

**Department of
Education**

Dennis M. Walcott, Chancellor

2011-2012 COMPREHENSIVE EDUCATIONAL PLAN (CEP)

SCHOOL NAME : _____ P57R HUBERT H. HUMPHREY _____

DBN (DISTRICT/ BOROUGH/ NUMBER I.E. 01M000): _____ 31R057 _____

PRINCIPAL: _____ SANDRAHARRELL _____ EMAIL _____ SHARRELL4@SCHOOLS.NYC.GOV _____

SUPERINTENDENT: _____ ERMINIA CLAUDIO _____

SCHOOL LEADERSHIP TEAM (SLT) SIGNATURE PAGE

Use this page to identify SLT members and confirm their participation in the development of this Comprehensive Educational Plan (CEP), which includes goals and action plans, a summary of Academic Intervention Services, and the Parent Involvement Policy. The signatures of SLT members indicate their participation in the development of the CEP and serve as confirmation that consultation has occurred to align funding in support of educational programs. The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with the Chancellor’s Regulation A-655, available on the [NYC DOE Web site](#).

Directions:

1. List each SLT member in the left-hand column on the chart below. Specify any position held by the team member, e.g., Chairperson, SLT Secretary and the constituent group represented, e.g., parent, staff, student, or CBO. Core mandatory SLT members are indicated by an asterisk*.
2. Ensure that SLT members review this document and sign in the right-hand column in blue ink. If an SLT member does not wish to sign this plan, he/she may attach a written explanation in lieu of his/her signature.
3. Add rows as needed to ensure that all SLT members are listed.
4. The original copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature

DIRECTIONS AND GUIDANCE FOR COMPLETING THE ANNUAL GOALS AND ACTION PLAN SECTION

The CEP goal-setting process serves both to support the identification and implementation of school-wide goals as well as to document how your school is meeting Federal, State, and City regulations.

As a result of principal feedback on this process, the CEP has been significantly streamlined to reduce the amount of time spent fulfilling requirements and to allow schools to focus on goal-setting and instructional priorities. The goal and action plan section, contained on pages 4 through 8 of this template, now serves as the central work of the CEP process and reflects a consolidation of numerous CEP requirements from prior years.

Below you will find guidance on documenting annual goals and action plans.

WHICH SCHOOLS NEED TO COMPLETE THIS?

- All schools should identify and submit annual goals and action plans in consultation with their School Leadership Team.

HOW DO CEP GOALS RELATE TO GOALS SET FOR THE PRINCIPAL PERFORMANCE REVIEW (PPR)?

- CEP goals are generally intended to guide school-wide planning and development. CEP goals may be adapted from goals set by the principal for the Principal Performance Review (PPR) if they are appropriate for use as school-wide goals.

HOW SHOULD A SCHOOL DEVELOP ITS GOALS AND ACTION PLANS?

- Your school should identify a minimum of three and a maximum of five annual goals.
- Goals should be “SMART” - specific, measurable, achievable, realistic, and time-bound.
- Goal development should be based on an assessment of your school’s needs.
- Your school should demonstrate the use of both qualitative and quantitative data in providing the rationale for each goal. Cite sources that contributed to the rationale, such as the Progress Report, Quality Review, School Survey, State Differentiated Accountability report (SQR, ESCA, or JIT), state and school assessment results, attendance records, inquiry team work, etc.
- Each goal and action plan requires your school to cite the strategies and activities in your Parent Involvement Policy (PIP) that will be implemented to achieve the goal identified. The PIP template is provided on pages 11 through 15. Your school is encouraged to use the template as it is provided, or align it in accordance with your school’s goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to respond to the parental involvement section of each goal and action plan.
- Schools designated as Improvement, Corrective Action, Restructuring, and/or PLA/SURR by the New York State Education Department must identify a goal and complete an action plan related to improving student outcomes for the specific subject area and subgroups identified for improvement. For each subject area identified, a goal and action plan is required.

ANNUAL GOAL #1 AND ACTION PLAN

- Schools identified for Improvement, Corrective Action, Restructuring, and/or as PLA/SURR by the New York State Education Department must identify a goal and complete an action plan related to improving student outcomes for the specific subject area and subgroups identified for improvement.
- For each subject area identified, a goal and action plan is required.

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #1

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.
 - To improve teacher effectiveness by developing a shared understanding of instructional excellence. By June 2012, Principal and Assistant Principals will conduct 6 informal observations and 1 formal observation for each teacher using selected competencies of a research-based rubric to improve best practices and provide constructive feedback in collaboration with teachers. By improving teacher effectiveness, student performance toward achieving state standards in ELA and math as measured by NYS assessments will increase by 4% in June 2012 compared to 2010-11 NYS exam results and results on ITA's and predictive pre/post assessments.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.
- Needs assessment revealed that based on the performance of students in ELA and mathematics improving teacher quality and effectiveness is an area to be addressed. . In the 2010 -11 school year, the data shows that, 36.9% of all PS 57 students tested in grades 3-5 in math (295 students) attained a proficiency level of 3 or 4 on New York State mathematics exam indicating that 63.1% of the students did not reach proficiency (level 3 or 4). This represents a 1.7% increase in students meeting proficiency (levels 3 and 4) compared to results on the 2009-10 New York State mathematics exam. In the 2010 -11 school year, the data shows that, 29.7% of all PS 57 students tested in grades 3-5 (293 students) attained a proficiency level of 3 or 4 on New York State ELA indicating that 70.3% of the students did not reach proficiency (level 3 or 4). This represents a .3% decrease in students meeting proficiency (levels 3 and 4) compared to results on the 2009-10 New York State mathematics exam.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

- Principal, Assistant Principals and staff in collaboration with Network Team members and onsite Teachers College Staff Developer will develop and implement a coherent professional development plan for teachers that integrate the six DOE selected competencies through the use of selected components of a research-based rubric.
- Teachers in collaboration with administrators will self-assess on each competency within a 6 week cycle using a research-based rubric.
- Supervisors will establish and follow a schedule for formal teacher observations and provide regular and helpful feedback at individual post observation conferences with teachers.
- Supervisors will engage in frequent cycles of informal classroom observations. Feedback with teachers will be timely and collaborative and designed to improve best practices.
- Supervisors will strengthen their own capacity to provide high-quality feedback to teachers through professional development with outside collaborations and support from Network Team members.
- Develop templates/checklists aligned with the Common Core Standards
- Teachers and administrators will participate in professional readings based on competencies and Common Core Standards.
- Enhance practice of collecting low-inference data
- Develop a focused lens around each of the competencies.
- Funds will be utilized to provide professional resources related to the research based rubric.
- Pacing calendars will be developed to establish a time table for accomplishing stated goal.
- Funds will be allocated for teacher per session to allow teachers to attend professional development and planning sessions before and after school throughout the school year to achieve stated goal.
- Funds will be allocated for teacher per diem to allow staff to attend professional development and planning sessions during regular school day hours to achieve stated goal.
- Staff who attended professional development sessions will turn key information for staff at grade and staff conferences.
- ◆ End-term Progress Point: January 31, 2012
- ◆ Mid-term Progress Point: March 30, 2012
- ◆ End-Term Progress Point: June 22, 2012

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.
- Afternoon and evening parent teacher conferences will be held during the fall and spring term where this goal will be discussed with parents.
- Parents will be provided with opportunities to volunteer and participate in their child's classroom activities designed to accomplish stated goal.

- Information about this goal is posted for parents on the school's echalk website.
- Parents will attend workshops at Columbia Teachers' College.
- During monthly Parent Advisory Committee Meetings, principal will inform parents about stated goal.
- Monthly PTA meetings and newsletter will serve as information for parents regarding stated goal.
- Parent Coordinator will conduct parent workshops providing information to parents about stated goal and provide parents with strategies and materials to assist their children in achieving this goal.
- The school will hold an annual Open House in October during the PTA meeting where the Title 1 School Parent Involvement Policy and the School/Parent Compact are distributed and discussed.
- Title 1 SWP 1% parent involvement set aside will be used to pay for parent involvement activities designed to inform parents about stated goal.
- Principal will hold quarterly meetings with PTA Executive board where progress towards meeting the stated goal will be discussed.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.
- Highly qualified staff will be recruited, interviewed and selected to fill posted teacher vacancies through Open Hire, Network Human Resources Administrator and teacher recruitment fairs.
- All current staff is highly qualified.
- Title 1 SWP 5% Highly Qualified set aside will be used ensure that staff selected for vacancies who are not highly qualified will become highly qualified.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.
- Anticipated SINI funds will be used for afterschool, weekend and holiday programs where teachers will implement strategies to improve teacher effectiveness.
- In accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780. Title 1 funds will be set aside to assist students in temporary housing (STH) to meet academic content academic achievement standards as well as urgent needs (\$100 per identified child).

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

As a Title 1 School-Wide School, Conceptual Consolidation will allow school to combine Tax Levy Funds with reimbursable funds (i.e. Title 1, SINI, Title 111, NYSTL, etc.) to implement action plan by providing professional development provided by supervisors and Teachers College and to purchase materials designed to improve teacher effectiveness.

