Section 2: School Leadership Team (SLT) Signature Page

All SLT members are expected to sign this page to confirm their participation in the development of this School Comprehensive Educational Plan (SCEP) and consultation regarding the alignment of funding to support this school's educational program, which includes annual goals and action plans, Academic Intervention Services (AIS), Parent Involvement Policy (PIP) and School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with [Chancellor's Regulation A-655](#), available on the [New York City Department of Education \(NYCDOE\)](#) website.

Directions:

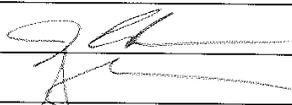

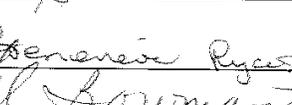

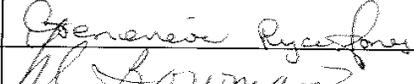

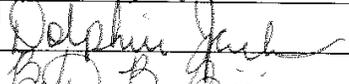

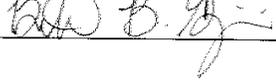

- List the names of each SLT member in the left-hand column on the chart below. Specify any position held by the team member, e.g., Chairperson and the constituent group represented, e.g., parent, staff, student, or Community Based Organization (CBO). Core mandatory SLT members are indicated by an asterisk*.
- SLT members should review this document and sign in the right-hand column in **blue ink**. If an SLT member does not wish to sign this plan, the member may attach a written explanation in lieu of his/her signature, which must be maintained on file at the school with the original SLT signature page.**
- The original signed copy, along with any written communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 3: Directions and Guidance for Developing the School Comprehensive Educational Plan

The School Comprehensive Educational Plan is meant as a tool to facilitate continuous improvement planning - to support schools in engaging their staff, parents, students, and community partners in assessing and prioritizing school needs, setting measurable improvement goals, selecting appropriate strategies to improve student outcomes, monitoring progress toward meeting annual goals, and communicating these efforts to the broader school community. This section will provide School Leadership Teams (SLTs) with guidance regarding CEP development informed by the Capacity Framework. Additional information is available in the [Comprehensive Educational Planning Memorandum](#).

The Capacity Framework and SCEP Development

The [Capacity Framework](#) encourages parents, educators, school communities, and external stakeholders to work together to improve student achievement. This collaborative focus will ensure that every child is consistently ready for the next grade, level, and set of challenges. The School Comprehensive Educational Plan (SCEP) will reflect this focus and should serve as the blueprint that engages a school community in a systematic, ongoing review and analysis of student needs to identify and address root causes and implement strategies and activities that improve outcomes for students.

Aligned with the Chancellor’s [Four Pillars](#), the Capacity Framework takes us away from market-based competitive models to an approach focused on collaboration. This new model looks at how schools can improve, and students can achieve more, when all members of the community work together.

Based on robust research, the six elements of the Framework identify the areas that we must improve to accomplish high student achievement. By focusing attention and resources on what it takes for schools to function well, the Capacity Framework identifies the underlying strengths and weaknesses of a school and shows community members concrete ways to improve.

In accordance with the requirements of [Chancellor’s Regulations A-655](#), all SLTs are to develop an educational plan in consultation with parents, school staff, and students, to provide a meaningful opportunity for stakeholders to participate in shared decision making and school improvement. The expectation is that SLTs will engage in a comprehensive educational planning process to inform the development of five goals and action plans in response to the first five elements of the Capacity Framework (listed below), with the sixth element, *Trust*, addressed within each action plan.

The Six Elements of the Capacity Framework

- **Rigorous Instruction:** Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.
- **Supportive Environment:** The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.
- **Collaborative Teachers:** Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.
- **Effective School Leadership:** Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement.
- **Strong Family-Community Ties:** School leadership brings resources from the community into the school building by welcoming, encouraging, and developing partnerships with families, businesses, and community-based organizations.
- **Trust:** Everyone works toward the shared goal of improving student outcomes, preparing students for success in school and beyond. Across the school community, there is respect. School staff, parents, students and administrators value each other.

Accountability Tools and the Capacity Framework

In order to address the six elements of the Capacity Framework, school communities should engage in improvement planning that is informed by the New York State Education Department's (NYSED) Diagnostic Tool for School and District Effectiveness (DTSDE) Tenets, the NYCDOE's Quality Review Indicators and other quantitative and qualitative data.

NYSED's Six DTSDE Tenets

The DTSDE protocol includes a rubric, which identifies clear and coherent expectations of the optimal conditions of an effective school and school district across the following six tenets:

1. Tenet 1: District Leadership and Capacity
2. Tenet 2: School Leader Practices and Decisions
3. Tenet 3: Curriculum Development and Support
4. Tenet 4: Teacher Practices and Decisions
5. Tenet 5: Student Social and Emotional Developmental Health, and
6. Tenet 6: Family and Community Engagement.

NYCDOE's Quality Review (QR)

The Office of School Quality (OSQ) supports school improvement across the NYC Department of Education (DOE) by coordinating qualitative assessments of principals and school communities. All of the qualitative assessments are rooted in the Quality Review rubric and drive improvements to principal and school practice, with the ultimate goal of impacting student achievement. The 2014-15 Quality Review (QR) Rubric has ten indicators within three categories as outlined below:

- I. Instructional Core Across Classrooms: Curriculum (1.1), Pedagogy (1.2), Assessment (2.2)
- II. School Culture: Positive Learning Environment (1.4), High expectations (3.4)
- III. Structures for Improvement: Leveraging Resources (1.3), Teacher support and supervision (4.1), Goals and action plans (3.1), Teacher teams and leadership development (4.2), Monitoring and revising systems (5.1)

Next Steps for SCEP Development

School Leadership Teams should engage in the following steps:

- **Step 1:** Conduct a comprehensive needs assessment informed by the school's updated NYSED accountability status and most current quantitative and qualitative data. Prioritize areas of focus for this school year.
- **Step 2:** For schools that received an Integrated Intervention Team (IIT) School Review Report, enter the HEDI rating for each assessed Statement of Practice (SOP) in Part 1A of the needs assessment. For schools that did not undergo an IIT review, refer to the major findings/recommendations from your Quality Review (QR) or Alternative QR (AQR), and other qualitative and quantitative data, to self-rate your school for each SOP in Part 1 of the Needs Assessment.
- **Step 3:** Revisit your school's Initial Goals and Budget Alignment Form (IGBAF) and modify your goals, as needed, to align with the Capacity Framework. Ensure the annual goals are SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.
- **Step 4:** Build consensus around strategies, activities, and programs to address students' needs in each action plan. Create action plans that translate into observable, effective strategies to improve student achievement.
- **Step 5:** Update your school's AIS section. All Title I schools update the Parent Involvement Policy (PIP) and School-Parent Compact (SPC) and complete the ELT program description.
- **Step 6:** Establish a process for engaging in progress monitoring throughout the school year as part of an overall cycle of continuous improvement planning to assess whether strategies and activities outlined in the action plans are resulting in improved student performance. Adjust practices, when necessary.

