

Title III Supplemental Program for ELLs for the 2014-15 and 2015-16 SY

Directions: Title III supplemental services for ELLs must include all of the following three components:

- **Direct instruction:** activities must be used to support language development, English and native language instruction, high academic achievement in math, and/or other core academic areas.
 - The Title III supplemental instructional services must be based on student need
 - These supplemental services should complement core bilingual and ESL services required under CR Part 154.
 - Direct supplemental services should be provided for before school, after school, and Saturday programs.
 - Teachers providing the services must be certified bilingual education and/or ESL teachers.
- **High quality professional development** that is “of sufficient intensity and duration to have a positive and lasting impact on the teachers’ performance in classrooms.”
 - Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement** and supports must ensure that there are appropriate translation and interpretation services to meet community needs.
 - These are in addition to mandated activities, such as parent orientation during ELL identification process.

NOTE: The Title III program planning ratio is as follows: 60% direct to instruction, 10% to parental involvement, 10% to professional development, and 20% to OTPS.

For more information on Title III requirements, please see the School Allocation Memo or contact your [Senior ELL Compliance and Performance Specialist](#). Submit this form to your Senior ELL Compliance and Performance Specialist by October 31, 2014.

Begin description here:

The overriding goal of our after school ESL program at IS 10Q, is to implement WSL techniques to develop conceptual skills. The focus is to teach and challenge students at high levels of thinking with the purpose of embedding comprehension skills while they are learning English. The ESL approach will develop skills in understanding the cognitive areas in English, and Mathematics. Content area instruction will be provided in English. The integration of vocabulary acquisition through the implementation of the Preparing For the NYSESLAT model in the lessons, and the use of Mindplay.

Scholarcentric, will be used to scaffold the student's strenghts and targeted learning styles.

Allocating sufficient time for conceptual analysis. Scaffolding techniques consistently employed throughout the program, which include hands-on activities, visual demonstrations, and the use of computer software, play a critical role in developing and learning abstract concepts.

Instructional Materials Used:

Getting Ready for the NYSESLAT

Scholarcentric

Mindplay (for SIFE and level B students)

The students that will be served are all ELLs, ELLs/SWD, in grades 6 to 8

Students will attend Wednesday through Thursday 3:00 pm to 4:30 pm, from November 12th, 2014, through May 28, 2015. The Language of instruction is english, and all teachers are certified ELA/Math 7-12, and one ESL certified teacher.

Part C: Professional Development

Describe the school's professional development program for Title III Program teachers as well as other staff responsible for delivery of instruction and services to ELLs.

- rationale
- teachers to receive training
- schedule and duration
- topics to be covered
- name of provider

Part C: Professional Development

Begin description here:

Contractual professional development sessions will be used for ESL staff development.

PD topics are: Mind play and Scholarcentric, training for implementation of program, ESL lesson planning and differentiation, ESL classroom management skills, selecting ESL teaching materials, multicultural awareness, NYSESLAT format, content based applications, listening/speaking strategies.

All teachers serving ELLs will continue to attend ongoing school based & network workshops.

Subject area teachers, Asst. Principals, and guardian counselors will receive ELL training via the network, and during our 2 scheduled professional development days.

A multisession SWD/ESL Clinic will be scheduled for teachers of SWD students with ELL classification, to be spread out through this academic year, and will take place during the school day. Teacher's trained will be covered in order to attend training. Training will be provided by ELL Network specialist.

All newly appointed teachers serving ELLs will be provided with a mentor teacher to assist them in planning, delivery of instruction & assessment. Their mentoring will be tracked via the already existing mentoring system.

New teachers will continue to be provided with the mandated 7 ½ hours of ESL training. Conversation with the Network will determined if the training will be conducted in-house or outsourced.

PD is provided by the CFN 208, Cite PD specialists, and our ELL teacher Ms. I. Zucker. The P.D. comprises of a 3 hr. 3 session P.D. on academic rich language and DOK for ELLs. This is separate from the ELL clinic.

Agendas, materials, sign sheets, and feedback forms are stored by the ELL Asst. Principal.

Part D: Parental Engagement Activities

Describe the parent engagement activities targeted toward parents of ELLs that will impact higher achievement for ELLs. NOTE: These are in addition to mandated activities, such as parent orientation during ELL identification process.

- rationale
- schedule and duration
- topics to be covered
- name of provider
- how parents will be notified of these activities

Begin description here:

Parent orientations are conducted for parents of newly enrolled ELL's to provide them with information about available programs. Parents are able to ask questions regarding ELL services. Informational materials are available in a variety of languages.

A monthly open house is conducted on the second Tuesday of every month for the whole year. Open houses are conducted by our Parent coordinator, and ELL supervisor, Mr. A. Centola.

A parent conference is conducted each Fall and then again in the Spring before Parent-Teacher Conferences to orient ELL parents on program requirements, instructional standards, assessments to be implemented and school expectations. ELL parents are encouraged to meet with teachers regarding their child's performance at least twice a year. Translators are provided both in-house, and Via the DOE

Part D: Parental Engagement Activities

translation unit.

An ELL parent conference is given in the Spring prior to testing, in order to review strategies that would assist students in standardized tests. Open houses take place the second Tuesday of every month where ELL parents are encouraged to attend and visit the school. Their needs are evaluated via interview, parents' survey, and PA meetings.

Citizenship classes, and information on Citizenship requirements, continues to grow and is conducted in cooperation with Good Will Industries, to assist with the integration of new ELL Parents into the community.

Our CBO, Goodwill Industries, continues to provide adult ELL classes for parents. All notifications are back packed home, advertised on our Website in several languages, and announced via telephone through our automated School Messenger.

School Leadership Team (SLT) Signature Page

Use this page to identify SLT members and confirm their participation in the development of this Comprehensive Educational Plan (CEP), which includes goals and action plans, a summary of Academic Intervention Services (AIS), and the Parent Involvement Policy (PIP). The signatures of SLT members indicate their participation in the development of the CEP and serve as confirmation that consultation has occurred to align funding in support of educational programs. The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with the Chancellor’s Regulation A-655, available on the NYC DOE Web site.

Directions:

1. List each SLT member in the left-hand column on the chart below. Specify any position held by the team member, e.g., Chairperson, SLT Secretary and the constituent group represented, e.g., parent, staff, student, or CBO. Core mandatory SLT members are indicated by an asterisk*.
2. Ensure that SLT members review this document and sign in the right-hand column in blue ink. If an SLT member does not wish to sign this plan, he/she may attach a written explanation in lieu of his/her signature**.
3. Add rows as needed to ensure that all SLT members are listed.
4. The original copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.
5. Names of SLT members must be added to this form for posting. The signed original document must be maintained on file at the school.

Comprehensive Education Plan (CEP) Requirements

Which Schools Need to Complete the CEP?

All Reward, Recognition, In Good Standing and Local Assistance Plan (LAP) schools should identify and submit annual goals and action plans in consultation with their School Leadership Team (SLT).