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #2

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

Improve learning environment by inviting teachers to play a meaningful role in setting goals and making important decisions for the school. By June 2012, the engagement score on the 2011-12 NYC School Survey Report will increase .5 from 7.1 out of 10 on the 2010-11 NYC School Survey Report to a score of 7.6 out of 10 moving from a low level of teacher satisfaction (red) to a higher level of teacher satisfaction (green).

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

Teacher responses to questions about school environment on School Survey indicated a need to improve the learning environment by allowing teachers to play a meaningful role in setting goals and making important decisions for the school.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.
- Principal and Assistant Principal will hold monthly grade conferences September through June to set goals, establish benchmarks and provide staff with opportunities to make important school decisions.
- Monthly staff conferences will include time for teambuilding by providing staff with opportunities to discuss school issues and provide input into making decisions. Principal will conduct monthly consultation meetings with UFT Chapter and staff to discuss school concerns and allow staff to voice their opinions re: making school decisions.
- Congruence time will be provided for teachers to meet with supervisors to discuss goals, share concerns and provide input into the decision making process.
- Principal will create a voluntary staff focus group that will meet regularly throughout the school year to discuss school issues and arrive at solutions through shared decision making and team building.
- Supervisors will allow staff to select topics for grade and staff conferences and to serve as presenters at these conferences.
- Staff will be encouraged to attend professional development activities provided by DOE internal services designed to enhance their decision making abilities (ongoing).

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.
- Afternoon and evening parent teacher conferences will be held during the fall and spring term where this goal will be discussed with parents.
- Parents will be provided with opportunities to volunteer and participate in their child's classroom activities designed to accomplish stated goal.
- Teachers will provide parents with frequent reports on their children's progress relative to this goal.
- Parent Coordinator will conduct parent workshops providing information to parents about stated goal.
- Information about this goal is posted for parents on the school's echalk website.
- The school will hold an annual Open House in October during the PTA meeting where the Title 1 School Parent Involvement Policy and the School/Parent Compact are distributed and discussed.
- Title 1 SWP 1% parent involvement set aside will be used to pay for parent involvement activities designed to inform parents about stated goal.
- Principal will hold quarterly meetings with PTSA Executive board where progress towards meeting the stated goal will be discussed.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.
- Highly qualified staff will be recruited, interviewed and selected to fill posted teacher vacancies through Open Hire, Network Human Resources Administrator and teacher recruitment fairs.
- All current staff is highly qualified.
- Title 1 SWP 5% Highly Qualified set aside will be used ensure that staff selected for vacancies who are not highly qualified will become highly qualified.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.
- Anticipated SINI funds will be used for afterschool, weekend and holiday programs where teachers will implement strategies that involve them in a meaningful role in setting goals and making important decisions for the school.
- In accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780. Title 1 funds will be set aside to assist students in temporary housing (STH) to meet academic content academic achievement standards as well as urgent needs (\$100 per identified child).

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

As a Title 1 School-Wide School, Conceptual Consolidation will allow school to combine Tax Levy Funds with reimbursable funds (i.e. Title 1, SINI, Title 111, NYSTL, etc.) to implement action plan by providing professional development for staff provided by supervisors and Teachers College and to purchase materials to achieve the stated goal.

ANNUAL GOAL #3 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #3

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.
 - By June 2012, all students including Limited English Proficient, Students with Disabilities and Economically Disadvantaged will demonstrate progress towards achieving state standards as measured by a 4% increase in all subgroups scoring at Level 3 & 4 on the NYS Math assessment and on Math benchmark assessments administered at the school level (ITa's, predictive and Every Day Mathematics unit assessments).

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

Priority area for improving student performance based on progress report. Did not make AYP in this subject. In the 2010 -11 school year, the data shows that, 36.9% of all PS 57 students tested in grades 3-5 in math (295 students) attained a proficiency level of 3 or 4 on New York State mathematics exam indicating that 63.1% of the students did not reach proficiency (level 3 or 4). This represents a 1.7% increase in students meeting proficiency (levels 3 and 4) compared to results on the 2009-10 New York State mathematics exam.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.
- Professional development to be provided from September through June to teachers by supervisors, Math Coach, and Network Support Staff.
 - ♦ Classroom teachers and Data Specialist will utilize data results from NYS Math exam, predictive exams and math ITA periodic assessments to individualize instruction and match students to appropriate materials.
- In September, all teachers received "bottom line expectations" for mathematics instruction, environment, structure and content to use as a guideline for mathematics instruction throughout the school year.
 - ♦ All students, including LEP, students with disabilities and economically disadvantaged who did not achieve proficiency levels 3 or 4 on New York State mathematics exam in FY'11 will participate in the Extended Day Program for academic intervention in 37.5-

- minute blocks of strategy lessons, three times per week to receive small group and individualized instruction in mathematics .
- ◆ Classroom teachers will implement instruction using the “Everyday Mathematics” Program with a heavy focus on critical thinking and problem solving skills.
 - ◆ F-status teacher and F-status administrator will support classroom teachers by addressing student needs in small group, pull out instruction for identified at risk students.
 - ◆ Classroom teachers will provide instruction through small groups and one to one tutorials.
 - All students, including students with disabilities, are invited to participate in the Perfect Score Tutoring Supplemental Education Services after school tutorial program twice per week that provides support to the school’s “Every Day Mathematics” program.
 - Supervisors will coordinate and monitor the mathematics data of the students who participate in the SES after school program.
 - Teacher teams will meet in inquiry groups weekly on Mondays during the 37.5-minute Extended Day professional development period to review and analyze mathematics data and plan lessons accordingly.
 - Supervisors will monitor student performance as indicated by end of unit “Every Day Math” assessments.
 - Supervisors will collect “Core Curriculum Monitoring Folders” to assess student mathematics performance and to ensure that there is flexible grouping of students for mathematics. Time line for implementation: 1st marking period- January 15th; 2nd marking period- March 15th; third marking period April 10th; 4th marking period-June 6th.
 - The school will conduct an after school and Saturday program with a mathematics component that will provide small group instruction for identified at risk students. These programs will be implemented from December through June.
 - Supervisors will monitor teachers’ lesson plans to ensure that mathematics plans reflect differentiated mathematics instruction ongoing throughout the school year.
 - Beginning in September, 2011 and continuing through June.2012, supervisors will conduct formal and informal observations of teachers in mathematics that reflect the “Every Day Mathematics” program and show evidence of academic rigor.
 - Principal will create a Vertical Inquiry team consisting of a teacher representative from each grade that will meet regularly to review student and school wide mathematics data and student work and discuss strategies to improve mathematics instruction.
 - Results from the ‘Every Day Mathematics” unit assessments will be used to guide instruction and to formulate instructional mathematics strategies consistent with the “Every Day Mathematics” program.
 - Contingent upon funding, conduct instructional support programs in mathematics during school recess periods in mathematics test taking strategies.
 - The Math Coach and Parent Coordinator will facilitate parent workshops in mathematics.
 - Teachers and Educational Assistants will serve as integral facilitators of small group and differentiated mathematics instruction for students.
 - ◆ Use of technology to promote mathematics development.
 - ◆ Common planning time is provided.
 - ◆ End-term Progress Point: January 31, 2012
 - ◆ Mid-term Progress Point: March 30, 2012
 - ◆ End-Term Progress Point: June 22, 2012

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.
- Afternoon and evening parent teacher conferences will be held during the spring term where teachers will inform parents of performance assessment results via progress report.
- Math Coach will provide parent workshops on components of the "Every Day Mathematics" program.
- During monthly Parent Advisory Committee Meetings, principal will conduct professional development and inform parents of performance assessment requirements.
- Monthly PTA meetings and newsletter will serve as information for parents regarding performance assessment.
- ◆ Parents will be provided with opportunities to volunteer and participate in their child's classroom activities designed to accomplish stated goal.
- ◆ Teachers will provide parents with frequent reports on their children's progress relative to this goal.
- Parent Coordinator will conduct parent workshops providing information and mathematics materials to parents about stated goal and provide parents with strategies and materials to assist their children in achieving this goal.
- Information about this goal is posted for parents on the school's echalk website.
- The school will hold an annual Open House in October during the PTA meeting where the Title 1 School Parent Involvement Policy and the School/Parent Compact are distributed and discussed.
- Title 1 SWP 1% parent involvement set aside will be used to pay for parent involvement activities designed to inform parents about stated goal.
- Principal will hold quarterly meetings with PTA Executive board where progress towards meeting the stated goal will be discussed.
- During the Spring Term, the school will hold the "Annual Math Family Night" where parents and their children engage in math activities and games with staff designed to pique student interest in math.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.
- Highly qualified staff will be recruited, interviewed and selected to fill posted teacher vacancies through Open Hire, Network Human Resources Administrator and teacher recruitment fairs.
- All current staff is highly qualified.

