DIRECTIONS AND GUIDANCE FOR COMPLETING THE ANNUAL GOALS AND ACTION PLAN SECTION

The CEP goal-setting is done in collaboration with the school community to support student achievement and the implementation of school-wide goals as well as to document how your school is meeting Federal, State, and City regulations.

Below you will find guidance on documenting annual goals and action plans.

WHICH SCHOOLS NEED TO COMPLETE THIS?

All Reward, Recognition and In Good Standing schools should identify and submit annual goals and action plans in consultation with their School Leadership Team (SLT).

HOW DO CEP GOALS RELATE TO GOALS SET FOR THE PRINCIPAL PERFORMANCE REVIEW (PPR)?

CEP goals are generally intended to guide school-wide planning and development. CEP goals may be coordinated with goals set by the principal for the Principal Performance Review (PPR) if they are appropriate for use as school-wide goals.

HOW SHOULD A SCHOOL DEVELOP ITS GOALS AND ACTION PLANS?

- Your school should identify a minimum of three and a maximum of five annual goals.
- Goals should be aligned with the current citywide instructional expectations.
- Goals should be “SMART” - specific, measurable, achievable, realistic, and time-bound.
- Goal development should be based on an assessment of your school’s needs.
- Your school should use quantitative and/or qualitative data in providing the rationale for each goal. Cite sources that contributed to the rationale, such as the Progress Report, Quality Review, School Survey, NYS Accountability report (SQR, SCRA, or JIT), state and school assessment results, attendance records, inquiry team work, etc.
- Each goal and action plan requires your school to cite the strategies and activities in your Parent Involvement Policy (PIP) that will be implemented to achieve the goal identified. The PIP template is provided on pages 11 through 15. Your school is encouraged to use the template as it is provided, or align it in accordance with your school’s goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to respond to the parental involvement section of each goal and action plan.

**DIRECTIONS AND GUIDANCE FOR DEVELOPING OR UPDATING
THE PARENT INVOLVEMENT POLICY (PIP) (A REQUIREMENT FOR TITLE I SCHOOLS ONLY)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template below to update your school's current policy or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. The activities and/or strategies included in your school's policy should align with current CEP goals for improving student achievement.

The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if your school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in your policy.

PARENT INVOLVEMENT POLICY (PIP) TEMPLATE

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. Our school will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community;

Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership

Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, our school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;

The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;

LANGUAGE TRANSLATION AND INTERPRETATION 2012-2013

Requirement under Chancellor's Regulations – for all schools

DBN: **27Q064** School Name: **Joseph P. Addabbo**

Cluster: **2** Network: **211**

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

We looked at the data in ATS which records the languages spoken in the homes of our students. According to the RHLA 33% of the home languages are Bengali, 44% of the home languages are English and 18% of the home languages are Spanish.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

We have determined that the three major languages spoken by parents of students are English, Bengali and Spanish. Our translation needs will be in the languages of Bengali and Spanish.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

All important notices to go home are translated into Spanish and Bengali. We use the Translation and Interpretation Services to ensure that these documents are translated in a timely fashion. If we need to translated something with time constraints we use parent volunteers.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Oral translators are provided at all parent-teacher report card conferences. We use a combination of an outsider contractor and in-house translators. Languages translated include Bengali, Spanish and Arabic. We have staff members who speak Spanish and Arabic. At all Parent Association meetings, translations are provided by in-house school staff and parent volunteers. When we need to communicate with parents about a specific incident we use in-house school staff, parent volunterrs and student translators.

We also provide oral translations for our students in Bengali and Arabic for the NYS Mathematics and Science tests.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link:
<http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

We have the signs indication that interpretation is available posted by the security desk in the main lobby, in the parent coordinators office and in the main office. When we send notices home to parents about parent/teacher conferences we ask if they require a translator to be present.

