SCHOOL LEADERSHIP TEAM (SLT) SIGNATURE PAGE

Use this page to identify SLT members and confirm their participation in the development of this Comprehensive Educational Plan (CEP), which includes goals and action plans, a summary of Academic Intervention Services, and the Parent Involvement Policy. The signatures of SLT members indicate their participation in the development of the CEP and serve as confirmation that consultation has occurred to align funding in support of educational programs. The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with the Chancellor’s Regulation A-655, available on the [NYC DOE Web site](#).

Directions:

1. List each SLT member in the left-hand column on the chart below. Specify any position held by the team member, e.g., Chairperson, SLT Secretary and the constituent group represented, e.g., parent, staff, student, or CBO. Core mandatory SLT members are indicated by an asterisk*.
2. Ensure that SLT members review this document and sign in the right-hand column in blue ink. If an SLT member does not wish to sign this plan, he/she may attach a written explanation in lieu of his/her signature.
3. Add rows as needed to ensure that all SLT members are listed.
4. The original copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

DIRECTIONS AND GUIDANCE FOR COMPLETING THE ANNUAL GOALS AND ACTION PLAN SECTION

The CEP goal-setting process serves both to support the identification and implementation of school-wide goals as well as to document how your school is meeting Federal, State, and City regulations.

As a result of principal feedback on this process, the CEP has been significantly streamlined to reduce the amount of time spent fulfilling requirements and to allow schools to focus on goal-setting and instructional priorities. The goal and action plan section, contained on pages 4 through 8 of this template, now serves as the central work of the CEP process and reflects a consolidation of numerous CEP requirements from prior years.

Below you will find guidance on documenting annual goals and action plans.

WHICH SCHOOLS NEED TO COMPLETE THIS?

- All schools should identify and submit annual goals and action plans in consultation with their School Leadership Team.

HOW DO CEP GOALS RELATE TO GOALS SET FOR THE PRINCIPAL PERFORMANCE REVIEW (PPR)?

- CEP goals are generally intended to guide school-wide planning and development. CEP goals may be adapted from goals set by the principal for the Principal Performance Review (PPR) if they are appropriate for use as school-wide goals.

HOW SHOULD A SCHOOL DEVELOP ITS GOALS AND ACTION PLANS?

- Your school should identify a minimum of three and a maximum of five annual goals.
- Goals should be “SMART” - specific, measurable, achievable, realistic, and time-bound.
- Goal development should be based on an assessment of your school’s needs.
- Your school should demonstrate the use of both qualitative and quantitative data in providing the rationale for each goal. Cite sources that contributed to the rationale, such as the Progress Report, Quality Review, School Survey, State Differentiated Accountability report (SQR, ESCA, or JIT), state and school assessment results, attendance records, inquiry team work, etc.
- Each goal and action plan requires your school to cite the strategies and activities in your Parent Involvement Policy (PIP) that will be implemented to achieve the goal identified. The PIP template is provided on pages 11 through 15. Your school is encouraged to use the template as it is provided, or align it in accordance with your school’s goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to respond to the parental involvement section of each goal and action plan.
- Schools designated as Improvement, Corrective Action, Restructuring, and/or PLA/SURR by the New York State Education Department must identify a goal and complete an action plan related to improving student outcomes for the specific subject area and subgroups identified for improvement. For each subject area identified, a goal and action plan is required.

