## Section 2: School Leadership Team (SLT) Signature Page

All SLT members are expected to sign this page to confirm their participation in the development of this School Comprehensive Educational Plan (SCEP) and consultation regarding the alignment of funding to support this school’s educational program, which includes annual goals and action plans, Academic Intervention Services (AIS), Parent Involvement Policy (PIP) and School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with [Chancellor’s Regulation A-655](#), available on the [New York City Department of Education \(NYCDOE\)](#) website.

### Directions:

- List the names of each SLT member in the left-hand column on the chart below. Specify any position held by the team member, e.g., Chairperson and the constituent group represented, e.g., parent, staff, student, or Community Based Organization (CBO). Core mandatory SLT members are indicated by an asterisk\*.
- SLT members should review this document and sign in the right-hand column in **blue ink**. If an SLT member does not wish to sign this plan, the member may attach a written explanation in lieu of his/her signature, which must be maintained on file at the school with the original SLT signature page.\*\*
- The original signed copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

### Section 3: Directions and Guidance for Developing the School Comprehensive Educational Plan

The School Comprehensive Educational Plan is meant as a tool to facilitate continuous improvement planning - to support schools in engaging their staff, parents, students, and community partners in assessing and prioritizing school needs, setting measurable improvement goals, selecting appropriate strategies to improve student outcomes, monitoring progress toward meeting annual goals, and communicating these efforts to the broader school community. This section will provide School Leadership Teams (SLTs) with guidance regarding CEP development informed by the Capacity Framework. Additional information is available in the [Comprehensive Educational Planning Memorandum](#).

#### The Capacity Framework and SCEP Development

The [Capacity Framework](#) encourages parents, educators, school communities, and external stakeholders to work together to improve student achievement. This collaborative focus will ensure that every child is consistently ready for the next grade, level, and set of challenges. The School Comprehensive Educational Plan (SCEP) will reflect this focus and should serve as the blueprint that engages a school community in a systematic, ongoing review and analysis of student needs to identify and address root causes and implement strategies and activities that improve outcomes for students.

Aligned with the Chancellor’s [Four Pillars](#), the Capacity Framework takes us away from market-based competitive models to an approach focused on collaboration. This new model looks at how schools can improve, and students can achieve more, when all members of the community work together.

Based on robust research, the six elements of the Framework identify the areas that we must improve to accomplish high student achievement. By focusing attention and resources on what it takes for schools to function well, the Capacity Framework identifies the underlying strengths and weaknesses of a school and shows community members concrete ways to improve.

In accordance with the requirements of [Chancellor’s Regulations A-655](#), all SLTs are to develop an educational plan in consultation with parents, school staff, and students, to provide a meaningful opportunity for stakeholders to participate in shared decision making and school improvement. The expectation is that SLTs will engage in a comprehensive educational planning process to inform the development of five goals and action plans in response to the first five elements of the Capacity Framework (listed below), with the sixth element, *Trust*, addressed within each action plan.

<b>The Six Elements of the Capacity Framework</b>	
•	<b>Rigorous Instruction:</b> Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.
•	<b>Supportive Environment:</b> The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.
•	<b>Collaborative Teachers:</b> Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.
•	<b>Effective School Leadership:</b> Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement.
•	<b>Strong Family-Community Ties:</b> School leadership brings resources from the community into the school building by welcoming, encouraging, and developing partnerships with families, businesses, and community-based organizations.
•	<b>Trust:</b> Everyone works toward the shared goal of improving student outcomes, preparing students for success in school and beyond. Across the school community, there is respect. School staff, parents, students and administrators value each other.

## Accountability Tools and the Capacity Framework

In order to address the six elements of the Capacity Framework, school communities should engage in improvement planning that is informed by the New York State Education Department's (NYSED) Diagnostic Tool for School and District Effectiveness (DTSDE) Tenets, the NYCDOE's Quality Review Indicators and other quantitative and qualitative data.

### NYSED's Six DTSDE Tenets

The DTSDE protocol includes a rubric, which identifies clear and coherent expectations of the optimal conditions of an effective school and school district across the following six tenets:

- Tenet 1: District Leadership and Capacity
- Tenet 2: School Leader Practices and Decisions
- Tenet 3: Curriculum Development and Support
- Tenet 4: Teacher Practices and Decisions
- Tenet 5: Student Social and Emotional Developmental Health, and
- Tenet 6: Family and Community Engagement.

### NYCDOE's Quality Review (QR)

The Office of School Quality (OSQ) supports school improvement across the NYC Department of Education (DOE) by coordinating qualitative assessments of principals and school communities. All of the qualitative assessments are rooted in the Quality Review rubric and drive improvements to principal and school practice, with the ultimate goal of impacting student achievement. The 2014-15 Quality Review (QR) Rubric has ten indicators within three categories as outlined below:

- I. Instructional Core Across Classrooms: Curriculum (1.1), Pedagogy (1.2), Assessment (2.2)
- II. School Culture: Positive Learning Environment (1.4), High expectations (3.4)
- III. Structures for Improvement: Leveraging Resources (1.3), Teacher support and supervision (4.1), Goals and action plans (3.1), Teacher teams and leadership development (4.2), Monitoring and revising systems (5.1)

### Next Steps for SCEP Development

School Leadership Teams should engage in the following steps:

- **Step 1:** Conduct a comprehensive needs assessment informed by the school's updated NYSED accountability status and most current quantitative and qualitative data. Prioritize areas of focus for this school year.
- **Step 2:** For schools that received an Integrated Intervention Team (IIT) School Review Report, enter the HEDI rating for each assessed Statement of Practice (SOP) in Part 1A of the needs assessment. For schools that did not undergo an IIT review, refer to the major findings/recommendations from your Quality Review (QR) or Alternative QR (AQR), and other qualitative and quantitative data, to self-rate your school for each SOP in Part 1 of the Needs Assessment.
- **Step 3:** Revisit your school's Initial Goals and Budget Alignment Form (IGBAF) and modify your goals, as needed, to align with the Capacity Framework. Ensure the annual goals are SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.
- **Step 4:** Build consensus around strategies, activities, and programs to address students' needs in each action plan. Create action plans that translate into observable, effective strategies to improve student achievement.
- **Step 5:** Update your school's AIS section. All Title I schools update the Parent Involvement Policy (PIP) and School-Parent Compact (SPC).
- **Step 6:** Establish a process for engaging in progress monitoring throughout the school year as part of an overall cycle of continuous improvement planning to assess whether strategies and activities outlined in the action plans are resulting in improved student performance. Adjust practices, when necessary.

