School Leadership Team (SLT) Signature Page

Use this page to identify SLT members and confirm their participation in the development of this School Comprehensive Educational Plan (SCEP), which includes goals and action plans, a summary of Academic Intervention Services (AIS), and the Parent Involvement Policy (PIP). The signatures of SLT members indicate their participation in the development of the SCEP and serve as confirmation that consultation has occurred to align funding in support of educational programs. The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with the Chancellor’s Regulation A-655, available on the NYC DOE Web site.

Directions:

1. List each SLT member in the left-hand column on the chart below. Specify any position held by the team member, e.g., Chairperson, SLT Secretary and the constituent group represented, e.g., parent, staff, student, or CBO. Core mandatory SLT members are indicated by an asterisk*.
2. Ensure that SLT members review this document and sign in the right-hand column in blue ink. If an SLT member does not wish to sign this plan, he/she may attach a written explanation in lieu of his/her signature**.
3. Add rows as needed to ensure that all SLT members are listed.
4. The original copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.
5. Names of SLT members must be added to this form for posting. The signed original documents must be maintained on file at the school.

Note: If for any reason a SLT member does not wish to sign this plan, he/she may attach an explanation in lieu of his/her signature which must be maintained on file at the school with the original SLT signature page.

Comprehensive Education Plan (CEP) Requirements

Which Schools Need to Complete the CEP?

All Reward, Recognition, In Good Standing and Local Assistance Plan (LAP) schools should identify and submit annual goals and action plans in consultation with their School Leadership Team (SLT).

- Explicitly delineate the school's plan for annually increasing student performance through comprehensive instructional programs and services as well as the plan for enhancement of teacher and leader effectiveness.
- Address how the school will use its full range of resources (which may include but is not limited to Title I, Title II, and/or Title III, 1003(a) and/or 1003(g) School Improvement, Race to the Top, School Innovation or local funds) to support improvement efforts for the identified sub-group(s) on the identified accountability measures.
- Develop the CEP in consultation with parents, school staff, the School Leadership Team (SLT), and others in accordance with the requirements of Chancellor's Regulations A-655 to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the CEP before it is approved.

Guidance for Developing and Completing the Annual Goals and Action Plan Section

Goal setting for the CEP is done in collaboration with the school community to support student achievement and the implementation of school-wide goals as well as document how your school is meeting Federal, State, and City regulations. For SY 2013-14 when developing their goals, schools should do the following:

- Identify a minimum of three and a maximum of five annual goals.
- Align their goals with the current citywide instructional expectations.
- Develop goals that are "SMART" - specific, measurable, achievable, realistic, and time-bound.
- Conduct a needs assessment of your school
- Use quantitative and/or qualitative data in providing the rationale for each goal.
- Cite sources that contributed to the rationale such as the Progress Report, Quality Review, School Survey, state and school assessment results, attendance records, inquiry team work, etc. to form the basis of your needs assessment.
- Align the identified goals to the strategies and activities in your Parent Involvement Policy (PIP). The PIP template is provided on pages 12 and 13. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP so they directly align to the parent involvement activities that support each goal and action plan. All schools should cite strategies to increase parent involvement that align to the goal when applicable. Title I schools should reference these strategies and activities in the school's Title I Parent Involvement Policy (PIP).
- Enumerate the strategies and activities that will be implemented to achieve each goal.
- Identify all fund sources that will be used for the completion of each activity.
- List the projected timeline for completion of each activity, including the start and end date of each activity.
- Describe the programmatic details and resources that will be used for each instructional strategy and activity described for each goal. Do not include the cost for each line-item-expenditure for the strategies and activities listed within the action plans.

School Receiving Title I Funds

School Wide Program (SWP) and Targeted Assistance (TA) Schools receiving Title I funds are required to complete the Title I Information Page located on page 11 of the CEP.

Goal and Action Plan #1

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #1

Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

By June 2014, 10% of the English Language Learners (ELLs) tested will make gains of one proficiency level in reading and writing as evident by the NYSESLAT scores

Comprehensive Needs Assessment

Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students, in relation to State academic content and student achievement standards.

After conducting a needs assessment of student performance on the NYSESLAT we noticed the percentage of students performing at the proficiency level in reading and writing on grades 2-5 was consistently lower than students performing at the proficiency level in listening and speaking on the same grade levels. The ELLs were also a targeted group because on the 2009-2010 report cards, this subgroup did not make AYP.

Instructional Strategies/Activities

Describe the research-based school wide reform instructional strategies and activities that will be used to achieve the goal in part A. Enumerate each strategy/activity and its corresponding subsection in parts B, C, D, and E. For each strategy/activity identified in part A, a corresponding item must be provided in parts B, C, D, and E.

A. Strategies/activities that encompass the needs of identified subgroups

1. Professional Development: PD will be given on the following topics: Analyzing NYSESLAT data; using data for goal setting and reflection; differentiated instruction with a focus on ELLs
2. Language Arts Programs: Programs focusing on phonics, decoding, vocabulary development, and reading comprehension; small group instruction using various language arts programs depending on the levels of the students
3. Extended Day Program: Students receive additional instruction in ELA after school hours

B. Key personnel and other resources used to implement each strategy/activity

1. Responsible staff members: Bilingual/ESL Strategist, Staff Developers, Data Specialist, and Administration
2. Classroom Teachers and ESL Teachers and A Certified ESL/BL teacher has been hired to work with small groups of newcomer ELLs
3. Classroom Teachers

C. Identify targets to evaluate the progress, effectiveness, and impact of each strategy/activity

1. Target Population: Teachers servicing ELLs and students in the ELL subgroup
2. Students in the ELL subgroup
3. ELL students

D. Timeline for implementation and completion including start and end dates

1. Implementation Timeline: September 2013 through June 2014
2. Implementation Timeline: September 2013 through June 2014
3. Implementation Timeline: November 2014 through May 2014

E. Describe programmatic details and resources that will be used to support each instructional strategy/activity

1. Teachers will meet in horizontal and vertical teacher teams to discuss NYSESLAT data and the progression of the ELLs
2. Teachers will discuss what differentiation strategies are successful with the ELLs to improve their reading and writing skills
3. Various teacher teams are involved in the gathering of information and analyzing data for improvement purposes – Teacher Teams, School Leadership Team, Common Core Pilot Team, UFT consultation team, Curriculum Team, and grade conferences

Strategies to Increase Parental Involvement

All schools should cite strategies to increase parent involvement that aligned to the goal when applicable. Title I schools should reference these activities in your school's Title I Parent Involvement Policy (PIP).

- Parents will be invited to attend monthly parent workshops. The parent sessions will address various topics of interest to ELL parents including strategies in reading and writing for the ELL.
- The parent coordinator will work with teachers and parent representatives to develop a menu of workshops that interest and support parent engagement in the school. Parent workshops will be directed by Bilingual and ESL certified teachers on the first Wednesday of each month.
- Parents will be invited to participate in ESL language acquisition sessions designed for adult learners.

All written communications being sent home in English will be translated. Parent coordinators and Family Assistants will support efforts to involve parents in the school and community. Interpreters will facilitate communication with parents in Native Language where available.

Goal and Action Plan #2

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #2

Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.
By June 2014, the 35 students with disabilities (SWD) in the 3 rd , 4 th , and 5 th grade self contained classes will improve proficiency in ELA and Math as evidenced by a 4% increase in scale score on the New York State ELA and Math assessments.

Comprehensive Needs Assessment

Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students, in relation to State academic content and student achievement standards.
After conducting a needs assessment of student performance on the New York State ELA and Math assessments we noticed the Students with Disabilities, 2.9% of self contained in ELA and Math, were level 3 or 4

Instructional Strategies/Activities

Describe the research-based school wide reform instructional strategies and activities that will be used to achieve the goal in part A. Enumerate each strategy/activity and its corresponding subsection in parts B, C, D, and E. For each strategy/activity identified in part A, a corresponding item must be provided in parts B, C, D, and E.
A. Strategies/activities that encompass the needs of identified subgroups
<ol style="list-style-type: none">1. <u>Professional Development</u>: PD will be given on the following topics: SESIS, using Schoolnet to create groups of students with IEPs, using the IEPs to differentiate instruction, and analyzing data to set goals and to meet the needs of individual students2. <u>Promoting Collaboration</u>: SWD support staff (IEP Teacher, Literacy coach, CFN personnel) will support SWD Teachers with PD workshops. In addition, SWD Teachers will meet during common planning periods to analyze data and develop an action plan to meet the needs of SWD.

Strategies to Increase Parental Involvement

All schools should cite strategies to increase parent involvement that aligned to the goal when applicable. Title I schools should reference these activities in your school's Title I Parent Involvement Policy (PIP).

