Section 2: School Leadership Team (SLT) Signature Page

All SLT members are expected to sign this page to confirm their participation in the development of this Comprehensive Educational Plan (CEP) and that they have been consulted with regarding the alignment of funding to support this school’s educational program, which includes annual goals and action plans, Academic Intervention Services (AIS), Parent Involvement Policy (PIP) and School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with [Chancellor’s Regulation A-655](#), available on the [New York City Department of Education \(NYCDOE\)](#) website.

Directions:

1. List the names of each SLT member in the first column on the chart below.
2. Specify the constituent group represented, e.g., parent, staff, student, Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*.
3. SLT members should review this document and sign in the right-hand column in **blue ink**. If an SLT member does not wish to sign this plan, the member may attach a written explanation in lieu of his/her signature, which must be maintained on file at the school with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
4. The original signed copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

Section 3: Directions and Guidance for Developing the Comprehensive Educational Plan

The Comprehensive Educational Plan is meant as a tool to facilitate continuous improvement planning – to support schools in engaging their staff, parents, students, and community partners in assessing and prioritizing school needs, setting measurable improvement goals, selecting appropriate strategies to improve student outcomes, monitoring progress toward meeting annual goals, and communicating these efforts to the broader school community. This section will provide School Leadership Teams (SLTs) with guidance regarding CEP development informed by the new [Strong Schools, Strong Communities](#) initiative and [Framework for Great Schools](#).

Strong Schools, Strong Communities

The New York City Department of Education (NYCDOE) is committed to working collaboratively with parents, families, educators, and communities to improve student achievement and ensure that every child graduates from high school prepared for college, a career, and a future as a productive, critically-thinking adult.

The Department is establishing programs to strengthen ties between schools and communities, and is giving teachers and students the support they need to reach higher standards. These programs and supports are building a system of schools centered on student learning. Along with strengthened partnerships between parents, teachers, students, school leaders, and communities, these initiatives will ensure Strong Schools, Strong Communities, so that all students succeed. Additional information is available in a [report](#), entitled *Strong Schools, Strong Communities: A New Approach to Supporting New York City's Public Schools and All of Our Students*.

The Framework for Great Schools and CEP Development

The [Framework for Great Schools](#) encourages parents, educators, school communities, and external stakeholders to work together to improve student achievement and increase learning opportunities. This collaborative focus will ensure that every child is consistently ready for the next grade, level, and set of challenges. The Comprehensive Educational Plan (CEP) will reflect this focus and should serve as the blueprint that engages a school community in a systematic, ongoing review and analysis of student needs to identify and address root causes and implement activities and strategies that improve outcomes for students.

Based on robust research, the six elements of the Framework identify the areas that we must improve to accomplish high student achievement. By focusing attention and resources on what it takes for schools to function well, the Framework for Great Schools identifies the underlying strengths and weaknesses of a school and shows community members concrete ways to improve.

In accordance with the requirements of [Chancellor's Regulations A-655](#), all SLTs are to develop an educational plan in consultation with parents, school staff, and students, to provide a meaningful opportunity for stakeholders to participate in shared decision making and school improvement. The expectation is that SLTs will engage in a comprehensive educational planning process to inform the development of two (2) to five (5) goals and action plans that align with the first five elements of the Framework for Great Schools (listed below). The sixth element, *Trust*, is foundational to all the other elements. A goal that reflects a holistic approach will often address more than one element, as the elements work together to support student achievement. Place your goal in the section of the template where it fits best, knowing that it likely addresses other elements as well.

The Six Elements of the Framework for Great Schools
Rigorous Instruction: Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.
Supportive Environment: The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.

Collaborative Teachers: Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.

Effective School Leadership: Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement.

Strong Family-Community Ties: School leadership brings resources from the community into the school building by welcoming, encouraging, and developing partnerships with families, businesses, and community-based organizations.

Trust: Everyone works toward the shared goal of improving student outcomes, preparing students for success in school and beyond. Across the school community, there is respect. School staff, parents, students and administrators value each other.

The Quality Review and the Framework for Great Schools

In order to address the six elements of the Framework for Great Schools, school communities should engage in improvement planning that is also informed by the NYCDOE's Quality Review Indicators and other quantitative and qualitative data.

NYCDOE's Quality Review (QR)

The Office of School Quality (OSQ) supports school improvement across the NYC Department of Education (DOE) by coordinating qualitative assessments of principals and school communities. All of the qualitative assessments are rooted in the Quality Review rubric and drive improvements to principal and school practice, with the ultimate goal of impacting student achievement. The 2015-16 Quality Review (QR) Rubric has ten indicators within three categories as outlined below:

- I. Instructional Core Across Classrooms: Curriculum (1.1), Pedagogy (1.2), Assessment (2.2)
- II. School Culture: Positive Learning Environment (1.4), High Expectations (3.4)
- III. Structures for Improvement: Leveraging Resources (1.3), Goals and Action Plans (3.1), Teacher Support and Supervision (4.1), Teacher Teams and Leadership Development (4.2), Monitoring and Revising Systems (5.1)

Title I Requirements and Strengthening Title I Parent Involvement

Title I schools are subject to ESEA/NCLB requirements regarding school accountability, highly qualified teachers, professional development, and parent involvement.

To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools will be expected to form a Title I Parent Advisory Council (PAC) during the 2015-16 school year. Each Title I PAC will have a minimum of three members, including a Chairperson and an alternate representative. The Title I PAC Chairperson (or alternate representative) shall be required to attend all regular meetings of the School Leadership Team (SLT). Guidance to support schools in forming their Title I PACs will be provided in September 2015.