- Title 1 SWP 5% Highly Qualified set aside will be used ensure that staff selected for vacancies who are not highly qualified will become highly qualified.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.
- ◆ Anticipated SINI funds will be used for afterschool, weekend and holiday programs where teachers will implement strategies toward meeting stated goal.
- ◆ Students will be provided tutorial service, *SES*, totaling 65 hours to strengthen their mathematics skills
- In accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780 Title 1 funds will be set aside to assist students in temporary housing (STH) to meet academic content and academic achievement standards as well as urgent needs (\$100 per identified child).
- F-status administrator will provide pull out mathematics remediation instruction for identified at risk students.

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.
- As a Title 1 School-Wide School, Conceptual Consolidation will allow school to combine Tax Levy Funds with reimbursable funds (i.e. Title 1, SINI, Title 111, NYSTL, etc.) to implement action plan by providing professional development for staff provided by supervisors, coach and Teachers College and to purchase materials and supplies to achieve the stated goal.

ANNUAL GOAL #4 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #4

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.
 - By June 2012, all students including Limited English Proficient, Students with Disabilities and economically disadvantaged will demonstrate progress towards achieving state standards as measured by a 4% increase in all subgroups scoring at Level 3 & 4 on the NYS ELA assessment and benchmark assessments (such as TCRWP Assessment Pro, Running Records, and CCLS Performance Series).

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

Priority area for improving student performance based on progress report. Did not make AYP in this subject. In the 2010 -11 school year, the data shows that, 29.7% of all PS 57 students tested in grades 3-5 (293 students) attained a proficiency level of 3 or 4 on New York State ELA indicating that 70.3% of the students did not reach proficiency (level 3 or 4). This represents a .3% decrease in students meeting proficiency (levels 3 and 4) compared to results on the 2009-10 New York State mathematics exam.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.
- Professional development to be provided from September through June to teachers by supervisors, Literacy Coach, Network Support Staff and onsite Staff Developer from Teachers College.
- In September, all teachers received “bottom line expectations” for literacy, environment, structure and content to use as a guideline for literacy instruction throughout the school year.
- Implement a supplementary reading non-fiction based program to support the Columbia TC reading/writing project that was implemented in FY’10.
- All students, including students with disabilities, who did not achieve proficiency levels 3 or 4 on New York State ELA in FY’11 will

participate in the Extended Day Program for academic intervention in 37.5-minute blocks of strategy lessons, three times per week to receive small group and individualized instruction in literacy.

- F-status administrator and F-status teacher will provide small group, pull out instruction for identified at risk students.
- All students, including students with disabilities, are invited to participate in the Perfect Score Tutoring Supplemental Education Services after school program twice per week that provides support to the school's literacy program.
- Supervisors will coordinate and monitor the progress reports of the students who participate in the SES after school program.
- Teacher teams will meet in inquiry groups weekly on Mondays during the 37.5-minute Extended Day professional development period to review and analyze literacy data and plan lessons accordingly.
- Supervisors will monitor student performance as indicated by online TC Assessment Pro, CCLS performance assessment results and collection of work samples.
- The school will conduct an after school and Saturday program with an English Language Arts and literacy enrichment component that will provide small group instruction for identified ELL students. These programs will be implemented from December through June.
- Supervisors will monitor teachers' lesson plans to ensure that literacy plans reflect differentiated reading instruction ongoing throughout the school year.
- Beginning in September, 2011 and continuing through June.2012, supervisors will conduct formal and informal observations of teachers in literacy that reflect the school's reading program and show evidence of academic rigor.
- Administrators will monitor the results from the Acuity and Periodic Assessments administered three times per year.
- Literacy Coach and supervisors will review student data folders to ensure flexible grouping of students for literacy.
- Principal will create a Vertical Inquiry team consisting of a teacher representative from each grade that will meet regularly to review student and school wide literacy data and student work and discuss strategies to improve literacy instruction.
- Results from the Acuity and Periodic Assessments administered three times per year will be used to guide instruction and to formulate instructional literacy strategies consistent with the school's literacy program.
- Contingent upon funding, conduct instructional support programs in literacy during school recess periods in literacy test taking strategies.
- The Literacy Coach and Parent Coordinator will facilitate parent workshops in literacy.
- Teachers and Educational Assistants will serve as integral facilitators of small group and differentiated literacy instruction for students.
- ◆ Classroom libraries that are culturally and diversely enriched with leveled books and genre texts to support literacy.
- ◆ All Teachers will instruct students utilizing the Balanced Literacy approach in accordance with Common Core Standards .
- ◆ Use of technology to promote literacy development.
- ◆ Common planning time is provided.
- ◆ Classroom Lab sites are created on each grade and teachers are engaged in study groups to support targeted students.
- ◆ Teachers will utilize data results to formulate strategies and customize instruction to meet individual student needs.
- ◆ End-term Progress Point: January 31, 2012

- ◆ Mid-term Progress Point: March 30, 2012
- ◆ End-Term Progress Point: June 22, 2012

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.
- Afternoon and evening parent teacher conferences will be held during the fall and spring term where this goal will be discussed with parents.
- Parents will be provided with opportunities to volunteer and participate in their child's classroom activities designed to accomplish stated goal.
- Teachers will provide parents with frequent reports on their children's progress relative to this goal.
- Parent Coordinator will conduct parent workshops providing information to parents about stated goal and provide parents with strategies and materials to assist their children in achieving this goal.
- Information about this goal is posted for parents on the school's echalk website.
- The school will hold an annual Open House in October during the PTA meeting where the Title 1 School Parent Involvement Policy and the School/Parent Compact are distributed and discussed.
- Title 1 SWP 1% parent involvement set aside will be used to pay for parent involvement activities designed to inform parents about stated goal.
- Principal will hold quarterly meetings with PTA Executive board where progress towards meeting the stated goal will be discussed.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.
- Highly qualified staff will be recruited, interviewed and selected to fill posted teacher vacancies through Open Hire, Network Human Resources Administrator and teacher recruitment fairs.
- All current staff is highly qualified.
- Title 1 SWP 5% Highly Qualified set aside will be used ensure that staff selected for vacancies who are not highly qualified will become highly qualified.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.
- ◆ Anticipated SINI funds will be used for afterschool, weekend and holiday programs where teachers will implement strategies toward

meeting stated goal.

- ◆ Students will be provided tutorial service, *SES*, totaling 65 hours to strengthen their literacy skills
- In accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780. Title 1 funds will be set aside to assist students in temporary housing (STH) to meet academic content academic achievement standards as well as urgent needs (\$100 per identified child).

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.
- As a Title 1 School-Wide School, Conceptual Consolidation will allow school to combine Tax Levy Funds with reimbursable funds (i.e. Title 1, SINI, Title 111, NYSTL, etc.) to implement action plan by providing professional development by supervisors, Coach, Teachers College and Network Support Staff and to purchase material for the reading/writing program.
- Funds from Staten Island Foundation as well as Title 1 Funds will be used to purchase an onsite Staff Developer from Columbia Teachers College to support the literacy program.
- ARRA RTTT Citywide Instructional Expectation Funds will be used to pay Core Inquiry Team Members per session pay before/after school to attend Inquiry Team meetings to analyze student literacy data in ARIS and acuity.
- ARRA RTTT Data Specialist funds will be used to pay Data Specialist per session to chair after/before school Inquiry Team meetings and to analyze student literacy data in ARIS and acuity.
- Funds will be utilized to purchase art and music residencies for students as a strategy to achieve this goal by engaging students in literacy through the arts.

ANNUAL GOAL #5 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #5

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.
-

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

ACADEMIC INTERVENTION SERVICES (AIS)

On the chart below, indicate the total number of students receiving AIS in each area listed for each applicable grade in your school.

Identified groups of students who have been targeted for AIS, and the established criteria for identification include:

- Students in Grades K – 3 who are considered at-risk for not meeting State standards as determined by their performance on ECLAS 2 or other identified assessments, or who have been identified as potential holdovers.
- Students in Grades 4 – 8 who are performing at Level 1 or Level 2 on New York State English language arts (ELA), mathematics, science, and social studies assessments.
- Students in Grade 9 who performed at Level 1 or Level 2 on NYS Grade 8 ELA, mathematics, science, and social studies assessments.
- Students in Grades 10 – 12 who scored below the approved passing grade on any Regents examination required for graduation in English language arts, mathematics, science, and social studies.

	ELA	Mathematics	Science	Social Studies	At-risk Services: Guidance Counselor	At-risk Services: School Psychologist	At-risk Services: Social Worker	At-risk Health-related Services
	# of Students Receiving AIS	# of Students Receiving AIS	# of Students Receiving AIS	# of Students Receiving AIS				
K	12	12	N/A	N/A	2	1	1	2
1	14	14	N/A	N/A	5	-	-	1

6								
7								
8								
9								
10								
11								
12								

On the chart below, provide a brief description of each of the Academic Intervention Services provided, and include:

1. type of program or strategy (e.g., Wilson, Great Leaps, etc.),
2. method for delivery of service (e.g., small group, one-to-one, tutoring, etc.),
3. when the service is provided (i.e., during the school day, before or after school, Saturday, etc.).