- Parents will be invited to attend parent workshops. The parent sessions will address strategies to promote ELA and Math skills to parents of students with disabilities.
- The parent coordinator will work with teachers, ELI and parent representatives to develop a menu of workshops that interest and support parents of students with disabilities.
- Parents will also be invited to participate and be trained in the Learning Leaders Program so they can be volunteer tutors in the classrooms.
- Workshops will be given in the native language on topics such as understanding the IEP, rights and responsibilities of parent and students, school grading policy and procedures for parent teacher conferences.
- P.S. 7 have created a family room to support our very active PTA. The family room may be used to share strategies and discuss how parents with SWD work with their children at home when it comes to schoolwork.
- Workshops will be provided on how to use ARIS Parent Link and view their child's performance on ELA and Math assessments.
- The parent coordinator and other staff will attend monthly PTA meetings to share information and respond to parent questions and inquiries.

Goal and Action Plan #3

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #3

Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

By June 2014, 75% of the 4th and 5th grade Target Population students will demonstrate progress as measured by a 5 point increase in their scale scores on the NYS ELA exam

Comprehensive Needs Assessment

Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students, in relation to State academic content and student achievement standards.

- The barriers preventing the school's continuous improvement are lack of resources.
- Ways to overcome these barriers:
 1. Scheduling differentiated Professional Development
 2. Workshops for teachers
 3. Inviting all students to the extended day Program and administer mock tests to grades 4-5

Instructional Strategies/Activities

Describe the research-based school wide reform instructional strategies and activities that will be used to achieve the goal in part A. Enumerate each strategy/activity and its corresponding subsection in parts B, C, D, and E. For each strategy/activity identified in part A, a corresponding item must be provided in parts B, C, D, and E.

A. Strategies/activities that encompass the needs of identified subgroups

1. Academic Intervention Services (AIS): AIS teachers will utilize the System 44 and Read 180 program for immediate access to targeted instruction based on ongoing assessments, the resource room teacher provides feedback to classroom teacher to support strengths and challenges as well as provide documentation of assessments
2. Analyzing data using formal and informal assessments: Classroom teachers assess using running records, DRA, conferences, EL SOL, EPAL, Acuity and project based assessments to group students by need.
3. Saturday Academy: Student who scored a 1 or 2 on the exam that did not attend summer school
4. Extended Day Program: Students receive additional instruction in ELA after school hours

Academic Intervention Services (AIS)

Schools need to maintain accurate records of students who are receiving Academic Intervention Services to ensure that students who are not at proficiency receive effective and timely assistance. These records need to be made available upon request and indicate the total number of students receiving AIS in each subject area listed below and for each applicable grade in your school.

Description

Type of Academic Intervention Service (AIS)	Type of Program or strategy (e.g. repeated readings, interactive writings, etc.)	Method for delivery of service (e.g. small group, one-to-one, tutoring, etc.)	When the service is provided (e.g. during the school day, before or after school, etc.)
ELA	Morning Intervention for grades 1-5 focused on small groups- RTI in vocabulary and reading comprehension provided by all teachers; daily push -in for small group using-guided reading, book clubs, double dose, etc - provided by all teachers; resource teacher; AIS teacher utilizing System 44 and Read 180 as Journeys, CCLS ready for test prep during the day and Kaplan during Extended day.	Small group	Morning Intervention, Push-In, Extended Day
Mathematics	Morning Intervention Math Steps, Kaplan Advantage and Coach test prep twice a week; CCLS ready for test prep during day and Kaplan during Extended day.	Small groups	Morning Intervention
Science	Extended Day for grades 3-5 focused on small guided groups-FOSS Harcourt based on NYS curriculum aligned with the Common Core Learning Standard and Kaplan. Instruction is differentiated according to students' learning styles and readiness. All students in grades Pre-K-5 will work on and develop a science project for a school science fair.	small guided groups	Morning Intervention and Extended day for grades 3-5
Social Studies	Integrated with ELA	Small groups	Morning intervention, push in
At-risk services (e.g. provided by the Guidance Counselor, School Psychologist, Social Worker, etc.)	30-minute sessions.	group counseling	Pull out program

Transition Plans to Assist Preschool Children (Elementary Schools Only)

Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/info, early intervention services, etc.).
Preschool students are exposed to the Pre-K CCSS. Teachers are involved in the curriculum mapping process and P.O. through the school and network. The Pre-K social worker and family worker together provide workshops to the families to keep them updated on current practices. Pre-K teachers complete articulation sheets and portfolios to share with Kindergarten teachers.

Measures to Include Teachers in Decisions Regarding Assessments

Describe the decision making process that teachers participate in regarding the use and selection of appropriate multiple assessment measures and the professional development provided regarding the use of assessment results to improve instruction.
The curriculum team and instructional leads meet regularly to discuss Measurement of Student Learning(MOSL) and in-house assessment opportunities. The Journeys and Go Math provide targeted assessments based on the curriculum and CCSS. The inquiry teams along with the coaches, analyze the data collection from multiple sources and plan specific focused P.O. based on findings to improve teacher practice and student learning.

TA Schools Only

Use of Program Resources

Describe how the TA program resources will assist participating children to meet proficiency.

TA Coordination with the Regular Program

Describe the planning, coordination and support of the TA program with the regular educational program (i.e., providing ELT, accelerated, high-quality curriculum, including applied learning; and minimize removing children from the regular classroom during regular school day).

ill be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in your policy.

Public School Seven

Statement of Parent Policy

P.S. 7 is committed to developing and implementing a parent policy that fosters a partnership between the home, school and community. P.S. 7 commits to the following:

- _The school will join parents in providing for the health and safety of our children, and in the maintenance of a home environment that encourages learning and positive behavior in schools. The Department of Education Discipline Code and Code of Conduct will be distributed to all families. P.S. 7 will hold monthly safety committee meetings to help maintain a safe environment that is conducive to learning. Youth officers of the 75th Precinct will be invited to all safety meetings. The school will provide training and information to help families understand their children's development and how to support the changes the children undergo.

- _The school will reach out to provide parents with information about school programs and student progress. This will include our annual Open House in September, phone calls, report cards, parent conferences, as well as new information on topics like school choice. Grade checklists will be provided to parents in order to make them aware of what the expectations are. Communication will be in a form that families find understandable and useful. All correspondence sent home would be translated to Spanish. Our Comprehensive Education Plan will be available in the P.T.A. office. Parents on the leadership team will be able to turnkey curriculum information to parents who have questions on what their child is learning.

- _At an Open House, the parents of English Language Learners/Limited English Proficiency (ELL/LEP) students will receive an orientation session on state standards assessment program, portfolios, school expectations and general program requirements for bilingual education and/or free standing ESL programs.

- _Parents can make a significant contribution to the environment and functioning of our school. Our school will encourage parent volunteerism and make every effort to match the experience and talents of our parents to the needs of the school. A parent volunteer survey will be distributed and we will be able to identify the parents who can assist and how. Also, we will make parents aware that the P.S. 7 parent volunteer program is structured as well as a flexible program.

- _With the guidance and support of the school, family members can assist their children with homework and other school related activities. Our school will encourage parents to join in learning activities at home (library cards, home reading corner, Parent Teacher Association (PTA) resource centers, book sales, following directions, reading recipes, etc.). Our literacy and math coaches will conduct parent workshops to help parents acquire study skills they can use with their children. K-2 students will receive Home/School folders and Third, Fourth and Fifth graders will receive agenda books to help improve parent/teacher daily communication.

- _The school will work to assist parents in having meaningful roles in the school decision-making process. The school will provide parents with training and information so they can make the most of this opportunity. Monthly School Leadership Team meetings will be held for all interested parties to attend. Parents who are members in the leadership team will participate in professional development to better help them conduct in-house PASS reviews, assess portfolio work, review the Technology plan and utilize the school's Comprehensive Educational Plan. Parent concern forms will be kept in the main office for parents who have any and all concerns. The concern forms will be forwarded to the appropriate staff that will contact the parent within 24 hours of receipt.

- _The school will help parents gain access to support services by other agencies, such as health care, Academic Intervention Services (AIS), and childcare programs. A list of referrals to community resources and agencies will be kept in the offices of the guidance counselor, Crisis Intervention Teacher, Academic Intervention Service teachers.

- Parents will be encouraged to attend monthly P.T.A. meetings. When necessary, translators will be available, so those parents will

understand all of the proceedings at PTA meetings. Additional accommodations will be made for parents with disabilities so that they too can attend meetings.

- Through the efforts of the Parent Coordinator, the PTA President with CFN support, an outreach will be made to parents of students in temporary housing (STH) so that these families will be involved in all parent/school activities.
- Parents will be invited to attend culminating celebrations marking their child's success at the school. Grade assemblies will be held to celebrate academics and the arts at our school.
- Student of the month celebrations will be held in conjunction with PTA meetings and an Award's Assembly will be held at the end of each year.
- School publications (i.e. pamphlets, newsletters, and letters to parents) will be used to apprise parents of important upcoming events including testing dates, school events and open school. Agenda books for third, fourth and fifth graders will be an additional way to inform parents of upcoming events.
- Parents can stay in constant communication with the school through EChalk and the ARIS Parent Link.
- After school and/or weekend English as a Second Language (ESL), Special Needs and Computer workshops will be held for parents.