- Explicitly delineate the school's plan for annually increasing student performance through comprehensive instructional programs and services as well as the plan for enhancement of teacher and leader effectiveness.
- Address how the school will use its full range of resources (which may include but is not limited to Title I, Title II, and/or Title III, 1003(a) and/or 1003(g) School Improvement, Race to the Top, School Innovation or local funds) to support improvement efforts for the identified sub-group(s) on the identified accountability measures.
- Develop the CEP in consultation with parents, school staff, the School Leadership Team (SLT), and others in accordance with the requirements of Chancellor's Regulations A-655 to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the CEP before it is approved.
- Align the identified goals to the strategies and activities in your Parent Involvement Policy (PIP). The PIP template is provided on pages 12 and 13. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP so they directly align to the parent involvement activities that support each goal and action plan. All schools should cite strategies to increase parent involvement that align to the goal when applicable. Title I schools should reference these strategies and activities in the school's Title I Parent Involvement Policy (PIP).

Guidance for Developing Completing the Annual Goals and Action Plan Section

Goal setting for the CEP is done in collaboration with the school community to support student achievement and the implementation of school-wide goals as well as document how your school is meeting Federal, State, and City regulations. For SY 2013-14 when developing their goals, schools should do the following:

- Identify a minimum of three and a maximum of five annual goals.
- Align their goals with the current citywide instructional expectations.
- Develop goals that are "SMART" - specific, measurable, achievable, realistic, and time-bound.
- Conduct a needs assessment of your school
- Use quantitative and/or qualitative data in providing the rationale for each goal.
- Cite sources that contributed to the rationale such as the Progress Report, Quality Review, School Survey, state and school assessment results, attendance records, inquiry team work, etc. to form the basis of your needs assessment.
- Cite the strategies and activities within each goal and action plan requires your school to in your Parent Involvement Policy (PIP) that will be implemented to achieve the goal identified. The PIP template is provided on pages 12 and 13. Your school is encouraged to use the template as it is provided, or align it in accordance with your school's goals, or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. You may use or amend relevant sections of your PIP directly to respond to the parental involvement section of each goal and action plan.
- Enumerate the strategies and activities that will be implemented to achieve each goal.
- Identify all fund sources that will be used for the completion of each activity.
- List the projected timeline for completion of each activity, including the start and end date of each activity.
- Describe the programmatic details and resources that will be used for each instructional strategy and activity described for each goal. Do not include the cost for each line-item-expenditure for the strategies and activities listed within the action plans.

School Receiving Title I Funds

School Wide Program (SWP) and Targeted Assistance (TA) Schools receiving Title I funds are required to complete the Title I Information Page located on page 11 of the CEP.

Goal and Action Plan #1

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #1

Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

SCI – Grade 8th School-Wide: By June 2015, We expect to see 5% (Approx: total 51 students) of 8th graders moving from a Level 1 to a Level 2, and a Level 2 to a Level 3 (Approx: total 71 students). By June 2015, We expect to see a 5% (Approx: total students 151 Students), increase in students moving from a Level 3 to a Level 4 on the state SCI exam.

Comprehensive Needs Assessment

Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students, in relation to State academic content and student achievement standards.

Prof. Level	Level 1					Level 2					Level 3/4				
	2011	2012	2013	2014	2015 Goal	2011	2012	2013	2014	2015 Goal	2011	2012	2013	2014	2015 Goal
Gr.8	Met AYP	Met AYP	5%	10.6%	5% Dec	Met AYP	Met AYP	44.5%	34.9%	5% Inc	Met AYP	Met AYP	50.2%	54.5%	5% Inc

- Data from NYSED/L2RPT/IRS
- According to the performance trends evident on our Annual Report, our overall student performance has decreased in all subgroups in SCI from 2013 to 2014
- This is a trend reflective of, a state wide decrease, on all students' performance in the area of SCI.

8th Grade:

In 2014, 10.6% of **8th Graders** scored a Level 1 (34 Students), while in 2013, 5% scored at Level 1, approx. 15 students, an increase of 5.6%. We plan to reduce our level 1 students by 5% (Approx:20 students) or better for the 2015 school year.

In 2014, 34.9% of **8th Graders** scored a Level 2 (113 students). In 2013, 44.5% scored a Level 2 (132 students); the number of Level 2 students, decreased 10.4% (19 students). Although the number of level 2 students decreased, we plan to decrease by 5% this coming year (Approx: 10 students).

Level 3's and 4's in the **8th Grade** increased from 50.2% in 2013 (148 Students), to 54.5% in 2014 (176 students). We expect to see an increase in this area by 5% or better in the 2015 school year (Approx: 20 students).

Students With Disabilities made AYP.
All other subgroups did not make AYP
We are currently a school in good standing.

We intend to continually monitor the progress of the student groups, by analyzing data from Datacatation, periodic assessments, pre and post assessments, Inquiry Team work, NYC performance Exams, and the School Quality Guide, and offer additional support to targeted specific student subgroups.

Additional instructional support in grade six and grade seven SCI., remains a top priority for all of our students. Aside from the aforementioned quantitative data, the following qualitative data will be used to monitor and address SCI needs:

Formal and informal observations, portfolios, rubrics, writing samples, class work, homework, and projects will also be utilized for student progress.

Instructional Strategies/Activities

Describe the research-based school wide reform instructional strategies and activities that will be used to achieve the goal in part A. Enumerate each strategy/activity and its corresponding subsection in parts B, C, D, and E. For each strategy/activity identified in part A, a corresponding item must be provided in parts B, C, D, and E.

A. Strategies/activities that encompass the needs of identified subgroups

1. Students will be programmed into SCI classes and periods of instruction will be increased from four periods to six.
2. Professional development Mondays, will be used to have all grades practice and learn the mechanics of the administration of the practical component of the NYS SCI exam, in order to begin instruction for this piece as early as six grade.
3. Influx, during spring, for targeted classes, will take place for SCI in the AIS program.
4. After-school SCI and test sophistication program.
5. Students' progress reviewed every four to five weeks. Instructional teams prepare and revise Tasks aligned to the NYS exam in SCI, and make adjustments as needed with the assistance of our Assistant Principal in charge of the department.

B. Key personnel and other resources used to implement each strategy/activity

1. Principal
2. Teacher Professional Learning Teams
3. SCI and AIS teachers
4. Principal, and SCI Department Chairperson
5. Data Specialist, Assistant Principal, and Inquiry Teams

C. Identify targets to evaluate the progress, effectiveness, and impact of each strategy/activity

1. Provide weekly meeting time for teacher teams
2. Teacher teams meet with Inquiry team bi-weekly to analyze department data (by grade, class, gender, status)
3. Monthly department meetings with department heads and AIS teachers
4. January 2015, We expect to see a 2.5% increase in students moving from a Level 3 to a Level 4 as measured using a 8th grade Science mid-term assessment patterned after the NYS exam
5. By May 2015, we expect to see a 5% increase as shown in the Table on the NYS exam in Science.

D. Timeline for implementation and completion including start and end dates

1. September 2014 to June 2015
2. November 2014 to March 2015
3. September 2014 to June 2015
4. Wednesdays & Thursdays: 2:20 pm to 3:15 pm, December 2014 to May 2015.
5. January to June 2014

E. Describe programmatic details and resources that will be used to support each instructional strategy/activity

1. We will fund these programs with our Title I, NYSTL Software, and Fair Student Funding, so that our students have greater access and various times to practice Science, and our parents have a clearer understanding of the ways in which they can help support the achievement of the goal. Our school carefully monitors the effectiveness, coordination, and integration of all programs. These services supported by our staff, and outside agencies (such as Beacon after school academic program), includes all students in targeted subgroups. All students will be provided with services to expedite their progress towards meeting this annual goal and state assessments.

