School Leadership Team (SLT) Signature Page

Use this page to identify SLT members and confirm their participation in the development of this School Comprehensive Educational Plan (SCEP), which includes goals and action plans, a summary of Academic Intervention Services (AIS), and the Parent Involvement Policy (PIP). The signatures of SLT members indicate their participation in the development of the SCEP and serve as confirmation that consultation has occurred to align funding in support of educational programs. The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with the Chancellor’s Regulation A-655, available on the NYC DOE Web site.

Directions:

1. List each SLT member in the left-hand column on the chart below. Specify any position held by the team member, e.g., Chairperson, SLT Secretary and the constituent group represented, e.g., parent, staff, student, or CBO. Core mandatory SLT members are indicated by an asterisk*.
2. Ensure that SLT members review this document and sign in the right-hand column in blue ink. If an SLT member does not wish to sign this plan, he/she may attach a written explanation in lieu of his/her signature**.
3. Add rows as needed to ensure that all SLT members are listed.
4. The original copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.
5. Names of SLT members must be added to this form for posting. The signed original documents must be maintained on file at the school.

**Signature of constituent only indicates participation in the development of the SCEP, not approval. Note: If for any reason a SLT member does not wish to sign this plan, he/she may attach an explanation in lieu of his/her signature which must be maintained on file at the school with the original SLT signature page.

Comprehensive Education Plan (CEP) Requirements

Which Schools Need to Complete the CEP?

All Reward, Recognition, In Good Standing and Local Assistance Plan (LAP) schools should identify and submit annual goals and action plans in consultation with their School Leadership Team (SLT).

- Explicitly delineate the school's plan for annually increasing student performance through comprehensive instructional programs and services as well as the plan for enhancement of teacher and leader effectiveness.
- Address how the school will use its full range of resources (which may include but is not limited to Title I, Title II, and/or Title III, 1003(a) and/or 1003(g) School Improvement, Race to the Top, School Innovation or local funds) to support improvement efforts for the identified sub-group(s) on the identified accountability measures.
- Develop the CEP in consultation with parents, school staff, the School Leadership Team (SLT), and others in accordance with the requirements of Chancellor's Regulations A-655 to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the CEP before it is approved.

Guidance for Developing and Completing the Annual Goals and Action Plan Section

Goal setting for the CEP is done in collaboration with the school community to support student achievement and the implementation of school-wide goals as well as document how your school is meeting Federal, State, and City regulations. For SY 2013-14 when developing their goals, schools should do the following:

- Identify a minimum of three and a maximum of five annual goals.
- Align their goals with the current citywide instructional expectations.
- Develop goals that are "SMART" - specific, measurable, achievable, realistic, and time-bound.
- Conduct a needs assessment of your school
- Use quantitative and/or qualitative data in providing the rationale for each goal.
- Cite sources that contributed to the rationale such as the Progress Report, Quality Review, School Survey, state and school assessment results, attendance records, inquiry team work, etc. to form the basis of your needs assessment.
- Align the identified goals to the strategies and activities in your Parent Involvement Policy (PIP). The PIP template is provided on pages 12 and 13. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP so they directly align to the parent involvement activities that support each goal and action plan. All schools should cite strategies to increase parent involvement that align to the goal when applicable. Title I schools should reference these strategies and activities in the school's Title I Parent Involvement Policy (PIP).
- Enumerate the strategies and activities that will be implemented to achieve each goal.
- Identify all fund sources that will be used for the completion of each activity.
- List the projected timeline for completion of each activity, including the start and end date of each activity.
- Describe the programmatic details and resources that will be used for each instructional strategy and activity described for each goal. Do not include the cost for each line-item-expenditure for the strategies and activities listed within the action plans.

School Receiving Title I Funds

School Wide Program (SWP) and Targeted Assistance (TA) Schools receiving Title I funds are required to complete the Title I Information Page located on page 11 of the CEP.

Goal and Action Plan #1

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #1

Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

By June 2014, 75% of students in grades 1-5 at PS 132Q will demonstrate progress in using evidence from nonfiction texts to support an argument, as measured by differences in baseline and summative assessment data.

Comprehensive Needs Assessment

Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students, in relation to State academic content and student achievement standards.

