Education**

Dennis M. Walcott, Chancellor

2011-2012 COMPREHENSIVE EDUCATIONAL PLAN (CEP)

SCHOOL NAME : PS/IS 217 ROOSEVELT ISLAND SCHOOL

DBN (DISTRICT/ BOROUGH/ NUMBER I.E. 01M000): 02M217

PRINCIPAL: MANDANA BECKMAN EMAIL: MBECKMA@SCHOOLS.NYC.GOV

SUPERINTENDENT: MARIANO GUZMAN

SCHOOL LEADERSHIP TEAM (SLT) SIGNATURE PAGE

Use this page to identify SLT members and confirm their participation in the development of this Comprehensive Educational Plan (CEP), which includes goals and action plans, a summary of Academic Intervention Services, and the Parent Involvement Policy. The signatures of SLT members indicate their participation in the development of the CEP and serve as confirmation that consultation has occurred to align funding in support of educational programs. The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with the Chancellor’s Regulation A-655, available on the [NYC DOE Web site](#).

Directions:

1. List each SLT member in the left-hand column on the chart below. Specify any position held by the team member, e.g., Chairperson, SLT Secretary and the constituent group represented, e.g., parent, staff, student, or CBO. Core mandatory SLT members are indicated by an asterisk*.
2. Ensure that SLT members review this document and sign in the right-hand column in blue ink. If an SLT member does not wish to sign this plan, he/she may attach a written explanation in lieu of his/her signature.
3. Add rows as needed to ensure that all SLT members are listed.
4. The original copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Mandana Beckman	*Principal or Designee	
Fay Christian	*UFT Chapter Leader or Designee	
Summer Lord	*PA/PTA President or Designated Co-President	
	DC 37 Representative, if applicable	
	Student Representative (<i>optional for elementary and middle schools; a minimum of two members required for high schools</i>)	
Ursula Fokine	Teacher	
Jill Feldman	Teacher	
Alison Mermel	Teacher	
LeDiana Harrison	Teacher	
Lydia Tang	Parent	
Dawn Price	Parent	
Michael Girard	Parent	
Laura Bechtel	Parent	
Lori Sanchez	Parent	

DIRECTIONS AND GUIDANCE FOR COMPLETING THE ANNUAL GOALS AND ACTION PLAN SECTION

The CEP goal-setting process serves both to support the identification and implementation of school-wide goals as well as to document how your school is meeting Federal, State, and City regulations.

As a result of principal feedback on this process, the CEP has been significantly streamlined to reduce the amount of time spent fulfilling requirements and to allow schools to focus on goal-setting and instructional priorities. The goal and action plan section, contained on pages 4 through 8 of this template, now serves as the central work of the CEP process and reflects a consolidation of numerous CEP requirements from prior years.

Below you will find guidance on documenting annual goals and action plans.

WHICH SCHOOLS NEED TO COMPLETE THIS?

- All schools should identify and submit annual goals and action plans in consultation with their School Leadership Team.

HOW DO CEP GOALS RELATE TO GOALS SET FOR THE PRINCIPAL PERFORMANCE REVIEW (PPR)?

- CEP goals are generally intended to guide school-wide planning and development. CEP goals may be adapted from goals set by the principal for the Principal Performance Review (PPR) if they are appropriate for use as school-wide goals.

HOW SHOULD A SCHOOL DEVELOP ITS GOALS AND ACTION PLANS?

- Your school should identify a minimum of three and a maximum of five annual goals.
- Goals should be “SMART” - specific, measurable, achievable, realistic, and time-bound.
- Goal development should be based on an assessment of your school’s needs.
- Your school should demonstrate the use of both qualitative and quantitative data in providing the rationale for each goal. Cite sources that contributed to the rationale, such as the Progress Report, Quality Review, School Survey, State Differentiated Accountability report (SQR, ESCA, or JIT), state and school assessment results, attendance records, inquiry team work, etc.
- Each goal and action plan requires your school to cite the strategies and activities in your Parent Involvement Policy (PIP) that will be implemented to achieve the goal identified. The PIP template is provided on pages 11 through 15. Your school is encouraged to use the template as it is provided, or align it in accordance with your school’s goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to respond to the parental involvement section of each goal and action plan.
- Schools designated as Improvement, Corrective Action, Restructuring, and/or PLA/SURR by the New York State Education Department must identify a goal and complete an action plan related to improving student outcomes for the specific subject area and subgroups identified for improvement. For each subject area identified, a goal and action plan is required.

ANNUAL GOAL #1 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #1

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

We will improve the literacy skills of students that scored in the lowest one-third on the State English Language Arts Exam. Specifically, this student group will move their average median adjusted growth percentile to 76.5 on the exam.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

After conducting an analysis of school progress report, it was determined that the students who scored in the lowest 1/3 on the ELA exam had the most impact on the school's score. As a result, we have made progress for our "lowest 1/3" subgroups a priority goal for the school year.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

Our strategies/activities for meeting this goal:

- Review ELA Test Item Analysis and identify specific skills that students struggle with.
- Review and use of frequent individualized Acuity assessments and F&P levels to inform instruction and gage progress
- Teachers will meet in grade level meetings to design curriculum and lessons that address the needs of the students and align them to the Common Core Learning Standards (CCLS). The Common Core State Standards Initiative (know in NYC as the CCLS) is a state-led effort coordinated by the National Governors Association Center for Best Practices (NGA Center) and the Council of Chief State School Officers (CCSSO). The standards were developed in collaboration with teachers, school administrators, and experts, to provide a clear and consistent framework to prepare our children for college and the workforce, as stated by our Chancellor: college bound and career ready. The standards are informed by the highest, most effective models from states across the country and countries around the world, and provide teachers and parents with a common understanding of what students are expected to learn. Consistent standards will provide appropriate benchmarks for all students, regardless of where they live. All but 4 states have adopted the new standards. These standards define the knowledge and skills students should have within their K-12 education careers so that they will graduate high school able to succeed in entry-level, credit-bearing academic college courses and in workforce training programs. The standards: Are aligned with college and work expectations; Are clear, understandable and consistent; Include rigorous content and application of knowledge through high-order skills; Build upon strengths and lessons of current state standards; Are informed by other top performing countries, so that all students are prepared to succeed in our global economy and society; and Are evidence-based (language directly taken from the Common Core Site).

- Examine student work and teacher work during Teacher Team meetings. Teacher Teams are comprised of the teachers of a particular grade, across grades, or across specific curriculum areas.
- Provide Tier 1 interventions to the students as needed. According to federal and state law a 3 Tiered System must be in place in all schools. We have been leaders in what was formally known as Academic Intervention Services (AIS) to know Response to Intervention (RtI), with model programs and services to meet individual needs. * (The Tiered System: Tier 1 services are provided within the general education classroom, by the classroom teacher and are services that assist certain individuals. Such intervention are, but not limited to:, a different manner of instruction or use of instructional techniques, providing resources such as manipulatives, proving a quite place for a student to assist with anxiety or behavior for a mini-break, an individual behavior plan for a student, etc. If and when the student is not responding to these interventions, Tier 2 services are put into place, along with the continuation of Tier 1 in the classroom. Tier 2 is provided by someone other than the classroom teacher and can be push in or pull out services. They may include but are not limited to working with a counselor, a special education teacher, a Learning Leader, etc. They are not one on one services. Again using data to gauge a student's response to these interventions after a fixed time period, a student moves to Tier 3, a formal comprehensive evaluation conducted by the school psychologist to rule out any times of learning or behavioral problems, which may potentially result in formal special education services or related services in a legal document called an Individual Education Plan (IEP).)
- Teachers will plan and deliver differentiated lessons throughout the curriculum areas. * Differentiated instruction entails using different resources, groupings, having different levels of text, changing for some students the process they work through, the products produced, or modifying the content to meet the needs of all students within a class. Often choices are provided and learning styles considered. This also provides for enrichment opportunities.
- Service the students in 37.5 minutes extended morning (Explanation of 37.5 minutes: 37.5 minutes was added in NYC to the teacher's contract (UFT) to provide additional instruction to students in need in small groups. Schools vote to decide to add this time before or after school, and what days. 217 changed to a morning program and now has different rounds and focuses for groups to maximize the additional time and the school day on Monday through Wednesday for those students begins at 7:52 am).
- Develop an afterschool and Saturday Academy that provides Tier 2 interventions (See The Tiered System described above) as well as enrichment opportunities.

