# **Comprehensive Education Plan (CEP) Requirements**

## **Which Schools Need to Complete the CEP?**

All Reward, Recognition, In Good Standing and Local Assistance Plan (LAP) schools should identify and submit annual goals and action plans in consultation with their School Leadership Team (SLT).

- Explicitly delineate the school's plan for annually increasing student performance through comprehensive instructional programs and services as well as the plan for enhancement of teacher and leader effectiveness.
- Address how the school will use its full range of resources (which may include but is not limited to Title I, Title II, and/or Title III, 1003(a) and/or 1003(g) School Improvement, Race to the Top, School Innovation or local funds) to support improvement efforts for the identified sub-group(s) on the identified accountability measures.
- Develop the CEP in consultation with parents, school staff, the School Leadership Team (SLT), and others in accordance with the requirements of Chancellor's Regulations A-655 to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the CEP before it is approved.

## **Guidance for Developing and Completing the Annual Goals and Action Plan Section**

Goal setting for the CEP is done in collaboration with the school community to support student achievement and the implementation of school-wide goals as well as document how your school is meeting Federal, State, and City regulations. For SY 2013-14 when developing their goals, schools should do the following:

- Identify a minimum of three and a maximum of five annual goals.
- Align their goals with the current citywide instructional expectations.
- Develop goals that are "SMART" - specific, measurable, achievable, realistic, and time-bound.
- Conduct a needs assessment of your school
- Use quantitative and/or qualitative data in providing the rationale for each goal.
- Cite sources that contributed to the rationale such as the Progress Report, Quality Review, School Survey, state and school assessment results, attendance records, inquiry team work, etc. to form the basis of your needs assessment.
- Align the identified goals to the strategies and activities in your Parent Involvement Policy (PIP). The PIP template is provided on pages 12 and 13. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP so they directly align to the parent involvement activities that support each goal and action plan. All schools should cite strategies to increase parent involvement that align to the goal when applicable. Title I schools should reference these strategies and activities in the school's Title I Parent Involvement Policy (PIP).
- Enumerate the strategies and activities that will be implemented to achieve each goal.
- Identify all fund sources that will be used for the completion of each activity.
- List the projected timeline for completion of each activity, including the start and end date of each activity.
- Describe the programmatic details and resources that will be used for each instructional strategy and activity described for each goal. Do not include the cost for each line-item-expenditure for the strategies and activities listed within the action plans.

## **School Receiving Title I Funds**

School Wide Program (SWP) and Targeted Assistance (TA) Schools receiving Title I funds are required to complete the Title I Information Page located on page 11 of the CEP.

## **Parent Involvement Policy (PIP) Template**

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. Our school will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community;

Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, our school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to schools to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in our Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;

- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1<sup>st</sup> of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;
- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

**REQUIRED OF ALL SCHOOLS**  
**MAY BE LAST YEARS BUT MUST BE UPDATED**

Our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

2013-14 TO 2014-15 SCHOOL YEARS**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This is a two-year plan on how schools will support ELLs' linguistic and academic needs. This LAP form is a part of the school's CEP. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. **LANGUAGE TRANSLATION AND INTERPRETATION 2013-2014 TO 2014-2015**

*Requirement under Chancellor's Regulations – for all schools*

DBN: **14B017**      School Name: **PS 017**

Cluster: **6**      Network: **CF 612**

**Goal:** To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

**Part A: Needs Assessment Findings**

---

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

Our school utilizes various sources of data to have a comprehensive picture of the linguistic diversity in our school :

- (a). Home Language Indicators on ATS;
- (b). Parent conversations;
- (c). Parent surveys are also used to determine the need.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

Our written and oral interpretation needs can be categorized as follows:

- (a) All parent memos in top 4 languages: Spanish, Polish, Arabic and English;
- (b) The HLIS and other ELL related communications such as letters of entitlement, proficiency, continuation of services, etc were sent home in the language spoken at home;.
- (c) Simultaneous translation in Polish and Spanish during various workshops that will be hosting for parents in 2013-14; and
- (d) Parents can also walk into the office for any concern and be met by a caring individual who will help them both for their concern as well as translation as needed.

## Part B: Strategies and Activities

---

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

(a). We also use DOE 's pre-translated letters to communicate with parents on specific subjects;  
(b). In addition to that, teachers and staff also help in translating specific letters that need to be sent home on individual case basis;  
(c) Our eChalk community, is a web-based center for communication between school and families. This resource network is available to PS 17 community. Parents, guardians and families can view school events and daily announcements plus their child's classroom 's announcement and assignments posted by the classroom teacher. eChalk can be surfed in 36 langauges.  
ESL program also posts recent research on second langauge acquisition and development along with class schedules and the projects and activities the program offers to our ELLs in Spanish.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

\* School will determine the need as the situation arises, and school will provide the needed oral translation and interpretation as described in Section A to meet the requirement.