Common Core State Standards require students to be engaged with literary material that is both high quality and informational in content in order to ensure that they are college and career ready by no later than the end of high school. In order to help students meet College and Career Readiness (CCR) standards and also strengthen the instructional core, all students in grades 1-5 will complete the ReadyGen curricular based performance task in literacy at the conclusion of every unit of study. These performance tasks are embedded in the Common Core aligned curriculum and includes multiple entry points for all learners. Student and school data sources (i.e. Acuity, ATS, and Individual student reports, etc.) reflect the need to engage students in rigorous literacy performance tasks that are also nonfiction in content in order to ensure that CCR and Common Core State standards are met.

Instructional Strategies/Activities

Describe the research-based school wide reform instructional strategies and activities that will be used to achieve the goal in part A. Enumerate each strategy/activity and its corresponding subsection in parts B, C, D, and E. For each strategy/activity identified in part A, a corresponding item must be provided in parts B, C, D, and E.

A. Strategies/activities that encompass the needs of identified subgroups

Action Plan:

- ***Teachers will implement collaborative lessons throughout the 2013-2014 school year that will assist students in using evidence from nonfiction texts to support an argument.***
- ***Teachers will meet weekly to evaluate student work in literacy and engage in collaborative inquiry work.***
- ***Teachers will continue to utilize common assessments that will evaluate student learning within the literacy unit understudy.***
- ***Teachers will continue to utilize student friendly rubrics to provide timely and purposeful feedback regarding student progress within literacy to both students and parents.***

1.

B. Key personnel and other resources used to implement each strategy/activity

- ***Principal, Asst. Principal, Data Specialist, Test Coordinator, School Guidance Counselor, Teaching Staff, School Based Support Team***

C. Identify targets to evaluate the progress, effectiveness, and impact of each strategy/activity

- ***Formative Assessments***
- ***Common Assessments***
- ***Summative Assessments including unit exams, performance tasks and periodic assessments***

D. Timeline for implementation and completion including start and end dates

- ***September 2013- June 2014***

E. Describe programmatic details and resources that will be used to support each instructional strategy/activity

- ***Non-classroom teachers will provide push-in classroom support to identified students during the school's designated AIS period.***
- ***The Extended Day program will target students through benchmark exams in order to provide small group support in ELA for learners who are currently performing below proficiency levels.***
- ***The School Guidance Counselor will work with selected students in a peer mediation program in order to curb student***

behaviors that pose challenging circumstances within instructional periods including literacy periods.

- **School Based Support Team will provide tier 2 interventions for students who exhibit challenging behaviors. Students will receive additional instructional support in reading and mathematics during the Test Sophistication Program, an afterschool program.**

Strategies to Increase Parental Involvement

All schools should cite strategies to increase parent involvement that aligned to the goal when applicable. Title I schools should reference these activities in your school's Title I Parent Involvement Policy (PIP).

Strategies to increase parental involvement

- All schools should cite strategies to increase parent involvement that aligned to the goal when applicable. Title I schools should reference these activities in your school's Title I Parent Involvement Policy (PIP). The PIP template is provided on pages 11 through 15 in this CEP.
 - **Parents will receive continual training on how to use ARIS Parent Link.**
 - **Parents will receive monthly updates regarding student progress via school generated monthly progress reports.**
 - **The school will create and distribute a parent handbook that will outline critical information for parent/school contact and involvement.**
 - **The parent coordinator will continue to hone facilitator skills in order to be able to quickly resolve parent concerns and also promote greater parent involvement.**
 - **School Messenger Phone System will continue to be utilized as a method to inform and update parents regarding school related matters.**
 - **Targeted school staff (i.e. Assistant Principal, School Guidance Counselor, IEP teacher, classroom and non classroom school staff) will provide ongoing workshops designed to assist parents with school and / or curricular related concerns.**

Budget and Resource Alignment

Goal and Action Plan #2

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #2

Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

By June 2014, 75% of students in grades 1-5 at PS 132Q will demonstrate progress in mathematics as evidenced by growth between baseline and summative math assessment data.

Comprehensive Needs Assessment

Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students, in relation to State academic content and student achievement standards.

Research studies of mathematics education have concluded that the mathematics curriculum in the United States must become more substantially focused and coherent in order to improve student achievement outcomes. It is from this perspective that the Common Core Standards in Mathematics were designed. The Common Core standards in mathematics will serve to establish coherence in mathematics by connecting the content standards to the deeper structures inherent within the discipline. In order to help students meet Common Core State standards and improve coherence in the mathematics program at PS 132Q, students in grades 1-5 will complete teacher generated computer based common assessments (i.e. Think Central, IXL, etc.) in order to periodically evaluate student progress and competency in math. These

assessments will be both rigorous and common core aligned. Both school and student data (i.e. ATS, School Progress, Acuity and ISR reports) reflect a need to improve mathematics scores for all student populations.