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

N/A

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.
 - At this time all teachers on staff are highly qualified.
 - Administrative staff attends hiring fairs to identify and recruit highly-qualified teachers ELA teachers.
 - The pupil accounting secretary will work closely the network HR point to ensure that non-HQT meet all required documentation and assessment deadlines.
 - Mentors are assigned to support struggling and un-qualified teachers.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.

N/A

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

Fair Student Funding (Tax Levy) were used to implement this action plan from Sept. 2011-June 2012 as indicated below:

- Professional instructional materials, materials purchased from approved vendors such as books by researchers and renowned educators and resources, to support curriculum development and for new curriculum development aligned to the new CCLS, during the regular school day.
- Consumable instructional materials, those materials such as workbooks that are provided to students to write in and therefore only usable for that individual this particular year and brought home at the end of its use for use during extended day programs and Saturday Programs
- Teacher per session, as defined by the NYCDOE this is payment per hour for services provided outside of the teacher's contractual work hours, this is approximately \$43.00 + /hr., for after school programs and differentiated professional development.

ANNUAL GOAL #2 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #2

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

In alignment with the Common Core Learning Standards and the DOE's instructional expectations, students will show progress in the English Language Arts Performance Assessments in Grades K-5. 80% of students in the entire school will move in 1 or more levels in the performance assessments from December, 2011 to June 2012.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

After conducting a trend analysis of student performance data on state assessments, it was determined that all student groups need to show improved performance on open ended writing tasks. This also aligns with the city-wide goals around the common core learning standards, (CCLS). As a result, we have made school wide progress on writing tasks focused on informational writing genres aligned to the CCLS as a goal for the school year in all grades.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

Our strategies/activities for meeting this goal:

- Teachers will meet with grade level colleagues to design/develop tasks that align to the Common Core writing standards.
- The Principal, the Assistant Principal and the Coach will meet with teachers and facilitate greater data collection of student work, analysis of student work and use by the teachers in aligning their instruction to the Common Core curriculum.
- The grade teams will look at both student and teacher work to examine for higher levels of questioning, critical thinking and analytical skills. These teams will meet on a weekly basis.
- Include the ESL (English as a second language teacher) and SETSS (Special Education Teacher Support Services teacher) teachers to address the needs of these sub groups within the grades.
- The grade meetings will produce agendas and action plans based on their analysis of student work and teacher plans.
- Teachers will plan for and use differentiated instruction and make use of professional instructional materials.
- We will examine the student performance data in December 2011 and June 2012 to record student progress.

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

N/A

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.
 - At this time all teachers on staff are highly qualified.
 - Administrative staff regularly attends hiring fairs to identify and recruit highly-qualified teachers.
 - The pupil accounting secretary will work closely the network HR point to ensure that non-HQT meet all required documentation and assessment deadlines.

- **Mentors are assigned to support struggling and un-qualified teachers.**

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.

N/A

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

Fair Student Funding (Tax Levy) were used to implement this action plan from Sept. 2011-June 2012 as indicated below:

- **Professional instructional materials to support curriculum development during the regular school day.**

ANNUAL GOAL #3 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #3

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

In alignment with the Common Core Learning Standards and the DOE's instructional expectations, students will show progress in the MATH Performance Assessments in Grades K-5. 80% of students in the entire school will move in 1 or more levels in the performance assessments from December, 2011 to June 2012.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

After conducting a trend analysis of student performance data on state assessments, it was determined that all student groups need to show improved performance on open ended, multi-step mathematics tasks. This also aligns with the city-wide goals around the common core learning standards. As a result, we have made whole school progress on "open ended, common core aligned tasks" as a goal for the school year.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

Our strategies/activities for meeting this goal:

- **Teachers will meet by grade levels to develop tasks/units aligned with the mathematical practice standards of the common core.**
- **The Principal, the Assistant Principal and the Coach will meet with teachers and facilitate greater data collection of student work, analysis of student work and use by the teachers in aligning their instruction to the Common Core curriculum.**
- **The grade teams will look at both student and teacher work to examine for higher levels of questioning, critical thinking and analytical skills. These teams will meet on a weekly basis.**
- **Include the ESL and SETSS teachers to address the needs of these sub groups within the grades.**
- **Teachers will plan for and use differentiated instruction and make use of professional instructional materials.**

- The grade meetings will produce agendas and action plans based on their analysis of student work and teacher plans.
- We will examine the student performance data in December 2011 and June 2012 to record student progress.

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

N/A

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.
 - At this time all teachers on staff are highly qualified.
 - Administrative staff regularly attends hiring fairs to identify and recruit highly-qualified teachers.
 - The pupil accounting secretary will work closely the network HR point to ensure that non-HQT meet all required documentation and assessment deadlines.
 - Mentors are assigned to support struggling and un-qualified teachers.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.

N/A

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

Fair Student Funding (Tax Levy) were used to implement this action plan from Sept. 2011-June 2012 as indicated below:

- Professional instructional materials to support curriculum development during the regular school day.

ANNUAL GOAL #4 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #4

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

Offer more consistent and regular feedback to teachers about their practice to continue their professional growth, and to link directly the feedback to teachers with resources and professional development. Improve professional growth through evaluation and support their needs through direct feedback, resources and professional development tools. By January, each teacher will have three observations completed – two informal and one formal observations; by June, each teacher will have completed six observations total. Each teacher will receive ratings based on the Danielson framework to identify specific areas of strength and of growth.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

Decades of research prove what educators, students, and families know from direct experience: teachers have a greater impact on student success than any other school factor. To support teachers as we begin to integrate new, higher standards, 217 will start aligning their teacher support and supervision practices with the demands of the Common Core. To improve the instructional core across classrooms, we will use the “Danielson Rubric” that articulates what effective classroom teaching looks like to guide short, frequent cycles of classroom observation and collaborative examination of student work in the 2011-12 school year.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

Our strategies/activities for meeting this goal:

- The Principal and the Assistant Principal will complete the observations, which will be done based on the Danielson framework for CFN 103. Each teacher will have observations from both the Principal and the Assistant Principal.
- The information will inform and influence school-wide professional development, and identify which teachers demonstrate best practices. The

Danielson framework will help identify not only areas of improvement for specific teachers, but will also identify areas that our teachers excel – and thus offer in house resources for staff.

- The schedule of observations, and pre-and post-observation conversations will be available for review by the Superintendent
- The ratings, observations and scored rubrics will be recorded on ARISLearn through the CFN 103 Network Talent Management Pilot.

Strategies to increase parental involvement

- Cite the strategies and activities in your school’s Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

N/A

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.
 - At this time all teachers on staff are highly qualified.
 - Administrative staff regularly attends hiring fairs to identify and recruit highly-qualified teachers.
 - The pupil accounting secretary will work closely the network HR point to ensure that non-HQT meet all required documentation and assessment deadlines.
 - Mentors are assigned to support struggling and un-qualified teachers.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.

N/A

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY’12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

Fair Student Funding (Tax Levy) were used to implement this action plan from Sept. 2011-June 2012.

