SCHOOL LEADERSHIP TEAM (SLT) SIGNATURE PAGE

Use this page to identify SLT members and confirm their participation in the development of this Comprehensive Educational Plan (CEP), which includes goals and action plans, a summary of Academic Intervention Services, and the Parent Involvement Policy. The signatures of SLT members indicate their participation in the development of the CEP and serve as confirmation that consultation has occurred to align funding in support of educational programs. The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with the Chancellor’s Regulation A-655, available on the [NYC DOE Web site](#).

Directions:

1. List each SLT member in the left-hand column on the chart below. Specify any position held by the team member, e.g., Chairperson, SLT Secretary and the constituent group represented, e.g., parent, staff, student, or CBO. Core mandatory SLT members are indicated by an asterisk*.
2. Ensure that SLT members review this document and sign in the right-hand column in blue ink. If an SLT member does not wish to sign this plan, he/she may attach a written explanation in lieu of his/her signature.
3. Add rows as needed to ensure that all SLT members are listed.
4. The original copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

DIRECTIONS AND GUIDANCE FOR COMPLETING THE ANNUAL GOALS AND ACTION PLAN SECTION

The CEP goal-setting process serves both to support the identification and implementation of school-wide goals as well as to document how your school is meeting Federal, State, and City regulations.

As a result of principal feedback on this process, the CEP has been significantly streamlined to reduce the amount of time spent fulfilling requirements and to allow schools to focus on goal-setting and instructional priorities. The goal and action plan section, contained on pages 4 through 8 of this template, now serves as the central work of the CEP process and reflects a consolidation of numerous CEP requirements from prior years.

Below you will find guidance on documenting annual goals and action plans.

WHICH SCHOOLS NEED TO COMPLETE THIS?

- All schools should identify and submit annual goals and action plans in consultation with their School Leadership Team.

HOW DO CEP GOALS RELATE TO GOALS SET FOR THE PRINCIPAL PERFORMANCE REVIEW (PPR)?

- CEP goals are generally intended to guide school-wide planning and development. CEP goals may be adapted from goals set by the principal for the Principal Performance Review (PPR) if they are appropriate for use as school-wide goals.

HOW SHOULD A SCHOOL DEVELOP ITS GOALS AND ACTION PLANS?

- Your school should identify a minimum of three and a maximum of five annual goals.
- Goals should be “SMART” - specific, measurable, achievable, realistic, and time-bound.
- Goal development should be based on an assessment of your school’s needs.
- Your school should demonstrate the use of both qualitative and quantitative data in providing the rationale for each goal. Cite sources that contributed to the rationale, such as the Progress Report, Quality Review, School Survey, State Differentiated Accountability report (SQR, ESCA, or JIT), state and school assessment results, attendance records, inquiry team work, etc.
- Each goal and action plan requires your school to cite the strategies and activities in your Parent Involvement Policy (PIP) that will be implemented to achieve the goal identified. The PIP template is provided on pages 11 through 15. Your school is encouraged to use the template as it is provided, or align it in accordance with your school’s goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to respond to the parental involvement section of each goal and action plan.
- Schools designated as Improvement, Corrective Action, Restructuring, and/or PLA/SURR by the New York State Education Department must identify a goal and complete an action plan related to improving student outcomes for the specific subject area and subgroups identified for improvement. For each subject area identified, a goal and action plan is required.

ANNUAL GOAL #1 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #1

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

By June, 2012, the percentage of ELL students and Students with Disabilities achieving a level 3 or 4 on the NYS ELA exam in April, 2012 will increase by 10%.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

We did not meet AYP for Students with Disabilities for two consecutive years as evidenced on our 2010 School Report Card and 2010-11 School Progress Report. This caused us to become a School in Need of Improvement for this school year. Additionally, our ELL students did not make AYP in ELA in 2010.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

Strategies/activities

Students will be provided small group pull-out/push-in academic intervention instruction in a small group setting.

Students will be offered a Saturday Academy for small group instruction using targeted, research based intervention programs.

Professional Development: PD will be given on the following topics: Interim formative/summative assessments to monitor and revise curriculum; writing of tasks and rubrics using the language of the CCLS to provide specific feedback to students regarding their progress, use of student data to plan and set goals; further development of inquiry teams of teachers; specific ICT teaching models and best practices.

Students are offered Academic Intervention by certified teachers using a research-based intervention program.

