DIRECTIONS AND GUIDANCE FOR COMPLETING THE ANNUAL GOALS AND ACTION PLAN SECTION

For SY 2012-13 the SCEP must be based on the findings and recommendations contained in the most recent School Quality Review (SQR), External School Curriculum Audit (ESCA)/School Curriculum Readiness Audit (SCRA), and Joint Intervention Team (JIT) reports, and/or Persistently Lowest Achieving (PLA) School reports.

The SCEP must focus on the accountability subgroup(s) and measures for which the schools have been identified.

Below you will find guidance on documenting annual goals and action plans.

WHICH SCHOOLS NEED TO COMPLETE THE SCEP?

Consistent with the USDOE approved ESEA Flexibility Waiver, Focus Schools and Priority Schools that are not implementing one of the four SIG intervention models will be required to construct a School Comprehensive Education Plan (SCEP). Schools should identify and submit annual goals and action plans in consultation with their School Leadership Team.

HOW DO SCEP GOALS RELATE TO GOALS SET FOR THE PRINCIPAL PERFORMANCE REVIEW (PPR)?

SCEP goals are generally intended to guide school-wide planning and development. SCEP goals may be adapted from goals set by the principal for the Principal Performance Review (PPR) if they are appropriate for use as school-wide goals that align with the Six Tenets of the Diagnostic Tool for School and District Effectiveness (DTSDE) [HERE](#) and the recommendations from the most recent SED intervention.

HOW SHOULD A SCHOOL DEVELOP ITS GOALS AND ACTION PLANS

- Your school should identify a goal based on Tenets 2-6 of the DTSDE. The response to Tenet 1 will be promulgated by Central. Please refer to the complete description of the Standards of Practice (SOP), for Tenets 2-6, located: [HERE](#).
 1. District Leader and Capacity- (The response to this tenet will be promulgated centrally)
 2. School Leader Practices and Decisions
 3. Curriculum Development and Support
 4. Teacher Practices and Decision
 5. Student Social and Emotional Developmental Health
 6. Family and Community Engagement
- Goals should be aligned with the current citywide instructional expectations.
- Goals should be “SMART” - specific, measurable, achievable, realistic, and time-bound.
- Goal development should be based on an assessment of your school’s needs.
- The recommendation from your most recent SED intervention will form the basis of your goal. Cite the page number from your most recent NYS Accountability report (SQR, SCRA, or JIT). Copy and paste the recommendation into your action plan. You must also reference the page number of the report. If your school has **not** received an SED intervention, you should demonstrate the use of both quantitative and/or qualitative data when providing the rationale for each goal. The school should cite data from the DOE Quality Review, Progress report, School Survey, etc.
- Priority and Focus Schools must continue to set aside 1% of their school's Title I, Part A allocation to support parent involvement activities and programs. Focus and Priority schools must also set aside 1% of their Title I Focus and Priority School allocation for Parent Engagement programs. Please refer to FY 13 SAM # 70 [HERE](#).

- The strategies and activities in your Parent Involvement Policy (PIP) need to align to the identified goals. The PIP template is provided on pages 12 through 16. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to align the parent involvement activities that would support each goal and action plan.

GOAL AND ACTION PLAN #1 FOR SCHOOL LEADER PRACTICES AND DECISIONS (TENET 2)

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Major Recommendation

“Typically, student assignments require them to compare and contrast, chart details or complete tables. Lessons do not consistently facilitate rigorous tasks, however, nor do they promote higher order thinking. As a result, students' learning is insufficiently accelerated toward secondary readiness. Continue to increase rigor, coherence and alignment with CCLS in the school's curricula, ensuring that all students make progress in their learning.” (Quality Review, 1.1, pg. 5)

Tenet 2 SCHOOL LEADERSHIP PRACTICES AND DECISIONS

- Select the Standard of Practice (SOP) that aligns to the recommendation from above. The SOP selected should align to the goal and inform the development of the activities selected to address the goal.