Remember, the plan is only the beginning. Treat it as a living document and feel free to adjust along the way as your experiences and the evidence justify. Careful implementation of your ideas, follow-through, and continuous evidence-based monitoring of progress are the keys to accomplishing desired results.

#### Section 4: SCEP Overview

Develop a narrative summary that includes:

- Contextual information about your school's community and its unique/important characteristics, including your school's mission statement and a description of strategic collaborations/ partnerships and/or special initiatives being implemented.
- School strengths, accomplishments, and challenges.
- The DTSDE Tenet(s) in which your school made the most growth during the previous year and the key areas of focus for this school year.

We are a District 13 Elementary school located in the heart of Bedford Stuyvesant. We service school age children Pre-K to grade 5, predominantly of African –American and Hispanic descent. We are a balanced literacy school partnered with Columbia University, Teachers' College. We are also implementing science based learning through several partnerships (M.A.D Science, NYC Hall of Science, Vision Education & Media -Robofun, NYU PolyTech Robotics.) Our mission is working together to achieve positive outcomes for the growth and success for all. Our vision is a solid foundation for lifelong learning, and core values are teamwork, commitment, and integrity.

We nurture the whole child socially, emotionally and academically. We focus on the growth of each child and teach children to care and promote building community. We offer students Spanish as a foreign language, and we have a state of the art science lab that allows students to experience science at a deeper level. We also offer students various learning experiences through high technology.

We continue to experience challenges in English language arts and we made the most growth in mathematics in the previous school year. As a result of our challenges in English language arts we will focus our efforts in the areas of fluency and comprehension.

3.3	Teachers ensure that unit and lesson plans that are appropriately aligned to the CCLS coherent curriculum introduce complex materials that stimulate higher-order thinking and build deep conceptual understanding and knowledge around specific content.	D
3.4	The school leader and teachers ensure that teacher collaboration within and across grades and subjects exists to enable students to have access to a robust curriculum that incorporates the arts, technology and other enrichment opportunities.	P
3.5	The school leader and teachers develop a data-driven culture based on student needs, assessments and analysis, which leads to strategic action-planning that informs instruction and results in greater student achievement outcomes.	P

#### Part 1b. Needs/Areas for Improvement:

- Reflect on your school's HEDI ratings (or self-ratings) in Part 1a, particularly any ratings of Developing and Ineffective.
- Summarize your school's strengths and needs relative to this Capacity Framework element and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data sources.

Our New York State Common Core 2014 English Language Arts scores for all grades (3, 4, 5) indicate that 18% of all students tested met proficiency by scoring at level 3 and 4. This data reflects an upward trend of 1% when compared to the NYS 2013 ELA scores for all grades. For 2014, 40% of all students scored at level 1 and 42% scored at level 2.

- As stated in our 2013-2014 Quality Review, we need to expand the alignment of instructional practices and school beliefs on how students learn best, to curricula, using the Danielson framework to drive interventions that improve the quality of work by all students. (1.2)

### Part 2 – Annual Goal

List your school's 2014-15 goal for improving student outcomes and school performance that addresses Capacity Framework element – Rigorous Instruction. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and should be written as SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2015 all teacher teams during collaborative inquiry will increase the coherence of pedagogical practices across grades utilizing the Danielson framework and instructional shifts that will result in an increase of coherence pedagogical practices across grades.

### Part 3 – Action Plan

<b>Activities/Strategies:</b> Detail below the actions, strategies, and activities your school will implement to achieve the identified goal for this Capacity Framework element, including: <ul style="list-style-type: none"> <li>• Research-based instructional programs, professional development, and/or systems and structures needed to impact change</li> <li>• Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH).</li> <li>• Strategies to increase parent involvement and engagement</li> <li>• Activities that address the Capacity Framework element of Trust</li> </ul>	<b>Target Group(s)</b> <i>Who will be targeted?</i>	<b>Timeline</b> <i>What is the start and end date?</i>	<b>Key Personnel</b> <i>Who is responsible for implementing and overseeing the activity/strategy?</i>
Teacher teams will work collaboratively to analyze and modify units of study utilizing the Danielson Framework and instructional shifts specific to their grade.	All Teachers	October 2014 – June 2015	Lead Teacher on the grade, A.P., & Principal
Teacher teams will engage in professional development to enhance their knowledge of the Danielson Framework and instructional shifts.	All Teachers	October 2014 – June 2015	Staff Developer, A.P., & Principal

**Part 4 – Resources Needed**

Indicate resources needed to implement this action plan, including human resources, instructional resources, schedule adjustments, etc.
<ul style="list-style-type: none"> <li>• Teacher teams, Staff Developer, Assistant Principal, Principal for demonstration of modeling, developing norms and common language among teachers in the analysis of units of study, the Danielson Framework and Instructional Shifts for the subject/grade.</li> <li>• Scheduling Professional Development sessions during the Monday PD hours.</li> <li>• Funding for Teachers’ College Staff Developers</li> <li>• Use of the NYC DOE resources such as the Common Core Library and Advance</li> <li>• Use of the NYS Common Core resources such as the mathematics curriculum modules</li> <li>• Consumable and workshop materials, such as professional texts</li> <li>• 20 Apple I-pad Airs at approximately \$ 7,770</li> </ul>

**Part 5 – Budget and Resource Alignment**

Indicate using an “X” the fund source(s) that will be utilized to support achievement of the specified goal.													
X	Tax Levy	X	Title I Basic		Title I 1003(a)		Title IIA	X	Title III	X	P/F Set-aside		Grants
List below any additional funding sources that will be utilized to support achievement of the goal.													