Remember, the plan is only the beginning. Treat it as a living document and feel free to adjust along the way as your experiences and the evidence justify. Careful implementation of your ideas, follow-through, and continuous evidence-based monitoring of progress are the keys to accomplishing desired results.

Section 4: SCEP Overview

Develop a narrative summary that includes:

- Contextual information about your school's community and its unique/important characteristics, including your school's mission statement and a description of strategic collaborations/ partnerships and/or special initiatives being implemented.
- School strengths, accomplishments, and challenges.
- The DTSDE Tenet(s) in which your school made the most growth during the previous year and the key areas of focus for this school year.

FDNY HS is special and unique in that we have a vital working partnership with the FDNY. We are a small thematic school whose mission is to recruit minority students from the East New York community to become certified EMTs or Fire Fighters within the New York City Fire Department. The FDNY provides personnel and equipment to train the students in the emergency services. We have certified EMT's and Fire Fighters on site teaching and working with the students every day. We have a four-year course sequence that covers all aspects of firefighting: responsibilities, the science of fighting fire, life-saving skills, and a NYS EMT certification class. When students graduate from our school with the New York State EMT certification and are 18 years or older, they can be hired as an EMT by the FDNY. Over the last seven years (the seven graduating classes in the school's history), we have certified 90 student as Emergency Medical Technicians. Currently, 57 of these former students are using their certification to work as full-time EMT's with both the FDNY and private ambulance companies. As of this year, we have fifteen former students presently working with the FDNY as certified EMT's. In addition, we have two students that used the promotional opportunities and are currently NYC Fire Fighters. The effort of the FDNY has made a significant impact on the lives of many of our students contributing to their academic success. There is no other opportunity like this in the City of New York, and from our knowledge, the rest of the country.

Our best academic accomplishment from last year was the increase in our graduation rate. Our graduation rate increased 7% to 72% overall. However, we still struggle with the amount of students showing significant scoring increases on the Math and English Regents exams. Due to this fact, we are still not making consistent progress with meeting AYP in these areas.

Section 5: Needs Assessment, Annual Goals and Action Plans

Section 5A – Capacity Framework Element - Rigorous Instruction: Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills. *(Aligned to DTSDE Tenet 3: Curriculum Development and Support)*

Part 1 – Needs Assessment

Part 1a. HEDI Rating (Highly Effective, Effective, Developing, or Ineffective) for DTSDE Tenet 3:

- For schools that received an Integrated Intervention Team (IIT) School Review Report: Enter the HEDI rating for each assessed Statement of Practice (SOP) on the chart below.
- For schools that did not receive an IIT School Review, or did not receive a HEDI rating for one or more SOPs: Self-rate your school for that SOP, informed by an analysis of student performance trends and any major findings/recommendations from your Quality Review (QR) or Alternative QR (AQR), and other relevant qualitative and quantitative data. Enter your HEDI self-rating(s) on the chart below.

Tenet 3 Statement of Practice (SOP) Addressed		HEDI Rating
3.2	The school leader and staff support and facilitate the quality implementation of rigorous and coherent curricula appropriately aligned to the Common Core Learning Standards (CCLS) in Pre K-12.	E
3.3	Teachers ensure that unit and lesson plans that are appropriately aligned to the CCLS coherent curriculum introduce complex materials that stimulate higher-order thinking and build deep conceptual understanding and knowledge around specific content.	E
3.4	The school leader and teachers ensure that teacher collaboration within and across grades and subjects exists to enable students to have access to a robust curriculum that incorporates the arts, technology and other enrichment opportunities.	E
3.5	The school leader and teachers develop a data-driven culture based on student needs, assessments and analysis, which leads to strategic action-planning that informs instruction and results in greater student achievement outcomes.	E

Part 1b. Needs/Areas for Improvement:

- Reflect on your school's HEDI ratings (or self-ratings) in Part 1a, particularly any ratings of Developing and Ineffective.
- Summarize your school's strengths and needs relative to this Capacity Framework element and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data sources.

The staff is organized to work in two sets of teacher teams where they analyze student data to make instructional and curricular decisions. The department teams are responsible for updating and modifying the curriculum maps as well as the unit plans. The cohort teams look at student performance and make collaborative instructional decisions on an interdisciplinary basis to improve student achievement. Lastly, a professional development team has been created to plan the professional development topics as well as sessions to help improve the teacher practice in the classroom.

Part 2 – Annual Goal

List your school's 2014-15 goal for improving student outcomes and school performance that addresses Capacity Framework element – Rigorous Instruction. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and should be written as SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2015, we will improve our instructional practice by decreasing the number of developing scores in competencies 3b, 3c, and 3d by 5% by understanding best practices according to the Danielson Framework.

Part 3 – Action Plan

Activities/Strategies: Detail below the actions, strategies, and activities your school will implement to achieve the identified goal for this Capacity Framework element, including:	Target Group(s) Who will be targeted?	Timeline What is the start and end date?	Key Personnel Who is responsible for implementing and overseeing the activity/strategy?
1. Research-based instructional programs, professional development, and/or systems and structures needed to			

<p>impact change</p> <p>2. Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH).</p> <p>3. Strategies to increase parent involvement and engagement</p> <p>4. Activities that address the Capacity Framework element of Trust</p>			
We have established teacher teams, created a professional development committee, and designed a professional development plan.	Teachers	September 20 th – June 26 th .	School Administration and staff.
Teachers will be provided professional development within the Danielson competencies to provide multiple entry points to include ELL's and SWD's into the learning process.	Teachers	September 20 th – June 26 th .	School Administration and staff.
Our teacher teams meet during Common Planning Time and professional development meetings. The engagement and open dialogue during Common Planning Time and professional development sessions, whereby we share strategies, skills, and ideas, lends itself, to collegially and trust amongst the FDNY instructional staff.	Teachers	September 20 th – June 26 th .	School Administration and staff.

Part 4 – Resources Needed

Indicate resources needed to implement this action plan, including human resources, instructional resources, schedule adjustments, etc.

In order to put the strategies in place above, we will need the necessary budget to cover expenses, allotted time within the school year schedule, assistance/guidance from our Network, and outside vendors with reputable knowledge in the areas of need.

Part 5 – Budget and Resource Alignment

Indicate using an "X" the fund source(s) that will be utilized to support achievement of the specified goal.

List below any additional funding sources that will be utilized to support achievement of the goal.								
None.								

Part 6 – Progress Monitoring

Part 6a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. In this part:

1. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.
2. Specify a timeframe for mid-point progress monitoring activities.

At the mid-point of the school year, February 2015, the school teams will evaluate the progress of our plans against the collected data. We will look at the overall rating data through Advance to monitor the common information for the observation process.

Part 6b. Complete in **February 2015.**

3. Did the school meet the mid-point benchmark(s) in the timeframe specified?	X	Yes		No
4. If the mid-point benchmark(s) was not met, describe any revisions made to the action plan to achieve the goal?				