Next Steps for CEP Development

School Leadership Teams should engage in the following steps:

- **Step 1:** Ensure that a fully formed and functional School Leadership Team (SLT) exists and meets all the requirements of [Chancellor's Regulations A-655](#).
- **Step 2:** Conduct a comprehensive needs assessment informed by the school's updated NYSED accountability status and most current quantitative and qualitative data. Prioritize areas of focus for this school year.
- **Step 3:** Revisit your school's current goals, modify existing goals, and/or strategically create new goals informed by the needs assessment and aligned with the Framework for Great Schools. Ensure the annual goals are SMART—Specific, Measurable, Achievable, Relevant, and Time-bound. Writing your goals as SMART will help you monitor progress against the qualitative or quantitative measures you've identified, and will help your school community know when you've reached your goal.

- **Step 4:** Build consensus around strategies, activities, and programs to address students' needs in each action plan. Create action plans that translate into observable, effective strategies to improve student achievement.
- **Step 5:** Update your school's AIS section. Title I schools must also update the Parent Involvement Policy (PIP) and School-Parent Compact (SPC).
- **Step 6:** Establish a process for engaging in progress monitoring throughout the school year as part of an overall cycle of continuous improvement planning to assess whether activities and strategies outlined in the action plans are resulting in improved student performance. Adjust practices, when necessary.

Treat the plan as a living document. Adjust the plan along the way as your experiences and the evidence justify. Careful implementation of your ideas, follow-through, and continuous evidence-based monitoring of progress are the keys to accomplishing desired results.

Section 4: CEP Overview

Develop a narrative summary that includes:

1. Contextual information about your school's community and its unique/important characteristics, including your school's mission statement and a description of strategic collaborations/partnerships and/or special initiatives being implemented.
2. Any special student populations and what their specific needs are.
3. The elements of the Framework for Great Schools in which your school made the most progress over the past year, and your key areas of focus for this school year.

Mission Statement

Frederick Douglass Academy VIII is a uniformed school, whose mission is to prepare scholars to enter prestigious institutions of higher learning. At Frederick Douglass Academy we believe that all children can learn and achieve. We believe it is our duty to make our students smarter than when they entered our learning institution. In order for our children to achieve we must provide them with opportunities to grow academically with respect, integrity and concerns for others. It is our goal to ensure that our faculty and administration establish high learning and growth expectations where all scholars will be immersed in academically challenging learning processes. These processes will support their educational growth and generate self-motivation, while fostering scholar ownership of the learning process.

Our faculty members are committed to this mission, and pledge to provide high quality content driven by Common Core and state learning standards; a nurturing environment where academic and social skills are developed; and the support necessary with our scholar families, for success in the competitive world of the 21st century.

Vision

Frederick Douglass Academy VIII is a public school that promises inner-city students a quality education comparable to that offered in an elite suburban school. We believe that staffing a team of deeply dedicated teachers, an atmosphere of disciplined creativity, and a refusal to accept mediocrity can transform the lives of inner-city kids. Our curriculum offers a wide range of academic and exploratory/elective courses. Every effort will be made to help students reach their potential in all areas of the school. We encourage all students to set personal goals, to aim high, and to work hard to accomplish their goals. We sincerely hope that your school year will be very rewarding and productive.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5A – Framework for Great Schools Element – Rigorous Instruction: Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Rigorous Instruction. This assessment should be informed by an analysis of student performance trends and any major findings from your Quality Review (QR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Based on the 2015 Framework for Great Schools report Frederick Douglass Academy VIII strengths are in developing interesting and challenging curricula and assessing what students are learning. Our need is to implement the instructional shifts in math as well as in the content areas. Another need is to implement differentiated instruction strategies and UDL in order for all learners to access rigorous content.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Rigorous Instruction. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2016, the mathematics team will collaboratively develop rigorous CCLS-aligned units of study, benchmark assessments and performance tasks for each grade to improve rigorous instruction as measured by the results of the beginning, middle and end of unit tasks.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Engaging families and supporting their understanding of Rigorous Instruction and the Common Core in order to support their children at home. 	<p>Target Group(s) <i>Who will be targeted?</i></p>	<p>Timeline <i>What is the start and end date?</i></p>	<p>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i></p>
<p>Math teachers will use the Go Math curriculum for all grades, which provides scaffolds for differentiation including supports for ELLs and SWDs.</p>			

Baseline assessments will be conducted to allow teachers to set goals and devise multiple entry points			
Math teachers will use exemplars from EngageNY and NTN resources to develop rigorous performance tasks			

Part 4 – Budget and Resource Alignment

Part 4a. Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.											
To be determined											
Part 4b. Indicate using an “X” the fund source(s) that will be utilized to support achievement of the specified goal.											
	Tax Levy		Title I SWP		Title I TA		Title II, Part A		Title III, Part A		Title III, Immigrant
	C4E		21st Century Grant		SIG/SIF		PTA Funded		In Kind		Other

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.										
Part 5b. In February 2016 , review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.										

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5B – Framework for Great Schools Element – Supportive Environment: The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Supportive Environment. This assessment should be informed by an analysis of student performance trends, attendance, suspension, school survey results and any major findings from your Quality Review (QR) or Alternate Quality Review (AQR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Supportive Environment. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2016, there will be a 3% increase in whole school attendance rate as measured by the school’s annual attendance report.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Engaging families and supporting their understanding of Supportive Environment in order to support their children at home. 	<p>Target Group(s) <i>Who will be targeted?</i></p>	<p>Timeline <i>What is the start and end date?</i></p>	<p>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i></p>

Part 4 – Budget and Resource Alignment

Part 4a. Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.

To be determined

Part 4b. Indicate using an “X” the fund source(s) that will be utilized to support achievement of the specified goal.

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.