Parent workshops will focus on basic educational concerns, health care, and financial planning.

Professional Development:

Monthly professional development for parents provided by CFN, coaches and parent coordinators. This professional development will focus on school life for students, curriculum standards, assessments, and health and medical issues for families.

Professional Development is provided by professionals at monthly PTA meetings in areas of health, school curriculum, assessment and other matters pertaining to family social and educational issues.

Professional Development is provided for parents on the School Leadership Team (SLT) in order to assist team members in making informed decisions about school matters. Our chairperson will help to explain the budget and how it affects and coincides with our Comprehensive Educational Plan.

ELL Professional Development: Monthly ESL/Bilingual professional development will be made available to all parents of ELLs. Parents will be afforded opportunities to learn about NYS-ESL standards, instructional strategies and NYS and NYC assessments given to their children.

Students with disabilities/Professional Development: Monthly professional development will be made available to all parents of students with disabilities. Parents will be afforded opportunities to learn about NYS standards, instructional strategies and NYS and NYC assessments given to their children.

Annual evaluation of the Parent Involvement Policy

At the end of each year, the school's parent involvement policy will be evaluated for its usefulness in meeting the needs of all parents of students at the school. This evaluation will be coordinated with the executives of the PTA and the school's parent coordinator and administration. The book, *School, Family, and Community-Techniques and Models for Successful Collaboration* by Michael J. Dietz, will be utilized to guide us in evaluating our current parent volunteer program.

SCHOOL-PARENT COMPACT
REQUIRED OF ALL SCHOOLS
MAY BE LAST YEARS BUT MUST BE UPDATED

2013/2014

Title I School-Parent Compact Framework

The school and parents working cooperatively to provide for the successful education of their children agree:

P.S. 7K will:

P.S. 7, and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards. This school-parent compact is in effect during school year 2012/13.

P.S. 7 will:

- Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables participating children to meet the State's student achievement standards as follows:
 - Hold parent-teacher conferences (at least twice annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement. Specifically, these conferences will be held: November 2012 and March 2013.
 - Provide parents with frequent reports on their children's progress.
 - Provide parents reasonable access to staff. Specifically, staff will be available for consultation with parents as follows:
 - During teacher preparatory periods.
- Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities, as follows:

Parents may join the Learning Leaders Program to be fully trained and have access to volunteer inside our classrooms. Parents who are not trained may contact the Parent Coordinator.

- Involve parents in the planning, review, and improvement of the school's parental involvement policy, in an organized, ongoing, and timely way.
- Involve parents in the joint development of any School wide Program plan (for SWP schools), in an organized, ongoing, and timely way.
- Hold an annual meeting to inform parents of the school's participation in Title I, Part A programs, and to explain the Title I, Part A requirements, and the right of parents to be involved in Title I, Part A programs. The school will convene the meeting at a convenient time to parents, and will offer a flexible number of additional parental involvement meetings, such as in the morning or evening, so that as many parents as possible are able to attend. The school will invite to this meeting all parents of children participating in Title I, Part A programs (participating students), and will encourage them to attend.

- Provide information to parents of participating students in an understandable and uniform format, including alternative formats upon the request of parents with disabilities, and, to the extent practicable, in a language that parents can understand.
- Provide to parents of participating children information in a timely manner about Title I, Part A programs that includes a description and explanation of the school’s curriculum, the forms of academic assessment used to measure children’s progress, and the proficiency levels students are expected to meet.
- On the request of parents, provide opportunities for regular meetings for parents to formulate suggestions, and to participate, as appropriate, in decisions about the education of their children. The school will respond to any such suggestions as soon as practicably possible.
- Provide to each parent an individual student report about the performance of their child on the State assessment in at least math, language arts and reading.
- Provide each parent timely notice when their child has been assigned or has been taught for four (4) or more consecutive weeks by a teacher who is not highly qualified within the meaning of the term in section 200.56 of the Title I.

The Parent/Guardian will:

Support their children’s learning by:

- Promoting positive use of my child’s extracurricular time
- Monitoring attendance
- Making sure that homework is completed
- Monitoring amount of television their children watch
- Volunteering in my child’s classroom
- Participating as appropriate, in decisions relating to my children’s education.
- Promoting positive use of my child’s extracurricular time.
- Staying informed about my child’s education and communicating with the school by promptly reading all notices from the school or the school district either received by my child or by mail and responding, as appropriate.
- Serving, to the extent possible, on policy advisory groups, such as being the Title I, Part A parent representative on the School Leadership Team, the Title I Policy Advisory Committee, the District wide Policy Advisory Council, the State’s Committee of Practitioners, the School Support Team or other school advisory or policy groups.

The Student will:

Student Responsibilities:

I, as a student, will share the responsibility to improve my academic achievement and achieve the State’s high standards.

Specifically, I will:

- Do my homework every day and ask for help when I need to.
- Read at least 30 minutes every day outside of school time.
- Attend school regularly and arrive on time.
- Follow school rules and be responsible for my actions.
- Give to my parents or the adult who is responsible for my welfare all notices and information received by me from my school every day.

SUBMISSION FORM
2013-14 TO 2014-15 SCHOOL YEARS**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This is a two-year plan on how schools will support ELLs' linguistic and academic needs. This LAP form is a part of the school's CEP. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, hold your cursor over the .

After reviewing and analyzing the assessment data, answer the following:

1. Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How will this data help inform your school's instructional plan? Please provide any quantitative data available to support your response.

P.S. 7 uses the following assessments to identify early literacy skills for ELLs:

- a. Fountas and Pinnell
- b. Journey's Diagnostic assessments
- c. Citywide performance tasks
- d. LAB-R for newly arrived ELLs

These assessments identify both areas of strengths and weaknesses. The data is analyzed and used to decide instructional programs, teachers, resources and materials. Presently, P.S. 7 has the following instructional programs:

- ESL Pull-out
- Transitional bilingual
- Self-contained ESL classes
- Small group instruction
- Saturday Academy
- Extended Day
- 37.5 minute morning intervention
- Read 180

The trends and patterns revealed by the data are that the lower grades fare lower in listening, reading and writing. As a result, for the lower grades, they are invited to participate in our 37.5 minutes morning intervention program. The programs used during that time are FUndations, the Write-In Reader, Read Alouds, and an additional writing component. The upper grades tend to score lower in reading and writing; therefore, they too are invited to our morning intervention program. During that time, students work on reading passages in content areas to reinforce skills and strategies. ELLs are also invited to our Extended Day Academy where they focus on grammar, reading, and writing that aligns to the data findings.

In ordering literacy materials for our Journeys program, we included language support cards for vocabulary development, as well as ELL leveled readers with visual support for developing vocabulary. Books align to the themes and content for whole group instruction.

For writing, teachers utilize different graphic organizers and performance based tasks for all grades.

2. What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?

Upon analyzing the data, we discovered the following;

LAB-R:

Mostly kindergarten aged students who score at beginner level

NYSESLAT:

- Lower Grades performed low in listening, reading and writing
- Upper Grades-lowest performing scores are in reading and writing

3. How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions? How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAO tool](#))

The following instructional decisions were made based on the NYSESLAT scores;

- a. All ESL classes will integrate the use of technology. Teachers will share various websites that address meeting the needs of ELLs.
- b. The implementation of a new literacy program that has an ESL component.
- c. All ELLs are invited to attend morning intervention, extended day and Saturday Academy.
- d. Two ESL teachers and an F-Status position were created to provide small group pull-out services organized by students' levels of proficiency.

These decisions are made by our Data Specialist, ESL Coordinator, Administration and Instructional Leaders per grade.

4. For each program, answer the following:

- a. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
- b. Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.

c. What is the school learning about ELLs from the Periodic Assessments? How is the native language used?

The patterns we have found that are consistent are the lower grades score at beginner level, while the upper grades tend to score more at the advanced proficiency level. We are awaiting the results of the ELL Periodic Assessment for the current school year.

5. Describe how your school uses data to guide instruction for ELLs within the Response to Intervention (RtI) framework (for grades K-5). (see [RtI Guide for Teachers of ELLs](#).)

We use the data to analyze commonalities and to create small groups based on areas of need. Also, to create intervention periods, ie. 37.5 morning intervention.

6. How do you make sure that a child's second language development is considered in instructional decisions?

Based on various assessments, both formal and informal, including observations.

