Section 2: School Leadership Team (SLT) Signature Page

All SLT members are expected to sign this page to confirm their participation in the development of this Comprehensive Educational Plan (CEP) and that they have been consulted with regarding the alignment of funding to support this school’s educational program, which includes annual goals and action plans, Academic Intervention Services (AIS), Parent Involvement Policy (PIP) and School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with [Chancellor’s Regulation A-655](#), available on the [New York City Department of Education \(NYCDOE\)](#) website.

Directions:

1. List the names of each SLT member in the first column on the chart below.
2. Specify the constituent group represented, e.g., parent, staff, student, Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*.
3. SLT members should review this document and sign in the right-hand column in **blue ink**. If an SLT member does not wish to sign this plan, the member may attach a written explanation in lieu of his/her signature, which must be maintained on file at the school with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
4. The original signed copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

Section 3: Directions and Guidance for Developing the Comprehensive Educational Plan

The Comprehensive Educational Plan is meant as a tool to facilitate continuous improvement planning – to support schools in engaging their staff, parents, students, and community partners in assessing and prioritizing school needs, setting measurable improvement goals, selecting appropriate strategies to improve student outcomes, monitoring progress toward meeting annual goals, and communicating these efforts to the broader school community. This section will provide School Leadership Teams (SLTs) with guidance regarding CEP development informed by the new [Strong Schools, Strong Communities](#) initiative and [Framework for Great Schools](#).

Strong Schools, Strong Communities

The New York City Department of Education (NYCDOE) is committed to working collaboratively with parents, families, educators, and communities to improve student achievement and ensure that every child graduates from high school prepared for college, a career, and a future as a productive, critically-thinking adult.

The Department is establishing programs to strengthen ties between schools and communities, and is giving teachers and students the support they need to reach higher standards. These programs and supports are building a system of schools centered on student learning. Along with strengthened partnerships between parents, teachers, students, school leaders, and communities, these initiatives will ensure Strong Schools, Strong Communities, so that all students succeed. Additional information is available in a [report](#), entitled *Strong Schools, Strong Communities: A New Approach to Supporting New York City's Public Schools and All of Our Students*.

The Framework for Great Schools and CEP Development

The [Framework for Great Schools](#) encourages parents, educators, school communities, and external stakeholders to work together to improve student achievement and increase learning opportunities. This collaborative focus will ensure that every child is consistently ready for the next grade, level, and set of challenges. The Comprehensive Educational Plan (CEP) will reflect this focus and should serve as the blueprint that engages a school community in a systematic, ongoing review and analysis of student needs to identify and address root causes and implement activities and strategies that improve outcomes for students.

Based on robust research, the six elements of the Framework identify the areas that we must improve to accomplish high student achievement. By focusing attention and resources on what it takes for schools to function well, the Framework for Great Schools identifies the underlying strengths and weaknesses of a school and shows community members concrete ways to improve.

In accordance with the requirements of [Chancellor's Regulations A-655](#), all SLTs are to develop an educational plan in consultation with parents, school staff, and students, to provide a meaningful opportunity for stakeholders to participate in shared decision making and school improvement. The expectation is that SLTs will engage in a comprehensive educational planning process to inform the development of two (2) to five (5) goals and action plans that align with the first five elements of the Framework for Great Schools (listed below). The sixth element, *Trust*, is foundational to all the other elements. A goal that reflects a holistic approach will often address more than one element, as the elements work together to support student achievement. Place your goal in the section of the template where it fits best, knowing that it likely addresses other elements as well.

The Six Elements of the Framework for Great Schools

Rigorous Instruction: Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.

Supportive Environment: The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.

Collaborative Teachers: Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.

Effective School Leadership: Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement.

Strong Family-Community Ties: School leadership brings resources from the community into the school building by welcoming, encouraging, and developing partnerships with families, businesses, and community-based organizations.

Trust: Everyone works toward the shared goal of improving student outcomes, preparing students for success in school and beyond. Across the school community, there is respect. School staff, parents, students and administrators value each other.

The Quality Review and the Framework for Great Schools

In order to address the six elements of the Framework for Great Schools, school communities should engage in improvement planning that is also informed by the NYCDOE’s Quality Review Indicators and other quantitative and qualitative data.

NYCDOE’s Quality Review (QR)

The Office of School Quality (OSQ) supports school improvement across the NYC Department of Education (DOE) by coordinating qualitative assessments of principals and school communities. All of the qualitative assessments are rooted in the Quality Review rubric and drive improvements to principal and school practice, with the ultimate goal of impacting student achievement. The 2015-16 Quality Review (QR) Rubric has ten indicators within three categories as outlined below:

- I. Instructional Core Across Classrooms: Curriculum (1.1), Pedagogy (1.2), Assessment (2.2)
- II. School Culture: Positive Learning Environment (1.4), High Expectations (3.4)
- III. Structures for Improvement: Leveraging Resources (1.3), Goals and Action Plans (3.1), Teacher Support and Supervision (4.1), Teacher Teams and Leadership Development (4.2), Monitoring and Revising Systems (5.1)

Title I Requirements and Strengthening Title I Parent Involvement

Title I schools are subject to ESEA/NCLB requirements regarding school accountability, highly qualified teachers, professional development, and parent involvement.