Part 5b. In **February 2016**, review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5C – Framework for Great Schools Element – Collaborative Teachers: Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Collaborative Teachers. This assessment should be informed by an analysis of student performance trends, teacher performance and any major findings from your Quality Review (QR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Collaborative Teachers. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2016, inquiry team members will collaboratively analyze student performance tasks to recognize the individual needs and experiences of students and work together to better understand and support those diverse needs as measured by teacher evaluation results in Advance.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Strategies to promote teacher-parent collaborations to improve student achievement. 	<p>Target Group(s) <i>Who will be targeted?</i></p>	<p>Timeline <i>What is the start and end date?</i></p>	<p>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i></p>

Section 5E – Framework for Great Schools Element – Strong Family and Community Ties: The school creates a welcoming environment for families and takes advantage of community resources to enrich the civic life of the school.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Strong Family and Community Ties. This assessment should be informed by an analysis of student performance trends, student attendance, suspension, school survey results, parent attendance and any major findings from your Quality Review (QR), and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Strong Family and Community Ties. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

By June 2016, the school will develop a more collaborative partnership with families and community organizations, as measured by a 5% increase in parents who agree or strongly agree on the School Culture section of the NYC school survey.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Strategies to promote stronger family and community ties and to increase parent involvement in support of improved student outcomes. 	<p>Target Group(s) <i>Who will be targeted?</i></p>	<p>Timeline <i>What is the start and end date?</i></p>	<p>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i></p>

Part 4 – Budget and Resource Alignment

Part 4a. Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.

To be determined

Part 4b. Indicate using an “X” the fund source(s) that will be utilized to support achievement of the specified goal.

	Tax Levy		Title I SWP		Title I TA		Title II, Part A		Title III, Part A		Title III, Immigrant
	C4E		21 st Century Grant		SIG/SIF		PTA Funded		In Kind		Other

Part 5 – Progress Monitoring

Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.

Part 5b. In **February 2016**, review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 6: Academic Intervention Services (AIS)

(Required for All Schools)

Directions: Schools need to maintain accurate records of students who are receiving Academic Intervention Services (AIS) to ensure that students who are not achieving proficiency receive effective and timely assistance. These records need to be made available upon request and indicate the total number of students receiving AIS in each subject area listed below and for each applicable grade in your school.

Type of Academic Intervention Service (AIS)	Criteria for determining AIS services	Type of Program or strategy (e.g. repeated readings, interactive writings, etc.)	Method for delivery of service (e.g. small group, one-to-one, tutoring, etc.)	When the service is provided (e.g. during the school day, before or after school, etc.)
English Language Arts (ELA)				
Mathematics				
Science				
Social Studies				
At-risk services (e.g. provided by the Guidance Counselor, School Psychologist, Social Worker, etc.)				

Section 7: Title I Program Information

Directions:

- All Schools must indicate their Title I status in Part 1.
- All elements of the *All Title I Schools* section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the *TA Schools Only* section in Part 3.
- All Schoolwide Program (SWP) Schools must also complete the *SWP Schools Only* section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section where the response can be found [for example, Section 5A-Part 4].
- For additional information, visit the [Title I Intranet webpage](#).

Part 1: Title I Status

Indicate with an "X" your school's Title I Status.					
X	Schoolwide Program (SWP)		Targeted Assistance (TA) Schools		Non-Title I

Part 2: All Title I Schools

2a. Highly Qualified Teachers (HQT)

Describe the strategies and activities including strategies for recruitment, retention, assignments, and support including high quality professional development that ensures staff is highly qualified.

2b. High Quality and Ongoing Professional Development

Describe the activities and strategies for high quality professional development for teachers, principals, paraprofessionals, and staff that enable all students to meet Common Core State Standards (CCSS).

Part 3: TA Schools Only

3a. Use of Program Resources

Describe how the TA program resources will assist participating children to meet proficiency.

3b. TA Coordination with the Regular Program

Describe the planning, coordination and support of the TA program with the regular educational program (i.e., providing ELT, accelerated, high-quality curriculum, including applied learning; and minimize removing children from the regular classroom during regular school day).

Part 4: SWP Schools Only

4a. Transition Plans to Assist Preschool Children (Elementary Schools Only)

Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/info, early intervention services, etc.).

4b. Measures to Include Teachers in Decisions Regarding Assessments

Describe the decision making process that teachers participate in regarding the use and selection of appropriate multiple assessment measures and the professional development provided regarding the use of assessment results to improve instruction.

4c. "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes¹. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated². **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for FY '16 school allocation amounts)	Place an (X) in <u>Column A</u> below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in <u>Column B</u> , section references where a related program activity has been described in this plan.	
			Column A Verify with an (X)	Column B Section Reference(s)
Title I Part A (Basic)	Federal	183,464.00		
Title II, Part A	Federal	0		
Title III, Part A	Federal	0		
Title III, Immigrant	Federal	0		
Tax Levy (FSF)	Local	1,818,830.00		

¹Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using *all* its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used **conceptually** to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the **intent and purposes of the Federal programs** included in the consolidation so that the needs of the intended beneficiaries are met.

²The **intent and purposes** of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I Priority and Focus School Improvement Funding:** Support implementation of school improvement plans that aims to improve instruction and address the identified needs
- **Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program.
- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant:** Supplementary and enhanced services to LEP/ELL immigrant students, in the areas of English language acquisition and content area achievement.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor’s Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent Involvement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school’s approved grant application.

Section 9: Parent Involvement Policy (PIP) and School-Parent Compact (SPC)
(Required for All Title I Schools)

Directions: All Title I schools are required to have a Title I Parent Advisory Council (PAC) that develops a **Parent Involvement Policy (PIP)** in collaboration with the School Leadership Team that meets the parental involvement requirements of Title I. The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The **School-Parent Compact (SPC)** is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's PIP should align with current CEP goals for improving student achievement. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if the school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

Your school's Title I Parent Advisory Council (PAC) is encouraged to use the sample PIP and SPC templates below (which meet federal Title I parental involvement requirements) as guidance for updating the school's current policy.