Instructional Strategies/Activities

Describe the research-based school wide reform instructional strategies and activities that will be used to achieve the goal in part A. Enumerate each strategy/activity and its corresponding subsection in parts B, C, D, and E. For each strategy/activity identified in part A, a corresponding item must be provided in parts B, C, D, and E.

A. Strategies/activities that encompass the needs of identified subgroups

Action Plan:

- **Teachers will implement collaborative lessons that will enhance student outcomes in math.**
- **Teachers will meet weekly to evaluate student work in problem solving and other unit related math skill areas.**
- **Teacher will administer common assessments that will assess student problem solving abilities as well as their overall understanding of math related unit content.**
- **Teachers will continue to utilize student friendly rubrics to provide timely and purposeful feedback regarding student progress within literacy to both students and parents.**

B. Key personnel and other resources used to implement each strategy/activity

- **Principal, Asst. Principal, Data Specialist, Test Coordinator, School Guidance Counselor, Teaching Staff, School Based Support Team**

C. Identify targets to evaluate the progress, effectiveness, and impact of each strategy/activity

- **Formative Assessments**
- **Common Assessments**
- **Summative Assessments (including unit exams, performance tasks and periodic assessments).**

D. Timeline for implementation and completion including start and end dates

- **September 2013- June 2014**

E. Describe programmatic details and resources that will be used to support each instructional strategy/activity

- **Non-classroom teachers will provide push-in classroom support to identified students during the school's designated AIS period.**
- **The School Guidance Counselor will work with selected students in a peer mediation program in order to curb student behaviors that pose challenging circumstances within instructional periods including mathematics periods.**
- **School Based Support Team will provide tier 2 interventions for students who exhibit challenging behaviors.**
- **Students will receive additional instructional support in reading and mathematics during the Test Sophistication Program, an afterschool program.**
- **The extended day program will focus on assisting students with comprehending grade specific math concepts /skills and establishing coherency within the instructional core.**
-

Goal and Action Plan #3

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #3

Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

In the 2013-2014 school year, the school will continue to utilize the PBIS (Positive Behavior Intervention Supports) program in order to reduce student suspensions by 3% as indicated in the suspension summary report in OORS.

Comprehensive Needs Assessment

Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students, in relation to State academic content and student achievement standards.

According to the Citywide Standards of Intervention and Disciplinary Measures, school personnel are responsible for developing and using strategies that promote optimal learning and positive behavior throughout a student’s school experience. They are also responsible for addressing behaviors which disrupt learning. Administrators, teachers, counselors and other school staff are expected to engage students, including students with disabilities, in intervention and prevention strategies that address a student’s behavioral issues and discuss these strategies with the student and his/her parent. Intervention and prevention approaches may include guidance support and services to address personal and family circumstances; social/emotional learning, such as conflict resolution/peer mediation/negotiation, anger management, and/or communication skills acquisition; the use of alternate instructional materials and/or methods; enrichment services; alternate class placement; and/or development or review of functional behavioral assessments and behavioral intervention plans which should be developed and/or reviewed as an early intervention strategy. School data (i.e. OORS reports, school survey data, etc.) suggest that a reduction in student suspensions may equate to heighten student outcomes in student achievement. To this end, the school will develop, implement and administer a school wide discipline plan that will feature a parent handbook and character education program.

Instructional Strategies/Activities

Describe the research-based school wide reform instructional strategies and activities that will be used to achieve the goal in part A. Enumerate each strategy/activity and its corresponding subsection in parts B, C, D, and E. For each strategy/activity identified in part A, a corresponding item must be provided in parts B, C, D, and E.