Responsible staff members include: classroom teachers, staff developers, administrators, literacy and math consultants

Timeline: September 2011 through June 2012

Steps for Including Teachers in the decision-making process:

Teachers will meet in grade-level and cross functional teams to review student data gathered from periodic assessments.

Strategies to increase parental involvement

Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

- **ELA and ELL teachers will design and implement ELA workshops and information sessions for parents. The workshop materials will be translated**

and interpretation support will be provided in native languages whenever possible.

- The Parent Coordinator and other staff will attend regularly scheduled parent meetings to share information and respond to parent questions and inquiries.
- Parents will be provided passwords and training, if needed, on how to use the ARIS link and school website.

Strategies for attracting Highly Qualified Teachers (HQT)

Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff become highly qualified, in order to achieve this goal.

Mentors are assigned to support struggling teachers.

The administration works closely with the network HR support to identify any non-HQT meet all required documentation and assessment deadlines.

Supervisors attend citywide hiring fairs.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.

Food services provide free breakfast and lunch to all students in all grades throughout the school year.

Budget and resources alignment

- Describe the fiscal and human resources that will be used to achieve this goal, referencing specific FY'12 PS and OTPS budget categories (i.e., Title I, FSF, Title IIA, Title III, etc.) that will support the actions/strategies/activities described in this action plan.

As a Title 1 Schoolwide Program school, Conceptual Consolidation will allow us to combine Federal and local funds such as Fair Student Funding (Tax Levy), Title 1, Title III to implement this action plan from September 2011 to June 2012

Title 1, Title 3, Fair Student Funding, Contract for Excellence

ANNUAL GOAL #2 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #2

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

By June, 2012 student attendance will improve from 93.7% to 94.7%

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

Our 2011 Progress Report shows our yearly student attendance is 93.7%. This places us at the 37.5% of our peer group and 55.7% of the city.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,
 - c) steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - d) timeline for implementation.

An Attendance Committee was convened in September, 2011.

The Attendance Plan was written and implemented by the Attendance Committee.

Home of students who are late or absent are called on a daily basis.

Students receive 100% attendance certificates monthly.

Quarterly incentives for perfect attendance are given to students.

Strategies to increase parental involvement

- Cite the strategies and activities in your school's Title I Parent Involvement Policy (PIP) that will be implemented to achieve this goal. The PIP template is provided on pages 11 through 15 in this CEP.

A calling system is in place to call all parents of absent students on a daily basis.

Home visits are made by the Attendance Teacher.

Parents are called for students who are chronically late or absent.

Strategies for attracting Highly Qualified Teachers (HQT)

- Describe the strategies and activities that will be used to attract Highly Qualified Teachers, as defined by NCLB, or to ensure that current staff becomes highly qualified, in order to achieve this goal.

Supervisors attend citywide hiring fairs.

Service and program coordination

- Describe how Federal, State and local services, including programs supported under NCLB (i.e., violence prevention programs, nutrition programs, housing programs, Head Start) are being coordinated with the instructional strategies/activities to achieve this goal.

As a Title 1 Schoolwide Program school, Conceptual Consolidation will allow us to combine Federal and local funds such as Fair Student Funding (Tax Levy), Title 1, Title III to implement this action plan from September 2011 to June 2012

ANNUAL GOAL #3 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #3

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

By June, 2012, the percentage of Students with Disabilities achieving a level 3 or 4 on the NYS Mathematics exam in April, 2012 will increase by 10%

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students in relation to State academic content and student achievement standards.

We did not meet AYP for Students with Disabilities on the 2011 NYS Mathematics exam as evidenced on the 2011 School Report Card.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - a) strategies/activities that encompass the needs of identified student subgroups,
 - b) staff and other resources used to implement these strategies/activities,

ACADEMIC INTERVENTION SERVICES (AIS)

On the chart below, indicate the total number of students receiving AIS in each area listed for each applicable grade in your school.

Identified groups of students who have been targeted for AIS, and the established criteria for identification include:

- Students in Grades K – 3 who are considered at-risk for not meeting State standards as determined by their performance on ECLAS 2 or other identified assessments, or who have been identified as potential holdovers.
- Students in Grades 4 – 8 who are performing at Level 1 or Level 2 on New York State English language arts (ELA), mathematics, science, and social studies assessments.
- Students in Grade 9 who performed at Level 1 or Level 2 on NYS Grade 8 ELA, mathematics, science, and social studies assessments.
- Students in Grades 10 – 12 who scored below the approved passing grade on any Regents examination required for graduation in English language arts, mathematics, science, and social studies.

