Section 2: School Leadership Team (SLT) Signature Page

All SLT members are expected to sign this page to confirm their participation in the development of this Comprehensive Educational Plan (CEP) and that they have been consulted with regarding the alignment of funding to support this school’s educational program, which includes annual goals and action plans, Academic Intervention Services (AIS), Parent Involvement Policy (PIP) and School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with [Chancellor’s Regulation A-655](#), available on the [New York City Department of Education \(NYCDOE\)](#) website.

Directions:

1. List the names of each SLT member in the first column on the chart below.
2. Specify the constituent group represented, e.g., parent, staff, student, Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*.
3. SLT members should review this document and sign in the right-hand column in **blue ink**. If an SLT member does not wish to sign this plan, the member may attach a written explanation in lieu of his/her signature, which must be maintained on file at the school with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
4. The original signed copy, along with any written communications pertaining to this page, is to remain on file in the principal’s office and be made available upon written request.

Section 3: Directions and Guidance for Developing the Comprehensive Educational Plan

The Comprehensive Educational Plan is meant as a tool to facilitate continuous improvement planning – to support schools in engaging their staff, parents, students, and community partners in assessing and prioritizing school needs, setting measurable improvement goals, selecting appropriate strategies to improve student outcomes, monitoring progress toward meeting annual goals, and communicating these efforts to the broader school community. This section will provide School Leadership Teams (SLTs) with guidance regarding CEP development informed by the new [Strong Schools, Strong Communities](#) initiative and [Framework for Great Schools](#).

Strong Schools, Strong Communities

The New York City Department of Education (NYCDOE) is committed to working collaboratively with parents, families, educators, and communities to improve student achievement and ensure that every child graduates from high school prepared for college, a career, and a future as a productive, critically-thinking adult.

The Department is establishing programs to strengthen ties between schools and communities, and is giving teachers and students the support they need to reach higher standards. These programs and supports are building a system of schools centered on student learning. Along with strengthened partnerships between parents, teachers, students, school leaders, and communities, these initiatives will ensure Strong Schools, Strong Communities, so that all students succeed. Additional information is available in a [report](#), entitled *Strong Schools, Strong Communities: A New Approach to Supporting New York City's Public Schools and All of Our Students*.

The Framework for Great Schools and CEP Development

The [Framework for Great Schools](#) encourages parents, educators, school communities, and external stakeholders to work together to improve student achievement and increase learning opportunities. This collaborative focus will ensure that every child is consistently ready for the next grade, level, and set of challenges. The Comprehensive Educational Plan (CEP) will reflect this focus and should serve as the blueprint that engages a school community in a systematic, ongoing review and analysis of student needs to identify and address root causes and implement activities and strategies that improve outcomes for students.

Based on robust research, the six elements of the Framework identify the areas that we must improve to accomplish high student achievement. By focusing attention and resources on what it takes for schools to function well, the Framework for Great Schools identifies the underlying strengths and weaknesses of a school and shows community members concrete ways to improve.

In accordance with the requirements of [Chancellor's Regulations A-655](#), all SLTs are to develop an educational plan in consultation with parents, school staff, and students, to provide a meaningful opportunity for stakeholders to participate in shared decision making and school improvement. The expectation is that SLTs will engage in a comprehensive educational planning process to inform the development of two (2) to five (5) goals and action plans that align with the first five elements of the Framework for Great Schools (listed below). The sixth element, *Trust*, is foundational to all the other elements. A goal that reflects a holistic approach will often address more than one element, as the elements work together to support student achievement. Place your goal in the section of the template where it fits best, knowing that it likely addresses other elements as well.

The Six Elements of the Framework for Great Schools
Rigorous Instruction: Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.
Supportive Environment: The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.

Collaborative Teachers: Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.

Effective School Leadership: Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement.

Strong Family-Community Ties: School leadership brings resources from the community into the school building by welcoming, encouraging, and developing partnerships with families, businesses, and community-based organizations.

Trust: Everyone works toward the shared goal of improving student outcomes, preparing students for success in school and beyond. Across the school community, there is respect. School staff, parents, students and administrators value each other.

The Quality Review and the Framework for Great Schools

In order to address the six elements of the Framework for Great Schools, school communities should engage in improvement planning that is also informed by the NYCDOE's Quality Review Indicators and other quantitative and qualitative data.

NYCDOE's Quality Review (QR)

The Office of School Quality (OSQ) supports school improvement across the NYC Department of Education (DOE) by coordinating qualitative assessments of principals and school communities. All of the qualitative assessments are rooted in the Quality Review rubric and drive improvements to principal and school practice, with the ultimate goal of impacting student achievement. The 2015-16 Quality Review (QR) Rubric has ten indicators within three categories as outlined below:

- I. Instructional Core Across Classrooms: Curriculum (1.1), Pedagogy (1.2), Assessment (2.2)
- II. School Culture: Positive Learning Environment (1.4), High Expectations (3.4)
- III. Structures for Improvement: Leveraging Resources (1.3), Goals and Action Plans (3.1), Teacher Support and Supervision (4.1), Teacher Teams and Leadership Development (4.2), Monitoring and Revising Systems (5.1)

Title I Requirements and Strengthening Title I Parent Involvement

Title I schools are subject to ESEA/NCLB requirements regarding school accountability, highly qualified teachers, professional development, and parent involvement.

To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools will be expected to form a Title I Parent Advisory Council (PAC) during the 2015-16 school year. Each Title I PAC will have a minimum of three members, including a Chairperson and an alternate representative. The Title I PAC Chairperson (or alternate representative) shall be required to attend all regular meetings of the School Leadership Team (SLT). Guidance to support schools in forming their Title I PACs will be provided in September 2015.

Next Steps for CEP Development

School Leadership Teams should engage in the following steps:

- **Step 1:** Ensure that a fully formed and functional School Leadership Team (SLT) exists and meets all the requirements of [Chancellor's Regulations A-655](#).
- **Step 2:** Conduct a comprehensive needs assessment informed by the school's updated NYSED accountability status and most current quantitative and qualitative data. Prioritize areas of focus for this school year.
- **Step 3:** Revisit your school's current goals, modify existing goals, and/or strategically create new goals informed by the needs assessment and aligned with the Framework for Great Schools. Ensure the annual goals are SMART—Specific, Measurable, Achievable, Relevant, and Time-bound. Writing your goals as SMART will help you monitor progress against the qualitative or quantitative measures you've identified, and will help your school community know when you've reached your goal.