ANNUAL GOAL #1 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #1

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals. Increase the number of students passing percentage of students taking the 2012 Social Studies Regents by 3%.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.
- As evidenced on the 2010-2011 Progress Report, the scores of students who take the US History Regents exam in this school continue to lag behind that of their counterparts at schools in their peer group. US history Regents results evidence that students' Weighted Pass Rate was 1.14 in comparison to 1.79 for others in their peer group, and 1.25 in comparison to city schools' score of 1.60. Also Our Global History scores lag behind our Peer and city schools by .30%, thereby contributing to the school grade of a **C** on student Progress on the PR.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - Identified subgroups include our students with disabilities and our Ells. Our ESL teacher is incorporating the CCS strategies into all lessons. Teachers have identified, know the levels of their Ell students and are incorporating them in all tutoring and team study group activities.
 - There will be enhanced focus on Literacy and DBQ's thematic essays, associated with the CCS.
 - General education staff will collaborate with ISS staff to do the extended outreach to students with disabilities as well as Ells in terms of differentiation strategies, time on tasks and exams, and collaborating on assessment of student work products, inclusion of technology, and progress and disciplinary issues.
 - Teachers will meet during the Circular 6 period to plan, discuss and review strategies that pertain to the progress of ISS students. Minutes will be kept to ensure that all in attendance acknowledge and agree to the action plan. This will take place during Period 7, that is the common period for Circular 6 activities, and during the Extended day period on Tuesday and Thursday of each week.
 - All activities will extend from September 2011 to June 2012.

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal.
- Parents will be encouraged to review progress on Aris and on Skedula.
- Parents will be encouraged to go on the DOE websites, and attend trainings to increase knowledge of CCS.
- Parents will be informed of the opportunities provided by the school for students to review and study for their SS Regent' exams.
- Parents will be provided with progress reports, websites and other support with which they can assist the students.
- Parents will be provided with the Extended Day and tutoring schedules.

Strategies for attracting Highly Qualified Teachers (HQT)

Teachers are encouraged to register for and take classes to secure the necessary licenses.

Teachers will be reimbursed for all coursework through budget allocation.

School programming will be done in accordance with teacher subject area license.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.
- Students will be provided with the extra socio-emotional supports necessary to assist them to achieve academically. Counseling in the Schools is a CBO currently working with groups of our students to promote stability and conflict resolution and opportunities to discuss issues that students continue to struggle with on a daily basis.
- Young Audiences, an artist in residence program, is also working with the SS teachers to enhance the content, and provide a more meaningful experience of history through the arts and media.
- Network instructional personnel will also assist teachers with the CCS, as they continue to work towards teacher effectiveness in all subjects, and Social studies in particular.

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.
Funding sources: Tax Levy, C4E, Title 1, and resources from the HS PBA pilot.

ANNUAL GOAL #2 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #2

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals. Improve teacher effectiveness by developing a shared understanding of instructional excellence.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.
An analysis of the Progress Report for 2010-2011 indicates that our school scored 31.4 out of a possible score of 60 on Student Progress, evidencing a need for renewed focus on engagement and strengthening of instructional practices. It is therefore important that we support our teachers and assist them to become more effective teachers so that students in turn will experience higher levels of academic success. The 2010-2011 School survey also indicates student percentages in all areas of the survey that are substantially lower than those of the teachers, thereby indicating a need for improved communication, engagement and academic expectations.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
Teachers will meet during the Extended Day periods on Tuesday and Thursday to review best practices.
Math teachers and the senior teacher from each content area will attend ongoing workshops as part of the Common core Lab pilot
Teacher will continue to meet by department and interdisciplinary groups to discuss and plan strategies for evaluation of student work and progress, and implementing the CCS. They will maintain a record of the topics and the ensuing action plan.
September 2011 through June 2012.

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal.
Parents will be encouraged to review progress on Aris and on Skedula.
Parents will be informed of the opportunities provided by the school for students to review and study for their SS Regent' exams.
Parents will be provided with progress reports, websites and other support with which they can assist the students.
- Parents will be provided with the Extended Day and tutoring schedules.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff becomes highly qualified, in order to achieve this goal.

Teachers are encouraged to register for and take classes to secure the necessary licenses.

Teachers will be reimbursed for all coursework through budget allocation.

School programming will be done in accordance with teacher subject area license.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.

Students will be provided with the extra socio-emotional supports necessary to assist them to achieve academically. Counseling in the Schools is a CBO currently working with groups of our students to promote stability and conflict resolution and opportunities to discuss issues that students continue to struggle with on a daily basis

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

Funding sources: Tax Levy, C4E, Title 1, and resources from the HS PBA pilot.