**DIRECTIONS AND GUIDANCE FOR DEVELOPING OR UPDATING
THE PARENT INVOLVEMENT POLICY (PIP)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements.

The PIP should describe how your school will plan and implement effective parent involvement activities to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

PARENT INVOLVEMENT POLICY (PIP) TEMPLATE

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. Our school will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community;

Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association, as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, our school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to schools to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in our Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;
- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

Our school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- hosting events to support ,men in asserting leadership in education for their children. le: parents/guardians, grandparents and foster parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand;

SCHOOL-PARENT COMPACT

Our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

I. School Responsibilities

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting prior to December 1st of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;

- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

II. Parent/Guardian Responsibilities:

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;

- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

RESPONSE PLAN FOR SCHOOLS IN NEED OF IMPROVEMENT (SINI)

School DBN: 11X083_____ **School Name:** Donald Hertz_____

Note: For below, your state differentiated accountability phase, category, and intervention can be found in columns L, M and N on the SINI School spreadsheet linked in the Principals' Portal.

Phase: Improvement Year 1 Improvement Year 2 Corrective Action Year 1 Corrective Action Year 2
 Restructuring Year 1 Restructuring Year 2 Restructuring Advanced

Category: Basic Focused Comprehensive

Intervention: School Quality Review (SQR) External School Curriculum Audit (ESCA)
 Joint Intervention Team visit (JIT) Not Required for 2011-2012

Part A: For All SINI Schools (Title I and non-Title I)

1. For each area of school improvement identification, describe the school's findings of the specific academic issues that caused the school to be identified. For schools in Improvement that underwent an SQR, ESCA, or (JIT) during the 2010-11 school year, please include the findings from that process in your response for this section.

Our school did not make Adequate Yearly Progress in English Language Arts for the subgroup of Students with Disabilities in the 2010-11 school year.

2. Describe the intervention(s) the school will implement to support improved achievement in the grade and subject areas for which the school was identified.

Academic Intervention Specialists on each grade level will meet with identified students in small groups in order to implement research-based programs that increase reading comprehension. Grade level teachers meet in teams to create CCLS aligned units of study with corresponding tasks that increase academic rigor across the grade. Professional development sessions focus on looking at student work in order to differentiate instruction for maximum student gains.

Part B: For Title I SINI Schools Only

1. As required by NCLB legislation, a school identified for school improvement must spend not less than 10 percent of its Title I funds for each fiscal year that the school is in school improvement status for professional development. The professional development must be high quality and address the academic area(s) identified. Describe how the 10 percent of the Title I funds for professional development will be used to remove the school from school improvement.

Professional development opportunities include sessions on effective curriculum mapping and unit planning as well as task writing and looking at student work. AIS teachers will receive training time on proper implementation of intervention materials.

2. Describe the teacher-mentoring program that will be incorporated as part of the school's strategy for providing high-quality professional development.

Coaches and staff developers model lessons and co-teach in areas where teachers express a need for support. In addition, coaches, staff developers and mentors facilitate weekly professional learning team meetings where academic planning analysis of student data, and sharing of best practices occurs.

3. Describe how the school will notify parents about the school's identification for school improvement in an understandable and uniform format and to the extent practicable, in a language that the parents can understand.

An official letter will be sent home to parents. In addition, the identification will be discussed at a Parent Association and School Leadership Team meeting as well as during Spring Test Information parent evening workshops.

GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM
2011-12**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This LAP form, an appendix of the CEP, also incorporates information required for CR Part 154 funding so that a separate submission is no longer required. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [[see tool kit](#)].)
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
5. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
6. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. 

Paste response to questions 1-6 here

1. Parents are administered the Home Language Identification Survey upon registration of their child into the school. Kathy Lanyi is the Pupil Accounting secretary who is responsible for administering the HILS to parents. ESL teachers Elaine Mandas and Rachel Roos are available to conduct the initial interview if needed. Additionally, translation in Albanian is provided by Raza Sinanaj, AIS teacher and Spanish translation is provided by Ida Gutterman, Literacy Staff Developer. Each is a native speaker of these languages. The HILS Surveys are completed by the ESL teachers. Students who are identified as potential ELLs are interviewed and administered the LAB-R within the ten day period by an ESL teacher. Each Spring ELL students are evaluated with the NYSESLAT. Students are tested by their ESL teacher, Ms. Roos Grades K-2, Ms. Mandas Grades 3-5 and Ms. Stinga Grades 6-8. The speaking portion of the exam is administered one on one. The listening, reading and writing parts of the test are administered in small grade level groups to ensure optimal outcomes.