7. For dual language programs, answer the following:

a. How are the English-proficient students (EPs) assessed in the second (target) language?

b. What is the level of language proficiency in the second (target) language for EPs?

c. How are EPs performing on State and City Assessments?

Based on parent choice, P.S. 7 does not currently offer a dual language program.

8. Describe how you evaluate the success of your programs for ELLs (e.g. meeting AYP for ELLs, etc.).

Our school has just adapted new programs in both literacy and math, and therefore are unable to evaluate the programs' success as of yet. However, both programs offer weekly assessments, as well as benchmarks and performance tasks.

Part IV: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. (Refer to [ELL Policy Brief](#) and [EPIC](#).)

Upon initial registration, all parents or guardians are required to complete a Home Language Identification Survey (HLIS). This survey is completed by the parent with the assistance of our licensed ESL teacher, Ms. E. Vasquez. Assistance is also provided to parents in Spanish. As per the Aspira Consent Decree and Part 154, a licensed pedagogue conducts an informal interview with the parent and new students entering the school system in both English and their native language. The HLIS is then reviewed by a licensed ESL teacher, Ms. Vasquez, to determine if there is another language spoken in the child's home. If the home language is other than English, the child is found eligible for the Language Assessment Battery Revised (LAB-R). The LAB-R is then administered by a licensed pedagogue, Ms. Vasquez or Ms. Delle. If the child does not pass the LAB-R, the Spanish LAB-R is then administered by Ms. Vasquez to those students whose native language is Spanish. Parents are then notified in writing of the testing results, and invited to attend a Parent Orientation where they will select their child's program. This process is completed within ten days of enrollment.

2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.

After being tested and the child is identified as an English Language Learner, an entitlement letter is then sent home to parents in English and Spanish to inform them about their child's identification. At that time, parents are sent an invitation letter home inviting them to attend a Parent Orientation, where the parent will learn about the three bilingual programs offered by the NYC Public School System. At this orientation, parents are given the option to select the program they wish their child to attend. This process takes place within ten days of the child entering into the school. Every effort is made by teachers, ESL staff and Parent Coordinator to reach parents by letter, phone and at arrival/dismissal times so that they are made aware of the program choices. Parent Orientations are conducted by our ESL Teachers, Ms. Vasquez and Ms. Delle, as well as our Assistant Principal, Ms. Abrego, and our Parent Coordinator, Ms. Perez who also translate orientation information in Spanish. Orientations take place in

the mornings immediately after student arrival, as well as prior to dismissal, as parents are dropping-off and picking-up their child to and from school. Parent Orientations are also administered on an appointment basis at the convenience of the parents schedule. In order to enable parents to make sound educational decisions as to which program best meets the needs of their child, parents participate in several activities before they make a decision. Parents view a parent information video online where program placement options are presented with clarity and objectivity. This parent orientation video is available in nine languages. This video gives a detailed description of the three program choices (TBE, Dual Language, ESL). Parent brochures are disseminated in their native language to enrich the understanding of each available program. Parents complete the Parent Survey and Program Selection forms, and the school will conform to the parental choice selections. The parents are then given options to select what program their ELL child will participate in for the academic year 2013-2014 through the completion of the Parent Survey. All forms are collected by our licensed ESL Coordinator at the orientation, or after a scheduled consultation meeting with a licensed ESL pedagogogue. All forms are copied and then placed in the child's cumulative record, and a copy is kept on file with the pupil accounting secretary in our main office. Parent Orientations are conducted twice a week by our licensed ESL Coordinator, Ms. Vasquez, during the firsts two months of the school year, and periodically as needed thereafter. Should parents select a program that is currently unavailable in our school, we inform them of their right to transfer their child to another school which offers the program. We also give them the option to place their name and telephone number on a list to be called should we receive 15 or more parent requests for a program amongst two consecutive grade levels.

3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned, and secured/stored. (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [\[see tool kit\]](#).)

After students are identified by the RLER report as eligible to be tested in the LAB-R, students are tested by licensed pedagogues. If students' results find them eligible for ESL services, parents are sent home an entitlement letter and an invitation letter by the ESL Coordinator, Ms. Vasquez, inviting them to attend a Parent Orientation, where the parent will learn about the three bilingual programs offered by the NYC Public School System. At this orientation, conducted by our ESL Coordinator, parents are given the option to select the program they wish their child to attend by completing a Parent Survey and Program Selection form. The original forms are placed in each students' cumulative record by Ms. Vasquez, and copies are kept on file in the main office with the Pupil Accounting Secretary, Ms. Mitjans. This process takes place within ten days of the child entering into the school. Every effort is made by teachers, ESL staff and the Parent Coordinator, Ana Perez, to reach parents by letter, phone and at arrival/dismissal times so that they are made aware of the program choices. Parent Orientations are conducted in the mornings immediately after student arrival, as well as prior to dismissal, as parents are picking-up their child to and from school. Parent Orientations are also administered on an appointment basis at the convenience of the parents schedule.

In addition to the newly entitled ELLs, current ELLs are identified by the RLAT as eligible to continue receiving ESL services. Once identified, a Continued Entitlement letter is sent home to each parent by our ESL Coordinator, Ms. Vasquez, where parents will select which program they would like their child to continue to receive services. Once returned, these Continued Entitlement letters are kept in a folder in the ESL Compliance binder.

4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.

After parents have completed a parent survey and selected the program they wish their child to attend, forms are evaluated by our ESL Coordinator. The parent choice is updated in the ELPC screen on ATS within 20 days of enrollment. Placement letters are sent home by our ESL Coordinator, notifying the parent of which program their child has been placed. Copies of the letters are also placed in the ESL Compliance binder along with COntinued Entiltment letters for current ELLs. Students are then placed in their program based on the parent's choice (TBE/ESL). Parents who have chosen the Dual Language Program will be notified at the orientation that our school does not offer the program; however, they will be instructed by our ESL and Parent Coordinator on ways to survey the community or contact public officials on how to organize and make the Dual Language program available in the community.

Once placed in a program, all ELLs are administered the NYSESLAT proficiency exam to evaluate their level of English proficiency. This test is administered annually until the student scores at a level of proficiency in English. Students to be tested are identified by the RLAT report printed on the ATS system. A testing schedule is put into place by the ESL Coordinator and Testing Coordinator during the NYSESLAT testing window to ensure that all four components of the test are administered to all ELLs. Make-up dates are also provided for students who are absent during the testing period. The school uses the results of this test to determine continued placement, as well as the amount of time for ELA/ESL instruction, and which modalities to target for ELA

and ESL instruction. NYSESLAT result reports are sent home to parents in September with an explanation of their child's NYSESLAT results. In addition, parents are also sent a translated Continued Entitlement letter, where parents indicate the program they wish their child to continue (TBE/ESL). Students are placed according to their parent choice. These entitlement letters are collected and stored by our ESL Coordinator, along with Parent Surveys.

The current trend for parent choice for newly admitted students is the Transitional Bilingual Program. Our largest population of newly identified ELLs are currently in kindergarten. Because our school offers a TBE program in kindergarten, most of our students are able to be placed in their parents' program of choice. For those parents who have selected the TBE program in the third and fourth grades, names and telephone numbers are collected and kept on file in the event that there are 15 or more students to create an abridged TBE class. Should we receive enough parent choice letters to open an abridged TBE or Dual Language class, parents will be notified by phone and mail.

5. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.

All ELLs are administered the NYSESLAT proficiency exam to evaluate their level of English proficiency. This test is administered annually until the student scores at a level of proficiency in English. Students to be tested are identified by the RLAT report printed on the ATS system. A testing schedule is put into place by the ESL Coordinator and Testing Coordinator during the NYSESLAT testing window to ensure that all four components of the test are administered to all ELLs. Licensed Pedagogues who are responsible for administering the test are as follows; Ms. Castillo, Ms. DeLaRosa, Ms. Weiner, Ms. Metelitz, Ms. Roman, Ms. Mifsud, Ms. Delle, Ms. Vasquez, and any other available cluster teachers. Make-up dates are also provided for students who are absent during the testing period. The school uses the results of this test to determine continued placement, as well as the amount of time for ELA/ESL instruction, and which modalities to target for ELA and ESL instruction. NYSESLAT result reports are sent home to parents in September with an explanation of their child's NYSESLAT results. In addition, parents are also sent a translated Continued Entitlement letter, where parents indicate the program they wish their child to continue (TBE/ESL). Students are placed according to their parent choice. These entitlement letters are collected and stored by our ESL Coordinator, along with Parent Surveys.

6. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.) Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. [i](#)

The current trend for parent choice for newly admitted students on the Parent Program Selection Form is the ESL Self-Contained Program. Our largest population of newly identified ELLs are currently in kindergarten (23 students). Because our school currently offers a TBE program in kindergarten, we are in the process of applying for a change of program with the district. For those parents who may have selected the TBE program in all other grades, names and telephone numbers are collected and kept on file in the event that there are 15 or more students to create an abridged TBE class. Should we receive enough parent choice letters to open an abridged TBE or Dual Language class, parents will be notified by phone and mail.

