DIRECTIONS AND GUIDANCE FOR COMPLETING THE ANNUAL GOALS AND ACTION PLAN SECTION

The CEP goal-setting is done in collaboration with the school community to support student achievement and the implementation of school-wide goals as well as to document how your school is meeting Federal, State, and City regulations.

Below you will find guidance on documenting annual goals and action plans.

WHICH SCHOOLS NEED TO COMPLETE THIS?

All Reward, Recognition and In Good Standing schools should identify and submit annual goals and action plans in consultation with their School Leadership Team (SLT).

HOW DO CEP GOALS RELATE TO GOALS SET FOR THE PRINCIPAL PERFORMANCE REVIEW (PPR)?

CEP goals are generally intended to guide school-wide planning and development. CEP goals may be coordinated with goals set by the principal for the Principal Performance Review (PPR) if they are appropriate for use as school-wide goals.

HOW SHOULD A SCHOOL DEVELOP ITS GOALS AND ACTION PLANS?

- Your school should identify a minimum of three and a maximum of five annual goals.
- Goals should be aligned with the current citywide instructional expectations.
- Goals should be “SMART” - specific, measurable, achievable, realistic, and time-bound.
- Goal development should be based on an assessment of your school’s needs.
- Your school should use quantitative and/or qualitative data in providing the rationale for each goal. Cite sources that contributed to the rationale, such as the Progress Report, Quality Review, School Survey, NYS Accountability report (SQR, SCRA, or JIT), state and school assessment results, attendance records, inquiry team work, etc.
- Each goal and action plan requires your school to cite the strategies and activities in your Parent Involvement Policy (PIP) that will be implemented to achieve the goal identified. The PIP template is provided on pages 11 through 15. Your school is encouraged to use the template as it is provided, or align it in accordance with your school’s goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to respond to the parental involvement section of each goal and action plan.

ACADEMIC INTERVENTION SERVICES (AIS)

Schools need to maintain accurate records of students, who are receiving Academic Intervention Services. These records need to be made available upon request and indicate the total number of students receiving AIS in each subject area listed below and for each applicable grade in your school.

Type of Academic Intervention Services (AIS)	Description		
	Type of program or strategy (e.g. repeated readings, interactive writing, etc.)	Method for delivery of service (e.g., small group, one-to-one, tutoring, etc.)	When the service is provided (e.g., during the school day, before or after school, etc.).
ELA	All 13 level 2 9 th grade students are programmed into one section of E1	Class size is limited to 13 level 2 students allowing the advantage of small class size for struggling students	Class during the school day
Mathematics			
Science			
Social Studies			
At-risk services (e.g. provided by the Guidance Counselor, School Psychologist, Social Worker, etc.)	Individual counseling, group counseling, parent/student academic conferences	One-to-one, small group, parent, student, counselor and teacher intervention session	During the school day. After school and Saturdays when requested.

HIGHLY QUALIFIED TEACHERS (HQT)

Teaching candidates are hired centrally by the NYCDOE. As described in the NYCDOE Consolidated Application, this process ensures that all NYCDOE teachers meet State eligibility requirements. Schools, in turn, ensure that teachers are HQT, as defined by NCLB

Describe the strategies and activities including strategies for recruitment, retention, assignments and support including High Quality professional development that ensures staff is highly qualified.

Retaining and maintaining highly effective teachers is essential to building a strong academic and collegial community. We have built relationships with universities such as CUNY at Queens College and Columbia University's Teacher's College education programs. Their college students, student teach, and complete their field work with us at Frank Sinatra School of the Arts. We have a constant flow of resumes that come to our building, we have former student teachers who apply for possible positions, and we always share the possibility of openings with our FSSA faculty to help recruit qualified potential teachers.

Teacher retainment is essential and we have monthly Academic, Department, and Faculty meetings which provide a forum for sharing information and providing professional development to all our teachers. First year teachers are assigned a teacher mentor and the AP of that discipline meets with them on a weekly basis.

**DIRECTIONS AND GUIDANCE FOR DEVELOPING OR UPDATING
THE PARENT INVOLVEMENT POLICY (PIP) (A REQUIREMENT FOR TITLE I SCHOOLS ONLY)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template below to update your school's current policy or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. The activities and/or strategies included in your school's policy should align with current CEP goals for improving student achievement.

~~The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if your school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in your policy.~~

PARENT INVOLVEMENT POLICY (PIP) TEMPLATE

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. Our school will support parents and families of Title I students by:

Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, our school will:

The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;

- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This LAP form, an appendix of the CEP, also incorporates information required for CR Part 154 funding so that a separate submission is no longer required. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them in the submission form.

Advanced students receive 1 period (47 minutes each) in a classroom setting. We currently have 1 11th grade student and 1 12th grade student. Teacher is a certified ESL teacher who uses scaffolding technique and strategies to assist students with grammar, writing, research and topics covered in content areas. Furthermore, teacher works with content-area teachers to assist in ideas and methodologies, which can assist the students in use of prior knowledge and vocabulary to understand the topics being reviewed and taught. Because the ESL class has students from Korean and Haitian backgrounds, the teacher uses English-only methods to assist the students and promote language acquisition. Word walls, use of outlining, use of laptops to rewrite notes and research, use of index cards for vocabulary review, and provide students with a well-rounded access to diverse ways of learning.

- Staff has been advised of the LEP students and has been given information, which offers techniques and methodologies that can be applied to their everyday teaching. ESL teacher also attends content area classes to help with note taking, group work, and readings in both the English and Social Studies areas and meets with teachers to create ideas, strategies and discuss pupil progress.
- Staff numbers – presently, we have an AP of Guidance, 2 guidance counselors, 1 social worker, 1 certified ESL teacher, as well as, a Pupil Personnel Team which involves the Guidance, Administration, and other academic teachers who make suggestions for teaching strategies and academic intervention.
- Teacher conferences allow for meeting with the faculty to inform of techniques, resources, and references which can be made available to assist the needs of our students.
- These meetings also allow ESL Coordinator to take suggestions from teachers as to their perspective of student's progress and behavior towards the target language.
- Suggestions of differentiated learning and scenarios are presented.
- Language development strategies are presented and explained for teachers to measure the level of understanding students may achieve in their classes.

LANGUAGE TRANSLATION AND INTERPRETATION 2011-2012

CEP Appendix 7

Requirement under Chancellor's Regulations – for all schools

DBN: **30Q501** School Name: **Frank Sinatra**

Cluster: **2** Network: **201**

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

Results of home language surveys were compiled as was feedback from the parent coordinator, teachers, supervisors, guidance staff and the designated LAB and BESIS teacher. The survey indicated translation needs in languages other than English, for parents of ELL students as well as parents of non ELL students whose language is other than English

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

Formal and informal conversations with teachers, supervisors, students, guidance counselors and parents identified the needs for written translation and oral interpretation needs. These findings were shared during department meetings.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

Translation services will be needed for the following documents into several languages (Spanish, Chinese, other) done in-house:

- a. Student Handbook
- b. College Handbook
- c. Guidance Newsletter
- d. PTA Newsletter
- e. Miscellaneous documents including school papers and records for various countries

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Translators are needed to assist non-English speaking parents during Open School conferences to obtain information from teachers regarding their child's academic progress. Translators will help parents to understand the school's rules and regulations, academic standards and the types of assessments used for the evaluation of student work. Services are mostly done in-house with the backup of interpretation services available.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link:
<http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

Flyers are backpacked.
A multi-language phone master is employed repeatedly.
Conferences in native languages would be held several times during the year.