Strategies to Increase Parental Involvement

All schools should cite strategies to increase parent involvement that aligned to the goal when applicable. Title I schools should reference these activities in your school's Title I Parent

Involvement Policy (PIP).

- Solicit opinions/interest of parents at PA meetings
- Surveys to help in planning, review and improvement of the school's programs
- Provide copies of policy/compact to all parents
- Bi-monthly open houses with workshops on E-chalk, Pupil Path and how to read State exams results
- Workshops on High School and College readiness

Budget and Resource Alignment

Indicate using an "X" the fund source(s) that your school is using to support the instructional goal.

X	Tax Levy		Title IA	X	Title IIA		Title III		Set Aside		Grants
----------	-----------------	--	-----------------	----------	------------------	--	------------------	--	------------------	--	---------------

List any additional fund sources your school is using to support the instructional goal below.

- NYSTL Software Funding, Fair Student Funding, Title I Funding, Contract for Excellence Funding, Tax Levy Funding
- One supervisor per session two days per week
- Four Teachers per session two days per week

Instructional materials are to be used during the regular school day and after school.

Goal and Action Plan #2

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #2

Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

ELA-School wide:

By June 2015, we expect to see 5% of 6th, 7th, and 8th graders moving from a Level 1 to a Level 2 (Approx: 319 students) and a Level 2 to a Level 3 (Approx: 434 students). By June 2015, we expect to see a 5% increase in students moving from a Level 3 to a Level 4 (Approx: 251 students), on the state ELA exam by June 2015.

Comprehensive Needs Assessment

Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students, in relation to State academic content and student achievement standards.

Prof. Level	Level 3/4				
	2011	2012	2013	2014	2015 Goal
All School	47.9%	43.4%	22.7%	23.4%	5% Inc

- Data from NYSED/L2RPT/IRS
- According to the performance trends evident on our Annual Report, our overall student performance has increased from 22.7% (23 students), of students being proficient in ELA in 2013 to 23.4% (24 students) at proficiency in 2014.

These performance trends throughout the grades are mirrored in the school's overall performance trend.

We are currently a school in good standing.

We intend to continually monitor the progress of the ELL and SWD student groups by analyzing data from Datacation, periodic assessments, pre and post assessments, Inquiry Team work, and the School Quality Guide. We will also utilize student IEPs, NYSESLAT, and LAB-R results to monitor and offer additional support to these two specific student subgroups.

Additional instructional support in ELA remains a top priority for all of our students. Many of these same students are receiving additional support by being part of the AIS program. Aside from the aforementioned quantitative data, the following qualitative data will be used to monitor and address ELA needs: Formal and informal observations, portfolios, rubrics, writing samples, class work, homework, and projects will also be utilized for student progress.

Instructional Strategies/Activities

Describe the research-based school wide reform instructional strategies and activities that will be used to achieve the goal in part A. Enumerate each strategy/activity and its corresponding subsection in parts B, C, D, and E. For each strategy/activity identified in part A, a corresponding item must be provided in parts B, C, D, and E.

1. Strategies/activities that encompass the needs of identified subgroups

1. Students will be programmed into ELA in a block schedule format.
2. Students that have not met proficiency will be programmed into AIS classes where we continue to use the NFTE program for College and Career Readiness.
3. Selected students in Grade 6th, based on NYS Levels and teacher's recommendations, will also be programmed into NFTE-a supplement program to our already existing AIS.
4. After-school ELA and test sophistication program will be offered.
5. Students' progress will be reviewed every four to five weeks. Instructional teams prepare and revise Tasks aligned to the CCLS, and make adjustments as needed with the assistance of our Network ELA point person during Monday professional development days.

2. Key personnel and other resources used to implement each strategy/activity

1. Principal
2. Teacher Professional Learning Teams
3. ELA and AIS teachers
4. ELA Assistant Principal
5. Data Specialist and Inquiry Teams

3. Identify targets to evaluate the progress, effectiveness, and impact of each strategy/activity

1. Provide weekly meeting time for teacher teams
2. Teacher teams meet with Inquiry team bi-weekly to analyze department data (by grade, class, gender, status)
3. Monthly department meetings with department heads
4. By January 2015, We expect to see a 2.5% increase in students moving from a Level 3 to a Level 4 as measured using an ELA Science mid-term assessment patterned after the NYS exam
5. By January 2015, We expect to see a 2.5% increase in students moving from a Level 3 to a Level 4 as measured using a 8th grade ELA mid-term assessment patterned after the NYS exam
6. By June 2015, we expect to see a 5% increase as shown in the Table on the NYS exam in ELA

4. Timeline for implementation and completion including start and end dates

5. September 2015 to June 2016
6. September 2014 to June 2015
7. November 2014 to June 2015
8. January 2015 to June 2015
9. November 2014 to June 2015

10. Describe programmatic details and resources that will be used to support each instructional strategy/activity

1. In order to provide our students in all subgroups with additional instructional and student support programs, such as the after school ELL prep courses, Saturday Academy, ESL Ingenuity, NFTE, Direct instruction for SWD students, and Echalk. We will fund these programs with our Title I, Title III, NYSTL Software, and Fair Student Funding, so that our students have greater access to the CCLS and our parents have a clearer understanding of the ways in which they can help support the achievement of the goal. Our school carefully monitors the effectiveness, coordination, and integration of these programs. These services supported by NCLB are coordinated to ensure that there are no duplication of services to ensure equity and access so that all eligible students (including students in targeted subgroups SWDs, ELLs, Homeless, SIFE) are provided with services to expedite their progress towards meeting this annual goal and state assessments.

Strategies to Increase Parental Involvement

All schools should cite strategies to increase parent involvement that aligned to the goal when applicable. Title I schools should reference these activities in your school's Title I Parent Involvement Policy (PIP).

- Solicit opinions/interest of parents at PA meetings
- Surveys to help in planning, review and improvement of the school's programs
- Provide copies of policy/compact to all parents
- Bi-monthly open houses with workshops on ARIS, E-chalk, Pupil Path and how to read State exams results.

- Workshops on High School and College readiness

Borough workshop for parents that have children with IEPs.

Budget and Resource Alignment

Indicate using an "X" the fund source(s) that your school is using to support the instructional goal.

X	Tax Levy	Title IA	X	Title IIA	Title III	Set Aside	Grants
---	----------	----------	---	-----------	-----------	-----------	--------

List any additional fund sources your school is using to support the instructional goal below.

- NYSTL Software Funding, Fair Student Funding, Title I Funding, Contract for Excellence Funding, Tax Levy Funding
- NFTE
- Ingenuity Program
- One supervisor per session three days per week
- Eight eachers per session three days per week

Instructional materials are to be used during the regular school day and after school

Goal and Action Plan #3

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #3

Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

ELL/ELA: By June 2015, we expect to see 5% (Approx: 98 students), of 6th, 7th, and 8th graders moving from a Level 1 to a Level 2 and from a Level 2 to a Level 3 (Approx: 26 students). By June 2015, we expect to see a 5% increase in students moving from a Level 3 to a Level 4 (Approx: 7 students), on the state ELA exam.