ANNUAL GOAL #3 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #3

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.
To increase the percent of students in the School's lowest of third of the cohort 2013 earning 10+ credits for the 2011-2012 school year.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.
An analysis of the 2010-2011 Progress Report data indicates that this cohort has accumulated fewer credits over the past two years than any of the other groups within the school, their peer groups or compared to city schools.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
These students will be identified on ARIS and the PR data. Teachers will use the Extended Day blocks to assist and support these students to complete coursework successfully. Tutoring will continue during Period 7.
Teachers will focus on the work of these students through collaborative inquiry strategies, assess their needs and use differentiation strategies, tutoring, and more immediate assessment to check for comprehension.
Teachers will meet to look at student work monthly to determine where instruction needs to be modified and how best to assist students to be successful.
September 2011 through June 2012

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal.
Parents will be encouraged to review progress on Aris and on Skedula.
Parents will be informed of the opportunities provided by the school for students to review and study for their SS Regent' exams.
Parents will be provided with progress reports, websites and other support with which they can assist the students.
Parents will be provided with the Extended Day and tutoring schedules

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff becomes highly qualified, in order to achieve this goal.
Teachers are encouraged to register for and take classes to secure the necessary licenses.

Teachers will be reimbursed for all coursework through budget allocation.
School programming will be done in accordance with teacher subject area license

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.
Students will be provided with the extra socio-emotional supports necessary to assist them to achieve academically.
Counseling in the Schools is a CBO currently working with groups of our students to promote stability, conflict resolution, and opportunities to discuss issues that students continue to struggle with on a daily basis
- In addition, Young Audiences, an artist in residence program, is also working with the SS teachers to enhance the content, and provide a more meaningful experience of history through the arts and media.
- Young Men’s Alliance, will assist in our efforts to provide an uplifting, positive environment for our by establishing a mentoring program and working closely with our young men.

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY’12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.
Funding sources: Tax Levy, C4E, Title 1, and resources from the HS PBA pilot.

ANNUAL GOAL #4 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #4

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.
Increase the number of students participating in college programs at York and QCC.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.
An analysis of the 2010-2011 Progress Report indicates that our school scored 10.1% on the College Readiness index, as compared to 14.95 for peer schools, and 21.5% city average.

Instructional strategies/activities

Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:

Our school has established an ongoing partnership with QCC's OASIS program that will provide new and additional opportunities for students to take courses to better prepare for college.

We have initiated PSAT workshops for College Prep.

Our college advisor has increased the number of college visits across the school.

Our Peer leaders from our College Summit program are turn keying information and experiences to the student body

Teachers are incorporating literacy across the curriculum, with emphasis on the CCS college strand and the level of writing expected to be college ready students.

These activities will take place between June 2011-September 2012.

Strategies to increase parental involvement

Parents will be encouraged to review progress on Aris and on Skedula.

Parents will be informed of the opportunities provided by the school for students to review and study for their SS Regent' exams.

Parents will be provided with progress reports, websites and other support with which they can assist the students.

- Parents will be provided with the Extended Day and tutoring schedules

Funding sources: Tax Levy, C4E, Title 1, and resources from the HS PBA pilot.

ANNUAL GOAL #5 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #5

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff becomes highly qualified, in order to achieve this goal.

ACADEMIC INTERVENTION SERVICES (AIS)

On the chart below, indicate the total number of students receiving AIS in each area listed for each applicable grade in your school.

Identified groups of students who have been targeted for AIS, and the established criteria for identification include:

- Students in Grades K – 3 who are considered at-risk for not meeting State standards as determined by their performance on ECLAS 2 or other identified assessments, or who have been identified as potential holdovers.
- Students in Grades 4 – 8 who are performing at Level 1 or Level 2 on New York State English language arts (ELA), mathematics, science, and social studies assessments.
- Students in Grade 9 who performed at Level 1 or Level 2 on NYS Grade 8 ELA, mathematics, science, and social studies assessments.
- Students in Grades 10 – 12 who scored below the approved passing grade on any Regents examination required for graduation in English language arts, mathematics, science, and social studies.