- **Step 4:** Build consensus around strategies, activities, and programs to address students' needs in each action plan. Create action plans that translate into observable, effective strategies to improve student achievement.
- **Step 5:** Update your school's AIS section. Title I schools must also update the Parent Involvement Policy (PIP) and School-Parent Compact (SPC).
- **Step 6:** Establish a process for engaging in progress monitoring throughout the school year as part of an overall cycle of continuous improvement planning to assess whether activities and strategies outlined in the action plans are resulting in improved student performance. Adjust practices, when necessary.

Treat the plan as a living document. Adjust the plan along the way as your experiences and the evidence justify. Careful implementation of your ideas, follow-through, and continuous evidence-based monitoring of progress are the keys to accomplishing desired results.

Section 4: CEP Overview

Develop a narrative summary that includes:

1. Contextual information about your school's community and its unique/important characteristics, including your school's mission statement and a description of strategic collaborations/partnerships and/or special initiatives being implemented.
2. Any special student populations and what their specific needs are.
3. The elements of the Framework for Great Schools in which your school made the most progress over the past year, and your key areas of focus for this school year.

Brooklyn Academy High School is a small transfer high school that provides support and structure for students who are over aged and under credited. We are committed to the notion that learning must be approached from perspective of the whole person. We serve students who need a new environment and are motivated to make change to receive their high school diploma. We meet our students on a one-to-one basis and we provide them with the support, instruction and encouragement necessary for success.

Our vision is to develop a school in which each child is supported, taught, academically challenged and treated as if they were our own children. Our mission is to make our students college and career ready at the time of their graduation. Guidance is provided for college and career counselling while students enjoy a comprehensive Learning to Work component provided by our CBO, CAMBA. Student internships, clubs, organizations and teams compliment the overall activities of the school.

Last year our teachers were committed to and excelled in encouraging students to participate in classroom discussion, using the Socratic Seminar. Students were also encouraged to use concrete evidence to support their arguments. This school year teachers are focused on student (self and peer) assessment. Teachers will also be engaged in their own peer evaluation; forming teams to visit their colleagues' classrooms and providing feedback.

The Framework for Great Schools encourages parents, educators, school communities and external stakeholders to work together to improve student achievement. To that end the administration at Brooklyn Academy will provide structured professional development on a weekly basis for all teachers. This will be facilitated by our instruction specialist Ms. Toni Mulraney. Our key areas of focus will be student writing across curriculum, questioning and discussion in the classroom, and student assessment.

Our curriculum will be aligned to the Common Core Learning Standards to challenge students and promote critical thinking by students. Teachers will continue to have a student centered environment in their classrooms, where students feel safe and supported.

Brooklyn Academy will continue to have an open door policy to parents and guardians. Parent workshops will continue under the guidance of our Parent Coordinator. Parents will be informed and invited to all activities, and will be encouraged to attend our PTA/SLT meetings where they will be a part of decision making at Brooklyn Academy.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5A – Framework for Great Schools Element – Rigorous Instruction: Instruction is customized, inclusive, motivating, and aligned to the Common Core. High standards are set in every classroom. Students are actively engaged in ambitious intellectual activity and developing critical thinking skills.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Rigorous Instruction. This assessment should be informed by an analysis of student performance trends and any major findings from your Quality Review (QR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

In compliance with our Teacher Evaluation System and the Capacity Framework, the focus is on teacher practice; the emphasis is Domain 3 Instruction of the Danielson Framework. Last school year students continued the use of the Socratic Seminar for class discussion across curriculum. Teachers visited each other’s classrooms gave actionable feedback and engaged in the Peer Learning Circle. This school year our priority needs continue to be:

- Student engagement
- Student to student discussion
- Encouragement of critical thinking by students through in depth questioning
- Student assessment

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Rigorous Instruction. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

Teachers will again participate in weekly Professional Development with Toni Mulraney, educational consultant from Creative Solution Services. The focus remains Domain 3 of the Danielson Framework, which will be measured by monthly administrative observations and weekly walkthroughs through the lens of the Danielson rubric.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Engaging families and supporting their understanding of Rigorous Instruction and the Common Core in order to support their children at home. 	<p>Target Group(s) Who will be targeted?</p>	<p>Timeline What is the start and end date?</p>	<p>Key Personnel Who is responsible for implementing and overseeing the activity/strategy?</p>

Part 5 – Progress Monitoring

<p>Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.</p>
--

• January 2016 Regents exam results will be our mid-point bench mark

• Mid-point progress in the form of student progress reports will take place in November 2015

Part 5b. In **February 2016**, review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5B – Framework for Great Schools Element – Supportive Environment: The school establishes a classroom and school culture where students feel safe, supported, and challenged by their teachers and peers.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Supportive Environment. This assessment should be informed by an analysis of student performance trends, attendance, suspension, school survey results and any major findings from your Quality Review (QR) or Alternate Quality Review (AQR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Students will continue to use textual evidence to support their positions. Using supporting evidence coupled with the use of the Socratic Seminar for classroom discussions will be the focus. In school year 2014/2015 students were introduced to using the assessment rubric. This practice enabled students to know how they were being assessed, and also become aware of what they themselves needed to do for improvement. Analysis of student writing and performance on their essay requirement of Regents exams informs the need for this assessment. It is felt that if students understand the criteria that is used to assess their work, they will submit improved work to attain the desired grade. On our most recent Quality Review, our assessment rubrics were not always aligned to our assessment. In order to allow students to be able to self and peer assess, rubrics must be aligned to assessments given .

