side-by-side, self-contained, other)?
5. Is emergent literacy taught in child's native language first (sequential), or are both languages taught at the same time (simultaneous)?

Paste response to questions 1-5 here

### D. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
3. Describe the minimum 7.5 hours of ELL training for all staff (including non-ELL teachers) as per Jose P.

Paste response to questions 1-3 here

Professional development at MS 313 is provided by school staff and community learning support personnel organization:

- School Staff: MS 313 has developed an in-house Professional Development series that provide a variety of monthly workshops and sessions on topics of need and interest. Focus sessions are held on Classroom Management, Differentiated Instruction, ESL teaching methodologies and strategies, Data Binders, ARIS, the school's Online Grade book, Collaborative Team Teaching, and using SMART boards.

### E. Parental Involvement

1. Describe parent involvement in your school, including parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

Paste response to questions 1-4 here

To encourage continuing community involvement, ELL parents are provided with a venue to participate in the life of our school. At the beginning of the school year, the parents of newly enrolled ELLs are invited to attend a Parent Orientation Session conducted by either the ESL teacher or the parent-coordinator. The purpose of this meeting is to provide information on the ESL program, state standards, assessments, school expectations, and general program requirements. In addition, the ESL teacher meets with the parents/guardians of ELLs during parent/teacher conferences to discuss the students' progress. Parents/guardians are also notified about upcoming events and assessments. The Student Handbook and other memos are sent to the Office of Translation and Interpretation to be translated into the ELLs' Home Language. The role of parents in the academic success of their children is of great importance and MS 313 makes every effort to build that key partnership with the parent community. As part of our effort to strengthen the parental involvement, some members of our school community are bilingual and ensure communication between the school and the home.

## Part V: Assessment Analysis

### A. Assessment Breakdown

Enter the number of ELLs for each test, category, and modality.

OVERALL NYSESLAT* PROFICIENCY RESULTS (*LAB-R FOR NEW ADMITS)														
	K	1	2	3	4	5	6	7	8	9	10	11	12	TOTAL

## NYS Science

### B. After reviewing and analyzing the assessment data, answer the following

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How can this information help inform your school's instructional plan? Please provide any quantitative data available to support your response.
- What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
- How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions?
- For each program, answer the following:
  - Examine student results. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
  - Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
  - What is the school learning about ELLs from the Periodic Assessments? How is the Native Language used?
- For dual language programs, answer the following:
  - How are the English Proficient students (EPs) assessed in the second (target) language?
  - What is the level of language proficiency in the second (target) language for EPs?
  - How are EPs performing on State and City Assessments?
- Describe how you evaluate the success of your programs for ELLs.

Paste response to questions 1-6 here

Assessment Analysis

NYSESLAT

The NYSESLAT data shows that ELLs are making incremental gains on the assessment by moving to the next proficiency level to become language proficient.

After reviewing the NYSESLAT data, the patterns were:

- Speaking is in line with general abilities for the majority of the intermediated and advanced students. It is the Reading and Writing skills that are a challenge and are holding them back from the proficiency level. This is especially the case in the ELLs who are at the advanced level of proficiency.

Implications for Instruction

The implications for the school's LAP and instruction are derived from the strengths and needs noted in the NYSESLAT and other assessments (LAB-R, ACUITY, Teacher Assessments, and informal observations). Adjustments and improvements to our program this year include:

- Continue to strongly target language development across the grades and content areas, creating opportunities for active meaningful engagement.
- Additional support in listening and speaking for beginner students.
- Additional support in reading and writing for intermediate and advanced students.
- Small group ESL classes to target language modalities according to their needs.

Implications for LAP in English Language Arts Area

In order to assist our students in both academic achievement and assessment, there is a variety of solutions that we are working with this year. They include the following:

- Increase collaboration between content area and ESL teacher to create a learning community that is knowledgeable about this population.

**LANGUAGE TRANSLATION AND INTERPRETATION 2011-2012**

CEP Appendix 7

*Requirement under Chancellor's Regulations – for all schools*

**DBN:** 13k313      **School Name:** Satellite West

**Cluster:** 111      **Network:** Children First Network

**Goal:** To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

**Part A: Needs Assessment Findings**

---

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

Our parent coordinator has been instrumental in identifying the language needs of our community, along with surveys, including the Home Language Survey. We have since hired a contracted vendor using our Title 1 Translation allocation to translate all school communications not only in Spanish but also in Arabic, Bengali, and Chinese as well. Again, through the hard work of the school Secretary and our Parent Coordinator we were able to identify all our non-English speaking parents here at M. S. 313.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

We have made it a point to inform our teachers at faculty conferences, distribution of memos and one on one conversations, and the ESL teacher having planning time with the classroom teachers, which students have non-English speaking parents at their home. The teachers will distribute letters to certain students in their native language to be given to their parents as needed.

## Part B: Strategies and Activities

---

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

MS 313 will work with the Office of Translation Services and our contracted vendor in a timely manner to ensure that we communicate with our non English speaking parents. As mentioned above, we have a contracted vendor who works with us to ensure that all translated documents ranging from school calendars, programs, agendas, after school programs, upcoming events and special programs documents are all translated within a timely manner of no more than 48 hours. This will ensure that all our Non English speaking parents are aware of what is taking place at school. We even have our in house Spanish speaking teacher available to translate at ESL meetings, IEP meetings and even assist the school staff to communicate with the parents of the students when needed.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Spanish speaking staff assist in communicating with parents and as mentioned above. Our outside vendor translates the required documents into all languages as identified on the students Home Language survey as mentioned above.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link:  
<http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

Our Parents Coordinator and school staff have been diligent in regards to complying with the Chancellor's Regulations Section V11 by adhering to all of the outlined specifications as mentioned on Chancellors Regulations 663 part V11. We take our responsibility very seriously by providing them with their Bill of Rights, having the sign of each of the languages covered at our school posted by the entrance of our main office room 300. All communications in the form of flyers where they can find further information of each of the covered languages displayed at the entrance of room 300, concerning their rights as parents a website is given that is embedded inside of the flyer.