An additional trend that we have noticed as a result of Parent Choice for all grades other than kindergarten is that the parents of current ELLs most often always select ESL Services as their choice on the Continued Entitlement Letters. As a result of various assessments, as well as the NYSESLAT results, we have found that students show more progress with the ESL Program as compared with the TBE Program.

Part V: ELL Programming

A. Programming and Scheduling Information

1. How is instruction delivered? (see [*The Practitioners' Work Group for Accelerating English Language Learner Student Achievement: Nine Common Features of Successful Programs for ELLs*](#))
 - a. What are the organizational models (e.g., departmentalized, push-in [co-teaching], pull-out, collaborative, self-contained)?
 - b. What are the program models (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogeneous [proficiency level is the same in one class])?

In order to maintain rigorous instruction to meet the individual needs of our ELLs, in the four modalities of listening, speaking, reading and writing, we currently offer self-contained ESL program in grades K through 5. The Journeys literacy program is being used in the all grades which contains a component specifically designed for ELLs. All ELLs receive their mandated instructional time based on the NYSESLAT from a certified classroom teacher who integrates ESL methodologies in collaboration with a certified ESL teacher throughout the scheduled day to ensure that the needs of all the students are being met. Beginner and Intermediate ELLs receive 360 minutes of instruction per week in equal daily allotments from a licensed ESL teacher. Advanced ELLs receive 180 minutes of ESL instruction per week from a licensed ESL teacher, and 180 minutes of ELA instruction also in equal daily allotments. The workshop model of instruction (whole-small-whole) is used in order to provide opportunities for utilizing specific Second Language methodologies. The Four square writing process is used in our school due to its proven success with ELLs since it focuses on gathering details piece by piece. We also have 22 students in Special Education that are ELLs who receive the mandated hours of ESL based on the LAB-R and NYSESLAT assessments.

Pull-out Model:

ESL Pull-out Model helps English language learners meet their academic needs. In this program, licensed ESL teachers work with 6-12 students per group on a daily basis based on their level of English proficiency. Beginner and Intermediate level students are provided with daily ESL services equaling 360 minutes each week. Advanced ELLs are serviced daily for a total of 180 minutes weekly. Through small group direct instruction approach, the program allows ESL students to acquire the academic language necessary to meet their grade standards. The goal of our ESL program is to foster full English proficiency in a supportive classroom environment. Both the ELA and ESL teachers that work with our ELLs in the ESL program are fully certified. Our school is currently working toward homogenously grouping our students so as to adapt the Push-in Model.

In order to help students to progress, we utilize the following practices:

- Collaborative planning between ESL and ELA teachers for each unit.
- Scaffolding is an essential part of the instructional delivery, such as Modeling, Bridging, Schema Building, Contextualization, Text

Representation and Metacognition.

- Peer tutoring
 - Assisting students during work periods, Conferencing with students in and out of class, informal assessments, and running records.
 - Additional small group AIS sessions for each grade prior to all state assessments, to focus on literacy and academic language.
- Beyond explicit ESL, collaboration between teachers means that there is a consideration for the language needs of ELLs. Some aspects of this policy include:
- Content area teachers monitor the understanding of linguistically challenging material and use a variety of phrasings and synonyms to clarify meaning.
 - A licensed bilingual content area teacher and a licensed bilingual F-Status teacher work with ELLs in ESL classes for support in Science and Math using bilingual companion materials, as well as bilingual glossaries. Instruction is differentiated based on the proficiency level of students and follows the curriculum standards.
 - Math teachers devote extra class time to untangling difficult word problems, and require students to make verbal explanations of the problems they work on using math vocabulary. We utilize the Go Math program for all students in grades K-5. All math materials are available in English and Spanish for ESL classes.
 - Social Studies teachers scaffold their instruction with technology, visual aids such as maps, atlases, and illustrations to increase comprehension.
 - Technology is used to support students at varied entry levels with the use of laptops and interactive Smartboards. In addition, students have access to sites such as Starfall and specifically Brainpop for ELLs.

All K- 5th grade English Language Learners participate in Journeys program, which is aligned with the Common Core State Standards. This program differentiates each lesson for ELLs on all levels of proficiency. It also includes a strong phonemic component that is crucial to early literacy development including letter – sound recognition, word study and vocabulary development. Because all of the components of the program are available online, ESL teachers who pull-out students also have access to the same resources being used by the classroom teacher. In accordance with the individual student’s results of the LAB-R and New York State English as a Second Language Achievement Test, students receive the mandated hours of ESL instruction. Beginning and Intermediate students receive 360 minutes a week of ESL instruction. Advanced students receive 180 minutes a week of ESL instruction and 180 minutes of ELA.

These classes modify language instruction to differentiate and accommodate the many language levels of the ELLs participating in the class. In each class grades 2-5, the classroom teacher works with the students to provide instruction in all areas, ELA/ESL, Math, Science and Social Studies. The teachers support student academic language development in ESL. English as a Second Language methodology is infused throughout all subject areas instruction. The students are engaged in content area instruction in both Spanish and English.

2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?

Teachers' schedules in ESL self-contained classes contain allotted periods of time during their literacy block specifically dedicated to 360 minutes of ESL instruction. ESL pull-out teachers' programs are designed to pull out students based on their level of proficiency, which ensures that each student is being pulled-out for the mandated amount of minutes. Beginner and Intermediate students are pulled-out for 360 minutes of ESL instruction each week in equal daily allotments. Advanced students are pulled-out for 180 minutes of ESL instruction each week in equal daily allotments.

3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to foster language development and meet the demands of the Common Core Learning Standards.

Based on the data and language acquisition of the child, parallel instruction (English and Spanish) is implemented in order to ensure quality instruction is received in their dominant language in all content areas. Our Journeys literacy program aligns to the NYS Common Core Learning Standards, as well as the NYC Science and Social Studies Scope and Sequence. The Guided Reading component of the program contains books that are informational and literary texts. Thinking maps are also used throughout content area subjects to develop vocabulary. The Go Math program contains a Spanish component, and various tools, such as math boards, have written instructions in both English and Spanish. Spanish glossaries are also included within the program to provide native language support.

4. How do you ensure that ELLs are appropriately evaluated in their native languages throughout the year?
We currently do not use TBE or Dual Language programs.
5. How do you ensure that ELLs are appropriately evaluated in all four modalities of English acquisition throughout the year?
Due to the large ELL and Special needs population, all programs are designed to address all four modalities, in addition to observations and various assessments. This information is used to guide instruction. Students are evaluated throughout the year using a variety of assessments. Students take weekly reading tests in our Journeys program, where they answer an essential question aligned to the reading skills. Every 5 weeks students are given a unit test that assesses comprehension, vocabulary, phonics and writing. Running Records are also administered three times per year. Reading and writing conferences take place daily.
6. How do you differentiate instruction for ELL subgroups?
 - a. Describe your instructional plan for SIFE.
 - b. Describe your plan for ELLs who have been in US schools less than three years (newcomers)..
 - c. Describe your plan for ELLs receiving service 4 to 6 years.
 - d. Describe your plan for long-term ELLs (completed 6+ years).
 - e. Describe your plan for former ELLs (in years 1 and 2 after testing proficient).

a. Plan for SIFE:

Newcomers who enter with an interrupted education of at least 2 years will be identified by our Pupil Accounting Secretary as

SIFE (Students with Interrupted Formal Education). In PS 7 we have 4 SIFE students, 3 in grade 4, and 1 in grade 5. In order to support the special needs of these students (in addition to the mandated 360 minutes of ESL), a pull-out teacher will provide small group instruction three times a week using explicit teaching of academic language. They will use The Wilson Reading Program to support them in small group settings with individualized attention to meet their special needs. SIFE in grades 4 and 5 will also receive content area instruction in their native language during extended the school day with a certified bilingual teacher. There will be on-going assessments to make sure we are reaching the needs of all our SIFE.

b. Plan for ELLs in US Schools Less than Three Years (Newcomers):

Newcomers who have been in U.S. schools less than three years are also targeted for ESL instruction. They will receive 360 minutes of ESL instruction by a fully certified ESL teacher. In addition, they will also be invited to our morning intervention program. Highly qualified ESL teachers will provide accelerated and explicit teaching of the academic language in all content areas during and after school.

c. Plan for ELLs receiving services 4 to 6 years:

ELL students who have received 4 to 6 years of ESL services will be invited to participate in our extended day and Saturday Academy where they will receive instruction by a licensed ESL teacher who will utilize resources specifically designed for ELLs.

d. Plan for Long-Term ELLs:

Long-term ELLs will be identified by the BESIS report. Long-term ELLs will be closely monitored by the AIS and ESL team to make certain academic progress is occurring. NYSESLAT in collaboration with the ELA, Math, and Science assessments will be analyzed by the team, and a suitable educational plan will be created for long-term ELLs. The information from the data will drive the instruction in class, AIS group, after-school, Saturday Academy and morning intervention programs. Our staff also uses Acuity, which enables educators to identify and select educational resources aligned to the State Board of Education standards, providing the vital information they need to make critical evaluations. Acuity's Math and Reading learning-based assessment programs promote success with robust, technology-enabled interim and formative assessments. Available on the Web and in paper and pencil, Acuity delivers targeted instructional materials to help prepare students for district and state exams and succeed in school and beyond. Acuity has a proven record of success with our ELLs due to the individualization and interactive aspect of its system.

e. Plan for Former ELLs:

Former ELLs will continue to receive the same testing accommodations for ELLs for two years after testing proficient. Former ELLs will continue to be invited to participate in our extended day and Saturday Academy.

7. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?

In addition to technology, our literacy and math programs contain lessons which differentiate instruction for ELLs, RTI and SWD. Teachers scaffold instruction for ELLs using visual aides, interactive smart board activities, bilingual glossaries, TPR activities, word walls, and peer tutoring. Both our Journeys literacy and Go Math programs contain an ESL component, as well as vocabulary and ESL leveled readers.

8. How does your school use curricular, instructional, and scheduling flexibility to enable diverse ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment?

ELLs with special needs will be identified by IEPs. Presently we have twenty ELLs with special needs as identified by their IEPs. The IEP will be analyzed carefully by the push-in, ESL teacher, classroom teacher and the AIS teacher on SESIS to ensure their educational needs are being met. They also have an ESL pullout teacher and an alternate placement paraprofessional.

Our pull-out program ESL teachers who work with SWD create interdisciplinary lessons in collaboration with our self-contained classroom teachers. Literacy and Math Unit pacing calendars are also shared with pull-out ESL teachers. ELL-SWD in the pull-out program are grouped with non-disabled peers and receive the mandated minutes of instruction according to their level of English proficiency.

NOTE: This section refers to classes/subject areas in which the language of instruction is English and another language which all students in the class speak. Do not include:

- classes that are taught in English using books in the native language
- heritage classes
- foreign language (LOTE) classes

B. Programming and Scheduling Information--Continued

9. Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.

An F-Status part time Teacher will be hired to further support beginner level/newcomer ELLs in the classroom. These students are identified by the results of the LAB-R and NYSESLAT. The part time teacher will work two days a week. The F-status teacher will not provide mandated services but will work with the classroom teacher to further support and differentiate instruction for beginner level ELLs and newcomer students in the classroom. Working in a team teaching model with the classroom teacher, the F-status part time bilingual teacher will work in the second grade bilingual class as well as the 3rd grade ESL class focusing on content areas using the ELL component of the Journeys literacy program. In addition, the part time teacher will participate in curriculum development/mapping with the teachers she services. In addition, a licensed bilingual content area teacher will work with small groups of ELLs for support in Science as well as Math. Students during our morning intervention program are using content area passages to develop vocabulary and comprehension skills.

An Extended Day/After School Instructional Program

The extended day program is implemented one hour each day on Tuesdays, Wednesdays, and Thursdays. The program is implemented from September through June. ELLs in grades three (3) and four (4) are provided an opportunity to participate in small group instruction to strengthen content area vocabulary development, knowledge and skills in literacy and math. Teachers support instructional through the use of technology including smart board, computers, audio equipment, and visual aides.

Saturday Academy

Saturday Academy is implemented on Saturday from 8:30 a.m. to 12:00 p.m. from September through June. ELLs in grades three (3) and four (4) participate in instructional activities that are differentiated to further support their linguistic and academic needs. Students work in small grouping, with a buddy, independently and/or with the teacher. The focus for the Saturday Academy program is an interdisciplinary approach with a focus on math and literacy. Teachers use technology assisted instructional strategies to further support ELL students. Students work on grade appropriate graphic organizers, computer software and programs to facilitate comprehension as well as enable ELLs to listen, speak, read and write in English.

10. Describe the effectiveness of your current program and how it is meeting the needs of your ELLs in both content and language development.

Our current programs are new, and therefore we are unable to assess their effectiveness as of yet. However, all teachers have access to student information on ARIS, and are able to identify all ELLs. Assessment data is also shared through google docs so that each teacher has access. Content area teachers create their own units of study aligned to the CCSS, where they plan performance tasks for students that are aligned with the CCSS and NYC Scope and Sequence.

11. What new programs or improvements will be considered for the upcoming school year?

Journeys and Go Math programs will be implemented so as to align with the CCSS. We will also be integrating the RAZZ Kids reading program due to its success in the previous school year. We will also be integrating more informational texts throughout the day, and well as mini-offices in all classes.

12. What programs/services for ELLs will be discontinued and why?

Our TBE Kindergarten class will be changed to an ESL Self-contained due to parent choices indicate on the Parent Surveys.

13. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.

ELLs are invited to attend an ELL Extended Day Academy which focuses on grammar and writing. Saturday Academy will also be available for students who scored a level 1 and 2 on the ELA, as well as students who did not attend summer school.

14. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?

Instructional Materials:

The teachers at PS 7 K implement "Core Knowledge" throughout the school. The program is based on the research of Dr. E.D. Hirsch. Core Knowledge is designed to support and expose children to different experiences, themes, and topics in each of the content areas. There is a full time Core Knowledge facilitator that works closely with the teachers to support the implementation of the program. The Core Knowledge program is content-based and interdisciplinary. There is a strong focus on vocabulary development, and the use of visual aids. Every classroom is equipped with Scholastic Core Knowledge Classroom Libraries and they offer an outstanding collection of authentic children's literature designed to support the Core Knowledge curriculum. These

libraries take students beyond functional literacy and provide students with a foundation in cultural literacy. Each library includes history, geography, math, science, language arts, visual arts, and music titles. This library provides the following benefits for all of our students especially our ELLs:

- Provide an extensive vocabulary
- Expose students to a broad range of historical, scientific, and cultural topics
- Deepen each student's fund of information in critical content areas
- Create opportunities to practice reading and develop comprehension of diverse subjects -Support research that shows the importance of integrating authentic trade books into the classroom
- Encourage partner reading and enlightening book discussion
- Offer a range of reading levels, including titles suitable for enrichment

The program is implemented in all K-4 bilingual classes. All classroom teachers, as well as ESL and cluster teachers work together to support instruction that is aligned to the thematic units designed within "Core Knowledge" for each grade. Many of the components of the program include activities that address all of the learning modalities. The use of technology is widely used for ELLs. All classrooms have laptops or computers and the ESL Self-contained teachers have Smart Boards in their classroom to help in language acquisition with the use of tactile instruments.

The Go Math program provides workbooks, textbooks, manipulatives, and various math materials in both English and Spanish. These materials are used across the grades in all ESL classes. Spanish libraries are available in all content areas in all ESL classrooms, as well as in our school library and Science room. Classroom teachers with ELLs also utilize bilingual glossaries in Math, Science and Social Studies. All bilingual materials are used to support students in their native language.

Technology:

Our school is rich in technology, with many of our classes being supplied with Smartboards, Mac desktops and laptops. In addition, our library also contains two Smartboards, numerous Mac computers, and television with a DVD and VHS players. All classroom teachers have access to this technology throughout the school day. ELL students also have access to various web-based technology through Acuity and subscriptions for Brainpop Jr., Bilingual Brainpop and Brainpop for ELLs. Also, our AIS teacher uses the READ 180 program for our target population which consists of long-term ELLs, former ELLs and ELLs in our bottom one-third.

15. How is native language support delivered in each program model (TBE, Dual Language, and ESL)?

Our Journeys literacy and Go Math programs contain an ELL and Spanish language component that is available online for all students across grades. Many of the materials are produced in both English and the native language, Spanish, for our TBE classes. Textbook and online resources are also available in both English and Spanish to support ELLs in TBE and ESL self-contained classes.

16. Explain how the required services support, and resources correspond to ELLs' ages and grade levels.

Both the Journeys and Go Math programs are aligned with the Common Core Learning Standards.

17. Describe activities in your school that assist newly enrolled ELL students before the beginning of the school year. Please include activities for new ELLs who enroll throughout the school year.

Prior to the start of the school year, families of are sent an invitation letter over the summer to attend our Family Conference. In addition, lists are sent home for all incoming students for summer reading, suggested activities, and supplies their child will need for the new school year.

18. What language electives are offered to ELLs?

P.S. 7 does not offer language as an elective.