Parent Involvement Policy (PIP) Template

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in the school. **Frederick Douglass Academy VIII**, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of the school community. **Frederick Douglass Academy VIII** will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math, and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

The school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. The

school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to the school to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in the school's Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability, grade-level curriculum, and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;
- schedule additional parent meetings, e.g., quarterly meetings with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;
- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

The school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC) Template

Frederick Douglass Academy VIII , in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities:

Provide high quality curriculum and instruction consistent with Common Core State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting prior to December 1st of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents;

- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department’s General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

II. Parent/Guardian Responsibilities:

- monitor my child’s attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child’s school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child’s education;
- communicate with my child’s teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school’s Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities:

- attend school regularly and arrive on time;

- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

DEPARTMENT OF ENGLISH LANGUAGE LEARNERS AND STUDENT SUPPORT
GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM

2015-16 AND 2016-17 SCHOOL YEAR

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for English language learners (ELL). This is a two-year plan on how schools will support ELLs' linguistic and academic needs. This LAP form is a part of the school's Comprehensive Educational Plan (CEP). Note: this is a living document; any schoolwide changes involving serving ELLs, such as the addition or expansion of a transitional bilingual education (TBE) or dual language (DL) program should be updated in this form. Note new terminology based on CR Part 154.2 and 154.3. Agendas and minutes of LAP meetings should be kept readily available on file in the school. When preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, refer to the *English Language Learner Policy & Reference Guide*.

ELE (Spanish Reading Test)								
Chinese Reading Test								

After reviewing and analyzing the assessment data, answer the following:

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., EL SOL, Estrellita, Fountas and Pinnell, DRA, TCRWP, teacher-created assessments). What insights does the data provide about your ELLs? How will this data help inform your school's instructional plan? Provide any quantitative data available to support your response.
 To assess the early literacy skills of the ELLs, teachers use TCRWP running records a minimum of four times per year. The data helps teachers track the growth and progress of all our students, especially the ELLs. According to the data, the current ELLs are at least one grade level behind their class peers, while former ELLs are all on or above grade level. This data will help inform the school's instructional plan by targeting those students who are in need of reading intervention, which is important in all content areas. This will also help teachers prepare differentiated reading tasks for these students.
- What is revealed by the data patterns across performance levels (on the NYSITELL and NYSESLAT) and grades?
 2. The data patterns show that over the course of the three years in middle school, students at FDA VIII most often enter High School at the Proficient or Commanding level. The largest number of ELLs is mainly in the sixth grade, and it tapers off to zero in the eighth grade. The exception to this finding is with the Students with Disabilities. Depending on the severity of their disability, some Students with Disabilities demonstrate little to no growth during their time at FDA VIII.
- How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAO tool](#))
 Paste response to question here:
- For each program, answer the following:
 - What are the patterns across performance levels and grades? How are ELLs faring in tests taken in English as compared to the home language?
 - Describe how the school leadership and teachers are using the results of the ELL periodic assessments.
 - What is the school learning about ELLs from the periodic assessments? How is the home language used?
 In the ENL stand-alone program, those students who are at the Expanding and Commanding levels are doing as well as their peers on assessments taken in English. Those who are at the Transitioning and Entering levels are performing lower than their peers on assessments taken in English. Assessments taken in their native language show no significant improvement. At this time, the school does not participate in the ELL periodic assessments.

5. Describe how your school uses data to guide instruction for ELLs within the Response to Intervention (RtI) framework (for grades K-5). [Refer to [ELL Policy and Reference Guide, Support Services for ELLs \(RTI and AIS\)](#) section and [RtI Guide for Teachers of ELLs](#).]
N/A
6. How do you make sure that a student's new language development is considered in instructional decisions?
Students' second language development is considered in instructional decisions by using cognates, when applicable.
7. For dual language programs, answer the following:
 - a. How are the English-proficient students (EPs) assessed in the target language?
 - b. What is the level of language proficiency in the target language for EPs?
 - c. How are EPs performing on State and other assessments?
 N/A
8. Describe how you evaluate the success of your programs for ELLs (e.g., meeting AYP for ELLs).
The success of the programs for ELLs is evaluated by the NYSESLAT scores each year. For example, of the 10 ELLs in the 2015 school year, 4 scored at the Commanding level. Additionally, 3 students scored at the Expanding level. The three students who scored at the Transitioning or Entering levels all have IEPs with modified criteria and it has been determined that these students have multiple disabilities which prevents them from meeting grade level standards.

Part IV: ELL Identification Process

Describe how you identify English language learners (ELLs) in your school.