Comprehensive Needs Assessment

Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students, in relation to State academic content and student achievement standards.

- It was assessed that the standards of need to be addressed, to increase our Level three and four in ELA (Approx: seven students) are as follow: Grade six – 6.RI.1, 6.RI.2, 6.RI.5, Grade 7 – 7.RI.1, 7.RI.3, 7.RI.4, and 7.RI.5, Grade 8 – 8.RI.2, and 8.RL.6. Our efforts will revolve on addressing these areas identified.

Instructional Strategies/Activities

Describe the research-based school wide reform instructional strategies and activities that will be used to achieve the goal in part A. Enumerate each strategy/activity and its corresponding subsection in parts B, C, D, and E. For each strategy/activity identified in part A, a corresponding item must be provided in parts B, C, D, and E.

1. Strategies/activities that encompass the needs of identified subgroups

1. ELL students will be programmed into ELA in a block schedule format, as well as, receiving their mandated time in ESL classes four to eight times per week as required by their NYSELAT level.
2. Students that have not met proficiency will be programmed into AIS classes.
3. Selected students will also utilize the ESL Ingenuity program during and after school.
4. After-school and Saturday academy ELA and test sophistication program for ELLs only, will begin in January that is skill-specific as determined by data provided by Datacation, and NYSESLAT.
5. Data from former program ESL accelerator, and in house assessment exams will be used to analyze the students' progress every four to five weeks, and make adjustment were necessary

2. Key personnel and other resources used to implement each strategy/activity

1. Principal, Assistant Principal
2. Professional Learning Teams, and ESL Specialist
3. ELA, Special Education , and ESL teachers
4. ESL Department Chairperson, Core teachers, Assistant Principal
5. Data Specialist, Assistant Principal

3. Identify targets to evaluate the progress, effectiveness, and impact of each strategy/activity

1. Provide weekly meeting time for teacher teams
2. Teacher teams meet with Inquiry team bi-weekly to analyze department data (by grade, class, gender, status)
3. Monthly department meetings with department heads
4. After school professional development for ELL parents to better assist the students at home with Language acquisition.
5. By January 2015, We expect to see a 2.5% increase in ELL students moving from a Level 3 to a Level 4 as measured using an mid-term assessment patterned after the NYSESLAT exam

4. Timeline for implementation and completion including start and end dates

5. September 2014 – June 2015
6. October 2014 to June 2015
7. November 2014 to June 2015

- 8. January 2015 to May 2015.
- 9. November 2014 to June 2015

Strategies to Increase Parental Involvement

All schools should cite strategies to increase parent involvement that aligned to the goal when applicable. Title I schools should reference these activities in your school's Title I Parent Involvement Policy (PIP).

In order to provide our ELLs with additional instructional and student support programs, such as the after school test sophistication program, Sound Reading, ESL Ingenuity, and Echalk, we will fund these programs with our Title I, Title III, NYSTL Software, and Fair Student Funding, so that our students have greater access to the CCLS, the NYSESLAT test, and our parents have a clearer understanding of the ways in which they can help support the achievement of the goal. We will carefully monitor the effectiveness, coordination, and integration of these programs. These services supported by NCLB are coordinated to ensure that there are no duplication of services to ensure equity and access so that all ELLs students are provided with services needed to expedite their progress towards meeting this annual goal and state assessments.

Budget and Resource Alignment

Indicate using an "X" the fund source(s) that your school is using to support the instructional goal.

X	Tax Levy	Title IA	Title IIA	X	Title III	Set Aside	Grants
---	----------	----------	-----------	---	-----------	-----------	--------

List any additional fund sources your school is using to support the instructional goal below.

- NYSTL Software Funding, Fair Student Funding, Title I Funding, Contract for Excellence Funding, Tax Levy Funding , and Title III
- Ingenuity, a research based program that scaffolds students comprehension and paces instruction virtually according to each child needs. Taking place during the regular school day, and after school.
- Former ESL accelerator, a phonetic, visual/kinesthetic program that allows the children to progress at various levels of instruction.
- Title III, for after school Test sophistication programs, one supervisor per session three days per week
- Title III, for after school Test sophistication programs, eight teachers per session three days per week or as needed.
- Title III, for Saturday academy, one supervisor four teachers per session.

Goal and Action Plan #4

Use this template to identify an annual goal. Respond to each section to indicate strategies and activities in support of accomplishing this goal.

Annual Goal #4

Describe a goal you have identified for the year. Refer to the directions and guidance for assistance in developing your goals.

Mathematics School-wide: Due to an overall slow increase in proficiency, Mathematics will continue to be a focus in the 2014 - 2015 school year. Grade 6, 7, and 8 students (including ELLs and SWDs) will move from a Level 1 to a Level 2 and from a Level 2 to a Level 3 and 5% (Approx:312 students), will move from Level 3 to a Level 4 on the State Math exam.

Comprehensive Needs Assessment

Describe the identified need that generated this goal. The needs assessment should encompass the entire school and be based on the performance of students, in relation to State academic content and student achievement standards.

Data Source: NYSED/L2RPT/IRS

Prof. Level	Level 3/4				
	2011	2012	2013	2014	2015 Goal
School wide	64%	64.8%	27.8%	31.3%	5% Inc

Prior to 2012, we have made significant gains in the area of Mathematics in all student subgroups. Due to a slow increase in proficiency, Mathematics will continue to be a focus in the 2014-2015 school year, and all subgroups will be targeted

Furthermore, we assessed the strands that need improvement. Grade 6 – 6.EE.6, 6.NS.1, Grade 7 – 7.EE.2, 7.RP.3, Grade 8 – 8.F.2, 8.F.3.

Instructional Strategies/Activities

Describe the research-based school wide reform instructional strategies and activities that will be used to achieve the goal in part A. Enumerate each strategy/activity and its corresponding subsection in parts B, C, D, and E. For each strategy/activity identified in part A, a corresponding item must be provided in parts B, C, D, and E.

1. Strategies/activities that encompass the needs of identified subgroups

1. Students will be programmed into Math in a block schedule format.
2. Students that have not met proficiency will be programmed into AIS classes were through the use of NFTE both the math and literacy aspect will be addressed. We also intend to have a Saturday Math Academy for students not making proficiency.
3. Hard Data from our Quarterly exam, and NY engage tasks, will be used to analyze the students' progress every four to five weeks in order to assess the progress of the program
4. Instructional teams prepare and field test Tasks aligned to the CCLS, and make adjustments as needed with the assistance of our Network Math point person
5. We will continue to concentrate on moving students forward and making student gains. By using pre and post assessments, the quarterly assessments, and the School Quality Guide.
6. Departmental Professional Development will continue to focus on our path to student proficiency in the area of Mathematics. In addition to the assessments previously mentioned, we will use formal and informal teacher observations, portfolios, sourcebooks, class tests, class work, homework, and projects to assess student growth.

2. Key personnel and other resources used to implement each strategy/activity

1. Principal, Assistant Principal of Mathematics
2. Assistant Principal, AIS Teachers.
3. Math teachers, Professional Learning teams, Departement. Chairs.