\* Phone master messages in students' home language as indicated in ATS

\* Once the need is identified, we will search our inventory of available language skills amongst our paras, teachers, staff and volunteer parents. If the need can be easily met at home, we will take care of it here at PS 17. And if the language need is beyond our ability we will assess our options and utilize an outside contractor, such as DOE translation services via email submission in necessary languages.

AT PS 017, we also have the following language structure in place for oral and written translation and interpretation as the case may require:

- (a) There are several teachers, paras, and staff that speak Spanish and Polish and they assist in translation, interpretation and communication with parents and families;
- (b). PS 017 eChalk;
- (c). Our parent coordinator M.s Alicia Rojas has bilingual fluency in Spanish;

## 2012-13 Comprehensive Education Plan (CEP)

### Title III Supplemental Program for ELLs

**Directions:** Title III supplemental services for ELLs must include all of the following three components:

- **Direct instruction:** activities must be used to support language development, English and native language instruction, high academic achievement in math, and/or other core academic areas.
  - The Title III supplemental instructional services must be based on student need
  - These supplemental services should complement core bilingual and ESL services required under CR Part 154.
  - Direct supplemental services should be provided for before school, after school, and Saturday programs as well as reduced class-size, and/or push-in services.
  - Teachers providing the services must be certified bilingual education and/or ESL teachers.
- **High quality professional development** that is “of sufficient intensity and duration to have a positive and lasting impact on the teachers’ performance in classrooms.”
  - Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement** and supports must ensure that there are appropriate translation and interpretation services to meet community needs.
  - These are in addition to mandated activities, such as parent orientation during ELL identification process.

For more information on Title III requirements, please see the School Allocation Memo or contact your ELL Compliance and Performance Specialist.

### THE ELLs' AFTER SCHOOL PROGRAM

To provide ELLs with support in their language acquisition journey and with their language learning we offer a very rigorous after school program focused on lower grade ELLs only. Students entitled to ESL mandated services in grades one and two will be invited to participate in an After School Program designed to assist them with their homework and also with remedial instruction.

This program meets two times a week on Tuesdays and Thursdays from 3:05- 5:05 pm. The language of instruction is English with support in the native language as needed. There will be a buddy system in place for the longer term ELLs to help the younger term ELLs with native language support when needed.

The duration of the program will be from November 2012 until May 2013. This program will have two classes covering grades one and two just as we have done in previous years. There will be two certified teachers teaching in the After School Program. Currently we have 16 ELLs in the first and in the second grade. We believe that the teacher to ELL ratio in our After School Program is relatively ideal to provide ELLs with small group, focused help and instruction needed for language development. This will also allow us to provide an optimal learning environment for ELLs to feel belonged and acquire the English language. We strive to supply 'comprehensible input', one step beyond the ELLs' current language level for greater L2 proficiency.

The type of instructional materials used varies depending on the ELLs' need and also the time that remains after the children first complete their home work on each day of the after school program. The following materials are available for instruction :

Pearson Scott Foresman - Pearson;

Time For Kids;

Mc Graw-Hill Reading for Basal;

Wilson Reading System by Barbara Wilson for Phonics;

TC leveled books reading and writing strategies are employed heavily to teach;

Every Day Math; Weekly Reader;

Houghton Mifflin Harcourt for Social Studies; using maps for direction;

Developing Reading Fluency by Trish Callella-

Creative Teaching Press; Coffin On A Case by Eve Bunting for developing reading and writing skills;

The Big Wave by Pearl S. Buck for reading comprehension and writing development.

Furthermore, various strategies and methodologies are utilized to tap into the children's interest in order to facilitate learning.

## Part B: Direct Instruction Supplemental Program Information

### SATURDAY PROGRAM

The ELLs in upper grades are invited and they do participate in all school, after school activities and Saturday programs that are offered.

30 ELLs in grade 3, 4, and 5 participate in the Saturday Program when offered. The Library program started on October 15, 2012 and all ELLs were invited but only one ELL attends this year.

We use a variety of the above mentioned materials in the Saturday Program. We also use materials that focus on test prep to prepare the ELLs along with their general ducation peers for ELA and other citywide and statewide assessments.

## Part C: Professional Development

Describe the school's professional development program for Title III Program teachers as well as other staff responsible for delivery of instruction and services to ELLs.

- rationale
- teachers to receive training
- schedule and duration
- topics to be covered
- name of provider

Begin description here:

At PS 17, we believe that a deep understanding of cognitive, cultural and emotional aspects of learning will lead to a more successful teaching and learning experience. The rational for our school's professional development program for Title III Program is therefore threefold:

1. To be highly sensitive to ELLs' cultural, ethnic, physical, emotional and lingual needs.
2. To provide a learning environment which celebrates the ELLs' diversity as an asset and does not treat it as a disability nor a liability.
3. To provide the most meaningful educational experiences for the ELLs along with their general education peers.

