## Section 2: School Leadership Team (SLT) Signature Page

All SLT members are expected to sign this page to confirm their participation in the development of this School Comprehensive Educational Plan (SCEP) and consultation regarding the alignment of funding to support this school's educational program, which includes annual goals and action plans, Academic Intervention Services (AIS), Parent Involvement Policy (PIP) and School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with [Chancellor's Regulation A-655](#), available on the [New York City Department of Education \(NYCDOE\)](#) website.

### Directions:

- List the names of each SLT member in the left-hand column on the chart below. Specify any position held by the team member, e.g., Chairperson and the constituent group represented, e.g., parent, staff, student, or Community Based Organization (CBO). Core mandatory SLT members are indicated by an asterisk\*.
- SLT members should review this document and sign in the right-hand column in **blue ink**. If an SLT member does not wish to sign this plan, the member may attach a written explanation in lieu of his/her signature, which must be maintained on file at the school with the original SLT signature page.\*\*
- The original signed copy, along with any written communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

### Section 3: Directions and Guidance for Developing the School Comprehensive Educational Plan

The School Comprehensive Educational Plan is meant as a tool to facilitate continuous improvement planning - to support schools in engaging their staff, parents, students, and community partners in assessing and prioritizing school needs, setting measurable improvement goals, selecting appropriate strategies to improve student outcomes, monitoring progress toward meeting annual goals, and communicating these efforts to the broader school community. This section will provide School Leadership Teams (SLTs) with guidance regarding CEP development informed by the Capacity Framework. Additional information is available in the [Comprehensive Educational Planning Memorandum](#).

#### The Capacity Framework and SCEP Development

The [Capacity Framework](#) encourages parents, educators, school communities, and external stakeholders to work together to improve student achievement. This collaborative focus will ensure that every child is consistently ready for the next grade, level, and set of challenges. The School Comprehensive Educational Plan (SCEP) will reflect this focus and should serve as the blueprint that engages a school community in a systematic, ongoing review and analysis of student needs to identify and address root causes and implement strategies and activities that improve outcomes for students.

Aligned with the Chancellor’s [Four Pillars](#), the Capacity Framework takes us away from market-based competitive models to an approach focused on collaboration. This new model looks at how schools can improve, and students can achieve more, when all members of the community work together.

Based on robust research, the six elements of the Framework identify the areas that we must improve to accomplish high student achievement. By focusing attention and resources on what it takes for schools to function well, the Capacity Framework identifies the underlying strengths and weaknesses of a school and shows community members concrete ways to improve.

In accordance with the requirements of [Chancellor’s Regulations A-655](#), all SLTs are to develop an educational plan in consultation with parents, school staff, and students, to provide a meaningful opportunity for stakeholders to participate in shared decision making and school improvement. The expectation is that SLTs will engage in a comprehensive educational planning process to inform the development of five goals and action plans in response to the first five elements of the Capacity Framework (listed below), with the sixth element, *Trust*, addressed within each action plan.

The Six Elements of the Capacity Framework	
1.	<b>Rigorous Instruction:</b> Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.
2.	<b>Supportive Environment:</b> The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.
3.	<b>Collaborative Teachers:</b> Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.
4.	<b>Effective School Leadership:</b> Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement.
5.	<b>Strong Family-Community Ties:</b> School leadership brings resources from the community into the school building by welcoming, encouraging, and developing partnerships with families, businesses, and community-based organizations.
6.	<b>Trust:</b> Everyone works toward the shared goal of improving student outcomes, preparing students for success in school and beyond. Across the school community, there is respect. School staff, parents, students and administrators value each other.

## Accountability Tools and the Capacity Framework

In order to address the six elements of the Capacity Framework, school communities should engage in improvement planning that is informed by the New York State Education Department's (NYSED) Diagnostic Tool for School and District Effectiveness (DTSDE) Tenets, the NYCDOE's Quality Review Indicators and other quantitative and qualitative data.

### NYSED's Six DTSDE Tenets

The DTSDE protocol includes a rubric, which identifies clear and coherent expectations of the optimal conditions of an effective school and school district across the following six tenets:

- Tenet 1: District Leadership and Capacity
- Tenet 2: School Leader Practices and Decisions
- Tenet 3: Curriculum Development and Support
- Tenet 4: Teacher Practices and Decisions
- Tenet 5: Student Social and Emotional Developmental Health, and
- Tenet 6: Family and Community Engagement.

### NYCDOE's Quality Review (QR)

The Office of School Quality (OSQ) supports school improvement across the NYC Department of Education (DOE) by coordinating qualitative assessments of principals and school communities. All of the qualitative assessments are rooted in the Quality Review rubric and drive improvements to principal and school practice, with the ultimate goal of impacting student achievement. The 2014-15 Quality Review (QR) Rubric has ten indicators within three categories as outlined below:

1. Instructional Core Across Classrooms: Curriculum (1.1), Pedagogy (1.2), Assessment (2.2)
2. School Culture: Positive Learning Environment (1.4), High expectations (3.4)
3. Structures for Improvement: Leveraging Resources (1.3), Teacher support and supervision (4.1), Goals and action plans (3.1), Teacher teams and leadership development (4.2), Monitoring and revising systems (5.1)

### Next Steps for SCEP Development

School Leadership Teams should engage in the following steps:

7. **Step 1:** Conduct a comprehensive needs assessment informed by the school's updated NYSED accountability status and most current quantitative and qualitative data. Prioritize areas of focus for this school year.
8. **Step 2:** For schools that received an Integrated Intervention Team (IIT) School Review Report, enter the HEDI rating for each assessed Statement of Practice (SOP) in Part 1A of the needs assessment. For schools that did not undergo an IIT review, refer to the major findings/recommendations from your Quality Review (QR) or Alternative QR (AQR), and other qualitative and quantitative data, to self-rate your school for each SOP in Part 1 of the Needs Assessment.
9. **Step 3:** Revisit your school's Initial Goals and Budget Alignment Form (IGBAF) and modify your goals, as needed, to align with the Capacity Framework. Ensure the annual goals are SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.
10. **Step 4:** Build consensus around strategies, activities, and programs to address students' needs in each action plan. Create action plans that translate into observable, effective strategies to improve student achievement.
11. **Step 5:** Update your school's AIS section. All Title I schools update the Parent Involvement Policy (PIP) and School-Parent Compact (SPC) and complete the ELT program description.
12. **Step 6:** Establish a process for engaging in progress monitoring throughout the school year as part of an overall cycle of continuous improvement planning to assess whether strategies and activities outlined in the action plans are resulting in improved student performance. Adjust practices, when necessary.