Section 5: Needs Assessment, Annual Goals and Action Plans

Section 5B – Capacity Framework Element - Supportive Environment: The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers. *(Aligned to DTSDE Tenet 5: Student Social and Emotional Developmental Health)*

Part 1 – Needs Assessment

Part 1a. HEDI Rating (Highly Effective, Effective, Developing, or Ineffective) for DTSDE Tenet 5:

- For schools that received an Integrated Intervention Team (IIT) School Review Report: Enter the HEDI rating for each assessed Statement of Practice (SOP) on the chart below.
- For schools that did not receive an IIT School Review, or did not receive a HEDI rating for one or more SOPs: Self-rate your school for that SOP, informed by an analysis of student performance trends and any major findings/recommendations from your Quality Review (QR) or Alternative QR (AQR), and other relevant qualitative and quantitative data. Enter your HEDI self-rating(s) on the chart below.

Tenet 5 Statement of Practice (SOP) Addressed		HEDI Rating
5.2	The school cultivates the development of overarching systems and partnerships that support and sustain social and emotional developmental health.	E
5.3	The school articulates and systematically promotes a vision for social and emotional developmental health that is connected to learning experiences and results in building a safer and healthier environment for families, teachers and students.	E
5.4	All school constituents are able to articulate how the school community is safe, conducive to learning and fosters a sense of ownership that leads to greater student outcomes.	E
5.5	The school leader and student support staff work together to develop teachers' ability to use data to respond to students' social and emotional developmental health needs, so students can become academically and socially successful.	E

Part 1b. Needs/Areas for Improvement:

- Reflect on your school's HEDI ratings (or self-ratings) in Part 1A, particularly any ratings of Developing and Ineffective.
- Summarize your school's strengths and needs relative to this Capacity Framework element and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data sources.

We have been in the process of improving our overall school environment and climate for the past few years. We have created a learning environment where each child is known by name by the staff members. Students in need have been identified, classified within target groups, and provided additional support through the school year. This support includes mentoring from the teachers and guidance counselors. There is constant communication between teachers, guidance counselors, and administrators to discuss student social/emotional issues that negatively affect their academic progress.

Part 2 – Annual Goal

List your school's 2014-15 goal for improving student outcomes and school performance that addresses Capacity Framework element – Supportive Environment. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and should be written as SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2015, we will decrease our VADIR score from the 2012-2013 school year by .20 weighted points by working with the Office of Youth Development to create a system to deal with the social and emotional health of our repeat offenders for suspensions and disorderly students. In addition, we will continue to support all students at FDNY by providing all students with counseling supports when necessary and celebrating student successes.

Part 3 – Action Plan

Activities/Strategies: Detail below the actions, strategies, and activities your school will implement to achieve the identified goal for this Capacity Framework element, including:	Target Group(s) <i>Who will be</i>	Timeline <i>What is the start and</i>	Key Personnel <i>Who is responsible for implementing</i>

<ol style="list-style-type: none"> 1. Research-based instructional programs, professional development, and/or systems and structures needed to impact change 2. Strategies to increase parent involvement and engagement 4. Activities that address the Capacity Framework element of Trust 	<i>targeted?</i>	<i>end date?</i>	<i>and overseeing the activity/strategy?</i>
We have included a program called Step-Up that is assisting with providing social/emotional support for targeted students.	25 students identified by the guidance counselors identified in accordance with Step Up criteria.	September 20 th – June 26 th	School Administration and staff.
We have engaged in professional development activities around classroom management strategies to ensure a safe, supportive school environment for all.	Teachers	September 20 th – June 26 th	School Administration and staff.
The school continues to inform parents of the supports provided to their children through verbal and written communication (ie. Newsletters and PTA meetings).	Parents and Teachers	September 20 th – June 26 th	School Administration and staff.
We will continue to update staff regarding incidents, successes, and next steps in our effort to maintain a supportive environment. The transparency will lead to commitment from staff and deepen trust amongst all our community.	Teachers	September 20 th – June 26 th	School Administration and staff.

Part 4 – Resources Needed

Indicate resources needed to implement this action plan, including human resources, instructional resources, schedule adjustments, etc.

In order to put the strategies in place above, we will need the necessary budget to cover expenses, allotted time within the school year schedule, assistance/guidance from our Network, and outside vendors with reputable knowledge in the areas of need.

List below any additional funding sources that will be utilized to support achievement of the goal.

Grant provided through the Office of Youth Development from the Chancellor’s Office.

Part 6 – Progress Monitoring

Part 6a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. In this part:

1. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.
2. Specify a timeframe for mid-point progress monitoring activities.

At the mid-point of the school year, February 2015, the school teams will evaluate the progress of our plans against the collected data. We will look at the VADIR rating score as the year progresses, Danielson to review progress regarding competency 2d as a means to evaluate the progress towards the goal of a supportive environment.

Part 6b. Complete in February 2015.

1. Did the school meet the mid-point benchmark(s) in the timeframe specified?	X	Yes		No
2. If the mid-point benchmark(s) was not met, describe any revisions made to the action plan to achieve the goal?				

Section 5: Needs Assessment, Annual Goals and Action Plans

Section 5C – Capacity Framework Element - Collaborative Teachers: Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement. *(Aligned to DTSDE Tenet 4: Teacher Practices and Decisions)*

Part 1 – Needs Assessment

Part 1a. HEDI Rating (Highly Effective, Effective, Developing, or Ineffective) for DTSDE Tenet 4:

- For schools that received an Integrated Intervention Team (IIT) School Review Report: Enter the HEDI rating for each assessed Statement of Practice (SOP) on the chart below.
- For schools that did not receive an IIT School Review, or did not receive a HEDI rating for one or more SOPs: Self-rate your school for that SOP, informed by an analysis of student performance trends and any major findings/recommendations from your Quality Review (QR) or Alternative QR (AQR), and other relevant qualitative and quantitative data. Enter your HEDI self-rating(s) on the chart below.

Tenet 4 Statement of Practice (SOP) Addressed		HEDI Rating
4.2	Teachers use instructional practices and strategies organized around annual, unit and daily lesson plans to meet established student goals and promote high levels of student engagement and inquiry.	E
4.3	Teachers provide coherent, appropriately aligned Common Core Learning Standards (CCLS)-based instruction that leads to multiple points of access for all students to achieve targeted goals.	E
4.4	Teachers create a safe environment that is responsive to students' varied experiences, tailored to the strengths and needs of all students, and leads to high levels of student engagement and inquiry.	E
4.5	Teachers use a variety of data sources including screening, interim measures and progress monitoring to inform lesson planning, develop explicit teacher plans and foster student participation in their own learning process.	E

Part 1b. Needs/Areas for Improvement:

- Reflect on your school's HEDI ratings (or self-ratings) in Part 1A, particularly any ratings of Developing and Ineffective.
- Summarize your school's strengths and needs relative to this Capacity Framework element and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data sources.