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Supportive Environment. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

70% of students will be able to self and peer assess using a teacher/student generated rubric by our mid point progress November 2015.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Engaging families and supporting their understanding of Supportive Environment in order to support their children at home. 	<p>Target Group(s) <i>Who will be targeted?</i></p>	<p>Timeline <i>What is the start and end date?</i></p>	<p>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i></p>

Part 4 – Budget and Resource Alignment

<p>Part 4a. Indicate resources you will leverage to achieve this annual goal and implement this action plan, including human resources, instructional resources, schedule adjustments, etc.</p>										
<ul style="list-style-type: none"> • Teachers will have individual professional development during their prep period every Monday • Teachers will observe at least 2 colleagues with a focus on student assessment and feedback

Part 5 – Progress Monitoring

<p>Part 5a. Schools are expected to engage in progress monitoring as part of an overall cycle of continuous improvement planning. Identify a mid-point benchmark(s) that will indicate school progress toward meeting the specified goal.</p>
<p>January 2016 Regents exams will be used as the mid-point bench mark</p>
<p>November 2015 student progress reports will be used as the time frame for monitoring mid-point progress</p>

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5C – Framework for Great Schools Element – Collaborative Teachers: Teachers are committed to the success and improvement of their classrooms and schools. They have the opportunity to participate in professional development within a culture of respect and continuous improvement.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Collaborative Teachers. This assessment should be informed by an analysis of student performance trends, teacher performance and any major findings from your Quality Review (QR) and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

It is necessary to analyze student work in order to acquire knowledge on how to advance student success. The inquiry work needs much more development. Tasks in relation to student work need to be evaluated more purposefully and the data gained needs to match more specific interventions for both individual students and overall instruction.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Collaborative Teachers. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

Teachers will meet weekly in department inquiry teams to analyze student work and make sound instructional decisions. All department members have a common prep which will be used for this purpose. Minutes will be forwarded to administration on a weekly basis

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Strategies to promote teacher-parent collaborations to improve student achievement. 	<p>Target Group(s) Who will be targeted?</p>	<p>Timeline What is the start and end date?</p>	<p>Key Personnel Who is responsible for implementing and overseeing the activity/strategy?</p>
<p>During Professional Development, Teacher teams will look at baseline student work to identify strengths and gaps.</p>	<p>Teachers</p>	<p>September 2015</p>	<p>Educational Consultant</p>

Teachers in each department will have a common prep	Teachers	September 2015- May 2016	Administration
Teachers will submit minutes from each meeting	Teachers	September 2015- May 2016	Teachers
Students will be given tasks that are informed by the evidence of the inquiry teams, and furthers learning	Students	September 2015-June 2016	Teachers, Administration

Part 4 – Budget and Resource Alignment

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5D – Framework for Great Schools Element – Effective School Leadership: Principals lead by example and nurture the professional growth of teachers and staff, developing and delivering the instructional and social-emotional support that drives student achievement.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Effective School Leadership. This assessment should be informed by an analysis of student performance trends, teacher performance, school survey results and any major findings from your Quality Review (QR), and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

All teachers at Brooklyn Academy received an effective rating on their informal and formal observations, however the data in Advance showed that on informal and formal observations, 70% of teachers were developing on Domain 3 of the Danielson Framework. This domain focuses on instruction, and takes a closer look at student assessment, questioning and discussion in the classroom, and student engagement. Teachers will continue to be introduced to a variety of strategies and tools to support both teacher and student generated higher order questions to develop sustained discussion and student engagement. Teacher ratings on these areas drive the need for continued support by administration in teacher practice and growth.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Effective School Leadership. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

Administration will provide 100% support to all teachers through frequent classroom visitations, actionable feedback, and professional development aligned to the Danielson Rubric and the Citywide Instructional Focus. Seventy Five percent of our teachers will receive an effective rating.

Part 3 – Action Plan

<p>Activities/Strategies: Detail below the activities and strategies your school will implement to achieve the identified goal for this Framework for Great Schools element, including:</p> <ul style="list-style-type: none"> • Research-based instructional programs, professional development, and/or systems and structures needed to impact change. • Strategies to address the needs of students with disabilities, English language learners, and other high-need student subgroups (e.g., overage/under-credited, SIFE, STH). • Strategies to promote parent leadership and engagement as a key lever for school improvement. 	<p>Target Group(s) <i>Who will be targeted?</i></p>	<p>Timeline <i>What is the start and end date?</i></p>	<p>Key Personnel <i>Who is responsible for implementing and overseeing the activity/strategy?</i></p>

Section 5: Needs Assessment, Annual Goals, and Action Plans

Section 5E – Framework for Great Schools Element – Strong Family and Community Ties: The school creates a welcoming environment for families and takes advantage of community resources to enrich the civic life of the school.

Part 1 – Needs Assessment

- Conduct a comprehensive assessment of your school’s academic program in response to this element of the Framework for Great Schools–Strong Family and Community Ties. This assessment should be informed by an analysis of student performance trends, student attendance, suspension, school survey results, parent attendance and any major findings from your Quality Review (QR), and/or other relevant data.
- Summarize your school’s strengths and needs relative to this element (in a narrative or bullet format), and identify the priority need(s) that will be addressed in the goal and action plan for this section. Cite all data trends and sources.

Increasing parental involvement for students who are 16 to 21 years old has been a yearly struggle at Brooklyn Academy. We continue to have a dedicated core group of 5 parents each year, but for a student body of 175 that number of parents is extremely low. We have an open door policy, and parents are welcomed without having to make appointments to see faculty and administration.

Part 2 – Annual Goal

Indicate your school’s 2015-16 goal for improving student outcomes and school performance that addresses this element of the Framework for Great Schools–Strong Family and Community Ties. Your goal must be responsive to the identified priority need(s) indicated in Part 1, and be written as SMART–Specific, Measurable, Achievable, Relevant, and Time-bound.

To increase school wide parental involvement by 5%

Part 5b. In February 2016, review progress towards meeting the annual goal and make adjustments to the action plan, if applicable.

Section 6: Academic Intervention Services (AIS)

(Required for All Schools)

Directions: Schools need to maintain accurate records of students who are receiving Academic Intervention Services (AIS) to ensure that students who are not achieving proficiency receive effective and timely assistance. These records need to be made available upon request and indicate the total number of students receiving AIS in each subject area listed below and for each applicable grade in your school.