Name of Academic Intervention Services (AIS)	Description
ELA	Identified students in all grades will be provided with AIS services in ELA instruction during the school day by classroom teachers, educational para professionals, SETTS teacher and guidance counselor. The results from Teachers' College Assessments, Acuity Words Their Way (extended day), Raz Kids, Rigby Reads, Intervention by Design, Learning A-Z and Uptown Education online will be utilized to develop a repertoire of ELA strategies and activities for tutoring small student groups.
Mathematics	Identified students in all grades will be provided with AIS services in mathematics instruction during the school day by classroom teachers, educational para professionals, SETTS teacher and guidance counselor. The results from pre and post assessments from Larson Math (extended day), uptown Education online, Math playground and Math Live will be utilized to develop a repertoire of mathematics strategies and activities for tutoring small student groups.
Science	Identified students in grades 4-5 will receive small group and one to one intensive instruction as needed by classroom teachers, educational para professionals, SETTS teacher and guidance counselor. Activities will include: <ul style="list-style-type: none"> • test prep • one to one conferences during science class • individual student tutoring, • hands-on activities • activities from the "solar one" program. • Differentiated instruction according to student needs
Social Studies	No students identified for AIS in social studies.
At-risk Services provided by the Guidance Counselor	<ul style="list-style-type: none"> • Small group counseling • 1:1 counseling

	<ul style="list-style-type: none"> • Mediation services • Home visits • Ongoing intervention with agencies and community resources. • Assistance for students/families living in shelters • Confronting family/school issues (programmatic events).
At-risk Services provided by the School Psychologist	<ul style="list-style-type: none"> • Informal projective measures and child interviews • Referrals to SIMH • Outside referrals • Parent outreach
At-risk Services provided by the Social Worker	<ul style="list-style-type: none"> • Parent –child referrals to outside counseling agencies • Consultation with Early Intervention Agencies- SSI and ACS. • Involvement in food pantries, clothing drives and job fairs • Referrals to housing and Health Department • Follow-up medicals for students referred for evaluation
At-risk Health-related Services	<ul style="list-style-type: none"> • Six week open airways classes in asthma, management for grade 3 students with asthma

**DIRECTIONS AND GUIDANCE FOR DEVELOPING OR UPDATING
THE PARENT INVOLVEMENT POLICY (PIP)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements.

The PIP should describe how your school will plan and implement effective parent involvement activities to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

PARENT INVOLVEMENT POLICY (PIP) TEMPLATE

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. P57R will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community;

P57R's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, P57R will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to schools to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in our Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;

- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

P57R will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- hosting events to support, men asserting leadership in education for their children. parents/guardians, grandparents and foster parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand;

P57R SCHOOL-PARENT COMPACT

P57R, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

I. P57R School Responsibilities

P57R will provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

P57R will support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;

- convening an Annual Title I Parent Meeting prior to December 1st of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

P57R will provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

P57R will provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering will all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;
- The administration and staff of PS 57 are committed to making parents feel wanted when they come to school by:
 - Maintaining and "Open Door" policy.
 - Smiling and making parents feel welcome and appreciated when they come to school.
 - Conducting tours of school, in small groups so parents can learn about school programs.
 - Keeping a list of parent volunteers and encouraging parents to volunteer (Learning Leaders).
 - Contacting new parents and conducting orientation for them.
 - Soliciting parent ideas/interests.
 - Soliciting parent volunteers for SLT.
 - Having staff available to answer parent questions and provide direction when parents register their children.

- Holding meetings at various times of the day to encourage broader parent participation.
- Providing parents with a Parent handbook.
- Having staff and administrators attend PTA meetings.
- Communicating with parents in a positive manner.

II. P57R Parent/Guardian Responsibilities:

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. P57R Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

RESPONSE PLAN FOR SCHOOLS IN NEED OF IMPROVEMENT (SINI)

School DBN: 31R57 **School Name:** Hubert H. Humphrey

Note: For below, your state differentiated accountability phase, category, and intervention can be found in columns L, M and N on the SINI School spreadsheet linked in the Principals' Portal.

Phase: Improvement Year 1 Improvement Year 2 Corrective Action Year 1 Corrective Action Year 2
 Restructuring Year 1 Restructuring Year 2 Restructuring Advanced

Category: Basic Focused Comprehensive

Intervention: School Quality Review (SQR) External School Curriculum Audit (ESCA)
 Joint Intervention Team visit (JIT) Not Required for 2011-2012

Part A: For All SINI Schools (Title I and non-Title I)

1. For each area of school improvement identification, describe the school's findings of the specific academic issues that caused the school to be identified. For schools in Improvement that underwent an SQR, ESCA, or (JIT) during the 2010-11 school year, please include the findings from that process in your response for this section.

The school did not make the AYP in ELA and Math on 2010-11NYS ELA and math standardized exams grades 3-8, all SWD, Black, Hispanic, LEP and ED. As a result, for 2011-12, PS 57 has been identified by The New York State Education Department as being in need of improvement (SINI) under the federal No Child Left Behind Act and the State's Differentiated Accountability system as follows:

- Accountability phase – corrective action year 1.
 - Accountability category – comprehensive
 - Accountability measures and subgroups – 3-8 ELA, 3-8 mathematics, all SWD, Black, Hispanic, LEP and ED.
2. Describe the intervention(s) the school will implement to support improved achievement in the grade and subject areas for which the school was identified.
 - All teachers will instruct students in literacy in identified sub groups utilizing the TCRWP Literacy Program and the Every Day Mathematics program in accordance with Common Core Standards.
 - Literacy Coach and supervisors will review student data folders to ensure flexible grouping of students in identified sub groups for literacy.
 - School will conduct instructional support programs in literacy and mathematics after school, Saturday and recess periods for identified sub groups.
 - Technology will be used to promote literacy and mathematics development.
 - Results from the Acuity and Periodic Assessments administered three times a year will be used to guide instruction and to formulate instructional strategies consistent with the TCRWP Literacy Program and the Every Day Mathematics program.
 - SINI funds will be used to hire an F-Status teacher to provide instruction in a pull-out setting to all students in identified sub groups in ELA and mathematics.
 - SINI funds will be used to purchase instructional materials and supplies to support pull out instruction provided by F-Status teacher (up to 10% of allocation).

Part B: For Title I SINI Schools Only

1. As required by NCLB legislation, a school identified for school improvement must spend not less than 10 percent of its Title I funds for each fiscal year that the school is in school improvement status for professional development. The professional development must be high quality and address the academic area(s) identified. Describe how the 10 percent of the Title I funds for professional development will be used to remove the school from school improvement.

Title 1 10% professional development set aside was used to hire a Coach who also serves as a staff developer. The Coach provides ongoing professional development to address the identified academic areas. SINI funds will also be used for professional development in literacy by outside consultants

2. Describe the teacher-mentoring program that will be incorporated as part of the school's strategy for providing high-quality professional development.

All current staff is highly qualified. Newly selected staff that isn't highly qualified will receive mentoring from the coach, assistant principals and on site TC staff developer as part of the school's professional development plan. Assistant principals who now have access to the [Mentor Tracking System](#) (MTS) will perform all administrative tasks associated with assigning and managing mentors

3. Describe how the school will notify parents about the school's identification for school improvement in an understandable and uniform format and to the extent practicable, in a language that the parents can understand.

Letters will be sent to parents informing them of the school's SINI status in an understandable and uniform format in a language that parents can understand with a tear-off on the bottom of the letter for parents to sign and return to the school. Classroom teachers collect returned tear-offs to keep on file and the parent Coordinator will contact parents' of students who have not returned tear-off to confirm that letter has been received and request that the parent return the signed tear-off. Additionally, school status will be discussed at monthly PTA and PAC meetings and Parent Coordinator will conduct a parent workshop re: school's status. The principal will sign and return the attestation form certifying parental notification.

**OFFICE OF ENGLISH LANGUAGE LEARNERS
GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM
2011-12**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This LAP form, an appendix of the CEP, also incorporates information required for CR Part 154 funding so that a separate submission is no longer required. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, hold your cursor over the [?](#).

Part I: School ELL Profile

A. School Information [?](#)

Total number of students in school	696	Total Number of ELLs	64	ELLs as share of total student population (%)	9.20%
------------------------------------	------------	----------------------	-----------	---	--------------

Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [[see tool kit](#)].)
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
5. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
6. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. 

Paste response to questions 1-6 here

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which include the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate the ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).

1 a. Our school uses a multi-step procedure for identifying ELL's.

- At enrollment, trained office personnel, ESL Teacher, guidance counselor, Math coach and literacy coach are the designated greeters meet the parents and help them fill out the The Home Language Identification Survey Forms.-

- If there is a parent/guardian who needs support in a language other than what we have accommodations for, we contact the translation and interpretation unit, who then conducts the informal oral interview by phone or sends an interpreter.