Remember, the plan is only the beginning. Treat it as a living document and feel free to adjust along the way as your experiences and the evidence justify. Careful implementation of your ideas, follow-through, and continuous evidence-based monitoring of progress are the keys to accomplishing desired results.

## Section 4: SCEP Overview

Develop a narrative summary that includes:

1. Contextual information about your school's community and its unique/important characteristics, including your school's mission statement and a description of strategic collaborations/ partnerships and/or special initiatives being implemented.
2. School strengths, accomplishments, and challenges.
3. The DTSDE Tenet(s) in which your school made the most growth during the previous year and the key areas of focus for this school year.

In the heart of Brooklyn, Foundations Academy is a small comprehensive high school with a focus on the humanities and writing. We are dedicated to a personalized high school experience, supported by a warm supportive staff. We believe students learn best when engaging in productive struggle and producing work they can be proud of. We are committed to meeting the needs of all students academically, socially and emotionally. Our core subject area classes are co-taught within by two highly qualified teachers. This model allows us to deliver strong content while providing all students with appropriate supports to give them access to the material. To support this model, all teachers have collaborative planning embedded in their daily schedules.

**Mission Statement:** As a collaborative community that values lifelong learning, we will develop college ready and career focused citizens empowered to proudly contribute to our country; building foundations for excellence.

**Vision:** Our graduates will be skilled communicators capable of challenging the status quo. Their empathy and positive values drive their efforts to promote social justice. The 21<sup>st</sup> century skills learned at Foundations Academy will empower their success in college and careers.

**Our instructional focus** promotes our core beliefs how students learn best. We believe that if teachers demonstrate high expectations for all learners as evidenced by their implementation of appropriately scaffolded, cognitively engaging and meaningful tasks aligned to the Common Core Learning Standards then students will learn; as evidenced by quality student work products.

To support our mission and instructional focus we have recently formed partnerships with Medgar Evers College, NYU and Hosh Kids. Each of these partnerships provide our students with an opportunity mindfully form their goals centered on college readiness.

### **School strengths, accomplishments, and challenges**

Our size allows every faculty member to know and interact with every student, even those not registered in their class. Our teachers and administration meet regularly to identify student strengths and needs to develop and implement strategies to support student growth. We have established an Angel program that formalizes teacher outreach efforts to families. Our Angels are a core support for the family engagement we promote at Foundation.

We have moved to an online system to enable the sharing of student performance data and behavioral performance data. Our referral process is online and transparent to all faculty. As a school we have streamlined the referral system making it accessible to all faculty members. The referral system is now transparent and uniform.

We are developing systems to improve communication and accountability among all stakeholders. Based on observations of student work and teacher pedagogical practices across disciplines. We are developing systems to promote our instructional focus through uniformity in teacher practices, classroom routines, and rigorous tasks aligned to the Common Core Learning Standards and appropriately scaffolded to meet the needs of our students. We are also continuously working to improve the delivery of social and emotional supports for our population.

**The DTSDE tenets(s) in which your school made the most growth during the previous year and key areas of focus for this school year.**

Tenets in which we have seen the most growth: School leader practices and decisions – tenet 2

Identifying processes in attendance, lateness's and disciplinary actions. Developing plans and changing staff schedule to strategically meet the needs of our stakeholders

Tenet 6 – family and community engagement

Increasing opportunities for parents to see their child's success through our passport to college ceremony. Our thanksgiving curriculum luncheon. Families were introduced to all of our faculty who presented their curriculum. Presentation was followed by a Thanksgiving lunch/dinner.

Active parent volunteers who assist our parent coordinator daily in parent outreach, weekly communication and fundraisers.

Tenet 5 – Social and emotional

Hiring a social worker in addition to providing guidance classes to meet the needs of our students beyond the classroom. A senior committee also meets with principal bi-weekly to address current school issues and promote student led programs. We have developed outlets for students to express themselves through our student run initiatives such as the Anti-bullying campaign and the Art Club and our Committee for Social Justice

Areas of focus:

Tenet 1 – District leadership and capacity

Forming partnership district wide with primary and middle schools for articulation and begin building a pipeline for student enrollment.

In addition, collaboration with other high schools in the district to support best practices and share resources that promotes student growth and learning.

Tenet 3 – curriculum development & support

With the support of the High School Renewal Initiative team (HSRI) we have begun coaching our staff in the development of coherent curricula aligned to CCLS standards and providing multiple on-ramps for learning.

Tenet 4 – Teacher practices & decisions

Tenets 3 and 4 are being currently supported through a series of professional development including Writing is Thinking through Strategic Inquiry (WitSi) training, Metamorphosis training and weekly meetings with coaches from the High School Renewal Initiative along with professional development delivered weekly by administration and staff. A cycle of classroom observations with actionable feedback and next steps also empowers teacher growth. Classroom observation data is empowering the development of differentiated professional development to meet the needs of individuals and groups of teachers.

As a Renewal School, we will begin (or expand) implementation of the following school improvement strategies during this school year:

- Expanded learning opportunities for all students, including additional instruction provided during after-school and/or summer programming provided in collaboration with community partners
- Transformation into a community school in order to increase student and family access to physical

and mental health services and other social-emotional supports made available in or near the school

- Intensive professional development for all staff to ensure effective implementation of curriculum and instruction aligned to the Common Core State Standards (CCSS) and to support staff in effectively responding to the differentiated academic and social-emotional needs of all students
- Additional, focused strategies to increase parent and family engagement

We will also undergo a comprehensive needs assessment across all six elements of the Capacity Framework (rigorous instruction, collaborative teachers, supportive environment, effective school leadership, strong family-community ties, and trust) to inform the development of our School Renewal Plans for the 2015-16 school year.

## Section 5: Needs Assessment, Annual Goals and Action Plans

**Section 5A – Capacity Framework Element - Rigorous Instruction:** Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills. *(Aligned to DTSDE Tenet 3: Curriculum Development and Support)*

### Part 1 – Needs Assessment

<b>Part 1a. HEDI Rating (Highly Effective, Effective, Developing, or Ineffective) for DTSDE Tenet 3:</b>	
1.	For schools that received an Integrated Intervention Team (IIT) School Review Report: Enter the HEDI rating for each assessed Statement of Practice (SOP) on the chart below.
2.	For schools that did not receive an IIT School Review, or did not receive a HEDI rating for one or more SOPs: Self-rate your school for that SOP, informed by an analysis of student performance trends and any major findings/recommendations from your Quality Review (QR) or Alternative QR (AQR), and other relevant qualitative and quantitative data. Enter your HEDI self-rating(s) on the chart below.