A. Strategies/activities that encompass the needs of identified subgroups

Action Plan:

- ***Guided professional development activities that will facilitate the implementation and compliance of the PBIS program.***
- ***The development and implementation of parent workshops that would ensure school wide conformity to the PBIS program.***
- ***Implementation of a school wide character development program that would help students to comprehend and role model important character leadership traits.***
- ***The development and distribution of teacher and parent handbooks which outline appropriate responses to instances of student misconduct.***

B. Key personnel and other resources used to implement each strategy/activity

Principal, Asst. Principal, Data Specialist, Test Coordinator, School Guidance Counselor, Parent Coordinator, Teaching Staff

C. Identify targets to evaluate the progress, effectiveness, and impact of each strategy/activity

- *The School Guidance Counselor will work with selected students in a peer mediation program in order to curb student behaviors that pose challenging circumstances within instructional periods.*
- *Students will participate in a school wide character education program that will help them to identify and role model key character leadership traits.*

D. Timeline for implementation and completion including start and end dates

September 2013- June 2014

E. Describe programmatic details and resources that will be used to support each instructional strategy/activity

- *The School Guidance Counselor will work with selected students in a peer mediation program in order to curb student behaviors that pose challenging circumstances within instructional periods.*
- *Students will participate in a school wide character education program that will help them to identify and role model key character leadership traits*

Strategies to Increase Parental Involvement

All schools should cite strategies to increase parent involvement that aligned to the goal when applicable. Title I schools should reference these activities in your school's Title I Parent Involvement Policy (PIP).

- *Parents will receive continual training on how to use ARIS Parent Link*

Academic Intervention Services (AIS)

Schools need to maintain accurate records of students who are receiving Academic Intervention Services to ensure that students who are not at proficiency receive effective and timely assistance. These records need to be made available upon request and indicate the total number of students receiving AIS in each subject area listed below and for each applicable grade in your school.

All Title I Schools

Highly Qualified Teachers (HQT)

Describe the strategies and activities including strategies for recruitment, retention, assignments, and support including high quality professional development that ensures staff is highly qualified.

The new teacher candidate committee will continue to rigorously review teacher resumes as teacher vacancies become available. Only those candidates that fit the criteria of a highly qualified teacher will be invited for interviews and demonstration lessons. Additionally, all new teacher hires will be paired with a highly qualified counterpart in order to ensure that their professional development is appropriate and satisfactory.

High Quality and Ongoing Professional Development

Describe the strategies and activities for high quality professional development for teachers, principals, and paraprofessionals, and staff that enable all students to meet Common Core State Standards (CCSS).

Professional development activities will continue to hone the staff skills necessary for assisting students in meeting the newly implemented common core State Standards.

Coordination and Integration of Federal, State, and Local Services and Programs

Describe how the coordination and integration of Federal, State, and/or local funds are used to meet ***the intent and purpose*** programs whose funds are consolidated (i.e., services for Students in Temporary Housing (STH), violence prevention programs, housing programs, Head Start, etc.).

The intent and purpose for all programs whose funds are consolidated will be met through the coordination and integration of Federal, State and local funds.

SWP Schools Only

Transition Plans to Assist Preschool Children (Elementary Schools Only)

Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/info, early intervention services, etc.).

Plans for assisting preschool students transition to elementary school programs will be supported through the continued utilization and implementation of a Common Core aligned curriculum, joint PD and parent involvement activities. Teacher teams will further support these transition efforts thru the sharing of essential student information from all pertinent school data sources (i.e. student records, ESI reports, etc)

Measures to Include Teachers in Decisions Regarding Assessments

Describe the decision making process that teachers participate in regarding the use and selection of appropriate multiple assessment measures and the professional development provided regarding the use of assessment results to improve instruction.

Membership in the school's inquiry team as well as teacher participation in teacher team meetings allows the teaching staff to become more involved in the decision making process regarding the use of academic assessments as well as the improvement of student achievement within the school's current instructional programs.

TA Schools Only

Use of Program Resources

Describe how the TA program resources will assist participating children to meet proficiency.

TA Coordination with the Regular Program

Describe the planning, coordination and support of the TA program with the regular educational program (i.e., providing ELT, accelerated, high-quality curriculum, including applied learning; and minimize removing children from the regular classroom during regular school day).

**Directions and Guidance for Developing and Updating the
Parent Involvement Policy (PIP) (Required for Title I Schools ONLY)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template below to update your school's current policy or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. The activities and/or strategies included in your school's policy should align with current CEP goals for improving student achievement.

The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if your school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in your policy.