Teachers are planning effective lessons that provide alignment between the goals, skills, and content taught. Lesson plans reflect the CCLS addressed and multiple entry ways which students are led to engage in the learning. Teachers pre-plan scaffolded sequences of lessons and use questioning techniques that support students' security to participate in classroom discussions. Teachers consistently refer back to data sets (in-class assessments, assignments, exams, projects, exit tickets, etc.) to make ongoing instructional decisions that help increase student involvement in the classroom.

Part 2 – Annual Goal

List your school's 2014-15 goal for improving student outcomes and school performance that addresses Capacity Framework element – Collaborative Teachers. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and should be written as SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2015, teachers will show a 5% increase within the observation scoring process in supporting students to develop claims and counter claims by including questioning and discussion practices in their teaching.

Part 3 – Action Plan

Activities/Strategies: Detail below the actions, strategies, and activities your school will implement to achieve the identified goal for this Capacity Framework element, including:	Target Group(s) <i>Who will be targeted?</i>	Timeline <i>What is the start and end date?</i>	Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i>

3. Strategies to increase parent involvement and engagement			
4. Activities that address the Capacity Framework element of Trust			
The school uses the Danielson Rubric as its guidance to planning proper instruction within this goal.	Teachers	September 20 th – June 26 th	School Administration and staff.
Teachers will be provided professional development within the Danielson competencies to provide multiple entry points to include ELL's and SWD's into the learning process.	Teachers	September 20 th – June 26 th	School Administration and staff.
We have an open door policy whereby parents are encouraged to observe their children in class. This practice enables families to gain further insight into what students are learning and how teaching practices are employed across the school.	Parents and Teachers	September 20 th – June 26 th	School Administration and staff.
FDNY teacher teams share strategies and discuss challenges and successes during common planning time and professional development thus addressing the element of trust.	Teachers	September 20 th – June 26 th	School Administration and staff.

Part 4 – Resources Needed

Indicate resources needed to implement this action plan, including human resources, instructional resources, schedule adjustments, etc.

In order to put the strategies in place above, we will need the necessary budget to cover expenses, allotted time within the school year schedule, assistance/guidance from our Network, and outside vendors with reputable knowledge in the areas of need.

Part 6 – Progress Monitoring

Part 6a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. In this part:

1. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.
2. Specify a timeframe for mid-point progress monitoring activities.

At the mid-point of the school year, February 2015, the school teams will evaluate the progress of our plans against the collected data. We will look at the overall rating data through Advance to monitor the common information for the observation process. In addition, the documents analyzed during the team meetings will help identify the progress towards the goal.

Part 6b. Complete in **February 2015.**

1. Did the school meet the mid-point benchmark(s) in the timeframe specified?	X	Yes		No
2. If the mid-point benchmark(s) was not met, describe any revisions made to the action plan to achieve the goal?

Part 1 – Needs Assessment

Part 1a. HEDI Rating (Highly Effective, Effective, Developing, or Ineffective) for DTSDE Tenet 2:

- For schools that received an Integrated Intervention Team (IIT) School Review Report: Enter the HEDI rating for each assessed Statement of Practice (SOP) on the chart below.
- For schools that did not receive an IIT School Review, or did not receive a HEDI rating for one or more SOPs: Self-rate your school for that SOP, informed by an analysis of student performance trends and any major findings/recommendations from your Quality Review (QR) or Alternative QR (AQR), and other relevant qualitative and quantitative data. Enter your HEDI self-rating(s) on the chart below.

2.4	Leaders make strategic decisions to organize resources concerning human, programmatic and fiscal capital so that school improvement and student goals are achieved.	E
2.5	The school leader has a fully functional system in place to conduct targeted and frequent observations; track progress of teacher practices based on student data, feedback and professional development opportunities; and hold administrators and staff accountable for continuous improvement.	E

Part 1b. Needs/Areas for Improvement:

- Reflect on your school’s HEDI ratings (or self-ratings) in Part 1A, particularly any ratings of Developing and Ineffective.
- Summarize your school’s strengths and needs relative to this Capacity Framework element and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data sources.

The vision of the school has been established with our thematic goal and work with our partner, The FDNY. We have shown significant success in helping our students achieve professional success in the emergency service area and we’re accomplishing the goals expected for a CTE school. In addition, our college preparation message is becoming more apparent and becoming culture within the school. We have systems in place for observing instructional practice within the classroom to having teacher teams meeting to assess our progress for helping students learn best. We make our staffing and spending decisions based on the data we see around student performance. Lastly, our observational process allows us to see our teachers on an ongoing basis. The schedule is set to officially observe each teacher once per month and several times unofficially in between. The verbal feedback is provided within 24-48 hours of the observation and written feedback within two – three weeks.

Part 2 – Annual Goal

List your school’s 2014-15 goal for improving student outcomes and school performance that addresses Capacity Framework element – Effective School Leadership. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and should be written as SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2015, each teacher will have been officially observed at least five times during the school year and provided both verbal and written feedback that is constructive for improving instructional practice.

Part 3 – Action Plan

Activities/Strategies: Detail below the actions, strategies, and activities your school will implement to achieve the identified goal for this Capacity Framework element, including:	Target Group(s) <i>Who will be targeted?</i>	Timeline <i>What is the start and end date?</i>	Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i>

Part 1b. Needs/Areas for Improvement:

- Reflect on your school’s HEDI ratings (or self-ratings) in Part 1A, particularly any ratings of Developing and Ineffective.
- Summarize your school’s strengths and needs relative to this Capacity Framework element and DTSDE tenet (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data sources.

While the school has strong career outcomes for students there is a need to better prepare students to be college ready. An FDNY priority is to inform parents of their child’s progress and the benefits of meeting the College Ready Benchmarks. The school has several systems in place to properly communicate with parents regarding the student performance. Within the system, we use monthly newsletters written by the principal that are mailed home. We follow up with our communication by sending out automated phone messages with all important information outlined in the newsletter. In addition to the automated phone calls, personal phone calls are made to targeted parents because of their child’s specific needs including at risk of not meeting college ready benchmarks.

Part 2 – Annual Goal

List your school’s 2014-15 goal for improving student outcomes and school performance that addresses Capacity Framework element – Strong Family and Community Ties. Your goal must be responsive to the identified priority need(s) indicated in Part 1b, and should be written as SMART – Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2015, we will have a 5% increase in our college readiness scores on the NYCDOE Data Snapshot Report from the previous school year.