To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students’ academic outcomes, all Title I schools will be expected to form a Title I Parent Advisory Council (PAC) during the 2015-16 school year. Each Title I PAC will have a minimum of three members, including a Chairperson and an alternate representative. The Title I PAC Chairperson (or alternate representative) shall be required to attend all regular meetings of the School Leadership Team (SLT). Guidance to support schools in forming their Title I PACs will be provided in September 2015.

Next Steps for CEP Development

School Leadership Teams should engage in the following steps:

- **Step 1:** Ensure that a fully formed and functional School Leadership Team (SLT) exists and meets all the requirements of [Chancellor’s Regulations A-655](#).
- **Step 2:** Conduct a comprehensive needs assessment informed by the school’s updated NYSED accountability status and most current quantitative and qualitative data. Prioritize areas of focus for this school year.
- **Step 3:** Revisit your school’s current goals, modify existing goals, and/or strategically create new goals informed by the needs assessment and aligned with the Framework for Great Schools. Ensure the annual goals are SMART—Specific, Measurable, Achievable, Relevant, and Time-bound. Writing your goals as SMART will help you monitor progress against the qualitative or quantitative measures you’ve identified, and will help your school community know when you’ve reached your goal.

- **Step 4:** Build consensus around strategies, activities, and programs to address students' needs in each action plan. Create action plans that translate into observable, effective strategies to improve student achievement.
- **Step 5:** Update your school's AIS section. Title I schools must also update the Parent Involvement Policy (PIP) and School-Parent Compact (SPC).
- **Step 6:** Establish a process for engaging in progress monitoring throughout the school year as part of an overall cycle of continuous improvement planning to assess whether activities and strategies outlined in the action plans are resulting in improved student performance. Adjust practices, when necessary.

Treat the plan as a living document. Adjust the plan along the way as your experiences and the evidence justify. Careful implementation of your ideas, follow-through, and continuous evidence-based monitoring of progress are the keys to accomplishing desired results.

Section 4: CEP Overview

Develop a narrative summary that includes:

1. Contextual information about your school's community and its unique/important characteristics, including your school's mission statement and a description of strategic collaborations/partnerships and/or special initiatives being implemented.
2. Any special student populations and what their specific needs are.
3. The elements of the Framework for Great Schools in which your school made the most progress over the past year, and your key areas of focus for this school year.

Satellite West Academy Mission

Satellite West Academy core belief is that education adds immeasurable value to our human existence. It empowers us to dream, enlightens us to our potential and liberates us to take hold of the unknown.

Satellite West Academy represents an exciting approach to middle school education enriched with rigorous core content instruction, performing arts study and exposure. Core content instruction and arts study and exposure combine to give students a strong foundation for high academic achievement and lives as leaders, performing artists

and responsible citizens. Students receive instruction from SWA teachers and visiting artist. At Satellite West, we provide a rigorous

and relevant education for ALL Students. We acknowledge that our standards based school-wide curriculum prepares each student for higher learning and success in the high school of their choice. We are committed to the development of the "whole" child: academically, artistically, socially and physically. With academic proficiency, quality character traits, and positive social skills, our alumni will be equipped to gain admission to and graduate from an accredited college/university because **Satellite West Academy is Where College Begins!!!**

Collaborations/Initiatives/Partnerships

Implementation of the Arts as a course curriculum *within the school day*. 6th grade students receive the opportunity to explore all 3 art strands DANCE, VOCAL and VISUAL ARTS. 7th and 8TH grade students completed an audition process to become two and one year majors in one of the disciplines.

Although Satellite West has severe budget constraints we were able to develop small class sizes so that there are two classes on each grade level to better facilitate academic achievement.

Currently Sat West is offering high school regent level classes in Integrated Algebra and Living Environment.

The schedule is designed so that teachers are able to meet once a week for planning and analyzation of data.

At the beginning of the year each student received a school binder to serve as the first step to college and career readiness with good organization skills.

Satellite West has a 98% participation rate of school uniforms on a daily basis.

We provide the following academic enrichment extended day programs:

- Study Hall for ELA and MATH
- Exposure After school program which includes Animation, Creative Art, Filmmaking and Technology Exploration and Broadcasting

- *Study Prep for Specialized High School Exam*
- *STEM Program*
- *Integrated Algebra Regent Prep*
- *Brooklyn Ballet Foundation*

Satellite West also offers daily morning community meetings lead by the school community to foster student and teacher leadership. Monthly open house events with District 13 feeder elementary schools. Thanksgiving Feast which fosters school campus community spirit.

Special Student Populations

Satellite West Academy currently has 3 ICT classes and 1 self contained bridge class of 6th, 7th and 8th grade students. The needs of the students In structionally is that daily lessons needs to be differentiated and scaffold. Emotionally the school is in desperate need of a full time social worker to deal with their emotional needs. In addition quality IEP's that are being implemented in the classroom.

Elements of The Framework for Great Schools

For the 2014-15 school year Satellite West Academy made the most progress in the following areas:

EFFECTIVE SCHOOL LEADERSHIP (This was an area of cel;ebration in the Quality Review)

The principal has been deliberate in making decisions about the organization in order to support the needs of students and focus on instructional goals resulting in maximizing the school's budget and the use of time.