**DIRECTIONS AND GUIDANCE FOR DEVELOPING OR UPDATING
THE PARENT INVOLVEMENT POLICY (PIP)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements.

The PIP should describe how your school will plan and implement effective parent involvement activities to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

PARENT INVOLVEMENT POLICY (PIP) TEMPLATE

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. Our school will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community;

Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, our school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to schools to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in our Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator/Counselor (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;

- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

Our school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference when the school is deemed to be a Title I school;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- hosting events to support, men asserting leadership in education for their children. parents/guardians, grandparents and foster parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand;

SCHOOL-PARENT COMPACT

Our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

I. School Responsibilities

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;

- convening an Annual Title I Parent Meeting prior to December 1st of each school year that the school is deemed to be a Title I school for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;
- ensuring that students with disabilities receive all mandated services and regular scheduled parent meetings.

Provide parents information that they need to assist their children by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents in a timely manner about student progress;
- arranging opportunities for parents to receive training in ARIS, CCS Workshops, and school related data to allow for the opportunities to volunteer and participate in their child's class, and to observe classroom activities;
- planning informative activities for parents concerning CCS and extended day during the school year, e.g., Parent-Teacher Conferences;
- assisting parents to gain access to ARIS data and correct knowledge of how to use ARIS.

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding the new CCS standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering will all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement (when provided) are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

II. Parent/Guardian Responsibilities:

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check ARIS and Skedula and encourage my child to complete homework tasks, projects and assignments;

- limit the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;
- attend, where possible, parent workshops and meetings sponsored by the District, the Community, and the school.

III. Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully and not engage in bullying, cyberbully intimidation or other threatening behavior;
- always try my best to learn;
- WEAR the SCHOOL UNIFORM.

**OFFICE OF ENGLISH LANGUAGE LEARNERS
GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM
2011-12**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This LAP form, an appendix of the CEP, also incorporates information required for CR Part 154 funding so that a separate submission is no longer required. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [[see tool kit](#)].)
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
5. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
6. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. 

1. New entrants whose Home Language Survey indicates a language other than English to any one (1) response to questions #1-4 and to any two (2) responses to questions #5-8, are administered the English LAB-R before being programmed. The Guidance Counselor

admitting the student fills out the bottom of the second page of the Home language Survey and indicates whether the student is eligible for LAB-R testing based on the above criteria. The new entrant is programmed based on the LAB-R score and the informal oral interview. The informal oral interview with both the parent/guardian and student is administered by a native speaking staff. Prior to admission, the parent/guardian registering the youngster views the Orientation Video for Parents of Newly Enrolled English Language Learners in order to be able to make an informed decision as to whether the parent wants the youngster in a Transitional Bilingual, Dual Language or Free Standing ESL Program. The ESL Coordinator addresses concerns and provides explanation as to the content of the video. After viewing the video, the parent completes the Parent Survey and Program Selection Form indicating the

program preference. Parents have the option to op-out of Transitional Bilingual Education, however, if the student does not meet the score established for his/her grade level on the LAB-R test, he/she is mandated to receive ESL instruction until he/she test out of the

program. In the event that the parent chooses to have the child in a Bilingual program, the student is directed to the appropriate school. A copy of the Home Language Survey is given to the ESL Coordinator who administers the LAB-R. If the new entrant's home

language is Spanish and he/she does not meet proficiency level on the English LAB-R, the Spanish LAB is administered as evidence of

literacy in the native language. All eligible ELLs are LAB-R tested and programmed within ten days of being admitted in accordance

with the score obtained on the LAB-R. A copy of the Home Language Survey is given to the ESL Coordinator who administers the LAB-R. If the new entrant's home language is Spanish and he/she does not meet proficiency level on the English LAB-R, the Spanish

LAB is administered as evidence of literacy in the native language. All eligible ELLs are LAB-R tested and programmed within ten days of being admitted. The new entrant is programmed based on the LAB-R score and the informal oral interview in English and the native language.

In August, our ELLs are programmed according to their most recent NYSESLAT score.