Parent Involvement Policy (PIP) Template

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. Our school will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community;

Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, our school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to schools to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in our Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;
- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

Our school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- hosting events to support, men asserting leadership in education for their children. parents/guardians, grandparents and foster parents;
- encouraging more parents to become trained school volunteers;

- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand;

SCHOOL-PARENT COMPACT
REQUIRED OF ALL SCHOOLS
MAY BE LAST YEARS BUT MUST BE UPDATED

Our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

I. School Responsibilities

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting prior to December 1st of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;

- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering will all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

II. Parent/Guardian Responsibilities:

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

SUBMISSION FORM
2013-14 TO 2014-15 SCHOOL YEARS**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This is a two-year plan on how schools will support ELLs' linguistic and academic needs. This LAP form is a part of the school's CEP. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, hold your cursor over the .

After reviewing and analyzing the assessment data, answer the following:

1. Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How will this data help inform your school's instructional plan? Please provide any quantitative data available to support your response.
The school is continuing to use Teachers College Writing Project(TCRWP) as an assessment tool). The data pattern shows that the ELL students need support in writing skills. This data will help us provide specific targeted instruction for the specific needs of the students and help us to differentiate instruction during ESL.
2. What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
The data patterns show that the students are scoring higher in listening and speaking but need more emphasis on reading and writing skills.
3. How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions? How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAO tool](#))
NA
4. For each program, answer the following:
 - a. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
 - b. Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
 - c. What is the school learning about ELLs from the Periodic Assessments? How is the native language used?The patterns across proficiencies reveal that the students are scoring higher in listening and speaking but still require more skills in reading comprehension specifically focused on close reading of text, higher order thinking skills around inferencing and going beyond the text. ELL students do not take tests in the native language.
5. Describe how your school uses data to guide instruction for ELLs within the Response to Intervention (RtI) framework (for grades K-5). (see [RtI Guide for Teachers of ELLs](#).)
Data from all assessment local and state are used as guides to determine the specific needs of ELL as well as former ELL students to track their progress. If a student is not making adequate progress then several steps are put into place according the RTI ladder of intervention. Meeting with classroom teachers, support staff, guidance personnel and ESL teacher discuss an intervention plan that is regularly revisited to determine progress.
6. How do you make sure that a child's second language development is considered in instructional decisions?
The students's second language development is considered when reviewing the assessment results of both the NYSESLAT and TCRWP results as well as in house assessments and the baselines that the ESL teacher administers locally. The LAB results in Spanish also help to formulate a determination of literacy in L1.
7. For dual language programs, answer the following:
 - a. How are the English-proficient students (EPs) assessed in the second (target) language?
 - b. What is the level of language proficiency in the second (target) language for EPs?
 - c. How are EPs performing on State and City Assessments?Paste response to questions here:
8. Describe how you evaluate the success of your programs for ELLs (e.g. meeting AYP for ELLs, etc.).
The evaluation of the success of the ELLs is based upon on-going teacher observation, articulation with other staff members, and student's ability/inability to move through proficiency levels quickly. The focus on proficiency is a driving force.

Part IV: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. (Refer to [ELL Policy Brief](#) and [EPIC](#).)
At registration parents of students who are first time NYC public schools admits are required to complete a Home Language Identification Survey(HLIS) in their native language which includes an interview with the parent and child. The ESL teacher screens the surveys in order to determine LAB-R eligibility. Students who meet the LAB-R criteria are then given the exam by a licensed teacher within the first ten days of admission. Depending on the scores that the students receive parents are informed of the appropriate placement. Parents of students who score at the beginning, intermediate and advanced levels are invited to attend an ESL parent orientation meeting within twenty days of enrollment.
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
At the orientation meeting parents learn of their choices so that they can confidently decide on the best program choice for their child. The video is shown in the language of their choice. Parents are required to complete a Parent Survey and Program Selection form in their native language. The orientation takes place within the first 20 days of enrollment. Parents who are unable to attend receive the form by mail and are reminded to attend a subsequent meeting. A log is maintained to keep track of parent response letters. If this attempt is unsuccessful a phone is set up.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned, and secured/stored. (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [\[see tool kit\]](#).)
The school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned during the Parent Orientation for all new students. The school will enter parent choice as indicated on the Parent Survey and Program Selection Form by entering the parent choice on the ELPC on ATS. Outreach attempts are tracked and maintained at the school. Phone logs are maintained. Once the child's program has been determined based on the steps outlined above, school will send parents a placement letter indicating the program in which their child has been placed. The Parent Survey and Program Selection Form is a formal record of the parents' preference of ELL program for their child, and must be retained in the student's permanent record and accessible for State or City audits and reviews.
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
The ESL teacher will review the HLIS and use the procedure as mandated by the city in one response in section A and two responses in section B indicate a language other than English. The LAB-R is given to determine if the student is in need of ELL services. Parents are asked to come to a Parent Orientation so that they may select their program of choice. If parents do not come to the orientation they will participate in a phone conference. If they are not reached by this manner the student will be deemed eligible for the TBE program as the default option..
5. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.
The speaking section is administered first, followed by listening, reading and writing sections. Students are given only one part in a day.
6. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.) Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. 
The trend is that 100% of the parents choose the freestanding ESL pull-out program model which is in place at P.S.132.