Part 6 – Progress Monitoring

Part 6a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. In this part:

1. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.				
2. Specify a timeframe for mid-point progress monitoring activities.				
At the mid-point of the school year, February 2015, the school teams will evaluate the progress of our plans against the collected data. We will look at the attendance of parents at our PTA and SLT meetings. We will also review our Regents data after the January exams. We will continue to follow the action plan cited above for students that have not yet met the targets.				
Part 6b. Complete in February 2015.				
1.	Did the school meet the mid-point benchmark(s) in the timeframe specified?		Yes	X
2.	If the mid-point benchmark(s) was not met, describe any revisions made to the action plan to achieve the goal?			
We have not reached the mid-point time frame of the school year. We received the ELA and Math results and didn't have the increase in student achievement as expected. We will continue to analyze the student exams to identify deficiencies, create instructional plans to implement solutions, revised our curriculum, and create additional tutoring opportunities for the struggling students.				

Section 6: Academic Intervention Services (AIS)
(Required for All Schools)

Directions: Schools need to maintain accurate records of students who are receiving Academic Intervention Services (AIS) to ensure that students who are not achieving at proficiency receive effective and timely assistance. These records need to be made available upon request and indicate the total number of students receiving AIS in each subject area listed below and for each applicable grade in your school.

Type of Academic Intervention Service (AIS)	Criteria for determining AIS services	Type of Program or strategy (e.g. repeated readings, interactive writings, etc.)	Method for delivery of service (e.g. small group, one-to-one, tutoring, etc.)	When the service is provided (e.g. during the school day, before or after school, etc.)

Science	270	APEX, Pm School, Saturday School	Large group, small group, one-to-one, tutoring, on-line classes.	During school day, after school, weekends, online from home.
Social Studies	300	APEX, Pm School, Saturday School	Large group, small group, one-to-one, tutoring, on-line classes.	During school day, after school, weekends, online from home.
At-risk services (e.g. provided by the Guidance Counselor, School Psychologist, Social Worker, etc.)	95	Group counseling, individual counseling.	Group counseling, individual counseling.	During school day, after school.

Section 7: Expanded Learning Time (ELT) Program Description

(Required for All Priority Schools)

Directions: Expanded Learning Time activities are enriching educational experiences that happen outside of the traditional classroom and blend skill acquisition, relationship-building and fun to foster academic and social-emotional growth in students. Summer learning, afterschool programming, and extended-day ELT models, when well-implemented, play a critical role in supporting students in all grades and ensuring that they graduate from high school, college and career ready. SED requires that Priority schools offer a minimum of 200 additional student contact hours as Expanded Learning Time in addition to the current mandated length of 900 hours of instruction per year (25 hours per week) in grades K-6 and 990 hours of instruction per year (27.5 hours per week) in grades 7-12. Complete the sections on this page to demonstrate how the school will meet these requirements.

Part 1 – ELT Program Goal(s)

Describe the identified goal(s) of the ELT program for the 2014-15 school year. Be sure to construct the goal to be SMART – Specific, Measurable, Achievable, Realistic, and Time-bound.

By June 2015, we will see a 3% increase in the credit accumulation category for all three cohorts measured (2016-2018) within the NYCDOE Data Snapshot Report.

Part 2 – ELT Program Description

Part 2a. Identify the target population(s) to be served by the ELT program.

All students not meeting their promotional benchmarks and graduation benchmarks through the school year will be targeted. These struggling students groups will also include students within the Lowest Third Populations, SWD, and ELL students that are within the cohorts.

Part 2b. Describe how the school will meet the following SED requirements for an ELT program in a Priority School:
 Integrate academics, enrichment, and skill development through hands-on experiences that make learning relevant and engaging.
 Offer a range of activities that capture student interest and strengthen student engagement in learning so as to promote higher attendance, reduces risk for retention or drop out, and increases the likelihood of graduation.
 Actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.
 Contain components designed to improve student academic, social, and emotional outcomes, including opportunities for enrichment programs such as in music and art.
 Ensure instruction in any core academic subject offered in the program will be delivered under the supervision of a teacher who is NYS certified in that particular content area.

We will begin by programming the students on an individual basis according to their promotional/graduation needs. These classes will be included in their program for the regular school day. Teachers will have identified the students and their needs through the inquiry process of the teacher teams. We will provide additional tutoring services after school in our PM School Program. In addition, we will provide the more tutoring opportunities during our Saturday School program throughout the school year. Lastly, the school will design some after school clubs to engage the students within some extracurricular activities that assist with their encouragement to attend school and perform better in the classroom.

Part 2c. Is the ELT program voluntary or compulsory?	x	Voluntary		Compulsory
---	---	-----------	--	------------

If the ELT program is voluntary, indicate how you will offer the program to all students and actively encourage their participation, with the goal of serving at least 50% of students.

We will provide constant messaging through school announcements, visible postings, messaging from the teachers within the classroom, messaging from teachers within mentoring sessions, highlight significant achievements as a result of attending the sessions, and provide incentives for attending.

Part 3 – ELT Program Implementation and Oversight

Part 3a. Who will implement the ELT program? Who will oversee the program?

1. Indicate the key personnel that will be responsible for implementing and overseeing the ELT program, including school-based staff and any high-quality community partners that will be involved.

2. If applicable, describe the scope of involvement of all community partners and how the joint ELT program is structured.

The principal will ultimately be responsible for overseeing the programs. The program will be discussed and planned within the teacher teams, at parent meetings (SLT and PTA), and during Town Hall Meetings with the students.

Part 3b. Indicate resources needed including human resources, instructional resources, and schedule adjustments to implement the ELT program.

In order to put the strategies in place above, we will need the necessary budget to cover expenses, allotted time within the school year schedule, assistance/guidance from our Network, and outside vendors with reputable knowledge in the areas of need.

Part 3c. Timeline for implementation and completion, including start and end dates.

November 12th – June 26th

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. In this part:

Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.
Specify a timeframe for mid-point progress monitoring activities.

We will look at the student participation rate, student attendance, and students results on the January Regents.

Part 5b. Complete in **February 2015.**

Did the school meet the mid-point benchmark(s) in the timeframe specified?	X	Yes		No
--	---	-----	--	----

If the mid-point benchmark(s) was not met, describe any revisions made to the action plan to achieve the goal?

Section 8: Title I Program Information

Directions:

7. All schools must indicate their Title I status in Part 1
8. All elements of the *All Title I Schools* section must be completed in Part 2
9. All Targeted Assistance (TA) Schools must also complete the *TA Schools Only* section in part 3
10. All Schoolwide Program (SWP) schools must also complete the *SWP Schools Only* section in Part 4
11. If a required component is addressed elsewhere in this plan, you may refer to the page number(s) where the response can be found
12. For additional information, visit the [Title I Intranet webpage](#)

2a. Highly Qualified Teachers (HQT)

Describe the strategies and activities including strategies for recruitment, retention, assignments, and support including high quality professional development that ensures staff is highly qualified.
We utilize the vetting process from the NYCDOE teacher recruitment systems as well as the candidate pool assessed through our support Network. We specifically program teachers within their licensed areas or areas of content strength.