The principal has worked with key staff to align assessments to curricula materials and revisit the school's grading policies in order to provide more effective feedback to teachers and students as well as more effectively adjusts curricula and instruction.

The principal consistently communicate high expectations to staff, students and families while providing the necessary supports such as professional learning, tutorials, and extended learning opportunities in order for all to be successful in meeting goals and expectations.

SUPPORTIVE ENVIRONMENT (This was an area of cel;ebration in the Quality Review)

1.4 The school established a culture for learning that communicates high expectations to staff, students, and families, and provide supports to achieve those expectations.

STRONG FAMILY-COMMUNITY TIES

Satellite West Academy worked very hard in establishing high expectations for the outcomes of our parent engagement time. Groups were established that was divided up into the following categories: Volunteering, Communicating, Collaborating, and Learning at Home. Each group group developed workshops and projects to engage families in these areas.

COLLABORATIVE TEACHERS AND TRUST (Proficient on the Quality Review)

1.2 The school engaged in structured professional collaborations on teams using an inquiry approach that promotes shared leadership and focuses on improved student learning.

RIGOROUS INSTRUCTION (Proficient on the Quality Review)

1.1 Ensured engaging, rigorous and coherent curricula in all subjects, accessible for a variety of learners and aligned to Common Core Learning Standards.

2.2 Aligned assessments to curricula, used on-going assessment and grading practices, and analyzed information on student learning outcomes to adjust instructional decisions at the team and classroom levels.

For the 2015-16 school year Satellite West Academy will focus on the following areas:

RIGOROUS INSTRUCTION (Developing on Quality Review)

1.2 Developing teacher pedagogy from a coherent set of beliefs about how students learn best that is informed by the instructional shifts and Danielson Framework for Teaching, aligned to the curricula, engaging, and meets the needs of all learners so that all students produce meaningful work products.

- *Continue to ensure that all curricula areas subjects are rigorous and aligned to the CCLS/state standards and emphasize rigorous behaviors and higher order thinking skills resulting in cognitively engaging activities that all learners can access.*

- *Continue to work with staff on developing instructional practices that are aligned to curricula, meet the needs of all students, and are informed by the Danielson framework for teaching in order for student work products to illustrate high levels of student thinking.*

COLLABORATIVE TEACHERS

- *Continue to deepen the work of teacher collaborations in order to strengthen the teacher capacity in their practice and analysis of student work in order to improve student progress.*

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5A – Framework for Great Schools Element – Rigorous Instruction: Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Rigorous Instruction. This assessment should be informed by an analysis of student performance trends and any major findings from your Quality Review (QR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

COMPREHENSIVE ASSESSMENT OF ACADEMIC PROGRAM

SCHOOLS STRENGTH

As a school we believe that students learn best when direct instruction is supported by

structured activities and hands on materials. Sat West students learn best when differentiated instruction use multiple modalities and real world applications. Sat West students learn best when they are academically engaged in a classroom where students reflect and rationalize thinking using outside resources and technology. Sat West students learn best when they critique and learn from their peers.

Strategies used to align Curricula to the Common Core Learning Standards:

- *Identification of curriculum: ELA- Code X/ Math- CMP3/Social Studies-NYC Scope and Sequence/Science-NYS Curriculum*
- *Collection of curriculum used from prior and current school year to evaluate its alignment to the CC instructional shifts in ELA and Math*
- *Completed reflection sheet on the effectiveness of the curriculum on student learning*
- *Distribution of School wide unit template and rubric that promotes higher order thinking skills in task and daily instruction*
- *Continuous Professional Development on the structure and rubric for unit maps*
- *Review of instructional shifts in CCLS during professional development*
- *School wide checklist on Rigor and Instructional shifts that assesses daily lesson plans*
- *Bi-monthly collection of unit maps to reflect on effectiveness*

Strategies used to promote higher order thinking skills and Refinement of academic tasks

- *Using the Depth of Knowledge to develop high order questions that would lead into discussion.*
- *Differentiated of instruction*

• *Monthly collection of teacher lesson plans that examines students academic task*

• *Development and implementation of the C.O.R.E*

Critical Thinking and Critique

Open Ended Response and Modality

Real World Application and Technology

Explanation and Engagement

• *Differentiated Instruction*

• *Developing lessons that are aligned to the Common Core Learning Standards*

• *2 task questions that push students thinking*

• *Instructional student groups that allow students to critique their peers, produce work, engage in discussion that reflect critical thinking, creativity and problem solving.*

COMPREHENSIVE ASSESSMENT OF ACADEMIC PROGRAM

SCHOOLS NEEDS

• *Teaching practices that uses strategies such as inquiry, project-based and collaborative learning.*

• *Strategic use of scaffolding techniques such as modeling, prior knowledge, graphic organizers, visuals and building academic vocabulary.*

• *Student ownership of the learning process*

Development of challenging learning task that requires students to use critical thinking, analysis and problem solving.

Part 2 – Annual Goal

Indicate your school's 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools—Rigorous Instruction. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART—Specific, Measurable, Achievable, Relevant, and Time-bound.