**Part 6 – Progress Monitoring**

<b>Part 6a.</b> Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. In this part:
<ul style="list-style-type: none"> <li>• Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.</li> <li>• Specify a timeframe for mid-point progress monitoring activities.</li> </ul>

By February 2015, there will be an 80% increase in the coherence of pedagogical practices across grades as measured by teacher instructional practices demonstrated during informal and formal observations.

## Section 5: Needs Assessment, Annual Goals and Action Plans

**Section 5B – Capacity Framework Element - Supportive Environment:** The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers. *(Aligned to DTSDE Tenet 5: Student Social and Emotional Developmental Health)*

### Part 1 – Needs Assessment

**Part 1a. HEDI Rating (Highly Effective, Effective, Developing, or Ineffective) for DTSDE Tenet 5:**

- For schools that received an Integrated Intervention Team (IIT) School Review Report: Enter the HEDI rating for each assessed Statement of Practice (SOP) on the chart below.
- For schools that did not receive an IIT School Review, or did not receive a HEDI rating for one or more SOPs: Self-rate your school for that SOP, informed by an analysis of student performance trends and any major findings/recommendations from your Quality Review (QR) or Alternative QR (AQR), and other relevant qualitative and quantitative data. Enter your HEDI self-rating(s) on the chart below.

Tenet 5 Statement of Practice (SOP) Addressed		HEDI Rating
5.2	The school cultivates the development of overarching systems and partnerships that support and sustain social and emotional developmental health.	P
5.3	The school articulates and systematically promotes a vision for social and emotional developmental health that is connected to learning experiences and results in building a safer and healthier environment for families, teachers and students.	P
5.4	All school constituents are able to articulate how the school community is safe, conducive to learning and fosters a sense of ownership that leads to greater student outcomes.	D
5.5	The school leader and student support staff work together to develop teachers' ability to use data to respond to students' social and emotional developmental health needs, so students can become academically and socially successful.	P

**Part 1b. Needs/Areas for Improvement:**

- Reflect on your school's HEDI ratings (or self-ratings) in Part 1A, particularly any ratings of Developing and Ineffective.
- Summarize your school's strengths and needs relative to this Capacity Framework element and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data sources.

As stated in the 2013-2014 Quality Review, we will continue to build a culture for learning that emphasizes high expectation of college and career readiness for all students, incorporating additional structures that support students, staff and families towards that goal. (3.4)

### Part 2 – Annual Goal

List your school's 2014-15 goal for improving student outcomes and school performance that addresses Capacity Framework element – Supportive Environment. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and should be written as SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2015 there will be an increase in structures to build a culture for learning that emphasize high expectations of college and career readiness for all students.

### Part 3 – Action Plan

**Activities/Strategies:** Detail below the actions, strategies, and activities your school will implement to achieve the identified goal for this Capacity Framework element, including:

- Research-based instructional programs, professional development, and/or systems and structures needed to impact change
- Strategies to address the needs of students with disabilities,

## Section 5: Needs Assessment, Annual Goals and Action Plans

**Section 5C – Capacity Framework Element - Collaborative Teachers:** Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement. *(Aligned to DTSDE Tenet 4: Teacher Practices and Decisions)*

### Part 1 – Needs Assessment

**Part 1a. HEDI Rating (Highly Effective, Effective, Developing, or Ineffective) for DTSDE Tenet 4:**

- For schools that received an Integrated Intervention Team (IIT) School Review Report: Enter the HEDI rating for each assessed Statement of Practice (SOP) on the chart below.
- For schools that did not receive an IIT School Review, or did not receive a HEDI rating for one or more SOPs: Self-rate your school for that SOP, informed by an analysis of student performance trends and any major findings/recommendations from your Quality Review (QR) or Alternative QR (AQR), and other relevant qualitative and quantitative data. Enter your HEDI self-rating(s) on the chart below.

Tenet 4 Statement of Practice (SOP) Addressed		HEDI Rating
4.2	Teachers use instructional practices and strategies organized around annual, unit and daily lesson plans to meet established student goals and promote high levels of student engagement and inquiry.	D
4.3	Teachers provide coherent, appropriately aligned Common Core Learning Standards (CCLS)-based instruction that leads to multiple points of access for all students to achieve targeted goals.	P
4.4	Teachers create a safe environment that is responsive to students' varied experiences, tailored to the strengths and needs of all students, and leads to high levels of student engagement and inquiry.	P
4.5	Teachers use a variety of data sources including screening, interim measures and progress monitoring to inform lesson planning, develop explicit teacher plans and foster student participation in their own learning process.	D

**Part 1b. Needs/Areas for Improvement:**

- Reflect on your school's HEDI ratings (or self-ratings) in Part 1A, particularly any ratings of Developing and Ineffective.
- Summarize your school's strengths and needs relative to this Capacity Framework element and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data sources.
- As stated in our 2013-2014 Quality Review, we need to expand the alignment of instructional practices and school beliefs on how students learn best, to curricula, using the Danielson framework to drive interventions that improve the quality of work by all students. (1.2) Lessons showed limited use of high quality extensions to address the needs of higher performing students, thus reducing the school's ability to advance those students to more rigorous tasks that deepen their learning and enhance their work products.
- As indicated in our New York State Common Core 2014 English Language Arts results for all grades (3, 4, & 5) 18% of all students tested met proficiency by scoring at level 3 & 4, 40% scored at level 1 and 42% scored at level 2.

### Part 2 – Annual Goal

List your school's 2014-15 goal for improving student outcomes and school performance that addresses Capacity Framework element – Collaborative Teachers. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and should be written as SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2015 90% of the teachers will design and implement more rigorous and cognitive engaging tasks that will meet the needs of all students as evidenced by an increase in student engagement and inquiry for high performing students.