2. Prior to admission, the parent/guardian registering the youngster views the Orientation Video for Parents of Newly Enrolled English Language Learners in order to be able to make an informed decision as to whether the parent wants the youngster in a Transitional Bilingual, Dual Language or Free Standing ESL Program. The ESL Coordinator addresses concerns and provides explanation as to the content of the video. After viewing the video, the parent completes the Parent Survey and Program Selection Form indicating the program preference. Parents have the option to op-out of

Transitional Bilingual Education, however, if the student does not meet the score established for his/her grade level on the LAB-R test,

he/she is mandated to receive ESL instruction until he/she test out of the program. In the event that the parent chooses to have the child in a Bilingual program, the student is directed to the appropriate school.

3. In addition to the bi-yearly parent-teacher conferences and monthly PTA meetings, parents of newly enrolled LEP/ELLs are provided

with an orientation session on the State Standards and graduation requirements. Parents view The Orientation Video for Parents of Newly Enrolled English Language Learners and, if not previously submitted, they are requested to complete the Parent Survey and Program Selection Form. Features of our Free- Standing ESL Program are discussed as well as eligibility and exiting regulations. French, Haitian-Creole and Spanish speaking teaching and paraprofessional staff are present to answer questions and concerns.

Placement letters, Entitlement letters, Continued Entitlement letters and Non-Entitlement letters are mailed to the students address of

record at the beginning of the school year or as soon as the student is LAB-R tested and the results are known. The letters provide parents with their student's current ESL proficiency placement level.

4. The ESL Coordinator reviews the ATS RLAT report and programs eligible students into our free-standing ESL program according to

the level of their most recent score. ESL Teacher's evaluation and parent interview are part of the programming process.

5. The parents have attended either the Parent Orientation Meeting or are provided with a one-on one orientation at the time of registration. All have filled out the Parent Survey and Program Selection Form have requested the enrollment of their student in the Free Standing ESL Program. Parent who are unable to attend the orientation meeting are mailed the Parent Survey and Program Selection Form and brochures explaining the Free-Standing, Transitional Bilingual and Dual language ESL Programs with the request

that they return the form by a specific date to the ESL Coordinator indicating their choice of program.

6. The ESL Free Standing program in our building is aligned with the parents' request according to the selection on the Parent Survey and Program Selection Form. All the parents of our newly admitted students have returned the Parent Survey and Program Selection Form.

Part IV: ELL Programming

A. Programming and Scheduling Information

1. How is instruction delivered?
 - a. What are the organizational models (e.g., Departmentalized, Push-In [Co-Teaching], Pull-Out, Collaborative, Self-Contained)?
 - b. What are the program models (e.g., Block [Class travels together as a group]; Ungraded [all students regardless of grade are in one class]; Heterogeneous [mixed proficiency levels]; Homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.
4. How do you ensure that ELLs are appropriately evaluated in their native languages?
5. How do you differentiate instruction for ELL subgroups?
 - a. Describe your instructional plan for SIFE.
 - b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs.
 - c. Describe your plan for ELLs receiving service 4 to 6 years.
 - d. Describe your plan for long-term ELLs (completed 6 years).
6. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?
7. How does your school use curricular, instructional, and scheduling flexibility to meet the diverse needs of ELL-SWDs within the least restrictive environment?

1. We have a unique program whereby one free standing, self-contained ESL program serves all ELLs in the four Campus Magnet High Schools. The four Campus Magnet High Schools are Mathematics, Science Research and Technology High School (Q492), Law Government and Community Service High School (Q494), Business, Computer Applications and Entrepreneurship High School (Q496), and Humanities and the Arts High School (Q498). ELL students from the four schools are ungraded and homogeneously programmed according to their proficiency level on the NYSESLAT and the LAB-R.
2. All students are provided with appropriate ESL classes based on scores attained on the Language Assessment Battery – Revised (LAB-R)