1 b. the pedagogues responsible for conducting the informal oral interview are as follows:

Irene Lepek- Licensed and certified ESL Teacher fluent in Spanish

Alaka Das - Licensed and certified Math Coach fluent in Hindi and Urdu

Elaine Gregorio- Licensed and certified Guidance Counselor

Christine Cusick - Licensed and certified Literacy Coach

- Once the staff collects the HLIS from the parents, the ESL teacher determines which student are eligible for LAB-R testing. This is based on how many times a second language is mentioned on the home language form. a second language must be mentioned more than three times. After this, the School's Student Accounting Secretary, Renee Kelly, enters the information and language in ATS.

- Within ten days of entering in the NYC school system, the student is administered the LAB-R, which is the formal initial assessment. This test is administered by the licensed and certified ESL teacher at our school, Irene Lepek.

- To ensure completion of testing within the ten days, ATS generates a list of eligible students for LAB-R testing. This list is generated every Monday through the Principal's Weekly.

- The ESL teacher is responsible for keeping accurate and updated list of all students who have been tested. She keeps a record of the testing dates on file in the ESL room at our school. If a student does not pass the LAB-R, that student is given LAB spanish version if applicable.

1 c. As soon as the NYSESLAT scores are available, the licensed and certified ESL teacher evaluates the scores and determines the grouping of students according to levels of proficiency: B(Beginning)-I(Intermediate), A (Advanced) & P(proficient). (The proficient students receive support for the next two years).

- This score determines the amount of minutes scheduled according to CR Part 154. The ESL teacher coordinates the schedule and shares the scores to the student's classroom teacher. This student will become an ELL, receiving services until they test out with the NYSESLAT, which is given in the spring of each school year.
- The following steps are taken to ensure all ELL's are eligible to take the New York State English as a Second Language Achievement Test:
 - In the Spring, each ELL is administered the NYSESLAT to determine the level of English proficiency. This test determines whether or not the student continues to qualify for the ELL services.
 - The testing co-ordinator (Kristine Cusick) generates the ATS report(RLER) to determine the students eligibility to take the NYSESLAT.
 - The ESL teacher receives the testing materials and prepares the tests. The materials are sorted into the four components of the NYSESLAT. The four components are Speaking, Listening, Reading and Writing. The teachers who administer the tests are Judith Ventura (Bilingual Spanish Teacher), Carolyn Reid(Bilingual Spanish teacher), Marie Pugliese(Bilingual Spanish Teacher) and Irene Lepek(ESL Teacher). The rooms are prepared for testing according to State guidelines- covering wall with print. Testing modifications are aligned with the IEP mandates. When the test is finished , they are packed and sent to the State by the testing coordinator.

2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.

- Our school has structures in place that ensure parents understand all program choices. Parents of ELLs initially receive a letter inviting them to an orientation meeting in their native language. The orientation meeting is given by the licensed and certified ESL teacher explaining what is available at our school.
 - At this meeting, the New York City video is presented in their native language explaining all the program choices.
 - Parent Coordinator works closely with ELL supervisors and staff to coordinate school events for ELL Parents. Parent Survey and Program Selection forms are filled out in their native language.
 - Finally, the parent coordinator works closely with parents to inform them of the programs available for the ELL parents at our school. Invitation for these programs are translated and sent home. These meetings are on an ongoing basis throughout the year. At PS 57, we have the Parent Outreach program for the ELL's called the Saturday Excel program. Parents learn how to speak, read and write English while their children are getting formal instruction in English in another classroom.
 - If a parent is unable to attend the orientation meeting, forms such as the parent selection and parent choice forms are sent home with the ELL student. These forms are attached to the Home Language Form that are placed in the student's cumulative folder. This information is also entered in ATS Parent Choice Screen.
 - The ESL teacher makes copies of all these forms and keeps them in the ESL room on file.

3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs) is Transitional Bilingual Education as per CR Part 154 {see tool kit}).

The licensed ESL teacher is responsible for the entitlement letters. She distributes the letters individually to the ELL's in English and their Native Language translation. If the forms are not returned, the default program is Transitional Bilingual. The forms are evaluated, filed, and kept with the ESL teacher in an information binder.

- The ESL teacher is responsible for Parent Survey and program selection forms. These letters are distributed during the parent orientation meeting after the parent orientation video is shown. The video is shown in the Native Language of the parent or guardian. All forms are translated into the Native language. If a parent does not show up for the meeting, the ESL teacher makes a phone call explaining the parent selection form. The forms are sent home. Two copies are made- one copy is attached to the HLIS and kept in the student's cumulative folder and the other copy is kept on file in the ESL room.

4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs;

description must include: **This school serves the following grades (includes ELLs and EPs)** in activities with parents in their native language. **6 7 8 9 10 11 12**
 Our school has **Check all that apply** bilingual Spanish classes. The procedure followed to place students in these classes is determined by the Committee on Special Education and the School Assessment Team. Public School 57 has a pull-out ESL

instructional program that serves 29 ELL's. Parents are informed of their choices during the parent orientation meetings held throughout the year for new incoming students.

- Placement letters are distributed during the orientation meeting by the ESL teacher. These letters are kept on file in the ESL classroom.
- Continued entitlement letters are distributed each year on an individual basis. The ESL teacher distributes the letters to the students for informative choice and parent signature. If the letter is not returned to the ESL teacher, she follows up with a phone call home. If a translator is needed, she will contact the translation and interpretation unit and they will make the phone call home.
- These forms inform the parents of the programs that are available(ESL, TB, or DL)at our school. If the programs change, they would be notified.

5. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers).

After reviewing the Parent Survey and Program Selection forms for the past year, the trend in program choice is Bilingual Transitional. The Transitional Bilingual Spanish program that we have in our school is according to IEP mandates. So far this year (2011-2012) we have 10 new ELL's. Seven selected bilingual and they were placed in the Special Education 12:1:1 Bilingual Spanish class, according to their IEP. The remaining 3 students requested the free-standing ESL. The continuing 26 ELLs students (parent permission and program selection forms) reflect the majority program choice is the ESL free-standing program. Twelve parents selected ESL, and fourteen parents selected the Bilingual Transitional Program in the initial Parent Choice Forms.

- If the ESL trend changes and our numbers increase, then our school would provide bilingual classes. The present data indicates three parents requested ESL and those three students are receiving ESL classes. Seven new Kindergarten parents requested the Bilingual Spanish Special Education (12:1:1) program and they are receiving it.

6. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway.

Yes. The program models offered at our school are aligned with parent request. Parent orientation forms, continuing permission slips, and parent selection forms are evaluated and documentation is kept in student cumulative folder and copies are kept with the ESL teacher. Our school complies with parental choice based on continuing permission slips. Our school only offers ESL freestanding. If the numbers of parent selection continues to grow, bilingual classes will be created. Students with disabilities are in bilingual, spanish, special education classes.

- Using parent information as well as maintaining and storing it, ensures that the parent choice is being honored. It also ensures that parents are playing an active role in ELL program planning and designing.
- Each Spring, ELL's are re-tested to evaluate their English proficiency using the new NYSESLAT. Our school notifies parents of the test outcomes and program eligibility prior to the beginning of the next school year. ELL's who continue to score below a certain level of English proficiency continue to be entitled to ELL services. Parents of ELL's in Bilingual Spanish Education Programs can decide whether or not their child should continue, despite entitlement status. Also students who transition to all English monolingual classes can receive bilingual or ESL support for up to two years.

Part III: ELL Demographics

A. ELL Programs

This school serves the following grades (includes ELLs and EPs)
Check all that apply

K* 1* 2* 3* 4* 5*
6● 7● 8● 9● 10● 11● 12●

This school offers (check all that apply):

Transitional bilingual education program	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>	If yes, indicate language(s): Spanish Special Education
Dual language program	Yes <input type="checkbox"/> No <input checked="" type="checkbox"/>	If yes, indicate language(s):

Provide the number of classes for each ELL program model at your school. For all-day programs (e.g., Transitional Bilingual Education, Dual Language, and Self-Contained ESL), classes refer to a cohort of students served in a day. For push-in ESL classes, refer to the separate periods in a day in which students are served. Departmentalized schools (e.g., high school) may use the self-contained row.

ELL Program Breakdown														
	K	1	2	3	4	5	6	7	8	9	10	11	12	Total #

Part IV: ELL Programming

A. Programming and Scheduling Information

1. How is instruction delivered?
 - a. What are the organizational models (e.g., Departmentalized, Push-In [Co-Teaching], Pull-Out, Collaborative, Self-Contained)?
 - b. What are the program models (e.g., Block [Class travels together as a group]; Ungraded [all students regardless of grade are in one class]; Heterogeneous [mixed proficiency levels]; Homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.
4. How do you ensure that ELLs are appropriately evaluated in their native languages?
5. How do you differentiate instruction for ELL subgroups?
 - a. Describe your instructional plan for SIFE.
 - b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs.
 - c. Describe your plan for ELLs receiving service 4 to 6 years.
 - d. Describe your plan for long-term ELLs (completed 6 years).
6. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic

A. Programming and Scheduling Information

content areas and accelerate English language development?