Type of Academic Intervention Service (AIS)	Criteria for determining AIS services	Type of Program or strategy (e.g. repeated readings, interactive writings, etc.)	Method for delivery of service (e.g. small group, one-to-one, tutoring, etc.)	When the service is provided (e.g. during the school day, before or after school, etc.)
English Language Arts (ELA)	Teacher recommendation and IEP	Repeated readings and essay writings; close readings to cite evidence for writing and discussion	7 th period tutoring. Graduate intern from Liberty Partnerships “pushes” in to ELA classes	During the school day
Mathematics	Teacher recommendation and IEP	Repeat Instruction. Real life related questions aligned to curriculum	7 th period tutoring. Graduate intern from Liberty Partnership “pushes” in to Math classes	During the school day
Science	Teacher recommendation and IEP	Repeat instruction, close readings to cite evidence for discussion and writing, continuation of science labs.	7 th period tutoring	During the school day
Social Studies	Teacher Recommendation and IEP	Repeated readings and essay writings	7 th period tutoring	During the school day

Section 7: Title I Program Information

Directions:

- All Schools must indicate their Title I status in Part 1.
- All elements of the *All Title I Schools* section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the *TA Schools Only* section in Part 3.
- All Schoolwide Program (SWP) Schools must also complete the *SWP Schools Only* section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section where the response can be found [for example, Section 5A-Part 4].
- For additional information, visit the [Title I Intranet webpage](#).

2a. Highly Qualified Teachers (HQT)

Describe the strategies and activities including strategies for recruitment, retention, assignments, and support including high quality professional development that ensures staff is highly qualified.
All Teachers are highly qualified and supported with weekly professional development from Administrative Team and Educational Consultant Toni Mulraney

2b. High Quality and Ongoing Professional Development

Describe the activities and strategies for high quality professional development for teachers, principals, paraprofessionals, and staff that enable all students to meet Common Core State Standards (CCSS).
Weekly individual and whole staff professional development.
Colleague inter-visitation for the purpose of actionable feedback
Workshops by individual Teachers

Part 3: TA Schools Only

3a. Use of Program Resources

Describe how the TA program resources will assist participating children to meet proficiency.

3b. TA Coordination with the Regular Program

Describe the planning, coordination and support of the TA program with the regular educational program (i.e., providing ELT, accelerated, high-quality curriculum, including applied learning; and minimize removing children from the regular classroom during regular school day).

Part 4: SWP Schools Only

4a. Transition Plans to Assist Preschool Children (Elementary Schools Only)

Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/info, early intervention services, etc.).

4b. Measures to Include Teachers in Decisions Regarding Assessments

Describe the decision making process that teachers participate in regarding the use and selection of appropriate multiple assessment measures and the professional development provided regarding the use of assessment results to improve instruction.

Our work with assessments had had as its goal to shift the focus from the right/wrong mentality at the end of a learning time, for both teachers and students to an ongoing formative assessment throughout the period of learning approach where analysis and perspective supported by textual evidence are more the norm. Professional development is provided by our education specialist.

4c. "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes¹. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated². **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for FY '16 school allocation amounts)	Place an (X) in <u>Column A</u> below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in <u>Column B</u> , section references where a related program activity has been described in this plan.	
			Column A Verify with an (X)	Column B Section Reference(s)
Title I Part A (Basic)	Federal	137,852.00	x	
Title II, Part A	Federal	0		
Title III, Part A	Federal	0		
Title III, Immigrant	Federal	0		
Tax Levy (FSF)	Local	1,509,774.00	x	

¹Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and

advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using *all* its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used **conceptually** to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the **intent and purposes of the Federal programs** included in the consolidation so that the needs of the intended beneficiaries are met.

²The **intent and purposes** of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I Priority and Focus School Improvement Funding:** Support implementation of school improvement plans that aims to improve instruction and address the identified needs
- **Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program.
- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant:** Supplementary and enhanced services to LEP/ELL immigrant students, in the areas of English language acquisition and content area achievement.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor’s Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent Involvement Policy and aligned with student achievement goals in the school comprehensive educational plan.

- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Section 9: Parent Involvement Policy (PIP) and School-Parent Compact (SPC)
(Required for All Title I Schools)

Directions: All Title I schools are required to have a Title I Parent Advisory Council (PAC) that develops a **Parent Involvement Policy (PIP)** in collaboration with the School Leadership Team that meets the parental involvement requirements of Title I. The PIP should describe how your school will plan and implement effective parent involvement activities and/or strategies to improve student academic achievement and school performance. The **School-Parent Compact (SPC)** is a component of the PIP that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's PIP should align with current CEP goals for improving student achievement. Schools are encouraged to include feedback from the Parent Coordinator when updating the policy. In addition, if the school community will be engaged this year in central parent involvement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

Your school's Title I Parent Advisory Council (PAC) is encouraged to use the sample PIP and SPC templates below (which meet federal Title I parental involvement requirements) as guidance for updating the school's current policy.

Parent Involvement Policy (PIP)

Educational research shows a positive correlation between effective parental involvement and student achievement. The overall aim of this policy is to develop a parent involvement program that will ensure effective involvement of parents and community in the school. **[Brooklyn academy]**, in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is responsible for creating and implementing a parent involvement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Committee as trained volunteers and welcomed members of the school community. **[School name]** will support parents and families of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math, and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;

- providing professional development opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

The school's Parent Involvement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of English Language Learners and students with disabilities. The school community will conduct an annual evaluation of the content and effectiveness of this parent involvement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents, and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent Involvement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent Involvement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Educational Plan, including the implementation of the school's Title I Parent Involvement Policy and School-Parent Compact;
- engage parents in discussion and decisions regarding the required Title I set-aside funds, which are allocated directly to the school to promote parent involvement, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent involvement are utilized to implement activities and strategies as described in the school's Parent Involvement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Committee. This includes providing technical support and ongoing professional development, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability, grade-level curriculum, and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., NCLB/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting on or before December 1st of each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent involvement requirements under Title I, Part A, Section 1118 and other applicable sections under the No Child Left Behind Act;

- schedule additional parent meetings, e.g., quarterly meetings with flexible times, such as meetings in the morning or evening, to share information about the school’s educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed;
- conduct an Annual Title I Parent Fair/Event where all parents are invited to attend formal presentations and workshops that address their student academic skill needs and what parents can do to help;

