DIRECTIONS AND GUIDANCE FOR COMPLETING THE ANNUAL GOALS AND ACTION PLAN SECTION

The CEP goal-setting is done in collaboration with the school community to support student achievement and the implementation of school-wide goals as well as to document how your school is meeting Federal, State, and City regulations.

Below you will find guidance on documenting annual goals and action plans.

WHICH SCHOOLS NEED TO COMPLETE THIS?

All Reward, Recognition and In Good Standing schools should identify and submit annual goals and action plans in consultation with their School Leadership Team (SLT).

HOW DO CEP GOALS RELATE TO GOALS SET FOR THE PRINCIPAL PERFORMANCE REVIEW (PPR)?

CEP goals are generally intended to guide school-wide planning and development. CEP goals may be coordinated with goals set by the principal for the Principal Performance Review (PPR) if they are appropriate for use as school-wide goals.

HOW SHOULD A SCHOOL DEVELOP ITS GOALS AND ACTION PLANS?

- Your school should identify a minimum of three and a maximum of five annual goals.
- Goals should be aligned with the current citywide instructional expectations.
- Goals should be “SMART” - specific, measurable, achievable, realistic, and time-bound.
- Goal development should be based on an assessment of your school’s needs.
- Your school should use quantitative and/or qualitative data in providing the rationale for each goal. Cite sources that contributed to the rationale, such as the Progress Report, Quality Review, School Survey, NYS Accountability report (SQR, SCRA, or JIT), state and school assessment results, attendance records, inquiry team work, etc.
- Each goal and action plan requires your school to cite the strategies and activities in your Parent Involvement Policy (PIP) that will be implemented to achieve the goal identified. The PIP template is provided on pages 11 through 15. Your school is encouraged to use the template as it is provided, or align it in accordance with your school’s goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to respond to the parental involvement section of each goal and action plan.

ANNUAL GOAL #1 AND ACTION PLAN

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #1

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.
To improve student performance in English Language Arts by engaging all students in at least two literacy task aligned to the Common Core Standard that requires students to write arguments to support a claim with clear reasons and relevant evidence and write narratives to develop real or imagined experiences or events using effective techniques, relevant descriptive details and well-structured event sequences. By June 2013 our goal is to improve our student's percentages of Level 3 and 4 students on the New York State ELA assessment from 38.5% to 44%.

Comprehensive needs assessment

- Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students, in relation to State academic content and student achievement standards.

The overall score for student progress was 56.9 out of 60. The percent of students at Proficiency Levels 3 and 4 was 38.7% compared to the City Horizon Schools which was 34%. The data indicates that we are slightly below the city average by 5%.

Student performance trends can be easily identified from the result of the New York State ELA assessment. These results have allowed us to monitor student proficiency, track student progress, target instruction and to predict performance. New York State ELA results assist in identifying areas of strengths and weaknesses which allows us to improve instruction. Teachers identify student needs by using data from the ELA results and then differentiate instruction by content strand, with a special focus on Grade 6 students as they transition into the middle school grades. School trends have shown that grade 6 students have scored lower on the English Language Arts exam than students in grades 7 and 8.

Instructional strategies/activities

- Describe the research-based instructional strategies and activities that will be used to achieve this goal. Include descriptions of the following in your response:
 - ✚ strategies/activities that encompass the needs of identified student subgroups,
 - ✚ key personnel and other resources used to implement these strategies/activities,
 - ✚ steps taken to include teachers in the decision-making regarding the use of academic assessments to evaluate the effectiveness of the strategies/activities,
 - ✚ timeline for implementation.

Humanities educators along with Science educators will study the sample literacy bundle produced by Central and examine the core components of the unit, as well as become familiar with the demands of the task, student work and scoring benchmarks. 100% of students in all four subgroups (Economically Disadvantage, African-American students, Students with Disabilities and All Students) will submit two performance tasks in literacy/humanities. Each of these tasks will be scored on a performance level of 1-4 with meaningful feedback as well as next steps for improvement.

✚ ***Through the additional per session funding provided by Central, educators will be provided an opportunity to meet and analysis student work as well as planning time to create the performance tasks for each respective grade.***

✚ ***During weekly common planning periods, educators will analyze student work through the lens of the acuity and classroom assessments with accompanying rubrics. In addition, educators will mirror all classroom, midterm and end of year assessments in the New York State***

assessment format.

In addition, the NYCDOE has identified Charlotte Danielson’s work related to professional teaching practice as an approved research based resource. During the 2012-13 school-year teachers, support staff personnel and administrators will study and utilize various books written by Charlotte Danielson to deepen knowledge related to effective teaching practice. Additionally, teachers will utilize DOE web based programs and various professional books in an effort to deepen content knowledge as well.