A. Programming and Scheduling Information

- and the York State English as a Second Language Achievement Test (NYSESLAT). Ours is a Freestanding ESL Program. Instruction is provided by a licensed ESL teacher. Our program fully addresses compliance with CR Part 154 for intensive English Language Instruction by providing our ESL student population with the required units of ESL instruction:
- Three Beginner Level Classes: 3- 44 minute periods of ESL
 - Two Intermediate Level Classes: 2- 44 minute periods of ESL
 - One Advanced Level Class: 1- 44 minute period of ESL and 1- 44 minute period of ELA
3. The methodology used in all ESL levels is primary aligned with Common Core Learning Standards mandated by the State. All classes are being served by using the communicative approach allowing students to use the new structures freely and creatively while motivating open-ended activities in all the four language skills: listening, speaking reading and writing.
4. At registration, students native speaking staff members interview the parent and student to determine fluency in the home language. Spanish language speakers are administered the Spanish language LAB to further determine students' level of literacy.
5. We serve SIFE students by implementing differentiated instruction. This will include: pairing with stronger academic students, pairing with cultural buddy and providing one-on-one instruction. Besides programming ELLs who have been in US schools less than three years (newcomers) into the recommended periods of ESL instruction, these students are encouraged to attend tutoring during their lunch period and before or after school hours where the results of Periodic Assessment data are analyzed. One to one tutoring is also available to all of our ELLs (newcomers and 4-6 years ELLS) where the student's proficiency level needs in reading and writing are individually addressed. Furthermore, emphasize is placed on academic language and students are allowed extended time on Regents Exams. With regards to long-term ELLs (in NYC school six years or more), the following program/services are available to ensure that our long term ELL population meets the Common Core State Standards for English Language Arts & Literacy in History/Social Studies, Science, Technical Subjects and Mathematics, and pass the Regents Examinations:
- Saturday Academy for Regents Prep and credit recovery
 - 9th period Study Groups facilitated by content area teachers
 - Independent study under content area teachers' supervision for credit recovery
 - One-on-one small group instruction during students' lunch periods with content area teachers
 - APEX-Distance Learning via Technology
 - Counseling sessions with parent and child with Principal, AP Administration, Guidance Counselor and Social Worker
 - Referral to Haup (Haitian Americans for Progress). This organization provides cultural and academic support.
- All of our ELLs are further supported with the following resources:
- Bilingual glossaries and dictionaries
 - Beginner Level students are paired with a student translators
 - Increase Number of ELLs taking PSAT and SAT Exams
 - Continued implementation of the Continuum for Academic Rigor and Excellence Document
 - Extended time and separate location during the administration of Regents Exams
 - Translations of the content area Regents exams
6. All students, especially ELL-SWDs are provided opportunities to practice active participation in their learning. Through conversations and discussions in class with teachers and other students ELL-SWDs develop language skills as well as broaden their knowledge and understanding of subject matter. Students are encouraged to collaborate with peers and utilize cooperative learning strategies. Teachers model how to pose questions and make comments in small discussion groups which ultimately organizes student directed discussions. Overall, teachers use a variety of strategies when teaching literacy to access their student's needs and determine how to proceed with instruction in the advancement of literacy.
7. When accessing the least restrictive environment ELL-SWDs have the same opportunities as the general education student. They are provided with leveled texts to better accommodate their reading and comprehension levels. They are heterogeneously grouped to afford greater opportunities in meeting their long and short term goals. Utilizing the Individualized Educational Plans teachers become familiar with students testing accommodations to better provide students with the ability to demonstrate mastery of skills and attainment of knowledge without being limited due to the effects of their disability.EBORAH

Native Language Usage and Supports

The chart below is a visual representation designed to show the variation of native language usage and supports across the program models. Please note that native language support is never zero.

B. Programming and Scheduling Information--Continued

8. Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
9. Describe your plan for continuing transitional support (2 years) for ELLs reaching proficiency on the NYSESLAT.
10. What new programs or improvements will be considered for the upcoming school year?
11. What programs/services for ELLs will be discontinued and why?
12. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
13. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?
14. How is native language support delivered in each program model? (TBE, Dual Language, and ESL)
15. Do required services support, and resources correspond to ELLs' ages and grade levels?
16. Include a description of activities in your school to assist newly enrolled ELL students before the beginning of the school year.
17. What language electives are offered to ELLs?