Tenet 3 Statement of Practice (SOP) Addressed		HEDI Rating
3.2	The school leader and staff support and facilitate the quality implementation of rigorous and coherent curricula appropriately aligned to the Common Core Learning Standards (CCLS) in Pre K-12.	D
3.3	Teachers ensure that unit and lesson plans that are appropriately aligned to the CCLS coherent curriculum introduce complex materials that stimulate higher-order thinking and build deep conceptual understanding and knowledge around specific content.	D
3.4	The school leader and teachers ensure that teacher collaboration within and across grades and subjects exists to enable students to have access to a robust curriculum that incorporates the arts, technology and other enrichment opportunities.	D
3.5	The school leader and teachers develop a data-driven culture based on student needs, assessments and analysis, which leads to strategic action-planning that informs instruction and results in greater student achievement outcomes.	D

<b>Part 1b. Needs/Areas for Improvement:</b>
<p>Reflect on your school’s HEDI ratings (or self-ratings) in Part 1a, particularly any ratings of <u>D</u>eveloping and <u>I</u>neffective.</p> <p>Summarize your school’s strengths and needs relative to this Capacity Framework element and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data sources.</p>

The IIT report accurately reflects the state of the schools capacity for delivering rigorous coherent curricula aligned to the CCLS at the time of the report. The report cited inconsistent use of scaffolded material or purposeful groupings to meet the needs of students. Additionally, lesson plans reviewed did not reference the CCLS and teachers did not provide students with skill development strategies to address specific learning needs. Since that time the school has developed structures and procedures to develop professionally to improve capacity. Leadership has shared a lesson plan graphic organizer to support teachers in developing quality lesson plans. The teachers engage with High School Renewal Initiative coaches for deep dives into content empowering the development of rigorous and coherent curricula aligned to the CCLS. The lesson plan organizer prompts for scaffolds, identification of various learning strategies that will be employed in the lesson, ICT teaching models that will be employed and the specific roles teachers will fill during the progression of the lesson. Additionally, the organizer calls for teachers to articulate 3 high order thinking questions they plan to use to promote accountable discourse and is supported by Webb’s DOK and Blooms aligned sentence stems. Two mornings a week are dedicated for professional development. Additionally, teacher schedules have been designed to support a daily period of common planning. Teachers are engaged in developing quality CCLS aligned tasks designed to assess student learning. Teachers are also being coached in the development of data tracking techniques enabling for diagnosis of student learning. The school has developed an instructional focus, “If teachers demonstrate high expectations for all learners as evidenced by their implementation of appropriately scaffolded, cognitively engaging and meaningful tasks aligned to the Common Core Learning Standards then students will learn; as evidenced by quality student work products. This focus is spoken to at pre and post observation conferences, posted in the classrooms and fidelity to the instructional focus is documented in observation reports.

**Part 2 – Annual Goal**

List your school’s 2014-15 goal for improving student outcomes and school performance that addresses Capacity Framework element – Rigorous Instruction. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and should be written as SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2015, 11<sup>th</sup> and 12<sup>th</sup> grade students will engage in appropriately scaffolded rigorous tasks aligned to the CCLS and participate in two formative and one summative task each marking period; resulting in 15% improvement in pass rates on ELA regents exams when compared to pass rates on the June 2014 ELA Regents exam.

**Part 3 – Action Plan**

<b>Activities/Strategies:</b> Detail below the actions, strategies, and activities your school will implement to achieve the identified goal for this Capacity Framework element, including: 1. Research-based instructional programs, professional development, and/or systems and structures needed to impact change 2. Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). 3. Strategies to increase parent involvement and engagement 4. Activities that address the Capacity Framework element of Trust	<b>Target Group(s)</b> <i>Who will be targeted?</i>	<b>Timeline</b> <i>What is the start and end date?</i>	<b>Key Personnel</b> <i>Who is responsible for implementing and overseeing the activity/strategy?</i>
Ongoing professional development will be provided in the development of quality lesson plans aligned to the CCLS and containing multiple on-ramps for learning	English, Social Studies and Math Teachers	Sept, 2014- June 2015	HSRI and Network Achievement coaches and administration
Classroom observations will be done to review teacher performance and offer actionable next steps for improvement	English, Social Studies and Math Teacher	Sept, 2014- June 2015	Administrative staff

**Part 4 – Resources Needed**

Indicate resources needed to implement this action plan, including human resources, instructional resources, schedule adjustments, etc.

- Common planning time
- Designated meeting spaces
- Danielson rubrics
- Engage NY curriculum for Algebra
- ELA modules and anchor texts

**Part 5 – Budget and Resource Alignment**

Indicate using an “X” the fund source(s) that will be utilized to support achievement of the specified goal.

List below any additional funding sources that will be utilized to support achievement of the goal.													

**Part 6 – Progress Monitoring**

**Part 6a.** Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. In this part:

1. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.
2. Specify a timeframe for mid-point progress monitoring activities.

By April 2015, evidence of student work utilizing formative CCLS aligned tasks will be reported in observation reports  
By April, 2015, student produced essays measured against Regents scoring rubrics will earn a minimum of 3 points for 80% of students in grades 11 and 12

**Part 6b.** Complete in **February 2015**.

3.	Did the school meet the mid-point benchmark(s) in the timeframe specified?		Yes		No
4.	If the mid-point benchmark(s) was not met, describe any revisions made to the action plan to achieve the goal?

5.5	The school leader and student support staff work together to develop teachers’ ability to use data to respond to students’ social and emotional developmental health needs, so students can become academically and socially successful.	D

**Part 1b. Needs/Areas for Improvement:**

5. Reflect on your school’s HEDI ratings (or self-ratings) in Part 1A, particularly any ratings of Developing and Ineffective.
6. Summarize your school’s strengths and needs relative to this Capacity Framework element and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data sources.

The IIT report accurately reflects the state of the schools capacity for supporting student’s social and emotional health at the time of the report. The needs of the students were not being adequately met.

With the recommendation that a formal system be established whereby each student is known and mentored by a designated school adult and the staff identify the needs of all students and monitor supports the school established an Angel Program, linking each adult to a small cohort of students. Additionally guidance advisory classes were established to facilitate senior goal setting, achievement and community service. A social worker was hired to provide the school with social emotional supports as well for both mandated and crisis counseling. Morning professional development has included sessions on student social and emotional health. The school is also contracting with HOSH kids to provide morning (before-school enrichment) programming in step, dance and thoughtfulness. The school leader also established a web-form enabling all stakeholders to reach out directly and discreetly self-report their needs. The school is using Jupiter grades to report and track student referrals for misbehavior in real-time, and the child-study team explores interventions to support at-risk youth.