### Part 3 – Action Plan

Activities/Strategies: Detail below the actions, strategies, and activities your school will implement to achieve the identified goal for this Capacity Framework element, including:	Target Group(s) <i>Who will be</i>	Timeline <i>What is the start and</i>	Key Personnel <i>Who is responsible for implementing</i>

Teachers will utilize targeted instructional strategies to enhance students’ fluency and reading comprehending skills.	All teachers	October 2014-June 2015	Grade lead teacher, Assistant Principal, Teachers’ College Staff developers
Teachers will utilize targeted instructional math strategies to enhance students’ abilities to solve word problems and to enhance students’ problem solving skills.	All teachers	October 2014-June 2015	Grade lead teacher, Assistant Principal, Principal, U-math staff developer

**Part 4 – Resources Needed**

Indicate resources needed to implement this action plan, including human resources, instructional resources, schedule adjustments, etc.

- Teacher teams, Staff Developer, Assistant Principal, Principal for demonstration of modeling, developing norms and common language among teachers in the analysis of units of study, the Danielson Framework and Instructional Shifts for the subject/grade.
- Scheduling Professional Development sessions during the Monday PD hours.
- Funding for Teachers’ College Staff Developers
- Use of the NYC DOE resources such as the Common Core Library and Advance
- Use of the NYS Common Core resources such as the mathematics curriculum modules
- Consumable and workshop materials, such as professional texts
- Classroom libraries, level texts (fiction and non-fiction), and also trade books for all classroom teachers to match the units of study
- 7 Apple Macintosh laptop computers estimated at approximately \$9,000.00

**Part 5 – Budget and Resource Alignment**

Indicate using an “X” the fund source(s) that will be utilized to support achievement of the specified goal.

**Part 6 – Progress Monitoring**

**Part 6a.** Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. In this part:

- Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.
- Specify a timeframe for mid-point progress monitoring activities.

By February 2015, there will be a 70% increase of lesson plans designed and implemented with the higher levels of the Depth of Knowledge categories; targeted fluency and comprehension strategies; and targeted math problem solving strategies as evidence by formal and informal observations, and student work products.

## Section 5: Needs Assessment, Annual Goals and Action Plans

**Section 5D – Capacity Framework Element - Effective School Leadership:** Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement. *(Aligned to DTSDE Tenet 2: School Leader Practices and Decisions)*

### Part 1 – Needs Assessment

**Part 1a. HEDI Rating (Highly Effective, Effective, Developing, or Ineffective) for DTSDE Tenet 2:**

- For schools that received an Integrated Intervention Team (IIT) School Review Report: Enter the HEDI rating for each assessed Statement of Practice (SOP) on the chart below.
- For schools that did not receive an IIT School Review, or did not receive a HEDI rating for one or more SOPs: Self-rate your school for that SOP, informed by an analysis of student performance trends and any major findings/recommendations from your Quality Review (QR) or Alternative QR (AQR), and other relevant qualitative and quantitative data. Enter your HEDI self-rating(s) on the chart below.

2.2	Leaders ensure an articulated vision, understood and shared across the community, with a shared sense of urgency about achieving school-wide goals aligned with the vision as outlined in the School Comprehensive Educational Plan (SCEP).	D
2.3	Leaders effectively use evidence-based systems to examine and improve individual and school-wide practices in the critical areas (student achievement, curriculum & teacher practices; leadership development; community/family engagement; and student social and emotional developmental health) that make progress toward mission-critical goals.	P
2.4	Leaders make strategic decisions to organize resources concerning human, programmatic and fiscal capital so that school improvement and student goals are achieved.	P
2.5	The school leader has a fully functional system in place to conduct targeted and frequent observations; track progress of teacher practices based on student data, feedback and professional development opportunities; and hold administrators and staff accountable for continuous improvement.	P

**Part 1b. Needs/Areas for Improvement:**

- Reflect on your school’s HEDI ratings (or self-ratings) in Part 1A, particularly any ratings of Developing and Ineffective.
- Summarize your school’s strengths and needs relative to this Capacity Framework element and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data sources.

As indicated in our 2013-2014 Elementary School Quality Snapshot school leaders received a rating of “Fair” for how clearly high expectations are communicated to students and staff.

### Part 2 – Annual Goal

List your school’s 2014-15 goal for improving student outcomes and school performance that addresses Capacity Framework element – Effective School Leadership. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and should be written as SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.

Beginning in September 2014 to June 2015 School leaders will clearly communicate high expectations to students and staff more frequently through various mediums.

### Part 3 – Action Plan

Activities/Strategies: Detail below the actions, strategies, and activities your school will implement to achieve the identified goal for this Capacity Framework element, including:	Target Group(s) Who will be targeted? ## Section 5: Needs Assessment, Annual Goals and Action Plans

**Section 5E – Capacity Framework Element - Strong Family and Community Ties:** The school creates a welcoming environment for families and takes advantage of community resources to enrich the civic life of the school. *(Aligned to DTSDE Tenet 6: Family and Community Engagement)*

### Part 1 – Needs Assessment

**Part 1a. HEDI Rating (Highly Effective, Effective, Developing, or Ineffective) for DTSDE Tenet 6:**

- For schools that received an Integrated Intervention Team (IIT) School Review Report: Enter the HEDI rating for each assessed Statement of Practice (SOP) on the chart below.
- For schools that did not receive an IIT School Review, or did not receive a HEDI rating for one or more SOPs: Self-rate your school for that SOP, informed by an analysis of student performance trends and any major findings/recommendations from your Quality Review (QR) or Alternative QR (AQR), and other relevant qualitative and quantitative data. Enter your HEDI self-rating(s) on the chart below.

Tenet 6 Statement of Practice (SOP) Addressed		HEDI Rating
6.2	The school atmosphere is welcoming and fosters a feeling of belonging and trust, which encourages families to freely and frequently engage with the school, leading to increased student success.	P
6.3	The school engages in effective planning and reciprocal communication with family and community stakeholders so that students’ strength and needs are identified and used to augment learning.	P
6.4	The entire school community partners with families and community agencies to promote and provide professional development across all areas (academic and social and emotional developmental health) to support student success.	P
6.5	The entire school shares data in a way that empowers and encourages families to use and understand data to promote dialogue between parents, students and school constituents centered on student learning and success.	D

**Part 1b. Needs/Areas for Improvement:**

- Reflect on your school’s HEDI ratings (or self-ratings) in Part 1A, particularly any ratings of Developing and Ineffective.
- Summarize your school’s strengths and needs relative to this Capacity Framework element and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data sources.

