## **DIRECTIONS AND GUIDANCE FOR COMPLETING THE ANNUAL GOALS AND ACTION PLAN SECTION**

The CEP goal-setting is done in collaboration with the school community to support student achievement and the implementation of school-wide goals as well as to document how your school is meeting Federal, State, and City regulations.

Below you will find guidance on documenting annual goals and action plans.

### **WHICH SCHOOLS NEED TO COMPLETE THIS?**

All Reward, Recognition and In Good Standing schools should identify and submit annual goals and action plans in consultation with their School Leadership Team (SLT).

### **HOW DO CEP GOALS RELATE TO GOALS SET FOR THE PRINCIPAL PERFORMANCE REVIEW (PPR)?**

CEP goals are generally intended to guide school-wide planning and development. CEP goals may be coordinated with goals set by the principal for the Principal Performance Review (PPR) if they are appropriate for use as school-wide goals.

### **HOW SHOULD A SCHOOL DEVELOP ITS GOALS AND ACTION PLANS?**

- Your school should identify a minimum of three and a maximum of five annual goals.
- Goals should be aligned with the current citywide instructional expectations.
- Goals should be “SMART” - specific, measurable, achievable, realistic, and time-bound.
- Goal development should be based on an assessment of your school’s needs.
- Your school should use quantitative and/or qualitative data in providing the rationale for each goal. Cite sources that contributed to the rationale, such as the Progress Report, Quality Review, School Survey, NYS Accountability report (SQR, SCRA, or JIT), state and school assessment results, attendance records, inquiry team work, etc.
- Each goal and action plan requires your school to cite the strategies and activities in your Parent Involvement Policy (PIP) that will be implemented to achieve the goal identified. The PIP template is provided on pages 11 through 15. Your school is encouraged to use the template as it is provided, or align it in accordance with your school’s goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to respond to the parental involvement section of each goal and action plan.

### **ANNUAL GOAL #1 AND ACTION PLAN**

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

#### **Annual Goal #1**

All teachers will learn to use data, such as Periodic Assessment and State Test data, to provide differentiated instruction for all students including those whose skills are at or above proficiency by the end of the school year.

#### **Comprehensive needs assessment**

With the extensive use of new data the staff and administration recognized that establishing routines and procedures for organizing resources and implementing changes will be necessary. Interpretation of all data available to us, periodic assessments and State exams, as well as teacher created pre and post tests must be used to assure differentiated instruction is available in all of the curriculum.

#### **Instructional strategies/activities**

We use data from tests as one means of monitoring student progress throughout the year. In order for this to be of value all staff must understand how to interpret the data. The final ELA and Math results are clear but the process that bring about these scores are a result of the class work done all year.

The school will motivate teacher improvement using technology developed by the Gates Foundation that encourages reflection using the framework of self-observation and reflection set forth in the Measures of Effective Teaching (MET) study, which the entire staff participated in for the 2010-2011 school year. We have equipment and software provided by the MET project (including stationary and panoramic cameras). The teachers will periodically record classroom experiences that allow them to view their own teaching as well as view student reactions and behavior. After recording, teachers will reflect on the lesson using questionnaires developed by the staff. Reflection will occur individually, with the principal or with a colleague for additional feedback. Following the reflection, each teacher will identify one area they would like to focus on improving. The staff in collaboration with the principal, has upgraded the framework of the design to align it with the Common Core Learning Standards. This process allows us to service all of the student population.

#### **Strategies to increase parental involvement**

Parents/guardians are invited to attend classes where students are observed using the technological equipment.

**Budget and resources alignment**

- Indicate your school's Title I status:  School Wide Program (SWP)  Targeted Assistance Program (TAP) X  Non-Title I

- Select the fund source(s) that your school is using to support the instructional goal.

**Fair Student funding is used to fund all teachers and the administration works with the staff collaboratively to achieve this goal. The Network also provides assistance.**

- **Dedicated computer technician / data specialist at the school 2 days/per week who offers workshops and individual assistance to teachers.**
- Describe how you will coordinate fiscal and human resources with the instructional strategies/activities to achieve this goal, referencing specific FY'13 PS and OTPS budget categories selected above that will support the coordination and integration of Federal, State and local services, including programs supported under NCLB (i.e., services for Students in Temporary Housing (STH) violence prevention programs, nutrition programs, housing programs, Head Start).

**ANNUAL GOAL #2 AND ACTION PLAN**

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

**Annual Goal #2**

**READING/LITERACY**

The school will target the reading deficits of the students who scored in the lowest one-third of the student body on the NYS ELA 2012 Assessment and develop and implement academic intervention plans in alignment with the State Common Core Learning Standards. The object is to support improvement in literacy in all areas including math, science, social studies and literature. The lower one third is the target group but it also will work with studentns students whose scores dropped more than one year on the 2012 ELA. The highest scoring section of the student body must also be targeted to assure growth also in accordance with the Common Core Learning Standards. Of the one third, 20% of the students will increase their scores by at least Five percent.

- Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

**Comprehensive needs assessment**

ELA scores indicated that approximately 18% percentage of the student’s tested did not significantly maintain their raw scores. This indicates a need to strengthen our approach to content based and primary materials.

- 

**Instructional strategies/activities**

Gather data from tests and teacher evaluations as a means of monitoring student progress in NYS ELA standards in February and at the end of the year.

More deliberate use of test data and information will be part of staff development.

The Literacy inquiry team will make more deliberate use of test data assuring that it is in alignment with the Common core literacy Standard. The team will then incorporate the information into staff development workshops.

Using formative assessments teachers will strategically plan academic intervention services when needed.

Achieving children, as well as those with reading deficits will spend 40% of their classroom work focusing on research based non fiction works, primary documents, information texts, and guided research on the computer as recommended by city and state in part of the Common Standards for English Language Arts and Literacy

**Strategies to increase parental involvement**

- All schools should cite strategies to increase parent involvement that aligned to the goal when applicable. Title I schools should reference these activities in your school's Title I Parent Involvement Policy (PIP). The PIP template is provided on pages 11 through 15 in this CEP.  
We have parent workshops offered and parent/teacher conferences occur formally 3 times a year and informally when necessary.X

**Budget and resources alignment**

- Indicate your school's Title I status: School Wide Program (SWP) Targeted Assistance Program (TAP) Non-Title I

#### **Annual Goal #3**

At least 70% of students will demonstrate proficiency on a performance-based mathematics task aligned to the common core learning standards, as demonstrated by a teacher-created problem solving rubric.

#### **Comprehensive needs assessment**

- The general student population scores well on the State Math test yet there are 18% who are still struggling to reach the next level

#### **Instructional strategies/activities**

The school will target the mathematics deficits of the students who scored in the lowest one-third of the student body and develop curricula in alignment with the common core learning standards. The curriculum will incorporate authentic problems for the students to solve by emphasizing the practice of careful analyzing of mathematical information in order to draw conclusions

Gather data from tests and teacher evaluations as a means of monitoring student progress in NYS math standards in March, and at the end of the year.

More deliberate use of test data and information will be part of staff development.

Using formative assessments teachers will strategically plan academic intervention services for those who need it.

The math inquiry team will develop curriculum for all the math classes assuring continuity. They will also lead staff development workshops for the math teachers focusing on the Common Core Learning Standards for each grade

**DIRECTIONS AND GUIDANCE FOR DEVELOPING OR UPDATING  
THE PARENT INVOLVEMENT POLICY (PIP) (A REQUIREMENT FOR TITLE I SCHOOLS ONLY)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template below to update your school's current policy or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. The activities and/or strategies included in your school's policy should align with current CEP goals for improving student achievement.

The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if your school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in your policy.

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

- Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).

Provide the number of classes for each ELL program model at your school. For all-day programs (e.g., Transitional Bilingual Education, Dual Language, and Self-Contained ESL), classes refer to a cohort of students served in a day. For push-in ESL classes, refer to the separate periods in a day in which students are served. Departmentalized schools (e.g., high school) may use the self-contained row.

1. How is instruction delivered?
  - a. What are the organizational models (e.g., Departmentalized, Push-In [Co-Teaching], Pull-Out, Collaborative, Self-Contained)?
  - b. What are the program models (e.g., Block [Class travels together as a group]; Ungraded [all students regardless of grade are in one class]; Heterogeneous [mixed proficiency levels]; Homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
  - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.
4. How do you ensure that ELLs are appropriately evaluated in their native languages?
5. How do you differentiate instruction for ELL subgroups?
  - a. Describe your instructional plan for SIFE.
  - b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs.
  - c. Describe your plan for ELLs receiving service 4 to 6 years.
  - d. Describe your plan for long-term ELLs (completed 6 years).
6. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?
7. How does your school use curricular, instructional, and scheduling flexibility to meet the diverse needs of ELL-SWDs within the least restrictive environment?

**LANGUAGE TRANSLATION AND INTERPRETATION 2011-2012**

CEP Appendix 7

*Requirement under Chancellor's Regulations – for all schools*

**DBN:** 03m243      **School Name:** The Center School

**Cluster:** cfn      **Network:** bfi

**Goal:** To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

**Part A: Needs Assessment Findings**

---

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

We use children's records. We also have an advisory system in place where each advisor contacts the home of his/her advisees the first week of school to determine home language. Information is then logged and distributed to staff involved with the child.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

Only three families were identified. The staff was alerted at a staff meeting.

## Part B: Strategies and Activities

---

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

Essential documents are translated in house or by parent volunteers

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Several staff members serve as oral interpreters

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link:  
<http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

Families are informed within the first 10 days of school that translation, both in writing and oral interpretation, are available to them