19. For schools with dual language programs:

- a. How much time (%) is the target language used for EPs and ELLs in each grade?
- b. How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?
- c. How is language separated for instruction (time, subject, teacher, theme)?
- d. What Dual Language model is used (side-by-side, self-contained, other)?
- e. Is emergent literacy taught in child's native language first (sequential), or are both languages taught at the same time (simultaneous)?

Due to parent choice, our school does not currently offer the dual language program.

C. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What professional development is offered to teachers of ELLs (including ESL and bilingual teachers) in supporting ELLs as they engage in the Common Core Learning Standards?
3. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
4. Describe the minimum 7.5 hours of ELL training (10 hours for special education teachers) for all staff (including non-ELL teachers) as per Jose P.

ESL/Bilingual teacher professional development will be made available to all ELL staff. Teachers, Paraprofessionals, Guidance Counselor, Special Education Teachers, School Psychologist, OPT and Speech staff, secretaries and our parent coordinator will be afforded opportunities to discuss latest research, best practices, materials, standards, instructional strategies and alignment to core curriculum and the application of the ESL prototype. The philosophy of ELL instruction, for grades 3 and 4, is best articulated in the "CALLA" approach (Cognitive Academic Language Learning Approach). This approach focuses on academic and linguistic development of the target language and is used during the school day, extended day and Saturday Academies, best approach will be assigned to support the ELL student and staff needs including: professional development, best approach methodology, data analysis, comprehensive needs assessment, parental involvement, compliance and instructional issues, preparation for the NYSESLAT and program design. All ELL classrooms will be provided with highly motivating leveled classroom libraries. ESL in-service courses are being offered to all teachers of immigrant students to support the teacher in meeting the instructional needs of all ELL learners. Study groups conducted by the principal/assistant principal, and coaches will support the teaching of ELLs in the English Language classroom. Our administrators, guidance counselor and literacy coach support the staffs students transition from one grade level to another by holding an assembly for senior students regarding the transition process to middle school. Administrators from our community Junior High School are invited to address our graduating class with information about the next school level, as well as answer any questions the students and families may have. Our guidance counselor participates in curriculum team and grade meetings, which provides her with information that will in-turn allow her to assist families and ELL students as they transition from TBE to monolingual classes.

Professional development is coordinated by a curriculum team (the principal, assistant principal, coaches, AIS coordinators, parent coordinator, and UFT chapter leader) who work together to combine ideas on effective planning for teachers, on different ways to assess learning, on developing curricula and instructional materials, and refine school-based practices and update the professional development plans. On one level they work with staff to strengthen their knowledge base in literacy, mathematics and other content areas. The second level focuses on effective practices in the delivery of instruction. Most professional development will be delivered in the teacher's classroom during common preps. These sessions will also used as an opportunity to turn-key current ESL policies by attendees of Network Meetings.

Our Guidance Counselor, Ms. Rocha, conducts the following professional development workshops for parents and teachers; Respect for All, PBIS, Hygiene, Dad's Day, and School Policies. At Parent workshops, parents are given numerous websites and outside resources which offer translation services. In addition, our school guidance counselor assist ELLs by conducting classroom presentations on what to expect in middle school, getting familiarized with school policies and academic expectations/requirements. Also, in January our guidance counselor will be beginning the Cloud 9 character education program for students. Materials for this program will also be available in Spanish.

In addition, our ESL Team, comprised of ESL and TBE teachers, as well their supervising Assistant Principal, Ms. Abrego, will meet after school, on the second and fourth Wednesday of each month, to share best practices, develop instructional strategies, conduct inquiries, analyze data, and work on action projects. Our CFN will be visiting with us on December 10, 2013, to provide us with feedback and next steps. We also have our former school principal, Ms. Acevedo, who will be coming each Tuesday and Thursday to provide feedback to ESL Teachers.

Targeted differentiated professional development will be delivered each month during our 37.5 minute professional development sessions. These sessions will be utilized to significantly increase the capacity of the teaching cadre to support the ELA curriculum, English Language acquisition and student learning. Professional development will take place through, but not be limited to: weekly scheduled articulated professional development; Coaches performing the above described roles; teacher scheduled inter-visitation, administrative snapshots and observations, Regional Instructional Specialist professional development sessions and teacher support activities, Instructional Support Specialist support activities, study groups, etc. Teachers will learn from all of the mentioned activities

expanding their knowledge base, capacity and educational toolboxes. Learning styles and differentiated instruction will be addressed in classrooms as teachers become more comfortable with varied methods of delivery of instruction. Teachers will differentiate instruction by providing instruction targeted to the deficit skills of each child. Professional development is coordinated by a curriculum team.

Professional development plans for the 2013-2014 school year include orientation for all teachers on the ESL standards, NYSESLAT Testing and evaluation of results. We will also have focused and detailed training in ESL methodologies for all staff members servicing ELL students. Some topics to be covered are:

- ESL methodologies – The Inductive Approach, Grammar - Translation Approach, Direct Method, Cognitive Approach, Situational Approach, Comprehension-based Approach and Total Physical Response, CALLA
- NY State ESL Standards
- Best practices for instructing ESL students through the Balanced Literacy philosophy
- Differentiated Instruction in the Content Area-Math, Science ,SS, Technology
- Technology Assisted Instruction in the ESL/bilingual Classroom

Professional development sessions in ESL will be held for teachers in-house during common preparation periods on the following dates: TBA Monthly meetings are offered to ESL teachers by our Learning Support Organization, in which the latest advances for ELLs are introduced. The ESL teachers turnkey all new information to the staff. Those responsible for providing the training are:

- Administration (principal and assistant principals)
- Literacy and Math Coaches
- ESL teachers
- In-house AIS Providers
- LSO Specialists including the ELL Program Specialist and Math, Science, Technology, Humanities Content Specialists.

In addition, we ensure that all teachers receive their 7.5 hours or 10 hours for special education teachers of strategies in teaching ELLs. They are scheduled to attend various professional development training and workshops that will fulfill this requirement. Sign-in Sheets and Agendas of all PDs and workshops held indicate the dates and times of each session, and are kept on file by our ESL Coordinator. The ESL Coordinator will hold Lunch & Learns for ELL staff training. In addition, a blog will be maintained by two of our ESL Teachers to keep the school staff updated on current practices in the ESL classroom. These sessions are conducted by grade, school-wide; and include webcasts, book studies, professional literature, outside consultants, and school visits. In conjunction with our staff developing, our Principal, Assistant Principals and School Counselor all receive monthly LSO professional development regarding ELLs.

D. Parental Involvement

1. Describe ELL parent involvement in your school. Include specific activities that foster parental involvement for parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

The title III parent component will address two distinct parent needs, parent education and adult ESL instruction. Parents will be invited to attend parent workshops. The parent sessions will address various topics of interest to ELL parents including parenting skills, and school governance and involvement skills. The parent coordinator, Ana Perez, will work with teachers and parent representatives to develop a menu of workshops that interest and support parent engagement in the school. A parent survey is conducted to learn about workshops topics that would be of interest to parents. Parent workshops will be directed by Bilingual and ESL certified teachers in English and Spanish on the first Wednesday of each month. Parents will also be invited to participate and be trained in the Learning Leaders Program so they can be volunteer tutors in the classrooms. Workshops will be given in the native language on topics such as rights and responsibilities of parent and students, school grading policy and procedures for parent teacher conferences. In addition parents will be invited to participate in ESL language acquisition sessions designed for adult learners. Some of our workshops/activities for parents and families include our Math Games Day, Mother's Day luncheon, and Poetry Assembly. Parents are also invited to join our Cool Culture program where families are given free tickets to various museums throughout the city. We also offer a Parent Resource library.

All written communications being sent home in English will be translated. Our Parent coordinator, Ana Perez and Family Assistants will support efforts to involve parents in the school and community through outreach via phone and one-on-one. Interpreters will facilitate communication with parents in native language where available. Parent workshops will continue to be offered to parents of English Language Learners in all subject areas. Our math and literacy staff developers and parent coordinator will conduct workshops on the first Wednesday of each month. Parents are also invited to attend our orientation session during our Open House where parents are informed about school programs, state standards assessments, portfolios, school expectations, and general program requirements for bilingual and free standing ESL programs by our ESL Coordinator, Ms. Vasquez. All school correspondence is translated into Spanish. In order to support the learning community, we will offer English as a Second Language to adults at our school. Our adult ESL program will use real life situations to build language while being immersed in culture; such as going on trips to museums, movies, library, and using the computer. These scenarios will allow them to develop the language associated with these activities; such as how to make a purchase, order at a restaurant, or understand the language of computer technology.

Additionally, families are invited to attend our monthly PTA meetings on the third Wednesday of each month, as well as classroom activities, and culminating school wide trips and activities. Some of the activities in the 2013/14 school year included a visit to the Brooklyn Museum, a Core Knowledge walkthrough at our school, and various assembly programs that are based on current Core Knowledge themes and topics.