1. Describe the steps followed for the initial identification of ELLs. These steps must include administering the K-12 Home Language Identification Survey (HLIS) which includes the student and parent interviews in English and/or the parent's preferred language of communication, and the formal initial assessments (i.e., NYSITELL, Spanish LAB, and LENS). Identify the person(s) responsible, including their qualifications. Refer to [ELL Policy and Reference Guide, ELL Identification](#) section.
Students who enter FDA as a new entrant to DOE or reenter after 2 continuous years not in a NY State school, the HLIS is administered. All communication with the parent is offered in both English and the home language. If the home language is other than English, the student is interviewed and his/her work is reviewed by the Language Proficiency Team, which is led by Rena Rubin, the ENL teacher. At this time it is also determined whether the student is SIFE. If the team determines that the student is eligible for the NYSITELL, the test is administered. If the student has an IEP and the team determines that the student is not eligible for the NYSITELL, the principal and superintendent must approve that decision. If the student scores below the cut score, the student is an ELL.
2. Describe how assessments are used to identify SIFE (Students with Interrupted/Inconsistent Formal Education) within 30 days of enrollment (e.g., LENS, SIFE questionnaire, student work).
In order to determine if a student is SIFE within 30 days of arrival, the school uses LENS, the SIFE questionnaire and samples of student work. The oral SIFE questionnaire is conducted in the child's native language and asks questions related to literacy and language skills in that language. Often, the child's answers indicate whether the student has had interrupted or inconsistent formal education. In addition, the LENS assessment is administered online. This give results in the student's abilities in phonic, language and math. It is a multilingual assessment that will determine whether the student has gaps in their education. Additionally, the team will look at student work samples to determine whether the student has basic understandings of how schools work.
3. Describe the identification for newly enrolled students with IEPs. Include titles of the Language Proficiency Team (LPT) members (refer to [ELL Policy and Reference Guide, ELL Identification](#) section).
When a new-admit enters the school with an IEP, the Language Proficiency Team is formed and reviews the evidence of the student's English language development. The LPT consists of Rena Rubin, ENL teacher, Chantal Grandchamps, Principal (IA), Elissa Ross, IEP Coordinator and the parent or guardian of the student. An interpreter is present, if needed. If the LPT recommends the student NOT take the NYSITELL, the recommendation is sent to the principal. If it is, again, determined he/she should NOT take the NYSITELL, the decision is sent to the superintendent or designee to review. If it is still determined that he/she is not eligible, the identification procedures terminate. If the LPT recommends that the student takes the NYSITELL. Identification procedures continue as with all students. At any point during the process, if the principal or superintendent determine she/he is eligible for NYSITELL, the students is administered the assessment and procedures continue as with all students.
4. Describe how your school ensures that entitlement and non-entitlement parent notification letters are distributed within five school days after the NYSITELL is scanned and score is determined.
As soon as school begins, an RLER report is run. Then, as it is determined that students are or are not eligible for the NYSITELL, entitlement and non-entitlement parent notifications are prepared. Within five days of the determination and/or administration, scoring and scanning of the NYSITELL, the letters are filled out, copied and distributed to students. These letters are distributed in English and the Home Language, if available.

5. Describe how parents are informed that they have the right to appeal ELL status within 45 days of enrollment (refer to [ELL Policy and Reference Guide, Re-Identification of ELL Status](#) section).
Parents are informed of their right to appeal ELL status within 45 days of enrollment during the HLIS administration interview and in the entitlement or non-entitlement letters that are distributed to the parents within 5 days of the scoring and scanning of the NYSITELL. These letters are provided in English and in the Home language. Requests for re-identification are accepted in the form of written consent.
6. What structures are in place at your school to ensure that parents understand all three program choices (transitional bilingual education, dual language, and freestanding ENL) through the mandated parent orientation within the specified timeframe? Describe the process, outreach plan, and timelines.
In order to ensure that parents understand all three program choices (transitional bilingual education, dual language, and freestanding ENL), parents are invited to attend a mandatory parent orientation. At this meeting, parents are invited to watch the video that describes the three models available. This video is shown in English and the Home language, if available. If it is not available, an interpreter is present or available on the phone. During the orientation, schools also provide information on standards, curriculum, and assessments. The parent orientation session must also provide a high quality orientation section on the Common Core Learning Standards, assessments, and school expectations for English language learners, as well as the program goals and requirements for bilingual education and English as a new language. After the information session, parents are to fill out the Parent Survey and Program Selection forms.
7. Include how your school reaches out to parents to ensure Parent Surveys and Program Selection forms are returned in a timely manner and how your school monitors parent program choice. As per CR Part154.2, if a form is not returned, the default program for ELLs is bilingual education.
If parents do not return the Parent Survey and Program Selection forms immediately following the orientation, phones calls are placed (with an interpreter) to ensure that the forms are returned within five days. Parents are informed that the default choice is Bilingual, and that is what the child will receive if the forms are not returned. The school monitors the parent choice by collecting and saving the data from year to year. Copies of the letters are retained in the students' permanent records.
8. Describe how your school monitors the *Parent Survey and Program Selection* forms that have not been completed and returned.
The school monitors forms that have not been returned by placing the originals and documentation from the orientation in the child's permanent record in addition to a record of the attempts made to reach out to the parents.
9. Describe how your school ensures that placement parent notification letters are distributed.
As soon as the Parent Survey and Program Selection forms are returned, placement notification letters are prepared in both English and the Home language. These letters are copied and distributed immediately to the students. The LPT keeps records of who has received letters.
10. Describe how your school retains all ELL documentation for each child (i.e., HLIS, non-entitlement, and entitlement letters).
Copies of all notification letters, HLIS, agendas from parent orientations and meetings are kept in a binder held by the LPT. Student specific, original documents, when applicable, are kept in the students' cumulative folders.
11. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.
NYSESLAT tests are ordered within the appropriate time frame. Immediately prior to the administration, an RLAT report is run to ensure that all ELLs who are eligible for testing will be assessed. A testing schedule is created to reflect administration of all sections of the NYSESLAT, with time allotted for absentees. If students are absent during administration, every effort is made to connect with the parents/guardians to ensure that the student will return within the testing window.
12. Describe how your school ensures that continued entitlement and transitional support parent notification letters are distributed.
At the beginning of the year, an RLAT report is printed with the "eligible students only" flag switched to "N". This enables the ELL specialist to determine who is to receive the continued entitlement letters and who is to receive the transitional support parent notification letters. Accurate records are kept to reflect who received the letters and who has returned the letters signed by a parent/guardian. These letters are sent in both English and the home language, if available.
13. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? Provide numbers. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings as per *Aspira Consent Decree*? Describe specific steps underway. (Refer to question six).
13. The trend in program choices that parents have requested is stand-alone ENL services. In the past three years, there has been one student eligible for LAB-R testing. After conducting the parent information orientation, her family was insistent that she receive stand-alone ENL services only. The other ELLs who have attended this school have stand-alone services indicated as their parent choice as well. Stand-alone ENL is the program model offered at our school, which aligns to the parent requests

Part V: ELL Programming

A. Programming and Scheduling Information

1. How is instruction for ELLs delivered in the following programs? Include how integrated and standalone ENL are implemented as per CR Part 154.2 as well as how students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogeneous [proficiency level is the same in one class]).
 - a. Freestanding ENL program.