To increase rigor for college and career readiness, using Danielson and The Framework for Great Schools by developing teacher pedagogy from a coherent set of beliefs about how students learn best that is informed by the instructional shifts and Danielson Framework for Teaching, aligned to the curricula, engaging, and meets the needs of all learners so that all students produce meaningful work products.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Engaging families and supporting their understanding of Rigorous Instruction and the Common Core in order to support their children at home. 	<p>Target Group(s) <i>Who will be targeted?</i></p>	<p>Timeline <i>What is the start and end date?</i></p>	<p>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i></p>

Part 4 – Budget and Resource Alignment

<p>Part 4a. Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.</p>
<ol style="list-style-type: none"> 1. Teacher Prep time allows for time to meet with teachers. 2. New Teachers elected to participate in New Teacher Academy 3. Feedback session data is shared with staff through compilation of trends to improve instruction. 4. Rigorous and college and career checklist to evaluate teacher practice 5. Training modules have been provided via email, as part of feedback, during Inquiry and Faculty Conference sessions. 6. Increased informal observations with feedback

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.

- *Mid lesson checks for understanding will be incorporated to evaluate students understanding of the content area.*
- *Monthly School wide portfolio assessment will allow ongoing checks for understanding and student self assessment.*
- *During weekly teacher team meetings it is expected that teachers will effectively analyze data in order to develop goals and benchmark performances for units of study.*
- *In the month of October the school gave the Baseline Periodic Assessment in Math and ELA*
- *MOSL Performance Task were given in ELA, Math, Social Studies and Science DAILY*

Part 5b. In **February 2016**, review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5B – Framework for Great Schools Element – Supportive Environment: The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Supportive Environment. This assessment should be informed by an analysis of student performance trends, attendance, suspension, school survey results and any major findings from your Quality Review (QR) or Alternate Quality Review (AQR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Supportive Environment. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

Part 3 – Action Plan

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5C – Framework for Great Schools Element – Collaborative Teachers: Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Collaborative Teachers. This assessment should be informed by an analysis of student performance trends, teacher performance and any major findings from your Quality Review (QR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

COMPREHENSIVE ASSESSMENT OF ACADEMIC PROGRAM

SCHOOLS STRENGTH

Currently the school has three teacher teams that meet once a week to develop and implement school wide instructional practices embedded in the CCLS and instructional shifts. During the team meetings teacher analyze student work and student progress against a school wide rubric.

Teacher teams have completed their subgroups and bottom third school wide template to identify at risk students and establish goals and an action plan to help students succeed.

Teacher teams explored how students learn best through analyzation of student work and incorporated the C.O.R.E.

A school wide expectation template has been issued and reviewed.

Professional Development has been offered on the Instructional Inquiry Cycle and how student data drives instruction.

Teacher team leaders has been established and is currently working on developing effective leadership strategies help guide their teams

Teacher teams have built a culture of professional collaboration in which they share insights relative to the coherence of teacher pedagogy.

Section 6: Academic Intervention Services (AIS)

(Required for All Schools)

Directions: Schools need to maintain accurate records of students who are receiving Academic Intervention Services (AIS) to ensure that students who are not achieving proficiency receive effective and timely assistance. These records need to be made available upon request and indicate the total number of students receiving AIS in each subject area listed below and for each applicable grade in your school.

Type of Academic Intervention Service (AIS)	Criteria for determining AIS services	Type of Program or strategy (e.g. repeated readings, interactive writings, etc.)	Method for delivery of service (e.g. small group, one-to-one, tutoring, etc.)	When the service is provided (e.g. during the school day, before or after school, etc.)

Section 7: Title I Program Information

Directions:

- All Schools must indicate their Title I status in Part 1.
- All elements of the *All Title I Schools* section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the *TA Schools Only* section in Part 3.
- All Schoolwide Program (SWP) Schools must also complete the *SWP Schools Only* section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section where the response can be found [for example, Section 5A-Part 4].
- For additional information, visit the [Title I Intranet webpage](#).

3a. Use of Program Resources

Describe how the TA program resources will assist participating children to meet proficiency.

3b. TA Coordination with the Regular Program

Describe the planning, coordination and support of the TA program with the regular educational program (i.e., providing ELT, accelerated, high-quality curriculum, including applied learning; and minimize removing children from the regular classroom during regular school day).

Part 4: SWP Schools Only

4a. Transition Plans to Assist Preschool Children (Elementary Schools Only)

Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/info, early intervention services, etc.).

4b. Measures to Include Teachers in Decisions Regarding Assessments

Describe the decision making process that teachers participate in regarding the use and selection of appropriate multiple assessment measures and the professional development provided regarding the use of assessment results to improve instruction.

- During the summer, members of the MOSL team were invited to share input on assessment selections, as well as plan for the two-day week zero PD sessions.
- On Day Two of Week Zero, the MOSL selections were shared with teachers.
- During Initial Conferences, MOSL selections were revisited within the context of the instructional content area

Teachers are involved in assessments and scoring

4c. "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes¹. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated². **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for FY '16 school allocation amounts)	Place an (X) in <u>Column A</u> below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in <u>Column B</u> , section references where a related program activity has been described in this plan.

¹Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using *all* its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used **conceptually** to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the **intent and purposes of the Federal programs** included in the consolidation so that the needs of the intended beneficiaries are met.

²The **intent and purposes** of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I Priority and Focus School Improvement Funding:** Support implementation of school improvement plans that aims to improve instruction and address the identified needs
- **Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program.
- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in

effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.