Part V: ELL Programming

A. Programming and Scheduling Information

1. How is instruction delivered? (see [*The Practitioners' Work Group for Accelerating English Language Learner Student Achievement: Nine Common Features of Successful Programs for ELLs*](#))
 - a. What are the organizational models (e.g., departmentalized, push-in [co-teaching], pull-out, collaborative, self-contained)?
 - b. What are the program models (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogeneous [proficiency level is the same in one class])?
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to foster language development and meet the demands of the Common Core Learning Standards.

Language function, language structures, and vocabulary lessons are integrated in all content area lessons. The ESL teacher supports the efforts of the mainstream teacher. Teachers scaffold academic language to support student's participation in content areas through modelling, using visuals and other ESL strategies in order to make content comprehensible.
4. How do you ensure that ELLs are appropriately evaluated in their native languages throughout the year?

N/A
5. How do you ensure that ELLs are appropriately evaluated in all four modalities of English acquisition throughout the year? The ESL teacher constantly assesses the student. Informal tests are given to determine the skills that need to be reinforced in future instruction.
6. How do you differentiate instruction for ELL subgroups?
 - a. Describe your instructional plan for SIFE.
 - b. Describe your plan for ELLs who have been in US schools less than three years (newcomers)..
 - c. Describe your plan for ELLs receiving service 4 to 6 years.
 - d. Describe your plan for long-term ELLs (completed 6+ years).
 - e. Describe your plan for former ELLs (in years 1 and 2 after testing proficient).

Initially, the newcomers receive the majority of their instruction in oral language along with beginning reading and writing skills. For the ELLs receiving services 4-6 years additional instruction in writing mechanics and reading comprehension specifically related to Common Core are provided. There are currently no long-term ELLs. Former ELLs will receive additional seat time in academic

intervention and participate in extended day programs.

7. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?

The ELL-SWDs are receiving instruction in the same ELA and Math programs as the mainstream students. The classroom teachers of SWDs provide scaffolding strategies such as the use of graphic organizers. UDL strategies are also used as students needs are identified and learning styles are identified. The school is currently using Ready Gen for ELA instruction and Go Math for Mathematics instruction.

8. How does your school use curricular, instructional, and scheduling flexibility to enable diverse ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment?

All ELLs who are identified as having special needs are serviced as per their IEP. Differentiated instruction is provided according to the instructional goals as specified in their IEP. Student participate in all school activities. Conversations with the classroom teacher help to align classroom instruction with ESL instruction.

TBE and dual language programs have both native language arts and subject areas taught in the native language; ESL has native language supports.

B. Programming and Scheduling Information--Continued

9. Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.

The targeted intervention program for ELLs depends on the needs of the students as demonstrated on their performance on the NYSESLAT and other assessment instruments such as the state ELA and Math exams. In addition, the periodic assessments also offer information on student performance as well as local instruments. The school must provide RTI support as written in their plan. Support may include group support in individual support.

10. Describe the effectiveness of your current program and how it is meeting the needs of your ELLs in both content and language development.

The effectiveness of the program is determined by the number of students who continue to move one or more proficiency levels and eventually exit the program. Continual reflection on teaching practice and continually revisiting outcomes help to improve student performance. During grade conferences alignment of instruction with content area instruction is discussed and every effort is made to ensure classroom and ESL instruction is cohesive. Content area glossaries are provided for additional support.

11. What new programs or improvements will be considered for the upcoming school year?

Ready Gen and Go Math

12. What programs/services for ELLs will be discontinued and why?

None:

13. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.

ELLs receive equal access to all school programs and are provided with age appropriate, resources and materials in accordance with NYC DOE policy. Students will receive additional supplemental academic support before school. Students are also eligible for RTI services. The resource room teacher also provides at risk services.

14. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?