The school will further encourage school-level parental involvement by:

- holding an annual Title I Parent Curriculum Conference;
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Committee;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children’s progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC) Template

[School name] , in compliance with the Section 1118 of Title I, Part A of the No Child Left Behind (NCLB) Act, is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities:

Provide high quality curriculum and instruction consistent with Common Core State Standards to enable participating children to meet the State’s Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;

- implementing a curriculum aligned to the Common Core State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the No Child Left Behind (NCLB) Act;

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting prior to December 1st of each school year for parents of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent Involvement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent Involvement Policy and School-Parent Compact are distributed and discussed with parents each year;

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents and guardians;

- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional development opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent Involvement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the No Child Left Behind Title I requirement for Elementary Secondary Education Act (ESEA) and Title I programs;

II. Parent/Guardian Responsibilities:

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent Involvement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;

- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Committees, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities:

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

DEPARTMENT OF ENGLISH LANGUAGE LEARNERS AND STUDENT SUPPORT
GRADES K-12 LANGUAGE ALLOCATION POLICY
SUBMISSION FORM

2015-16 AND 2016-17 SCHOOL YEAR

DIRECTIONS: This submission form assists schools with gathering and organizing the quantitative and qualitative information necessary for a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for English language learners (ELL). This is a two-year plan on how schools will support ELLs' linguistic and academic needs. This LAP form is a part of the school's Comprehensive Educational Plan (CEP). Note: this is a living document; any schoolwide changes involving serving ELLs, such as the addition or expansion of a transitional bilingual education (TBE) or dual language (DL) program should be updated in this form. Note new terminology based on CR Part 154.2 and 154.3. Agendas and minutes of LAP meetings should be kept readily available on file in the school. When preparing your school's submission, provide extended responses in the green spaces. Spell-check has been disabled in this file, so consider typing responses to these questions in a separate file before copying them into the submission form. For additional information, refer to the *English Language Learner Policy & Reference Guide*.

After reviewing and analyzing the assessment data, answer the following:

- Describe what assessment tool your school uses to assess the early literacy skills of your ELLs (e.g., EL SOL, Estrellita, Fountas and Pinnell, DRA, TCRWP, teacher-created assessments). What insights does the data provide about your ELLs? How will this data help inform your school's instructional plan? Provide any quantitative data available to support your response.
 The primary assessment tool we use is the TABE test which is administered during orientation. From this data, we have found that the majority of our students are coming to us under their grade level in Reading and Writing and instruction is designed around this. We look at the results of this along with their test exam history from ATS and the results of their Regents exam. This data helps us to assess the students' needs and the interventions that are necessary.
- What is revealed by the data patterns across performance levels (on the NYSITELL and NYSESLAT) and grades?
 We have no students who require ELL services and there is no data to review.
- How does your school use information about Annual Measurable Achievement Objectives? What does the data reveal? (see [SED memo](#) and [AMAO tool](#))
 We do not have students who require ELL services and do not administer the NYSLET exam for measuring student progress in English.
- For each program, answer the following:
 - What are the patterns across performance levels and grades? How are ELLs faring in tests taken in English as compared to the home language?
 - Describe how the school leadership and teachers are using the results of the ELL periodic assessments.
 - What is the school learning about ELLs from the periodic assessments? How is the home language used?
 We do not have students who require ELL services.
- Describe how your school uses data to guide instruction for ELLs within the Response to Intervention (RtI) framework (for grades K-5). [Refer to [ELL Policy and Reference Guide](#), Support Services for ELLs (RTI and AIS) section and [RtI Guide for Teachers of ELLs](#).]
 N/A
- How do you make sure that a student's new language development is considered in instructional decisions?
 We look at the Home Language Survey and recommendations made by teachers. We examine the student's transcript, test history, performance in class (es) and on standardized exams. Data that we look at includes the RELC ATS report which provides information on the language which students speak at home.

7. For dual language programs, answer the following:
 - a. How are the English-proficient students (EPs) assessed in the target language?
 - b. What is the level of language proficiency in the target language for EPs?
 - c. How are EPs performing on State and other assessments?

N/A

8. Describe how you evaluate the success of your programs for ELLs (e.g., meeting AYP for ELLs).
It is extremely difficult to evaluate this as the sample size has been very small in the last several years (less than two students). If we had ELL students, we would look at the number of classes taken and passed, performance on Regents exams and on the NYSESLAT exams to evaluate the success of our programs for ELLs. If we had ELLs, we would also evaluate the success of our program for ELLs based on meeting AYP for our ELLs. The AMAO as described earlier is a very useful tool measure the progress towards English proficiency

Part IV: ELL Identification Process

Describe how you identify English language learners (ELLs) in your school.

1. Describe the steps followed for the initial identification of ELLs. These steps must include administering the K–12 Home Language Identification Survey (HLIS) which includes the student and parent interviews in English and/or the parent’s preferred language of communication, and the formal initial assessments (i.e., NYSITELL, Spanish LAB, and LENS). Identify the person(s) responsible, including their qualifications. Refer to *ELL Policy and Reference Guide, ELL Identification* section.
If the enrolling student is coming from a New York State public school, we will obtain the NYSITELL/NYSESLAT score directly from the sending NYS public school.

Students who are new to NYS public schools or have not been in a NYS public school for 2 or more year, along with their parents/guardians, undergo an intake interview and complete a Home Language Identification Survey. If a student's home language is not English, a more in-depth interview and review of student work will be conducted to determine NYSITELL eligibility. The Assistant Principal will be responsible for identifying any students who are eligible for the NYSITELL. The results of the NYSITELL determine whether students require services, and if the level of support. We administer the NYSESLAT in the spring when we have ELLs. The NYSESLAT determines whether students continue to require services.

When a student is identified as being an ELL student, an oral interview is done by a licensed ELL teacher and is done before the mandated 10 days. This is almost always done at the intake interview.

2. Describe how assessments are used to identify SIFE (Students with Interrupted/Inconsistent Formal Education) within 30 days of enrollment (e.g., LENS, SIFE questionnaire, student work).

Any student identified as an ELL will be given the SIFE Oral Interview Questionnaire to determine whether the student has a two year scholastic gap. If it is determined that a student has a two year gap the LENS will be administered.