7. How does your school use curricular, instructional, and scheduling flexibility to meet the diverse needs of ELL-SWDs within the least restrictive environment?

Paste response to questions 1-7 here

1. How is instruction delivered?

a. What are the organizational models (e.g., Departmentalized, Push-In {Co-Teaching}, Pull-Out, Collaborative, Self-Contained)? If pull-out, specify the length of time, group, and plans for moving these students into a push-in model.

b. What are the program models (e.g., Block {Class travels together as a group}; Ungraded {all students regardless of grade are in one class}; Heterogeneous {mixed proficiency levels}; Homogeneous {proficiency level is the same in one class})

Our school has a freestyle, pull-out ESL program servicing 29 ELLs. Beginning and Intermediate ELLs receive 360 minutes per week during the school day as required under CR Part 154. Advanced students receive 180 minutes per week during the school day. The program services Beginning, Intermediate and Advanced students in four 72 minute blocks per day, 5 days a week. These blocks are mixed proficiency (Beginning, Intermediate and Advanced) and mixed grade levels. One block is kindergarten and first grade. Another block is second and third grade. One block is fourth grade and one block is fifth grade. This would be a heterogeneous group of 8 – 10 students.

The Bilingual Spanish Special Education program is organized as a self-contained 12:1:1. There are three classes. There is a kindergarten and 1st class, a 2nd and 3rd grade, and a 4th and 5th grade class. These classes are heterogeneously grouped: Beginning, Intermediate and Advanced levels are placed together.

2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?

The school ensures that the mandated number of instructional minutes is provided according to proficiency levels in each program with schedules approved by the instructional specialist assigned to our school. It is achieved through a pull-out model. Beginning and Intermediate ELLs receive 360 minutes per week and Advanced ELLs receive 180 minutes per week of ESL instruction during the scheduled school day. The program services students in four 72-minute blocks. One 72-minute block each day for 5 days a week equals 360 minutes for the week. Every ELL receives their daily mandated minutes during the school day.

a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?

All schedules are in compliance with CR Part 154.

A. Programming and Scheduling Information

The freestanding ESL program at P.S. 57 is delivered in 100% English by our New York State licensed and certified ESL teacher. Common Core Language ESL standards are used to teach English in a content based cross curriculum format. Standard based instruction implemented in all four language skills: reading, writing, listening and speaking. The following scaffolding techniques are used: modeling, bridging, schema building, text representation, metacognition, and self-assessment with rubrics. These techniques prepare students to pass the NYSESLAT. Academic language development in content areas is implemented.

Native Language Arts is implemented in the three self-contained Bilingual Spanish Special Education classes. These classes follow the Transitional Bilingual New York State mandates delivered by New York State licensed and certified teachers. Content areas are delivered bilingually. There is 45 minutes daily of NLA.

3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.

Content areas are delivered in each program model daily. The ESL program addresses Language Standards as per the Common Core Standards. Instruction is presented in a cross curriculum format. Standard based ESL instruction is implemented in all four modalities and language skills: reading, writing, listening and speaking. Methods used to make content comprehensible include scaffolding techniques such as: modeling, bridging, schema building, contextualization, text representation, and self-assessment. Instruction is differentiated by language proficiency level and grade level.

The Bilingual program addresses Language Standards as per the Common Core Standards for Native Language Arts in Native Language Spanish Instruction. English is the language used in the ESL instruction that is implemented in all four modalities. Scaffolding techniques are used throughout all lessons. Instruction is differentiated by language proficiency level and grade level.

- The ESL program uses the Amazing English Integrated ESL curriculum by Addison Wesley to deliver instruction in content areas. This program is multi-cultural and activity centered. Content areas include Social Studies, Science, mathematics and Language Arts. Learning strategies used are : activating prior knowledge, creating graphic organisers, doing research, interpreting maps, problem solving, note taking skills, test taking skills and using imagery. The development of critical thinking skills include, brain storming, comparing and contrasting, classifying, sequencing, predicting outcomes, inferring, drawing conclusions and summarizing.

- The Bilingual Spanish program uses the Teachers College Reading and Writing program and Everyday Math Curriculum to meet the Common Core Learning Standards. The Teachers College reading and Writing program focusses on the fiction, nonfiction, realistic fiction, persuasive, memoirs and mysteries and Everyday Math covers all the domains of the Common Core learning Standards which includes, Numbers and Numeration, Algebraic Thinking, Fractions, Measurement and Geometry. For Social Studies we use manipulatives such as globes and maps. For Science we use demonstration of the topics.

- Children are encouraged to make connections between content area language and their native language.

4. How do you ensure that ELLs are appropriately evaluated in their native languages?

We ensure that ELLs are appropriately evaluated in their native languages by having the bilingual Spanish teachers evaluate the Spanish speaking ELLs.- programs such as AcuityAssessments, ELE and Earobics have a Native Language component.

5. How do you differentiate instruction for ELL subgroups?

a. Describe your instructional plan for SIFE

At this time we have one SIFE students. The plan is the same mandated minutes of instruction during the school day depending on the LAB-R score. It was Beginning, therefore the student receives 360 minutes a week of ESL instruction. There are centers set up in the classroom specific for the SIFE students including picture dictionary and Leveled books. The student receives additional instruction time in the after school program and help with homework needs. Aside from the daily curriculum a personal levelled library was created with listening books on tape.

Native Language Usage and Supports

The chart below is a visual representation designed to show the variation of native language usage and supports across the program models. Please note that native language support is never zero.

Native Language Usage/Support	Transitional Bilingual Education (TBE)
100%	
75%	
50%	

A. Programming and Scheduling Information

Students in US schools less than three years are considered newcomers. The newcomer receives the mandated instructional minutes during the school day according to the LAR-R score (Beginning and Intermediate = 360, Advanced = 180 minutes per week). The ESL teacher

8. Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
9. Describe your plan for continuing transitional support (2 years) for ELLs reaching proficiency on the NYSESLAT.
10. What new programs or improvements will be considered for the upcoming school year?
11. What programs/services for ELLs will be discontinued and why?
12. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
13. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?
14. How is native language support delivered in each program model? (TBE, Dual Language, and ESL)
15. Do required services support, and resources correspond to ELLs' ages and grade levels?
16. Include a description of activities in your school to assist newly enrolled ELL students before the beginning of the school year.
17. What language electives are offered to ELLs?

Paste response to questions 8-17 here

8 Describe your targeted intervention programs for ELLs in ELA, Math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the languages in which they are offered.

Our Bilingual Spanish self-contained classrooms are equipped with math and social studies text books in Spanish. These classes use Words Their Way word study program which differentiates instruction to the ELL population. The bilingual Spanish self-contained classes have an intervention program which includes Nuevas Aventuras, Mathematica Diarias, and Paso A Paso. The classrooms are enriched with leveled bilingual Spanish-English literature. These classes use Earobics for language development, Acuity for assessments.

All Bilingual Spanish self-contained classes, and classrooms that have ELLs have Smart boards. The teachers are in on-going Smartboard training throughout the year.

Our ESL classroom has a multilingual library including books in Spanish, Urdu and Chinese literature.

- Interventions for Math include - All grades are using the monitoring for the Common Core Skills. When the teacher finds a group of students or the entire class needs remediation in math concepts, the Math Coach- Alaka Das intervenes to provide support and enrichment for the teachers as well as the students in the form of academic intervention. Our school also has a Title III Saturday Morning Program that includes a math component which is conducted by the Math Coach. This program focuses on tutoring and reinforcing the math concepts for the ELL's.

- Interventions for the Social Studies include small group instruction in the classroom that focuses on developing skills such as geography, reading maps, making charts, cultural awareness and hands-on projects.

- Interventions for Science include one period a week with our certified and licensed Science specialist, Patricia Lockhard. Her interventions include small group instruction, hands-on experiments, smart board activities, trips to the pond next to our school to collect water specimens to test the water and animal life in the pond. We have an award-winning robotics team at our school where our science teacher has students including ELLs participate in making robots and competing against other schools in NYC.

9. Describe your plan for continuing transitional support (2 years) for ELLs reaching proficiency in NYSESLAT

Our ESL teacher continues the support for the students who have reached proficiency. These students receive time and a half for all tests for two years. They participate in all after school and Title III programs. The ESL teacher is in constant communication with the classroom teacher to offer support by suggesting the use and availability of the ESL materials and offering teaching techniques and strategies.

10. What new programs or improvements will be considered for the upcoming school year?

We are considering purchasing new software for the smart board in math and Literacy - NLVM (using the National Library of Virtual Manipulatives for math and Brainpop for Reading, Social Studies and Science) that will support and foster our ELL learners. We would like to continue with our ELL's Words Their Way program because it allows us to differentiate ELL's and special education students.