4. Professional Learning Teams, Math Department Chairpersons, Assistant Principal, Network 208 Math point person.
5. Data Specialist, Department Chairs, and Assistant Principal.
6. Principal, Assistant Principal, CITE consultants, network 208.

3. Identify targets to evaluate the progress, effectiveness, and impact of each strategy/activity

1. Provide weekly meeting time for teacher teams to assess program functionality.
2. Teacher teams meet with AIS teachers weekly, to analyze department data (by grade, class, gender, status)
3. Monthly department meetings with department heads
4. Weekly Team meetings ran by Assistant Principal
5. Data Specialist, A.P., Teacher teams.
6. By January 2015, We expect to see a 2.5% increase in 6th, 7th and 8th grade students moving from a Level 3 to a Level 4 (Approx: 304 students), as measured using a mid-term assessment patterned after the NYS Math exam

4. Timeline for implementation and completion including start and end dates

5. September 2014 to June 2015
6. October 2014 to June 2015

8. October 2014 to May 2015.
9. October 2014 to June 2015.
10. October 2014 to May 2015

11. Describe programmatic details and resources that will be used to support each instructional strategy/activity

1. In order to provide our students with additional instructional and student support programs, such as the after school test sophistication program, the development of our I.S. 10 Quarterly exams, and Echalk, we will fund these programs with our Title I, NYSTL Software, and Fair Student Funding, so that our students have greater access to the CCLS and our parents have a clearer understanding of the ways in which they can help support the achievement of the goal. As always we continue to carefully monitor the effectiveness, coordination, and integration of our math programs. These services supported by NCLB are coordinated to ensure that there are no duplication of services to ensure equity and access so that all students are provided with services needed to expedite their progress towards meeting this annual goal and state assessments.

Strategies to Increase Parental Involvement

All schools should cite strategies to increase parent involvement that aligned to the goal when applicable. Title I schools should reference these activities in your school's Title I Parent Involvement Policy (PIP).

- Solicit opinions/interest of parents at PA meetings
 - Bi-monthly open houses with training in ARIS, Echalk, and how to read Pupil Path and State exams results.
 - Workshops on High School and College readiness.
- Workshops on the adolescent child.

Budget and Resource Alignment

Academic Intervention Services (AIS)

Schools need to maintain accurate records of students who are receiving Academic Intervention Services to ensure that students who are not at proficiency receive effective and timely assistance. These records need to be made available upon request and indicate the total number of students receiving AIS in each subject area listed below and for each applicable grade in your school.

Description

Type of Academic Intervention Service (AIS)	Type of Program or strategy (e.g. <i>repeated readings, interactive writings, etc.</i>)	Method for delivery of service (e.g. <i>small group, one-to-one, tutoring, etc.</i>)	When the service is provided (e.g. <i>during the school day, before or after school, etc.</i>)
ELA	While in ELA students use Expeditionary, during AIS Students use the <i>STARS (Strategies to Achieve Reading Success)</i> workbooks which address various skill sets for ELA on all three grade levels (6, 7, 8). In addition to STARS, they also use the text, <i>Measuring Up</i> , which is a guide to Success Strategies for the State Test during the regular school day AIS class. AIS teachers also utilize and in-house created AIS curriculum. AIS teachers also use the NFTE program for ELA , a program designed to foster College and Career readiness.	Classes and students are programmed four times per week in AIS classes, and only targeted students are placed in the AIS program	Service is provided during the regular school day, and it is embedded during their regular program. Service is extended after school on Monday and Tuesday.
Mathematics	Students use the <i>New York State Coach</i> workbook, as well as, <i>Mastering the Intermediate Level Mathematics Test</i> workbooks, and <i>New York State Mathematics</i> workbooks on each grade level (6, 7, and 8) during the regular school day AIS class. AIS teachers use an in-house created curriculum, and supplemented with NFTE.	Classes and students are programmed four times per week in AIS classes, and only targeted students are placed in the AIS program	Service is provided during the regular school day, and it is embedded during their regular program. Service is extended after school on Monday and Tuesday.
Science	8th Grade students used <i>Life Science Third Edition</i> textbooks and <i>Earth Science New Edition</i> textbooks in order to prepare for the 8 th Grade Science Exam during the regular school day AIS class. In-house created curriculum is also utilized.	Classes and students are programmed four times per week in AIS classes, and only targeted students are placed in the AIS program	Service is provided during the regular school day, and it is embedded during their regular program. TA Coordination with the Regular Program

Describe the planning, coordination and support of the TA program with the regular educational program (i.e., providing ELT, accelerated, high-quality curriculum, including applied learning; and minimize removing children from the regular classroom during regular school day).

**Directions and Guidance for Developing and Updating the
Parent Involvement Policy (PIP) (Required for Title I Schools ONLY)**

The template below meets the parental involvement requirements of Title I. Your school is encouraged to use the template below to update your school's current policy or replace it entirely with a Parent Involvement Policy created by your school that meets federal requirements. The activities and/or strategies included in your school's policy should align with current CEP goals for improving student achievement.

The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if your school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in your policy.

Parent Involvement Policy (PIP) Template

I.S. 10 agrees to implement the following statutory requirements to support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of our school community;

Our school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. Our school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of our school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input.

To increase and improve parent involvement and school quality, I.S.10 will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to schools to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in our Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- Maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend our school and will work to ensure that our school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, School Quality Guide, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- Schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;
- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

SCHOOL-PARENT COMPACT
REQUIRED OF ALL SCHOOLS
MAY BE LAST YEARS BUT MUST BE UPDATED

Our school, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards and Assessments.

I. School Responsibilities

I.S. 10 will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:

- Provide teachers with professional development
- Provide parents with trainings with workshops on content
- Create classroom environments conducive to the workshop model
- Provide leveled libraries in each classroom
- Provide word walls for student reference

2. Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement. Specifically, those conferences will be held:

- Parent Teacher conferences for the compact are held in November and March

3. Provide parents with frequent reports on their children's progress. Specifically, the school will provide reports as follows:

- Phone conferences as needed
- Progress reports produced by Skedula
- Access to I.S.10 website, to ease communication with teachers, and check school assignments
- Training in Aris, to assess their children progress in standardized exams and report cards
- Parent conferences with classroom teachers
- Parent conferences with guidance counselors, deans, assistant principals, and principal

4. Provide parents reasonable access to staff. Specifically, staff will be available for consultation with parents as follows:

- Phone conferences as needed
- Parent conferences with classroom teacher
- Parent conferences with teachers, guidance, principal and grade
- Access to Skedula, Aris, and I.S. 10 website

5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities, as follows:

- Open House
- Orientations
- Tours on Tuesdays
- Join and volunteer Parents' Association

6. Involve parents in the planning, review, and improvement of the school's parental involvement policy, in an organized, ongoing, and timely way.