ANNUAL GOAL #5 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #5

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

Improve school-wide communications and community engagement. Specifically, improve the aggregate responses on the communication section of the Learning Environment Survey from 6.5 in 2011 to 7.0 in 2012.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

After conducting trend analysis of the learning environment survey, it was determined that the communication section of the survey was where the school could most improve.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

Our strategies/activities for meeting this goal:

- **Give teachers more consistent and regular feedback**
- **Use formal protocols to examine student and teacher work during staff, grade level and teacher team meetings**
- **Email weekly staff notices**
- **Distribute class newsletters to parents from teachers minimum 4 times a year**
- **Middles School communicates via Engrade, online access to students current grades on assignments, class participation**
- **School Website to communication information that is backpacked to parents.**
- **Class parents will assist classroom teachers in communications to parents**

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

N/A

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.
 - **At this time all teachers on staff are highly qualified.**
 - **Administrative staff attends hiring fairs to identify and recruit highly-qualified teachers.**
 - **The pupil personnel secretary will work closely the network HR point to ensure that non-HQT meet all required documentation and assessment deadlines.**
 - **Mentors are assigned to support struggling and un-qualified teachers.**

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.

N/A

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

Fair Student Funding (Tax Levy) were used to implement this action plan from Sept. 2011-June 2012 as indicated below:

- **Professional instructional materials to support curriculum development during the regular school day.**

ACADEMIC INTERVENTION SERVICES (AIS)

On the chart below, indicate the total number of students receiving AIS in each area listed for each applicable grade in your school.

Identified groups of students who have been targeted for AIS, and the established criteria for identification include:

- Students in Grades K – 3 who are considered at-risk for not meeting State standards as determined by their performance on ECLAS 2 or other identified assessments, or who have been identified as potential holdovers.
- Students in Grades 4 – 8 who are performing at Level 1 or Level 2 on New York State English language arts (ELA), mathematics, science, and social studies assessments.
- Students in Grade 9 who performed at Level 1 or Level 2 on NYS Grade 8 ELA, mathematics, science, and social studies assessments.
- Students in Grades 10 – 12 who scored below the approved passing grade on any Regents examination required for graduation in English language arts, mathematics, science, and social studies.

	ELA	Mathematics	Science	Social Studies	At-risk Services: Guidance Counselor	At-risk Services: School Psychologist	At-risk Services: Social Worker	At-risk Health-related Services
	# of Students Receiving AIS	# of Students Receiving AIS	# of Students Receiving AIS	# of Students Receiving AIS				
K	0	0	N/A	N/A	0	0	0	0
1	0	0	N/A	N/A	0	0	1	0

**DIRECTIONS AND GUIDANCE FOR DEVELOPING OR UPDATING
THE PARENT INVOLVEMENT POLICY (PIP)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements.

The PIP should describe how your school will plan and implement effective parent involvement activities to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

PARENT INVOLVEMENT POLICY (PIP) TEMPLATE

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. Our school will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community;

Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, our school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to schools to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in our Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;

- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

Our school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- hosting events to support, men asserting leadership in education for their children. parents/guardians, grandparents and foster parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand;

SCHOOL-PARENT COMPACT

Our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

I. School Responsibilities

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;

- convening an Annual Title I Parent Meeting prior to December 1st of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering will all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

II. Parent/Guardian Responsibilities:

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;

- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

**OFFICE OF ENGLISH LANGUAGE LEARNERS
GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM
2011-12**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This LAP form, an appendix of the CEP, also incorporates information required for CR Part 154 funding so that a separate submission is no longer required. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, hold your cursor over the [?](#).

Part I: School ELL Profile

A. School Information [?](#)

Cluster Leader/Network Leader Yuet Chu	District 02	Borough Manhattan	School Number 217
School Name The Roosevelt Island School			

B. Language Allocation Policy Team Composition [?](#)

Principal Mandana Beckman	Assistant Principal Jennifer Bartolino
Coach Ursula Fokine	Coach type here

C. Teacher Qualifications [?](#)

Please provide a report of all staff members' certifications referred to in this section. Press TAB after each number entered to calculate sums and percentages.

Number of certified ESL teachers	1	Number of certified bilingual teachers	0	Number of certified NLA/foreign language teachers	0
Number of content area teachers with bilingual extensions	0	Number of special education teachers with bilingual extensions	0	Number of teachers of ELLs without ESL/bilingual certification	0
Number of teachers who hold both a bilingual extension and ESL certification	0	Number of teachers currently teaching a self-contained ESL class who hold both a common branch license and ESL certification	0		

D. School Demographics

Total number of students in school	389	Total Number of ELLs	39	ELLs as share of total student population (%)	10.03%
------------------------------------	------------	----------------------	-----------	---	---------------

Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [[see tool kit](#)].)
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
5. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
6. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. 

1. Our school follows all city and state guidelines. All families new to the NYC system (ATS Code 58) receive a Home Language Survey from the pupil accounting secretary. After initial consult with parents/guardians, at the the time of registration, by a pedgogue and according to responses on the Home Language Survey, new possible ELL students are given the LAB-R by the ELL Teacher, Daniel Hirsch, within ten days of enrollment using the LAB-R testing instrument. Our staff includes teachers who have conversational and may have reading and writing ability in Hebrew, Chinese, Spanish, German, Romainian, Russian, Turkish, Finnish, Japanese, and French. Mr. Hirsch, our certified ESL teacher, speaks, Spanish, German, Turkish, Japanese, Finnish and French. He is the only teacher who administers the LAB-R. We historically have not, and currently do not offer the LAB-R in Spanish to identify potential Spanish ELL students. If students qualify they will receive ELL services based on the degree of their English Language ability level. We confirm LAB-R is administered to students who appear on the Students Eligible For Revised Lab (LBR) in ATS. These new students will later take the NYSESLAT in the Spring of 2012 to assess progress in English Language acquisition in the areas of listening speaking, reading and writing. Students will be excused from the NYS ELA exam during their first year and will take all other mandated state tests with ELL modifications may include written translate exams, orally translated tests, glossaries, time and 1/2, and separate location. All new ELL's and ELL students already in our ESL program, are administered the NYSESLAT as per the NYSESLAT Eligibility Roster (RLER) in ATS. ELL's already in the program (for a year) will also take the NYS ELA exams, math, science, etc. along with the NYSESLAT.

2. LABR is administered within in 10 days of enrollment, then within 24 hours using formatted DOE letters in English and in translations, where available and when needed, parents/guardians are notified of their child's LAB-R (informal) assessment results. Parents/guardians whose children qualify for ESL are invited to an orientation meeting, by letter home. We offer parents 2 date options, and meetings are held within a week of LAB-R results. This year meetings were held on Sept. 20th and 21st, 2011. Invitation, attendance sign sheets are available for review in our ELL Binder. We will have staff, when needed, make phone to parents conveying information and invitation to ESL orientation meeting. The ESL teacher, Daniel Hirsch, Parent Coordinador, Lauraine Rademaker, Program Coordinator, Ursula Fokine all formally describe our ELL program and the alternative citywide ELL programs. Parents/Guardians view the mandated video (in covered languages if needed) which describe ELL options and are then asked to complete the Program Selection Form. This is meeting is held a number of times in the Fall and then through out the year as needed, to ensure that all ELL Parents/Guardians attend and complete the Choice Survey. Our staff includes teachers who have conversational and some reading and writing ability in Hebrew, Chinese, Spanish, German, Romainian, Russian, Turkish, Finnish, Japanese, Greek and French, they are made available to provide oral translation when needed. Mr. Hirsch our certified ESL teacher speaks Spanish, German, Turkish, Japanese, Finnish and French. All other pedgogues who speak second languages are licensed Middle School, or Common Branch or Early Childhood teachers. Additional funds have been set aside in the school and PTA budget to provide additional translators if needed through services like LIS Translators. If parents do not attend orientation, Mr. Hirsch reaches out by phone, sets up a meeting with those parents where they are informed of the choices and can completed Program Selection Form. Currently all ESL families have completed the survey. We continue to invite, provide information, have parents fillout the Program Selection Form throughout the year as ELL's register. As of today, we have no families who opted for TBE/DL in the past or present.