As stated in our 2013-2014 Quality Review discussions with parents disclosed that our communication with families about academic behaviors that the school is stressing, such as work habits/organization, communication and collaborative skills to strengthen independent learning by students, has been limited, resulting in a lessened ability of families to ensure that their children succeed in making progress towards college and career readiness.

### Part 2 – Annual Goal

List your school’s 2014-15 goal for improving student outcomes and school performance that addresses Capacity Framework element – Strong Family and Community Ties. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and should be written as SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2015 there will be an increase in the ways significant school data is shared with families.

## Section 7: Title I Program Information

### Directions:

- All schools must indicate their Title I status in Part 1
- All elements of the *All Title I Schools* section must be completed in Part 2
- All Targeted Assistance (TA) Schools must also complete the *TA Schools Only* section in part 3
- All Schoolwide Program (SWP) schools must also complete the *SWP Schools Only* section in Part 4
- If a required component is addressed elsewhere in this plan, you may refer to the page number(s) where the response can be found
- For additional information, visit the [Title I Intranet webpage](#)

### Part 1: Title I Status

Indicate with an "X" your school's Title I Status.

### Part 2: All Title I Schools

#### 2a. Highly Qualified Teachers (HQT)

Describe the strategies and activities including strategies for recruitment, retention, assignments, and support including high quality professional development that ensures staff is highly qualified.

#### 2b. High Quality and Ongoing Professional Development

Describe the strategies and activities for high quality professional development for teachers, principals, and paraprofessionals, and staff that enable all students to meet Common Core State Standards (CCSS).

### Part 3: TA Schools Only

#### 3a. Use of Program Resources

Describe how the TA program resources will assist participating children to meet proficiency.

#### 3b. TA Coordination with the Regular Program

Describe the planning, coordination and support of the TA program with the regular educational program (i.e., providing ELT, accelerated, high-quality curriculum, including applied learning; and minimize removing children from the regular classroom during regular school day).

### Part 4: SWP Schools Only

#### 4a. Transition Plans to Assist Preschool Children (Elementary Schools Only)

Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/info, early intervention services, etc.).

**4b. Measures to Include Teachers in Decisions Regarding Assessments**

Describe the decision making process that teachers participate in regarding the use and selection of appropriate multiple assessment measures and the professional development provided regarding the use of assessment results to improve instruction.

**4c. "Conceptual" Consolidation of Funds in SWP Schools**

**Directions:** All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes<sup>1</sup>. To be eligible for the flexibility consolidation of Federal funds enables, a Schoolwide Program school must identify in its Schoolwide plan (SCEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated<sup>2</sup>. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for FY '15 school allocation amounts.)	Place an (X) in <u>Column A</u> below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in <u>Column B</u> , page # references where a related program activity has been described in this plan.	
			Column A Verify with an (X)	Column B Page # Reference(s)
Title I Part A (Basic)	Federal			
Title I School Improvement 1003(a)	Federal			
Title I Priority and Focus School Improvement Funds	Federal			
Title II, Part A	Federal			
Title III, Part A	Federal			
Title III, Immigrant	Federal			
Tax Levy (FSF)	Local			

**<sup>1</sup>Explanation/Background:**

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using *all* its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual

identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used **conceptually** to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the **intent and purposes of the Federal programs** included in the consolidation so that the needs of the intended beneficiaries are met.

<sup>2</sup>The **intent and purposes** of the Federal programs indicated on the chart above (Part 4C of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I School Improvement 1003(a)** - support implementation of school improvement activities identified through the Diagnostic Tool for School and District Effectiveness (DTSDE) reviews or a school review with district oversight and included in the DCIP/SCEP.
- **Title I Priority and Focus School Improvement Funding:** support implementation of school improvement plans that aims to improve instruction and address the identified needs
- **Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program.
- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant:** Supplementary and enhanced services to LEP/ELL immigrant students, in the areas of English language acquisition and content area achievement.

**Important Note:** The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor’s Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the parent involvement policy and aligned with student achievement goals in the school comprehensive educational plan.
- **Title I Priority and Focus School Parent Engagement Set-aside:** Additional set-aside is to enable greater and more meaningful parent participation in the education of their children.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.

- **Grant funds awarded via a competitive process, including Title I 1003(g) SIG or SIF funds:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

## Section 9: Parent Involvement Policy (PIP) and School Parent Compact (SPC)

*(Required for All Title I Schools)*

**Directions:** All Title I schools are required to develop a **Parent Involvement Policy (PIP)** that meets the parental involvement requirements of Title I. The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The **School-Parent Compact (SPC)** is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's PIP should align with current SCEP goals for improving student achievement. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if the school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

Your school is encouraged to use the sample PIP and SPC templates below (which meet federal Title I parental involvement requirements) as guidance for updating the school's current policy.

---

### Parent Involvement Policy (PIP) Template

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in the school. **[School name]**, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of the school community. **[School name]** will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

The school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. The school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the

school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to the school to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in the school's Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1<sup>st</sup> of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;
- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

The school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;

- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand

### **School-Parent Compact (SPC) Template**

**[School name]**, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

#### **I. School Responsibilities**

*Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:*

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

*Support home-school relationships and improve communication by:*

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting prior to December 1<sup>st</sup> of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;

- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

*Provide parents reasonable access to staff by:*

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

*Provide general support to parents by:*

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

**II. Parent/Guardian Responsibilities:**

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;

- communicate with my child’s teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
- take part in the school’s Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

**III. Student Responsibilities:**

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

**Title III Supplemental Program for ELLs for the 2014-15 and 2015-16 SY**

Directions: Title III supplemental services for ELLs must include all of the following three components:

- **Direct instruction:** activities must be used to support language development, English and native language instruction, high academic achievement in math, and/or other core academic areas.
  - The Title III supplemental instructional services must be based on student need
  - These supplemental services should complement core bilingual and ESL services required under CR Part 154.
  - Direct supplemental services should be provided for before school, after school, and Saturday programs.
  - Teachers providing the services must be certified bilingual education and/or ESL teachers.
- **High quality professional development** that is “of sufficient intensity and duration to have a positive and lasting impact on the teachers’ performance in classrooms.”
  - Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement** and supports must ensure that there are appropriate translation and interpretation services to meet community needs.
  - These are in addition to mandated activities, such as parent orientation during ELL identification process.