7. Involve parents in the joint development of any School wide Program plan (for SWP schools), in an organized, ongoing, and timely way.
8. Hold an annual meeting to inform parents of the school's participation in Title I, Part A programs, and to explain the Title I, Part A requirements, and the right of parents to be involved in Title I, Part A programs. The school will convene the meeting at a convenient time to parents, and will offer a flexible number of additional parental involvement meetings, such as in the morning or evening, so that as many parents as possible are able to attend. The school will invite to this meeting all parents of children participating in Title I, Part A programs(participating students), and will encourage them to attend.
9. Provide information to parents of participating students in an understandable and uniform format, including alternative formats upon the request of parents with disabilities, and, to the extent practicable, in a language that parents can understand.
10. Provide to parents of participating children information in a timely manner about Title I, Part A programs that includes a description and explanation of the school's curriculum, the forms of academic assessment used to measure children's progress, and the proficiency levels students are expected to meet.
11. On the request of parents, provide opportunities for regular meetings for parents to formulate suggestions, and to participate, as appropriate, in decisions about the education of their children. The school will respond to any such suggestions as soon as practicably possible.
12. Provide to each parent an individual student report about the performance of their child on the State assessment in at least math, language arts and reading.
13. Provide each parent timely notice when their child has been assigned or has been taught for four (4) or more consecutive weeks by a teacher who is not highly qualified within the meaning of the term in section 200.56 of the Title I.

II. Parent/Guardian Responsibilities:

We, as I.S. 10 parents, will support our children's learning in the following ways:

- Monitoring attendance.
- Making sure that homework is completed.
- Monitoring amount of television their children watch.
- Volunteering in my child's classroom.
- Participating, as appropriate, in decisions relating to my children's education.
- Promoting positive use of my child's extracurricular time.
- Staying informed about my child's education and communicating with the school by promptly reading all notices from the school or the school district either received by my child or by mail and responding, as appropriate.
- Serving, to the extent possible, on policy advisory groups, such as being the Title I, Part A parent representative on the school's School Improvement Team, the Title I Policy Advisory Committee, the District wide Policy Advisory Council, the State's Committee of Practitioners, the School Support Team or other school advisory or policy groups.

III. Student Responsibilities:

We, as I.S. 10 students, will share the responsibility to improve our academic achievement and achieve the State's high standards. Specifically we will:

- Do all my assignments every day and ask for help when I need to.
- Read and practice learned skills for a minimum of at least 30 minutes every day outside of school time.
- Give to my parents or the adult who is responsible for my welfare all notices and information received by me from my school every day.
- Be responsible for my learning

4c. "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes¹. To be eligible for the flexibility consolidation of Federal funds enables, a Schoolwide Program school must identify in its Schoolwide plan (SCEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated². **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for FY '15 school allocation amounts.)	Place an (X) in <u>Column A</u> below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in <u>Column B</u> , page # references where a related program activity has been described in this plan.	
			Column A Verify with an (X)	Column B Page # Reference(s)
Title I Part A (Basic)	Federal	\$540,511.29	X	See action plan

¹**Explanation/Background:**

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using *all* its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used **conceptually** to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the **intent and purposes of the Federal programs** included in the consolidation so that the needs of the intended beneficiaries are met.

²The **intent and purposes** of the Federal programs indicated on the chart above (Part 4C of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I School Improvement 1003(a)** - support implementation of school improvement activities identified through the Diagnostic Tool for School and District Effectiveness (DTSDE) reviews or a school review with district oversight and included in the DCIP/SCEP.
- **Title I Priority and Focus School Improvement Funding:** support implementation of school improvement plans that aims to improve instruction and address the identified needs
- **Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program.
- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction

programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.

- **Title III Immigrant:** Supplementary and enhanced services to LEP/ELL immigrant students, in the areas of English language acquisition and content area achievement.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the parent involvement policy and aligned with student achievement goals in the school comprehensive educational plan.
- **Title I Priority and Focus School Parent Engagement Set-aside:** Additional set-aside is to enable greater and more meaningful parent participation in the education of their children.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process, including Title I 1003(g) SIG or SIF funds:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

SUBMISSION FORM
2013-14 TO 2014-15 SCHOOL YEARS**

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based language allocation policy (LAP) that describes quality ELL programs. This is a two-year plan on how schools will support ELLs' linguistic and academic needs. This LAP form is a part of the school's CEP. Agendas and minutes of LAP meetings should be kept readily available on file in the school. Also, when preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, hold your cursor over the [i](#).

Provide the number of classes for each ELL program model at your school. For all-day programs (e.g., Transitional Bilingual Education, Dual Language, and Self-Contained ESL), classes refer to a cohort of students served in a day. For push-in ESL classes, refer to the separate periods in a day in which students are served. Departmentalized schools (e.g., high school) may use the self-contained row.

After reviewing and analyzing the assessment data, answer the following:

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., ECLAS-2, EL SOL, Fountas and Pinnell, DRA, TCRWP). What insights do the data provide about your ELLs? How will this data help inform your school's instructional plan? Please provide any quantitative data available to support your response.
 - ELL's are evaluated by an informal interview, Lab-R, DRA, In-house Pre and Post Assessments, and student work. The data provides a baseline reading and writing level which is then used to determine placement and additional services for the students. Also, this year the students are been evaluated using the NYC Performance exams in S.S., SCI., and ELA to use as a baseline, and guide future

instruction.

2. What is revealed by the data patterns across proficiency levels (on the LAB-R and NYSESLAT) and grades?
The LAB-R and NYSESLAT results over a four year period reveal that we continue to have a large percentage of three-year Advanced students that are on the Proficiency borderline, and in 2013 we were able to gain an increase of 40-45 % increase of students scoring a Proficient in the NYSESLAT, and increase of 20% from the previous year. The pattern identified reveals that writing and reading are still an area that needs further Professional development and discussion from our professional learning teams.
3. How will patterns across NYSESLAT modalities—reading/writing and listening/speaking—affect instructional decisions? How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAO tool](#))
The information from the modalities and the AMAO, is the reason that the pattern identified was writing and reading deficiencies. This information lead our team to increase the amount of Direct instruction given to our ELL SWD students, and a further immersion and use of our program Sound Reading.
4. For each program, answer the following:
 - a. What are the patterns across proficiencies and grades? How are ELLs faring in tests taken in English as compared to the native language?
 - b. Describe how the school leadership and teachers are using the results of the ELL Periodic Assessments.
 - c. What is the school learning about ELLs from the Periodic Assessments? How is the native language used?School Inquiry Teams analyze data on NYS Math and ELA exams, NYSESLAT, Lab-R, student work portfolios, ACUITY, and in-house assessments. By collaborating with instructional teams on a bi-weekly basis, data is disseminated to the instructional teams, analyzed, and incorporated directly into unit and lesson planning. Furthermore, the data is used to drive the instructional focus of the after school NYSESLAT program that will begin in January 2014.
5. Describe how your school uses data to guide instruction for ELLs within the Response to Intervention (RtI) framework (for grades K-5). (see [RtI Guide for Teachers of ELLs](#))
N/A
6. How do you make sure that a child's second language development is considered in instructional decisions?
N/A
7. For dual language programs, answer the following:
 - a. How are the English-proficient students (EPs) assessed in the second (target) language?
 - b. What is the level of language proficiency in the second (target) language for EPs?
 - c. How are EPs performing on State and City Assessments?N/A
8. Describe how you evaluate the success of your programs for ELLs (e.g. meeting AYP for ELLs, etc.).
By monitoring performance through Learning walkthroughs, Formal and Informal observations, Low inference observations, State Exams results, Report Cards and in-house Periodic assessments, the ELL focus is constantly being realigned according to students' needs, and skills.

