DIRECTIONS AND GUIDANCE FOR COMPLETING THE ANNUAL GOALS AND ACTION PLAN SECTION

For SY 2012-13 the SCEP must be based on the findings and recommendations contained in the most recent School Quality Review (SQR), External School Curriculum Audit (ESCA)/School Curriculum Readiness Audit (SCRA), and Joint Intervention Team (JIT) reports, and/or Persistently Lowest Achieving (PLA) School reports.

The SCEP must focus on the accountability subgroup(s) and measures for which the schools have been identified.

Below you will find guidance on documenting annual goals and action plans.

WHICH SCHOOLS NEED TO COMPLETE THE SCEP?

Consistent with the USDOE approved ESEA Flexibility Waiver, Focus Schools and Priority Schools that are not implementing one of the four SIG intervention models will be required to construct a School Comprehensive Education Plan (SCEP). Schools should identify and submit annual goals and action plans in consultation with their School Leadership Team.

HOW DO SCEP GOALS RELATE TO GOALS SET FOR THE PRINCIPAL PERFORMANCE REVIEW (PPR)?

SCEP goals are generally intended to guide school-wide planning and development. SCEP goals may be adapted from goals set by the principal for the Principal Performance Review (PPR) if they are appropriate for use as school-wide goals that align with the Six Tenets of the Diagnostic Tool for School and District Effectiveness (DTSDE) [HERE](#) and the recommendations from the most recent SED intervention.

HOW SHOULD A SCHOOL DEVELOP ITS GOALS AND ACTION PLANS

- Your school should identify a goal based on Tenets 2-6 of the DTSDE. The response to Tenet 1 will be promulgated by Central. Please refer to the complete description of the Standards of Practice (SOP), for Tenets 2-6, located: [HERE](#).
 1. District Leader and Capacity- (The response to this tenet will be promulgated centrally)
 2. School Leader Practices and Decisions
 3. Curriculum Development and Support
 4. Teacher Practices and Decision
 5. Student Social and Emotional Developmental Health
 6. Family and Community Engagement
- Goals should be aligned with the current citywide instructional expectations.
- Goals should be “SMART” - specific, measurable, achievable, realistic, and time-bound.
- Goal development should be based on an assessment of your school’s needs.
- The recommendation from your most recent SED intervention will form the basis of your goal. Cite the page number from your most recent NYS Accountability report (SQR, SCRA, or JIT). Copy and paste the recommendation into your action plan. You must also reference the page number of the report. If your school has **not** received an SED intervention, you should demonstrate the use of both quantitative and/or qualitative data when providing the rationale for each goal. The school should cite data from the DOE Quality Review, Progress report, School Survey, etc.
- Priority and Focus Schools must continue to set aside 1% of their school's Title I, Part A allocation to support parent involvement activities and programs. Focus and Priority schools must also set aside 1% of their Title I Focus and Priority School allocation for Parent Engagement programs. Please refer to FY 13 SAM # 70 [HERE](#).

- The strategies and activities in your Parent Involvement Policy (PIP) need to align to the identified goals. The PIP template is provided

- pages 12 through 16. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to align the parent involvement activities that would support each goal and action plan.

**DIRECTIONS AND GUIDANCE FOR DEVELOPING AND UPDATING
THE PARENT INVOLVEMENT POLICY (PIP) (A REQUIREMENT FOR TITLE I SCHOOLS ONLY)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template below to update your school's current policy or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. The activities and/or strategies included in your school's policy should align with current CEP goals for improving student achievement.

The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if your school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in your policy.

PARENT INVOLVEMENT POLICY (PIP) TEMPLATE

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. Our school will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;

Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership

Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, our school will:

The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;

Part II: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of those students who may possibly be ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. Also describe the steps taken to annually evaluate ELLs using the New York State English as a Second Language Achievement Test (NYSESLAT).
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned? (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [see tool kit].)
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
5. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.)
6. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. 

The initial process is, adminstrating the Home Language Identiication survey. 2. Parents conference with the ELL and guidance dept. on program available. 3. Parents are invited to attend informational rounds on the various programs. 4 Students are administered the Lab R test. The assessment will provide information on the needes of ther studenta.

Part IV: ELL Programming

A. Programming and Scheduling Information

1. How is instruction delivered?
 - a. What are the organizational models (e.g., Departmentalized, Push-In [Co-Teaching], Pull-Out, Collaborative, Self-Contained)?
 - b. What are the program models (e.g., Block [Class travels together as a group]; Ungraded [all students regardless of grade are in one class]; Heterogeneous [mixed proficiency levels]; Homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to enrich language development.
4. How do you ensure that ELLs are appropriately evaluated in their native languages?
5. How do you differentiate instruction for ELL subgroups?
 - a. Describe your instructional plan for SIFE.
 - b. Describe your plan for ELLs in US schools less than three years (newcomers). Additionally, because NCLB now requires ELA testing for ELLs after one year, specify your instructional plan for these ELLs.
 - c. Describe your plan for ELLs receiving service 4 to 6 years.
 - d. Describe your plan for long-term ELLs (completed 6 years).
6. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?
7. How does your school use curricular, instructional, and scheduling flexibility to meet the diverse needs of ELL-SWDs within the least restrictive environment?

Instruction is delivered through departmentalization. The organizational model is freestanding ESL. B. The program model is heterogeneous for some grades and homogeneous for other. 2. Students are programmed for the designated number of minutes required based on their levels.

LANGUAGE TRANSLATION AND INTERPRETATION 2012-2013

Requirement under Chancellor's Regulations – for all schools

DBN: **27Q260** School Name: **Fraederick Douglass Academy VI**

Cluster: **3** Network: **611**

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

Data is obtained from parents through interviews and surveys. Parents receive very few notices that are sent home by students.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

The schools major findings are: the need for oral translation in the spanish language. The findings are obtained when parents complete the home language survey.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

The oral interpretation is done through the assistance of a Messenger Service. The process is the following: A message is recorded into the message system. The system translates the message into any language needed. The recorded message is programmed to call all students at a specific time. The message will redial if there is no answer.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link: <http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.