3. Within 24 hours of determining ESL eligibility entitlement letters are distributed by backpack home, in English and in translation (where/when available from the DOE). At the same time students who are eligible also bring home an invitation for Parent/Guardians to attend orientation "ESL Choice" meeting. The parent coordinator/pupil accounting secretary maintains all files and records. We of Initially we offer two date options, and meetings are held within a week of determining eligibility. This year meetings were on Sept. 20 & 21. Meetings are held until all paperwork has been completed. For parents who are unable to attend any scheduled meetings, individual meetings are arranged. If an individual meeting cannot be arranged, a phone meeting is arranged and documents are sent home for completion. This protocol is followed until all surveys are kept in the permanent file and the Program Selection form is kept on file by the ESL teacher for the time the student is in our school, then placed in their permanent record file. When ELL's arrive throughout the year additional meetings are scheduled so parents/guardians are know choices and paperwork is completed.

4. Placement letters, explaining LAB-R results, amount of ESL services student receive and schedule for ESL services is sent home via backpack. Parents/guardians, classroom teachers and the students are notified in writing of the students' ELL pullout schedule. Our ESL teacher maintains these files. Use RLAT (ATS) report to cross check students who continue to be eligible for ESL services, those families receive notification by letter as well. This year letters provided by NYS with NYSESLAT results were sent home at the same time. Translated letters, when appropriate and available accompanied results. If and when needed pedagogues and the ESL teacher contact families by phone using parent/guardian home language to inform parents of student eligibility. Students are given ELL services based on mandatory NYC & NY State regulations, plus additional 37.5 min., and ELL talent in Middle School.

5. Historically, (over the last 4 years) 100% of our ELL families have opted to remain at our school within our ESL pullout program. Program Selection Forms, when received are reviewed to make be sure we are the program of choice. Completed Program Selection Forms, collected over the past 4 years show that the ESL pullout program we provide continues to be the preferred program.

6. We have received no requests for alternate program models. When the circumstance should arise, the initial step would be to assist families by reaching out to our Network (103) and to the placement office for our district (02) to find sites that align with parent choice. We would also contact the Office of English Language Learners to provide and confirm appropriate schools.

Part III: ELL Demographics

A. ELL Programs

This school serves the following grades (includes ELLs and EPs)
Check all that apply

K* 1* 2* 3* 4* 5*
6* 7* 8* 9● 10● 11● 12●

This school offers (check all that apply):

Transitional bilingual education program	Yes●	No*	If yes, indicate language(s):
Dual language program	Yes●	No*	If yes, indicate language(s):

Provide the number of classes for each ELL program model at your school. For all-day programs (e.g., Transitional Bilingual Education, Dual Language, and Self-Contained ESL), classes refer to a cohort of students served in a day. For push-in ESL classes, refer to the separate periods in a day in which students are served. Departmentalized schools (e.g., high school) may use the self-contained row.

ELL Program Breakdown														
	K	1	2	3	4	5	6	7	8	9	10	11	12	To t#

Part IV: ELL Programming

A. Programming and Scheduling Information

1. How is instruction delivered?
 - a. What are the organizational models (e.g., Departmentalized, Push-In [Co-Teaching], Pull-Out, Collaborative, Self-Contained)?
 - b. What are the program models (e.g., Block [Class travels together as a group]; Ungraded [all students regardless of grade are in one class]; Heterogeneous [mixed proficiency levels]; Homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.
4. How do you ensure that ELLs are appropriately evaluated in their native languages?
5. How do you differentiate instruction for ELL subgroups?
 - a. Describe your instructional plan for SIFE.
 - b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs.
 - c. Describe your plan for ELLs receiving service 4 to 6 years.
 - d. Describe your plan for long-term ELLs (completed 6 years).
6. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?
7. How does your school use curricular, instructional, and scheduling flexibility to meet the diverse needs of ELL-SWDs within the least restrictive environment?

1. The ELL program provides ELL students with pullout services by the ELL teacher. The students are grouped homogeneously by grade groups of K-2, 3-5, and 6-8 and also subdivided by ability level. Students are scheduled to meet with ELL instructor during ELA instruction. The ELL schedule is reviewed and monitored by the ELL Coordinator and Administration to ensure that students receive at the very least the mandated ELL instruction time. Students who reach proficiency, and test out of ELL services, still receive support services through the 3 Tiered intervention model of the building. Additionally, ELLs are invited to attend 37.5 minutes in the morning for additional academic support taught by the ELL teacher. ELLs also periodically attend 37.5 minutes with their classroom teachers, giving teachers an opportunity to pre-teach more challenging lessons to further support the ELL students. Middle School ELL's also participate in

A. Programming and Scheduling Information

a double period of ELL Writing Talent program designed around their specific needs, this meets for the entire school year and offers an additional 90 minutes of ELL instruction for Middle Schoolers.

2. The majority of our ELL population consists of students who have been in the ESL entitlement program for less than three years. Beginning and Intermediate ELL's in lower school Grades K -2 are pulled out 8 periods a week, Advanced K- 2 students are pulled out 4 periods a week. Beginner & Intermediate students in Grades 3 -5 are pulled out 10 periods a week, Advanced students are pulled out 6 periods a week. Additionally Grade 4 & 5 at all levels are given talent with the ESL teacher for an additional 2 periods. Mr. Hirsch also pushes into grade 3 and 5 1 period each a week. Middle School Beginners & Intermediate students have 8 periods of pullout ESL instruction, Advanced students have 4 periods of pull out instructions. Additionally all ELL's in Middle School have 2 talent periods with the ESL instructor. Periods are 46 minutes each Additionally all ELL's receive additional 37 1/2 minutes 3 mornings per week, some with ESL teacher (others with classroom or content speciality teacher). Among the service and programs provided at PS IS 217 are targeted Instruction where Title 1 personnel offer added individual services to the ELL school population. The ELL teacher also provides, double period of ELL services no matter achievement level on NYSESLAT. Mr. Hirsch, our certified ESL teacher, teaches all pullouts. When pushing in in Grade 5 and 3, he is co-teaching with the classroom teacher. Currently the number of students in each pullout group break down to K-2 groups consists of 8 Beginners, 2 Intermediates, 2 advanced students, a maximum ratio of 12 students to 1 teacher. Grades 3-5 currently consist of 4 Beginners, 1 Intermediate, 5 Advanced a student to teacher ration of 10 to 1. In Grades 6 to 8 we currently have 2 Beginners, 2 Intermediate and 10 Advanced ELL students for a ration of 14 students to 1 instructor.

We do not offer NLA instruction. All instruction both ESL are delivered in English. ELA instruction by classroom/ content area teachers are delivered in English.

School personnel are expected to differentiate lesson plans to address ELL needs. We use running records, miscue analysis, error analysis of writing, reading observations, and interviews to monitor the habits and strategies students can put into practice in literacy to differentiate our ELA component of ESL. Teachers use all of the components of balanced literacy which is called the point of entry model which builds on the students' prior knowledge. We focus on building vocabulary and reading comprehension strategies through shared and guided reading. The ELL classroom uses using Balanced Literacy model just as the classroom teacher. Our ELL teacher will collaborate with classroom teachers to provide students with additional support for content covered in the classroom. ELL

3. Planning for Middle School ELLS includes meeting and planning across content areas through teacher team common planning times. School wide goals such as higher comprehension and skill in nonfiction reading and writing is supported through collaborative planning and weekly teacher team meetings that review student work/data. Additionally, middle school advisory for ELL's is differentiated and taught by the ELL teacher to help students more successfully meet the challenges of middle school life and peer issues. Dictionaries and glossaries, in various languages, are provided and the practice of using these supports effectively is preplanned. ELLs are encouraged to bring in materials in their native language as they learn English.