Freestanding ENL is delivered exclusively at this school. The students receive services through integrated and standalone ENL throughout the school week. Students are grouped in blocks that travel together during the day. These groups are graded with heterogeneous proficiency level groupings. Only students on the Entering or Emerging levels receive standalone ENL. TBE and DL programs are not currently offered at this school.
 - b. TBE program. *If applicable.*

Paste response to questions here:
 - c. DL program. *If applicable.*

Paste response to questions here:
2. How does the school ensure the mandated number of instructional minutes is provided according to proficiency levels in each program model?
 - a. How are explicit ENL, ELA, and HLA instructional minutes delivered in each program model (see charts 5.1 and 5.2 below)?

Integrated ENL is provided in one of the four core classes, ELA, Math, Science or Social Studies. The ENL teacher collaborates with the subject teachers and co-teaches the lessons or works with small groups in the class on lessons that parallel the one being taught. All ELLs and Former ELLs receive ELA for 8 periods per week. No students receive HLA.
3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods used to make content comprehensible to foster language development and meet the demands of the Common Core Learning Standards.

Core content is delivered from content specialists in all areas with language support from the ENL provider. All content is provided in English. Some instructional approaches and methods that are used to make content comprehensible and to foster language development is scaffolding, front-loading vocabulary, chunking texts, providing leveled texts to all students, choral reading, providing audio to accompany challenging texts, sentence frames and providing opportunities to practice language through the content. All core classes at this school follow the Common Core Learning Standards and use the rigorous standards to build units and lessons that will help develop the content and language skills of all students.
4. How do you ensure that ELLs are appropriately evaluated in their home languages throughout the year?

ELLs who are literate in their home language and have received formal education in that language are assessed in both English and their home language when applicable. Teachers use translating apps and programs and pedagogues fluent in that language to assist.
5. How do you ensure that ELLs are appropriately evaluated in all four modalities of English acquisition throughout the year?

ELLs are evaluated in all four modalities of English language acquisition throughout the year in their content area classes and by the ENL provider. All classes require students to read, write, speak and listen. The students are evaluated formally and informally using conferencing, exit tickets, notebook checks and more.
6. How do you differentiate instruction for each of the following ELL subgroups?
 - a. SIFE
 - b. Newcomer
 - c. Developing
 - d. Long Term
 - e. Former ELLs up to two years after exiting ELL status
 - a. SIFE – there are currently no SIFE students in this school. In the past five years there have been no SIFE students. If there were, SIFE students would receive instruction in strategies that can be applied across content areas and in life. Teachers would use collaborative learning structures to ease the anxiety of the SIFE students and we would provide basic literacy skills instruction.
 - b. Newcomer – there are currently no Newcomers in this school. In the past five years there has been one newcomer. She utilized technology to translate when needed. Her tests were provided in her home language and in English. Pull-out instruction time was focused on bolstering her English reading, speaking, writing and listening skills. However, most of her ENL instruction was push-in where she worked with her classmates and the ENL provider to complete the content area curriculum.

c. Developing ELLs receive 4 periods of integrated ENL instruction. Classroom teachers differentiate for these students by providing leveled texts for reading and translating or modifying the question stems for more manageable structures. These students also are provided with extra time to complete assignments and assessments. Students are also provided with sentence frames, graphic organizers and cooperative grouping to help foster language development.

d. Long-term ELLs receive many supports in all of their classes because most of our long-term ELLs are also eligible for Special Education services and are in ICT classes. These students receive explicit instruction in language development and usage in addition to differentiation in their content areas, such as scaffolding and front-loading vocabulary.

e. Former ELLs (up to two years after exiting ELL status) receive the same instruction and curriculum as their peers, but with some accommodation. All classes are differentiated according to the needs in the classroom, and these students are no exception. The ENL teacher meets with all teachers to help content area teachers notice where language is still holding back the students. Differentiation is provided based on these findings. Former ELLs also receive 2 years of ENL support and extended time on assessments.

7. For students re-identified as ELL or non-ELL, based on an approved re-identification appeal within 45 days of student enrollment, describe how the school ensures the student's academic progress has not been adversely affected by the re-identification (within 6–12 months after the re-identification has been established). Refer to [*ELL Policy and Reference Guide, Re-Identification of ELL Status*](#) section.

Between 6 and 12 months (from the date of the superintendent's notification to the principal, parent, guardian, and/or student), the principal, must review the Re-identification Process decision to ensure that the student's academic progress has not been adversely affected by the determination. The principal will consult with a qualified staff member in the school, the parent/guardian, and the student. If the principal, based on the recommendation of qualified personnel and consultation with the parent/guardian believes that the student may have been adversely affected by the determination, the principal must provide additional support services and may reverse the determination within this same 6-to-12 month period. If the principal's decision is to reverse the ELL status, he/she must consult with the superintendent or his/her designee.

8. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?

Teachers of ELL-SWDs use instructional strategies such as think-pair-share, turn & talk, 4A's protocol and other methodologies to help students learn both content and language. Teachers also backwards plan so that language instruction is happening on a regular basis and is purposeful. Content teachers and ENL trained providers meet on a regular basis to ensure that students are exposed to grade level materials while having instruction appropriately differentiated to facilitate language learning.

9. How does your school use curricular, instructional, and scheduling flexibility to enable ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment?