2b. High Quality and Ongoing Professional Development

Describe the strategies and activities for high quality professional development for teachers, principals, and paraprofessionals, and staff that enable all students to meet Common Core State Standards (CCSS).
We hold professional development sessions within our own school staff along with the support from our Network. In addition, teachers attend outside professional development sessions within their content areas that they are able to turn-key within the staff settings.

Part 3: TA Schools Only

3a. Use of Program Resources

Describe how the TA program resources will assist participating children to meet proficiency.

3b. TA Coordination with the Regular Program

Describe the planning, coordination and support of the TA program with the regular educational program (i.e., providing ELT, accelerated, high-quality curriculum, including applied learning; and minimize removing children from the regular classroom during regular school day).

Part 4: SWP Schools Only

4a. Transition Plans to Assist Preschool Children (Elementary Schools Only)

Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/info, early intervention services, etc.).

4b. Measures to Include Teachers in Decisions Regarding Assessments

Describe the decision making process that teachers participate in regarding the use and selection of appropriate multiple assessment measures and the professional development provided regarding the use of assessment results to improve instruction.

Teachers are encouraged to make their assessment decisions within the inquiry teacher teams. These decisions are done in a collaborative setting so that multiple views can be considered after identifying issues within the student achievement results.

4c. "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes¹. To be eligible for the flexibility consolidation of Federal funds enables, a Schoolwide Program school must identify in its Schoolwide plan (SCEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated². **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for FY '15 school allocation amounts.) Section 9: Parent Involvement Policy (PIP) and School Parent Compact (SPC)

(Required for All Title I Schools)

Parent Involvement Policy (PIP) Template

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in the school. **[School name]**, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of the school community. **[School name]** will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

The school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. The school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to the school to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in the school's Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing

technical support and ongoing professional development, especially in developing leadership skills;

- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;
- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

The school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand

School-Parent Compact (SPC) Template

[School name], in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved

academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

I. School Responsibilities

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting prior to December 1st of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful

environment for parents and guardians;

- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering will all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

II. Parent/Guardian Responsibilities:

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;

- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

SUBMISSION FORM
2013-14 to 2014-15 SCHOOL YEARS

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This is a two-year plan on how schools will support ELLs' linguistic and academic needs. This LAP form is a part of the school's CEP. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, hold your cursor over the [i](#).

After reviewing and analyzing the assessment data, answer the following:

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How will this data help inform your school's instructional plan? Please provide any quantitative data available to support your response.
To assess early literacy skills of ELL students, our school uses the Language! placement exam. Students are administered this exam at the beginning of each year to determine their reading level. The placement exam is designed to determine where to begin instruction within the Language! program.

2. What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
No Data Available 11/1/13
3. How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions? How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAQ tool](#))
No Data Available 11/1/13
4. For each program, answer the following:
 - a. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
 - b. Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
 - c. What is the school learning about ELLs from the Periodic Assessments? How is the native language used?**No data available.**
5. Describe how your school uses data to guide instruction for ELLs within the Response to Intervention (RtI) framework (for grades K-5). (see [RtI Guide for Teachers of ELLs](#).)
Applies to K-5
6. How do you make sure that a child’s second language development is considered in instructional decisions?
N/A
7. For dual language programs, answer the following:
 - a. How are the English-proficient students (EPs) assessed in the second (target) language?
 - b. What is the level of language proficiency in the second (target) language for EPs?
 - c. How are EPs performing on State and City Assessments?**N/A**
8. Describe how you evaluate the success of your programs for ELLs (e.g. meeting AYP for ELLs, etc.).

To evaluate the success of the ESL program, our school examines the instructional model and student data. Throughe out the year, we examine student progress on exams, class grades, credits and attendance. We look for trends amongst varoius populations of students, including the lowest third, ELL's, and Special Eudcation students. Additionally, teachers evaluate if students are placing out of ESL or graduating from high school. Teachers, administrators, grade level inquiry teams and the school wide Inquiry Team constantly review school programs and student progress to determine the success of our programs.

Part IV: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. (Refer to [ELL Policy Brief](#) and [EPIC](#).)

The pedagogue responsible for conducting the initial identification of those students who may be eligible for English Second Language (ESL) services is the certified ESL teacher. For initial screening of possible ELL's, the ESL teacher examines the Home Language Identification Survey. The HLIS is offered to students upon their entrance into the school system and is collected with their disposition papers. The HLIS is available in Spanish and other DOE supported languages. Students identified as possible ELL's are given the Language Battery Assessment (LAB-R) within the first ten days of school. Prior to returning the LAB-R, tests are scored to ensure that any student eligible for services is correctly programmed. In the event that the certified ESL teacher is unable to administer and evaluate the HLIS or LAB-R, the testing coordinator will assume responsibility. 1b.)WATCH provides a Spanish LAB-R and a translator to administer the exam as needed.
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.

When a student is admitted to the NYC school system, parents are actively involved in the decision making process. This multi-step process ensures the identification, the appropriate placement and educational services for every child in the New York City

educational system.

Parents are given a HLIS to identify the home language of each child. If the child is identified as an eligible candidate for ELL instructional services, an informal interview is given to the candidate by a pedagogical staff member and the LAB-R is administered to identify the child as either an ELL or English Proficient. An entitlement letter is provided to parents to inform them about the child's identification and the child is enrolled in the appropriate program within ten days.

In order to enable parents to make sound educational decisions as to which program best meets the needs of their child, parents participate in several activities before they make a decision. Parents participate in an orientation that describes various programs for ELLs. At this time, parents view a parent information CD where program placement options are presented with clarity and objectivity. The parent orientation CD is available in multiple languages. Parent brochures are distributed in their native language to assure understanding of each available program. World Academy for Total Community Health ("WATCH") is proud to offer a Small Group ESL Instructional program to conform to the parental choice selections.

3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned, and secured/stored. (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [\[see tool kit\]](#).)

Each ELL parent/guardian whose student was in the ESL program the prior year receives an entitlement letter at the beginning of the school year. Letters are mailed directly to the students' home of record in the appropriate home language. For students new to the New York City school system, the entitlement letter is mailed to the home based on the results of the LAB-R; for existing students the letters are mailed to the home based on results of the NYSESLAT exam that indicates continued entitlement. WATCH does not offer TBE or DL support. Should a parent request such options, they are referred to the DOE placement office where the student can be assigned and appropriately linked to those services.

In the event that Parent Survey's or Program selection forms are not returned, school personal reach out to parents. The primary individuals responsible for reaching out to parents are the ESL teacher, school social worker and guidance counselor.

4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language. Students are placed in the ESL instructional program based on the scores from the LAB-R or NYSESLAT examinations. The scores indicate the level of proficiency: Beginner, Intermediate or Advanced ESL. If possible, consultations and communications with parents are handled by bilingual personal employed at the school. In the event that no school personal is able to translate, translators are sought through the New York City Department of Education.