3. Describe the identification for newly enrolled students with IEPs. Include titles of the Language Proficiency Team (LPT) members (refer to *ELL Policy and Reference Guide, ELL Identification* section).

Students with an IEP, whose home language is not English, will have their case reviewed by a Language Proficiency Team (LPT). The LPT team will be comprised of:

- The Principal
- The Assistant Principal of Special Education
- A certified teacher or related service provider with a bilingual extension and/or a teacher of English to speakers of other languages
- The director of special education or individual in a comparable title
- The student’s parent or guardian

The LPT will review evidence of the student's English language development and determine whether the student should take the NYSITELL. If the LPT determines that the student does not have English language acquisition needs and should not take the NYSITELL, the recommendation is sent to the principal for review. This process is done within 20 days.

4. Describe how your school ensures that entitlement and non-entitlement parent notification letters are distributed within five school days after the NYSITELL is scanned and score is determined.

As soon as the NYSITELL is scored we will notify the parents in their preferred language of the results by sending the entitlement or non entitlement letter home in the mail and with the student. This will be carried out by the guidance counselor and Assistant Principal.

5. Describe how parents are informed that they have the right to appeal ELL status within 45 days of enrollment (refer to *ELL Policy and Reference Guide, Re-Identification of ELL Status* section).
When Parents are informed of ELL eligibility they will be informed in their preferred language that they have 45 days to appeal the ELL status. The guidance counselor is in charge of this process and copies of letters sent are filed in her office.
6. What structures are in place at your school to ensure that parents understand all three program choices (transitional bilingual education, dual language, and freestanding ENL) through the mandated parent orientation within the specified timeframe? Describe the process, outreach plan, and timelines.
All parents are invited to a parent orientation at the initial intake meeting. At the orientation, time is spent with parents describing the ELL program that Brooklyn Academy High School offers (Freestanding ESL). At the same time, transcripts are reviewed with the parents and an assessment is done with all students to determine what level they are at in Math and English. This process is headed by the Assistant Principal and guidance counselor. Our language teacher is present to correspond with parents. We explain to parents the three choices of programs. We also show a dvd. During the meeting we review the Parent Survey and Program Selection form. Afterwards we collect the form (which is in parents' home language) after parents complete it. This is taken care of within 10 days of enrollment. When parents select another program from ESL, we reach out to the Office of English Language Learners to support the placement per parent choice. Finally, parent choice is indicated in the ELPC screen in ATS.
7. Include how your school reaches out to parents to ensure Parent Surveys and Program Selection forms are returned in a timely manner and how your school monitors parent program choice. As per CR Part 154.2, if a form is not returned, the default program for ELLs is bilingual education.
Program selection forms will be monitored by the assistant principal. Parents who do not return forms will be contacted by phone and mail in their preferred language..
8. Describe how your school monitors the *Parent Survey and Program Selection* forms that have not been completed and returned.
We distribute the Parent Survey and Program selection form during our orientation. This year Brooklyn Academy does not have any ELL students. We also provide an entitlement letter to each parent of an English Language Learner. Entitlement depends on student proficiency levels on the NYSESLAT exam. We send home the letters which are translated into the home language. The collection of letters is done by the Assistant Principal who puts the letters in the students' folders. The Assistant Principal is responsible for ensuring that the letters are mailed out and collected.
9. Describe how your school ensures that placement parent notification letters are distributed.
Assistant principal will ensure that placement parent notification letters are distributed, through the mail.
10. Describe how your school retains all ELL documentation for each child (i.e., HLIS, non-entitlement, and entitlement letters).
All documents are maintained in the student's cumulative file. All teachers would have access through the guidance department to these files.
11. Describe the steps taken to administer all sections of the New York State English as a Second Language Achievement Test (NYSESLAT) to all ELLs each year.
Assistant principal will monitor all ELL to ensure that they are administered the NYSESLAT.
12. Describe how your school ensures that continued entitlement and transitional support parent notification letters are distributed.
Assistant principal will ensure that these letters are distributed.
13. After reviewing the Parent Survey and Program Selection forms for the past few years, what is the trend in program choices that parents have requested? Provide numbers. Are the program models offered at your school aligned with parent requests? If no, why not? How will you build alignment between parent choice and program offerings as per Aspira Consent Decree? Describe specific steps underway. (Refer to question six).
We have not had a significant number of ELL's to see a trend.

Part V: ELL Programming

A. Programming and Scheduling Information

1. How is instruction for ELLs delivered in the following programs? Include how integrated and standalone ENL are implemented as per CR Part 154.2 as well as how students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogeneous [proficiency level is the same in one class]).
 - a. Freestanding ENL program.
 - a. Self contained
 - b. The model is heterogeneous as the students have mixed proficiency levels and are given classes based on the amount of instructional time that is mandated.
 - b. TBE program. *If applicable.*
 - NA
 - c. DL program. *If applicable.*
 - NA
2. How does the school ensure the mandated number of instructional minutes is provided according to proficiency levels in each program model?
 - a. How are explicit ENL, ELA, and HLA instructional minutes delivered in each program model (see charts 5.1 and 5.2 below)?

If we had ELL students, we would have one teacher work in a self contained model with students. Beginning students would work with the teacher for three periods (over 120 minutes) a day. Intermediate students would work with the teacher for two periods (over 80 minutes) a day, and advance students would work with the teacher for one period a day (over 40 minutes). The groups would be hetergenius with the teacher differentiating instruction as needed.
3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods used to make content comprehensible to foster language development and meet the demands of the Common Core Learning Standards.

The instruction is delivered in English. Differentiation is an integral part of the ELL teacher's approach and given our small size, and the fact that the staff meets daily, the teacher is able to get work and support from the students' subject teachers. The goal for the entire school including the ELL program is to ensure the Common Core Learning Standards are applied in class. Students are working on more non-fiction texts, and doing more writing which is differentiated. We use methods or specialized strategies to ensure that when we have ELLs, they will meet the demands of the Common Core Learning Standards. Specialized strategies include a focus on teaching academic vocabulary, Close reading, text-dependent questions, and use of writing from sources.
4. How do you ensure that ELLs are appropriately evaluated in their home languages throughout the year?