- **Title III Immigrant:** Supplementary and enhanced services to LEP/ELL immigrant students, in the areas of English language acquisition and content area achievement.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent Involvement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Section 9: Parent Involvement Policy (PIP) and School-Parent Compact (SPC) ***(Required for All Title I Schools)***

Directions: All Title I schools are required to have a Title I Parent Advisory Council (PAC) that develops a **Parent Involvement Policy (PIP)** in collaboration with the School Leadership Team that meets the parental involvement requirements of Title I. The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The **School-Parent Compact (SPC)** is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's PIP should align with current CEP goals for improving student achievement. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if the school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

Your school's Title I Parent Advisory Council (PAC) is encouraged to use the sample PIP and SPC templates below (which meet federal Title I parental involvement requirements) as guidance for updating the school's current policy.

Parent Involvement Policy (PIP)

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in the school. **[School name]**, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of the school community. **[School name]** will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math, and use of technology;

- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

The school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. The school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to the school to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in the school's Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability, grade-level curriculum, and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;
- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

The school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

[School name] , in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities:

Provide high quality curriculum and instruction consistent with Common Core State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting prior to December 1st of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;

- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

II. Parent/Guardian Responsibilities:

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;

- communicate with my child’s teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school’s Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

DEPARTMENT OF ENGLISH LANGUAGE LEARNERS AND STUDENT SUPPORT
GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM
2015-16 AND 2016-17 SCHOOL YEAR

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for English language learners (ELL). This is a two-year plan on how schools will support ELLs' linguistic and academic needs. This LAP form is a part of the school's Comprehensive Educational Plan (CEP). Note: this is a living document; any schoolwide changes involving serving ELLs, such as the addition or expansion of a transitional bilingual education (TBE) or dual language (DL) program should be updated in this form. Note new terminology based on CR Part 154.2 and 154.3. Agendas and minutes of LAP meetings should be kept readily available on file in the school. When preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, refer to the *English Language Learner Policy & Reference Guide*.

After reviewing and analyzing the assessment data, answer the following:

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., EL SOL, Estrellita, Fountas and Pinnell, DRA, TCRWP, teacher-created assessments). What insights does the data provide about your ELLs? How will this data help inform your school's instructional plan? Provide any quantitative data available to support your response.
We use teacher created assessments to assess the early literacy skills. *te response to questions here:*
- What is revealed by the data patterns across performance levels (on the NYSITELL and NYSESLAT) and grades?
The data pattern that is revealed is the students usually make progression over a span of time from one year to next *Paste response to question here:*
- How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAO tool](#))
The data reveals that the students are progressing towards their annual measurable achievement objectives *response to question here:*
- For each program, answer the following:
 - What are the patterns across performance levels and grades? How are ELLs faring in tests taken in English as compared to the home language?
 - Describe how the school leadership and teachers are using the results of the ELL periodic assessments.
 - What is the school learning about ELLs from the periodic assessments? How is the home language used?
Students are still not meeting their performance levels in ELA and on the standardized test. *ste response to questions here:*
- Describe how your school uses data to guide instruction for ELLs within the Response to Intervention (RtI) framework (for grades K-5). [Refer to [ELL Policy and Reference Guide](#), Support Services for ELLs (RTI and AIS) section and [RtI Guide for Teachers of ELLs](#).]
The ESL teacher uses the data to differentiate the activities that the students are completing *te response to question here:*
- How do you make sure that a student's new language development is considered in instructional decisions?
During planning time, the ESL teacher shares the data of the students with the instructional team and instructional decisions are made concerning that information. *Paste response to question here:*
- For dual language programs, answer the following:
 - How are the English-proficient students (EPs) assessed in the target language?

- b. What is the level of language proficiency in the target language for EPs?
- c. How are EPs performing on State and other assessments?

N/A

- 8. Describe how you evaluate the success of your programs for ELLs (e.g., meeting AYP for ELLs).

The number of students meeting the AYP

Part IV: ELL Identification Process

Describe how you identify English language learners (ELLs) in your school.