8. We offer the following targeted intervention programs for ELLs in ELA, math, and other content areas:
 - Saturday Academy for Regents Prep and credit recovery
 - 9th period Study groups facilitated by content area teachers
 - One-on one small group instruction during students' lunch periods with content area teachers
 - APEX-Distance learning via Technology
 - Counseling sessions with parent and child with Principal, AP Administration, Guidance Counselor and Social Worker
 - Referral to HAUP(Haitian Americans for Progress). They provide cultural and academic support
9. We continue to support students reaching proficiency on the NYSESLAT through tutoring and Regents preparatory classes. Regents testing accommodations have been extended to former ELLs. Furthermore, ELLs who require more than four years to graduate are provided with extensive Academic Instructional Support: small group instruction and tutoring by content area teachers and independent study under content area teachers' supervision.
10. This year we are integrating 9th Period Study Groups facilitated by content area teachers to enhance academic achievement and address students' areas of deficiencies.
11. Achieve 3000, which targeted literacy throughout the curriculum) will be discontinued due to loss of CFN grant. Other programs that will not be available this year are PM School for Credit Recovery due to lack of funding and YAAOI (Youth Academic & Athletic Outreach, Inc.), an after school enrichment program, because they are no longer in the building.
12. All ELLs are encouraged to participate in all after school activities and events. Programs include Performing Arts Program in theater and dance, Instrumental and Vocal Music Program which includes a marching band and steel band, PSAL sport teams and cheer leading.
13. Instruction materials used to support ELLs include glossaries, native language dictionaries, computer lab, Smart Board.
14. Since we provide a free standing, self contained, ESL program, which focuses on intense development of academic language and on cognates to accelerate comprehension, we are unable to compare the English performance of our ELL population to performance in their native language. However, the native language support is used as a bridge to transferring receptive and expressive 2nd language acquisition. All students are provided with a home language bilingual glossary for support in the content area classes.
15. All required support services and resources are targeted for grades 9-12, thus they correspond to our ELLs age and grade level.
16. Prior to the beginning of the school year, incoming students and their parents are invited to attend the school's open house and orientation. They are given a tour of the building and an introduction to our specialized programs in the performing arts, vocal music, instrumental music, visual arts and dance.
17. French foreign language classes are offered as mandated for graduation and as electives for students that pursue an Advanced Regents Diploma.

11. Achieve 3000, which targeted literacy throughout the curriculum) will be discontinued due to loss of CFN grant. Other programs that will not be available this year are PM School for Credit Recovery due to lack of funding and YAAOI (Youth Academic & Athletic Outreach, Inc.), an after school enrichment program, because they are no longer in the building.
12. All ELLs are encouraged to participate in all after school activities and events. Programs include Performing Arts Program in theater and dance, Instrumental and Vocal Music Program which includes a marching band and steel band, PSAL sport teams and cheer leading.
13. Instruction materials used to support ELLs include glossaries, native language dictionaries, computer lab, Smart Board.
14. Since we provide a free standing, self contained, ESL program, which focuses on intense development of academic language and on cognates to accelerate comprehension, we are unable to compare the English performance of our ELL population to performance in their native language. However, the native language support is used as a bridge to transferring receptive and expressive 2nd language acquisition. All students are provided with a home language bilingual glossary for support in the content area classes.
15. All required support services and resources are targeted for grades 9-12, thus they correspond to our ELLs age and grade level.
16. Prior to the beginning of the school year, incoming students and their parents are invited to attend the school's open house and orientation. They are given a tour of the building and an introduction to our specialized programs in the performing arts, vocal music, instrumental music, visual arts and dance.
17. French foreign language classes are offered as mandated for graduation and as electives for students that pursue an Advanced Regents Diploma.

C. Schools with Dual Language Programs

1. How much time (%) is the target language used for EPs and ELLs in each grade?
2. How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?

D. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
3. Describe the minimum 7.5 hours of ELL training for all staff (including non-ELL teachers) as per Jose P.