4. On-going school and teacher assessments, periodic assessments and state mandated examinations are among the tools used to help determine ELL level of language proficiency. The NYSESLAT, LAB-R, state exams, Acuity assessments, quarterly Fountas and Penell Assessment data drives the adoption of instructional methodologies that best serve the ESL population. The practices and methodology we implement in supporting our ELLs are: Teachers will work with students on an individual basis: first to figure out what the needs of the student are. Students will be assessed using the LAB-R. They will be placed accordingly in the appropriate level ELL class. Then working with classroom teachers an individualized plan would be made in order to help the student succeed in meeting the grade level standards. At the present time we do not have any SIFE students at PS/IS 217. We will address case by case if a student is enrolled as a SIFE student.

Both short-term and long-term ELLs are in regular classrooms throughout the day except for when they receive their ESL instruction. For students who have been in a US school for less than 3 years we offer them the mandated ELL classes. First students are given the LAB-R and if they do not pass, they are immediately placed in level appropriate ELL classes. Students are instructed in all content areas in accordance with the minimum time allowances depending on their levels taken from the results of the LAB-R. Students are offered the following instruction in their regular classes: For writing, students are given individual focused instruction and put into small groups for guided writing. They practice listening comprehension using multi-media tools. They practice written reproduction and written response, analyze text by word level, they use word boxes and word families to improve vocabulary, they practice questions both written and orally, and explore different types of genres both fiction and non-fiction, including poetry. In reading ELLs are also offered individual focused instruction and put into small-guided reading groups. Students also practice speaking and listening in both ESL and regular classes using books on CD, listening comprehension exercises, music, and accountable talk. Students then take the NYSESLAT, and depending on

A. Programming and Scheduling Information

their scores are kept in the ELL program or are offered an additional year of support by the classroom teacher. This support depends on the need of each individual student. Long-term ELLs, students being served for 4-6 years, have difficulties with reading and writing therefore they are given instruction the following ways. For writing, students are given individual focused instruction and put into small groups for guided writing. They practice listening comprehension using multi-media tools. They practice written reproduction and written response, analyze text by word level, they use word boxes and word families to improve vocabulary, they practice questions both written and orally, and explore different types of genres both fiction and non-fiction, including poetry. In reading ELLs are also offered individual focused instruction and put into small-guided reading groups. They are given multiple-choice questions on tests. As mentioned above students will be accommodated by using the various teaching techniques to support their needs even when a level of proficiency has been met. Students may also receive additional support from ESL instructors during 37.5 minutes. Since class sizes are small and classroom teacher are supportive finding the time to teach all students has not posed a problem at this point. All students currently receive at the very minimum the mandate hours of instructional time.

In order for our students to succeed our ELL teacher constantly reinforces vocabulary by using word walls, students create their own vocabulary dictionaries, constant repetition and review of new words and phrases is done to reinforce newly gained knowledge. Modeling is done using manipulatives to make ideas concrete for students to understand. All students are served by the ELL teacher pulling them out for instruction. Additional push in instruction will be offered as needed.

5. We currently have no SIFE students, if SIFE students enrolled we would assess to determine their reading and math ability. We would place them in the appropriate ESL grouping and we would offer them extra instruction through 37 1/2 minutes. They would have materials that are age appropriate but at accessible levels.

We have a high focus on reading and writing, for less than 3 years and take the ELA exam. Collaboration between the classroom teacher and the ESL teacher in order to help students to prepare for the ELA exam. After the first we give the CTB McGraw Hill predictives to all Els in ELA and we give the math one during student's first year. This helps to assess their needs and provides additional learning opportunities around specific skills and content areas. We also use the NYSESLAT data to focus instruction in reading writing listening or

Native Language Usage and Supports

The chart below is a visual representation designed to show the variation of native language usage and supports across the program models. Please note that native language support is never zero.

Paste response to questions 8-17 here

8. We have different levels of intervention, 3 tiered interventions are offered including our at risk services provided by the classroom teachers, speech teacher, SETTS teacher, OT, PT, school psychologist and counseling.

9. Former ELLs, who have achieved proficiency level on the NYSESLAT, are given the mandated additional supports, through testing modifications on both class exams and state mandated tests. Students receive time and 1/2, separate location, use of glossaries, oral translation when it can be provided by staff and hearing listening passages 3 times. Middle school ELLs also are invited to participate in the ELL talent program, which focuses on writing and meets for 2 periods each week with the ESL certified instructor. Additionally they receive differentiated instruction, work with buddies, and students and parents are provided with learning materials in native languages where available.

10. We are considering set up our after school clubs, which includes Creative Writing, Math Club, Cooking Club, Multicultural Club, Chorus/Drama Club and others. Depending on budget we are considering having the PEP, the Parents English Club, open to all ESL parents giving them instructions on how to assist their students academically, learn to navigate the school system, improve their daily communication skills and network with other ELL families.

11. We are hoping not have to discontinue any programs, as they have been the mainstay of our ELL program outreach. The ESL instructor

12a/b ELLs are expected and welcomed to participate in all programs offered to non-ELL students. Except for the ELL talent periods students are programmed just as non-ELL's. The ESL teachers helps to communicate the expectation of participation. This includes participation in language electives, talents programs, field trips, science lab work, science fairs, school concerts, etc. Through work with ESL teacher, differentiated instruction and buddy system students are able to fully participate. We are not able to offer after school programming this year due to budget reductions. Middle School ELL's are invited to 37 1/2 minutes with ESL teacher 2x per week and 1 x with the content area teacher of their choice. Lower school students are invited to 37 1/2 minutes with their classroom teacher.

13. Instructional materials to support ELL's include online access through PC's and smartboards, listening centers, CD players, and software in native languages. Both lower and upper school ELL's have access to language materials in native languages in content areas such as math, science, social studies primary resources. Math textbooks and consumables are available in Spanish, portions of the science textbooks and social studies primary documents are also available in Spanish.

14. As mentioned above we offer a large variety of materials in Native Languages to our ESL students in the ESL classroom and in the school Libraries. We currently have books on CD and in print and access to internet resources in Spanish, Russian, French, Korean, Chinese and other languages.

15. Yes, these materials are available at appropriate age and grade levels, offering ELL's stimulating, challenging and peer learning opportunities. Our ESL classroom and library have books, books on CDs and software in English, Spanish and several Native Languages. Efforts are made to acquire new materials in more languages as need.

16. We are unable to identify with certainty new ELLs before the school year. However, students and parents are welcomed and given information about our ESL program when they inquire or register before school begins. Our Parent Coordinator, and Administrators are available to assist and answer questions. When school begins, our ESL teacher assesses students, reaches out to parents, by phone or in person to welcome new families. Students meet with the guidance counselor and dean for a tour and a review of their schedules. Students are also buddied up to help them acclimate.

NYS CR Part 154 Mandated Number of Units of Support for ELLs, Grades K-8

C. Schools with Dual Language Programs

1. How much time (%) is the target language used for EPs and ELLs in each grade?
2. How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?
3. How is language separated for instruction (time, subject, teacher, theme)?
4. What Dual Language model is used (side-by-side, self-contained, other)?
5. Is emergent literacy taught in child's native language first (sequential), or are both languages taught at the same time (simultaneous)?

Not applicable, we are not a dual language school.

NYS CR Part 154 Mandated Number of Units of Support for ELLs, Grades 9-12

D. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
3. Describe the minimum 7.5 hours of ELL training for all staff (including non-ELL teachers) as per Jose P.