NOTE: The Title III program planning ratio is as follows: 60% direct to instruction, 10% to parental involvement, 10% to professional development, and 20% to OTPS.

For more information on Title III requirements, please see the School Allocation Memo or contact your [Senior ELL Compliance and Performance Specialist](#). Submit this form to your Senior ELL Compliance and Performance Specialist by October 31, 2014.

**After reviewing and analyzing the assessment data, answer the following:**

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How will this data help inform your school's instructional plan? Please provide any quantitative data available to support your response.  
Our school uses Teacher's college Reading and Writing Assessment as a tool to drive instruction. Every 6-8 weeks we do a running record where we assess for reading comprehension and fluency. We also have a writing assessment on both narrative and non-fiction writing where we assess grammar, descriptive language, vocabulary and form. these results give the teachers insight as to how they

target their lessons and grouping.

2. What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?  
**Our Students perform better in listening and speaking while struggling in reading and writing.**
3. How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions? How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAQ tool](#))  
**We have noticed that most of our ELLs become Advanced or Proficient in the combined modality of Listening and Speaking at a faster pace than they do in the combined modality of Reading and Writing. We are targeting our lessons to more effectively address the reading and writing components so our children can achieve proficiency in reading and writing at a faster pace.**
4. For each program, answer the following:
  - a. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
  - b. Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
  - c. What is the school learning about ELLs from the Periodic Assessments? How is the native language used?**our students only take test in English so we can not compare their scores with native language tests. When we receive our periodic assessment results we target our intructions on the students deficiencies.**
5. Describe how your school uses data to guide instruction for ELLs within the Response to Intervention (RtI) framework (for grades K-5). (see [RtI Guide for Teachers of ELLs](#).)  
**When our students are assessed and are in need of intervention we develop a small group intruction model to supplement their needs for a determinrd period of time and assess them again to look for progress and evaluate if intervention works or go to the next tier.**
6. How do you make sure that a child’s second language development is considered in instructional decisions?  
**The classroom teachers get the NYSESLAT results so that they see what modality they are struggling and adjust their lessons accordingly.**
7. For dual language programs, answer the following:
  - a. How are the English-proficient students (EPs) assessed in the second (target) language?
  - b. What is the level of language proficiency in the second (target) language for EPs?
  - c. How are EPs performing on State and City Assessments?**Paste response to questions here:**
8. Describe how you evaluate the success of your programs for ELLs (e.g. meeting AYP for ELLs, etc.).  
**Paste response to question here:**

## Part IV: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. (Refer to [ELL Policy Brief](#) and [EPIC](#).)  
**A number of structures are in place in order to ensure that the parents of ESL students at our school understand all of the program choices, options, and rights they are entitled to. Each parent of a newly enrolled student who qualifies for ESL services is invited (via personal, written and/or telephone invitation) to an ESL parent orientation session. These are held in our school on an ongoing basis and scheduled at a time that enables at least one parent/guardian of each newly enrolled student to attend. At the parent orientation session, informational materials are provided and an information video is viewed by the parents in the language of their choice. In addition, an ESL teacher/bilingual school staff member offers additional counsel to parents in their native language in order to clarify the information and to ensure that the parents understand their transfer rights. Also, the ESL teacher or parent coordinator conduct any necessary follow ups to ensure program selection and other forms are returned.**

2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.  
Upon registration parents get to speak with the ESL teacher or a bilingual teacher who interviews the parent and the student. We also help to fill out and /or translate school forms. The teacher finds out the language of that family and gives an overview of the HLIS. During this time we make sure the parents know what programs we offer and the programs available in the DOE. We give them notice of the parent orientation being offered and contact them through letters or phone calls .
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned, and secured/stored. (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [\[see tool kit\]](#).)  
Each child is given the letter in a parent folder to take home. The parents have to sign them and send them back to the ESL teacher. The ESL teacher makes sure each child brings back the signed letters and follows up by calling or meeting parents when they drop of their children.
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.  
We speak to parents via a translator if necessary about their Children's language needs and explain the programs we have in our school. Depending on what parents want, we give the the pertinent information be it a bilingual program or ESL program so they can make an informed decision.
5. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.  
First we send a letter to the parents so they prepare their children for the test. Then a schedule is prepared so each ELL is accounted for. After that, we make a NYSESLAT team composed of the test coordinator, ESL teacher, Read 180 teacher and the spanish teacher to administer the test. The ESL teacher goes to the training and brings back the information to train the team. We start with the individual speaking parts and then we administer the Listening to all the children, followed by the Reading and finally the Writing part of the test. If any child is absent we use the additional days to test these children.
6. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.) Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. **①**  
After examining the parent choice surveys from previous years, it is clear that the large majority of parents who have children eligible for ESL services choose to place them in a freestanding ESL program. Previously, only a couple of parents have chosen bilingual or dual language as their first choice but, later decided to reject the transfer offer and keep their child in our freestanding ESL program. Since we don't have enough parents that request the bilingual program nor the the required number of students we have not opened a bilingual class.  
We are discussing a dual language spanish if we get the necessary number of students.

# Part V: ELL Programming

## A. Programming and Scheduling Information

1. How is instruction delivered? (see [\*The Practitioners' Work Group for Accelerating English Language Learner Student Achievement: Nine Common Features of Successful Programs for ELLs\*](#))

- a. What are the organizational models (e.g., departmentalized, push-in [co-teaching], pull-out, collaborative, self-contained)?
- b. What are the program models (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogeneous [proficiency level is the same in one class])?

We use a combined push-in and pull-out model to ensure maximum efficiency and to comply with the mandated minutes required for each language proficiency level. We place students heterogeniously in each class.

2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?

- a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?