To that end, both the principal and the assistant principal provide guidance by role modeling and displaying exemplary, fair and kind treatment of the ELLs and all children at PS 17.

The following Professional Developments are also offered to all teachers of ELLs and the ESL teacher:

1

- PD on DOE Expectations & CORE Library resources for 2012-2013 was given by Dr. Marchi in September, and all teachers of ELLs were in attendance.
- PD on Danielson Frameworks and Common Core Standards were also given by Dr. Marchi in September, and all teachers of ELLs attended.
- There will be continuing faculty development on a per session basis in the 2012-2013 academic year.

### Part C: Professional Development

The planned topics are: Ongoing Planning for Reading with ELLs, Ongoing Planning for Writing with ELLs, Ongoing Planning for Math with ELLs. Ongoing Assessment of ELLs, Ongoing Portfolios, What to do with Newly Arrived ELLs, Long-Term ELLs, and ELLs and classroom libraries, Scaffolding Social Studies for ELLs, and Scaffolding Science for ELLs. ESL teacher also attends some PD sessions offered by DOE on various topics such as ELL Academic Language Writing Works shop, preparing the LAP work sheet, and annual Measurable Objectives for ELLs, and various workshops for ESL providers.

2.

- The ESL teacher and all teachers of ELLs are provided opportunities during first Friday professional development sessions and Election Day to demonstrate/ model appropriate instructional strategies and methodologies to the classroom teachers, cluster teachers as well as AIS teaching staff.
- 7.5 hours of mandated training as per Jose P. is offered throughout the year and during school hours of operation.
- We will also use the Title III funds for per session of PD hours for teachers of ELLs .

### Part D: Parental Engagement Activities

Describe the parent engagement activities targeted toward parents of ELLs that will impact higher achievement for ELLs. NOTE: These are in addition to mandated activities, such as parent orientation during ELL identification process.

- rationale
- schedule and duration
- topics to be covered
- name of provider
- how parents will be notified of these activities

Begin description here:

Through the efforts of the Principal, Assistant Principal, teachers, ESL teacher, the Parent Coordinator and all staff at PS 17, parents of ELLs are actively informed and are involved in all school activities offered to the rest of the school on an ongoing manner.

- The ESL teacher reaches out and provides information to parents. The ESL teacher models and encourages the development of literacy/numeracy habits. She informs parents of the latest research in the field of language acquisition and implores parents to read with their children in their language of preference for greater development of literacy skills.
- Also, throughout the year, the ESL teacher keeps a close contact with the parents of ELLs, informing them of the children's progress or any concern that they might have with the child's progress or lack of it.
- Parent Teacher Conferences are the other opportunities when parents visit and find out about their children's progress or lack of it. Thus parents of ELLs are also highly encouraged to attend these conferences. The ESL teacher also reminds children of the dates several times before the conferences are held to ask their parents to come to school and meet with the teachers and specially come to the ESL classroom.

### Part D: Parental Engagement Activities

- Parents of ELLs are also informed of the latest research on the importance of reading to their children in their native language. They are informed of the research based findings of transference of literacy/ numeracy skills across languages.
- Parents of ELLs are given specific training to work with their children by the ESL teacher.
- There are always several postings of the latest research with regards to ELLs and second language learning/acquisition by the ESL room or inside the ESL room to inform ELL parents and ELL stakeholders at school.
- We will offer several parents' meetings ( PDs) to inform parents of ELLs of their rights, DOE resources, how to navigate for info on DOE site, computer literacy PD; and other PDs held by universities for the parents of ELLs and any interesting subject to appeal to the parents of ELLs.
- Translation services : Our school is subscribed to eChalk website that translates all our communications into 37 languages so the parents of ELLs can receive all information in their language of preference.
- We also evaluate the needs of our parents including the parents of ELLs through surveys, conversations, and through PTA meetings.
- All parents including the parents of ELLs are informed and encouraged to attend meetings, shows and events held at PS 17.
- We invite all parents including the parents of ELLs to attend PTA meetings to learn about the school 's programs, plans and discuss their individual concerns.
- Once a need is identified, all resources are utilized to assist the parent.
- Parents of ELLs are also invited to ELL Parent 's development sessions offered to parents of ELLs only.
- In Spring 2013, we will send home information about the NYSESLAT, and we will hold a parent PD if we recognize a need.
- Another PD was offered for computer literacy for parents of ELLs in the previous years so the parents can learn to navigate and make sense of the DOE website and other valuable sites for information as well as instructional/ learning materials.