Annual Goal #1

- **By June 2013, students performing at proficiency level will increase by at least 5% from 16.7% from the previous school year, 2011-2012 to 21% this school year, 2012-2013.**

Instructional strategies/activities

- a) *Implement a school-wide assessment system to ensure that students will be administered interim assessments every six weeks. Implement a school-wide data cycle. Student participation in the intervention programs: Reading Plus, Achieve 3000, ELA/MATH Labs will indicate students are working to obtain high levels of achievement. Meeting agendas, minutes, and action plans will demonstrate the ongoing data cycle. Student Portfolios serve as evidence of student progress throughout the year. Hire an Extended Learning Time Program, Purchase Reading/ Math Intervention programs. Purchase laptops and desktops for online instruction.*
- b) *Hire an Instructional Support Specialist to develop Curriculum Maps, Units of study, and provide Professional Development for staff. Assign School Data Specialist(s) Interim to analyze assessment data, track and monitor data. Hire Lead Teachers in Math, ELA, and Special Education as per the City-Wide expectations to analyze data, reflect on instructional practices and provide professional development.*
- c) *Out of a total of 275, 175 Students participate in AM Extended Day program, 45 Students participate in the Brienza Extended Learning Time Afterschool Program, and 45 Students will participate in Brienza Saturday Academy. The target population for our AM ext. learning time program targets our schools lowest third as well as our subgroups. The target population for our afterschool is students who are at the cusp of proficiency, performing at a level 2, and the Saturday academy targets our students who are proficient but need enrichment.*
- d) *Every six weeks from the start of the year, students will take a baseline assessment. Teachers will analyze results to inform instruction every six weeks. The inquiry team will meet twice a month to analyze the school's target population to analyze progress and create school-wide interventions based on the positive results. At the end of each unit of study, administration will conduct data chats to assist teachers with instructional goals. Teachers meet weekly to develop, revise, analyze student work, and reflect on instruction. The Extended Learning Time program will begin 12 weeks before, and Saturday Academy will begin 6 weeks prior to the State examinations. Extended Day begins in October until the end of the year.*

**DIRECTIONS AND GUIDANCE FOR DEVELOPING AND UPDATING
THE PARENT INVOLVEMENT POLICY (PIP) (A REQUIREMENT FOR TITLE I SCHOOLS ONLY)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template below to update your school's current policy or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. The activities and/or strategies included in your school's policy should align with current CEP goals for improving student achievement.

The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if your school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in your policy.

PARENT INVOLVEMENT POLICY (PIP) TEMPLATE

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. Our school will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;

Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership

Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, our school will:

Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [[see tool kit](#)].)
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
5. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
6. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway.

LANGUAGE TRANSLATION AND INTERPRETATION 2011-2012

CEP Appendix 7

Requirement under Chancellor's Regulations – for all schools

DBN: 18K581 **School Name:** East Flatbush Community Research

Cluster: 4 **Network:** 411

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

We use the Home Language Survey data to assess what languages we need to offer both written and oral translations for our families. The three main languages are Haitian-Creole (including French Haitian-Creole and French), Spanish and Arabic. We have fluent staff members in all three of those languages to offer both oral and written translation services to our families when they visit our school for formal meetings and informal visits.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

The breakdown of language needs is as follows: 242 English; 20 Haitian Creole, French Haitian-Creole, or French; 4 Arabic and 3 Other languages. The information was reported to the school community in our CEP as well as at our September PTA Meeting.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

We will use NYC DOE translation services for critical documents sent to families in the language identified in their home language survey. For announcements, flyers, etc., we will use in-house translations from our staff members.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Our three main languages other than English as indicated on the home language survey are Spanish, Haitian Creole, and Arabic. We have three staff members fluent in Spanish available for oral translation as needed, including a licensed guidance counselor. We also have one staff member who is fluent in Haitian Creole and one staff member fluent in Arabic to provide translations. Our ESL teacher is also fluent in French and is able to communicate effectively with Haitian Creole speakers.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link:
<http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

We will follow the Chancellor's regulation, sending all centrally produced documentation in all languages provided by the DOE. For school documents, we will translate and distribute the documents according to the languages listed on Parent's Home Language Survey. If translation services are not available for the document, we will attach a cover sheet in the native language indicating how a parent can request free translation or interpretation of such document. For scheduled meetings we will provide an oral translator for the family either in person by a fluent staff member, or over the phone via the NYC Translation unit.