2012-13 Comprehensive Education Plan (CEP)

Title III Supplemental Program for ELLs

Directions: Title III supplemental services for ELLs must include all of the following three components:

- **Direct instruction:** activities must be used to support language development, English and native language instruction, high academic achievement in math, and/or other core academic areas.
 - The Title III supplemental instructional services must be based on student need
 - These supplemental services should complement core bilingual and ESL services required under CR Part 154.
 - Direct supplemental services should be provided for before school, after school, and Saturday programs as well as reduced class-size, and/or push-in services.
 - Teachers providing the services must be certified bilingual education and/or ESL teachers.
- **High quality professional development** that is “of sufficient intensity and duration to have a positive and lasting impact on the teachers’ performance in classrooms.”
 - Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement** and supports must ensure that there are appropriate translation and interpretation services to meet community needs.
 - These are in addition to mandated activities, such as parent orientation during ELL identification process.

For more information on Title III requirements, please see the [School Allocation Memo #66](#) or contact your [Senior ELL Compliance and Performance Specialist](#). Submit this form to your Senior ELL Compliance and Performance Specialist by October 26.

Describe the direct instruction supplemental program here and include the

- rationale

- schedule and duration
- language of instruction
- # and types of certified teachers
- types of materials

Begin description here: A before school program servicing students in grades 3, 4, and 5 will run from December 11 through mid-May. There will be 58 sessions. This will be a 30 minute program which will be held Tuesday, Wednesday and Thursday from 7:30-8:00 a.m. Each teacher will instruct a group of approximately 8-10 students in English language only. Eight teachers will participate. Four of the teachers will hold ESL certification, one teacher will have bilingual certification, two of the teachers will be certified special education teachers and one teacher is a Wilson certified coach.

The classes will be divided into 4 groups with an ESL teacher and another teacher sharing teaching and planning duties. The two teachers for each class will rotate the students in each group between them, alternating math and reading instruction.

We will use materials already in the building for ELA instruction and some math. (See below for materials to be used) In addition, we have purchased i-ready computer instruction for math with Title III funds.

The students have been selected after an analysis of data from the 2012 NYS ELA and NYS math tests and the math baseline tests given in mid-October. All selected students scored in the bottom 1/3 of the school and are ELL's.

Our instructional goal is to develop literacy and math skills through small group differentiated instruction. The group of ELL's will include students who also have IEP's. Therefore, we are including two special education teachers to work in conjunction with the ESL teachers. Teachers specializing in reading instruction will also be part of the program.

A portion of the instruction will be technology based using the i-Ready program for math. Smart boards and lap tops will be used as well. Other materials to be used include math manipulatives, math exemplars, literacy support from Reading Street, Treasures and other materials which will focus on grammar and comprehension.

Part C: Professional Development

Describe the school's professional development program for Title III Program teachers as well as other staff responsible for delivery of instruction and services to ELLs.

Workshops participated in and anticipated include: Improving outcomes for Students with Disabilities and English Language Learners, a 4 part workshop in November, January, March, and May, given by the Regional Technical Assistance Support Center and the Division of Students with Disabilities and English Language Learners, Online Video Series on Implementing a Successful RTI Model with English Language Learners given by the Office of English Language Learners, in October, Using Technology to Create Parent Connections in November, Title III Informational and Technical Session in October. All ESL teachers also attend all professional development opportunities offered to the entire staff including Exemplar math training in September given by Louise Howe and Melissa Lee, Understanding lexiles when selecting books given by Erik Walter in September, Math and the common core standards given by Linda Pellechi in September, Our Role as Child Abuse Mandated Reporters given by Elena Chin in October, Chapter 408 Responsibilities given by Nina Auster in November, Helping Us to Help Ourselves (behavior interventions) given by Karen Camhi and Ileen Woda in November. Anticipated workshops include enhancing your questioning techniques. Additional workshops will be added as the need arises. ESL teachers also attend common planning meetings for the grades they service. ESL providers train our classroom teachers in ESL methodologies during lunch and learn, grade meetings and conference days.