The school is also developing AIS services for at-risk youth. The school leader meets regularly with seniors and the student leadership team. Additionally the school established a student committee for social justices to support youth in developing meaningful processes for student leadership, social advocacy and change. Student attendance is up to 75% and has peaked over 83%. Attendance outreach measures have been formalized and the school has realized significant declines in long term absent students.

**Part 2 – Annual Goal**

List your school's 2014-15 goal for improving student outcomes and school performance that addresses Capacity Framework element – Supportive Environment. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and should be written as SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2015 the school will demonstrate support for the social and emotional needs of all students as measured by a 15% increase in student satisfaction that their social emotional needs are being met as measured on the learning environment survey.

**Part 3 – Action Plan**

<b>Activities/Strategies:</b> Detail below the actions, strategies, and activities your school will implement to achieve the identified goal for this Capacity Framework element, including:	<b>Target Group(s)</b> <i>Who will be targeted?</i>	<b>Timeline</b> <i>What is the start and end date?</i>	<b>Key Personnel</b> <i>Who is responsible for implementing and overseeing the activity/strategy?</i>
<ol style="list-style-type: none"> <li>1. Research-based instructional programs, professional development, and/or systems and structures needed to impact change</li> <li>2. Strategies to increase parent involvement and engagement</li> <li>4. Activities that address the Capacity Framework element of Trust</li> </ol>			
The school will hire an F-status social worker to meet with students for social and emotional support, goal setting and resource alignment. The social worker will also join with the staff to review student referral data and through the inquiry process, the staff will develop intervention strategies to support student social and emotional well-being.	All students	Sept 2014 – June 2015	School administration
The school will hire an f-status administrator to review and improve guidance procedures	Guidance staff	December 2014	Principal, guidance counselor
The school will provide club nights including Art Club, Chess Club, Dance and Movement Mornings, Girls Who Code and Music Club. The school will also develop PSAL athletic develop the heartbeat of the school	All stakeholders	Sept 2014 – June 2015	Administration and parent volunteers, parent coordinator
The school will develop family engagement activities including Holiday dinner/curriculum night, Passport to Graduation ceremonies (after each report card), and use the established Angel Program to engage parents in the school-home relationship. These events and outreach efforts will also be used to query families and learn of their ongoing needs and perceptions of ways the Foundations community can support the community at large.	Families	September 2014 – June 2015	Administrative staff

**Part 4 – Resources Needed**

Indicate resources needed to implement this action plan, including human resources, instructional resources, schedule adjustments, etc.

**Part 6 – Progress Monitoring**

**Part 6a.** Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. In this part:

- 1. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.
- 2. Specify a timeframe for mid-point progress monitoring activities.

Students attending guidance meetings, crisis counseling and after-school events will complete surveys to reveal their level of satisfaction of school supports for their social-emotional health to learn of new ways the school can support their needs

Student participation in clubs will increase by 30%

**Part 6b.** Complete in **February 2015**.

1.	Did the school meet the mid-point benchmark(s) in the timeframe specified?		Yes		No
2.	If the mid-point benchmark(s) was not met, describe any revisions made to the action plan to achieve the goal?

## Section 5: Needs Assessment, Annual Goals and Action Plans

**Section 5C – Capacity Framework Element - Collaborative Teachers:** Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement. *(Aligned to DTSDE Tenet 4: Teacher Practices and Decisions)*

### Part 1 – Needs Assessment

**Part 1a. HEDI Rating (Highly Effective, Effective, Developing, or Ineffective) for DTSDE Tenet 4:**

7. For schools that received an Integrated Intervention Team (IIT) School Review Report: Enter the HEDI rating for each assessed Statement of Practice (SOP) on the chart below.
8. For schools that did not receive an IIT School Review, or did not receive a HEDI rating for one or more SOPs: Self-rate your school for that SOP, informed by an analysis of student performance trends and any major findings/recommendations from your Quality Review (QR) or Alternative QR (AQR), and other relevant qualitative and quantitative data. Enter your HEDI self-rating(s) on the chart below.

Tenet 4 Statement of Practice (SOP) Addressed		HEDI Rating
4.2	Teachers use instructional practices and strategies organized around annual, unit and daily lesson plans to meet established student goals and promote high levels of student engagement and inquiry.	D
4.3	Teachers provide coherent, appropriately aligned Common Core Learning Standards (CCLS)-based instruction that leads to multiple points of access for all students to achieve targeted goals.	D
4.4	Teachers create a safe environment that is responsive to students' varied experiences, tailored to the strengths and needs of all students, and leads to high levels of student engagement and inquiry.	D
4.5	Teachers use a variety of data sources including screening, interim measures and progress monitoring to inform lesson planning, develop explicit teacher plans and foster student participation in their own learning process.	D

**Part 1b. Needs/Areas for Improvement:**

9. Reflect on your school's HEDI ratings (or self-ratings) in Part 1A, particularly any ratings of Developing and Ineffective.
10. Summarize your school's strengths and needs relative to this Capacity Framework element and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data sources.

The state IIT report accurately reflects that the school is developing in its practices. Systems to monitor and assess student work and analyze data to inform instruction were absent and lesson plans and unit plans did not adequately prepare for accommodations aligned to IEP goals. Lessons observed revealed little differentiation and lack of purposefulness in groupings are currently being developed. Furthermore the practice of assessing student achievement of learning objectives was inconsistent. Lessons were found to be teacher directed and were not reflective of a student-centered environment. With lessons not matched to student needs, there were few opportunities cited for students to offer their own views and understandings and instead they engaged in off-task behaviors.

Changes in teacher schedules have been made by new leadership to create common planning time. Working with the coaches from the High School Achievement Initiative teachers will engage in structured professional collaborations on teams using an inquiry approach that promotes shared leadership and focuses on improved student learning. Observation schedules have been established to hold adults and students accountable to the behavior expectations and norms collaboratively established in staff meetings and in classrooms.

### Part 2 – Annual Goal

List your school's 2014-15 goal for improving student outcomes and school performance that addresses Capacity Framework element – Collaborative Teachers. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and should be written as SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2015 teachers will implement CCLS aligned curriculum in the 9<sup>th</sup> and 10<sup>th</sup> grade ELA and Algebra classes as evidenced by teacher submission to two CCLS lesson plans per marking period. There will be an increase in the percentage of students producing CCLS-aligned work that reflects rigorous habits and higher order thinking skills. This

will be measured by 10% in the percentage of students earning 10+ credits in 9<sup>th</sup> grade cohort.