1. Copy your school's professional development plan from the CEP.
2. Staff facilitates 9th period Study Groups Monday through Friday which assist ELLs in the transition from middle to high school.
3. All faculty members are New York state certified and as such have met the State 7.5 hour requirement (or 10 hour requirement for Special Education teachers) for the Jose P. training

E. Parental Involvement

1. Describe parent involvement in your school, including parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

1. Copy Parent Coordinator piece from CEP
2. Humanities and the Arts HS teams up with the Cambria Heights Civic Association and HAUP (Haitian American for Progress). These organizations provide our parents with community resources.
3. We based our assessment of oral and written interpretation needs on the Home Language Aggregation Report (RHLA). This report shows that oral and written interpretation is needed in Spanish and Haitian Creole.
4. Provide translations to native speakers of French, Haitian Creole and Spanish at:
 - Parent-Teacher Conferences
 - PTA Meetings
 - ESL Parent Orientation Meetings
 - Parent Forums

B. After reviewing and analyzing the assessment data, answer the following

1. Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How can this information help inform your school's instructional plan? Please provide any quantitative data available to support your response.
2. What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
3. How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions?
4. For each program, answer the following:
 - a. Examine student results. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
 - b. Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
 - c. What is the school learning about ELLs from the Periodic Assessments? How is the Native Language used?
5. For dual language programs, answer the following:
 - a. How are the English Proficient students (EPs) assessed in the second (target) language?
 - b. What is the level of language proficiency in the second (target) language for EPs?
 - c. How are EPs performing on State and City Assessments?
6. Describe how you evaluate the success of your programs for ELLs.

1. Our school uses authentic assessment tools to assess early literacy skills through:

Portfolio Assessment

Writer's Workshop

2. The NYSESLAT data reveals that 50% of our ELLs are performing at the Proficient Level on the Listening/speaking modality.

Additional Information

Please include any additional information that would be relevant to your LAP and would further explain your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

LANGUAGE TRANSLATION AND INTERPRETATION 2011-2012

CEP Appendix 7

Requirement under Chancellor's Regulations – for all schools

DBN: 29Q498 **School Name:** Humanities and the Arts High School

Cluster: 2 **Network:** CFN 201

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

The primary language spoken by the parent of each student enrolled i the school as well as the parent's primary language are identified upon enrollment through the HLIS and parent survy and entered on ATS and on the student emergency card. Initial intake interview with the parent determines whether the parent requires language assistance in order to communidate effectively with the department . Additionally identified parents are also invited to participate in an orientation session held in the fall and the Spring terms.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

Through the data collected at registration (HLIS and personal interviews) it was found that the written and oral interpretation needs are primarily in French, Haitian Creole and Spanish. These findings were reported to the school community via faculty conferences, staff access to the RCON which indicates the parent 's preferred language .

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

Translated documents are available to parents determined to be in need of language assistance services, via in-house school staff, fluent in the predominantly identified languages using translation/interpretation school funding per the parameters set forth in SAM No53,FY12. and the Department of Education translation services. The Parent Coordinator also informs parents of the availability of documents in their native languages on the DOE website.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Oral interpretation services are provided in school by in-house staff fluent in the predominantly identified languages using translation/interpretation school funding per the parameters set forth in SAM No53,FY12. Additionally access via phone to the DOE department of Over the Phone Interpretation Services.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link:
<http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

The school fulfills section VII of the Chancellors Regulations-A663 by providing each parent whose primary language is a covered language and who require language assistance services with a copy of the Bill of Parent Rights and responsibilities which includes their rights regarding translation and interpretation services. translated versions of this document in the covered languages are available on the DOE website. The school also posts in a conspicuous location near the primary entrance a sign in the most prominent covered languages indicating the availability of interpretation services, using the translated signs available on the DOE Website. The school's safety plan contains procedures to ensure that parents in need of language access services are not prevented for reaching the school's administrative offices solely due to language barriers. Additionally parents are directed to the Department's website which provides information in each of the covered languages concerning the rights of parents to translation and interpretation services and how to access such services.