Part IV: ELL Identification Process

Describe how you identify English Language Learners (ELLs) in your school. Answer the following:

1. Describe the steps followed for the initial identification of ELLs. These steps must include administering the Home Language Identification Survey (HLIS) which includes the informal oral interview in English and in the native language, and the formal initial assessment. Identify the person(s) responsible, including their qualifications, for conducting the initial screening, administering the HLIS, the LAB-R (if necessary), and the formal initial assessment. (Refer to [ELL Policy Brief](#) and [EPIC](#).)
 - Administer the HLIS
 - Informal Interview in English and Native Language through the assistance of internal translators and/or the DOE Translation Unit
 - Clemente Lopes, Principal and Alfredo Centola administer the informal interviews, HLIS, initial screening interviews, the LAB-R, and placement into program
 - Annual Evaluation of ELL's is done based on the results of NYSESLAT levels Beginner, Intermediate, and Advanced and students are

regrouped accordingly.

2. What structures are in place at your school to ensure that parents understand all three program choices (Transitional Bilingual, Dual Language, Freestanding ESL)? Please describe the process, outreach plan, and timelines.

New ELL students are given a tour of the building along with their parents. In recognition of the importance of Parent/Family involvement in a child's education, a general orientation session is scheduled during the month of October. It is an evening orientation where parents are provided with all information regarding program requirements, standards, assessment and school expectations.

The school complies with the Chancellor's orientation requirement by additionally providing an orientation session for every parent of a potential ELL student. These orientations will take place in the Parent Coordinator's office, with the Parent Coordinator and the Assistant Principal of ESL, immediately upon registration of the new student. At these sessions, the required video will be shown, specific information as to what the school offers ELL students will be presented, and the choices they have available to them will be given. After the sessions, parents are able to fill out a survey to convey their choice of program; either Transitional Bilingual Education, Dual Language, or Freestanding ESL. Upon review of the Parent Survey and program selection forms, the trend continues to be overwhelmingly Freestanding ESL. Any parent who chooses another program is provided with locations where the program is offered, frequently the Academy For New Americans is recommended.

3. Describe how your school ensures that entitlement letters are distributed and Parent Survey and Program Selection forms are returned, and secured/stored. (If a form is not returned, the default program for ELLs is Transitional Bilingual Education as per CR Part 154 [\[see tool kit\]](#).)

-Parents of new students fill out a Home Language Identification Survey (HLIS) upon registration.

-Students whose HLIS indicates that a language other than English is spoken in the home are given an English proficiency, LAB-R, within 10 days of admittance to determine their entitlement to ESL services. (In some cases, a Spanish LAB is also administered.)

-Parents of students determined to be ELL (as per testing), are given a parent choice letter. As per parental choice newly enrolled ELLs are placed in our free standing ESL program. TBE is mandated only if selected by parents of same home language with 15 or more students in same/next grade.

-The Guidance Counselors and Administration organized Parent/teacher Orientations to familiarize the incoming students with the school and its policies.

4. Describe the criteria used and the procedures followed to place identified ELL students in bilingual or ESL instructional programs; description must also include any consultation/communication activities with parents in their native language.

Criteria for ELL Placement:

NYSESLAT or LAB-R results determine the grouping of students.

ESL instruction is provided based on Beginning, Intermediate & Advanced Levels (as per NYSESLAT or LAB-R) and is consistent with CR Part 154 units of instruction requirements Home Language Survey

LAB-R Score

If parent Request is a bilingual placement, and numbers of students does not allow for the formation of a Bilingual class, then the name of the parent and student will be emailed to: ELLProgramTransfers@schools.nyc.gov.

5. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.

1. I.S.10Q, has preprogrammed testing days were all exams are administered.

In the case of the NYSESLAT, the Listening piece is administered by class and grade, the Speaking piece is administered by giving the students appointments, and the reading and writing part of the exams are administered by placing all classes under strict testing conditions were all students take the test at the same time.

6. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? (Please provide numbers.) Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings? Describe specific steps underway. 

The program that has consistently been strongly chosen has been Freestanding ESL.

Program Alignment:

The programs offered are alligned with the parents' request. 99% of newly registered ELL parents have chosen ESL.

Part V: ELL Programming

A. Programming and Scheduling Information

1. How is instruction delivered? (see [*The Practitioners' Work Group for Accelerating English Language Learner Student Achievement: Nine Common Features of Successful Programs for ELLs*](#))
 - a. What are the organizational models (e.g., departmentalized, push-in [co-teaching], pull-out, collaborative, self-contained)?
 - b. What are the program models (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogeneous [proficiency level is the same in one class])?
1. I.S. 10 has set up a Freestanding ESL program. All of the 120 students in our program receive the mandated number of minutes or more in ESL and ELA. Accordingly, the Beginner and Intermediate level students (as determined by the LAB-R and the NYSESLAT) receive a minimum of 8 periods per week, 45 minutes per period, in ESL. Advanced level students receive 4 periods of ESL and 180 minutes of ELA. In this freestanding ESL program, English/Language Arts is taught using ESL methodologies.
2. How does the organization of your staff ensure that the mandated number of instructional minutes is provided according to proficiency levels in each program model (TBE, Dual Language, ESL)?
 - a. How are explicit ESL, ELA, and NLA instructional minutes delivered in each program model as per CR Part 154 (see table below)?
 2. ELLs are participating in a Freestanding ESL Program with the mandated minutes of ESL instruction based on their Beginning, Intermediate or Advanced status. All students at the Beginning and Intermediate Level of English Proficiency receive the mandatory 8 periods (360 minutes) of ESL instruction a week. Advanced Level students receive at least the mandated 4 periods (180 minutes) of ESL instruction per week. ELLs are provided with differentiated instruction which includes grouping based on specific needs with targeted skills in order to maximize growth. This methodology is closely followed in our after school program where the students are grouped according to ability, and not according to their corresponding grade level.
3. Describe how the content areas are delivered in each program model. Please specify language, and the instructional approaches and methods used to make content comprehensible to foster language development and meet the demands of the Common Core Learning Standards.

The overriding goal of our ESL program at IS 10 is to implement WSL techniques to develop conceptual skills. The focus is to teach and challenge students at high levels of thinking with the purpose of embedding comprehension skills while they are learning English. The ESL approach will develop skills in understanding the cognitive areas in English. Content area instruction will be provided in English.

 - The integration of vocabulary acquisition through the implementation of the workshop model in content area lessons.
 - Allocating sufficient time for conceptual analysis.
 - Scaffolding techniques consistently employed throughout the lesson, which include hands-on activities and visual demonstrations play a critical role in developing and learning abstract concepts.
 - Opportunities are provided to display the scaffolding of content area material at all levels of English acquisition.
 - A comprehensive review of key vocabulary is displayed through the use of word walls.
4. How do you ensure that ELLs are appropriately evaluated in their native languages throughout the year?

Students in the ELL classes are given the opportunity to take the NYS Exams in their native language, and will take the assessment if needed in a separate location.

5. How do you ensure that ELLs are appropriately evaluated in all four modalities of English acquisition throughout the year?