The school has partnered with the Office of Adult Education to offer adult ESL classes for parents every Tuesday and Thursday evening. A nutrition workshop is also offered in association with Cornell University to work with parents in helping them to create healthier meals at home. This and all other workshops are translated in Spanish by our Parent Coordinator, Ana Perez.

The needs of the parents are evaluated in the following ways; parent surveys, at PTA meetings, Parent Workshops, as well as a suggestion box. Many of the activities that are facilitated by our Parent Coordinator are a Dad's Day where father's are invited to breakfast and to visit their child's class, CPR Training, Safety Meetings, Nutrition Workshops, Open House for all parents during school hours, a Mother's Day luncheon, as well as a Father's Day BBQ.

LANGUAGE TRANSLATION AND INTERPRETATION 2013-2014 TO 2014-2015

Requirement under Chancellor's Regulations – for all schools

DBN: 19K007 School Name: Abraham Lincoln

Cluster: 2 Network: 212

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

Based on parent responses to the Home Language Identification Surveys, approximately 97% of our families have indicated that Spanish is spoken in the home. We have also held several meetings at our school with coaches, staff developers, teachers and administrators to assess the need for materials and resources to be translated for parents. Further investigation took place as to what was available to purchase. We also elicited teacher feedback as to individual needs. Also, during professional development teachers shared ways that we can simplify translation. For example, the website: freetranslation.com was recommended during an after school teacher workshop. Also, our parent coordinator and P.T.A. President provide us with feedback and suggestions.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

We found that the following was needed to translate in Spanish:

- All parent notices of school activities
- Benchmark indicators
- Progress reports
- Promotion in Doubt letters
- Behavioral sheets
- Teacher letters
- Parent handbook
- Teacher Resource Copymasters from Math Steps workbooks
- The Game Masters from the Everyday Math Program in grades 1-4
- Literacy packets created by our literacy team in order to support regional initiatives (genre of the month and enrichment home activities).

Our findings were reported to the school community via Curriculum Team meetings, School Leadership meetings, PTA meetings, parent workshops, common preps, and faculty conferences.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

We have a large amount of bilingual staff members who will be paid to translate correspondence after school. Appropriate Spanish instructional materials will be purchased. Currently, our Pupil Personnel secretary, Yasmin Mitjans helps our school to meet these needs by being the lead document translator. If Ms. Mitjans does not translate documents, she proofs them to ensure accuracy.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Our oral interpretation service are conducted in-house. Our current staff available to translate orally in Spanish are our Parent Coordinator, active PTA parents, teachers on each grade, school secretaries, as well as our administration.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link: <http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

Home language surveys will be completed at time of registration in order to identify parents who require language assistance. Home contact forms will be revised to include parents' primary language. Notices to parents will be translated and distributed along with the English format (usually on a double-sided copy if space permits) and no later. Also, for regional or central forms or correspondence, we will research the DOE website and download and print the appropriate languages needed for our community. During Open House, P.T.A., Parent Teacher Conferences and parent workshops we will include staff members who are able to interpret to non-English speakers.

2012-13 Comprehensive Education Plan (CEP)

Title III Supplemental Program for ELLs

Directions: Title III supplemental services for ELLs must include all of the following three components:

- **Direct instruction:** activities must be used to support language development, English and native language instruction, high academic achievement in math, and/or other core academic areas.
 - The Title III supplemental instructional services must be based on student need
 - These supplemental services should complement core bilingual and ESL services required under CR Part 154.
 - Direct supplemental services should be provided for before school, after school, and Saturday programs as well as reduced class-size, and/or push-in services.
 - Teachers providing the services must be certified bilingual education and/or ESL teachers.
- **High quality professional development** that is “of sufficient intensity and duration to have a positive and lasting impact on the teachers’ performance in classrooms.”
 - Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement** and supports must ensure that there are appropriate translation and interpretation services to meet community needs.
 - These are in addition to mandated activities, such as parent orientation during ELL identification process.

For more information on Title III requirements, please see the [School Allocation Memo #66](#) or contact your [Senior ELL Compliance and Performance Specialist](#). Submit this form to your Senior ELL Compliance and Performance Specialist by October 26.

Begin description here: An F-Status part time bilingual teacher will be hired to further support beginner level/newcomer ELLs across all grades. The part time teacher will work two days a week for 23 days. The F-Status teacher will not provide mandated services, but will work with the classroom teacher to further support and differentiate instruction for beginner level ELLs and newcomer students as identified by results of the LAB-R and NYSESLAT exams. The F-Status teacher will work with 3 groups of students comprised of approximately 70 beginner and newcomer ELLs from grades K-5 for two periods each. Working in a team teaching model with the classroom teacher, the F-Status part time bilingual teacher will also work in the third, fourth, and fifth grade ESL classes for one period each. In addition, the part time teacher will participate in curriculum development/mapping with the teacher she services.

An Extended Day/After School Instructional Program:

The Extended day program is implemented one hour each day from 3:00- 4:00pm on Tuesdays, Wednesdays, and Thursdays. The program is implemented from March through June for 14 weeks. Beginner and newcomer ELLs in grades three, four and five are provided an opportunity to participate in small group instruction to strengthen content area vocabulary development, knowledge and skills. One licensed ESL and one bilingual teacher will support instruction for the two groups of 15-20 students through the use of technology including smart boards, computers, audio equipment, and visual aides.

Materials for Supplementary Programs:

During our Extended Day Program, materials that are purchased and used are the following:

-Kaplan ELA and Math workbooks/materials

-Journeys Program Supplemental Materials for ELLs

-Technology Software: Starfall, Imagine Learning, Achieve 3000

-Instructional Supplies such as Copy Paper, Charts, Markers, Envelopes, Ink Cartridges

ESL Bilingual teacher professional development will be made available to all ELL staff. Teachers will be afforded opportunities to discuss latest research, best practices, materials, standards, instructional strategies and alignment to the core curriculum and the application of the ESL prototype. The philosophy of ELL instruction for grades 3, 4 and 5 is best articulated in the "CALLA" approach (Cognitive Academic Language Learning Approach). This approach focuses on academic and linguistic development

Part C: Professional Development

of the target language and is used during the school day, extended day, and 37.5 minutes pull-out/push-in programs. Best approaches will be assigned to support the ELL student and staff needs including: professional development, best approaches methodology, data analysis, comprehensive needs assessment, parental involvement, compliance and instructional issues, preparation for the NYSESLAT and program design. All ELL classrooms will be provided with highly motivating leveled classroom libraries. ESL in-service courses are being offered to all teachers of immigrant students to support teachers in meeting the instructional needs of ELL learners. Study groups conducted by the principal/assistant principal and coaches will support the teaching of ELLs in the English Language classroom.

Professional development is coordinated by a curriculum team (the principal, assistant principal, coaches, AIS coordinators, parent coordinator, and UFT chapter leader) who will work together to combine ideas on effective planning for teachers, on different ways to assess learning, on developing curricula and instructional materials, and refine school-based practices and update the professional development plans. On one level they will work with staff to strengthen their knowledge base in literacy, mathematics and other content areas. The second level focuses on effective practices in delivery of instruction. Most professional development will be delivered in the teacher's classroom during common preps. Targeted differentiated professional development delivered on a regular basis will be utilized to significantly increase the capacity of the teaching cadre to support the ELA curriculum, English Language acquisition and student learning. Professional development will take place through, but not limited to: weekly scheduled articulated professional development; Coaches performing the above described roles; teacher scheduled inter-visitation, administrative snapshots and observation, Regional Instructional Specialist professional development sessions and teacher support activities, Instructional Support Specialist support activities, study groups, etc. Teachers will learn from all of the mentioned activities expanding their knowledge base, capacity and educational toolboxes. Learning styles and differentiated instruction will be addressed in classrooms as teachers become more comfortable with varied methods of delivery of instruction. Teachers will differentiate instruction by providing instruction targeted to the deficit skills of each child. Professional development is coordinated by a curriculum team.

Professional development for the 2012-2013 school year include orientation for all teachers on the ESL Standards, NYSESLAT testing and evaluation results. We will also have a focused and detailed training in ESL methodologies for all staff members servicing ELL students. Some topics to be covered are:

- ESL methodologies-The Inductive Approach to Grammar-Translation Approach, Direct Method, Cognitive Approach, Situational Approach, Comprehension-based Approach and Total Physical Response, CALLA.

- NYS ESL Standards

- Best Practices for instructing ESL students through Balanced Literacy philosophy

- Differentiated Instruction in Content Areas-Math, Science, SS, Technology

- Technology Assisted Instruction in the ESL/bilingual Classroom

Professional development sessions in ESL will be held for teachers in-house during common preparation periods on the following dates: TBA Monthly meetings are offered to ESL teachers by our CFN, in which the latest advances for ELLs are introduced.