As specified under CR Part 154, all our beginning and intermediatelevel English Language Learners receive 360 minutes of ESL instruction per week. Our advanced students receive the prescribed 180 minutes per week.

3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to foster language development and meet the demands of the Common Core Learning Standards.

We are aware that any group of learners will be made up of students who are at different stages in their language acquisition and cognitive development; therefore we strive to provide instruction in such a way that addresses the needs of each ELL subgroup.

Newcomers at our school are serviced with the intention of giving them the language skills they need to function successfully in their new country, community, and school. They are placed with English-speaking peers in an age appropriate environment in order to present them with language acquisition opportunities and extrinsic motivation as well as support from their peers. Since many newcomers arrive with little or no English in any of the four language skill areas, our newcomers receive ESL services that are intended to provide both content area and second language instruction with the intent of developing both BICS (Basic Interpersonal Communication Skills) and CALP (Cognitive Academic Language Proficiency). Literacy and language development take place through student participation in the teachers college writing and reading workshop as well as more specialized instruction from their ESL teacher. The ESL and classroom teachers work together to make content area and language instruction accessible to students by employing sheltered English and a wide range of scaffolding techniques. In addition to these supports newcomers also receive extra attention through our after school programs, access to literacy technology (computer programs, recorded books, internet, etc), and additional academic intervention if needed.

4. How do you ensure that ELLs are appropriately evaluated in their native languages throughout the year?

We have staff in our building who periodically question the children in their native language for comprehension of topics being taught and report findings back to the classroom teacher so they can plan according to the findings.

5. How do you ensure that ELLs are appropriately evaluated in all four modalities of English acquisition throughout the year?

Throughout the year ELLs get an interim ESL assessment. they also get assessed periodically with the Rigby ELL assessment kit. As ELLs at our school reach proficiency by passing the NYSESLAT, they continue to receive extra attention in order to ensure academic success. This extra attention is given through peer tutoring, test preparation and school programs such as read 180. Classroom teachers continue their use of sheltered English to make input comprehensible for these students and design learning activities that connect new content to students' prior knowledge. Teachers also use graphic organizers, realias and other scaffolding techniques learned at our in house staff development sessions.

6. How do you differentiate instruction for ELL subgroups?

- a. Describe your instructional plan for SIFE.
- b. Describe your plan for ELLs who have been in US schools less than three years (newcomers)..
- c. Describe your plan for ELLs receiving service 4 to 6 years.
- d. Describe your plan for long-term ELLs (completed 6+ years).
- e. Describe your plan for former ELLs (in years 1 and 2 after testing proficient).

We are aware that any group of learners will be made up of students who are at different stages in their language acquisition

and cognitive development; therefore we strive to provide instruction in such a way that addresses the needs of each ELL subgroup. SIFE are taught the foundations of the English language in conjunction with the content pertaining to their grade. We have the Spanish cluster who teaches foundations in Spanish for the Spanish speaking SIFEs.

Newcomers at our school are serviced with the intention of giving them the language skills they need to function successfully in their new country, community, and school. They are placed with English-speaking peers in an age appropriate environment in order to present them with language acquisition opportunities and extrinsic motivation as well as support from their peers. The ESL and classroom teachers work together to make content area and language instruction accessible to students by employing sheltered English and a wide range of scaffolding techniques. In addition to these supports newcomers also receive extra attention through our after school programs, access to literacy technology (computer programs, recorded books, internet, etc), and additional academic intervention if needed.

We have no long term ELLs but if we did we would place them in a read 180 program or have them get extra support until we see improvements.

As ELLs at our school reach proficiency by passing the NYSESLAT, they continue to receive extra attention in order to ensure academic success. This extra attention is given through peer tutoring, test preparation and school programs such as read 180. Classroom teachers continue their use of sheltered English to make input comprehensible for these students and design learning activities that connect new content to students' prior knowledge. Teachers also use graphic organizers, realias and other scaffolding techniques learned at our in house staff development sessions.

7. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?

At our school all ELLs that have Individualized Education Plans (IEP) are in self-contained classrooms. This population receives individualized instruction from their classroom teachers, teacher assistants (in some cases bilingual), and the ESL staff as prescribed by their IEP.

8. How does your school use curricular, instructional, and scheduling flexibility to enable diverse ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment?

We have our related service providers piggy back on what the classroom teacher is teaching to enhance our students' learning. We also use push-in as much as possible to maintain a balanced atmosphere.

### Native Language Usage and Supports

The chart below is a visual representation designed to show the variation of native language usage and supports across the program models. Please note that native language support is never zero.

## B. Programming and Scheduling Information--Continued

9. Describe your targeted intervention programs for ELLs in ELA, math, and other content areas (specify ELL subgroups targeted). Please list the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.  
Teachers use scaffolding techniques in their classrooms to accommodate the ELL population, and cooperative learning through math, science and social studies content areas to build all aspects of language proficiency including reading, writing, listening, and speaking. All instruction is done in English.
10. Describe the effectiveness of your current program and how it is meeting the needs of your ELLs in both content and language development.  
We are incorporating more Science and Social Studies in our reading selections to enhance content learning. Their language development is progressing at an adequate pace.
11. What new programs or improvements will be considered for the upcoming school year?  
We will keep all programs being offered to our ELLs.
12. What programs/services for ELLs will be discontinued and why?  
None of our programs will be discontinued.
13. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.  
The ELL population at PS 256 is given equal access to all programs. They are invited to attend our After School and Saturday academy. We offer Intensive Reading and Math instruction during these programs.
14. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?  
In order to support our ELLs in reading and writing we use materials like Finish Line for ELLs, recorded books and websites that fosters learning.
15. How is native language support delivered in each program model (TBE, Dual Language, and ESL)?  
Native language support is delivered through the use of dictionaries and by grouping students with a bilingual "buddy". The ESL teacher and paraprofessionals provide support as needed in the student native language.  
The services, support and resources we provide our ELLs at PS 256, matches the student's age, grade and proficiency levels.
16. Explain how the required services support, and resources correspond to ELLs' ages and grade levels.  
All materials used are age and grade appropriate.
17. Describe activities in your school that assist newly enrolled ELL students before the beginning of the school year. Please include activities for new ELLs who enroll throughout the school year.  
We have our SPINS counselor who offers throughout the year all newly enrolled students opportunities to meet key staff and students and give them a tour of the school so that they feel like a part of this community.
18. What language electives are offered to ELLs?  
We offer a Spanish cluster.
19. For schools with dual language programs:
- How much time (%) is the target language used for EPs and ELLs in each grade?
  - How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?
  - How is language separated for instruction (time, subject, teacher, theme)?
  - What Dual Language model is used (side-by-side, self-contained, other)?
  - Is emergent literacy taught in child's native language first (sequential), or are both languages taught at the same time (simultaneous)?