1. Professional development is held for ELL and classroom teachers throughout the school year. To further English Language acquisition for the ELL child, our teachers have/or will continue to participate in in-house professional development focused on the stages of language acquisition, ELL differentiation, and implementation of instructional ESL strategies during the literacy block, making content comprehensible for our ELLs and using assessment data to inform instruction. ELL educators met in the fall to review NYSESLAT data analysis instructional implications with the teaching of reading and writing for ELLs. Teaching strategies for the NYS ELA exams which are aligned to the new National Core ELA standards, with an emphasis on ELL strategies. Balanced Literacy components: literature circles, independent reading, leveled libraries, and author studies. PS/IS 217 will also participate in QTEL professional development when our budget allows for it.

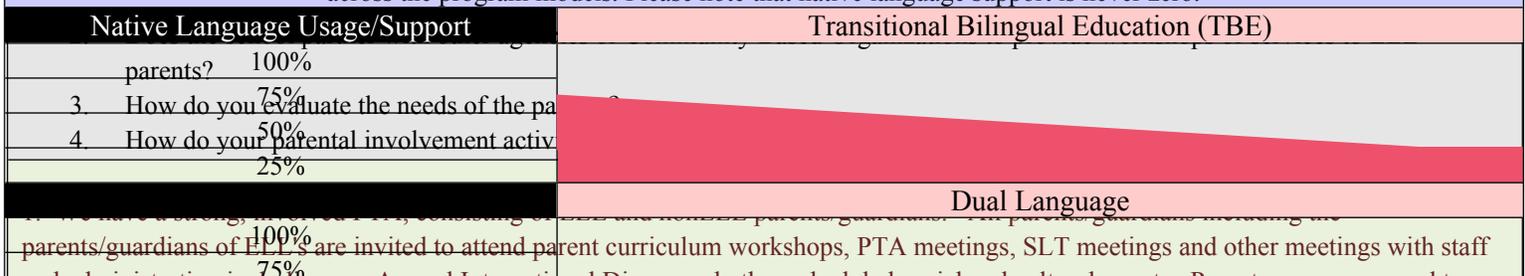

PS/IS 217 will also participate in SIOP professional training and turnkey training to staff. Working with AUSSIE staff developers to refine curriculum maps. We continue to use three books for school wide book study: Asking Better Questions, Reading & Writing in Kindergarten, Non Fiction Matters Reading, Writing and Research in Grades 3-8 support school wide goal for greater academic achievement in reading and writing non-fiction. We use Roundabout Theater's Strategies for ESL Learners using dramatic role playing to promote reading comprehension and spoken language fluency and confidence during ELL pullout program. We will also continued use of last years' book study of English Language Learners: A Differentiated Approach.

2. Our ELL pullout program allows students who have transitioned from lower to middle school receive additional targeted instruction over and above the mandated instructional hours. Middle school students participate in a year long ELL talent program that focuses on research, content rich vocabulary and writing. This additional instruction has also provided time for social skills building and our ELL's to form a strong social network and a unified presence in our school community. All middle school ELLs also share the same advisory time and teacher. Advisory focuses on peer issues and middle school transitions. ELLs are expected to attend 37.5 min for small group tutoring/instruction given by ELL teacher and all content area middle school teachers.

3. Continuous professional development is given to teachers throughout the year that goes over the 7.5 minimum hours as per Jose P. In addition to this we are offering the professional development in the Language Allocation Policy LAP Tool Kit Facilitators Guide from the Office Of Language Learners, Spring 2011 to the staff by the ESL teacher. The ESL instructor attends professional development throughout the year as per the Network and the DOE.

Native Language Usage and Supports

The chart below is a visual representation designed to show the variation of native language usage and supports across the program models. Please note that native language support is never zero.

E. Parental Involvement

1. Describe parent involvement in your school, including parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

1. We have a strong, involved PTA, consisting of ELL and nonELL parents/guardians. All parents/guardians including the parents/guardians of ELL's are invited to attend parent curriculum workshops, PTA meetings, SLT meetings and other meetings with staff and administration including our Annual International Dinner and other scheduled social and cultural events. Parents are encouraged to participate in information meetings here at the school and join in High School tours and the district Middle School Fair so they are more fully aware of educational options for their children. The PTA reaches out to get parents involved in planning, as well as, participating in these events. Parents and other trained members of the Roosevelt Island community are trained to volunteer as learning leaders in classrooms throughout the building. Parents are kept informed by letters and updated calendars sent home by packback and through our PTA Hawk Happening on line newsletter. In addition we reach out to parents through notices in our local community "Main Street Wire" weekly publication. Parents are invited to attend all PTA meetings, parent teacher conferences, classroom events, concerts, fairs, information meetings and graduation ceremonies. They are notified by phone, letter, PTA HAWKS happenings, information boards & bulletin boards, etc. Translation is provided by ESL teacher, other teachers, fellow parents and DOE translators. MS report cards in translation are becoming available this year in STARS, we intend to use them where available.

2. Our PTA offers informal chat sessions and coffee hours for all parents/guardians including ELL families to voice their concerns. Roosevelt Island is a highly diverse community, which has a long tradition of hosting ELL families from all over the world.

3. Parent Coordinator provides reachout services to all new families, and uses DOE translators for correspondence whenever available. Parent Coordinator hosts along with Early Childhood specialists, parent workshops about parenting all families are invited to attend. Guidance and Parent coordinator hold high school and middle school applications process meetings for all parents, especially ELL families new to NYC. We use the feedback from the learning environment survey to evaluate and better address the needs of our ELL families. Our PTA reaches out to new families and parents are encouraged to attend PTA meetings to inform the PTA of their needs and concerns.

4. Title III funding allows us to offer a Saturday English Conversation class for parents/guardians to help them network. This is run by our ESL teacher who is fluent in many languages. This is an opportunity for parents to network and assist each other to adjust to their new community. ELL parents/guardians are always invited to school concerts, publishing parties, end of unit celebrations, cultural performances, math and science fairs and much more. Classroom teachers ask ELL parents/guardians to volunteer to read aloud and share their cultural heritage in the classroom.

B. Programming and Scheduling Information--Continued

8. Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.

PS/IS 217 will also participate in SIOP professional training and turnkey training to staff. Working with AUSSIE staff developers to refine curriculum maps. We continue to use three books for school wide book study: Asking Better Questions, Reading & Writing in Kindergarten, Non Fiction Matters Reading, Writing and Research in Grades 3-8 support school wide goal for greater academic achievement in reading and writing non-fiction. We use Roundabout Theater's Strategies for ESL Learners using dramatic role playing to promote reading comprehension and spoken language fluency and confidence during ELL pullout program. We will also continue use of last years' book study of English Language Learners: A Differentiated Approach.

2. Our ELL pullout program allows students who have transitioned from lower to middle school receive additional targeted instruction over and above the mandated instructional hours. Middle school students participate in a year long ELL talent program that focuses on research, content rich vocabulary and writing. This additional instruction has also provided time for social skills building and our ELL's to form a strong social network and a unified presence in our school community. All middle school ELLs also share the same advisory time and teacher. Advisory focuses on peer issues and middle school transitions. ELLs are expected to attend 37.5 min for small group tutoring/instruction given by ELL teacher and all content area middle school teachers.

3. Continuous professional development is given to teachers throughout the year that goes over the 7.5 minimum hours as per Jose P. In addition to this we are offering the professional development in the Language Allocation Policy LAP Tool Kit Facilitators Guide from the Office Of Language Learners, Spring 2011 to the staff by the ESL teacher. The ESL instructor attends professional development throughout the year as per the Network and the DOE.

D. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
3. Describe the minimum 7.5 hours of ELL training for all staff (including non-ELL teachers) as per Jose P.