Our After sch

6. How do you differentiate instruction for ELL subgroups?

- a. Describe your instructional plan for SIFE.
- b. Describe your plan for ELLs who have been in US schools less than three years (newcomers)..
- c. Describe your plan for ELLs receiving service 4 to 6 years.
- d. Describe your plan for long-term ELLs (completed 6+ years).
- e. Describe your plan for former ELLs (in years 1 and 2 after testing proficient).

SIFE students have been identified as SIFE students. These students have been identified through academic records, grades and test scores, informal assessment of literacy skills, interview and inquiry into a student's academic background and writing samples. In addition to our After School ELA and Math Program, SIFE students are offered and encouraged to participate in extended day activities which include academic classes and clubs. AIS services also provide SIFE students with additional support to increase literacy and mathematics. These services are implemented during the school day. SIFE students also use the following resources: Achieve 3000, Spell-Read and Sound Reading, a program that is devised primarily for Beginners ELLs, to train the students in the beginning stages of the english phonics and phonemes. Guidance Counselors are used as an intervention tool and serve as a connection between home and school.

-NEWCOMERS: Parents of students who are new to the country need a lot of support from the school community. Translation Funding can be used to help facilitate this transition. These services will be used to:

- Communicate information about the school's academic programs and afterschool programs
- Communicate information about a child's academic progress and student needs
- Translating written communications between school and home

Also, our I.S. 10 website, that is used primarily for communication with parents, is able to translate all information to parents in more than 70 different languages with the simple push of a button.

-LONG TERM ELL's/ and 4 to 6 years:

Long-term ELLs will continue to receive individualized and differentiated instruction as well as AIS services. In the classrooms, lessons will integrate literacy with academic content. Teachers will draw on students' cultural and linguistic backgrounds and life experiences. Our goal is to move our long term ELLs in accomplishing the goal of English Language proficiency. Data will be used to drive instruction. The instruction will be geared toward helping our long-term ELLs build literacy skills and strategies. Lessons will be based on the Learning Standards for English as a Second Language. Long Term ELLs will use Achieve 3000, and Spell-Read, as well as, being invited to participate in extended day activities and the After School Reading and Math Program.

FORMER ELLs, are placed in Target Classes to assist them during their transition to Regular classes.

Target classes follow a modified curriculum that ensures that the pacing of instruction is tailored to address the Acquisition of Academic Language, while following the infusion of the CCLS in all core subjects.

7. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?

Instructional Materials Used:

- Getting Ready for the NYSESLAT
- ESL Accelerator (software)
- Achieve 3000 (software)
- Sound Reading (software)
- Khan Academy(web based)
- Zillion Learning (web based)

8. How does your school use curricular, instructional, and scheduling flexibility to enable diverse ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment?

All SWD ELL's receive ELL Services via a push-in method. An ESL teacher works with the content area teacher within the classroom followed by a 4 times/week pull out service where the same ESL instructor reinforces the learning that occurred and uses Sound Reading and/or Zillion Learning to enhance comprehension and vocabulary.

D. Parental Involvement

1. Describe ELL parent involvement in your school. Include specific activities that foster parental involvement for parents of ELLs.
2. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
3. How do you evaluate the needs of the parents?
4. How do your parental involvement activities address the needs of the parents?
 - Parent orientations are conducted for parents of newly enrolled ELL's to provide them with information about available programs. The Video is shown. Parents are able to ask questions regarding ELL services. Informational materials are available in a variety of languages.
 - A parent conference is conducted each Fall and then again in the Spring before Parent-Teacher Conferences to orient ELL parents on program requirements, instructional standards, assessments to be implemented and school expectations.
 - ELL parents are encouraged to meet with teachers regarding their child's performance at least twice a year. Translators are provided.
 - An ELL parent conference is given in the Spring prior to testing, in order to review strategies that would assist students in standardized tests
 - Open houses take place the second Tuesday of every month where ELL parents are encouraged to attend and visit the school. Their needs are evaluated via interview, parents' survey, and PA meetings.
 - Citizenship classes are being developed to assist with the integration of new ELL Parents into the community.
 - Our CBO, Goodwill Industries, continues to provide adult ELL classes for parents.

E. Additional Information

Please include any additional information that would be relevant to your LAP and would further explain your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

LANGUAGE TRANSLATION AND INTERPRETATION 2013-2014 TO 2014-2015

Requirement under Chancellor's Regulations – for all schools

DBN: 30Q010 School Name: Horace Greeley Middle School

Cluster: 2 Network: 208

Goal: To communicate whenever feasible with non-English speaking parents in their home language in order to support shared parent-school accountability, parent access to information about their children's educational options, and parents' capacity to improve their children's achievement.

Part A: Needs Assessment Findings

1. Describe the data and methodologies used to assess your school's written translation and oral interpretation needs to ensure that all parents are provided with appropriate and timely information in a language they can understand.

By using the Home Language Survey, Parent Survey, Student Survey, and ATS, we are able to identify the different home languages of our students. When needed, the school uses the department of translation services via phone, 718 752-7373. The same service translates all documents for the school that are sent home via back pack. The school also has staff members that act as translators when the need arises. Our interactive website translates all the information pertinent to non-english parents into the language of their choice. Furthermore, our new tool from datacation, allows teachers to write emails to parents, and according to the language the students are flagged under on ATS, the email is sent in their home language automatically.

2. Summarize the major findings of your school's written translation and oral interpretation needs. Describe how the findings were reported to the school community.

Needs were found via P.A. meetings, home surveys, and the DOE progress report survey. The findings are consequently reported to the School community Via P.A. meetings, faculty meetings, and SLT meetings and minutes.

Part B: Strategies and Activities

1. Describe the written translation services the school will provide, and how they will meet identified needs indicated in Part A. Include procedures to ensure timely provision of translated documents to parents determined to be in need of language assistance services. Indicate whether written translation services will be provided by an outside vendor, or in-house by school staff or parent volunteers.

After the array of languages are identified, all written communication is made available through mailings, flyers, and the school website in ALL languages. We will continue to use the department of translation services via phone, and to translate all school documents that are sent home. School staff members that act as translators when the need arises, will also assist with the written portion of the translation, and our interactive website will continue to translate all the information pertinent to non-english parents into the language of their choice.

2. Describe the oral interpretation services the school will provide, and how they will meet identified needs indicated in Part A. Indicate whether oral interpretation services will be provided by an outside contractor, or in-house by school staff or parent volunteers.

Oral interpretation is provided by three entities:

1. The Dept. of translation services.
2. Staff members that are bilingual and are able to volunteer for the services.
3. The I.S.10Q website A.I. translator.

3. Describe how the school will fulfill Section VII of Chancellor's Regulations A-663 regarding parental notification requirements for translation and interpretation services. Note: The full text of Chancellor's Regulations A-663 (Translations) is available via the following link:
<http://docs.nycenet.edu/docushare/dsweb/Get/Document-151/A-663%20Translation%203-27-06%20.pdf>.

Notifications are sent home in various languages in the following ways:

1. Fliers are posted at the entrance of the school and the parent coordinator's office in various languages to address the need and support.
2. Snippet flyers with information on translation services are sent home at the beginning of the year in various languages to provide information about the services.
3. Distribution list email goes out regularly to inform parents of services.
4. All Services available are posted on the I.S.10Q website (www.is10q.org) and are available in all languages.