**Part 3 – Action Plan**

<b>Activities/Strategies:</b> Detail below the actions, strategies, and activities your school will implement to achieve the identified goal for this Capacity Framework element, including: <ol style="list-style-type: none"> <li>1. Research-based instructional programs, professional development, and/or systems and structures needed to impact change</li> <li>2. Development of CCLS task that include multiple entry points with accompanying student work samples from various sub groups. Task and student work will be analyzed through teacher inquiry teams and coaching visits.	All student with disabilities, all English Language Learners	September 2014-June 2015	Teachers, HSAI coaches, Administration
Universal Design for Learning strategies will be shared with parents throughout the year during conferences and family events such as curriculum night.	Parents/Guardians of all students	September 2014 – June 2015	Teachers, Administration, Parent coordinator, Parents Associations and Student Support services.
High School Renewal Initiative coaches will provide content coaching for our staff. All pedagogical staff will attend Writing is Thinking through Strategic Inquiry training to support the development of inquiry work centered on coached literacy strategies to be used across curriculum areas. Math staff and administration will attend Metamorphosis training to support the content coaching process and develop strategies for the delivery of math instruction. Staff members will participate in bi-weekly inquiry team meetings looking at student work enabling informed lesson planning processes. Everyone will work towards the same goal by participation in Learning walks and opportunities for teacher to teacher feedback	All pedagogical staff	September 2014 – June 2015	Administration and Teachers

**Part 4 – Resources Needed**

Indicate resources needed to implement this action plan, including human resources, instructional resources, schedule adjustments, etc.

Continued instructional support from HSRI and network coaches. The use of common planning time for coaching, professional development and inquiry work.

**Part 6 – Progress Monitoring**

**Part 6a.** Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. In this part:

1. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.
2. Specify a timeframe for mid-point progress monitoring activities.

Midpoint benchmark will be the use of classroom observation and feedback of the 9<sup>th</sup> grade Algebra and 9<sup>th</sup> & 10<sup>th</sup> grade English teachers through the lens of designing coherent instruction and looking at student tasks. Review of 9<sup>th</sup> grade cohort scholarship reports at the end of each marking period and semester.

**Part 6b.** Complete in **February 2015.**

1.	Did the school meet the mid-point benchmark(s) in the timeframe specified?		Yes		No
2.	If the mid-point benchmark(s) was not met, describe any revisions made to the action plan to achieve the goal?

## Section 5: Needs Assessment, Annual Goals and Action Plans

**Section 5D – Capacity Framework Element - Effective School Leadership:** Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement. *(Aligned to DTSDE Tenet 2: School Leader Practices and Decisions)*

### Part 1 – Needs Assessment

**Part 1a. HEDI Rating (Highly Effective, Effective, Developing, or Ineffective) for DTSDE Tenet 2:**

11. For schools that received an Integrated Intervention Team (IIT) School Review Report: Enter the HEDI rating for each assessed Statement of Practice (SOP) on the chart below.

2.4	Leaders make strategic decisions to organize resources concerning human, programmatic and fiscal capital so that school improvement and student goals are achieved.	E
2.5	The school leader has a fully functional system in place to conduct targeted and frequent observations; track progress of teacher practices based on student data, feedback and professional development opportunities; and hold administrators and staff accountable for continuous improvement.	D

**Part 1b. Needs/Areas for Improvement:**

13. Reflect on your school’s HEDI ratings (or self-ratings) in Part 1A, particularly any ratings of Developing and Ineffective.
14. Summarize your school’s strengths and needs relative to this Capacity Framework element and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data sources.

The IIT report accurately reflects the schools capacity at the time of the report. The IIT report revealed the school leader has established an observation cycle aligned to district APPR and will conduct targeted and frequent observations and track progress of teacher practices based on student data and feedback.

The school leader reestablished a common planning period daily and administration, coaches and teachers come together in the professional learning space established. Since that time the school has developed a shared vision, mission, and articulated the instructional focus of the school. These are shared in posters, brochures, intended for the school website (being developed) and are addressed in the feedback areas of teacher observation reports. This SCEP document is being articulated to meet the IIT reports recommendation that the school develop SCEP goals that are consistently evaluated, monitored for progress and adapted as needed; reflecting the high expectations identified.

The report recommended that stakeholder capacity for discussing student data with next steps be developed to allow for the development and implementation of achievable goals in direct alignment with improvements in student achievement.

### Part 2 – Annual Goal

List your school’s 2014-15 goal for improving student outcomes and school performance that addresses Capacity Framework element – Effective School Leadership. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and should be written as SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2015, the school community will engage in reflective practice, classroom inter-visitations, family engagement, a short cycle observation process and inquiry aligned to the schools vision and instructional focus resulting in an improved coherence of lesson and unit planning; these measures will lead to a doubling of the June 2014 graduation rate.

**Part 3 – Action Plan**

## Section 5: Needs Assessment, Annual Goals and Action Plans

**Section 5E – Capacity Framework Element - Strong Family and Community Ties:** The school creates a welcoming environment for families and takes advantage of community resources to enrich the civic life of the school. *(Aligned to DTSDE Tenet 6: Family and Community Engagement)*

### Part 1 – Needs Assessment

**Part 1a. HEDI Rating (Highly Effective, Effective, Developing, or Ineffective) for DTSDE Tenet 6:**

15. For schools that received an Integrated Intervention Team (IIT) School Review Report: Enter the HEDI rating for each assessed Statement of Practice (SOP) on the chart below.
16. For schools that did not receive an IIT School Review, or did not receive a HEDI rating for one or more SOPs: Self-rate your school for that SOP, informed by an analysis of student performance trends and any major findings/recommendations from your Quality Review (QR) or Alternative QR (AQR), and other relevant qualitative and quantitative data. Enter your HEDI self-rating(s) on the chart below.

6.2	The school atmosphere is welcoming and fosters a feeling of belonging and trust, which encourages families to freely and frequently engage with the school, leading to increased student success.	D
6.3	The school engages in effective planning and reciprocal communication with family and community stakeholders so that students' strength and needs are identified and used to augment learning.	D
6.4	The entire school community partners with families and community agencies to promote and provide professional development across all areas (academic and social and emotional developmental health) to support student success.	D
6.5	The entire school shares data in a way that empowers and encourages families to use and understand data to promote dialogue between parents, students and school constituents centered on student learning and success.	D

**Part 1b. Needs/Areas for Improvement:**

17. Reflect on your school's HEDI ratings (or self-ratings) in Part 1A, particularly any ratings of Developing and Ineffective.
18. Summarize your school's strengths and needs relative to this Capacity Framework element and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data sources.

The IIT report accurately reflects the state of the school at the time of the report. Student packets did not speak to the CCLS and academic expectations. The report cited developing processes including efforts to increase family engagement and parents citing they felt welcome at the school. The school was in the nascent stages of family outreach through phone, email and texting. The school developed a professional learning space to support community learning processes and also developed a library for student use. The school also introduced an are you green campaign to inform students and families on student achievement through color coded charts of progress. The school had relationships with two CBOs.