2. Parents of newly identified ELL students are invited to attend an Orientation Meeting in the beginning of the school year. A letter of notification is sent home several times to parents. Present at the meeting are the ESL teachers and translators Ms. Sinanaj and Ms. Gutterman. Parents learn about the three program choices that the city offers ELL students. The Orientation Video provided by the NYC DOE is shown to parents explaining the three choices offered. Parents view the video in English and the language of their choice. The ESL teachers and translators assist parents with filling out the Parent Survey and Program Selection Form. Parents unable to attend the initial meeting are invited to come during Parent Teacher Conferences in November to view the video and fill out their Parent Survey and Selection Forms. Parents are also invited for one on one Orientation meetings which are scheduled by the ESL teacher their child has. Through our outreach efforts we hope to make contact with all parents of new ELLs in the mandated time

3. Entitlement letters are distributed each Fall by the ESL teachers. The letters are sent home to the parents of all ELL students. Parents are to sign and return the letter to the ESL teacher. The ESL teachers keep the signed Entitlement letters in the Home Language Survey Identification binder. A copy of each Entitlement letter sent home is also kept in a separate file. Parent Survey and Program Selection forms are given to parents at school and completed there. This ensures that they are accounted for and completed accurately.

4. Identified ELL students are placed into a class which contains a small group population of ELL students in it. Students are grouped by their ESL levels in these small groups. If a parent requests a bilingual program for their child, we make every effort to help find a school that accommodates them. Parents receive communication from the school in their native language when possible.

5. Upon review of the Parent Survey and Program Selection forms for the past few years we can see that the trend in program choice has been Freestanding ESL. In 2009-10 school year, 32 ELL students were admitted to the school. All forms submitted chose Freestanding ESL as the first choice. In the 2010-11 school year we had 26 new ELLs admitted to the school. All forms submitted chose Freestanding ESL as their first choice. In the 2011-12 school year we had 24 new ELLs admitted to the school. All forms submitted chose Freestanding ESL with the exception of one choice for a Dual Language Program and another for Bilingual Bengali.

6. Our program model is in alignment with parent requests.

Part IV: ELL Programming

A. Programming and Scheduling Information

A. Programming and Scheduling Information

1. How is instruction delivered?
 - a. What are the organizational models (e.g., Departmentalized, Push-In [Co-Teaching], Pull-Out, Collaborative, Self-Contained)?
 - b. What are the program models (e.g., Block [Class travels together as a group]; Ungraded [all students regardless of grade are in one class]; Heterogeneous [mixed proficiency levels]; Homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.
4. How do you ensure that ELLs are appropriately evaluated in their native languages?
5. How do you differentiate instruction for ELL subgroups?
 - a. Describe your instructional plan for SIFE.
 - b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs.
 - c. Describe your plan for ELLs receiving service 4 to 6 years.
 - d. Describe your plan for long-term ELLs (completed 6 years).
6. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?
7. How does your school use curricular, instructional, and scheduling flexibility to meet the diverse needs of ELL-SWDs within the least restrictive environment?

Paste response to questions 1-7 here

1a. Instruction is delivered through a push-in/pull-out model. The beginning and intermediate students are grouped into classes on grade levels by proficiency levels to enable the ESL teachers to provide pull-out services. The advanced students are grouped into classes together so that the ESL teacher can push-in to the classroom to provide support for content area instruction.

b. The program model uses homogeneous groups. Students are grouped according to their levels and grades for service. Beginner and Intermediate students are grouped together. Advanced students are grouped together to facilitate instruction at appropriate levels. When necessary, two consecutive grade bands are grouped together for service.

2. The ESL staff has been designated to service three grades each. Ms. Roos, Grades K-2, Ms. Mandas Grades 3-5 and Ms. Stinga Grades 6-8. This ensures all students get the mandated number of minutes. Beginner and Intermediate students are pulled out for small group ESL instruction. Advanced students receive service in the push-in model when possible or in a small group pull-out setting.