### C. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What professional development is offered to teachers of ELLs (including ESL and bilingual teachers) in supporting ELLs as they engage in the Common Core Learning Standards?
3. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
4. Describe the minimum 7.5 hours of ELL training (10 hours for special education teachers) for all staff (including non-ELL teachers) as per Jose P.

In regards to professional development specifically tailored to ESL teachers, our ESL staff attends many workshops and professional developments courses offered by Teacher's College, the office of English Language Learners and BETAC (Bilingual/ESL Education Technical Assistance Center). Professional development is ongoing, after school, and during grade conference meetings. These workshops are provided by other teachers who turns key, the assistant principal and principal as well as professional consultants throughout the year. These trainings are another opportunity for all teachers to receive workshops geared toward the specific needs of our ELL population. Professional development focuses on using Fountas and Pinnell Benchmark assessment system to assess all students. This data is then used to map out instructional strategies that are geared toward individual, small group, whole class, and differentiated instruction for all English Language Learners. This program will also provide systemic supplement of professional development based on proven methods of early detection and on English Language Learners intervention and support program. The ESL teacher offers support and suggestions to classroom teachers on a continuous basis.

The ESL teacher provides classroom teachers ELL training as per Jose P. throughout the school year.

### D. Parental Involvement

1. Describe ELL parent involvement in your school. Include specific activities that foster parental involvement for parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?

The school offers ongoing workshops for parents on how to help their children achieve succes. Our parent coordinator organizes and reaches out to all parents to participate in various events. Ex. ELA, MATH, Work shops. We also have Literacy night, Father and son night, etc. We survey our parents on their needs and based on the majority of responses we offer help or outreach.

### E. Additional Information

Please include any additional information that would be relevant to your LAP and would further explain your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

## LANGUAGE TRANSLATION AND INTERPRETATION 2013-2014 TO 2014-2015

*Requirement under Chancellor's Regulations – for all schools*

DBN: 13K256 School Name: Benjamin Banneker Elementary 256

Cluster: 6 Network: 612

**Goal:** To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

### **Part A: Needs Assessment Findings**

---

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

In order to assess our school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand we used classroom surveys. Classroom surveys gives us an idea of languages spoken written and read in student's homes. We sent a survey home to each of our students inquiring as to whether or not the parent or guardian needed translation services for notices sent home. We also took an inventory of the HLIS for the ELLs in our program and an overview of the OTELE report for our school. We then tabulated the number of parents that spoke languages other than English and determined that there was a need for translation of notices and information about a child's academic performance, ways to increase student achievement and enhance the parents' understanding of academic standards, assessments and tests. We also provide information on parent communication needs for the Language allocation Plan for the school. The parent team and ESL Teacher confer with the parents by telephone, and on one to one conferences about their individual needs.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

Our school is located in Bedford Stuyvesant an underprivileged section of Brooklyn. The community consists of a predominantly African American (African Diaspora) and Hispanic population. Approximately 15% of our students are recent immigrants. The majority come from the Dominican Republic and South America. The school is comprised of 53% Blacks, 40% Latino and 7% others. We used our classroom surveys, the inventory of languages from the HLIS and the OTELE report to assess the oral language needs of parents. We found that the major language group is Spanish. We have a few parents that speak an african language. We also have a couple of Bengali speakers In addition we recently admitted a student whose family speaks Arabic.

## Part B: Strategies and Activities

---

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

We assessed the number of parents who needed translation services to effectively communicate at PTA meetings, curriculum nights and Parent-Teacher conferences. We have staff members who speak Spanish. We also have staff members who speak Arabic and an African language. Written translation is available when needed and the Translation Interpretation Unit is contacted to support school translations. The notices announcing events will be translated into the following languages: Spanish, Bengali and Arabic. ELL parent orientation materials will also be provided in their native languages. Written translation services will be provided in-house by school staff, parent volunteers and the Language Interpretation Unit as needed. Teachers, paraprofessionals and school aides who are native speakers will translate these documents as needed basis. Also, we plan to have interpreters in Spanish, Arabic and Fulani. They will be available to the parents for events such as PTA meetings, Math Nights and Parent-Teacher conferences.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Oral interpretation services will be provided in-house by school staff. We have staff members who speak Spanish, Arabic and Fulani. Since the major language group is Spanish, we have teachers to interpret in Spanish during school activities. The notices announcing special events will be translated into the parents' preferred native languages, and interpreters will be available to answer any questions that the parents may ask upon request. We utilize the Language and Interpretation Unit for written translation and oral interpretation services. This will enhance parents understanding of their child's academic performance and how to help improve their child's achievement at school. This will also encourage more parents to attend PTA meetings, Parent-Teacher conferences, and open school week. Teachers, paraprofessionals and/or school aides also attend these functions to support parents and students.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link: <http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

We will make sure that school calendars and notices are translated in a timely manner to ensure that parents who need them actually receive them. We will make sure that teachers notify the office prior to a parent meeting where a translator is needed. In this manner, we may provide a school employee, parent volunteer or translator so that translation services will be provided. As per A-663 we will provide each parent whose primary language is a covered language and who requires assistance, with a copy of the Bill of Parent Rights and Responsibilities in the main office, and the parent coordinator's office. We will make sure that school calendars and notices are translated in a timely manner to ensure that parents who need them actually receive them. At the present time we have enough staff members to accommodate our translation needs.