11. What programs/services for ELLs will be discontinued and why?

Currently we have no programs that are going to be discontinued.

12. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)

P.S. 57 uses Teachers College Reading Writing Program (TCRWP). Celena Larkey, is scheduled to provide ongoing professional development throughout the year for Special Education teachers and Teachers of ELLs. The schedule for the workshops are as follows:

September 16,2011 -

November 1, 7, 28

December 2

Jan 26,

Feb 1, 8, 14, 29

- Students in grades K-2 participate in "Shared Reading" in the Shared Reading Workshop. Students in grades 3 – 5 participate in "Conferencing." Professional Development is centered around supporting teachers with ELLs. PD focuses on the importance of supporting the struggling readers and differentiating instruction to meet the needs of the ELLs.

- In addition, the network has ongoing smart board training for our staff.
- Weekly planning sessions on monday afternoons will be extended to include all staff members that currently work with ELLs. This includes the Assistant Principals- Rhonda Calcagno and Karyn Lind, Common branch teachers and parent coordinator- Mrs. Ham. All constituencies meet to plan activities to meet the needs of ELL's and all our students. The Math Coach - Alaka Das and Literacy coach - Kristine Cusick also provide professional development to address the needs of all students including ELLs and students with disabilities.

2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?

Our school provides an orientation meeting at nearby I.S. 49 for the graduating 5th grade class. The students go to the middle school and are introduced to the school staff members. The 5th Grade graduation is held at IS 49.

The ELL compliance officer will provide training to the guidance counselor - Mrs Elaine Gregorio who will in turn provide training to all staff to assist the transition of ELLs. The guidance counselor will also work with the bilingual social worker - Mrs. Gladys McCormick, and the parent coordinator- Mrs Ham to reach out to the parents as they need assistance with the students.

3. Describe the minimum 7.5 hours of ELL training for all staff, other than those who hold ESL and bilingual licenses, as per Jose P.

All workshops are provided by the Network. The Network Senior ELL Compliance Performance Specialist send through e-mail, in the Principals Weekly, a list of free workshops that our teachers can attend throughout the city. Teachers register through the survey monkey.com.

- Records are maintained in the main office of our school. The school payroll secretary, Angela Ulsamer, keeps a copy of the workshop certificates in the teachers file. However, it is upto the teachers to update and maintain their records.

Our school has an adult ESL and GED program. This program is funded by the Staten Island YMCA and the Staten Island Foundation Family Outreach Center. There are two levels of ESL: one for Beginners and the other one for Advanced ESL. We also have a GED class. The GED class is for the parents that want to continue their education. These classes are conducted by our licensed and certified ESL and Bilingual teachers. The ESL classes work in conjunction with the Title III program, focusing on oral-language development.

In addition, our school TCRWP program has Literacy workshops for the parents. The workshops are ongoing throughout the year.Workshops include

September workshop - 'Support your child at home in Reading and Writing'

December workshop - 'Parents as Literacy Partners'

Springworkshop - " Preparing your child for Tests "

Our parent Coordinator has on-going workshops throughout the year. All parents get invitations translated in their Native Language.

1b. Our school has translators in Spanish, Hindi and Urdu. They translate all notices, flyers, letters and other information for the parents that go home. If notices are not returned, they are followed up with a phone call. If further translation is needed, Translation and Interpretation Unit is contacted.

1c. School Newspaper/Calendar is translated in Spanish every month and sent home . Parents are notified about the PTA meetings after school to participate in the school activities. Open School Week information is sent home to parents to visit and participate in the classroom activities during the school day. Parents are also invited to the Parent Teacher Conferences to meet and discuss their child's academic progress with their child's classroom teacher. Our school has the Family Math Night where all parents are invited to participate. If translation is needed in other languages then, the Translation and Interpretation Unit is contacted.

NYS CR Part 154 Mandated Number of Units of Support for ELLs, Grades K-8

	Beginning	Intermediate	Advanced
ESL instruction for <i>all</i> ELLs as required under CR Part 154	360 minutes per week	360 minutes per week	180 minutes per week
ELA instruction for <i>all</i> ELLs as required under CR Part 154			180 minutes per week
FOR TBE /DL PROGRAMS: Native Language Arts	60-90 minutes per day	45-60 minutes per day	45 minutes per day

NYS CR Part 154 Mandated Number of Units of Support for ELLs, Grades 9-12

	Beginning	Intermediate	Advanced
ESL instruction for <i>all</i> ELLs as required under CR Part 154	540 minutes per week	360 minutes per week	180 minutes per week
ELA instruction for <i>all</i> ELLs as required under CR Part 154			180 minutes per week
FOR TBE /DL PROGRAMS: Native Language Arts	45 minutes per day	45 minutes per day	45 minutes per day

Native Language Usage and Supports

The chart below is a visual representation designed to show the variation of native language usage and supports across the program models. Please note that native language support is never zero.

Native Language Usage/Support	Transitional Bilingual Education (TBE)
100%	

B. Programming and Scheduling Information--Continued

8. Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
9. Describe your plan for continuing transitional support (2 years) for ELLs reaching proficiency on the NYSESLAT.
10. What new programs or improvements will be considered for the upcoming school year?
11. What programs/services for ELLs will be discontinued and why?
12. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
13. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?
14. How is native language support delivered in each program model? (TBE, Dual Language, and ESL)
15. Do required services support, and resources correspond to ELLs' ages and grade levels?
16. Include a description of activities in your school to assist newly enrolled ELL students before the beginning of the school year.
17. What language electives are offered to ELLs?

Paste response to questions 8-17 here

8 Describe your targeted intervention programs for ELLs in ELA, Math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the languages in which they are offered.

Our Bilingual Spanish self-contained classrooms are equipped with math and social studies text books in Spanish. These classes use Words Their Way word study program which differentiates instruction to the ELL population. The bilingual Spanish self-contained classes have an intervention program which includes Nuevas Aventuras, Mathematica Diarias, and Paso A Paso. The classrooms are enriched with leveled bilingual Spanish-English literature. These classes use Earobics for language development, Acuity for assessments.

All Bilingual Spanish self-contained classes, and classrooms that have ELLs have Smart boards. The teachers are in on-going Smartboard training throughout the year.

Our ESL classroom has a multilingual library including books in Spanish, Urdu and Chinese literature.

- Interventions for Math include - All grades are using the monitoring for the Common Core Skills. When the teacher finds a group of students or the entire class needs remediation in math concepts, the Math Coach- Alaka Das intervenes to provide support and enrichment for the teachers as well as the students in the form of academic intervention. Our school also has a Title III Saturday Morning Program that includes a math component which is conducted by the Math Coach. This program focuses on tutoring and reinforcing the math concepts for the ELLs.

- Interventions for the Social Studies include small group instruction in the classroom that focuses on developing skills such as geography, reading maps, making charts, cultural awareness and hands-on projects.

- Interventions for Science include one period a week with our certified and licensed Science specialist, Patricia Lockhard. Her interventions include small group instruction, hands-on experiments, smart board activities, trips to the pond next to our school to collect water specimens to test the water and animal life in the pond. We have an award-winning robotics team at our school where our science teacher has students including ELLs participate in making robots and competing against other schools in NYC.

9. Describe your plan for continuing transitional support (2 years) for ELLs reaching proficiency in NYSESLAT

Our ESL teacher continues the support for the students who have reached proficiency. These students receive time and a half for all tests for two years. They participate in all after school and Title III programs. The ESL teacher is in constant communication with the classroom teacher to offer support by suggesting the use and availability of the ESL materials and offering teaching techniques and strategies.

10. What new programs or improvements will be considered for the upcoming school year?

We are considering purchasing new software for the smart board in math and Literacy - NLVM (using the National Library of Virtual Manipulatives for math and Brainpop for Reading, Social Studies and Science) that will support and foster our ELL learners. We would like to continue with our ELLs Words Their Way program because it allows us to differentiate ELLs and special education students.

11. What programs/services for ELLs will be discontinued and why?

Currently we have no programs that are going to be discontinued.

12. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your

 - 1b. Our school has translators in Spanish, Hindi and Urdu. They translate all notices, flyers, letters and other inforamtion for the parents that go home. If notices are not returned, they are followed up with a phone call. If further translation is needed, Translation and Interpretation Unit is contacted.
 - 1c. School Newspaper/Calendar is translated in Spanish every month and sent home . Parents are notified about the PTA meetings after school to particpate in the school activites. Open School Week information is sent home to parents to visit and particpate in the classroom activities during the school day. Parents are also invited to the Parent Teacher Conferences to meet and discuss their child's academic progress with their child's classroom teacher. Our school has the Family Math Night where all parents are invited to participate. If translation is needed in other languages then, the Translation and Interpretation Unit is contacted.

Part V: Assessment Analysis

A. Assessment Breakdown

Enter the number of ELLs for each test, category, and modality.