1. Describe the steps followed for the initial identification of ELLs. These steps must include administering the K–12 Home Language Identification Survey (HLIS) which includes the student and parent interviews in English and/or the parent’s preferred language of communication, and the formal initial assessments (i.e., NYSITELL, Spanish LAB, and LENS). Identify the person(s) responsible, including their qualifications. Refer to *ELL Policy and Reference Guide, ELL Identification* section.
Upon registration, the home language survey is completed and then the students are assessed
2. Describe how assessments are used to identify SIFE (Students with Interrupted/Inconsistent Formal Education) within 30 days of enrollment (e.g., LENS, SIFE questionnaire, student work).
Student work is analyzed
3. Describe the identification for newly enrolled students with IEPs. Include titles of the Language Proficiency Team (LPT) members (refer to *ELL Policy and Reference Guide, ELL Identification* section).
Ms. Turner the Special Education / ELA teacher will assessed the child if it is noted on IEP.
4. Describe how your school ensures that entitlement and non-entitlement parent notification letters are distributed within five school days after the NYSITELL is scanned and score is determined.
ESL Teacher ensures that process is completed.
5. Describe how parents are informed that they have the right to appeal ELL status within 45 days of enrollment (refer to *ELL Policy and Reference Guide, Re-Identification of ELL Status* section).
Parents are informed of the information
6. What structures are in place at your school to ensure that parents understand all three program choices (transitional bilingual education, dual language, and freestanding ENL) through the mandated parent orientation within the specified timeframe? Describe the process, outreach plan, and timelines.
N/A
7. Include how your school reaches out to parents to ensure Parent Surveys and Program Selection forms are returned in a timely manner and how your school monitors parent program choice. As per CR Part154.2, if a form is not returned, the default program for ELLs is bilingual education.
Calls and notifications are sent to the parents.
8. Describe how your school monitors the *Parent Survey and Program Selection* forms that have not been completed and returned.
ESL teacher follow up with the monitoring
9. Describe how your school ensures that placement parent notification letters are distributed.
ESL teacher oversees the distribution
10. Describe how your school retains all ELL documentation for each child (i.e., HLIS, non-entitlement, and entitlement letters).
All documentation is kept on file in main office.
11. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.
ESL Teacher develops the schedule to ensure all parts of the test is completed.
12. Describe how your school ensures that continued entitlement and transitional support parent notification letters are distributed.
ESL teacher ensures all documents are distributed.
13. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? Provide numbers. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings as per Aspira Consent Decree? Describe specific steps underway. (Refer to question six).
Small population of ESL students so program selections are determined according to the needs of the student.

Part V: ELL Programming

A. Programming and Scheduling Information

1. How is instruction for ELLs delivered in the following programs? Include how integrated and standalone ENL are implemented as per CR Part 154.2 as well as how students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogeneous [proficiency level is the same in one class]).
 - a. Freestanding ENL program.
Students are grouped according to their needs.
 - b. TBE program. *If applicable.*
Paste response to questions here:
 - c. DL program. *If applicable.*
Paste response to questions here:
2. How does the school ensure the mandated number of instructional minutes is provided according to proficiency levels in each program model?
 - a. How are explicit ENL, ELA, and HLA instructional minutes delivered in each program model (see charts 5.1 and 5.2 below)?
The mandated minutes are provided to students according to their needs.
3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods used to make content comprehensible to foster language development and meet the demands of the Common Core Learning Standards.
Language is Spanish, teacher does necessary planning.
4. How do you ensure that ELLs are appropriately evaluated in their home languages throughout the year?
Teacher conducts benchmarks assessments.
5. How do you ensure that ELLs are appropriately evaluated in all four modalities of English acquisition throughout the year?
Teacher conducts benchmarks assessments.
6. How do you differentiate instruction for each of the following ELL subgroups?
 - a. SIFE
 - b. Newcomer
 - c. Developing
 - d. Long Term
 - e. Former ELLs up to two years after exiting ELL status**Lesson are planning for differentiation through lessons.**
7. For students re-identified as ELL or non-ELL, based on an approved re-identification appeal within 45 days of student enrollment, describe how the school ensures the student's academic progress has not been adversely affected by the re-identification (within 6–12 months after the re-identification has been established). Refer to [*ELL Policy and Reference Guide, Re-Identification of ELL Status*](#) section.
Through assessments.
8. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?
Material that is used is a technology based curriculum
9. How does your school use curricular, instructional, and scheduling flexibility to enable ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment?
Scheduling is done to meet all needs of the students.

Chart 5.3

Home Language Usage and Supports

The chart below is a visual representation designed to show the variation of home language usage and supports across the program models. Note that home language support is never zero. TBE and dual language programs have both home language arts and subject areas taught in the home language; ENL has home language supports.

A. Programming and Scheduling Information--Continued

10. Describe your targeted intervention programs for ELLs in ELA, math, and other core content areas (specify ELL subgroups targeted). List the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
Students attend study hall on Wednesdays and Thursdays from 2:30-4:30.
11. Describe the effectiveness of your current program and how it is meeting the needs of your ELLs in both content and language development.
Program is effective due to the progression of the ELLs
12. What new programs or improvements will be considered for the upcoming school year?
Do not know at that time.
13. What programs/services for ELLs will be discontinued and why?
None
14. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
All ELLs are part of each program within the school.
15. What instructional materials, including technology, are used to support ELLs? Include core content area as well as language materials; list ELL subgroups if necessary.
Technology - chrome books
16. How is home language support delivered in each program model (DL, TBE, and ENL)?
Spanish is spoken by the teacher when needed.
17. Explain how the school ensures all required services/resources support and correspond to ELLs' ages and grade levels.
All mandated students received the required services.
18. Describe activities in your school that assist newly enrolled ELLs before the beginning of the school year. Include activities for new ELLs who enroll throughout the school year. Include titles of school staff involved in such activities (e.g., school counselor, parent coordinator).
Parent Coordinator and Interpreters are part of the assistance for newly enrolled Ells
19. What language electives are offered to ELLs?
N/A
20. For schools with dual language programs:
 - a. What dual language model is used (e.g., side-by-side, self-contained)? Explain how much of the instructional day (percentage) EPs and ELLs are integrated.
 - b. In which language(s) is each core content area taught?
 - c. How is each language separated for instruction?
 - d. Is emergent literacy taught in the child's home language first (sequential), or are both languages taught at the same time (simultaneous)?