1. Professional development is held for ELL and classroom teachers throughout the school year. To further English Language acquisition for the ELL child, our teachers have/or will continue to participate in in-house professional development focused on the stages of language acquisition, ELL differentiation, and implementation of instructional ESL strategies during the literacy block, making content comprehensible for our ELLs and using assessment data to inform instruction. ELL educators met in the fall to review NYSESLAT data analysis instructional implications with the teaching of reading and writing for ELLs. Teaching strategies for the NYS ELA exams which are aligned to the new National Core ELA standards, with an emphasis on ELL strategies. Balanced Literacy components: literature circles, independent reading, leveled libraries, and author studies. PS/IS 217 will also participate in QTEL professional development when our budget allows for it.

PS/IS 217 will also participate in SIOP professional training and turnkey training to staff. Working with AUSSIE staff developers to refine curriculum maps. We continue to use three books for school wide book study: Asking Better Questions, Reading & Writing in Kindergarten, Non Fiction Matters Reading, Writing and Research in Grades 3-8 support school wide goal for greater academic achievement in reading and writing non-fiction. We use Roundabout Theater's Strategies for ESL Learners using dramatic role playing to promote reading comprehension and spoken language fluency and confidence during ELL pullout program. We will also continued use of last years' book study of English Language Learners: A Differentiated Approach.

2. Our ELL pullout program allows students who have transitioned from lower to middle school receive additional targeted instruction over and above the mandated instructional hours. Middle school students participate in a year long ELL talent program that focuses on research, content rich vocabulary and writing. This additional instruction has also provided time for social skills building and our ELL's to form a strong social network and a unified presence in our school community. All middle school ELLs also share the same advisory time and teacher. Advisory focuses on peer issues and middle school transitions. The ESL instructor attends professional development throughout the year as per the Network and the DOE.

E. Parental Involvement

1. Describe parent involvement in your school, including parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

1. We have a strong, involved PTA, consisting of ELL and nonELL parents/guardians. All parents/guardians including the parents/guardians of ELL's are invited to attend parent curriculum workshops, PTA meetings, SLT meetings and other meetings with staff and administration including our Annual International Dinner and other scheduled social and cultural events. Parents are encouraged to participate in information meetings here at the school and join in High School tours and the district Middle School Fair so they are more fully aware of educational options for their children. The PTA reaches out to get parents involved in planning, as well as, participating in these events. Parents and other trained members of the Roosevelt Island community are trained to volunteer as learning leaders in classrooms throughout the building. Parents are kept informed by letters and updated calendars sent home by packback and through our PTA Hawk Happening on line newsletter. In addition we reach out to parents through notices in our local community "Main Street Wire" weekly publication. Parents are invited to attend all PTA meetings, parent teacher conferences, classroom events, concerts, fairs, information meetings and graduation ceremonies. They are notified by phone, letter, PTA HAWKS happenings, information boards & bulletin boards, etc. Translation is provided by ESL teacher, other teachers, fellow parents and DOE translators. MS report cards in translation are becoming available this year in STARS, we intend to use them where available.

2. Our PTA offers informal chat sessions and coffee hours for all parents/guardians including ELL families to voice their concerns. Roosevelt Island is a highly diverse community, which has a long tradition of hosting ELL families from all over the world.

E. Parental Involvement

1. Describe parent involvement in your school, including parents of ELLs.

2. Our PTA offers informal chat sessions and coffee hours for all parents/guardians including ELL families to voice their concerns. Roosevelt Island is a highly diverse community, which has a long tradition of hosting ELL families from all over the world.

3. Parent Coordinator provides reachout services to all new families, and uses DOE translators for correspondence whenever available. Parent Coordinator hosts along with Early Childhood specialists, parent workshops about parenting all families are invited to attend. Guidance and Parent coordinator hold high school and middle school applications process meetings for all parents, especially ELL families new to NYC. We use the feedback from the learning environment survey to evaluate and better address the needs of our ELL families. Our PTA reaches out to new families and parents are encouraged to attend PTA meetings to inform the PTA of their needs and concerns.

4. Title III funding allows us to offer a Saturday English Conversation class for parents/guardians to help them network. This is run by our ESL teacher who is fluent in many languages. This is an opportunity for parents to network and assist each other to adjust to their new community. ELL parents/guardians are always invited to school concerts, publishing parties, end of unit celebrations, cultural performances, math and science fairs and much more. Classroom teachers ask ELL parents/guardians to volunteer to read aloud and share their cultural heritage in the classroom.

Part V: Assessment Analysis

B. After reviewing and analyzing the assessment data, answer the following

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How can this information help inform your school's instructional plan? Please provide any quantitative data available to support your response.
- What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
- How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions?
- For each program, answer the following:

Additional Information

Please include any additional information that would be relevant to your LAP and would further explain your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

Paste additional information here
 ESL schedule will be attached to this EMAIL.

Part VI: LAP Assurances

School Name: PS IS 217

School DBN: 02M217

Signatures of LAP team members certify that the information provided is accurate.

Requirement under Chancellor's Regulations – for all schools

DBN: 02m217 **School Name:** The Roosevelt Island School

Cluster: 1 **Network:** 103

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

As students new to the New York City Public system enroll parents are asked to read and sign the parent/guardian preferred language letter. This information is entered into ATS and is monitored via the RAPL report to be sure the data is correct. We also provide parents with a Copy of the Bill of Parents Rights and Responsibilities, which covers their rights regarding translation and interpretation services.

We have staff members who are able to provide ASL, Chinese, French, German, Greek, Hebrew, Japanese, Russian, Romanian, Spanish and Turkish interpretation and translation to parents/guardians and family members. When necessary we also utilize the DOE's translation and interpretation Unit.

Based on information obtained on the home language survey completed at registration, we follow NYS testing procedures by screening students using the LABR-2 to determine who is eligible for ELL services. This is done within the first 10 days of admission. Shortly after testing we contact parents/guardians by the DOE letter (using translations when necessary) to notify them of their child's eligibility and if they are eligible, the student's English ability level. Within days after testing parents/guardians of eligible students are invited to attend a short meeting where we provide oral interpretation as needed, and give them information about ELL educational options in our school and in the NYC. This meeting includes the mandated film regarding NYC DOE ELL program options. We screen the video in English and other languages as needed. We inform parents/guardians of the structure of our schools pullout ELL program. We also let parents/guardians know that in addition to mandated ELL instruction, ELL students also receive small group instruction and differentiated instruction within the classroom by their homeroom/subject teacher. Some ELL students will also be invited to attend 37.5 minutes, three times a week for additional small group instruction. This is also a time where we tell parents of the languages that are spoken by our staff and encourage questions regarding our program and the needs of their students. We also briefly explain the translation and interpretation options or exemption from NYS tests and classroom assessments. This includes the specific testing accommodations mandated for ELL students (extra time, separate location, etc.) and the use of glossaries during testing in math and science.

Parents/guardians of current ELLS are informed of their student's continued or new ELL level of instruction based on the NYSESLAT results from year before. The letter details the amount of ELL instruction they will receive and if their student is invited to 37.5. An ELL pullout schedule is also shared with parents via, note home and be translated in writing or interpreted over the phone.

As the year continues we provide interpretation during parent teacher conferences when needed. Evaluation meetings are always staffed by DOE translators as needed. Middle School Report cards, through HSST programs can include comments translated into Spanish. Translated brochures regarding the NYSESLAT exams (provided by NYSED website) are sent home in the early spring. Additional information is provided as requested. We remind parents/guardians of the translation or interpretation opportunities that will be provided to students during testing, whether via translated exams for covered languages or oral translation (provided by an outside vendor) for low incidence languages. We also tell parents that glossaries and translated (old) exams are available on line from the NYS department of education to assist students and parents/guardians.