Chinese Reading Test								

B. After reviewing and analyzing the assessment data, answer the following

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How can this information help inform your school's instructional plan? Please provide any quantitative data available to support your response.
- What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
- How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions?
- For each program, answer the following:
 - Examine student results. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
 - Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
 - What is the school learning about ELLs from the Periodic Assessments? How is the Native Language used?
- For dual language programs, answer the following:
 - How are the English Proficient students (EPs) assessed in the second (target) language?
 - What is the level of language proficiency in the second (target) language for EPs?
 - How are EPs performing on State and City Assessments?
- Describe how you evaluate the success of your programs for ELLs.

Paste response to questions 1-6 here1. Describe what assessment tools your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How can this information help inform your school's instructional plan? Please provide any quantitative data available to support your response.

Additional Information

Please include any additional information that would be relevant to your LAP and would further explain your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

LANGUAGE TRANSLATION AND INTERPRETATION 2011-2012

CEP Appendix 7

Requirement under Chancellor's Regulations – for all schools

DBN: **31r057** School Name: **Hubert H. Humphrey**

Cluster: **6** Network: **609**

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

The data and methodologies used to assess the school's written translation and oral interpretation needs is determined by the Home Language Form given by the school secretary. The ESL teacher reviews the Home Language Form and determines the needs for translations.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

After reviewing the Home Language Forms most students need translation to Spanish. The information is given at the orientation meetings. Notices are sent home, phone calls are made home in the Native Language by bilingual staff members.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

All written translations are done in-house by school staff or parent volunteer. All school notices will be translated to the languages needed: (Examples: Information for orientation meetings; Parent-Teacher Meetings; Staff Development Days.)

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

All oral interpretation is done in-house by school staff or parent volunteer. Paraprofessionals and bilingual parents will be invited at times of open-school night to help with interpretation.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link:
<http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

Per Chancellor's Regulations A-663, we provide parents with a copy of the Bill of Parent Rights and Responsibilities which includes their rights regarding translation and interpretation services. We also provide written translation and oral interpretation in-house by school staff or parent volunteers.

2011-12 Comprehensive Education Plan (CEP): Appendix 8

Title III Supplemental Program for ELLs

Directions: Title III supplemental services for ELLs must include all of the following three components:

- **Direct instruction:** activities must be used to support language development, English and native language instruction, high academic achievement in math, and/or other core academic areas.
 - The Title III supplemental instructional services must be based on student need
 - These supplemental services should complement core bilingual and ESL services required under CR Part 154.
 - Direct supplemental services should be provided for before school, after school, and Saturday programs as well as reduced class-size, and/or push-in services.
 - Teachers providing the services must be certified bilingual education and/or ESL teachers.
- **High quality professional development** that is “of sufficient intensity and duration to have a positive and lasting impact on the teachers’ performance in classrooms.”
 - Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement** and supports must ensure that there are appropriate translation and interpretation services to meet community needs.
 - These are in addition to mandated activities, such as parent orientation during ELL identification process.

For more information on Title III requirements, please see the School Allocation Memo or contact your ELL Compliance and Performance Specialist.

Part A: School Information	
Name of School: Hubert H. Humphrey	DBN: 31R057
Cluster Leader: Jose Ruiz	Network Leader: Debra Van Nostrand
This school is (check one): ✱conceptually consolidated (skip part E below) ●NOT conceptually consolidated (must complete part E below)	

Part B: Direct Instruction Supplemental Program Information
The direct instruction component of the program will consist of (check all that apply): ●Before school ✱After school ●Saturday academy ●Other:
Total # of ELLs to be served: 64 Grades to be served by this program (check all that apply): ✱K ✱1 ✱2 ✱3 ✱4 ✱5 ●6 ●7 ●8 ●9 ●10 ●11 ●12
Total # of teachers in this program: 25 # of certified ESL/Bilingual teachers: 1 # of content area teachers: 0

Part B: Direct Instruction Supplemental Program Information

Describe the direct instruction supplemental program here and include the

- rationale
- subgroups and grade levels of students to be served
- schedule and duration
- language of instruction
- # and types of certified teachers
- types of materials

Begin description here:

PS 57 services its English Language Learners in English and Bilingual Spanish during the regular school day. Supplemental Programs after school and Saturday are in English only. This is in compliance with parental choice. This year we have identified 64 ELL's. Thirty six receive Special Education Bilingual Spanish and 28 receive ESL services. Our bilingual spanish and ESI programs and curriculum are fully aligned with grade level curricula in literacy, mathematics, and other content areas. ESL and bilingual teachers implement the methodology of Teacher's College Reading and Writing Project. Additionally, teachers are using InfoPairs and Safari magazines for small group instruction and "Let's Talk About it" materials for shared reading and oral language development. Our ELL's fully participate in the reading and writing workshop taught by classroom teachers. Those that are newly arrived and identified are pulled out every day for ESL instruction for the beginners. To improve mathematics, our ELS teacher and bilingual teacher use a variety of materials such as bilingual glossaries, picture dictionaries, classroom word walls, and activating prior knowledge to help their students. We provide additional academic support for ELL's in the after school ELA/Math program and in Saturday Excel/Title III. To improve English Literacy Skills, in addition to ESL and bilingual teachers, all subject and classroom teachers use graphic organizers for vocabulary and content development, visual aids, picture and bilingual dictionaries, and leveled books. Native language is used in the bilingual Spanish class in accordance to mandated minutes in C.R. part 154. The ESL room has a supplemental library of books and resources in Chinese and Urdu for the students to use. Classroom teachers allow beginners to write in their native language to observe for stamina and fluency. High expectations for all students, including ELL's, are part of of the rigorous academic program; our ELL'S are held to the same high standards and expectations. Because all of or ELL's take standardized exams a year after arrival to the USA, they also participate in test preparation programs during extended day and during regular school hours.

To assure success for our LEP students, we use Title III funds to provide supplemental servces that help them in English Language acquisition and learning. They are: Saturday Excel and Title III. Saturday Excel and Title III Saturday Programs are scheduled for 17 sessions/3hours a session. Two teachers will be funded with Title II LEP funds. 2 teachers and a supervisor will be funded with school funds. All teachers are certified common branch, one teacher is ESL licensed and certified. The programs service K-5. Saturday Excel is learning through the arts. The Title III component includes an ESL teacher focusing on developing language literacy and oral skills. A math specialist focusing on developing math skills. Our school also has an SES afterschool program. K-2 is held on Monday and Wednesday for 2 hours a session, totaling 65 hours. Grades 3-5 is held on Tuesday and Thursday for 2 hours a session, totaling 65 hours. A total of 20 teachers work for this program. All teachers are certified common branch teachers and there is one teacher with ESL certification. This program is funded by federal money. All ELLs are included in participation.

Part C: Professional Development

Part C: Professional Development

Describe the school's professional development program for Title III Program teachers as well as other staff responsible for delivery of instruction and services to ELLs.

- rationale
- teachers to receive training
- schedule and duration
- topics to be covered
- name of provider

Begin description here:

High quality professional development that is in depth and on going is part of our annual PD plan. Furthermore, we provide professional development in teaching ESL strategies for the whole staff so it has positive and lasting impact on the teachers' performance in the classroom. PS 57 has participated in on going professional development that targets teaching English Language Learners. PS 57 has led a 3 year long staff development on teaching ELLs. Teachers have participated in study groups and labsites that meet several times a year where they look at student data tools and discuss theory and practicum in the classroom. As in the past year, the school's professional development for the delivery of instruction and services to limited English proficient students will continue by implementing TC methodology by classroom teachers. We will continue our study and data analysis for ELLs and their implications for instruction. The ESL teacher will work closely with lower and upper grade teachers and will provide them with specific strategies for teaching ELLs. The ESL teacher will participate in professional development offered by the CFN. Because we service ELLs and former ELLs, the on going professional development has been provided for new teachers by their mentor and Literacy Coach, Krisitne Cusick. It is our practice that every year all teachers receive professional development in teaching ELLs and former ELLs from the TC staff developer and our Literacy Coach. On going professional development and support are provided for the entire faculty year long by the principal, assistant principals, and the literacy coach.

Part D: Parental Engagement Activities

Describe the parent engagement activities targeted toward parents of ELLs that will impact higher achievement for ELLs. NOTE: These are in addition to mandated activities, such as parent orientation during ELL identification process.

- rationale
- schedule and duration
- topics to be covered
- name of provider
- how parents will be notified of these activities

Begin description here:

There are 64 ELLs enrolled in our school this year. We extend our parent involvement to their parents and families to ensure their full engagement in the educational process. In addition to mandated services, we meet with the identified families during our Open Houses in September and Open Door in October. The Open House is designed to provide the parents with opportunities to learn about the curriculum and meet with their child's teacher. ESL teachers are always available to discuss the ESL curriculum and to provide additional information for the parents. Parent workshops are given several times a year. Translators are present for any parent who needs translation. Our parent coordinator also provides on going parent workshops throughout the year. All parents are included. Our report cards keep the parents informed about school expectation and benchmarks students have to meet.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III budget matches your Title III Plan.

Allocation Amount: \$0

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