2a. Beginner and Intermediate students are scheduled to receive 360 minutes of ESL service a week. This service is given in eight 45 minute periods. Advanced students receive 180 minutes of ESL service a week. This service is given in four 45 minute periods a week.

3. All content area instruction is delivered in English in our ESL Program. To make content comprehensible to our ELL students ESL methodologies are used. For example, a Content Word Wall displays key words alphabetically. Word webs are used to link new vocabulary learned to concepts and words students know. Background is built before students learn about a new concept. Graphic Organizers are used to assist students in grasping a concept.

4. ESL teachers collaborate with the SBST to make sure that students who are ELLs are appropriately evaluated in their native language.

5a. SIFE students receive ESL instruction in a small group or one-on-one setting when possible to address the areas they are deficient in. In addition, they receive AIS services in collaboration with the ESL teacher to address their educational needs. Teachers use hands-on manipulatives and realia to connect concepts to the student's own life. Other services offered to the students are Saturday Academy, Peer Tutoring and Summer School.

5b. Instruction for newcomers is designed to accelerate ELLs acquisition of English to enable them to function successfully in grade level academics. Students in grades K-4 use the Sunshine Program by Scott Foresman that focuses on the acquisition of vocabulary, reading,

A. Programming and Scheduling Information

writing and phonetic skills. In grades 5-8 students use English,Now! by Lit Conn to address vocabulary development, phonemic awareness, pronunciation, reading fluency and writing. ESL methodologies are used including paraphrasing, partnering and graphic organizers. New for this year is the introduction of the program Rosetta Stone. Newcomers will work independently at there own pace to aquire English.

5c.Instruction for ELL students with 4-6 years of service includes a strong focus on the development of academic language proficiency, reading comprehension and writing process. Students in grades K-4 use the Sunshine Program by Scott Foresman to enhance these skills. In grades 5-8 students use the Cornerstone/Keystone Program by, Pearson Longman. ESL teachers use the following methodologies to further develop skills in these areas; word webs, word walls, graphic organizers, modeling of writing process and editing checklists.

5d.Long term ELLS continue to work on developing their writing skills through the use of the writing process. The focus includes building academic vocabulary, researching and organizing information and ideas. Academic vocabulary is taught and reviewed with word webs and word walls. Students use graphic organizers and editing checklists. The ESL teacher models the writing process to the students. The Keystone Program by Pearson Longman is used along with additional resources.

6.ELL-SWDs require instructional strategies to meet their needs. ESL teachers consistently use scaffolding techniques throughout the lesson including think alouds, paraphrasing and partnering. They engage students by having less teacher talk and no down time. Lessons are appropriately paced for the students' ability levels. Students are given extra time to complete tasks. Groups are small to ensure academic progress. The grade level materials used for these students include Sunshine Program by Scott Foresman for grades K-4 and Cornerstone/Keystone by Pearson Longman for grades 5-8.

7.ELL-SWDs receive the required amount of ESL instruction in a small group setting to obtain optimal results. Materials used with ELL-SWDs are high interest with low readability. Supplementary materials are used to make lessons meaningful. ESL methodologies are used to support students learning. The following strategies are incorporated, clearly defined content objectives, graphic organizers, cooperative learning and additional time to complete assignments.