Classrooms are equipped with smartboards for instructional purposes. In addition students are programmed to visit the computer lab which is fully equipped with multiple software programs in ELA and Math. Bilingual content area glossaries are available in science, math, and social studies.

15. How is native language support delivered in each program model (TBE, Dual Language, and ESL)?

Native language glossaries are provided to students on an as needed basis. The ESL classroom also has bilingual books for students.

16. Explain how the required services support, and resources correspond to ELLs' ages and grade levels.

All ELL students are placed according to their appropriate age and grade level in accordance with DOE policy. Every effort is made to instruct the students on their appropriate grade level with scaffolded support provided by the ESL teacher.

17. Describe activities in your school that assist newly enrolled ELL students before the beginning of the school year. Please include activities for new ELLs who enroll throughout the school year.

The school does not currently provide any activities for newly enrolled ELLs before the beginning of the school year. Parents are invited to attend PA meetings which discuss a variety of topics including the developmental needs of students. They also receive information about state standards and the skills required on the NYS Assessment exams.

18. What language electives are offered to ELLs?

N/A

19. For schools with dual language programs:

- a. How much time (%) is the target language used for EPs and ELLs in each grade?
- b. How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?
- c. How is language separated for instruction (time, subject, teacher, theme)?
- d. What Dual Language model is used (side-by-side, self-contained, other)?
- e. Is emergent literacy taught in child's native language first (sequential), or are both languages taught at the same time (simultaneous)?

C. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What professional development is offered to teachers of ELLs (including ESL and bilingual teachers) in supporting ELLs as they engage in the Common Core Learning Standards?
3. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
4. Describe the minimum 7.5 hours of ELL training (10 hours for special education teachers) for all staff (including non-ELL teachers) as per Jose P.

The ESL teacher will provide the staff on-going ESL training/workshops on strategies and resources to help ELLs access the curriculum and meet state standards. In addition the network provides workshops, seminars in ESL strategies to meet the needs of ELLs. The ESL teacher will provide information to teachers about outside workshops provided by the union, universities and conferences offered by NYS TESOL.

D. Parental Involvement

1. Describe ELL parent involvement in your school. Include specific activities that foster parental involvement for parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

Throughout the year parents of ELLs are kept informed by school newsletters. They are encouraged to participate in all programs and workshops dealing with topics to increase student success. If necessary translations will be provided. Ms. Belton, the parent coordinator, includes the ELL parents in all informational communications in their language of choice. If there are specific needs requested by the ELL parents she will reach out to appropriate community agencies.

E. Additional Information

Please include any additional information that would be relevant to your LAP and would further explain your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

LANGUAGE TRANSLATION AND INTERPRETATION 2013-2014 TO 2014-2015

Requirement under Chancellor's Regulations – for all schools

DBN: 29Q132 School Name: Ralph Bunche School

Cluster: 5 Network: 531

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

The HLIS provides the initial level of screening for parent's translation needs. In addition each parent is required to complete at the time of registration information on what language they wish to receive school communication. Upon determining the preferred language the school makes every effort to communicate accordingly throughout the year. Both in house and parent volunteers are available to accomplish this goal. Ms. Belton, our Parent Coordinator, insures that this service is provided in a timely manner.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

Our school's findings demonstrate that the majority of ELL parents require the translation and interpretation services. At the ELL parent orientations both oral and written materials are provided in the native language. The findings of the translation needs are reported to the community by the administration, the parent coordinator and the ESL teacher.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

In order to facilitate parent involvement we send translated documents to families to inform them of workshops, parent teacher conferences and any special programs such as book fairs, family night and trips. We notice that there is increased participation when parents fully understand what is happening at their child's school. Every effort is made to do so in a timely fashion. The newly created position of Language Access Coordinator will help facilitate the identification of translation needs and ensure the timely provision of translated documents.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

At PS 132Q it is highly beneficial to have information translated into Haitian-Creole and Spanish. This shall be available during the admission process, parent orientations, parent teacher conferences both in person and by phone. These services can be provided by an outside vendor should there be an identified need or using the phone services of the Language and Interpretation Unit.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link:
<http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

In compliance with the Chancellor's Regulation A-663 all students who speak another language at home are to be identified within the first ten days of their enrollment. If necessary, written or oral translations are provided immediately in order to "provide such families with a meaningful opportunity to participate in and have access to programs and services critical to their child's education." The families of our ELLs must receive fair and equal treatment. We recognize the importance of parental involvement and continuously aim to ensure open lines of communication with all families.