FDNY High School offers ELL students a free-standing ESL instructional model. Our school does not offer Bilingual Education; based on the data analysis since 2007, it is not needed for our population of students. If, in the future, we find that Bilingual Education is necessary, the school will develop a functioning program to accommodate the need. We are building alignment between parent choice and program offerings through regular communication with our ELL students' parents. The ELL teacher communicates frequently with the families of her students making them aware of their academic and state assessment progress; programs will be adjusted based on student need and parent involvement. Entitlement and Placement letters are both mailed home and submitted to the parents during conferences. Entitlement and Placement letters are maintained in a cumulative file in a locked cabinet.

5. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.
The Parent Surverys and Selection forms for the past few years are currently unavailable.
6. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.) Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. 
This information is currently unavailablequestions

Part V: ELL Programming

A. Programming and Scheduling Information

1. How is instruction delivered? (see [*The Practitioners' Work Group for Accelerating English Language Learner Student Achievement: Nine Common Features of Successful Programs for ELLs*](#))
 - a. What are the organizational models (e.g., departmentalized, push-in [co-teaching], pull-out, collaborative, self-contained)?
 - b. What are the program models (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogeneous [proficiency level is the same in one class])?
 1. a. FDNY High School implements a Small Group ELL Instructional Program/Freestanding ESL from 9th -12th grade. Students are organized by proficiency level (beginner, intermediate, advanced) and receive ESL services in a pull-out class. The primary goal of our ELL program is to foster full English Proficiency in a supportive risk-free classroom environment as well as to: Expand literacy and academic language and provide students with skills that will allow them to perform at city and state grade level in all subject areas
 - b. The ESL program at FDNY High School provides courses that meet the state requirements for ESL programs. Students are grouped for their ESL classes homogeneously according to their proficiency levels as indicated on either the LAB-R or NYSESLAT examination.
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?

Free-standing ESL programs are offered in a Block Schedule. Beginner ELL's receive 540 minutes a week, intermediate ELLs receive 360 minutes of service a week and Advanced ELLs Receive 180 minutes per week. Students are grouped in homogenous classes based on proficiency levels. Students are graded individually based on New York State Standards in conjunction with a teacher designed grading scale.

a. The goal of our ESL program is to foster full English proficiency in a supportive risk-free environment. Both the English Language Arts ("ELA") and ESL Teachers that work with ELL students are fully certified. In order to help students progress, we use the following practices:

•Collaborative Planning and/or Conferencing with Content Area Teachers

- Utilization of different strategies: Scaffolding, Modeling, Schema Building, Contextualization, Text Representation and Meta cognition.
- Assisting students during work periods, conferencing with students in and out of class and informal assessments
- Communication and collaboration with parents
- Creating goals for students in which they monitor their progress in each of their courses

3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to foster language development and meet the demands of the Common Core Learning Standards.

FDNY High School has a Freestanding ESL Program. Services are delivered in English from a bilingual teacher. Supplemental materials for the ESL program include Language!, a comprehensive literacy program by Soporis West and EDGE. Both Language!, and EDGE include instructional resources and elements that apply specifically to ELLs and inherently prepares ELLs to meet the Common Core Learning Standards.

Aside from English language instruction, students receiving ESL services are able to receive support in all content areas during their ESL services. The teacher is able to work with students on challenges arising in social studies, math and science during their mandated instructional hours.

4. How do you ensure that ELLs are appropriately evaluated in their native languages throughout the year?

Paste response to question here:

5. How do you ensure that ELLs are appropriately evaluated in all four modalities of English acquisition throughout the year?
ESL students are given a baseline assessment in all four modalities at the beginning of the year. Their progress is monitored through formal and informal assessments throughout the year, culminating in the NYSELAT. All data and assessments are compared.

6. How do you differentiate instruction for ELL subgroups?

- a. Describe your instructional plan for SIFE.
- b. Describe your plan for ELLs who have been in US schools less than three years (newcomers)..
- c. Describe your plan for ELLs receiving service 4 to 6 years.
- d. Describe your plan for long-term ELLs (completed 6+ years).
- e. Describe your plan for former ELLs (in years 1 and 2 after testing proficient).

a. Students with Interrupted Formal Education (“SIFE”) are placed into ESL programs in accordance with most recent LAB-R results or NYSESLAT Results. In addition to ESL, students have access to support services that help transition into high school (i.e. Academic Intervention Services or Counseling).

b. Beginner ELLs receive 540 minutes of ESL services per week. Beginner ELLs (1-3 years) are provided three 90 minute ESL classes per day. Beginner ELLs are taught in small self-contained classes, homogenously grouped according to proficiency level. Instruction for Beginner ELLs is aligned with Common Core ELA Standards and New York State ESL Standards. Students are provided instruction in reading, speaking and writing from the certified ESL teacher. To incorporate the Common Core State Standards for ELA content, the ESL teacher meets with ELA teachers in a Professional Learning Community and for common planning three days a week.

c. Intermediate ELLs (4-6 years) receive 360 minutes of ESL instruction per week. Students are placed in 90 minute block classes that meet daily in a self-contained setting. Students are programmed for small group instruction and are placed in homogenous groupings based on proficiency level. Instruction for ELLs is aligned with Common Core ELA Standards and New York State ESL Standards.

d. Long Term ELLs (6+ years) receive 180 minutes of ESL services per week. Students are programmed for 1 45 minute class each day. Instruction is delivered in a small group from a certified ESL teacher. Students are placed into homogenous groups based on proficiency level.

e. Students who have placed out of ESL as per their NYSESLAT results are integrated into general education classes. Students have access to support from the ESL teacher or other school personal as needed.

7. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?

ELL students who are also identified as having special needs receive services from a special education teacher through Collaborative Taught and in Pull-out classes. Special educators work closely with the ESL teacher to ensure that the needs of ELL

students with special needs continue to be met.

8. How does your school use curricular, instructional, and scheduling flexibility to enable diverse ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment?

ELLs with IEPs are schedule the same as every other mandated ESI students in an all-inclusive classroom. The ESI teacher works closely with the Special Education department to ensure that ELLs with IEPs are able to achieve their IEP goals.