Paste response to questions 8-17 here

8. ELL students are provided with Academic Intervention Services with an AIS teacher in math and ELA. In collaboration with ESL teachers the AIS teachers provide small group instruction. To support the needs of the ESL student the AIS providers use manipulatives and realia to connect what has been learned to the students' experiences. They use scaffolding techniques including think alouds, paraphrasing and partnering. They also use a variety of question types to encourage higher level thinking skills. Graphic organizers and modeling are used in the teaching of reading and writing.
9. ELLs who exit the program will be monitored for a minimum of two years. Whenever possible, they will be scheduled to receive AIS or other services in areas of deficiency.
10. This year we will implement the program Rosetta Stone to support our ELLs. We will also continue to incorporate the new Common Core State Standards into our curriculum. The focus continues to be on writing for our ELLs as this is the area that needs improvement.
11. There are no plans to discontinue any ESL programs this year.
12. ELL students are afforded equal access to all school programs including AIS services, our Sports and Arts After School Program and Saturday Academy. The Sports and Arts After School Program includes sports, clubs and arts in addition to academic help. The Saturday Academy is a 3 hour program for academic instruction in a small group setting and is provided from October through April.
13. In grades K-4 the instructional materials used are Sunshine Program by Scott Foresman, Phonics books by Pearson Longman and Empire State NYSESLAT by Continental Press. In grade 5-8 the instructional materials used are Cornerstone/Keystone Program by Pearson Longman, English, Now! by Lit Conn (for Newcomers) and Empire State NYSESLAT ESL/ELL by Continental Press. Rosetta Stone will be implemented this year.
14. Native language support is delivered by the use of dual language books in Albanian, Bengali, Chinese, Urdu, French, and Arabic. Reading libraries are available in Spanish. Students are also provided with translation dictionaries in their native language and English.
15. The services and support that our ELL students receive are appropriate to their age and grade. The materials we use are designed with a focus on the grade band that we are teaching. For example, the Sunshine Program by Scott Foresman is for grades K-4. The Cornerstone/Keystone Program by Pearson Longman is for grades 5-8.
16. Newly enrolled ELL students are given a newcomer packet. In this packet is a newcomer workbook that includes basic vocabulary students need and activities to practice. We also include a vocabulary and sight word list. Parents are encouraged to get a library card for their child and take out books on cd for their child to listen to in English.
17. The school offers Spanish as a foreign language to all students in grades 5-8.

C. Schools with Dual Language Programs

1. How much time (%) is the target language used for EPs and ELLs in each grade?
2. How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?
3. How is language separated for instruction (time, subject, teacher, theme)?
4. What Dual Language model is used (side-by-side, self-contained, other)?
5. Is emergent literacy taught in child's native language first (sequential), or are both languages taught at the same time (simultaneous)?

D. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
3. Describe the minimum 7.5 hours of ELL training for all staff (including non-ELL teachers) as per Jose P.

Paste response to questions 1-3 here

1.All of the ESL teachers including Ms. Mandas, Ms. Roos and Ms. Stinga attend monthly professional development meetings offered by our network. At these meetings an emphasis is placed on data collection and instructional strategies to help ELLs achieve.They will turn key the information they learn at their meetings to staff that works with ELLs.

2.Students who are transitioning to the Middle School are given a tour of the building and an overview of the curriculum. The school guidance counselor is available to the students. ESL students are grouped in classes together so that an ESL teacher can push-in to the classroom and provide support to the teacher using ESL methodologies.

3.ELL 7.5 hour training is administered to all new staff, our Parent Coordinator and Guidance Counselor and to those that work with ELLs. E. Parental Involvement

1. Describe parent involvement in your school, including parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

Paste response to questions 1-4 here

1.Our Parent Coordinator, Anne Daly, acts as an important liason with our ELL parents and encourages them to participate in many varied school-based activities. These activites include the PA, Parent Educational Meetings and Social Activities for students and their families. She plays a vital role during the initial screening process for registration in our school. The Parent Coordinator ensures that parents receive proper interpretation and/or translation when requested. The Parent Survey and Program Selection Forms are periodically reviewed at the time of orientation in order to keep abreast of parental trends.

2.The school is partnered with the Morris Park Branch of the New York Public Library. They provide classes for parents to learn English. Additionally, the Italian Heritage Society offers Italian Classes through the library.

3.The needs of the parents are evaluated in several ways. Our Parent Association has monthly meetings. The Parent Coordinator, Leadership Team, ESL and Classroom teachers, Guidance Counselors, AIS teachers and School Based Support Team collaborate to keep abreast of parental needs.

4.Our parental involvement activities are aligned with our parents needs. Parent involvement activities include workshops, PA meetings, Leadership Meetings, Parent Teacher Conferences and Parent Workshops every week during our Saturday Academy. The Workshop offerings are scheduleed using a survey of parent choices.