- *Under a model of classroom-embedded professional development, the Academic Intervention Facilitator will work with teachers, consultants, and school administrators to assist with the New York City Department of Education Instructional Expectations for the 2012-13 school year.*
- *Grade level teacher teams, department common planning teams and AIS educators will examine and analyze formative and summative assessment data to develop implications for practice within daily balanced literacy instruction for all students.*
- *Implement Common Core Learning Standards, Unit of Study and performance tasks throughout the 2012-2013 school year.*
- *Conduct Looking at Student Work Sessions with teachers to analyze student work and align to Common Core Learning Standards and identify gaps in curriculum content and teaching practice, these sessions will take place during and after school.*
- *Principal will schedule meetings for teachers to regularly meet with colleagues for teacher team meetings so that teachers can work collaboratively to evaluate the effectiveness of activities.*
- *Teachers will evaluate the effectiveness of their formative assessment during grade level meetings common planning periods and AIS afterschool educators clinics. Teachers will be included in the decision-making regarding the use of academic materials and assessments to evaluate the effectiveness of the strategies/activities.*
- *Teachers will share data and goals with parents during parent/teacher conferences at least twice a year.*
- *Students will create SMART goal worksheets that incorporate short and long term goals to keep abreast of the progress of mastery.*
- *September – June – Ongoing scaffolding and support of teachers in implementation of effective ELA instruction*
- *September – June – Teacher Team Meetings to discuss and explore actions/timeline/professional development sessions related to Chancellor’s Instructional Expectations for the 2012-13 school year.*

Strategies to increase parental involvement

- *Parents will be provided materials and resources to utilize at home with their children that will enable them to reinforce the strategies that are presented during classroom instruction. The utilization of Jupitergrades.com, our online communication system that alerts parents every Friday of their child’s progress will also provide families with documents and information on testing as well as additional tutoring sessions for our students.*
- *Parent Workshops on the new test format will be held to also provide parents with guidance and resources for assisting students at home on the new Common Core New York State assessment.*

**DIRECTIONS AND GUIDANCE FOR DEVELOPING OR UPDATING
THE PARENT INVOLVEMENT POLICY (PIP) (A REQUIREMENT FOR TITLE I SCHOOLS ONLY)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template below to update your school's current policy or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. The activities and/or strategies included in your school's policy should align with current CEP goals for improving student achievement.

The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if your school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in your policy.

PARENT INVOLVEMENT POLICY (PIP) TEMPLATE

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership

Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, our school will:

The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;

- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This LAP form, an appendix of the CEP, also incorporates information required for CR Part 154 funding so that a separate submission is no longer required. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [see tool kit].)
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
5. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
6. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. 

Upon entrance into Stephen Decatur Middle School 35, students are interviewed by the guidance counselor to ascertain the services that may be needed for the incoming students. The Home Language Identification Survey Form and other pertinent documentation are reviewed by the Pupil Accounting Secretary. The LAB-R exam is administered for students within the first 10 days of the school year who are new to New York City public schools. Students criteria for specific programs are determined within consultation of the Principal and CFN Specialist. Upon determination, parent letters are distributed. Presently, there is one student requiring ELL services that attend Middle School 35 in grade 7. The student receives services from the Humanities department in reading and writing. Secondly, there is a bilingual paraprofessional in the classroom that also provides additional academic support to the student. All content areas are departmentalized and students receive both remediation and enrichment programs are provided during our AIS periods (150 minutes per week) and our clubs and teams period (90 minutes a week). In addition, during the Back to School Festival held in September with translation services available, Parent notices distributed in English and Spanish, Content area workshops provided by the instructional coaches that focus on hands-on activities facilitated by the educators of their respective contents.

Part IV: ELL Programming

A. Programming and Scheduling Information

1. How is instruction delivered?
 - a. What are the organizational models (e.g., Departmentalized, Push-In [Co-Teaching], Pull-Out, Collaborative, Self-Contained)?
 - b. What are the program models (e.g., Block [Class travels together as a group]; Ungraded [all students regardless of grade are in one class]; Heterogeneous [mixed proficiency levels]; Homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.
4. How do you ensure that ELLs are appropriately evaluated in their native languages?
5. How do you differentiate instruction for ELL subgroups?
 - a. Describe your instructional plan for SIFE.
 - b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs.
 - c. Describe your plan for ELLs receiving service 4 to 6 years.
 - d. Describe your plan for long-term ELLs (completed 6 years).
6. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?
7. How does your school use curricular, instructional, and scheduling flexibility to meet the diverse needs of ELL-SWDs within the least restrictive environment?