The Assistant Principal is responsible to getting the material and staff responsible for evaluating
5. How do you ensure that ELLs are appropriately evaluated in all four modalities of English acquisition throughout the year?

Although we do not currently have any ELL students, if we did have ELLs they would be evaluated in all four modalities throughout the years. Teachers would design assessments that involve looking at student work. We would review student responses on assessments and provide feedback that includes areas of strength and next steps. Teachers review student work during common planning. The purpose of looking at student work is for our students to be successful on the NYSESLAT that they would take in the spring on all four modalities that they would be evaluated on.
6. How do you differentiate instruction for each of the following ELL subgroups?
 - a. SIFE
 - b. Newcomer
 - c. Developing
 - d. Long Term
 - e. Former ELLs up to two years after exiting ELL status
 - a) Instructional plan for SIFE students are similar to what we do for ELL students. They would get 360 minutes of ELL instruction per week as they are usually beginner students. The work would be differentiated for these students with a great deal of scaffolding and assessment
 - b) We first assess their skill levels using the TABE exam and their academic records. We then interview the student and family. Based on that and the home language survey form, we devise an intervention plan which includes placing students in ELL classes.
 - c) Look at above
 - d) Look at above
 - e) These students are almost always given additional English classes to provide continued instruction. In addition , students who are eligible for test accomodations are given them.
7. For students re-identified as ELL or non-ELL, based on an approved re-identification appeal within 45 days of student enrollment, describe how the school ensures the student's academic progress has not been adversely affected by the re-identification (within 6–12 months after the re-identification has been established). Refer to [ELL Policy and Reference Guide, Re-Identification of ELL Status](#) section.

Chart e response to questions here:

8. What instructional strategies and grade-level materials do teachers of ELL-SWDs use that both provide access to academic content areas and accelerate English language development?
 All instruction is geared to the Common Core. Within ELL classes, there is a library and texts that are grade specific, and age appropriate. The goal is to get students to use these. Instruction and strategies are differentiated and scaffolded based on skill levels of students. Specialized strategies include a focus on teaching academic vocabulary, Close reading, text-dependent questions, and use of writing from sources
9. How does your school use curricular, instructional, and scheduling flexibility to enable ELL-SWDs to achieve their IEP goals and attain English proficiency within the least restrictive environment?
 As a school we believe in placing students who have IEPs and who are ELLs in the Least Restrictive Environment. We would identify students strengths and then program to student strength. Where students require additional support, we provide SETSS as well as tutoring to ensure that our ELLs meet the requirements for graduation.

Home Language Usage and Supports

The chart below is a visual representation designed to show the variation of home language usage and supports across the program models. Note that home language support is never zero. TBE and dual language programs have both home language arts and subject areas taught in the home language; ENL has home language supports.

A. Programming and Scheduling Information--Continued

10. Describe your targeted intervention programs for ELLs in ELA, math, and other core content areas (specify ELL subgroups targeted). List the range of intervention services offered in your school for the above areas as well as the language(s) in which they are offered.
All students in our transfer school including ELL students are eligible for and given AIS services which are specific interventions for any of the subject area. AIS is provided for 43 minutes a period four days a week in all subject areas. In addition, tutoring is offered after school and on Saturday. The instruction is given in English. We identify specific students by looking at their TABE scores, exam history, grades in classes, and results of regents exams.
11. Describe the effectiveness of your current program and how it is meeting the needs of your ELLs in both content and language development.
NA
12. What new programs or improvements will be considered for the upcoming school year?
NA
13. What programs/services for ELLs will be discontinued and why?
NA
14. How are ELLs afforded equal access to all school programs? Describe after school and supplemental services offered to ELLs in your building.
All students at Brooklyn Academy High School are afforded equal access to all programs including after school.
15. What instructional materials, including technology, are used to support ELLs? Include core content area as well as language materials; list ELL subgroups if necessary.
In addition to classroom instruction, the use of technology is emphasized. Each classroom has a smartboard and we have two brand new computer labs.
16. How is home language support delivered in each program model (DL, TBE, and ENL)?
There are text books for all major subjects available in Spanish and Creole which are the primary languages for our students. If we need texts in another language, we will and have contacted neighboring schools to borrow them or purchase them.
17. Explain how the school ensures all required services/resources support and correspond to ELLs' ages and grade levels.
All of the required services are geared to high school at Brooklyn Academy. The materials and resources are age and grade appropriate. There is an active attempt to differentiate and scaffold the material based on the student's needs.
18. Describe activities in your school that assist newly enrolled ELLs before the beginning of the school year. Include activities for new ELLs who enroll throughout the school year. Include titles of school staff involved in such activities (e.g., school counselor, parent coordinator).
Each student goes through a new student orientation which helps them to acclimate to the school. They are also assigned a career advisor and meet individually with the Guidance Counselor.
19. What language electives are offered to ELLs?
Spanish
American Sign Language
20. For schools with dual language programs:
 - a. What dual language model is used (e.g., side-by-side, self-contained)? Explain how much of the instructional day (percentage) EPs and ELLs are integrated.
 - b. In which language(s) is each core content area taught?
 - c. How is each language separated for instruction?
 - d. Is emergent literacy taught in the child's home language first (sequential), or are both languages taught at the same time (simultaneous)?

NA

B. Professional Development and Support for School Staff

1. Describe the professional development plan for all ELL personnel at the school. (Include all teachers of ELLs.)
NA. We do not have any ELL teachers, if we did professional development would originate from Brooklyn North Field Support Office.
2. What professional development is offered to teachers of ELLs (including ENL and bilingual teachers) in supporting ELLs as they engage in the Common Core Learning Standards?
NA. We do not have any ELL teachers, if we did we would follow the professional development from our Field Support Office.
3. What support do you provide staff to assist ELLs as they transition from elementary to middle and/or middle to high school?
Supports would be generated from Brooklyn North Field Support Center
4. Describe how your school meets the professional development requirements as per CR Part 154.2: 15% of total hours for all teachers and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development. Include how records are kept for professional development activities (e.g. agendas, attendance). Refer to [ELL Policy and Reference Guide, Professional Development](#) section.
Professional Development would come from Brooklyn North Field Support Center.