The phone numbers used to maintain contact with families were not current and parent volunteers have joined the staff in gaining live phone numbers for all people. The school has developed an angel program and family outreach is maintained by teachers and administration. The school calls late families starting 15 minutes after the start of the school day to inform parents of lateness. We also use phone messenger to share lateness and absence messages with families and for wakeup calls for students with a history of lateness and absence. The school has established relationships with HOSH kids to provide movement and supports for students, and is working with Medgar Evers College and NYU to establish college articulations. The school has also developed signage to share expectations for student behaviors and achievement, student club opportunities and college readiness as a goal.

### Part 2 – Annual Goal

List your school's 2014-15 goal for improving student outcomes and school performance that addresses Capacity Framework element – Strong Family and Community Ties. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and should be written as SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2015 the school will realize an improvement in school family communication, family participation and family satisfaction with school outreach as measured by parental participation in school sponsored events increasing from 2.5% to 18%.

### Part 3 – Action Plan

<b>Activities/Strategies:</b> Detail below the actions, strategies, and activities your school will implement to achieve the identified goal for this Capacity Framework element, including: 1. Research-based instructional programs, professional development, and/or systems and structures needed to impact change 2. Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). 3. **Part 6 – Progress Monitoring**

**Part 6a.** Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. In this part:

1. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.
2. Specify a timeframe for mid-point progress monitoring activities.

Parental involvement in school sponsored events will improve from 2.5% of parents appearing at PTA conferences to 18% of parents attending PTA conferences

Completion rate on phone outreach to families will exceed 90% as measured by school messenger reports

**Part 6b.** Complete in **February 2015**.

1.	Did the school meet the mid-point benchmark(s) in the timeframe specified?		Yes		No
2.	If the mid-point benchmark(s) was not met, describe any revisions made to the action plan to achieve the goal?				

**Section 6: Academic Intervention Services (AIS)**  
**(Required for All Schools)**

**Directions:** Schools need to maintain accurate records of students who are receiving Academic Intervention Services (AIS) to ensure that students who are not achieving at proficiency receive effective and timely assistance. These records need to be made available upon request and indicate the total number of students receiving AIS in each subject area listed below and for each applicable grade in your school.

<b>Type of Academic Intervention Service (AIS)</b>	<b>Criteria for determining AIS services</b>	<b>Type of Program or strategy (e.g. repeated readings, interactive writings, etc.)</b>	<b>Method for delivery of service (e.g. small group, one-to-one, tutoring, etc.)</b>	<b>When the service is provided (e.g. during the school day, before or after school, etc.)</b>
<b>English Language Arts (ELA)</b>	All students who failed 2 or more classes the previous marking period.	The school will use a blended learning model and the Writing is Thinking through Strategic Inquiry (WITsi) model	One on one and small group.	After and before school
<b>Mathematics</b>	All students who failed 2 or more classes the previous marking period	The school will use a blended learning model and the Writing is Thinking through Strategic Inquiry (WITsi) model	One on one and small group.	After and before school
<b>Science</b>	All students who failed 2 or more classes the previous marking period	The school will use a blended learning model and the Writing is Thinking through Strategic Inquiry (WITsi) model	One on one and small group.	After and before school
<b>Social Studies</b>	All students who failed 2 or more classes the previous marking period	The school will use a blended learning model and the Writing is Thinking through Strategic Inquiry (WITsi) model	One on one and small group.	After and before school
<b>At-risk services (e.g. provided by the Guidance Counselor, School Psychologist, Social Worker, etc.)</b>	Students who have less than 90 % attendance, and students who have 2 or more principal's suspensions or 1 superintendent suspension	Students will develop academic goals, behavior intervention plans and performance contracts.	One on one and small group.	After and before school and during schools hours.

## Section 7: Expanded Learning Time (ELT) Program Description

*(Required for All Priority Schools)*

**Directions:** Expanded Learning Time activities are enriching educational experiences that happen outside of the traditional classroom and blend skill acquisition, relationship-building and fun to foster academic and social-emotional growth in students. Summer learning, afterschool programming, and extended-day ELT models, when well-implemented, play a critical role in supporting students in all grades and ensuring that they graduate from high school, college and career ready. SED requires that Priority schools offer a minimum of 200 additional student contact hours as Expanded Learning Time in addition to the current mandated length of 900 hours of instruction per year (25 hours per week) in grades K-6 and 990 hours of instruction per year (27.5 hours per week) in grades 7-12. Complete the sections on this page to demonstrate how the school will meet these requirements.

### **Part 1 – ELT Program Goal(s)**

Describe the identified goal(s) of the ELT program for the 2014-15 school year. Be sure to construct the goal to be SMART – Specific, Measurable, Achievable, Realistic, and Time-bound.

- Given opportunities to learn with content area specialists in a blended face to face and online learning environment, by the end of each enrolled semester, enrolled students will achieve one academic credit.

### **Part 2 – ELT Program Description**

**Part 2a.** Identify the target population(s) to be served by the ELT program.

Students who failed 2 or more classes the previous marking period.

**Part 2b.** Describe how the school will meet the following SED requirements for an ELT program in a Priority School:

Integrate academics, enrichment, and skill development through hands-on experiences that make learning relevant and engaging.

Offer a range of activities that capture student interest and strengthen student engagement in learning so as to promote higher attendance, reduces risk for retention or drop out, and increases the likelihood of graduation.

Actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

Contain components designed to improve student academic, social, and emotional outcomes, including opportunities for enrichment programs such as in music and art.

Ensure instruction in any core academic subject offered in the program will be delivered under the supervision of a teacher who is NYS certified in that particular content area.

Extended Learning Time program will include PM school to allow students to earn credits in off track courses, Academic intervention services and Saturday School for Regents review/prep . ELT will also include enrichment activities in the arts, chess club, and dance.

**Part 2c.** Is the ELT program voluntary or compulsory?

Voluntary

X

Compulsory

If the ELT program is voluntary, indicate how you will offer the program to all students and actively encourage their participation, with the goal of serving at least 50% of students.

### **Part 3 – ELT Program Implementation and Oversight**

**Part 3a.** Who will implement the ELT program? Who will oversee the program?

- Indicate the key personnel that will be responsible for implementing and overseeing the ELT program, including school-based staff and any high-quality community partners that will be involved.
- If applicable, describe the scope of involvement of all community partners and how the joint ELT program is structured.

Assistant Principal, Guidance counselor, Teachers , Parent Coordinator, Attendance Team

**Part 3b.** Indicate resources needed including human resources, instructional resources, and schedule adjustments to implement the ELT program.