12. What programs/services for ELLs will be discontinued and why?
No programs will be discontinued at this time.
13. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
Students receiving ESL services are afforded equal access to all school programs. Students receiving ESL are mandated to attend AIS after school. Students also are provided equal access to all elective courses. Additionally, students are additionally encouraged to participate in school extracurricular activities, including sports teams and clubs. Former ELL's are provided with accommodations per parental and principal requests.
14. What instructional materials, including technology, are used to support ELLs (include content area as well as language materials; list ELL subgroups if necessary)?
Students receiving ESL services uses a literacy program called Language! and EDGE. Language! is a comprehensive literacy program by Sopris West. The program focuses on phonemic awareness, morphology, reading comprehension, spelling, grammar and writing skills. In addition, computers are available in the ESL classroom for students use. Laptop carts and Smartboards are also available for classroom use.
15. How is native language support delivered in each program model (TBE, Dual Language, and ESL)?
Paste response to question here:
16. Explain how the required services support, and resources correspond to ELLs' ages and grade levels.
All mandated services meet the emotional, social, academic-grade and age level- needs of all ELL students.
17. Describe activities in your school that assist newly enrolled ELL students before the beginning of the school year. Please include activities for new ELLs who enroll throughout the school year.
Newly enrolled ELL students have the opportunity to receive support during school in AIS. Students may attend AIS Tuesday through Thursday during lunch. AIS instruction is delivered in small group and focuses on Regents Prep or any other academic needs of students in attendance. 13b.) ELL students are provided with access to online sites and academic support from ESL teacher.
18. What language electives are offered to ELLs?
Spanish is offered as an elective for all students at our high school. Spanish instruction is offered for levels 1-6. Instruction is provided by a native Spanish speaker who is also fluent in English.
19. For schools with dual language programs:
- How much time (%) is the target language used for EPs and ELLs in each grade?
 - How much of the instructional day are EPs and ELLs integrated? What content areas are taught separately?
 - How is language separated for instruction (time, subject, teacher, theme)?
 - What Dual Language model is used (side-by-side, self-contained, other)?
 - Is emergent literacy taught in child's native language first (sequential), or are both languages taught at the same time (simultaneous)?

C. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Please include all teachers of ELLs.)
2. What professional development is offered to teachers of ELLs (including ESL and bilingual teachers) in supporting ELLs as they engage in the Common Core Learning Standards?
3. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
4. Describe the minimum 7.5 hours of ELL training (10 hours for special education teachers) for all staff (including non-ELL teachers) as per Jose P.

1. The ESL provider is able to attend professional development workshops offered by the New York City Department of Education as well as our school's partner organization, New Visions. In addition outside professional development, school based professional development is offered to teachers twice a month (2:19 p.m.- 3:11 p.m.). Administrators, teachers, and support personnel deliver professional development on various topics. All FDNY staff members receive PD during faculty conferences on site and specific domain of teaching off site as well.

2. ELL students transitioning from middle to high school receive instruction in small pull-out classes at FDNY High School. The small setting increases the instructional intensity offered to incoming ELL students. Additionally, FDNY is a small school with an extremely supportive staff. ELL students receive on-going support from the ESL provider outside of regular class time as needed. Students (and parents) also have access to language support from bilingual personnel including a bilingual school aide(and foreign language teacher.

3. The pedagogue responsible for ESL services provides an annual Professional Development intended to inform staff of the needs and progress of ELL students. The ESL service provider also is apart of Professional Learning Communities (English Department) and Grade Level Inquiry Teams. Records are maintained in a locked file and updated as required per DOE request.

Additionally, the ESL teacher works very closely with the Special Education Department. The Special Education Department has delivered various Professional Developments for staff members in conjunction with the ESL teacher. Content of the workshops focused on differentiating instruction for diverse groups of learners

D. Parental Involvement

1. Describe ELL parent involvement in your school. Include specific activities that foster parental involvement for parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
 1. Upon entrance into the school system, ELL Parents are given the HLIS. If students are eligible for ESL services, parents are informed of instructional models for ESL. Parents of students already receiving ESL instruction are contacted by the school establish communication and describe what services will continue to be delivered.

Twice a year, FDNY hosts a parent-teacher night. Parents are able to conference with teachers and administrators during this time. Invitations for conferences are available for parents in native language. Bilingual staff members are additionally available to translate at parent teacher conferences. Additionally, all parents are also invited to attend school PTA meetings.

To provide full disclosure of student performance, FDNY uses a program called Datacation. Parents, teachers and students have access to information on Datacation. Teachers post attendance, grades, assignments and anecdotal accounts that are available to parents and students alike. FDNY High School provides training on this program to parents and students. Bilingual staff members are available to translate and communicate information to parents.

Throughout the school year, teachers maintain continual communication with parents to ensure that students' needs are met. Bilingual staff members are available for translations at both informal parent/teacher meetings and IEP meetings for students who are receiving additional services in Special Education. Parents of ELLs are given invitations to workshops. Parents are invited to join the school leadership team and participate in the Mock Quality Reviews.
 2. FDNY High School is partnered with New Visions. New Visions provides professional development for teachers and consultative services. FDNY is additionally partnered with Brownsville Family Services. As apart of this relationship, students are encouraged to explore internships and career opportunities in the medical profession. Students have access to health services from a clinic within the school building. Finally, FDNY is partnered with the STAR program which provides academic and social support to at-risk. Parents of ELL students are invited to take part in any supportive services provided by these organizations.
 3. The needs of ELL parents are evaluated through the School Survey and the Home Language Instruction Survey. Additionally, the school's guidance counselor, social worker, teachers and service providers maintain continual communication with parents to ensure their needs are being met. Bilingual staff members are available to provide translations as necessary. If translation needs cannot be met within the school, outside services are sought such as Language Line.
 4. Parents are given ample opportunities to communicate with teachers, administrators, related service providers and support staff through various outreach programs at our school. Parents are invited to Parent Teacher Conferences each semester. In addition, parents are invited to express their concerns and needs at PTA meetings. Parents are a part of both the PTA and School Leadership Team. Additionally, school personnel including teachers, grade advisors, the school guidance counselor, and school social worker maintain consistent communication with parents of ELL students.

LANGUAGE TRANSLATION AND INTERPRETATION 2013-2014 TO 2014-2015

Requirement under Chancellor's Regulations – for all schools

DBN: 19K503 School Name: FDNY High School

Cluster: 5 Network: New Visions

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

Data used to determine which parents need translation services is taken from multiple sources, primarily the Parent Survey Form. The ESL teacher also has students fill out information cards within 30 days of the beginning of the school year or within the first week of newly arrived students throughout the year. This information card asks students whether their parent or guardian speaks English, who the best contact person is at the home, and if their parent or guardian needs translation or interpretation services. In addition, staff and teachers frequently, and actively engage students in conversation about their home life and parents/guardians in order to keep abreast of any changes to parent/guardian language needs.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

Approximately 20% of our parents do not speak or read in English. The majority language spoken among parents is Spanish. Following that is French. Because the ELL population is relatively low at FDNY High School, the ESL teacher is able to alert teachers as to students whose parent or guardian speaks a language other than English at home and are in need of translation services. In addition, this information is kept on the students emergency information card, updated in ATS, and in Skedula noting the language spoken by the parents if it is exclusive.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

All documents that need to be translated are done so when any documents are sent to parents. All documents are translated in-house by various school staff.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Oral interpretation service will be provided in house by school staff. There are numerous staff members that are capable of translating/interpreting in Spanish as well as staff member who are able to serve as translators/interpreters in French. These staff member are made available when necessary to function as interpreters/translators whenever the need arises.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link: <http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

When a parent does not speak or read in English they are provided with a translated copy of Bill of Parent Rights and Responsibilities in their home language. Signage that requires it is translation in French and Spanish and posted in the main office.