ELL-SWDs are serviced in ICT situations so as to attain English proficiency within the least restrictive environment. The school follows Teachers College for reading and writing in the ELA and content area classrooms. This program's flexibility helps students with all needs access higher order thinking via texts on each student's level. All teachers have time built into their program to meet at content-based and grade-level meetings at least once per week. Additionally, each teacher is an achievement coach for a maximum of 15 students. Achievement coaches meet with their students once a week to monitor progress and to help enable students to achieve their IEP goals and English proficiency.

Chart 5.3

Home Language Usage and Supports

The chart below is a visual representation designed to show the variation of home language usage and supports across the program models. Note that home language support is never zero. TBE and dual language programs have both home language arts and subject areas taught in the home language; ENL has home language supports.

A. Programming and Scheduling Information--Continued

10. Describe your targeted intervention programs for ELLs in ELA, math, and other core content areas (specify ELL subgroups targeted). List the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
11. Describe the effectiveness of your current program and how it is meeting the needs of your ELLs in both content and language development.

The current program is highly effective. In the 2014 School Year, 4 out of 10 ELLs reached the Commanding level. Of the six who did not, 2 are Long-Term ELL-SWDs. The year prior, 3 out of 8 ELLs reached Proficient level. Of the three who did not, one was a Newcomer and two were a Long-Term ELL-SWDs. Those students who are reaching Proficient/Commanding level who had previously plateaued at the Advanced level.
12. What new programs or improvements will be considered for the upcoming school year?

New programs that are planned for this school year are.
13. What programs/services for ELLs will be discontinued and why?

There are no programs or services for ELLs that will be discontinued.
14. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.

ELLs are afforded equal access to all school programs including the Arts and after-school activities. All ELLs are able to participate in the Sports and Arts after school program, which provides HW help, reading and writing support, leadership opportunities and community service.
15. What instructional materials, including technology, are used to support ELLs? Include core content area as well as language materials; list ELL subgroups if necessary.

The instructional materials that are used to support ELLs are a large variety of leveled and grade appropriate books in the classroom libraries, access to the Media Center laptops and Mac computers for translation and support and the Academic Vocabulary Toolkit program to help foster academic language acquisition.
16. How is home language support delivered in each program model (DL, TBE, and ENL)?

Home language support is delivered in the ENL model by providing reading opportunities in the home language (where available) and by providing the opportunity to have assessments available in multiple languages.
17. Explain how the school ensures all required services/resources support and correspond to ELLs' ages and grade levels.

As we are a middle school, all of our required services/resources support are appropriate for the ages and grade levels of the ELLs. The classroom libraries have many hi-low texts that the ELLs who need are able to use in the classroom and at home.
18. Describe activities in your school that assist newly enrolled ELLs before the beginning of the school year. Include activities for new ELLs who enroll throughout the school year. Include titles of school staff involved in such activities (e.g., school counselor, parent coordinator).

The activities in this school to assist newly enrolled ELLs before the beginning of the school year are counseling and achievement coaching.
19. What language electives are offered to ELLs?

Students in this school are offered French as a foreign language.
20. For schools with dual language programs:
 - a. What dual language model is used (e.g., side-by-side, self-contained)? Explain how much of the instructional day (percentage) EPs and ELLs are integrated.
 - b. In which language(s) is each core content area taught?
 - c. How is each language separated for instruction?
 - d. Is emergent literacy taught in the child's home language first (sequential), or are both languages taught at the same time (simultaneous)?

N/A

B. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Include all teachers of ELLs.)
15% of all PDs this school year will be dedicated to ELL supports and strategies for the ELL providers. Some professional development will occur at workshops around the city, but most will be on-site and turn-keyed by the ENL specialist. This will include, but is not limited to differentiation and the specific assessment needs of ELLs.
2. What professional development is offered to teachers of ELLs (including ENL and bilingual teachers) in supporting ELLs as they engage in the Common Core Learning Standards?
Professional development will be offered to all teachers of ELLs in scaffolding and supporting non-fiction reading in content area classes, designing assessments so ELLs can demonstrate what they know and are able to do, building on cultures and background knowledge to bring the gap between old and new and analyzing complex texts to help break down the structures to be meaningful to ELLs.
3. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
The supports provided to staff to ELLs transition from elementary to middle and from middle to high school are built in to our advisory program. All students are paired with an “achievement coach” who is dedicated to assist with such transitions and ease issues with content and language acquisition.
4. Describe how your school meets the professional development requirements as per CR Part 154.2: 15% of total hours for all teachers and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development. Include how records are kept for professional development activities (e.g. agendas, attendance). Refer to [ELL Policy and Reference Guide, Professional Development](#) section.

The ENL teacher will spend 50% of PD time at ELL specific workshops. Those will then be turn-keyed to the remainder of the staff during Monday PD time for a minimum of 15% of the overall workshops for the school year. Accurate records will be kept in the form of agendas and attendance records for those meetings.

C. Parental Involvement

1. How does the school provide annual individual meetings with parents of ELLs to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas? Include provisions for interpretation and translation as needed. Note these meetings do not include mandated parent orientation meetings and DOE-scheduled parent-teacher conferences?
Each ELL family is invited to join the ENL teacher for an annual individual conference to discuss the goals of the program, language development progress, results and needs. For these meetings, over-the-phone interpreters will be used via the Translation and Interpretation Unit of the DOE. The teacher will use the Tuesday parent engagement time to meet with these parents, which is separate from DOE scheduled parent-teacher conferences.
2. Include how records are kept for annual individual meetings with ELL parents as well as outreach to ensure parent needs are accommodated (e.g., in person meetings, phone calls, letters). Refer to [ELL Policy Reference Guide, Parent Selection and Program Placement](#) section.