Supervisor, Guidance counselor and teacher per session. Software licenses for blended learning program, laptop computers.

**Part 3c.** Timeline for implementation and completion, including start and end dates.

November 17, 2014 – June 26, 2015

**Part 4 – Budget and Resource Alignment**

Indicate using an “X” the fund source(s) that will be utilized to support to support the ELT Program.

	<b>21<sup>st</sup> Century</b>	x	<b>Tax Levy</b>	X	<b>Title I SWP</b>		<b>Title I TA</b>		<b>P/F Set-aside</b>		<b>C4E</b>
	<b>Title I 1003(a)</b>		<b>Title III</b>		<b>PTA Funded</b>	X	<b>Grants</b>		<b>School Success Grant</b>		<b>In Kind</b>

List below any additional fund sources that will be utilized to support achievement of the goal.

**Part 5 – Progress Monitoring**

**Part 5a.** Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. In this part:

Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.

Specify a timeframe for mid-point progress monitoring activities.

By January 31, 2015 50% of school population will be enrolled in ELT activities.

**Part 5b.** Complete in **February 2015**.

Did the school meet the mid-point benchmark(s) in the timeframe specified?		Yes		No
--	--	-----	--	----

If the mid-point benchmark(s) was not met, describe any revisions made to the action plan to achieve the goal?

## Section 8: Title I Program Information

**Directions:**

7. All schools must indicate their Title I status in Part 1
8. All elements of the *All Title I Schools* section must be completed in Part 2
9. All Targeted Assistance (TA) Schools must also complete the *TA Schools Only* section in part 3
10. All Schoolwide Program (SWP) schools must also complete the *SWP Schools Only* section in Part 4
11. If a required component is addressed elsewhere in this plan, you may refer to the page number(s) where the response can be found
12. For additional information, visit the [Title I Intranet webpage](#)

**Part 1: Title I Status**

Indicate with an "X" your school's Title I Status.			
<b>X</b>	<b>Schoolwide Program (SWP)</b>	<b>Targeted Assistance (TA) Schools</b>	<b>Non-Title I</b>

**Part 2: All Title I Schools**

**2a. Highly Qualified Teachers (HQT)**

Describe the strategies and activities including strategies for recruitment, retention, assignments, and support including high quality professional development that ensures staff is highly qualified.
Administration actively recruits highly qualified staff at NYCDOE hiring fairs and a critical interview process that includes review of teacher performance data, checking of references and role play by the prospective new hires. We engage our staff in ongoing professional development twice a week and have structured out day to include atleast one period of common planning time.

**2b. High Quality and Ongoing Professional Development**

Describe the strategies and activities for high quality professional development for teachers, principals, and paraprofessionals, and staff that enable all students to meet Common Core State Standards (CCSS).
Administration, network achievement coaches and the HSRI deliver ongoing differentiated professional development for teachers two mornings a week. All observations are followed with actionable feedback to improve teacher practice. Logs are transparently shared between coaches, network staff, the HSRI team and teachers to document teacher growth and next steps. This sharing enables collaboration between all support vectors and the teachers.

**Part 3: TA Schools Only**

**3a. Use of Program Resources**

Describe how the TA program resources will assist participating children to meet proficiency.

**3b. TA Coordination with the Regular Program**

Describe the planning, coordination and support of the TA program with the regular educational program (i.e., providing ELT, accelerated, high-quality curriculum, including applied learning; and minimize removing children from the regular classroom during regular school day).

**Part 4: SWP Schools Only**

**4a. Transition Plans to Assist Preschool Children (Elementary Schools Only)**

Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/info, early intervention services, etc.).

Not applicable

**4b. Measures to Include Teachers in Decisions Regarding Assessments**

Describe the decision making process that teachers participate in regarding the use and selection of appropriate multiple assessment measures and the professional development provided regarding the use of assessment results to improve instruction.

Teachers participate in grade team meetings to explore best practices for the delivery and assessment of relevant content aligned to the CCLS.

**4c. “Conceptual” Consolidation of Funds in SWP Schools**

**Directions:** All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes<sup>1</sup>. To be eligible for the flexibility consolidation of Federal funds enables, a Schoolwide Program school must identify in its Schoolwide plan (SCEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated<sup>2</sup>. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for FY '15 school allocation amounts.)	Place an (X) in <u>Column A</u> below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in <u>Column B</u> , page # references where a related program activity has been described in this plan.	
			Column A Verify with an (X)	Column B Page # Reference(s)
Title I Part A (Basic)	Federal	87602	X	11,13,17,19,23,26
Title I School Improvement 1003(a)	Federal	16961	X	11,13,17,19,23,26
Title I Priority and Focus School Improvement Funds	Federal	22176	X	11,13,17,19,23,26
Title II, Part A	Federal			
Title III, Part A	Federal			
Title III, Immigrant	Federal			
Tax Levy (FSF)	Local	890400	X	11,13,19,23,26

**<sup>1</sup>Explanation/Background:**

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal,

State, and local sources, a Schoolwide Program school can address its needs using *all* its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used **conceptually** to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

1. Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
2. A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the **intent and purposes of the Federal programs** included in the consolidation so that the needs of the intended beneficiaries are met.

<sup>2</sup>The **intent and purposes** of the Federal programs indicated on the chart above (Part 4C of this section) are as follows:

3. **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
4. **Title I School Improvement 1003(a)** - support implementation of school improvement activities identified through the Diagnostic Tool for School and District Effectiveness (DTSDE) reviews or a school review with district oversight and included in the DCIP/SCEP.
5. **Title I Priority and Focus School Improvement Funding:** support implementation of school improvement plans that aims to improve instruction and address the identified needs
6. **Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program.
7. **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
8. **Title III Immigrant:** Supplementary and enhanced services to LEP/ELL immigrant students, in the areas of English language acquisition and content area achievement.

**Important Note:** The following funds may not be consolidated:

9. **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor’s Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities

funded through Title I must be included in the parent involvement policy and aligned with student achievement goals in the school comprehensive educational plan.

10. **Title I Priority and Focus School Parent Engagement Set-aside:** Additional set-aside is to enable greater and more meaningful parent participation in the education of their children.
11. **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
12. **Grant funds awarded via a competitive process, including Title I 1003(g) SIG or SIF funds:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

## Section 9: Parent Involvement Policy (PIP) and School Parent Compact (SPC)

*(Required for All Title I Schools)*

**Directions:** All Title I schools are required to develop a **Parent Involvement Policy (PIP)** that meets the parental involvement requirements of Title I. The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The **School-Parent Compact (SPC)** is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's PIP should align with current SCEP goals for improving student achievement. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if the school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

Your school is encouraged to use the sample PIP and SPC templates below (which meet federal Title I parental involvement requirements) as guidance for updating the school's current policy.