N/A

B. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Include all teachers of ELLs.)
All staff members received PD on how to address the ELL subgroup.
2. What professional development is offered to teachers of ELLs (including ENL and bilingual teachers) in supporting ELLs as they engage in the Common Core Learning Standards?
ESL Teacher provides professional development sessions with teachers.
3. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
Guidance counselor provide services such as group sessions to discuss transition to High School
4. Describe how your school meets the professional development requirements as per CR Part 154.2: 15% of total hours for all teachers and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development. Include how records are kept for professional development activities (e.g. agendas, attendance). Refer to [ELL Policy and Reference Guide, Professional Development](#) section.
PD is provided each monday.

C. Parental Involvement

1. How does the school provide annual individual meetings with parents of ELLs to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas? Include provisions for interpretation and translation as needed. Note these meetings do not include mandated parent orientation meetings and DOE-scheduled parent-teacher conferences?

ESL teacher schedule meetings with parents to discuss goals.

2. Include how records are kept for annual individual meetings with ELL parents as well as outreach to ensure parent needs are accommodated (e.g., in person meetings, phone calls, letters). Refer to *ELL Policy Reference Guide, Parent Selection and Program Placement* section.

ESL teacher keeps all records.

3. Describe ELL parent involvement in your school. Include specific activities that foster parental involvement for parents of ELLs.

Parental Involvement is low.

4. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
no

5. How do you evaluate the needs of the parents?

Survey

6. How do your parental involvement activities address the needs of the parents?

Paste response to question here:

D. Additional Information

Include any additional information that would be relevant to your LAP and would further explain and highlight your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

None

2015-2016 LANGUAGE TRANSLATION AND INTERPRETATION PLAN

Requirement under Chancellor's Regulations – for all schools

DBN: **13k313** School Name: **Satellite West**
Superintendent: **Barbara Freeman**

Before you begin, please check the following:

- Principal has designated a Language Access Coordinator (LAC) in Galaxy
- The LAC has attended an in-person or online training (www.learnndoe.org/tiu/lac) by the Translation and Interpretation Unit
- The LAC is involved in the development of this Translation and Interpretation Plan

School Goal: To ensure that parents whose preferred language is other than English are provided with meaningful opportunities to participate in and have access to programs and services critical to their child's education ([Chancellor's Regulation A-663](#)).

By developing each of the following components, your school will have a comprehensive plan to provide translation and interpretation services for all parents who require such services.

Part A: Identification and Assessment of Limited-English-Proficient Parents

1. Describe the data and methodologies used to assess language preferences of the parent community for both written and oral communication. Include pertinent information culled from Part III of the Home Language Identification Survey (HLIS), ATS reports, Student Emergency Contact cards, and any surveys conducted by your school.

All parents/guardians of newly enrolled students fill out a Home Language Survey when enrolling their child. This form is maintained as part of the student's record. If the parent/guardian indicates on the HLIS that they would like to receive information from the school in their home language, forms being sent home are translated either in written form or orally to the parent/guardian. Information from teachers is translated to parents by staff members who speak the home language. There are currently 6 ELLs at Sat West. No parents have requested information to be sent home in a language other than English. However, the DOE Translation and Interpretation Unit will be utilized if a parent/guardian should request these services. This was indicated on the HLIS as well as confirmed orally by a pedagogue who speaks the parents' home language. During parent orientation, the parents provide requests for language preference and they document their language preference on the emergency contact cards. Parent surveys are distributed in the language requested, as well as English which has been requested by the parents. The ATS Report of Preferred Languages is updated regularly in order to maintain accurate information on parent language choices (RAPO ATS Report). Parent Blue Cards are also updated regularly to keep parent language choices current. Parent surveys are given out by the parent coordinator in order to maintain accurate data on parent language choices. Teachers also send home surveys by backpack or during parent conferences in order to collect parent data by class/grade. A report is generated using a variety of data sets in order to regularly update the languages that parents speak by class and/or grade.

2. List parents' preferred languages for both written and oral communication. Include all languages, even if only a limited number of parents indicate a language.

Approximately ninety-seven percent of the school's population reports English as the primary language. The remaining three percent speak Spanish. The school's demographic is made available on the school's official DOE website and is periodically reported in our school's newsletter. Teachers whose parents have elected to receive information in their home language have had this information communicated to them by the ENL teacher/coordinator. This was indicated on the HLIS. All other language needs are met through the utilization of the DOE Translation and Interpretation Unit.

Part B: Creating a Communications Calendar

1. List the documents your school typically disseminates every year that require translation and when they will be distributed to families. (The following contain critical information about educational programs and services and must be translated – annual handbooks, newsletters, calendars, parent-teacher conference announcements, after-school program information, New York State testing dates, general overview of student curriculum, letters from the school leadership.)

Documents which are distributed to parents/guardians and require translations are: annual handbooks, parent-teacher conference announcements, ELL parent orientation information letters, NYSESLAT testing notification and calendar, other NYS testing dates, curriculum overview, ELL entitlement and non-entitlement letters, as well as letters from the school leadership. Curriculum information is sent at the beginning of the school year. Testing dates and calendars are provided as soon as they become available in order to allow parent/guardians to prepare themselves as well as their children for upcoming events. Parent's Bill of Rights are distributed as they become available to the school. School announcements, after school program information, general overview of student curriculum and letters from school leadership is translated in order to keep all parents aware and engaged on all school matters.

