Comprehensive Education Plan (CEP) Requirements

Which Schools Need to Complete the CEP?

All Reward, Recognition, In Good Standing and Local Assistance Plan (LAP) schools should identify and submit annual goals and action plans in consultation with their School Leadership Team (SLT).

- Explicitly delineate the school's plan for annually increasing student performance through comprehensive instructional programs and services as well as the plan for enhancement of teacher and leader effectiveness.
- Address how the school will use its full range of resources (which may include but is not limited to Title I, Title II, and/or Title III, 1003(a) and/or 1003(g) School Improvement, Race to the Top, School Innovation or local funds) to support improvement efforts for the identified sub-group(s) on the identified accountability measures.
- Develop the CEP in consultation with parents, school staff, the School Leadership Team (SLT), and others in accordance with the requirements of Chancellor's Regulations A-655 to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the CEP before it is approved.
- Align the identified goals to the strategies and activities in your Parent Involvement Policy (PIP). The PIP template is provided on pages 12 and 13. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP so they directly align to the parent involvement activities that support each goal and action plan. All schools should cite strategies to increase parent involvement that align to the goal when applicable. Title I schools should reference these strategies and activities in the school's Title I Parent Involvement Policy (PIP).

Guidance for Developing Completing the Annual Goals and Action Plan Section

Goal setting for the CEP is done in collaboration with the school community to support student achievement and the implementation of school-wide goals as well as document how your school is meeting Federal, State, and City regulations. For SY 2014-14 when developing their goals, schools should do the following:

- Identify a minimum of three and a maximum of five annual goals.
- Align their goals with the current citywide instructional expectations.
- Develop goals that are "SMART" - specific, measurable, achievable, realistic, and time-bound.
- Conduct a needs assessment of your school
- Use quantitative and/or qualitative data in providing the rationale for each goal.
- Cite sources that contributed to the rationale such as the Progress Report, Quality Review, School Survey, state and school assessment results, attendance records, inquiry team work, etc. to form the basis of your needs assessment.
- Cite the strategies and activities within each goal and action plan requires your school to in your Parent Involvement Policy (PIP) that will be implemented to achieve the goal identified. The PIP template is provided on pages 12 and 13. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to respond to the parental involvement section of each goal and action plan.
- Enumerate the strategies and activities that will be implemented to achieve each goal.
- Identify all fund sources that will be used for the completion of each activity.
- List the projected timeline for completion of each activity, including the start and end date of each activity.
- Describe the programmatic details and resources that will be used for each instructional strategy and activity described for each goal. Do not include the cost for each line-item-expenditure for the strategies and activities listed within the action plans.

**Directions and Guidance for Developing and Updating the
Parent Involvement Policy (PIP) (Required for Title I Schools ONLY)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template below to update your school's current policy or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. The activities and/or strategies included in your school's policy should align with current CEP goals for improving student achievement.

The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if your school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in your policy.

Parent Involvement Policy (PIP)

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in our school. Therefore, our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between our school and the families. Our school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of our school community. Our school will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community;

Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, our school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to schools to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in our Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, Progress Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;
- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

Our school will further encourage school-level parental involvement by:

After reviewing and analyzing the assessment data, answer the following:

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How will this data help inform your school's instructional plan? Please provide any quantitative data available to support your response.
We do not have ELLs at this time. Would use TCRWP.
- What is revealed by the data patterns across proficiency levels (on the NYSITELL and NYSESLAT) and grades?
n/a

3. How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions? How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAOC tool](#))
n/a
4. For each program, answer the following:
 - a. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
 - b. Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
 - c. What is the school learning about ELLs from the Periodic Assessments? How is the native language used?

Part IV: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of ELLs. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the NYSITELL (if necessary), and the formal initial assessment. (Refer to [ELL Policy Brief](#) and [EPIC](#).)
The principal conducts the initial assessment using the Home Language Identification Survey. If further assessment is needed, the network and ELL office will be approached to provide an ELL teacher for recommendation. Our school is a new school, serving pre-k and k with no ELL students as of yet.
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
After HLIS is conducted, principal will contact the Network and ELL office to provide information about the three alternatives.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned, and secured/stored. (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [[see tool kit](#)].)
Principal will distribute and store in locked record room.
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.

After reviewing and analyzing the assessment data, answer the following:

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How will this data help inform your school's instructional plan? Please provide any quantitative data available to support your response.
We do not have ELLs at this time. Would use TCRWP.
- What is revealed by the data patterns across proficiency levels (on the NYSITELL and NYSESLAT) and grades?
n/a

3. How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions? How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAOC tool](#))
n/a
4. For each program, answer the following:
 - a. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
 - b. Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
 - c. What is the school learning about ELLs from the Periodic Assessments? How is the native language used?

Part IV: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the NYSITELL (if necessary), and the formal initial assessment. (Refer to [ELL Policy Brief](#) and [EPIC](#).)
The principal conducts the initial assessment using the Home Language Identification Survey. If further assessment is needed, the network and ELL office will be approached to provide an ELL teacher for recommendation. Our school is a new school, serving pre-k and k with no ELL students as of yet.
2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.
After HLIS is conducted, principal will contact the Network and ELL office to provide information about the three alternatives.
3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned, and secured/stored. (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [[see tool kit](#)].)
Principal will distribute and store in locked record room.
4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.
Principal will seek guidance from network and ELL office.
5. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.
n/a
6. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.) Are the program models offered at your school aligned with parent requests? If no,

why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. [①](#)
n/a -- new school, no ELLs