The organizational model utilized at Middle School 35 is departmentalization. The class travels as a group to writing and humanities classes. The student is part of a 12:1:1 class. The student receives 315 hours of reading and writing within the Social Studies content and an additional 180 hours of writing skills focusing on writing mechanics, grammar, spelling, sentence structure, etc. The student receives instruction in English and the bilingual/classroom paraprofessional accompanies the class to all of their classes. This instructional plan ensures that the student receives appropriate instruction in English Language Arts. Although, the student is in her fifth year of service, this is her second year at Middle School 35. As an SWD and ELL she receives the same content of material with extended time and differentiated strategies to address her individual needs. She completed our periodic assessment (performance series) in both English and

LANGUAGE ALLOCATION POLICY FOR ELLS - STEPHEN DECATUR MIDDLE SCHOOL 35

M.S 35 is a Middle School located in the Bedford Stuyvesant area of Brooklyn, New York. The Bedford Stuyvesant area is a community primarily comprised of African and Caribbean Americans. The school's population reflects that of the community with a student body that is largely minority in composition. Among MS 35 students 88% are black, 9% are Hispanic and 1% are Asian. There are 226 students attending in the 2011-2012 school year, there is one student that requires ELL services.

Our program when in effect encourages and respects the diversity of students, staff; and community. We desire to create A Community of Lifelong Learners; therefore, when in effect, we strive to meet the linguistic, social, academic, physical and emotional needs of our ELLS. And since all students are motivated to focus in "The 3 A'S for Success" Attitude, Attendance, and Academics, our ELLS are provided with the same high quality instruction that monolingual students receive.

The balanced literacy program is aligned with state learning standards and New York City performance standards for ELA and ESL. It is designed to teach Basic Interpersonal Communication skills (BICS) as well as to increase development of Cognitive Academic Language Proficiency (CALP) by integrating ESL methodologies throughout the curriculum areas. Scaffolding, multicultural libraries, listening centers, native language libraries, word walls, charts modeling correct language usage, a variety of reading strategies, the writing process charts, reading logs, writing journals, graphic organizers, workbooks, a variety of literature, vocabulary activities, and videos will be used to meet the linguistic needs of our students.

Several additional steps will be taken to ensure that ELL's meet or exceed standards. Students will receive daily structured Academic Intervention Services in reading and math, Saturday school for all students in reading and math, students will receive small group instruction, individualized conferencing, and additional assistance provided during our Journey to Success Saturday Program. The ELL teacher when applicable will attend all professional development meetings at the school and attends all professional development meetings offered by the Brooklyn Integrated Service Center.

The Language Allocation Policy (LAP) Team Members are as follows: Jacklyn Charles-Marcus, Principal and Olga Gaon, ESL Teacher
 Laurette Telford, Library Media Specialist
 Dorothy Pierrot, Guidance Counselor
 Nancy Bonelli, Speech Educator

Upon entrance into Middle School 35 parents are required to complete the Home Language Identification Survey (HLIS) and depending on their native language (Spanish or French) an oral interview is conducted in their native language and the Language assessment Battery Revised (LAB-R) administered within the first 10 days of enrollment. Due to the demographics of our school population we do not have a high population of students that are identified as English Language Learners. However, the guidance counselor in collaboration with the speech educator when the need arises will explain all three program choices to parents such as the transitional bilingual, dual language and free standing ESL. Entitlement letter are distributed upon completion of the assessment of the student needs. The guidance counselor is responsible for the distribution of the entitlement letters and program selection determinations.

C. Schools with Dual Language Programs

1. How much time (%) is the target language used for EPs and ELLs in each grade?
2. How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?
3. How is language separated for instruction (time, subject, teacher, theme)?
4. What Dual Language model is used (side-by-side, self-contained, other)?
5. Is emergent literacy taught in child's native language first (sequential), or are both languages taught at the same time (simultaneous)?

All educators receive professional development on working with students in all sub-groups, including our ELL students. Educators at Middle School 35 will receive ELL training as provided by the CFN #112 In the 2011-2012 school year we only have one ELL student. Educators are also provided the opportunity to attend citywide conferences as well as workshops that are conducted by the Brooklyn.

- Parents will be involved in hands-on activities through monthly workshops in math, science and technology which are the critical areas that our students are experiencing difficulty in order to assist them at home.
- The parent coordinator and school leadership team will participate in ongoing professional development activities to ascertain and implement strategies that will meet the needs of our parents.
- The implementation of the Leadership Institute through the 21st Century Grant will focus on workshops based on parents interest to increase the parental involvement at our school. 3. How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions?
4. For each program, answer the following:
 - a. Examine student results. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
 - b. Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
 - c. What is the school learning about ELLs from the Periodic Assessments? How is the Native Language used?
5. For dual language programs, answer the following:
 - a. How are the English Proficient students (EPs) assessed in the second (target) language?
 - b. What is the level of language proficiency in the second (target) language for EPs?
 - c. How are EPs performing on State and City Assessments?
6. Describe how you evaluate the success of your programs for ELLs.

Middle School 35 has selected the periodic assessment of Performance Series. Performance Series assesses the student and utilizes the Lexile Reading Assessment to analyze the students levels in Language Arts, Reading and Mathematics. Performance Series will automatically adjust the students performance level as they navigate through the various assessments. Our school has successfully promoted to the next grade the ELLs that we have enrolled and the students have consistently obtained progress from one academic year to the next.