B. After reviewing and analyzing the assessment data, answer the following

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How can this information help inform your school's instructional plan? Please provide any quantitative data available to support your response.
- What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
- How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions?
- For each program, answer the following:
 - Examine student results. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in

LANGUAGE TRANSLATION AND INTERPRETATION 2011-2012

CEP Appendix 7

Requirement under Chancellor's Regulations – for all schools

DBN: 11X083

School Name: Donald Hertz

Cluster: 532

Network: CEI-PEA

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

Parent Home Language surveys were administered and entered into the ATS system for easy identification of language translation needs. Forms provided by the DOE are available in several languages and are downloaded in these languages. We have also used the DOE Translation Department to translate important notices and general school information. Additionally, many of our staff members, parents, and students are bilingual and provide translation services when needed. Our Parent Coordinator works closely and effectively to insure that translation needs are met.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

More orientation meetings are needed to foster communication with non-English speaking parents and provide necessary information to them regarding school matters. Additional outreach is needed to help with choices for High Schools and specialized programs through the Guidance Department and providing assistance with filling out appropriate applications and necessary forms. In discussing these concerns with parents and staff, we have implemented bi-monthly parent "Meet and Greet" meetings to address these concerns, as well as, providing a Saturday Academy for parents.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

Letters to parents are translated whenever possible into their native language by school staff. Many of our school staff are fluent in several foreign languages. Our growing Albanian population is serviced by three Albanian speaking teachers. Our Spanish speaking population is serviced by many staff members fluent in Spanish. Many forms and letters are translated before being sent out through the DOE services, and translation services are available by telephone through the DOE.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Oral translation services are provided through the efforts of our Parent Coordinator, who used parent volunteers for translation on an as needed basis. School staff is available for translation services. Telephone translation services are provided through the DOE. Students are paired with their native language speaking peers whenever possible to translate and help with adjusting to their new environment.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link:
<http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

Many letters from the Chancellor's Office are available already translated to download into many languages. These letters are sent home in the students' native languages. Letters sent home and signs made for posting in the school are emailed to the DOE interpretation services, translated, and emailed back for printing.

2011-12 Comprehensive Education Plan (CEP): Appendix 8

Title III Supplemental Program for ELLs

Directions: Title III supplemental services for ELLs must include all of the following three components:

- **Direct instruction:** activities must be used to support language development, English and native language instruction, high academic achievement in math, and/or other core academic areas.
 - The Title III supplemental instructional services must be based on student need
 - These supplemental services should complement core bilingual and ESL services required under CR Part 154.
 - Direct supplemental services should be provided for before school, after school, and Saturday programs as well as reduced class-size, and/or push-in services.
 - Teachers providing the services must be certified bilingual education and/or ESL teachers.
- **High quality professional development** that is “of sufficient intensity and duration to have a positive and lasting impact on the teachers’ performance in classrooms.”
 - Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement** and supports must ensure that there are appropriate translation and interpretation services to meet community needs.
 - These are in addition to mandated activities, such as parent orientation during ELL identification process.

For more information on Title III requirements, please see the School Allocation Memo or contact your ELL Compliance and Performance Specialist.

Part B: Direct Instruction Supplemental Program Information

Describe the direct instruction supplemental program here and include the

- rationale
- subgroups and grade levels of students to be served
- schedule and duration
- language of instruction
- # and types of certified teachers
- types of materials

Begin description here: We have instituted a Saturday Academy for ESL students in grades 2 - 8 where English language learners receive small group Academic Intervention Services in addition to the ESL program offered throughout the day. Saturday Academy participants meet on Saturdays from October through April from 9 am to 12 pm. The language of instruction is English and groups are in an approximate ratio of 10 student to one certified teacher. The philosophy behind the instruction is that students struggling with English mastery must have memorable, low-risk learning experiences that connect to their lives. For this reason, students will be engaged in activities such as storytelling and theater. These promote fluency and allow students to relate the learning to their experiences. In addition, they will participate in games such as Bingo and utilize manipulatives such as sentence strips and white boards to maintain engagement.

Part C: Professional Development

Describe the school's professional development program for Title III Program teachers as well as other staff responsible for delivery of instruction and services to ELLs.

- rationale
- teachers to receive training
- schedule and duration
- topics to be covered
- name of provider

Part D: Parental Engagement Activities

Describe the parent engagement activities targeted toward parents of ELLs that will impact higher achievement for ELLs. NOTE: These are in addition to mandated activities, such as parent orientation during ELL identification process.

- rationale
- schedule and duration
- topics to be covered
- name of provider
- how parents will be notified of these activities

Begin description here: In addition to translators available at regularly scheduled Parent Association meetings, parents are invited to a school-sponsored series of evening workshops that review Common Core State Standards and NYS standardized testing formats in detail. During these workshops, translators are available and a testing coordinator devotes time to parents of English language learners to describe the specific accommodations ESL students should receive during testing. Notices are disseminated to each student to bring home, a phone service calls each home to inform parents of the