2. List the formal face-to-face meetings your school will typically have with parents throughout the school year, such as parent-teacher conferences or curriculum nights, and when they will occur. As much as possible, also indicate any anticipated informal interactions, such as attendance teacher or guidance counselor calls to parents.

Sat West holds four parent conferences throughout the school year. The first, in September, introduces parents to their children's new grade and provides curriculum information. The next three, held in November, March and June are focused on student progress and grades. The ENL teacher holds a parent orientation for any newly enrolled ELL parent/guardian as well as separate meetings for individual ELL parent/guardians throughout the year. Teachers communicate with parents throughout the year in order to address questions/concerns as well as any possible issues in or outside of the classroom. If necessary, the guidance counselor will also be present during such meetings. In addition to these meetings, a designated one to one parent conference will take place annually in order to provide updates on student progress as mandated by CR Part 154.

Part C: Providing Language Assistance Services

1. Describe how your school will meet identified translation needs indicated in Part B. Include procedures to ensure timely provision of translated documents to parents. Indicate whether written translation services will be provided by the Translation & Interpretation Unit, an outside vendor or in-house by school staff.

If a parent indicates on the HLIS or communicates to a staff member that they would like to receive any forms from the school in their home language, Sat West is sure to meet these needs. The school will provide translation through the Department of Education for documents that relate specifically to the Chancellor's Regulation. The translation of the documents will be completed by the Translation and Interpretation Unit. A current roster of bilingual staff is maintained and updated regularly. A designated staff member will obtain documents and contact the Translation and Interpretation Unit to provide timely written translation services for designated parents. The services will be documented to ensure timely provision of translated documents to parents.

2. Describe how your school will meet identified interpretation needs indicated in Part B. Indicate whether interpretation services will be provided by over-the-phone interpreters via the Translation and Interpretation Unit, on-site interpreters provided by an outside vendor or in-house by school staff.

If a parent who has requested translation services visits or calls the school, a teacher who is proficient in the home language will be made available to translate between school staff and the parent. If a staff member who speak the parent's home language is not available, the DOE Translation and Interpretation Unit will be contacted and asked to take part in the meeting via telephone. There are currently school staff members that are proficient in Spanish and are able to support translation and interpretation services for the parents. A current roster is maintained and regularly updated in order to access bilingual staff that can be called upon to provide interpretation services for parents.

Part D: Training Staff on Policies and Procedures

Describe how your school will ensure that all staff members are aware of how to use translation services and the over-the-phone interpretation service. (e.g., T&I Brochure, Language ID Guide, Language Palm Card distributed at staff meetings, via email, etc.)

The Language Access Coordinator (LAC) has created articulation sheets informing teachers about the Translation and Interpretation Unit's services. Staff has been made aware of the LAC's role in the coordination of parent language needs and has been notified to contact the LAC and document the language needs of parents regularly. should any such needs occur. Staff members are provided with information on the use of translation services and over the phone interpretation services at faculty conferences twice a year. The Translation and Interpretation Language ID Guide and Language Palm Card are distributed at these sessions. These professional development sessions exclusively target translation and interpretation services for parents of English Language Learners. All teachers and school staff members are given copies of the "I Speak...." card which includes the phone number for over-the-phone interpretation.

Part E: Providing Notice of Language Assistance Services

Describe how your school will fulfill parental notification requirements for translation and interpretation services, as per Section VII of Chancellor's Regulation A-663. Note: The full text of Chancellor's Regulations A-663 (Translations) is available at <http://schools.nyc.gov/RulesPolicies/ChancellorsRegulations>

Checklist of Notification Requirements

- Welcome Poster
- Parents' Bill of Rights
- Parents' Guide to Language Access
- Language ID Guide at security desk and main office

Sat West has a multilingual welcome poster hanging in the main entrance to the school building so that everyone that enters the building is aware of language assistance services. Language I.D. guides are kept in at the security office as well as the main office. Information for parents on the N.Y.C.D.O. E.'s translation and interpretation services are available in 10 languages, and is kept at the security desk and main office. Parents' Bill of Rights are sent to the school in a variety of languages and they are distributed upon arrival to all parents who have indicated a preferred language other than English. Here at Sat West the school staff are aware of language assistance services provided by the school by using data (ATS Reports, Blue Cards and Surveys), updated roster of bilingual staff and The Translation and Interpretation Unit Services.

Part F: Monitoring and Quality Control

Describe mechanisms your school will use to gather feedback from parents on the quality and availability of services. (e.g., parent survey)

Parent surveys are distributed at the beginning of the year which gather feedback from parents on the quality and availability of services. The ENL teacher also meets individually with all parents/guardians of ELLs and can then also ascertain the needs and concerns that they may have. After such meetings, the ENL teacher confers with the parent coordinator and/or the classroom teachers in order to discuss the needs of the parents/guardians and students. In order to gather feedback from parents, we are creating a focus group of multilingual and multicultural parents to discuss their needs and the needs of their children. We can obtain information to inform our practices in order to improve the quality and availability of services we provide to parents and students.