C. Parental Involvement

1. How does the school provide annual individual meetings with parents of ELLs to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas? Include provisions for interpretation and translation as needed. Note these meetings do not include mandated parent orientation meetings and DOE-scheduled parent-teacher conferences?
Each parent is required to attend a mandated parent orientation that helps to identify the individual needs of both students and parents. Native language translators are provided as needed. All parent activities including SLT meetings have translators available.
2. Include how records are kept for annual individual meetings with ELL parents as well as outreach to ensure parent needs are accommodated (e.g., in person meetings, phone calls, letters). Refer to [ELL Policy Reference Guide, Parent Selection and Program Placement](#) section.
Currently we do not have ELL parents. If we did, records would be kept in the guidance office, and parents would be provided
3. Describe ELL parent involvement in your school. Include specific activities that foster parental involvement for parents of ELLs.
Paste response to question here:
4. Does the school partner with other agencies or Community Based Organizations to provide workshops or services to ELL parents?
Yes-CAMBA which provides student and parent workshops
5. How do you evaluate the needs of the parents?
The Parent Coordinator is responsible for evaluating the needs through the use of surveys, group meetings (twice a month) and individual meetings with parents as well as phone calls. She meets with the Assistant Principal to review any individual situation and interventions.
6. How do your parental involvement activities address the needs of the parents?
All parental workshops are designed to meet the needs of all of our parents. They are created through parent requests and needs.

D. Additional Information

Include any additional information that would be relevant to your LAP and would further explain and highlight your program for ELLs. You may attach/submit charts. This form does not allow graphics and charts to be pasted.

2015-2016 LANGUAGE TRANSLATION AND INTERPRETATION PLAN

Requirement under Chancellor's Regulations – for all schools

DBN: 13k553 School Name: Brooklyn Academy
Superintendent: Robinson

Before you begin, please check the following:

- Principal has designated a Language Access Coordinator (LAC) in Galaxy**
- The LAC has attended an in-person or online training (www.learnndoe.org/tiu/lac) by the Translation and Interpretation Unit**
- The LAC is involved in the development of this Translation and Interpretation Plan**

School Goal: To ensure that parents whose preferred language is other than English are provided with meaningful opportunities to participate in and have access to programs and services critical to their child's education ([Chancellor's Regulation A-663](#)).

By developing each of the following components, your school will have a comprehensive plan to provide translation and interpretation services for all parents who require such services.

Part A: Identification and Assessment of Limited-English-Proficient Parents

1. Describe the data and methodologies used to assess language preferences of the parent community for both written and oral communication. Include pertinent information culled from Part III of the Home Language Identification Survey (HLIS), ATS reports, Student Emergency Contact cards, and any surveys conducted by your school.

All students and parents are interviewed by our Parent Coordinator and Assistant Principal at our registration/intake process. At that point an assessment is made as to the primary home language of both parent and student. ATS is also accessed for additional information and we make use of the Home Language Survey form. The two primary languages spoken by our constituents other than English is Spanish and Creole. We have documents available in both languages and can access documents in other languages as needed. We have translators in both languages available. The Assistant Principal secures the services for other languages as needed.

2. List parents' preferred languages for both written and oral communication. Include all languages, even if only a limited number of parents indicate a language.

English
Spanish
Creole
We have members of staff who are well versed in these languages.

Part B: Creating a Communications Calendar

1. List the documents your school typically disseminates every year that require translation and when they will be distributed to families. (The following contain critical information about educational programs and services and must be translated – annual handbooks, newsletters, calendars, parent-teacher conference announcements, after-school program information, New York State testing dates, general overview of student curriculum, letters from the school leadership.)

The Parent Handbook
Regents Testing Schedule
Parent Newsletter
Graduation information
After school program information

2. List the formal face-to-face meetings your school will typically have with parents throughout the school year, such as parent-teacher conferences or curriculum nights, and when they will occur. As much as possible, also indicate any anticipated informal interactions, such as attendance teacher or guidance counselor calls to parents.

New Parent Orientation
Individual Parent conference
Parent-Teacher Conference
Attendance Conference
Student Late calls to parents
Student absent calls to parents
guidance counselor calls to parents

Part C: Providing Language Assistance Services

1. Describe how your school will meet identified translation needs indicated in Part B. Include procedures to ensure timely provision of translated documents to parents. Indicate whether written translation services will be provided by the Translation & Interpretation Unit, an outside vendor or in-house by school staff.

For spanish and creole, translation is available onsite. However we will use outside resources for other languages as needed. The Assistant Principal will contact outside agencies to have documents translated if that becomes necessary.

2. Describe how your school will meet identified interpretation needs indicated in Part B. Indicate whether interpretation services will be provided by over-the-phone interpreters via the Translation and Interpretation Unit, on-site interpreters provided by an outside vendor or in-house by school staff.

Members of staff are available for interpretation needs of Spanish and Creole. The Language Line will be used for other languages

Part D: Training Staff on Policies and Procedures

Describe how your school will ensure that all staff members are aware of how to use translation services and the over-the-phone interpretation service. (e.g., T&I Brochure, Language ID Guide, Language Palm Card distributed at staff meetings, via email, etc.)

The Asistant Principal and Guidance Counselor willWE inform staff members through a professional development opportunity on how to use the translation services and ove the phone interpretatin service.

Part E: Providing Notice of Language Assistance Services

Describe how your school will fulfill parental notification requirements for translation and interpretation services, as per Section VII of Chancellor's Regulation A-663. Note: The full text of Chancellor's Regulations A-663 (Translations) is available at <http://schools.nyc.gov/RulesPolicies/ChancellorsRegulations>

Checklist of Notification Requirements

- Welcome Poster
- Parents' Bill of Rights
- Parents' Guide to Language Access
- Language ID Guide at security desk and main office

In the main office we have the Chancellor's Regulation A-663 displayed in both Creole and Spanish. We also accommodate any verbal or written requests for translation and interpretation services as requested., We also do mailings in the different languages as needed.

Part F: Monitoring and Quality Control

Describe mechanisms your school will use to gather feedback from parents on the quality and availability of services. (e.g., parent survey)

Parent Survey
PTA/SLT conference