Our highest frequency languages are Spanish, Russian, and Arabic. Fortunately DOE translated documents are already available in these languages.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

Overall, we notice that a high percentage of the parents/guardians of ELL students are fluent in English, even when their children are not. Although our students' primary languages are highly diverse, parent/guardian English fluency is high. As a result adult translation and interpretation needs are lower than might be expected. However, to assist all parents/guardians including non-English speaking, we host Curriculum Night early in the year and parent workshops throughout the year to explain curriculum, routines, structures and goals of the school. Translation is provided by the staff when needed and our school encourages the opportunity for parents to interpret for each other at these events. We also utilize the DOE's ASL unit when needed.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

An in house staff member provides services when available. If we cannot provide have the service at our school we do request outside vendors such as LIS services. We also use the translated documents available by the DOE and NYSDE for covered languages. Preprinted translated documents such as the DOE's Behavior Codes, Guide to Public Schools, Respect For All, etc. are distributed by language. Key health documents are also distributed in translation when available. Copies all of these documents in the covered languages are always on display and available at the main hallway and the main office.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

We have staff members who are able to provide ASL, Chinese, French, German, Greek, Hebrew, Japanese, Russian, Romanian, Spanish and Turkish oral translation to parents/guardians and family members. They can provide both written and oral translation as needed. We utilize the DOE's Translation and Interpretation Unit. Outside interpreters from LIS Services are contacted as needed. Parents are encouraged to network and help other families with interpretation, Meeting times are arranged to meet the needs of parents/guardians and students and to maximize staff availability.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link:
<http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

In addition, to services mentioned above, monies have been set aside in the school budget to purchase interpretation and translation services. DOE documents in English and covered languages are available in the main office and/or at the main entrance at all times.

2011-12 Comprehensive Education Plan (CEP): Appendix 8

Title III Supplemental Program for ELLs

Directions: Title III supplemental services for ELLs must include all of the following three components:

- **Direct instruction:** activities must be used to support language development, English and native language instruction, high academic achievement in math, and/or other core academic areas.
 - The Title III supplemental instructional services must be based on student need
 - These supplemental services should complement core bilingual and ESL services required under CR Part 154.
 - Direct supplemental services should be provided for before school, after school, and Saturday programs as well as reduced class-size, and/or push-in services.
 - Teachers providing the services must be certified bilingual education and/or ESL teachers.
- **High quality professional development** that is “of sufficient intensity and duration to have a positive and lasting impact on the teachers’ performance in classrooms.”
 - Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement** and supports must ensure that there are appropriate translation and interpretation services to meet community needs.
 - These are in addition to mandated activities, such as parent orientation during ELL identification process.

For more information on Title III requirements, please see the School Allocation Memo or contact your ELL Compliance and Performance Specialist.

Part A: School Information	
Name of School: PS/IS 217 Roosevelt Island Sch	DBN: 02M217
Cluster Leader: C Rello Anselmi	Network Leader: Yuet Chu
This school is (check one): <input checked="" type="radio"/> conceptually consolidated (skip part E below) <input type="radio"/> NOT conceptually consolidated (must complete part E below)

Total # of teachers in this program: 1 # of certified ESL/Bilingual teachers: 1 # of content area teachers: 0

Part B: Direct Instruction Supplemental Program Information

Describe the direct instruction supplemental program here and include the

- rationale
- subgroups and grade levels of students to be served
- schedule and duration
- language of instruction
- # and types of certified teachers
- types of materials

Begin description here: Direct instruction is given by the ESL teacher during the school day, specifically during the lower school and upper school talent periods. Mandated instruction is given to students everyday for 1 to 2 periods depending on their specific mandated hours ie 8 hours for beginners and intermediates and 4 hours for advanced students. Supplemental services happens for two periods a week: the ESL teacher teaches tennis to grades 3,4,5 and teaches a middle school art & writing talent class for 2 periods a week. A total of 27 students are serviced supplemental 4 periods a week (180 minutes weekly) for 42 school weeks from September to June.

2011-2012 ESL SCHEDULE: Mandated 25 periods, Supplemental 4 periods, Lunch & Prep 11 period

Monday

Part B: Direct Instruction Supplemental Program Information

Period 5: Lunch

Period 6: Prep

Period 7: Mandated BEG,INT 3-5

Period 8: Mandated BEG,INT 3-5

In the lower school tennis talent, sporting equipment is used along with written copies of rules and instructions for tennis and behavior. Involving children in tennis helps them to better understand directives, instructions, procedures and TPR (Total Physical Response), communication skills and how to learn how to work as a team. All ELL students are serviced at that time by the ESL teacher. Instruction is given in English only. Mr. Hirsch, the ESL teacher, often provides translations in the languages he knows including: Spanish, French, Turkish, Finnish, German, Russian and Japanese. Students must demonstrate their understanding of the rules of how to play and incorporate new strategies that are taught.

In the upper school writing/art talent students write opinions, debatable topics, and about their feelings. The foundation for the class is to build a collection of written responses that include appropriate grammar, syntax and increase writing stamina. The students work in groups or individually on creative art projects that are content based. This promotes a deeper understanding of subjects being studied in the classroom ie measurement, nature studies. Students records, observes, and engage in dialogue with their groups. There are writing publishing parties and art exhibitions that require students to plan and present their work to their peers, and staff members. Materials for the art & writing class include slides or art work, art and writing materials and dictionaries and glossaries.

Part C: Professional Development

Describe the school's professional development program for Title III Program teachers as well as other staff responsible for delivery of instruction and services to ELLs.

- rationale
- teachers to receive training
- schedule and duration
- topics to be covered
- name of provider

Begin description here: The ESL teacher and selected teachers are attending SIOP training (2010-2011 all day), NYSESLAT training (November 8, March 8, half day) and other content area workshops for ELLs (July 18, 19 2011 all day). We have started a teacher training series of workshops as per the LAP handbook. The topics of the workshops include: Instructional Strategies for ELLs, Cultural Diversity and Sensitivity, Differentiated Instruction for ELLs, Strategies and Content Area Teaching for ELLs (September 7, February 16, March 2, April 5, May 4, June 1, 7:45am to 8:30am.) The providers include staff members, network members, AUSSIE consultants (January 5, January 11, February 3, 10, March 9 45 minutes each session), and DOE accredited providers.

Part D: Parental Engagement Activities

Part D: Parental Engagement Activities

Describe the parent engagement activities targeted toward parents of ELLs that will impact higher achievement for ELLs. NOTE: These are in addition to mandated activities, such as parent orientation during ELL identification process.

- rationale
- schedule and duration
- topics to be covered
- name of provider
- how parents will be notified of these activities

Begin description here: We believe that we need to support the parents of ELLs so that they can become accustomed to the American school culture and school community, feel welcomed and a part of the school community and have relationships with other families. We provide translation services for families when needed ie student injury and emergency, field trips, school related inquiries, parent teacher conferences and IEP meetings. We send home notices and emails to notify parents of these events. We have a variety of monthly workshops that the parents of ELLs students attend. The topics include: Early Childhood Parenting by Socialworker Don Duerr (March 28, February 29, January 11, December 7, November 23, October 26, 8:30am-9:30am and 11:40am-12:30pm), Breakfast with the Principal (November 15 8:30am-9:30am, March 7 8:30am-9:30am), NYS Testing and preparing students (March 5 8:30am-9:30am, 2:00pm-2:45pm), Common Core Learning Standards (May & June 8:30-9:30am), Content Workshops (May & June 8:30am-9:30am), Cultural Arts events (May & June), Classroom Led workshops (May & June) and Classtrips (all year). Transaltion is provided by school staff when requested by families. The providers include staff members, administration, earlychildhood social worker, and the network.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III budget matches your Title III Plan.