3. Describe ELL parent involvement in your school. Include specific activities that foster parental involvement for parents of ELLs.
ELL parent involvement in our school is comparable to general education students.
4. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
The school does not partner with other agencies or Community based organizations to provide workshops or services to ELL parents.
5. How do you evaluate the needs of the parents?
The needs of the parents is collected throughout the year through surveys sent home to students and through regular communication with the parents.
6. How do your parental involvement activities address the needs of the parents?
The activities address the needs of the parents because parents have asked to learn about how to help their children read and also how to address the unique needs of middle school children. In response, we have started a parent book club that will teach parents how to closely read texts. The first book is about how the new pre-teen and how to best help them in our digital world.

D. Additional Information

Include any additional information that would be relevant to your LAP and would further explain and highlight your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

2015-2016 LANGUAGE TRANSLATION AND INTERPRETATION PLAN

Requirement under Chancellor's Regulations – for all schools

DBN: **19k452**

School Name: **Frederick Douglass Academy VIII**

Superintendent: **Joyce Stallings**

Before you begin, please check the following:

- Principal has designated a Language Access Coordinator (LAC) in Galaxy
- The LAC has attended an in-person or online training (www.learnndoe.org/tiu/lac) by the Translation and Interpretation Unit
- The LAC is involved in the development of this Translation and Interpretation Plan

School Goal: To ensure that parents whose preferred language is other than English are provided with meaningful opportunities to participate in and have access to programs and services critical to their child's education ([Chancellor's Regulation A-663](#)).

By developing each of the following components, your school will have a comprehensive plan to provide translation and interpretation services for all parents who require such services.

Part A: Identification and Assessment of Limited-English-Proficient Parents

1. Describe the data and methodologies used to assess language preferences of the parent community for both written and oral communication. Include pertinent information culled from Part III of the Home Language Identification Survey (HLIS), ATS reports, Student Emergency Contact cards, and any surveys conducted by your school.

The data used to assess language preferences of the parent community for both written and oral communication is pulled from the RAPL report on ATS as well as through beginning of the year documents required each year (emergency information and contact forms). In addition to the school-wide documents, individual teachers also collect information about preferred languages for communication purposes.

2. List parents' preferred languages for both written and oral communication. Include all languages, even if only a limited number of parents indicate a language.

The preferred languages for both written and oral communications are (in descending order):

- a. Spanish
- b. Bengali (some parents preferred written or oral communication in English)
- c. Haitian Creole
- d. Chinese
- e. Yoruba
- f. Afrikaans
- g. Vietnamese

Part B: Creating a Communications Calendar

1. List the documents your school typically disseminates every year that require translation and when they will be distributed to families. (The following contain critical information about educational programs and services and must be translated – annual handbooks, newsletters, calendars, parent-teacher conference announcements, after-school program information, New York State testing dates, general overview of student curriculum, letters from the school leadership.)

The school typically disseminates multiple documents that require translation.

Type of Document	When it will be Distributed
Calendar	Monthly
School Policies	September and as needed
Notifications regarding Parent Engagement/Conferences	Before each event
After School Programs	September
Testing Information	March
Curriculum and Syllabi	September
Letters from Administration regarding news or events.	As needed

2. List the formal face-to-face meetings your school will typically have with parents throughout the school year, such as parent-teacher conferences or curriculum nights, and when they will occur. As much as possible, also indicate any anticipated informal interactions, such as attendance teacher or guidance counselor calls to parents.

The formal face-to-face meetings that the school will typically have are Parent-Teacher conferences and Curriculum Nights which occur four times per year as designated by the DOE calendar. IEP meetings will also occur on a regular basis. Additionally, teachers typically meet with parents on Tuesdays on an as-needed basis. Calls from the guidance counselor or dean will also happen on an as-needed basis. Each advisory teacher will contact their targeted group of students multiple times throughout the year as well.

Part C: Providing Language Assistance Services

1. Describe how your school will meet identified translation needs indicated in Part B. Include procedures to ensure timely provision of translated documents to parents. Indicate whether written translation services will be provided by the Translation & Interpretation Unit, an outside vendor or in-house by school staff.

The school will meet the identified translation needs by utilizing the translation and interpretation services provided by the Translation and Interpretation unit of the DOE. Additionally, we will use translation software and bilingual school staff to assist in these matters, when available.

2. Describe how your school will meet identified interpretation needs indicated in Part B. Indicate whether interpretation services will be provided by over-the-phone interpreters via the Translation and Interpretation Unit, on-site interpreters provided by an outside vendor or in-house by school staff.

Interpretation needs will be met using school staff, when available, and over-the-phone interpreters, when needed. For IEP meetings and parent meetings that are anticipated to require interpretations, we will have the over-the-phone interpreters ready prior to the meeting. As we will be having student-led conferences, it is anticipated that fewer interpreters will be needed.

Part D: Training Staff on Policies and Procedures

Describe how your school will ensure that all staff members are aware of how to use translation services and the over-the-phone interpretation service. (e.g., T&I Brochure, Language ID Guide, Language Palm Card distributed at staff meetings, via email, etc.)

All staff members are aware that the translation services and over-the-phone interpretation through a letter explaining the different services that are available and the importance of communicating with parents in their preferred language. This letter is in the Teacher's Handbook.

Part E: Providing Notice of Language Assistance Services

Describe how your school will fulfill parental notification requirements for translation and interpretation services, as per Section VII of Chancellor's Regulation A-663. Note: The full text of Chancellor's Regulations A-663 (Translations) is available at <http://schools.nyc.gov/RulesPolicies/ChancellorsRegulations>

Checklist of Notification Requirements

- Welcome Poster
- Parents' Bill of Rights
- Parents' Guide to Language Access
- Language ID Guide at security desk and main office

All of the above are posted in multiple languages.

Part F: Monitoring and Quality Control

Describe mechanisms your school will use to gather feedback from parents on the quality and availability of services. (e.g., parent survey)

The mechanisms that the school will use to gather feedback from parents on the quality and availability of services are surveys and conversations via the Parent Coordinator and Language Access Coordinator.