---

### Parent Involvement Policy (PIP) Template

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in the school. **Foundations Academy**, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of the school community. **Foundations Academy** will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;
- Inviting parents to participate in out of school time programs to learn about curriculum, enabling homework supports and additional social and emotional supports for families
- Inviting families to a Passport to College celebration twice a year to celebrate students success
- Awards distributed to parents of students demonstrating improvements in school values
- Daily calling and messaging to parents of absent students early in the day to develop urgency for student attendance.

The school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. The school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association, as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to the school to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in the school's Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1<sup>st</sup> of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;
- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

The school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand

### School-Parent Compact (SPC) Template

**Foundations Academy**, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

#### **I. School Responsibilities**

*Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:*

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

*Support home-school relationships and improve communication by:*

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting prior to December 1<sup>st</sup> of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation

services in order to ensure participation in the child's education;

- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

*Provide parents reasonable access to staff by:*

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

*Provide general support to parents by:*

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

## **II. Parent/Guardian Responsibilities:**

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;

- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

### **III. Student Responsibilities:**

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

SUBMISSION FORM  
2013-14 TO 2014-15 SCHOOL YEARS**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This is a two-year plan on how schools will support ELLs' linguistic and academic needs. This LAP form is a part of the school's CEP. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. **After reviewing and analyzing the assessment data, answer the following:**

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How will this data help inform your school's instructional plan? Please provide any quantitative data available to support your response.  
Paste response to questions here:
- What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?  
Paste response to question here:

3. How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions? How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAOC tool](#))  
**Paste response to question here:**
4. For each program, answer the following:
  - a. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
  - b. Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
  - c. What is the school learning about ELLs from the Periodic Assessments? How is the native language used?**Paste response to questions here:**
5. Describe how your school uses data to guide instruction for ELLs within the Response to Intervention (RtI) framework (for grades K-5). (see [RtI Guide for Teachers of ELLs](#).)  
**Paste response to question here:**
6. How do you make sure that a child’s second language development is considered in instructional decisions?  
**Paste response to question here:**
7. For dual language programs, answer the following:
  - a. How are the English-proficient students (EPs) assessed in the second (target) language?
  - b. What is the level of language proficiency in the second (target) language for EPs?
  - c. How are EPs performing on State and City Assessments?**Paste response to questions here:**
8. Describe how you evaluate the success of your programs for ELLs (e.g. meeting AYP for ELLs, etc.).  
**Paste response to question here:**

## Part IV: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. (Refer to [ELL Policy Brief](#) and [EPIC](#).)  
**Paste response to question here:**
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.  
**Paste response to question here:**
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned, and secured/stored. (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [\[see tool kit\]](#).)  
**Paste response to question here:**
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.  
**Paste response to question here:**
5. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.  
**Paste response to question here:**
6. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.) Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway.   
**Paste response to question here:**

## Part V: ELL Programming

### A. Programming and Scheduling Information

1. How is instruction delivered? (see [\*The Practitioners' Work Group for Accelerating English Language Learner Student Achievement: Nine Common Features of Successful Programs for ELLs\*](#))
  - a. What are the organizational models (e.g., departmentalized, push-in [co-teaching], pull-out, collaborative, self-contained)?
  - b. What are the program models (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogeneous [proficiency level is the same in one class])?

**Paste response to questions here:**
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
  - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?

**Paste response to questions here:**
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to foster language development and meet the demands of the Common Core Learning Standards.

**Paste response to question here:**
4. How do you ensure that ELLs are appropriately evaluated in their native languages throughout the year?

**Paste response to question here:**
5. How do you ensure that ELLs are appropriately evaluated in all four modalities of English acquisition throughout the year?

**Paste response to question here:**
6. How do you differentiate instruction for ELL subgroups?
  - a. Describe your instructional plan for SIFE.
  - b. Describe your plan for ELLs who have been in US schools less than three years (newcomers)..
  - c. Describe your plan for ELLs receiving service 4 to 6 years.
  - d. Describe your plan for long-term ELLs (completed 6+ years).

e. Describe your plan for former ELLs (in years 1 and 2 after testing proficient).

Paste response to questions here:

7. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?

Paste response to question here:

8. How does your school use curricular, instructional, and scheduling flexibility to enable diverse ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment?

**LANGUAGE TRANSLATION AND INTERPRETATION 2013-2014 TO 2014-2015**

*Requirement under Chancellor's Regulations – for all schools*

DBN: 14k322 School Name: Foundations Academy

Cluster: CFN Network: 53^

**Goal:** To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

**Part A: Needs Assessment Findings**

---

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

Parents complete the Home Language Survey when the students are enrolled. This information is entered into ATS. Then the appropriate accommodations are made for families and students based on the data collected

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

Out of the 11 ELLs, we have 9 Spanish, 1 Haitian, and 1 Arabic speaking students. We check the students' data in ATS. We inform the teaching staff and administrators of our new ELLs and their particular needs so that teachers accommodate their instruction to the ELLs. We consult the network team if we have staffing needs. Our parent coordinator goes to DOE site- the English Learner section to obtain the necessary translation versions whenever we need to communicate with the ELLs' Parents

## Part B: Strategies and Activities

---

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

We use the written translation materials from the DOE website <http://schools.nyc.gov/Offices/Translation/ChancellorRegulation/Default.htm>, and select the three languages: Spanish, Haitian, and Arabic for our translation and interpretation purposes.

The principal and the parent coordinator are Spanish speaking. They facilitate parents with the understanding of these documents.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Oral translation services are provided in-house by our Parent Coordinator and the Principal for the Spanish speaking parents. Additionally, we give the Language Identification Guide to non-English speaking parents, so that they may find their language and identify it for us. For parents who speak languages other than Spanish, we use the On-site Interpretation Services and Over-the-phone interpretation services , 718-752-7373, ext. 4

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link: <http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

We have a copy of the Bill of Parent Rights in Spanish, Haitian, and Arabic on file. Parents are given a copy of the Bill of Parent Rights and Responsibilities which includes their rights regarding translation and interpretation in their native language. We make sure that we provide parents whose primary language is a covered language with a translation of any document that contains individual, student-specific information regarding, but not limited to, a student's

- a. health;
- b. safety;
- c. legal or disciplinary matters; and
- d. entitlement to public education or placement in any Special Education, English Language Learner or non-standard academic program

We have enough staff members to service the needs of the Spanish speaking parents who require translation and interpretation. We use the Over-the-phone interpretation services for parents whose native language is Haitian or Arabic to help them to understand any document that contains individual, student-specific information mentioned above. Very often, parents would bring a friend or relative to help them with translation and interpretation.
